

NEWS NOTES FROM KENDRICK SCHOOLS

Events of Interests to School Patrons.

In a recent study made in high school it was found that fifty-four students carried two hundred and seven studies during the past semester. Out of this total there were twenty-seven A grades given to seventeen students, which show that excellent work was done by those receiving these grades. One hundred and fourteen B's were given. This places the forty-one students receiving them among the average or above. Twenty-three pupils received forty-six grades of C, C being a passing grade. Six D's or failures were given to three individuals and four students were conditioned in six subjects, while six of the students received eight incompletes. This record readily show us that most of the high school students are measuring up to the standard set for them by the teachers.

Don't forget the Domestic Science dinner which is to be served tonight in the Methodist church basement. The girls are working hard and they intend to give you a real feed, and they will appreciate your support. The proceeds derived will be applied on the expenses of the department.

There will be a basket ball game on the local floor tomorrow night, with the Orofino team. Everybody come and help the boys win this game.

The entire high school wishes to express their sincere appreciation to the business men of Kendrick for the financial support that they have given the Athletic Association.

The pupils having an average of 90 or above in the seventh grade are: Hester Knepper, Shirley Clem, Ellis Carlisle and Pearl Johnson.

The seventh grade language class wrote and dramatized several stories last Wednesday which proved to be very interesting.

Howard Watt is a new pupil in the seventh grade.

Those who have been neither tardy nor absent in the sixth grade are as follows: Robert Dammarell and Hugh McDowell; from the fifth, Mattie Reid.

The following is a list of the fifth grade who have an average above 90 per cent, for the past six weeks: Mattie Reid, Jane McConnell, Leora Aiken and Wilfrid Nowling.

The pupils in the third grade receiving the highest average for the semester are: Gladys Keese, Edna Bolon and Opal Frazer. Those in the fourth grade are: Juanita Stanton, Ella Sturdevant and Lillian Long.

Carl Earnest, from Colfax, Wash., entered the third grade January 16th, and Virginia Barr of Riparia, Wash., entered the fourth grade, January 23rd. This makes twenty pupils enrolled in the fourth grade and twenty-one in the third grade.

The pupils having the highest average for the past six weeks are as follows: Second grade: Nettie Mae McDowell, Hazel Sparber. First grade: Jean Dunkle, Evelyn Lister and Johnny Kite.

The second grade is studying the story of Robinson Crusoe.

Betty Jane, Earnest and Donald Watts entered the second grade the first of the week.

Marjorie Newton is in school again after two weeks illness.

Jurors For 1923

The Latah county commissioners adjourned last Saturday after selecting the jury list for 1923, to convene again February 1. The jurors selected from this locality are as follows:

Bear Creek Precinct: Ole Lien and Hiram Galloway.

Kendrick Precinct: M. V. Thomas, C. G. Compton, A. N. Rognstad and Clifford Davidson.

Linden Precinct: H. O. Gilchrist and F. C. Lyons.

ALWAYS HUNGRY

Squirrel Poison Supplies

Arrangements have been completed by the Latah County Farm Bureau, cooperating with the county agent, to purchase strychnine alkaloid and saccharine co-operatively for the continuation of the campaign against the Columbian ground squirrel. These supplies will be purchased thru the Extension Division of the University of Idaho and the Bureau of Biological Survey of the U. S. Department of Agriculture, and distributed at cost to co-operating farmers. The prices per ounce to those who order and pay for their supplies in advance will be: Strychnine alkaloid, \$1.20 and saccharine 15c. All farmers of Latah County are invited to take advantage of this opportunity to secure poisoning supplies at cost and take part in the squirrel control campaign. The supplies will be delivered early in the spring at community squirrel control meetings.

Committeemen have been appointed in the various communities of the county to receive orders for poisoning supplies. All orders must be given to the committeemen not later than February 5th. Those receiving orders in communities tributary to Kendrick are:

Kendrick: M. O. Raby, Arthur D. Ozmun and E. E. McDowell.

American Ridge: Frank Benschoter and Albert Hill.

Little Bear Ridge: Maicus Anderson and Eric Reiersen.

Big Bear Ridge: K. D. Ingle and A. N. Rognstad.

Texas Ridge: George Drury.

Cedar Creek: A. Alexander and E. A. Langdon.

Farm Bureau Meeting

The annual meeting of the Latah County Farm Bureau will be held at the Farmers' Store in Moscow on Wednesday, January 31st, at 1:00 p. m. The projects, or lines of work for the coming year will be decided upon and project leaders and officers will be elected. Legislation and other matters that may regularly come before the organization will be considered. There will also be an address by a competent speaker. All farmers, whether farm bureau members or not, are invited to attend the meeting.

In the Cumberland Mountains of East Tennessee, says a Nashville man, a good coon dog is considered a valuable asset. Once I asked a native how many dogs he had. "I ain't got but 4," Jim replied dejectedly. "Looks like I never kin git a start on dogs agin."

Poultry Institute

Arrangements have been practically completed for the poultry institute which will be conducted as a special feature in connection with the Panhandle Poultry Show to be held in Moscow on January 30th and 31st, and February 1st. The institute is in charge of O. S. Kletcher, county agricultural agent. The program is as follows:

Tuesday, January 30, 2:00 p. m.: "Feeding for Egg Production," by Prof. R. T. Parkhurst, head of the Department of Poultry Husbandry, University of Idaho.

Discussion.

Wednesday, January 31, 10:00 a. m.: "Housing," by Prof. R. T. Parkhurst.

Discussion.

Thursday, February 1, 10:00 a. m.: "Milk Production as Correlated with Egg Production," by Prof. F. W. Atkeson, head of the Dairy Department, University of Idaho.

The sessions of the institute will be held at the auditorium of the Farmers' Store in Moscow.

Asotin Robbery

Asotin, Jan. 22.—Thieves entered the Specker & Wegner general merchandise store at Asotin last night and robbed it of all the jewelry and silks in stock, cigarettes and other goods, the loss being estimated at about \$600.

The store was entered through the warehouse by breaking a panel out of the rear door.

The robbery was discovered this morning when L. E. Wisey, clerk, opened the store for the day.

The safe and cash register were not molested, which is a mystery to those who are investigating the affair.

This makes the second robbery in Asotin during the past six weeks, the other being that of the Fulton drug store, from which money and valuables amounting to several hundred dollars were taken.

County officers are on the alert, but the work of the thieves having been thoroughly covered up, makes the task a difficult one.

Closed Highways

All of the highways in Lincoln county, Wash., are closed to travel by trucks and auto stages for three months, according to an order recently issued by the county commissioners. The order states that trucks of more than a ton carrying capacity and auto stages whose weight is more than a ton, not including the passengers, shall be ruled off the highways until April 15.

Good Fellows Meet

The Good Fellowship Club held a very interesting meeting last Tuesday evening in the Presbyterian church basement. The Ladies Aid served a delightful dinner which was enjoyed to the fullest by the members of the Club. A short business meeting was held after which attention centered on the program, which proved to be very interesting indeed.

The first speaker was Rev. E. A. Rein of Cameron. His subject was "The Church and its Relation to Citizenship," and the undivided attention which he held during the course of his remarks, was a clear indication of his ability as a speaker. He covered his subject in a most pleasing and convincing manner.

Mr. Rein was followed by Mr. Wilmot on "Citizenship and the Home." He brought out a number of very interesting points that were featured during the discussion that followed.

The next meeting of the club will be held in the high school auditorium, Tuesday, February 9. Dinner will be served at 7 o'clock by the domestic science girls.

Hansons Entertain Club

The members of the Circle Card Club and a few guests were entertained last Tuesday evening at the home of Mr. and Mrs. Theo Hanson. After a number of very interesting hands of "500", scores were totaled and the prize awarded to Mrs. F. E. Erickson. The hostess served dainty refreshments, which were a very pleasing feature of a most enjoyable evening. Aside from the regular members, the following guests were present: the Misses Maud Eichner, Beulah Long and Evelyn Hanson; Messrs, Tom Long, Geo. Carlson and Jim Cain.

Bought Alexander's Store

The ownership and management of the J. Alexander company of Lewiston, Saturday, passed into the hands of Stanley Talbott, P. F. Specker and Herman Wegner, these gentlemen acquiring the entire holdings of Theron S. Ward, who retired from the firm immediately upon consummation of the deal. The amount paid Mr. Ward for his holdings amounted to \$100,000.

Mr. and Mrs. C. B. Candler celebrated their golden wedding anniversary last Sunday. The Gifford and Wayne Candler families spent the day with them.

Magazine Reading

Perhaps few people know or realize to what extent dead reading material is being discarded in our schools and in its place is being put that published daily, weekly or monthly in magazines, papers and books.

In many classes there are certain days during the week which are devoted entirely to current events, reports or discussion of important problems and questions of the day.

We find in some classes they have laid aside the text book and use them only as reference books. Text books which have been published more than five or six years are now considered in school as obsolete books and no longer of any use. For example the 1921 edition of McGruder's American Government, is now being replaced by a more up to date 1923 edition. This rapid change holds true with most text books.

The idea of more students reading the magazines on file, has been greatly stressed in our school because the students here have a larger variety of magazines than those in other schools of the same size.

The local school is now subscribing to five copies of the Literary Digest; five copies of the Independent; five copies of the Outlook and one copy of each of the following: Review of Reviews, World's Work, Good-Housekeeping, Field and Stream, Scientific American and National Geographic, the above mentioned being used mostly by high school students, while in the 7th grade they have the "Current Events", paper and "Boys' Life" and the eighth grade pupils also receive each a copy of the "Current Events". The fifth and sixth grades have the "American Boy" and the third and fourth grades have their, "Every Child."

Besides these magazines there are college and scientific papers sent, which furnish much interesting as well as good reading material. The large number of magazines on file have been used extensively by many of the students and they have taken much interest in them.—A. B. S.

Legume Cultures Ready

It will soon be time for seeding alfalfa, peas, clover and other legumes. In this connection the fact should be borne in mind that the Agricultural Experiment Station is again prepared to supply at cost cultures, for inoculation of legumes. It is expected that the 1923 acreage will greatly exceed that of preceding years. The department of bacteriology has taken steps to have on hand active, virulent cultures that will not fail to produce inoculation if properly applied. Every farmer desiring cultures should obtain them from the Experiment Station, where he will get cultures of proven efficiency at low cost. For further information write the department of bacteriology, Agricultural Experiment Station, Moscow.

The Lawyer's Language

A lawyer thus illustrates the language of his craft: "If a man were to give another an orange, he would simply say: 'Have an orange.' But when the transaction is entrusted to a lawyer to put in writing he adopts this form 'I hereby give and convey to you, all and singular, my estate and interests, right, title, claim and advantages of and in said orange, together with all its rind, juice, pulp, and pips, and all rights and advantages therein, with full power to bite, cut, suck and otherwise eat the same or give the same away with or without the rind, skin, juice, pulp or pips, anything hereinafter or in any other means of whatever nature or kind whatsoever to the contrary in anywise notwithstanding." And then another lawyer comes along and takes it away from you.—Ex.

LATAH COUNTY NEWS PARAGRAPHS

Clipped From The Columns of Neighboring Papers.

What is believed to have been a cougar is reported to have recently visited the ranch home of A. H. Wodelman, a short distance up the Middle Potlatch canyon, near the James Whalen place. The animal came into the yard during the night its presence being made known by the peculiar noise it made, which resembled the cry of a cougar. Its tracks were found the next morning leading into a rough part of the canyon and Mr. Wodelman is inclined to think it was a cougar. Nothing on the place, however, was found molested by the animal, whatever it was; Mr. Wodelman says.—Julietta Record.

The annual meeting of the stockholders of the First Bank of Troy was held at the bank Tuesday afternoon. The following directors were elected for the ensuing year: Clyde Johnson, president of the American Bank of Spokane; Fred K. Bressler, president of the Genesee Exchange Bank; Emil Nelson, A. R. Bohman and O. Bohman. O. Larson and C. Larson, directors last year, had disposed of their interests in the bank. The newly elected directors met and organized as follows: O. Bohman, president; Clyde Johnson, vice president; Herman Paulson, cashier.—Troy News.

Building at U. of I.

University of Idaho, Moscow, January 25.—With the completion of Mary E. Forney hall, now being built, students and citizens will have made private investments of \$318,500 for students' residence buildings since the state legislature made any appropriations for capital additions to the campus. These figures have just been compiled by the University. Mary E. Forney hall is being erected by the University of Idaho Building association, an organization of Moscow business men.

The last state appropriation for buildings was made in 1917, when about \$100,000 was made available for the addition of a wing to the Administration building. Since that time the enrollment has doubled.

Assurance by Moscow business men of the erection of still another dormitory for men, at a cost of \$100,000, will bring the total to \$418,500.

Two halls and three cottages, with the construction of a third hall assured, have been made available to the university at an expenditure of \$325,000 by the floating of bonds by Moscow citizens. This group of buildings is being bought for the state with rentals being paid by students.

Lindley hall, built in 1920-22 at a cost of \$100,000, accommodates 150 men; Mary E. Forney hall, now under construction, will accommodate 110 women and will cost \$100,000. The new hall for men, assured by the University of Idaho building association, will accommodate 25 men and cost 100,000. Jenkins cottage was purchased in 1920 for \$8,000; Center cottage in 1921 for \$12,000; and Crest cottage in 1921 for \$5,000. The three cottages accommodate fewer than 100 women.

There has been \$93,500 expended in constructing or purchasing fraternity houses since 1920. Six new houses have been obtained in that time, providing accommodations for 135 students. They are: Delta Gamma sorority, \$25,000; Phi Delta Theta fraternity, \$36,000; Phi Alpha Psi fraternity (purchased) \$9,000; Omega Phi Alpha sorority (purchased) \$9,000; Sigma Alpha Epsilon, \$14,500.

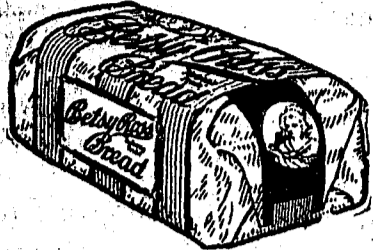

Mr. and Mrs. F. E. Erickson spent the week end with relatives in Lewiston.

Foreign Advertising Representative
THE AMERICAN PRESS ASSOCIATION

Every country newspaper has to contend with "notices" sent in for publication in the form of news items, when in reality they are advertising matter pure and simple and should be paid for at the regular rates. The newspaper's existence depends upon its advertising columns and every time "free advertising" is allowed to creep into the news columns it is eventually detrimental to the business system of the paper. There is nothing more welcome to the paper than news items, but free advertising matter is the most unwelcome guest we have and necessarily finds its way to the waste basket. It might be well to bear in mind that any notice of an entertainment of any description that is put on for the purpose of making or raising money, is advertising and should be paid for at the regular rate. Any advertising done for churches is charged for at half regular rates.

A soliciting committee, out after money, usually consists of a trio. This number has been found to be best and gets the results. It has never been explained why two wouldn't do just as well, but there is evidently a psychological reason why one individual is overpowered by three and will dig up a dollar when a lesser number couldn't get him to disgorge a cent.

A dyspeptic old newspaper writer recently remarked that an open countenance becomes rather tiresome unless the lower part of it closes at intervals.

Passage by the house of the repeal of the tobacco license bill, originated in 1921, will meet with general approval. The tobacco license law was intended to assist in preventing minors from securing tobacco, but it made no appreciable difference as minors apparently get all the tobacco they desire, judging from the number of young fellows seen smoking cigarettes on the street.

We will venture to say that the promenaders who took advantage of the beautiful weather last Sunday, got rather an unfavorable opinion of a number of homes in this little city, just because the yards were unkept. A few hours work on the part of the individual would entirely change this condition and make the home look presentable.

California is topping the list with a proposed billion dollar road program, to be accomplished over a period of five years. It is evident that the more good roads a state has, the greater the demand is for good roads. The building of the first few miles of permanent roads in a community is always the hardest struggle.

There is one thing that may be said of the automobile in connection with the locomotive—it has changed many persons' method of dying.

SOUTHWICK M. E. CHURCH

We are here to help each other.
W. J. Gamble, Pastor.

"CONFLICT"

One of the most thrilling pictures ever made for the screen, showing tonight and Saturday at the New Kendrick Theater when "Conflict," Priscilla Dean's latest Universal-Jewel production has its premier in this city. The picture is the last word in screen melodrama and it grips one with its suspense almost from the first flash.

Its climax is built around the dynamiting of a big log-jam in the swollen waters of the great north woods, and the succeeding flood of logs and water down the valley, sweeping everything in its path. The big punch comes when the heroine, played by Miss Dean, rides madly down the bank abreast of the flood, leaps perilously from log to log through the flow, and rescues her unconscious sweetheart, played by Herbert Rawlinson, just as he is about to be swept over a cataract.

The suspense is real, the thrill is actual, and Miss Dean deserves credit for one of the most fearless stunts ever performed for the screen. The rescue scene has been favorably compared to the rescue scene in "Way Down East." It is just as good, if not better.—Ad.

Latest Thing in Millinery

MISS MURIEL DE FOREST is a Bostonese. Recently the news was broadcast that flappers of the Hub were giving up cigarettes for the pipe. This gave Miss De Forest her inspiration for something new in millinery. It doesn't appear that she smokes, but it's a fact that she's adopted the pipe. Many are following her example and the new style promises to become the rage.

Chamberlain's Cough Remedy

This is a pleasant, safe and reliable medicine for coughs and colds. It has been in use for many years and is held in high esteem in those households where its good qualities are best known. It is a favorite with mothers of young children, as it contains no opium or other harmful drug. Try it when you have need of such a remedy.—Adv.

Wealth That Works

Money saved and deposited in a bank is wealth that works. Wealth that works is capital. Unlike brain and muscle, it does not wear out or deteriorate. It grows and improves.

The only gain from labor is what is saved. Labor, therefore, makes wealth and when wealth works it is capital.

Capital at work pays wages, which, when saved, creates more capital. Labor is the producer when labor saves.

Savings bring independence. A savings bank is a public servant.

Constipation.

Constipation of the bowels is a stoppage of the sewerage system that removes waste matter from the body. It is as necessary that your bowels move regularly once each day, to carry off this waste, as it is that the waste pipes of your home be kept open and carry off the waste from the house. If you would enjoy good health, keep your bowels regular by taking Chamberlain's Tablets when needed.—Adv.

SUMMONS

IN THE DISTRICT COURT OF THE SECOND JUDICIAL DISTRICT OF THE STATE OF IDAHO, IN AND FOR THE COUNTY OF LATAH.

Lawrence W. Gebesen, Plaintiff, vs. All Unknown Owners of, and all unknown claimants to, any rights, or title to, or interest in, or lien or claim upon the Northeast Quarter (NE $\frac{1}{4}$) of the Northwest Quarter (NW $\frac{1}{4}$) of Section twenty-five (25), in Township thirty-nine (39) North of Range Two (2) West of the Boise Meridian, in Latah County, State of Idaho, Defendants.

The State of Idaho Sends Greeting To each and all of the above named defendants. You are hereby notified that a complaint has been filed against you in the District Court of the Second Judicial District of the State of Idaho, in and for the County of Latah, by the above named plaintiff, of the nature in general terms is as follows:

To quiet title in plaintiff in and to the Northeast Quarter (NE $\frac{1}{4}$) of the Northwest Quarter (NW $\frac{1}{4}$) of Section twenty-five (25), in Township thirty-nine (39) North of Range Two (2) West of the Boise Meridian, in Latah County, State of Idaho.

And you are hereby directed to appear and answer the said complaint within twenty days of the service of this summons, if served within said Judicial District, and within forty days if served elsewhere. And you are further notified that unless you so appear and answer said complaint within the time herein specified, the plaintiff will take judgement against you as prayed in said complaint.

Witness my hand and the seal of the District Court of the Second Judicial District of the State of Idaho, in and for Latah County, this 5th day of January, A.D. 1923.

United Doctors Specialists

Do Not Use Surgery

Will be at Palouse Hotel, Saturday, Feb. 3

Office hours 9 a. m. to 3 p. m. One Day Only

No Charge for Examination.

The doctor in charge is a graduate in medicine and surgery, and is licensed by the state of Washington. He visits professionally the more important towns and the cities and offers to all who call on this trip, consultation and examination free, except the expense of treatment when desired.

According to his method of treatment he does not operate for chronic appendicitis, gall stones, ulcers of stomach, tonsils or adenoids.

He has to his credit many wonderful results in diseases of the stomach, liver, bowels, blood, skin, nerves, heart kidney, bladder, bed wetting, catarrh, weak lungs, rheumatism, sciatica, leg ulcers and rectal ailments.

If you have been ailing for any length of time and do not get better do not fail to call, as improper measures rather than disease are often the cause of your long-standing trouble.

Remember above date, that examination on this trip will be free and, and that his treatment is dif-

The Farmers Elevator And Warehouses

Receivers of bulk and sacked grain and pay current market price.

We sell Grain Sacks, Binder Twine, and Rolled Feed of all kinds.

Epworth League - 6:45 p. m.
Prayer service - 7:30 p. m.
Prayer service, Thursday 7:30 p. m.

There will be preaching service at American ridge Sunday morning.

Dr. Forsyth and Rev. M. J. Perdue, the Sunday School representative for our conference, will be with us Wednesday evening, January 31st. We desire to have all those interested in children to attend this meeting. If you are interested in the welfare of our town you can do her no greater service than to help build up one of the other of her Sunday Schools. We ought to have a minimum attendance of over 200 every Sunday in these schools, and if we do not, then perhaps you are not doing your part. Neither school can give absent treatment. Come and bring the family.

Our Epworth League is uniting with all the other Leagues of the country in the intensely interesting study of India. The text book is "India on the march."

PREBYTERIAN CHURCH

Sunday school 10:00 a. m.
Mr. Thomas McDowell, Supt.
A class for all.

Junior Endeavor 3:00 p. m.
11:00 a. m. Theme: "The Man by the Side of the Road."
7:30 p. m. Theme: "Investing a Life."

Services during the week at 7:30 p. m.
The presence and assistance of all will be greatly appreciated.
Wm. T. Russell, Minister.

Big Bear Ridge

Mr. and Mrs. Stuart Compton and children of Orofino are visiting at

the N. E. Ware home. A. N. Rognstad made a business trip to Lewiston the first of the week.

The basket social given at the Community Hall, Saturday evening was a great success socially as well as financially, \$45.45 was taken in from the sale of the baskets and lunch.

Ole Gudaa of Spokane and Oscar Merager of St. Maries were here during the sickness and death of their uncle, Mr. A. J. Aas.

The annual Red Cross business meeting and election of officers will be held at the U. B. church, Saturday afternoon, January 27th, at 2 p. m. You are urged to be present.

Mr. A. J. Aas passed away at his home on Big Bear ridge, Sunday afternoon at 2:50. Funeral will be held at the Lutheran church Friday, upon the arrival of his daughter from Grand Forks, North Dakota. The obituary will be given in next week's paper.

Some Cow!

A 365-day test just completed on Emmet Jumps Owl, the star Jersey cow of the Glen Tana ranch, makes her the second Jersey in the world in milk and butterfat production, according to T. S. Griffith, owner. For the year this cow produced 19,099.9 pounds of milk and 806 pounds of butterfat, equivalent to 920 pounds of commercial butter, averaging close to three pounds a day for a year. The world record of 20,626 pounds of milk was set a few months ago by a Pennsylvania cow.

Save the Coupons

And exchange them here for MAZOLA salad and cooking oil.

The coupons will appear in the Spokesman Review, the Spokane Chronicle and the Lewiston Tribune in one issue of each paper some time before February 1 and will appear again in the same papers 2 weeks later.

The coupons will have a value of 25c each in the purchase of Mazola Oil in quart tins or larger.

The manufacturers of Mazola pay the bill, so watch for the Mazola advertisement, cut out the coupon and bring it to us for redemption.

GLEANINGS

Mr. Swayze is looking after the barber shop during the absence of Wm. Rogers.

Rev. Wm. T. Russell, Presbyterian minister, writes from Lapwai that he is planning to spend a week or two in special evangelistic meetings here, beginning Sunday, January 28.

A very interesting program has been arranged for the Parent-Teachers meeting to be held at the high school auditorium this afternoon at 2:30. Everyone is cordially invited to attend the meeting.

The domestic science class of the Kendrick High School will give a dinner at the Methodist church this evening. Everybody is invited to attend. The money received from the dinner will be used by the girls in their domestic science work.

Joe Gardner, local water commissioner, is making concrete meter boxes, which he will install this spring. This work is along the line of permanent improvements and will not have to be done over every few years. He has the water system in better shape than it has ever been.

Mrs. Martha Grove, a resident of Juliaetta since 1893, died at her home Saturday morning at the age of 70 years. The funeral was held Monday morning.

Martin Thomas returned, Monday from a visit in Spokane, Kennewick and other inland empire points. While in Spokane he visited Richard Hazlip, who has been quite ill at a Spokane hospital.

Mr. and Mrs. Frank DeBolt and baby arrived Thursday afternoon to visit Mrs. DeBolt's mother, Mrs. Wm. Cain, on American ridge.

Joe Gardner received word, Wednesday, from Prosecuting Attorney Frank L. Moore that all public card tables would have to be discontinued in Latah county hereafter.

Rev. C. J. Atkins, pastor of the Methodist church of Juliaetta, who a few weeks ago was stricken with sleeping sickness, being blinded in a night by the effects of the disease, died in a Spokane hospital last Friday. He was 31 years of age and leaves a wife and one child. Burial took place in Montana.

The Pacific Northwest Hardware and Dealers association will meet at Lewiston today and tomorrow in their regular convention.

A small miss was complaining to her mother that she didn't like her seat at school. It developed that she didn't like the boy who sat across the aisle. "Oh, well," said her mother consolingly, "you don't have to look at him." "Yes, but I can smell him," wailed the fastidious young lady.

A new vaudeville song is entitled: "I've Named my New Cow Kansas Because She's Been Dry So Long."

Charles McKeever went to Clarkston, Wednesday, to visit his son, Harry.

Ralph Hall of Moscow was transacting business in Kendrick, Thursday morning.

The big log in front of the New Kendrick has attracted considerable attention this week, and interest is keen as to who will win the log sawing contest to be held in front of the theater tonight.

Joday Long and daughter, Lillian, were Lewiston visitors Wednesday and Thursday.

Mr. and Mrs. William Rogers were called to Moscow, Wednesday, on account of the serious illness of Mr. Roger's mother.

Frank Ellis returned from Moscow, Wednesday, where he has been in the hospital for the past two weeks. He is getting along very well since his operation and will soon have entirely recovered.

E. E. Beechler of Moscow was transacting business in Kendrick, Thursday.

E. E. Eastwood of Lewiston, auditor for the Vollmer Clearwater Co., was in Kendrick on business, Wednesday.

Miss Maud Eichner of American ridge spent the week end in Moscow, the guest of her sister, Mabel, who is attending the University.

M. V. Thomas returned to Spokane, Wednesday, where he was called on account of the serious illness of Richard Hazlip, who underwent an operation yesterday at a Spokane hospital.

Signs of spring are so numerous that many of the farmers near Walla Walla have started plowing months ahead of time. Farmers returning from their ranches report that the wheat is in good condition and that little re-seeding will have to be done this year.

Paul Perryman lost a valuable English Setter pup, Tuesday. It is believed that some party in town who is contending for a place as the meanest man in the world, threw poison into the dog's kennel. Paul kept the dog in the yard as he was afraid that if it were allowed to run at large someone might give it poison. This is the third time the same poisoning method has been

followed in Kendrick during the past few years.

A Good Prescription

Take two ounces of plain, old-fashioned work, add one ounce of confidence, flavor well all through with common sense, color with a tincture of dreams of greater and better things, eliminate all waste and worry, speak according to knowledge, act according to conscience, mix well and take morning, noon and night the year round. Sipped from the Silver-lined spoon of optimism, held firmly in a steady hand, this concoction is guaranteed to cure. Have you a bottle of it on your shelf?—Dr. Joyous.

Southwick News

Hubert Starr returned to Condon, Oregon, Monday of last week.

The Jasper Triplett family arrived from Canada, Monday of last week. Mrs. Chester Melver is their daughter and Doc Triplett is a brother of Jasper Triplett. They are at the Melver home; they came with the expectation of permanently locating here.

Miss Morsching inspected the Grinold school last Thursday and the Cameron school last Friday, making Southwick her headquarters.

Chas. Harris was a Southwick visitor last Thursday.

Wm. Reece of Kendrick was a Southwick arrival last Thursday evening.

The men of the community hauled wood for the Methodist church one day last week.

Word was received here the first of last week from Spokane, that Mrs. Al Frank had successfully undergone an operation there, and is now convalescing nicely. Her mother, Mrs. J. Kimes and her daughter, Mrs. Ben Presnal, went to Spokane to be with her. Mrs. Presnal returned last Thursday.

Miss Anna Reed arrived from Yakima last Thursday. She was called home to take care of her mother who is ill.

Mrs. J. L. Harris has recovered from her illness and is about again as usual.

Mrs. Harold Whittinger will entertain the Ladies' Aid, Thursday, January 25.

Correction: Mr. and Mrs. Lee Davis were at the S. R. Southwick home instead of the L. J. Southwick home as stated last week. Mrs. Davis is a sister of L. J. Southwick.

Mr. and Mrs. Wm. Whittinger were week end guests of their son, Vester Whittinger, at Leland.

L. H. Davis installed a radio set for Ziemann Bros. last Saturday.

The Mustoe Bros. and Cuddy Bros. are logging for Harry Wright on the Connor place.

The Community Club supper was well attended. After the supper and program the rest of the evening was spent playing games. Everybody enjoyed the evening.

Merit Smith came up from Kendrick last Friday and spent the week end here looking after the family property.

John Stalnaker and Geo. Hayward went to Lewiston Sunday for jury duty.

Miss Morsching returned to Lewiston last Saturday.

Mr. and Mrs. Julius Hoppe and Mr. and Mrs. Wm. Cowder spent Sunday at the C. C. Wright home.

Pearl Stump was taken to Lewiston last Monday where she underwent an operation for appendicitis.

A little daughter, Aleatha Ann, arrived at the home of Mr. and Mrs. Walter Bateman, Sunday, January 1.

Mr. and Mrs. Long of Gold Hill were Southwick visitors, Monday.

Darl Wright chopped off the end of a finger while splitting wood last week.

Mr. and Mrs. L. J. Southwick and the George Christensen family were dinner guests of the Ralph Wright's, Sunday.

Jasper Triplett has moved into the Henry Lettenmair property at the upper end of town.

The Calvert family spent the day with Mr. and Mrs. R. M. Wright, Sunday.

Mr. and Mrs. Lee Davis were dinner guests of Mr. and Mrs. A. Mustoe, Monday.

Mr. and Mrs. Irvin Helton entertained the following guests at dinner Sunday: Mr. and Mrs. J. Lettenmair and children, Miss Gladys Daggett, Pearl and Earlin Stump, Corinne Snyder and Ward Helton. The occasion was Irwin's birthday.

Potlatch Ridge

Leonard Fairfield spent Tuesday and Wednesday visiting with his mother, who is recovering from a recent operation at a Lewiston hospital.

Mrs. Will Schetzle spent Tuesday afternoon with Mrs. Robt. Heim-

gartner.

Sam Tiros made a business trip to Myrtle, Monday.

Bill Sautzle was called to Lewiston, Monday, to act as jurymen.

Mr. and Mrs. Cletis Hoisington spent Sunday at the home of Leonard Fairfield.

George and Clarence Dygert spent Sunday visiting with their mother, Mrs. J. H. Dygert of Fix ridge, who is quite ill.

Ernest Steigers returned home Saturday after spending some time at the home of his brother, Henry, at Anatone.

Wm. Stephas, Mrs. John Carlton and children and Lester Hill and family were Sunday visitors at the Will Schetzle home.

Wm. Fowler of Culldesac was a visitor in this vicinity this week.

Anyone wishing to join the Potlatch Hunting Club will send notice to any of the following legal members: President, Leonard Fairfield; vice-president, Henry Garot; Subs, Clarence Dygert, Sam Tiros and Cletis Hoisington. Coyotes on Potlatch are notified to beware as the club is well equipped with a three legged hound and fire arms of various calibre.

LELAND SCHOOL NOTES

Helen Russell from the primary room was absent on account of illness.

A number of the children are suffering from bad colds and hoarseness, making work rather hard.

The second grade pupils are choosing lessons in their reading this week, while waiting for their new books to come, which were out of stock when ordered.

Elizabeth Hund was a visitor at the high school and primary rooms last Friday afternoon.

The pupils of the eighth grade were busy taking examinations, last Wednesday, Thursday and Friday.

Herman Koopp and Ethel McVicker were absent from school, Monday.

Minnie Blum was absent from the high school Tuesday.

Minnie Craig won the prize for spelling in the intermediate room this week.

NOTICE

The Gold Hill and Park Telephone Company hereby asks for bids for the building of the line from the mouth of Cedar Creek to Linden postoffice. Work to be done by May 15, 1923. Consult A. Alexander for kind of work to be done and terms of contract. All bids to be in by noon February 10, 1923. Right reserved to reject all bids.

By order of Directors,
F. C. Lyons, Secretary,
Linden, Idaho. 4-2t
