GLEANINGS

Mr. and Mrs. "Bob" Shumaker of Pullman spent the week end with the Oldfield family in Kendrick.

Mrs. Cecil Emmett of Little Bear ridge, was taken to the Sacred Heart hospital in Spokane last Saturday. She has been very ill for the past few weeks and her condition is considered serious.

S. P. Callison, Ben and Noria Callison and Ernest Roberts returned last Saturday from their annual fall hunting trip. They went to the Bungalow on the north fork of the Clearwater and hunted over some of the high peaks in that country. They don't often come home empty handed but this is one of the exceptional times when they failed to locate the game.

Carl Kinzer of Lewiston was in Kendrick on business last Saturday.

Mr. and Mrs. M. M. Parks and Miss Lura Walker of Pegk visited at the N. E. and G. F. Walker homes in Kendrick last Sunday.

The Misses Viola Hough and Carol Olsen of Moscow visited at the Dunkle home Sunday.

Bob Perkins arrived Tuesday morning from Pomeroy for a visit with friends here. His mother, who for a number of years was telephone operator here, is now chief operator at Pomeroy.

Mrs. Walter Housley and little daughter and Mrs. Ira Bradshaw left Saturday for Portland. Mrs. Housley will visit her sister there and Mrs. Bradshaw will consult a specialist as she has been afflicted with a goiter for a number of years. Axel Swanson is building a big concrete cellar on his ranch near Kendrick.

Walter McCrea, Jr., spent the week end with his parents in Kendrick.

Mr. and Mrs. C. F. Byrne were in Kendrick last Saturday on their way home to Lewiston from a business trip to Spokane.

George Davidson returned last week from his hunting trip above Lowell. He killed a big elk.

B. Assman arrived the first of the week for a visit at the Harry Langdon home on American ridge. Mr. Assman recently returned from a trip to Germany. He says that he paid three one-million marks notes for a meal while there and really didn't have a very substantial meal at that. He says that the farmers of Germany are getting along very well but store-keepers and other lines of business are having a hard time of it. The principal medium of exchange is farm produce.

Dr. and Mrs. John E. Hoyt of Spokane spent the week end at the Home of Mr. and Mrs. Ralph Knepper. They drove down in their new Oakland club coupe.

J. F. Brown is making extensive improvements in his theater building by the addition of a kitchen and dining room, which will be used in connection with his dances. The addition was put on the rear of the building and is large enough to accommodate a good sized crowd. The new rooms will be used for the first time at the dance tonight.

E. E. Bechtel was in Kendrick the first of the week for a brief visit with his parents. He recently finished installing the build-in fixtures in the new Demlar residence on Fix ridge. He is doing a good business in his Moscow cabinet shop.

Born to Mr. and Mrs. Fred Crocker Thursday, November 8th, a son.

The American Legion dance, given last Friday was one of the most enjoyable dances held in Kendrick for the past year. There was a good, big crowd,

very good music and everyone enjoyed the affair exceedingly. The Legion boys are planning a number of dances for this winter.

Miss Whitney, domestic science teacher spent the week end in Pullman with friends.

While practicing basket ball Thursday evening of last week, Egnaz Flaig fractured two bones in his right ankle. "Eg" is one of the fastest forwards that ever played on a Kendrick high school team, so it is hoped that he will be back in the game before long.

Mrs. Ralph Knepper and son, John, left Monday morning for Hoquiam, Wash., to visit her mother and sisters.

Miss Edith Compton, who is specializing in domestic science at the University of Idaho, spent the week end in Kendrick with her parents.

Mr. and Mrs. M. B. McConnell and daughter Jane, were Orofino visitors Saturday.

Mrs. Glen Hutton and Mrs. Geo. Edwards of Garfield, Wash., arrived here Wednesday to attend the funeral of Mrs. T. F. Sparber. They are sisters of Mrs. F. A. Sparber.

Mr. and Mrs. E. A. Deobald and children drove to Moscow Monday on business.

Milton Mitchell of Juliaetta, died at a Lewiston hospital Wednesday afternoon. He was nearly 83 years of age. He lived at Juliaetta for the past 18 years. Mr. Mitchell was a Civil War veteran and most highly respected in his community.

Mr. and Mrs. J. C. Bibb arrived Wednesday from Clarkston to visit at the home of their daughter, Mrs. Joe Gardner.

Mrs. R. F. Pepple, wife of postmaster Pepple of Juliaetta, was taken to the Deaconess Hospital in Spokane, Tuesday. The following day she underwent an operation and is reported to be recovering nicely.

Lumber hauling from the Cedar Creek is drawing to a close. Day and night shifts have been put on for the past few days so that each truck hauled three loads every 24 hours. More lumber has been handled here this summer and fall than in any previous year in the history of the town. The Barnum Lumber & Mill Co. has been the receiving end of the business and has loaded and shipped out a large number of cars through the local yard.

An error was made in a recent issue of the Gazette in stating that Tom Hunter was killed in California. It should have read Mrs. Tom Hunter. She met her death in an automobile accident.

Mrs. M. A. Deobald of American ridge was a Moscow visitor Monday.

Mr. and Mrs. Elmer Hudson of Crescent left Wednesday for Missouri where they will make their home.

The Presbyterian Ladies Aid will meet Friday afternoon in the church basement, at 2:30. A full attendance is requested and everyone is asked to bring work.

The subject for the sermon at the Presbyterian church Sunday morning will be "Sentiment in Religion". This is the third in the series on "Table Talks of Jesus".

A. Wilmot made a business trip to Shelby, Montana, Wednesday.

There will be a practice game of basket ball between Kendrick and Juliaetta at the high school gymnasium tonight.

LINDEN LOCALS

Mr. and Mrs. Snoen visited at the C. H. Harris home last week. Mrs. Snoen is Mr. Harris' sister.

Mr. and Mrs. Elmer Hudson and little son spent Monday evening with Mr. and Mrs. George Garner.

Mrs. Addie Alexander visited at the Smith home Sunday afternoon.

Mr. Frank Lyon and Bud Harris left early Sunday morning for the Pierce City country on a hunting trip.

Two monuments have recently been added to the cemetery. One for Elmer Keeler and one for Lena Kirchknopf.

Uncle Rube Garner isn't so well at this writing.

Mr. and Mrs. Frank Vincent and daughter, Wilma, of Juliaetta, were dinner guests Tuesday at the Smith home.

Mr. and Mrs. Thompson of Winchester have moved to the H. J. Starr farm which they have rented. The neighborhood welcomes them in our midst.

This year enough lumber will be used in United States to build and furnish a row of 5-room houses which, placed every 50 feet apart, would reach from New York to Seattle, down to San Francisco, east to New Orleans and back to New York. With a lumber demand like that, and with more trees being chopped down than planted, its easy to understand why we are rapidly heading toward a treeless America. Our railroads use 125 million new wooden ties each year, writes Col. William B. Greeley, Uncle Sams chief forester. This is another of many causes why our forests are vanishing.

METHODIST CHURCH

Sunday school at 10:00 a. m.
Preaching at American ridge next Sunday morning at 11:00 a. m. Subject: "A Man of Prayer."
Epworth League at 6:45 p. m.
Preaching at 7:30 p. m. Subject: "The Cross of Christ."
A hearty invitation extended to all.

How Not to Take Cold

Some persons are subject to frequent colds, while others seldom, if ever, have a cold. You will find that the latter take good care of themselves. They take a shower or cold sponge bath every day in a warm room, avoid over heated rooms, sleep with a window open or partly open, avoid excesses, over eating, becoming over heated and then chilled and getting the feet wet. Then, when they feel the first indication of a cold, they take Chamberlain's Cough Remedy without delay and it is soon over.

Superior Grain Drills

The secret of the success of any grain drill lies first, in the distributor, second in the furrow opener.

The Superior drill seeds evenly, every furrow opener makes a perfect roomy trench, plants every seed at an even depth, at an even space and covers it thoroughly.

For two generations the Superior grain drills have been the first choice of American farmers.

SUMMONS

IN THE DISTRICT COURT, SECOND JUDICIAL DISTRICT OF THE STATE OF IDAHO, IN AND FOR THE COUNTY OF LATAH.

Chester H. Stanfield, Plaintiff vs. Henry Kern, William Albert Kern, Maudie Kern, Elizabeth English, and Maggie Gallagher, Defendants.
THE STATE OF IDAHO SENDS GREETINGS TO Henry Kern, William Albert Kern, Maudie Kern, Elizabeth English and Maggie Gallagher, the above named defendants.

You are hereby notified that a complaint has been filed against you in the District Court of the Second Judicial District of the State of Idaho, in and for the County of Latah, by the above named plaintiff, OF THE NATURE IN GENERAL TERMS AS FOLLOWS:

To partition and set apart to the respective parties, Plaintiff and Defendant, the following described real property situated in Latah County, Idaho, to-wit:

The Southwest Quarter (SW 1/4) of the Southeast Quarter (SE 1/4) of the East One-half (E 1/2) of the Southwest Quarter (SW 1/4) and Lot Four (4), all in Section Thirty (Sec. 30) in Township Forty-three (Twp. 43) North, of Range Five (5) West of the Boise Meridian, containing 161.76 acres according to the United States Government Survey as a good, sure and indefeasible title in Fee Simple, as their several interests therein may appear.

And you are hereby directed to appear and answer the said complaint within 20 days of the service of this summons, if served within said Judicial District, and within forty days if served elsewhere. And you are further notified that unless you so appear and answer said complaint within the time herein specified, the plaintiff will take judgment against you as prayed in said complaint.

Witness my hand and the seal of the District Court of the Second Judicial District of the State of Idaho, in and for Latah County, this 22nd day of October, A. D., 1923.

HARRY A. THATCHER, Clerk.
By ADRIAN NELSON, Deputy.

FRANK L. MOORE and LATHAM D. MOORE, Residence, Moscow, Idaho, Attorneys for Plaintiff. 44-61

SUMMONS

IN THE DISTRICT COURT, SECOND JUDICIAL DISTRICT OF THE STATE OF IDAHO, IN AND FOR THE COUNTY OF LATAH.

Mathew Horrigan, Plaintiff, vs. Jacob Walker and Anna C. Walker, his wife, Defendant.

The State of Idaho sends greetings to Jacob Walker and Anna C. Walker, the above named defendants.

You are hereby notified that a complaint has been filed against you in the District Court of the Second Judicial District of the State of Idaho, in and for the County of Latah, by the above named plaintiff, of the nature in general terms as follows: To foreclose that certain mortgage given to Mrs. Archie M. Duckett and Mr. Archie M. Duckett and recorded in Book 44 of Mortgages at Page 184 of the records of Latah County, and covering the following described lands and premises situated in Latah County, State of Idaho, to-wit: The Northeast Quarter (NE 1/4) of the Southeast Quarter (SE 1/4) of Section One (Sec. 1) Township Thirty-nine (Twp. 39) North, of Range Five (R. 5) West of the Boise Meridian.

And you are hereby directed to appear and answer the said complaint within 20 days of the service of this summons, if served within

said Judicial District, and within forty days if served elsewhere. And you are further notified that unless you so appear and answer said complaint within the time herein specified, the plaintiff will take judgment against you as prayed in said complaint.

Witness my hand and the seal of the District Court of the Second Judicial District of the State of Idaho, in and for Latah County, this 31st day of October, A. D. 1923.

NOTICE OF ELECTION

Kendrick Highway District
Notice is hereby given, that on Tuesday, the 27th of November, 1923, in Kendrick Highway District, County of Latah, State of Idaho, at the City hall in the Village of Kendrick an election will be held for the purpose of electing three Commissioners for the said Highway District which election shall be open at 8 o'clock in the morning and will continue until 7 o'clock in the evening of the said day.

The whole District has been constituted one election precinct for the purpose of this election.

Dated this 30th day of October, 1923.

(Signed) G. F. WALKER, Secretary of the Board of Commissioners of Kendrick Highway District, Latah County, Idaho. 44-3t

Small Quantities of Borax Not Injurious

Properly Applied, Not Detrimental to Plant Growth.

(Prepared by the United States Department of Agriculture.)

Exhaustive experiments with various crops under widely varying soil and climatic conditions, made by the United States Department of Agriculture, have proved that borax is detrimental to plant growth when applied in quantities varying from 4 to 20 pounds to the acre, and larger quantities produced progressively greater injury. Smaller quantities, three pounds or less per acre, produced very little if any effect and were, in fact, slightly stimulating to certain crops in some instances. While the harmful amounts of from 4 to 20 pounds and even higher occurred in certain fertilizers during 1919, these have no special practical application to present conditions since there is not enough borax in any American potash on the market to make such applications possible.

American potash from Searles lake, California, the commercial output of which contained borax in 1919, has now undergone such changes in its method of manufacture that it contains only very slight quantities of borax; a maximum not to exceed one-half of 1 per cent being guaranteed by the manufacturers. Five hundred pounds of a fertilizer carrying 5 per cent of potash will contain only 0.2 of a pound of borax; 1,000 pounds would contain 0.4 of a pound of borax, and even a ton would contain only 0.8 of a pound. Similarly, a ton of a fertilizer carrying as high a potash content as 10 per cent would contain only 1.6 pounds of borax. Even such heavy applications as a ton of a 10 per cent potash fertilizer would supply only such quantities of borax as were shown by the work of the department, given in Bulletin No. 1126 to be perfectly safe in field practice.

In all of the work where comparisons were made it was shown that the potash salt from Searles lake, California, when practically free from borax, gave satisfactory results as measured by actual yields.

Hydrocyanic Acid as Fumigant for Pests

Absorbed in Quantities Sufficient to Be Harmful

(Prepared by the United States Department of Agriculture.)

Because hydrocyanic acid, in the gaseous form, is used extensively in the United States as a fumigant for the destruction of insects and rodents, it often comes in contact with fruits, vegetables and other foods, and thus may be absorbed in sufficient quantity to be dangerous to man. In recent investigations the bureau of chemistry of the United States Department of Agriculture has determined the quantity of the fumigant which is absorbed and retained by various foodstuffs, all products examined being found to absorb the acid to some extent.

Results of the investigations are given in Department Bulletin 1149, just issued. No conclusions, however, as to the safety of fumigated foods for consumption, are drawn in this bulletin. Chemical observations alone are included. Determinations of the quantities of hydrocyanic acid injurious to human health lie in the domain of the pharmacologist.

Those interested in the subject may secure a copy of the bulletin from the United States Department of Agriculture, Washington, as long as the supply lasts.

Many People Still Plow With Very Dull Shares

Many people are still plowing with dull plowshares, increasing the draft of the plow sometimes as much as one-third. Better to have two sets of shares, so one can be in use while the other is being sharpened. A rolling coultter set so it runs from one-half to five-eighths inch from the land side will make your plow scour better and will decrease the draft.

Manure Applied Thinly Gives Largest Returns

Best evidence indicates that manure gives largest returns to the ton when applied thin once in each short rotation, or twice in a rotation of more than five years. Eight to ten tons to the acre in a three or four-year rotation, used with an average of 200 pounds of acid phosphate to the acre each year, give excellent returns.

FOR SALE: Three-quarter ton truck nearly as good as new. A. W. Longfellow, Linden. 46-1f

Chamberlain's Tablets Have Done Her a World of Good.

"Chamberlain's Tablets have done me a world of good," writes Mrs. Ella L. Button, Kirkville, N. Y. "I have recommended them to a number of my friends and all who have used them praise them highly." When troubled with indigestion or constipation, give them a trial and realize for yourself what an excellent medicine it is.

FOR SALE or trade: Light team, 5 and 6 years, well broke. See Carlson Hardware Co. 43-1f

Do Not Use Surgery

Will be at

Palouse Hotel,

Saturday, November 24

Office hours 9 a. m. to 3 p. m.

One Day Only

No Charge for Consultation
 The doctor in charge is a graduate in medicine and surgery, and is licensed by the state of Washington. He visits professionally the more important towns and the cities and offers to all who call on this trip, consultation and examination free, except the expense of treatment when desired.
 According to his method of treatment he does not operate for chronic appendicitis, gall stones, ulcers of stomach, tonsils or adenoids.

He has to his credit many wonderful results in diseases of the stomach, liver, bowels, blood, skin, nerves, heart kidney, bladder, bed wetting, catarrh, weak lungs, rheumatism, sciatica, leg ulcers and rectal ailments.

If you have been ailing for any length of time and do not get better do not fail to call, as improper measures rather than disease are often the cause of your long-standing trouble.

Remember above date, that consultation on this trip will be free and, that his treatment is different.

Address: 336 Boston Block, Minneapolis, Minn.

A Timely Suggestion
 This is the season of the year when the prudent and careful

housewife replenishes her supply of Chamberlain's Cough Remedy. It is almost certain to be needed before

the winter is over and results are much more prompt and satisfactory when it is kept at hand and given as soon as the first indication of a cold appears and before it has become settled in the system. There is no danger in giving it to children as it contains no opium or other harmful drug.

Wanted: Men or women to take orders for genuine guaranteed hosiery for men, women and children. Eliminates darning. Salary \$75.00 a week full time; \$1.50 an hour spare time. Cottons, heathers, silks. International stocking mills, Norristown, Pa. 39-10t

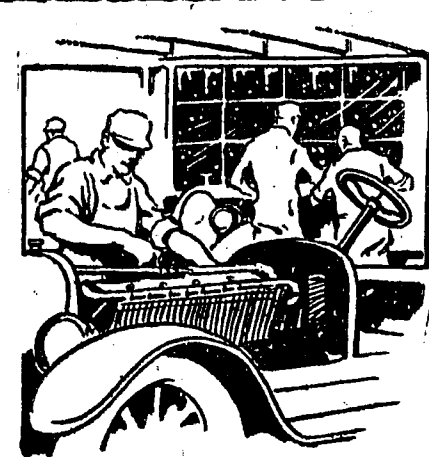

national stocking mills, Norristown, Pa. 39-10t

MONEY TO LOAN

On first class farm mortgages at 5½ per cent interest, five to ten years with prepayment privileges. Make application today. Inquire Gazette. 37-1f

FOR SALE: Duroc Jersey male pig, age 1 year. F. W. Siffow, Cameron. 43-1f

Try a "For Sale" ad in the Gazette. You will get results at little expense.

Have Those Repairs Made Now?

Has your motor lost power? If so, it needs attention at once. Let us give it a thorough going-over. Don't neglect it too long—it's expensive to delay. All work guaranteed.
