The Campfire girls met in the room of the Presbyterian church Wednesday evening. Mesdames, Edgar Long and Ramey were present to chaperon the girls.

Jim Cain arrived Tuesday from Butte, Mont., to visit his mother on American ridge. He expects to return to Butte in the near future.

Clarence Bell, who has been working at the Kendrick Store, left yesterday for Orofino where he has employment.

Last Tuesday about 35 young people met at the parsonage to spend the evening listening to Rev. and Mrs. W. W. Bell talk on topics concerning Oriental countries and customs, and to view the display of curios brot from the Orient by the Bells. Everyone present was delighted with the information received.

Mrs. John Dammarell and Mrs. Kester Dammarell were Troy visitors yesterday.

Mrs. R. H. Ramey returned Wednesday from Wenatchee where she visited friends and attended the Apple Blossom Festival.

Claud Stanton of Bremerton, Wash., visited his mother and brothers here last week. The first of this week he left with a pack string for the Little North Fork country where he

has a timber claim. Mr. and Mrs. Ralph Knepper and family spent Sunday in Tekeoa at the McConnell home. Mr. and Mrs. McConnell and Jane are planning to leave for California the last of this month to visit relatives. They will make the trip in their car.

Ben Callison and son, Norla, drove to the North Fork of the Clearwater the first of the week on a fishing trip. They were headed for Big Island.

It might stimulate civic pride to offer a prize for the best kept yard in Kendrick. A big improvement has been made in the appearance of the homes here the last few years but there is room for still further improvement. Right now we would award the prize to Mr. and Mrs. Frank Ellis. They have a beautiful lawn, flowers, shrubbery and trees.

Announcements were received last Friday of the marriage of Miss Mary Ella Lyle, daughter of Mr. and Mrs. Daniel Lyle, of Peck, to Mr. Harry Scott Benscoter, son of Mr. and Mrs. Frank Benscoter of Kendrick. The wedding took place in Walla Walla, Wash., Saturday, April 10. The bride and groom will be at home on their farm near Kendrick after June 1.

Kendrick has exceptionally good phone service and the people of this community should appreciate the fact. The local lines cover a wide radius including a number of outlying towns, that may be reached without paying toll charges. The central girls are strictly on the job and are very courteous and accommodating.

Frank Boyd and A. K. Carlson drove to Moscow on business yesterday afternoon.

Paul Shulze and Ben Cummings made a business trip to Lewiston this week.

Mr. and Mrs. F. Byron Smith and family of Peck attended the lecture at the Methodist church last Sunday evening.

Maybe it is a good thing after all that so many girls are beautiful but dumb. If they weren't beautiful the average man would never fall in love with them. If they weren't dumb they would never fall in love with the average man.—Ex.

A teacher: Who was Noah? Answer: He was an old timer who took care of the floating population when the flood drowned every living thing that wouldn't get on his boat.

The Kendrick High School team went down to defeat at Genesee last Friday when the Genesee High took the locals into camp by a score of 16 to 7.

Closing Out Business

Harry Glover is closing out his interest in the Main Street Garage this week and expects to look for a new location. It is understood the business will be continued under the sole management of Paul Shulze as soon as a number of adjustments have been made. Mr. Shulze has had charge of the mechanical department of the business. He is a first class mechanic and is working up a very good business here.

Its Easy Pull Will Convince You

When you see the Light Running New John Deere in the field, you will be surprised and pleased with its light pull and steady work. You will be convinced that the binder you buy will be

The Light Running New John Deere

The use of roller- and ball-bearings at all main friction points, together with improvements in design, make this the lightest running binder ever built.

The oiling system has been greatly improved—there are fewer oil holes and each one is easy to reach and of large size—it is much easier to oil than other binders and you don't have to oil it as often.

We want to show you this better binder and explain its many real improvements. Drop in and see us the next time you are in town.

Main frame built like a bridge—braced and overlapped for great strength.

Driving parts easily accessible—driving shaft and crank shaft can be taken out without removing bevel pinion or bevel drive gear.

Steel guides protect knife head and pitman—steel knife clips hold knife in proper working position. Beel can be easily set to meet varying grain conditions.

Great capacity elevator—handles grain without waste or clogging.

Handy bundle carrier—simple, great capacity—does not scatter bundles.

All-steel tongue truck—wheels hold to ground and relieve horses of neckweight and side draft.
