The big fight to be staged next Thursday between Tunney and Dempsey presents a pretty opportunity to gamble. In the first place you may gamble on your and then you still have a gamble coming as to whether it is a fixed fight or not. The best way to decide the matter, if you must bet, is tails Tunney wins, heads Dempsey wins, then cut your bet down to about a five cent cigar.

No doubt every once in a may no doubt see a hat or a dress that you would not even fers. It is much the same way health in an effort to be skinny. with a newspaper. Some want the local news, others read the country correspondence, some want general news, others sport dope. All read the advertsechoice and leave what you don't father.

The teachers of the Kendrick schools make a practice weighing their pupils at regular periods during the school term, also measuring their height. They have tables that are proper for the various ages of the children. If a child is badly underweight

the attention of the parents is called to its condition on the report card. Any reputable physician will tell us that a child who is underweight is either getting an improper diet or has some physical disability that needs attention. And yet there are many parents, in other matters apparently intelligent, who scoff at the idea.

Children in school should have working all kinds of schemes to a well balanced lunch at noon. get your money. Get The Habit

Young man it will pay you to get the habit. We mean the saving habit. The banking habit will help you. If you are starting out in life with only your two hands to help you, the dollar on deposit will be the best friend you will have on the side. Start an account at this bank today. Don't check unless the need is urgent. Add to it rather than draw it out. You will acquire a standing among the men who do things. You will in time have a fund to do something with yourself. Get the habit. Start now. The opening of a bank account may be the turning point in your career. Come and start with us, no matter how small. Ask the successful man if this advice is good. He knows. See if he doesn't tell you the same thing.

TO HOLDERS OF SECOND LIBERTY LOAN 41 PER CENT BONDS

EXCHANGE OFFERING OF NEW TREASURY NOTES

Second Liberty Loan bonds have been called for payment on November 15th next, and no interest will be paid after that date.

Notice is given of a new offering of United States Treasury notes, in exchange for Second Liberty Loan Converted 4½ per cent bonds. The new notes will be dated September 15, 1927, and will bear interest from that date at the rate of 3½ per cent. The notes will mature in five years but may be called for redemption after three years.

Interest on Second Liberty Loan Converted 4½ per cent bonds surrendered and accepted in exchange will be paid to November 15, 1927. The price of the new issue of notes, is 100 ½. Holders surrendering Second Liberty Loan Converted 4½ per cent bonds in exchange will receive, at the time of delivery of the new notes, interest on such Second Liberty Loan Converted 4½ per cent bonds from May 15, 1927, to November 15, 1927, less the premium on the new notes issued. Holders of Second Liberty Loan Converted 4½ per cent bonds who desire to take advantage of this opportunity to obtain Treasury notes of the new issue, should arrange with their bank for such exchange at the earliest possible date, as this offer will remain open only for a limited period after September 15th.

Further information may be obtained from banks or trust companies, or from any Federal Reserve Bank.
