OFFICIAL PAPER OF LATAH COUNTY

VOLUME XXXX

KENDRICK, LATAH COUNTY, IDAHO, FRIDAY, AUGUST 8, 1930

NO. 32

LATAH COUNTY RECORDS FILED DURING PAST WEEK

The following records have been filed in the office of Harry A. Thatcher, county recorder, during the week ending July 21, 1930:

Deeds:
W. D.—Potlatch Lumber Company to John McClaren, dated May 3, 1923; \$1.00; SW $\frac{1}{4}$ NW $\frac{1}{4}$ 5-40-2 W. B. M.

W. D.—Charles E. Bolles et ux Marguerite, to Regents of the University of Idaho, dated July 7, 1930; \$1.00; beginning 241.2 feet S. of SE corner NW $\frac{1}{4}$ 18139-5, 206.25x211.2 feet.

W. D.—E. N. Clark, trustee et ux Edith G., to Albert Howell, dated July 17, 1930; \$10.00; S $\frac{1}{2}$ NW $\frac{1}{4}$; NE $\frac{1}{4}$ SW $\frac{1}{4}$; NW $\frac{1}{4}$ SE $\frac{1}{4}$ 12-40-3 W. B. M.

W. D.—C. L. Thompson et ux Etta to Otto H. Lemberg, dated April 15, 1930; \$1.00; N $\frac{1}{2}$ NW $\frac{1}{4}$ 13; S $\frac{1}{2}$ SW $\frac{1}{4}$; NE $\frac{1}{4}$ SW $\frac{1}{4}$ 12-40-5 W. B. M.

W. D.—John L. Naylor to Otto H. Lemberg, dated June 26, 1928; \$400.00; lots 5 and 6, block B, Lieut. Allen's 2nd addition to Moscow.

W. D.—Otto H. Lemberg to C. L. Thompson, dated July 30, 1930; \$1.00; lots 5 and 6, block B, Lieut. Allen's 2nd addition to Moscow.

W. D.—G. R. Lawrence et ux M. E. to Vincent Biscardi, dated July 30, 1930; \$10.00; tract at NW corner SE $\frac{1}{4}$ SW $\frac{1}{4}$ 16-40-1 W. B. M. 162x 283 feet.

W. D.—G. R. Lawrence et ux M. E. to Floyd Lawrence, dated April 18, 1927; \$1.00; $\frac{1}{2}$ interest in tract 30 feet N. and 20 feet W. of NW corner block 4, Helmer; 400x109 feet, containing 1 acre.

A. D.—Sarah J. Wilkins, administratrix of Edgar R. Wilkins, deceased, to Floyd Lawrence, dated July 29, 1930; \$25.00; W. 30 feet lots 5 and 6, block 2, Original Helmer.

A. D.—Sarah J. Wilkins, administratrix of Edgar R. Wilkins, deceased, to Nona Lawrence, dated July 29, 1930; \$65.00; lots 5 and 6, block 3, Original Helmer.

T. D.—Latah County to J. O. McComb, dated July 19, 1930; \$3; NE $\frac{1}{4}$ NE $\frac{1}{4}$ 20-40-4 W. B. M.

T. D.—Latah County to J. O. McComb, dated July 19, 1930; \$2.00; SW $\frac{1}{4}$ SW $\frac{1}{4}$; SE $\frac{1}{4}$ SW $\frac{1}{4}$; SW $\frac{1}{4}$ SE $\frac{1}{4}$ 23-42-2 W. B. M.

W. D.—Charles Ross to W. C. Staats, dated Dec. 16, 1929; \$10.00; lot 2, block 25, Juliaetta; W $\frac{1}{2}$ and SE $\frac{1}{4}$ NE $\frac{1}{4}$ 4-37-3, in Juliaetta.

W. D.—T. Y. Ellis et ux R. J. to Frank W. Ellis, dated July 30, 1930; \$1.00; E $\frac{1}{2}$ lot 10; lot 12, block B, Original Kendrick; lot 9, block B, Addison's addition to Kendrick.

Q. C. D.—Eugene Bible University to Sarah O. Creckmur et vir T. N., dated July 3, 1930; \$10.00; tract 116 feet E. of NW corner lot 5, Russell's addition to Moscow, 75x150 feet.

W. D.—Eddie C. Halverson et ux Nayva to Mattie Cay Neighbor, dated August 1, 1930; \$1.00; lot 2, block 7, Sunnyside addition to Moscow.

W. D.—E. E. Boone et ux Bertha M. to United States of America, dated August 1, 1930; \$500.00; SE $\frac{1}{4}$; E $\frac{1}{2}$ SW $\frac{1}{4}$ lot 4, 7-42-2 W. B. M.

T. D.—Latah County to Edith Scott, dated Aug. 7, 1925; \$31.07; NE $\frac{1}{4}$ NE $\frac{1}{4}$; NW $\frac{1}{4}$ NE $\frac{1}{4}$; SW $\frac{1}{4}$ NE $\frac{1}{4}$ SE $\frac{1}{4}$ NE $\frac{1}{4}$ 33-42-2.

W. D.—Edith Scott to United States of America, dated Aug. 1, 1930; NE $\frac{1}{4}$ 33-42-2.

Mortgages
Howard R. Short et ux Margaret May to Charles Schroeter, dated July 30, 1930; \$11,000; due July 30, 1935; lots 8 and 9, block 11, Frye's addition to Moscow.

Albert Howell to State Bank of Clarkston, dated July 17, 1930; \$2300; due five years; S $\frac{1}{2}$ NW $\frac{1}{4}$; NE $\frac{1}{4}$ SW $\frac{1}{4}$ NW $\frac{1}{4}$ SE $\frac{1}{4}$ 12-40-3 W. B. M.

Harry H. Gallup et ux Sylvia to L. D. Arnold, dated August 1, 1930; \$600.00; due five years; lot 10, block 13, Sunnyside addition to Moscow.

John McClaren to Herman Hugo, dated July 25, 1930; \$250.00; due three years; SW $\frac{1}{4}$ NW $\frac{1}{4}$ 5-40-2 W. B. M.

Crop and Chattel Mortgages
James I. Headrick to P. A. Spickard, dated July 28, 1930; \$85.50; due Sept. 28, 1930; 1930 crops on NW $\frac{1}{4}$ NE $\frac{1}{4}$; W. 10.59 acres lot 2; NE $\frac{1}{4}$ NW $\frac{1}{4}$; lot 3; NW $\frac{1}{4}$ NW $\frac{1}{4}$; lot 4, 3-38-4; SW $\frac{1}{4}$ SW $\frac{1}{4}$; SE $\frac{1}{4}$ SW $\frac{1}{4}$; SW $\frac{1}{4}$ SE $\frac{1}{4}$ 34-39.

W. R. Jack to Snyder Motors, dated July 16, 1930; \$1090.85; due \$72.83 each month; International truck.

Idaho's 1931 Auto Plates

The color scheme for the 1931 plates has already been decided on and the information is given out that the color scheme will be a black background with white figures.

Secretary of State Fred Lukens has ordered 133,000 pairs, according to information given out. They will be made in the Indiana state penitentiary. Is there any particular reason why all auto users should be compelled to carry a penitentiary-made license tag on his car? Should a fuss be made all over the country about penal manufactured goods that it would seem fitting to bring a little pressure to bear on this class of goods and have them made in a manufacturing plant outside penitentiary walls. Pay a little more, if necessary, but have them made by free, honest, labor!

FORMER JULIAETTA RESIDENT DIES IN CALIFORNIA

The body of Mrs. Wm. G. Lewis, a former Juliaetta resident, who died at Riverside, California, July 29, was brought to Juliaetta and funeral services were held Saturday morning at 10 o'clock from the M. E. church with the Rev. L. E. Taber in charge. Death was caused by hardening of the arteries.

Nancy Jane Law was born in Macon county, Missouri, August 6, 1847, being 82 years, 11 months and 23 days old at the time of her passing.

She was married to William G. Lewis in 1867 and to this union nine children were born, only two of whom are living, C. T. Lewis and Chas. E. Lewis of Riverside, California. She leaves also 12 grandchildren and several great-grandchildren.

Very early in life Mrs. Lewis united with the Christian church and had been a consistent member of this organization all these years.

About two and a half years ago she went from Juliaetta to live with her son at Riverside. She had not been in good health for some months and the end was not unexpected but it was nevertheless a shock to her relatives and a host of friends.

The pallbearers were Wm. Stump, R. J. Anderson, Blaine Groseclose, Frank Spray, Andrew Robins and W. J. Kingen.

We wish to extend our sincere thanks to the many kind friends who so willingly aided us in our late bereavement. Your kindness will never be forgotten.

M. and Mrs. C. T. Lewis,
Mr. and Mrs. Chas. Lewis.

Light Law Must Be Obeyed

Deobald Brothers, official light testing and adjustment station for the Juliaetta, Kendrick and ridge sections of this territory report that to date only ninety-five cars and trucks have complied with the present state light laws, and that many do not seem to have the idea of the new law.

The new light law, passed and approved by the state legislature says that all cars, trucks and motorcycles using the highways of the state must have their lights tested and adjusted to comply with certain standards. A certificate is issued after testing and adjusting stating that the lights, horn and tail light of the vehicle are correct. This certificate is as necessary for operation on the highways as a license and failure to comply with this law lays the owner liable to arrest and prosecution, the same as if operating without a license.

Out of the estimated 600 cars and trucks belonging to this section of the country only ninety-five have had their lights tested and approved. This is indeed a small percentage and unless this law is complied with many are liable to find themselves minus some change, and the saying is that "the pocket nerve is the most sensitive nerve in the body."

So, if you would come within the law and protect your pocketbook, better have your lights tested at an authorized headlight adjusting station and be safe.

Fully Recovered From Illness

Mrs. W. A. Deobald is again up and about and taking care of her home and kiddies. She was confined to bed for a large portion of last week with a severe sore throat.

Assisting In Farmers Bank

Miss Neva Ware is assisting Cashier Carroll in the Farmers Bank while Miss Margaret McDowell is taking a two-weeks vacation.

ALL OLD COUNTY OFFICIALS NOMINATED EXCEPT WOODY

In one of the hottest campaigns before a primary that has been held in Latah county since the days of the Hutton ownership of the Moscow Daily Star-Mirror, took place Tuesday afternoon when all the old officials seeking re-nomination at the hands of the Republican party were renominated with the exception of County Commissioner John L. Woody of the third district, who was defeated for the nomination by Geo. C. Hoidal of Troy.

The figures given out for the county vote, are as follows:

- In Latah County—
For State Senator:
Chris. A. Hagan 1055
Burton C. Rowe 1218
- State Representatives:
Earl David 1833
J. A. Harsh 1849
Arthur Snow 1942
- District Judge:
Gillies D. Hodge 1121
Frank F. Kimble 42
Adrian Nelson 1047
Guy W. Wolfe 223
- County Commissioner First District:
John Cone 898
Harry M. Dailey 531
E. W. Travis 831
- County Commissioner 2nd District:
A. S. Lyon 1013
Rudolph Nordby 1313
- County Commissioner 3rd District:
Geo. C. Hoidal 1316
John L. Woody 1064
- Clerk of District Court and Ex-Officio Auditor and Recorder:
Ray Carter 1177
Harry A. Thatcher 1224
- Prosecuting Attorney:
J. H. Felton 994
Abe Goff 1435
- Sheriff:
Charlie Summerfield Uncontested
- County Treasurer and Ex-Officio Tax Collector and Public Administrator:
Leola R. King Uncontested
- Probate Judge:
Robert E. Emmett 860
L. G. Peterson 1495
- County Superintendent of Public Instruction:
Ellen Peterson Uncontested
- County Assessor:
Emmett J. Gemmill 809
Walter Q. Taylor 1590
- Coroner:
H. R. Short Uncontested
- Surveyor:
Harvey J. Smith Uncontested

Local Returns:

- State Senator:
Chris. A. Hagan 44
Burton C. Rowe 25
- State Representatives:
Earl David 54
J. A. Harsh 62
Arthur Snow 56
Adrian Nelson 1
- District Judge:
Gillies D. Hodge 37
Frank F. Kimble 2
Adrian Nelson 36
Guy W. Wolfe 3
- County Commissioner 1st District:
John Cone 44
Harry M. Dailey 5
E. W. Travis 19
- County Commissioner 2nd District:
A. S. Lyon 28
Rudolph E. Nordby 44
- County Commissioner 3rd District:
Geo. C. Hoidal 29
John L. Woody 53
- Clerk of District Court and Ex-Officio Auditor and Recorder:
Ray Carter 25
Harry A. Thatcher 53
- Prosecuting Attorney:
J. H. Felton 25
Abe Goff 50
- Sheriff:
Charlie Summerfield 66
- County Treasurer and Ex-Officio Tax Collector and Public Administrator:
Leola R. King 76
- Probate Judge:
Robert E. Emmett 32
L. G. Peterson 44
- County Superintendent of Public Instruction:
Ellen Peterson 70
- County Assessor:
Emmett J. Gemmill 14
Walter Q. Taylor 65
- Coroner:
H. R. Short 67
- Surveyor:
Harvey J. Smith 64
- Delegates to County Convention:
Wade T. Keene 71
P. C. McCreary 60
Dr. Geo. W. McKeever 64
N. E. Walker 58
C. A. Oppenborn 17

Precinct Committeeman:

- Wm. A. Watts 62

NEW WHEAT COMING IN —YIELDS REPORTED HEAVY

Both the Kendrick-Rochdale and Vollmer-Clearwater warehouses are busy places these days—and nights—for grain is pouring into both of these places as rapidly as it can be threshed and brought to town. Many farmers are reporting yields such as have not been raised in this section for many years, they ranging all the way from 45 to 60 bushel to the acre.

At the Kendrick-Rochdale elevator and warehouse, as early in the week as Tuesday, they were receiving about 75 loads per day, or better than 2,000 sacks, with yields running high. Bencotter Bros. were threshing and it was said their average was above 60 bushels per acre and that a farmer would not mention his yield unless it ran above 45 bushels.

Chas. Schulz, on Potlatch ridge, threshed oats the first of the week that went 35 sacks to the acre.

The Vollmer-Clearwater warehouse has been running day and night thus far this week and they expect to be pretty busy from now on until the large crop is fully taken care of. They are taking in from 2500 to 3000 sacks per day and expect this to be increased as the season advances.

Manager Keene says that unless the yield a considerable amount they will not have near enough room to store the grain that will come to their warehouse.

Considerable smut has been encountered in the fall grain, but many fields are comparatively free from it.

Kendrick Residence Burns

Fire broke out in a house belonging to Mrs. Arthur Rehms, the building was completely destroyed last Thursday night, the alarm being turned in by Mrs. Carl Hartung about 9:30 o'clock.

The house had not been occupied since the closing of school last spring and the cause of the blaze is unknown. The house was partly furnished.

A swarm of bees had been housed in the west wall of the house for the past several years, according to reports, and this was contended by some as a possible cause of the fire.

Burning embers were carried pretty well over the down-town section but no fires, so far as known, were started from this cause. Wm. Watts reported that burning coals as large as a man's hand were carried as far as the Kendrick-Rochdale warehouse. There happened to be an extra good water pressure that evening and quick work on the part of the volunteer fire ladders saved the house adjoining, belonging to Dr. Geo. W. McKeever and occupied by Carl Hartung and family, just south of the burned house. The schoolhouse seemed in danger for a short time but this was soon dissipated and no further danger was imminent.

Marshall Ernest Davis "sat up" with the fire all night to make sure that it did not break out again and do more damage.

Gym Work Being Pushed

Work of erecting the new high school gym is being rushed as fast as possible, with Contractor Jordan in charge of the work.

Excavation was completed last week and it is hoped to be able to complete the pouring of the concrete foundation by Saturday night of this week and to commence the laying of brick next Monday morning.

Contractor Jordan says he is well pleased with the change in the original plans and that he will now be able to build a real gym—one that will stand and that the taxpayers of the district should be proud of.

One car of brick has been delivered on the ground and three more are yet to come. Mr. Jordan says the brick are as fine as he ever saw and will make a very pretty building.

The Barnum Lumber & Mill Co. has the contract for supply material other than the brick.

Justice of the Peace:

- A. K. Carlson 14
C. A. Oppenborn 12
- Constable:
E. M. Davis 19
- John L. Woody, defeated commissioner, carried Kendrick precinct by 24 votes.

We print school warrants and report cards. Need any?

Rattler Bites Girl On Head

Bitten on the top of the head by a rattlesnake as she was leaving the water of the Grand Ronde river after bathing, Netha Edmond of Enterprise, Oregon, was rushed to Lewiston for serum treatment and was reported in favorable condition for recovery at the White hospital.

The snake was lying on a rock on a high bank along side the swimming pool and struck without warning, sinking its fangs only lightly into the scalp because of Miss Edmond's hair.

First aid for the bite was given by lacerating the wound and the long journey to Lewiston was started at 5:30 o'clock, a few minutes after the reptile had struck. Miss Edmond arrived at the hospital at 10:10 p. m. and the serum was administered immediately.—Lewiston Tribune.

HAIL AND WIND RUIN CROPS ON CAMAS PRAIRIE

A freakish electrical, hail and hurricane-like windstorm struck the heart of the rich grain belt on Camas prairie Monday afternoon at 5 o'clock, bringing destruction to approximately 350,000 bushels of wheat in the Cottonwood-Ferdinand district and causing a loss which will total thousands of dollars, says Tuesday's Lewiston Tribune.

This storm lasted only a few minutes, traveling eastward over an area five miles wide and 12 miles long and centering its fury in the region along Lawyer's canyon from Westlake eastward through Ferdinand and the Greencreek farming section. It was without precedent in its fury and damage.

Lawrence Smith, a farmer at Greencreek, was knocked unconscious by hail as he stood in his field. The icy pellets ranged in size from peas to walnuts. The wind tore up trees, blew down wheat and broke windows in houses. On the Willis Turner ranch at Winona a horse attached to a binder team was killed by lightning during the morning and the three others bolted, dragging the binder behind.

In many places there was no hail, but heavy rains fell. Craigmont reported a severe rainstorm accompanied by an occasional barrage of soft hail, but no material damage was done. At Nezperce a downpour of rain drenched the town but no hail fell. The storm faded out two miles to the north and districts beyond received no rain.

On Montgomery ridge near Anathone lightning set fire to three grain fields, but the blazes were extinguished before they spread far.

It was the most general hail storm that ever struck Camas prairie and wheat was damaged from 25 to 100 per cent in the area worst afflicted. Greatest loss was suffered in fields of White Russian wheat, which was just ready for harvesting. The large heads were shelled by the wind-driven pellets and loss estimated at 90 to 100 per cent. Other varieties of winter wheat less mature were damaged from 75 to 80 per cent. Spring wheat suffered about 25 per cent loss.

Goff Eckert farming north of Cottonwood had 200 acres of winter wheat which was reported a total loss. Turner Brothers, southeast of Nezperce, estimated that 400 acres of wheat had been damaged 50 per cent.

The hailstorm which struck Cottonwood Monday evening was the worst that had ever visited that area. Heretofore local hailstorms have done considerable damage but never on such a scale as the one Monday.

The amount of insurance carried by stricken farmers was unavailable but it is believed that they were not prepared for such a wholesale destruction.

A lightning storm that crackled and roared overhead visited Lewiston between 6:30 and 9 o'clock Monday morning, bringing .03 inches of rain for the first precipitation in August. The total rainfall since July 1 amounts to .1 inch as compared to .42 inches normal for July alone.

No hail was reported during the storm but the atmosphere was excessively humid before and after the storm. At 5 a. m. the humidity registered 59, 15 points above normal and at noon the humidity was 48 compared to a normal of 15.

Although the maximum temperature was 96 degrees at 3:15 the air seemed excessively uncomfortable because of the high humidity. The minimum was 65 degrees at 5 a. m.

NEW WHEAT OFFERINGS MEETING SLOW DEMAND

Wheat prices declined to new low levels for the season during the week ending August 2, influenced by continued liberal offerings of wheat, more favorable prospects for spring wheat and a continued disappointing export demand for North American supplies, according to the Weekly Grain Market Review of the United States bureau of agricultural economics.

Corn, on the other hand, advanced sharply, reflecting further deterioration of the crop and the rapidly disappearing stocks of old grain. Oats and barley held fairly steady under the influence of higher corn prices, although a slow demand weakened the barley market at some points. Rye had some independent strength but prices tended downward with wheat. The flax market turned weaker despite less favorable prospects for the new crop.

There were no outstanding changes in the general wheat crop situation during the week. Showers benefited Canadian spring wheat with precipitation heaviest in southern Manitoba, southern Saskatchewan and central and northern Alberta. Private estimates now place the Canadian crop in the Prairie Provinces at 75,000,000 to 85,000,000 bushels above last year's harvest. Cutting has already started in parts of Manitoba. Harvesting is now general throughout the domestic spring wheat area and early samples are of unusually high protein but are rather light in weight. Harvesting is well under way in many important European producing areas. First samples of new French wheat are of light weight owing to excessive moisture. Revised milling regulations in that country now permit the use of 10% foreign wheat in milling, instead of the previous allowance of only 3%. The July 1 estimate placed the German wheat crop at around 141,000,000 bushels or about 18,000,000 bushels larger than last year's. The crop is placed at 335,000,000 or 14,000,000 bushel larger than last year. Yields in the upper Danubian countries are disappointing, according to trade reports. Threshing returns in Italy are also poor.

The movement of new domestic spring wheat started in fair volume during the week. A large percentage of the receipts at Minneapolis consisted of new crop wheat which was mostly of light test weight but unusually large in protein content. Inspection of 1,343 line cars by the grain investigation division of the Minnesota grain inspection department showed an average protein of 13.24 per cent, with the highest reported at 20.3 per cent and the lowest at 9 per cent. Premiums for cash wheat held generally steady although the September price declined 7/8c, closing August 1 at 84 1/4c. No. 1 dark northern with 12 per cent protein was quoted from 1c under to 3c over the September price. No. 1 dark northern was quoted at Duluth at 82 1/4c to 93 1/4c and No. 1 northern at 81 1/4c to 89 1/4c. The durum wheat market was relatively firmer than bread wheats, reflecting the prospective decrease in the new crop and a continued scattered export demand for current offerings. Good milling durum was scarce and wanted. The Duluth September price declined 4/8c, closing August 1 at 79c. Cash wheat at Winnipeg was relatively firmer than futures. No. 1 Manitoba Northern was quoted at the close of the market August 1 at 90 1/2c per bushel.

Marketings of hard winter wheat fell off materially at the principal markets, with the exception of Omaha where they were unusually large, totalling 4,685 cars for the week ending August 1. Notwithstanding the smaller receipts, however, market stocks were further increased, reflecting the smaller shipments and the relatively slow demand. Cash prices were firmer than futures at most points but ranged from 1c to 5c lower than a week ago. Premiums for heavy test high protein wheat were increased at Kansas City as a result of smaller offerings of this quality of wheat. The protein of the July shipments at Kansas City averaged 12 1/2 per cent compared with 11.99 per cent for July a year ago. The average protein of the week's inspections was 11.99. At the close of the market August 1 No. 2 hard winter ordinary protein, was quoted at 75 1/2c to 77c. The heavy offerings at Omaha met a good demand from domestic buyers and exporters. Protein premiums were lowered slightly and were

(Continued on Inside)

HERE ARE BARGAINS

Which never before were heard of in Kendrick. We need room -- therefore don't overlook this SPECIAL OFFER!

I will take WHEAT RECEIPTS at \$1.00 per bushel for the following machinery, and besides cut the price of New machinery 1-3 and More!

- 1 New 9-Foot Superior Drill, Cost \$248.00 for Only ----- \$195.00
 - 1 New 10-Foot Superior Drill, Cost \$268.00 for Only ----- \$238.00
 - 1 New Oliver Horse Gang Plow, 14-Inch, Cost \$114.00, for Only -- \$72.00
 - 1 New 3-bottom Case Tractor Plow, 14-inch, Cost \$172.00 for Only -- \$160.00
 - 1 Used Fordson, Spade Lugs, Governor, Late Model, for Only ---- \$195.00
 - 1 Used Cletrac, Needs a Little Fixing, for only ----- \$200.00
 - 1 Used 12-20 Twin City Tractor, Fine shape, for only ----- \$300.00
 - 1 Used 15-27 John Deere, Used very little, Perfect shape, for only ----- \$800.00
- 1 Master-6 Buick, Converted into a truck, will haul 20 sacks of wheat at a speed of from 1 to 100 miles an hour. This truck has 4 extra tires, Steel Rack, Top, everything in A-No. 1 Shape. Brakes relined, motor completely overhauled, License—and Power—just step on it and see her go—all for 125 bushels of wheat at ----- \$1.00 per bu.

Also One Ford, Model T, Motor, Generator and Starter. Motor completely overhauled. We will exchange with your old motor and make the exchange, all for 50 bushels of wheat. We have Parts of Ford Model T cars — We will sell them for half price — and less.

Listen Folks---I am apt to withdraw this special offer within a week. See---

TEKEAN NEWS

Mrs. C. S. Burrus and children returned to their home at Colville, Wash., last week. They have spent the summer vacation with the parents of Mrs. Burrus, Mr. and Mrs. J. H. Butler.

Miss Lottie Klandik has been employed to teach the primary rooms of the Tekean school.

Nelda Butler, accompanied the Bur-ruses to Colville, where she will remain through the school year.

Visitors at the Gus Harless home Sunday afternoon were Mr. and Mrs. Wm. Groseclose and sons Bruce and Carroll.

Mr. and Mrs. Everett Horne and family from Peck were visitors at the Orval Choate home Sunday.

The members of the Young People's meeting of the Brethren church met last Wednesday afternoon to cultivate the missionary acre of potatoes. After working they had a weiner roast and finished up with

ice cream and cake.

Bean canning is the chief source of employment among the Tekean ladies at this time.

Mr. and Mrs. J. B. West and children, Jessie and June Butler, motored to Lewiston last Saturday.

Mrs. Simon Baugh and children motored to Lewiston Tuesday.

Mr. and Mrs. Jesse James are the proud parents of a baby boy, Thomas William, born Friday morning.

Mamie Brown plans to return to Port Angeles to school this fall.

Jessie Butler is making preparations to leave near the last of this month for Spirit Lake, where she has been employed to teach school.

Mr. and Mrs. John Gentry and son Clair from Deary, Mr. and Mrs. J. H. Hunt and Ramey Hunt from Crescent and F. B. West from Orofino were visitors at the J. H. Butler home Sunday.

Both threshing machines, Clanin's and Choates', started out August 5. Local men are employed with each

machine. They will have approximately a thirty-days run.

Asa Choate threshed his barley crop Tuesday. He had 20 acres that he had guessed would yield 200 sacks, but when threshed there were 298 sacks.

Likes Potlatch Country

Miss Vina Gokee from Detroit, Mich., has been visiting at the home of Ben Cummings, she being Mr. Cummings' cousin. She thinks the wheat fields of the beautiful Potlatch country are wonderful. Her brother, Fremar Gokee, who lives in Spokane, has been on American ridge painting and redecorating the Charles Cummings home the past week.

Work Being Delayed

The work of putting in a small bridge and fill in Brady Gulch is being somewhat delayed by the continual passage of grain trucks, but it is hoped to have the work completed by the end of this week.

SOUTHWICK ITEMS

Mrs. Travis spent the day Thursday with Mrs. Nels Longteig.

Mr. and Mrs. Roy Southwick were guests at the Tom King home Sunday.

Little Milton Wilken of Cameron is spending a few weeks at the Glen Betts home.

Mr. and Mrs. J. E. Hoppe had as guests Sunday Rev. Calvert and family and Mr. Calvert's mother from Clarkston and Mrs. Eva Wright.

The Roy Martin family visited on Tuesday at the Walter Nead home.

Mr. and Mrs. Gordon Harris visited at the John Stalnaker home Sunday afternoon.

Friends of Murry Benjamin of Palouse will be glad to know that he is improving in health since he had his tonsils removed.

Ray Triplett and family from Lewiston, Elmer McCoy and family and Mrs. McIver and family spent the day Sunday at the Jap Triplett home.

Mrs. Mathews and son Amos and Mr. and Mrs. Wm. Lawrence were afternoon visitors there also.

Mr. and Mrs. Wm. Cowger and small children were Sunday guests at the C. A. Betts home.

Elberteen and Irene Martin were dinner guests of Mrs. C. L. Trail Saturday.

George Longteig visited last week with his brother, Nels and family.

Mrs. R. G. Ferris visited Friday afternoon at the McClellan home.

Mr. and Mrs. Donald McIver and Charlie Gainer from Saskatchewan, Canada, left Thursday, having spent the past three weeks at the Chester McIver home. John McIver went with them for a visit.

Mrs. Garlinghouse from Lewiston is staying at the George Jones home.

Russell and Archie Betts were Weippe visitors Sunday.

Mrs. Charlie Hayward is enjoying a visit with her sister, Mrs. Lyons and daughter Opal from Nebraska.

Mrs. Peck, who was thought to be seriously ill a week ago is much improved at this time. She is at the home of her daughter, Mrs. Jap Triplett.

Nellie Henderson spent the day Sunday with Clara Stalnaker.

Mr. and Mrs. C. A. Betts and two children and Mr. and Mrs. Wm. Berreman were Lewiston visitors on Tuesday.

Howard and John Starr left Tuesday for Rosalia where they will work through harvest.

Walter Terry and son Darwin and Miss Alice Cramer enjoyed the air circus Thursday.

Mr. and Mrs. Wm. Kauder spent Friday, Saturday and Monday at the Roy Southwick home at Lenore.

Ella Whitney from Weippe is staying with her aunt, Mrs. Jap Triplett.

Mr. and Mrs. Charlie Greenwood visited Monday at the Frank Saunders home at Crescent.

Mr. and Mrs. Wm. Berreman were Sunday visitors at the Jake Berreman home.

Mr. and Mrs. Wm. Hadden and Abner and Fred Cowger, were the supper guests of Helen and Pauline Slatter Sunday evening.

Eva Slatter returned to Orofino Sunday evening.

Frank Wilken and son Milton and Mr. and Mrs. Glen Betts and daughter Adella were Orofino visitors Sunday afternoon.

Wm. Hadden left for Orofino Monday where he has work at the Bungalow.

R. S. Betts left Wednesday for Weippe where he has about 10-days of hay bailing.

Commy and Casey Perry are staying at the Charlie Hayward home, and hauling poles for Betts Brothers.

Local Farm Conditions

Although in close touch with nation-wide and world-wide conditions, we have always applied ourselves wholeheartedly to a study of local conditions.

This Bank has worked with interest and wholehearted desire to make ourselves of value to the community. And especially to the farmer whose welfare and prosperity we strive constantly to keep in mind.

NEW WHEAT OFFERINGS MEETING SLOW DEMAND

generally obtained for wheat containing 12 per cent protein. No. 2 dark hard winter with 13 per cent protein was quoted August 1 at 78c and No. 1 hard winter ordinary protein at 77c per bushel. The low prices have restricted offerings and country loadings in Nebraska and country decreasing. Exporters were reported around 90c per bushel for No. 1 hard winter delivered on the track at Galveston, while mills at Fort Worth territory were paying 90c to 91c upon the same basis. 14 per cent protein was bringing one-half to one cent premium over ordinary but there was no premium for lower protein wheat.

Inter-mountain and Pacific coast markets reflected the weakness at the eastern points and prices declined to the lowest point in recent years. The movement was at its height in Colorado according to trade reports with the quality unusually high. No. 2 hard winter was quoted F. O. B. Denver or delivered Colorado common points at 57c to 59c and No. 2 northern spring at 55c to 58 per bushel. Prices at Portland declined 5c with No. 1 hard white Big Bend Bluestem variety quoted at \$1.03, No. 1 soft and western white at 88c, No. 1 dark northern spring in bulk from Montana with 14 per cent protein was quoted at 97½c and No. 1 dark hard winter at 92½c per bushel. No. 1 hard white Big Bend Bluestem was quoted at Seattle at \$1.02, with No. 1 white wheat selling at 87c and No. 1 red wheats at 86c per bushel, sacked. Demand continued dull and trading was unusually inactive for the season of the year. Harvesting is progressing rapidly in the Pacific Northwest under favorable conditions and yields are reported generally good except in central Washington where they are unusually small owing to dry weather. This area is the one in which Big Bend Bluestem is mostly produced. Growers are not selling freely but were placing larger amounts in store. Very little export business was reported during the week and consisted of about 5,000 tons of white wheat, mostly to Italy. Mill demand for wheat continued of small volume because of the slow domestic and export flour business.

Grain Growers Meeting Changed
 Postponement of the grain growers meeting in Spokane from August 8 to 11 at which Secretary of Agriculture Hyde and Alexander Legge, chairman of the Federal Farm Board will be the principal speakers, has been announced by Dr. C. W. Hungerford, acting dean of the University of Idaho college of agriculture. The farm board party made last-minute plans to stop-over at Caldwell on August 8 to attend a special meeting there. They will appear at the Pendleton, Ore., meeting on August 9 as scheduled. Secretary Hyde and Chairman Legge will give grain growers of the northwest their views on the present wheat situation and its outlook.

With them will be several other farm board and agricultural authorities, making the personnel of the party the most important group of agricultural authorities ever to have visited the northwest.

Time and place of the Pendleton meetings will be announced later.

Delivers New Tractors
 W. F. Behrens, the Cletrac man, during the past week has delivered three "30" Cretac tractors to the following: Oscar Gustafson, Deary; Warren May, Kendrick and Lee McFadden, Southwick.

Contracts Let
 The contract for repairing the heating plant in the school building and extending it to take in the new gymnasium, was let to C. M. Wilderman of Moscow, while the contract for the wiring of the new gym was let to the Lewiston Electric company.

Delightful Picnic Party

Wednesday afternoon a party of ladies and children went to Cedar creek and spent the afternoon—the ladies playing bridge and the children playing in the creek and at various games.

At 6 o'clock the men folks drove out to find the ladies had prepared a bountiful lunch, which was spread over several square yards of the hillside and which was very much enjoyed.

Those present were Dr. and Mrs. E. H. Field, Mr. and Mrs. A. K. Carlson and children, Mr. and Mrs. Frank Rider and children, Mr. and Mrs. Geo. Leith, Mr. and Mrs. Harold Thomas and children, Mr. and Mrs. R. H. Ramey and children, Mr. and Mrs. J. B. Helpman, Mr. and Mrs. L. J. Herres and Eleanor, Mrs. Wm. Watts and children, Mrs. Wade Keene and children, H. B. Thompson and children, Miss Rilla Davidson and Mrs. Frank Rowe.

The party returned home about 9 o'clock in the evening.

Getting Along Nicely

Friends report the condition of E. E. McGuire of Cavendish, who was recently operated on at St. Joseph's hospital, Lewiston, for ulcers of the stomach, as getting along very nicely.

Mr. McGuire was working in the woods getting out poles and when lifting a heavy pole he ruptured his stomach. He was immediately rushed to Lewiston where an operation was performed at once, which proved very successful. His many friends will be pleased to learn of his convalescence.

New Coat Of Paint

The front of the confectionery belonging to W. A. Perryman has just been given a new coat of paint in a brilliant orange color with a slightly contrasting trim. It improves materially the appearance of the place.

John Brown, proprietor of the Evergreen Service station, has also recently had the front of his place of business painted with the official colors of the fluid he handles.

All these little improvements make for the better appearance of the property and the town. Let's do more of it.

The Flashlight

Little Flashes of This and That

Vol. 1. Kendrick, Idaho, August 8, 1930 No. 8

Published in the Interests of the People of the Entire Potlatch Country by the Kendrick Hardware Company, Harold Thomas, Editor.

With this issue we plunge into the political campaign which is being so bitterly fought in this county. We deliberate at great length over this question, and finally have come to the front with two men whose names you all know; men whose unimpeachable and sterling records stand for themselves.

Our candidate for county commissioner on the Republican ticket, Hon. Hezikiah H. Hammerstring, is not a newcomer in the political field. Sixteen years ago he was up for Justice of the Peace of a very important precinct in the county. This campaign was a very hard-fought one, and Mr. Hammerstring was making speeches throughout the county. The day of his speech at the County Fair he was unavoidably detained, and rushing onto the platform he hurriedly put on a campaign badge which was on the table and began his address.

With his opening sentence Mr. Hammerstring was greeted with a gratifying burst of applause and as the speech progressed it became more genuinely spontaneous. Mr. Hammerstring's dramatic appeal will be long remembered by those who heard it. As he concluded, a very old lady in the audience rose and said, "Sir, I consider your badge very fitting." Mr. Hammerstring proudly glanced at the ribbon across his breast and read the words "First Prize Bull."

In introducing Mr. Nathan B. Stealthy, candidate for Sheriff on the Republican ticket, we renew your acquaintance with

a man of political prominence during the campaign of 1912, in which he also ran. Owing to an unfortunate accident, however, Mr. Stealthy was deprived of the honor his friends were desirous of conferring upon him.

While painting his barn he fell from the scaffolding into a barrel of turpentine. When they caught him 2 months later in Hermiston County, Oregon, the campaign had drawn to a close.

This incident so mortified our candidate that it wasn't till this year that he could be induced to throw his hat in the ring again.

Mr. Stealthy has every qualification necessary in fulfilling the hazardous duties of sheriff. He is a man of robust honesty and rugged character.

He was graduated in the year 1907 from a correspondence course in the Flatfoot Detective Schools, his graduation exercises being held in the Postoffice at Harvard, Idaho.

As to his courage and valor, we will cite you to his record during the Battle of Copenhagen—Snuff Said!

Mr. Hammerstring and Mr. Stealthy were in the store yesterday and bought the nails for their platform, which will be published in part next issue.

After hearing that we gave a 5 per cent discount for cash, Mr. Hammerstring insisted that Mr. Stealthy pay for the nails at once, saying, "Nathan, old boy, you watch the pennies, and I'll look out for the dollars."

JULIAETTA NEWS

The Misses Gladys and Alice Cochran left Saturday for Tacoma, for a visit with relatives.

Mrs. Mary Jones was hostess on Wednesday of last week to the Needle Club members and Mrs. Sue Armstrong. Mrs. Everett Custer was initiated into the club.

Sam Gruell returned Saturday from Oregon, where he has been working for the past year.

Mrs. Cecil Garrison went to Orofino Saturday for a visit with relatives.

A group of friends gathered at the T. O. Greene home Thursday afternoon to help celebrate the birthdays of Mrs. Greene, Mrs. Lou Spray and Miss Ruth Leland. After a social afternoon cake, ice cream and punch were served.

Joe Perry returned Saturday from California after an absence of several months.

Mrs. Amanda Alexander, Mrs. Sue Armstrong and Mrs. M. Nutt were Lewiston shoppers Saturday.

Mr. and Mrs. Wm. Spray, Mrs. Lou Spray and Mrs. Henry Irwin spent Wednesday of last week in Lewiston.

Mrs. Edgar Wilcoxon returned on Monday night from Spokane, where she spent several days visiting relatives.

Mr. and Mrs. Leland Irwin returned last week from Seattle, where they have visited the past two months at the G. C. Ottosen home.

Bill Spray is carrying the mail for Ed. Carlson, while Ed is taking a three-weeks vacation.

Harve Williamson took advantage of the special excursion trip to the coast and visited his sister, Mrs. Van Horn.

Mr. and Mrs. Everett Custer visited in Lewiston Saturday night and Sunday.

About 90 votes were cast at the Republican primary election. There was no Democratic voting place this year.

The honor for the having delivered the first load of wheat to the Juliaetta warehouse was accorded to Charles Hill, of Big Potlatch ridge. He reported that his yields varied from 20 to 30 bushels to the acre. The general yield of this section will vary from 15 to 45 bushels—but not many fields will reach that high figure.

The crops of melons and tomatoes will be much less than usual. Owing to the late rains in May and June several plantings had to be made to get a good stand and the later plantings will, necessarily, be later in maturing. It will be about two weeks before the melon season is on.

While a few tomatoes were available for local table use for two or three weeks past, it will be another week or two before the main crop begins to ripen. The output of both melons and tomatoes will be much less than usual this year. But as the local cannery is not to run this season the supply will perhaps equal the demand.

Has Sprained Arm

Mrs. Thos. McDowell is regaining the use of her left arm, which she sprained quite badly last Sunday when she suffered a fall, striking her arm in such a way as to twist it, causing a very painful sprain.

Had Nice Shower

A nice shower in the Kendrick section Monday morning helped to lay the dust and make life considerably more worth living in this section.

PERSONALS

Paul Schultz, Jr., of Elko, Nevada, arrived Sunday for a two-weeks visit at the parental home.

Frank Burns of Lewiston was in town the first of the week looking after his warehouse business.

Walter Robins of Clarkia visited his uncle and aunt, Mr. and Mrs. C. C. Blackburn, the first of the week.

Misses Marjorie Griffith and Myrtle Larson of Spokane arrived last Saturday for a visit with Miss Griffith's sister, Mrs. W. L. McCreary, and family.

Mrs. W. J. Haynes and Chas. Haynes, mother and brother of Mrs. W. J. Carroll, arrived Sunday from Helena, Montana, for a visit at the Carroll home.

Mr. and Mrs. N. E. Walker and Mr. and Mrs. Geo. Procnunier spent Sunday at the D. L. Procnunier home near Pullman.

Mr. and Mrs. R. E. Emmett and daughter, Miss Eloise, of Genesee, were Sunday guests at the James Emmett home.

Mrs. Stella Ford of Portland, Oregon, arrived Tuesday morning for a visit with her niece, Mrs. W. J. Carroll, and family.

CAVENDISH NEWS

E. E. McGuire was taken to the Lewiston hospital a week ago. He was working in the Dale camp when taken sick. Last reports are to the effect that he is getting along very nicely.

Miss Elsie Petit left for Orofino Sunday where she is working for Mrs. Earl Akins.

Ivatee Blackburn is visiting at the F. Russel home in Clarkston for a few days.

Lowry McGuire of Portland has been with his father, E. E. McGuire for the past week. He expects to leave for his home within the next day or so.

Wilbur Skinner is working for D. R. Shoemaker this week.

The C. M. Blackburn family, Jess Danily and family and Lowry McGuire visited the T. C. King home Sunday.

Gladys Reece spent Saturday night and Sunday with home folks, returning to her work at Cameron Sunday evening.

"Lost" — a Day

We have been accused of a good many things during our brief career but the latest thing we have been accused of is tampering with the calendar—or causing one of our subscribers to lose a day—and just because we got the Gazette out on time (Thursday evening) and put it in the postoffice on schedule.

Sam Stanton, living up on Little Bear, got his Gazette out of the postoffice on Thursday evening of the other week, and because he had not been getting it normally until Friday morning, he got the calendar all mixed up and lost a whole day, thinking it must be Friday, because he had gotten the Gazette and read it. Well, to make a long story short, Sam declared it was Friday and when Saturday came he said he "laid around" all day just resting, declaring it was Sunday.

And he came in and told us that just on account of his getting the Gazette on Thursday evening he had to work all day Sunday to "catch up with time and his work."

We are sorry he lost the time, but glad he is a reader of the Gazette.

We use the best to be had in preparing our meals. Hotel Kendrick.

"My Crown-Shrunk Overalls Were Washed 83 Times Without Shrinking"

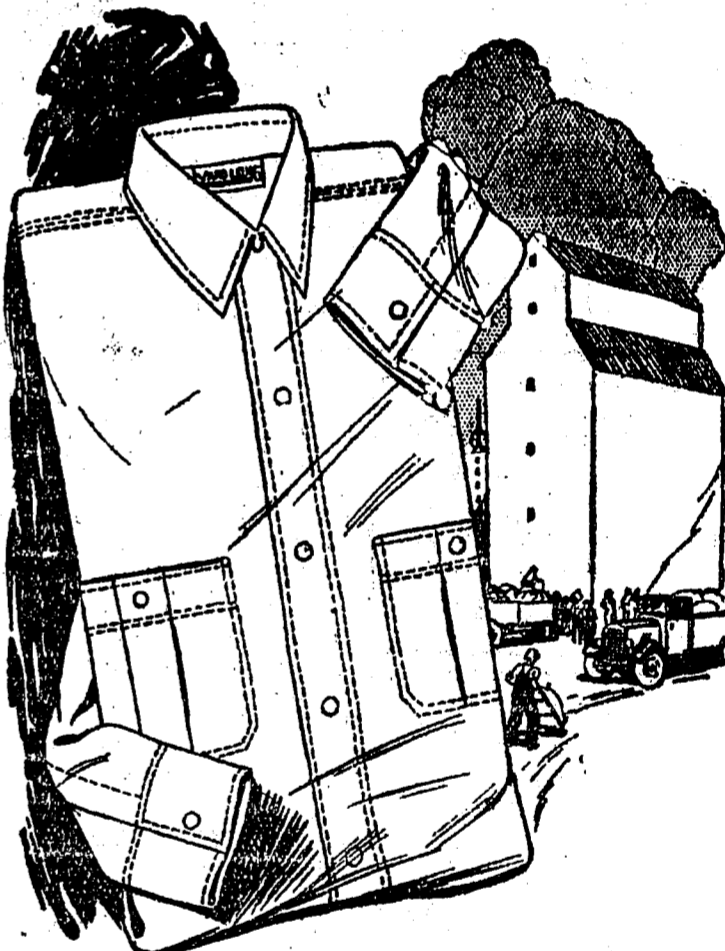

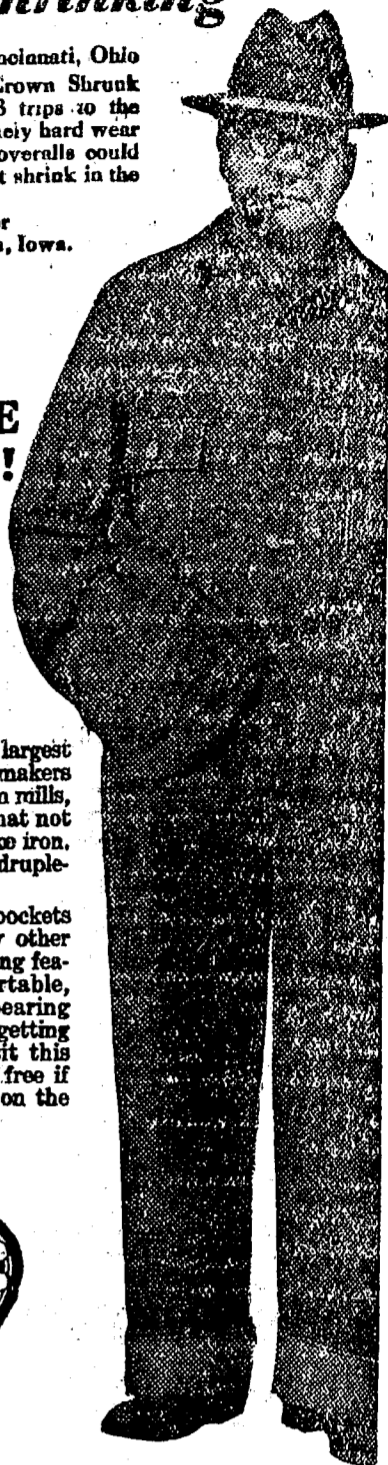

The Crown Overall Mfg. Co., Cincinnati, Ohio
"I am mailing you a pair of Crown Shrunk Overalls which in addition to 83 trips to the laundry were subjected to extremely hard wear at times. Only the very best overalls could suffer such abuse. And they did not shrink in the least."
George Carlson, Chief Engineer
Hotel Roosevelt, Cedar Rapids, Iowa.

No Wonder We Guarantee A NEW PAIR FREE IF THEY SHRINK!

THAT'S how overall wearers everywhere praise these wonderful Crown-Shrunk Overalls. For they're made of a remarkable denim and backed by a liberal guarantee that settles the "shrink" problem. If Crown-Shrunk Overalls shrink you get a new pair free!

This astounding improvement has been made possible by the research work of The Crown Overall Mfg. Co., largest in the world. Being the only overall makers who own and operate their own denim mills, they were able to develop a denim that not only resists shrinking but it wears like iron. It is extra heavy, closely-woven, quadruple-dyed.

Crown-Shrunk Overalls have more pockets and more special features than any other overall. And this added shrink-resisting feature makes them the most comfortable, durable, economical and best appearing overalls you can wear. To be sure of getting genuine Crown-Shrunk Denim, visit this store and see the Crown "new pair free if they shrink" guarantee sewed right on the garment.

Apartments Nearly Completed

Work has been steadily going on at the Raby apartments, being made in the building formerly known as the Commercial hotel, and it is hoped by Mr. Raby to have at least part of the apartments ready for occupancy by the middle of the present month.

The upper story of the building is being completely remodeled and later it is expected to make more changes in the lower portion.

Mr. Raby is to be congratulated on the improvements made in this build-

ing and the town will be benefited very materially as it will add much to the prestige of the business section.

Picnic Supper In Park

On Saturday evening, August 9, the M. E. Ladies Aid will serve a Cafeteria picnic supper in the City park, beginning at 5:45. There will be plenty of good things to eat and hot coffee with real cream, or iced tea, will be served.

Everybody invited.
