INTERESTING ITEMS FROM JULIAETTA

Missionary Elects Officers

At the regular meeting of the Baptist Missionary, held Thursday at the home of Mrs. Hulda Buchanan, new officers were elected as follows: Mrs. Lela Gruell, president; Mrs. Anna Jessup, vice-president; Mrs. Marie Custer, secretary; Mrs. J. Draper, treasurer and pianist. Mrs. Draper and Mrs. Jessup have charge of the program for April. Mrs. Buchanan served refreshments to the twenty women and six children attending.

Juliaetta Has Early Cherries

Last fall, Mrs. Laura Groseclose picked off a two-foot branch from a cherry tree. She placed it in a jardiniere containing a fern, to help support the trailing fronds. Now the cherry branch contains several blooms and small green cherries the size of a pea. The soil has not been molested to see if the branch has roots.

Young People's Party

The Methodist church basement was the scene of an enjoyable party, when eighty-one young people gathered there Friday evening. Games were played and lunch, brought by the boys, was served. Chaperoning the party were: Mrs. Fred Nye, Mrs. Louie Huntsberger, Mrs. M. Nutt, Mrs. Frank Spray, Wilbur Larkins and Lawrence Daugherty.

Visitors At Nutt Home

Visitors from Sweetwater Sunday were Mr. and Mrs. Floyd Lasswell and son Lynn and Manfred Nutt, who spent the day with Mrs. Nutt. Mrs. Strong accompanied them and visited her father, Will Combs.

Rebekahs To Give Party

A benefit card party will be given this (Friday) evening in the I. O. O. F. hall, by the Rebekahs. Bridge and pinocle will be played, with prizes for high scores. This party is public.

Quarterly Conference

Rev. George Calvert conducted a quarterly conference at the U. B. Church Saturday evening and Sunday. He preached to large congregations twice on Sunday.

Move To New Home

Mr. and Mrs. Ben Sayre and family moved to their new home on the Gorman place the first of the week.

Personals

Mrs. Laura Groseclose returned on Tuesday from a visit at Walla Walla. Charlie Noble and Fred Albright were Lewiston visitors Tuesday.

Mrs. Ernest Walsh and son Johnnie spent the week-end in Spokane.

Mr. and Mrs. Marion Hanks and children spent several days with Mrs. Hanks' parents, Mr. and Mrs. Miles Pierce.

Mrs. Bert Sherman and children, Lois and Bruce, Mrs. Frank Vincent and daughter Wilma, and nephew, Frank Vincent, went by auto to Rosetta, Saturday. Frank remained there, after spending several days with relatives here.

Miss Agnes Eckermann spent the week-end at her home in Cottonwood.

School Notes

Miss Eckermann presented an exhaustive resume of "Reader's Chapters On Exercise" to the third meeting of the Teachers' club. At the close of the business session she served a delicious luncheon.

At the past Monday's meeting of the club, Miss Adriansen ably abstracted the subject effect and technique for its efficient use. During the luncheon which followed, the teachers told pioneer stories of their ancestors.

The junior and senior high schools gave a farewell party to Joe and Johnnie Cermak, who are moving to Lapwai. Games, songs and refreshments were the basis of a good time. The party dispersed promptly at ten o'clock.

The high school pupils are engaged in the preparation of a series of plays to be given soon.

The members of the General Science class are thrilled by light experiments involving lenses and sensitized paper.

New books for the library shelves have arrived and are being placed on the shelves under the Dewey Decimal system.

Mrs. Boyd Entertains

Members of the Bridge club were delightfully entertained by Mrs. Frank Boyd Monday afternoon, the occasion being in honor of her sister, Mrs. Gregory Eaves of Lewiston. Mrs. E. H. Field of Genesee and Miss Elsie Thomas were also guests.

Bridge was played during the afternoon, Mrs. Field receiving first prize, Mrs. H. B. Thompson received the "cut" prize and Mrs. W. L. McCreey the consolation. A delicious luncheon was served by the hostess after play.

SCORES RISE AND FALL AT SUNDAY'S SHOOT

Sunday's shoot saw a peculiar turn of events, when the scores of almost every man down there, with the possible exception of a few, dropped a few points for the day. But as the shoot was surprising from this angle interest held up well and everyone expressed themselves as having a very good time.

Frank Crocker was back in his old form and took all the young men into camp to the tune of 22 out of a possible 25, and at that he was using a strange gun and wearing glasses not his own. It gives the youngsters of the club something to think about and a new mark to shoot at, but the ups and downs of a shooter cannot be appreciated until one has tasted of this sport. Its fascination is something that gets hold and just doesn't want to let loose. We have but one thing to say, come in and try it.

Sunday's high scores on a basis of a possible 25 birds are:

Frank Crocker	22
Herman Schupfer	21
Wade Keene	21

Three others were tied on scores of 20 each.

In the shoot-off of last Sunday's tie between Wade Keene and Herman Schupfer, Wade was the winner with a score of 21, high run deciding the match.

Bridge Parties

Mrs. Wm. Watts entertained three tables of bridge Saturday evening, in honor of Mrs. E. H. Field, who was here visiting from Genesee. High score went to Roy Ramey.

A few friends gathered at the home of Mr. and Mrs. L. J. Herres Tuesday evening to play bridge. High score went to Mrs. E. H. Field.

Those present were Mesdames Morehead, Watts, Carlson, Thompson, Carroll, Field, Herres and Miss Rilla Davidson.

Mrs. Geo. Leith entertained at two tables of bridge Monday evening when Mrs. R. H. Ramey, Mrs. F. H. Rider, Mrs. Wade Keene, Mrs. Mary Adams, Mrs. Frank Boyd, Miss Josephine Deagen, Mrs. Gregory Eaves of Lewiston and the hostess, Mrs. Leith, passed a few pleasant hours at play.

Mrs. Eaves won high score and Mrs. Keene low. Refreshments were served during the evening.

May Lead To Trouble

G. D. McDowell, Northern Pacific detective, was in town Monday and Tuesday checking up on parties who have made a practice of shooting off insulators from the telegraph lines east of town. This is a serious offense and one which is punishable by imprisonment, and warning is hereby given that any further trouble along this line will be traced down and parties guilty will be given the full extent of the law.

This practice is not only expensive to the railroad but often causes inconvenience in the telegraph department as often wires swing together, causing them to go out of commission.

Mr. McDowell has the names of boys who are said to have made this a practice in the past and will come to Kendrick occasionally to check up on them.

Cottonwood Farmers Sell Hogs

The Farmers Union of Cottonwood shipped 270 hogs to the Spokane market Tuesday, receiving \$7.15 per hundredweight f. o. b. Cottonwood. The animals averaged in weight 210 pounds and the farmers were paid \$4,054.00.

Farmers of this section are taking more and more to diversifying activities on their farms, reports reaching the chamber of commerce that beef cattle, hogs, chickens and a few sheep are now finding place in farms which until now depended entirely upon their grain output.

Mrs. H. P. Hull, past matron, Mrs. M. O. Raby, matron, and Mrs. T. O. Greene, associate matron, attended the meeting of Past Matrons of the Order of Eastern Star, at Lewiston on Thursday of last week.

COMMERCIAL CLUB HOLDS PROFITABLE MEETING

The Kendrick Commercial club met in regular monthly session Monday evening in the Hotel Kendrick, where another one of those famous dinners had been prepared by the culinary department of that hostelry and which was thoroughly enjoyed.

After dinner had been finished and the "smokes" started, the regular business of the evening was taken up, and it might be said here that it was very satisfactory. There were 21 citizens of our little city present who actually take an interest in our town (and theirs) and are willing to do all they can to keep things moving and keep the idea uppermost in the minds of all that we have a splendid community surrounded by some of the best country in the U. S. A.

It may be said that there are some who do not fully realize the importance of a live commercial club in a community. If there be such, we would advise them to attend some of our meetings and see what the club is doing for the entire community. The object of the Commercial club is not selfish. It is to help all who reside in this community, not only in the town, but the country as well—and the sooner we all realize that such is the case, the better off we will all be.

The minutes of the last meeting were read and approved, and reports of committee made, the most important of which was that of the road committee and the special committee appointed to consult with the Washington Water Power representatives regarding better service for the Kendrick and Juliaetta district.

The minutes of the last meeting were read and approved, and reports of committees made, the most important of which was that of the road committee and the special committee appointed to consult with the Washington Water Power representatives regarding better service for the Kendrick and Juliaetta section.

N. E. Walker reported for the road committee and his report, while short, was of a very encouraging nature and makes one feel as though we might have a decent farm to market highway outlet with state aid, one of these days. It may not happen this year, but it is indeed encouraging to know that the state highway authorities have us on their list.

The special committee appointed to consult with the W. W. P. Co., made a very favorable report, they stating that they had met with Mr. Campbell and Mr. Adams, of Troy, and that they had assured them that the company was willing to give us better service and also furnish an office girl, to have charge of the office during Mr. Schupfer's absence from the office. The people of Kendrick and Juliaetta do not want to be arbitrary in the matter and accepted the assurances of Mr. Campbell that the company was willing to give the people of this district as near what they are asking for as it is possible to do. The matter will be allowed to rest upon this statement.

The subject of a Bean Growers' association for this community was brought up, but owing to the fact that those in a position to give the desired information were unable to be present the matter was not pressed, but will be taken care of at a future date. It has been conceded that Kendrick is the center of the bean-growing district and there is no good and sufficient reason why beans could not be prepared for market here just as well as shipping them to Troy to be cleaned and reshipped to market, according to those who are in a position to know. The statement was made that if it was a paying proposition for Troy, why not Kendrick, where they are raised?

The chairman of the membership committee reported that a fair assessment rate for business firms of the town had been worked out, in accordance with the by-laws of the club, and that it was hoped that all would be ready to pay their fees as the club is in need of money—now.

The secretary of the club, was instructed to wire a protest to our state representatives protesting the proposed sales tax, stating that it would be practically ruinous to merchants and others who now have a hard time making ends meet.

On the whole, much good has been accomplished by the Commercial club for Kendrick, and much more is in the offing. Come in and do your share in helping to do these things. You will get pleasure out of it as well as reaping the benefit.

Gave Chop Suey Luncheon

Mrs. Jas. Emmett, Mrs. J. F. Brown and Mrs. S. A. McAllister entertained the M. E. and Presbyterian ladies aid societies and other friends at a chop suey luncheon, at the home of Mrs. Emmett, Thursday afternoon of last week, when 46 people partook of the dish. The suey and trimmings were pronounced excellent—and they had a fine time also.

The ladies gathered in \$15.80 at the day's receipts.

KENDRICK STATE TAKES OVER BANK OF JULIAETTA

A deal was consummated Monday night whereby the Kendrick State Bank took over the accounts of the Bank of Juliaetta and the business of that institution transferred to Kendrick. This move is in keeping with the general trend of the times and in the interest of economy of operation, the business of the Bank of Juliaetta not warranting a continuance of that institution.

It is stated that all outstanding checks against sound balances will be honored by the Kendrick State Bank. All time deposits and savings accounts will be transferred to the Kendrick State Bank, according to a signed statement by A. W. Behrens, cashier of the Bank of Juliaetta.

The Kendrick State Bank, through H. B. Thompson, cashier, extends a cordial welcome to the new depositors and further says: "Please feel that this is your banking home in the fullest sense of the word, and that our many facilities are all yours to use. We are here to serve you and all of our officers join in hoping that you will feel as free to use us as you would the Bank of Juliaetta."

A. W. Behrens, who has been the cashier of the Bank of Juliaetta for several years, will be in the Kendrick State Bank just as soon as the business can be cleared up at the Juliaetta institution, and will extend a cordial welcome to all his Juliaetta depositors and friends.

Stockholders and directors of the Bank of Juliaetta will not be represented in the merged setup as capital stock of the local bank was not bought.

Both the Bank of Juliaetta and the Kendrick State Bank have been in existence many years and both are in sound condition.

City Streets Cleaned

Marshall Davis and Walt Sparber were busy the first of this week cleaning the streets and gutters of refuse that had accumulated during the winter, as well as taking away trash that had accumulated around homes, which had been placed at convenient places for removal.

The rainy weather interfered with the program somewhat, but the work will be continued until all trash has been removed. All this makes for the better appearance of our town and it is sincerely hoped that residents will keep right on cleaning up their premises and vacant lots. A vacant lot that is allowed to grow up to weeds and accumulate a lot of trash is an "eye-sore" to any town. Let us make the number fewer this year than last. It takes but a small amount of work, but gives much pleasure.

Waltonians Will Banquet

Ben Callison has been appointed ticket salesman for Kendrick for the third annual sportmen's banquet, March 19, Elks Temple, Moscow. It was announced the first of the week by E. C. Collins, chairman of the ticket committee of Thätuna chapter of the Izaak Walton league.

M. G. Neale, president of the University and an ardent sportman has been secured by the program committee as the principal speaker. Abe Goff will be toastmaster and some fine entertainment is being put into shape by the program committee, Homer Estes, chairman, reports.

A fine array of awards have been secured from manufacturers and merchants of Latah county, J. S. Heckathorn announces. The banquet draws hundreds from all parts of the Palouse country.

Red Cross Benefit Dance

There will be a dance given for the benefit of the Red Cross Relief fund at the High School gymnasium on Wednesday evening, March 18.

Walt Allen's famous singing dance band will furnish the jazz. Walt will appear in person. The public is cordially invited. Dance starts at 8:30.

WHEAT MARKET WEAKER WITH HEAVY OFFERINGS

Heavy offerings of wheat and sharp competition among exporting countries in marketing their surplus grain, caused continued weakness in the wheat market during the week ending March 7, according to the weekly grain market review of the United States Bureau of Agricultural Economics.

Cash prices in most foreign markets and domestic new crop futures declined but domestic cash prices were mostly maintained through purchases through domestic marketing agencies. Corn strengthened slightly, as marketings were reduced by unfavorable weather and road conditions in the central west. Oats and barley were fairly steady, but demand was dull. Rye declined with wheat and flax closed slightly lower than a week ago.

There were no important changes in the general wheat market situation. Domestic winter wheat received beneficial rains, but domestic spring wheat areas had only scattered precipitation. Needed moisture was received in the inter-mountain states and conditions for seeding spring wheat in the Pacific Northwest were excellent. Liberal rains and snows were reported in western Canada. European crop conditions continued favorable with plowing for spring seeding already underway in southern Russia. The Indian wheat harvest is underway, which marks the beginning of the 1931 northern hemisphere harvest. No official forecast of the output has been made, but trade reports indicate a crop of about 50,000,000 bushels smaller than last season. Stocks of old wheat to be carried over into the new crop year are roughly estimated at 36,000,000 bushels, which may partly offset the reduction in the new crop.

Exporting countries continue to press supplies upon the market and at the close of the week were offering grain in European markets at 1/2c cheaper than a week ago. Southern hemisphere shipments totaled over 7,000,000 bushels and nearly 5,000,000 bushels were shipped from North America. Black Sea shipments totaled over 1,000,000 bushels, mostly of Russian wheat. Altogether world exports totaled nearly 14,000,000 bushels and stocks on ocean passage were increased to 57,800,000 bushels. At the close of the week, 63 lb. Argentine Rosafé wheat was being offered at 59 1/2c CIF Liverpool and 63 lb. Barusseno afloat at 61 1/2c CIF London.

Trade reports state that no Argentine export tax will be assessed during March. Australian wheat afloat sold during the week, CIF London at 64 1/2c, while Russian samples were being offered at 62 1/2c per bushel. No. 3 Manitoba from Vancouver was offered at 70 1/2c and No. 2 Manitoba from Atlantic ports at 75 1/2c per bushel.

Pacific Coast markets continued dull, but prices held about unchanged. Marketings at Puget Sound and Columbia river terminals increased very sharply to 751 cars for the week, largely as a result of buyers moving purchases from country points to terminal markets. Domestic mills were taking only small amounts because of the very dull domestic flour trade.

Export mills were reported to have sold some flour to the Orient and were taking moderate amounts of wheat. No export sales of wheat were reported, since domestic markets were well above an export basis. Cash prices held practically unchanged with a week ago, with Western white quoted at Seattle at 68c, western red at 65 1/2c, hard winter at 66c and hard white bluestem at 68c, all sacked, basis No. 1. Soft and western white on the same basis were quoted at Portland at 67 1/2c, hard winter, northern spring and western red at 64 1/2c and hard white bluestem at 69c per bushel. 14 per cent protein, No. 1 dark hard winter in bulk from Montana was quoted at Seattle at 70c and dark northern spring at 73c per bushel.

• • Blending makes it better

In the test kitchen of a great soup maker, the gifted master-chef creates the blend of ingredients to produce the perfect soup. In a secret-laden room in a corner of France an expert blender of perfume invokes his highest genius that our sense of smell may be gratified. In a work-room fragrant with the aroma of many types of coffee beans, a highly-paid specialist concentrates his energies that we may be provided with a coffee blend to please our palates. Whether it's soup or soap, tobacco or tea, music or mustard, blending is vital to the production of the best of each. Equally as vital, if not first in importance, is the knowledge and genius of the blender. He must know how.

The best gasoline, too, is blended. In the processes of a modern refinery three types of gasoline are produced. They are, Natural Gasoline, Straight-run Gasoline, and Cracked Gasoline. Each possesses certain desirable qualities necessary for perfect motor operation... but... no one of them possesses all these wanted characteristics.

So CONOCO Gasoline is a blend of the three. There is Natural Gasoline, to give quickstarting. There is Straight-run Gasoline, to give power and long-mileage. There is Cracked Gasoline, with its desirable anti-knock quality. Just as carefully as the perfume blender at his delicate task, CONOCO refiners have developed their balanced blend of these three ingredients. This is the gift of knowing how to merge the qualities of the three gasolines to create a balanced, triple-test fuel. One brand of coffee outsells all others because of the expertness of its blender. And so, with CONOCO Balanced-Blend Gasoline, the skill of the blender accounts for the popularity of the product. Stop today at the sign of the CONOCO Red Triangle and have your gas tank filled with this better motor fuel.

"TOP SPEED" AT AUDIAN
FRIDAY, SATURDAY, SUNDAY

Another show will be given at the Audian Theatre on Friday, Saturday and Sunday nights, March 13, 14 and 15, when "Top Speed" will be the offering, together with other good features.

Joe E. Brown, who scored signally in "Hold Everything," has the role of a \$35 a week broker's clerk loose on a vacation among millionaires. Is Joe disheartened? No. Brandishing a foot long cigar he informs all and sundry that he and his partner, who is Jack Whiting, a co-clerk are really and truly multi-millionaires. Mostly, he praises Jack. Yes sir, Jack designed the famous Jack airplane motor, and won last year's speed boat races at Monte Carlo, and is a nominee for the presidency of the New York Stock Exchange. "Where," the country club girls demand, "is Jack?" "Oh," says Brown, "on the porch. We just tossed for a million dollars and he won. He's counting his money, I believe."

Brown's boasting of Jack's speed boat skill finally gets Jack invited to pilot the boat belonging to Bernice Clair's father. The rival manufacturing concern has a representative at the race who recognizes Jack, and under threat that he will expose

him before the girl he loves, demands that Jack take a \$30,000 bribe to throw the race.

The climax is a gripping, realistic picturization of an actual record-breaking race which is decided to everyone's satisfaction — except the rival concerns.

JULIAETTA NEWS ITEMS

New apparatus for the science class came this week.

The French class is taking up Dumas' "Les Trois Mousquetaires."

If our Glee boys do not turn tables and awaken John Peel one of these mornings—he is surely sound asleep.

The Glee clubs are working on junior Easter Anthems.

Solos as required for Glee credit have been sung recently by Alice Cochran, Arlee Fix, Margaret Taylor, Opal Weatherby, Anna Viola Biddison, Fay Cochran, Lois Sherman, Ted Taylor, Eugene Groseclose, Kena Weatherby and Willard Sayre.

The high school teachers sang, "Last Night," in a foreign tongue at Friday's assembly. The pupils followed the translation in their Blue Books.

So much rain is not very encouraging for the base-ball boys.

Paul Coombs visited assembly on Thursday and after a well-directed serious talk on extra-curricular activities, he led expertly into some peppy yells.

Funeral of Chas. Albers

Funeral services for Charles Albers, 54, Avon, were held Wednesday, the Rev. J. O. Siebert, Elberton, Wash., officiating, at the Union church on Big Bear ridge. Mr. Albers, a bachelor, living alone on his ranch, was found dead in his bed by William Kleer, a neighbor.

He is survived by three sisters, Mrs. Carrie Galloway, Fresno, Cal., Mrs. Emma Morey, Kendrick, Idaho, and Mrs. Ida Hughes, St. Maries, Idaho; and three brothers, Hiram, Cedar Ridge; Otis, Fresno, Cal., and Jacob, Texas Ridge.

Interment was made in Wild Rose cemetery.

Kendrick School Notes

The K. H. S. Commercial club members were entertained Friday evening by a banquet given at the school house. A piano solo was featured by Elizabeth Carlson and a trio consisting of Nettie McDowell, Eldwa James and Eleanor Herres sang. Following the serving of the dinner the club was organized and officers elected. They were: Lovick Walbeck, president; Elizabeth Carlson, secretary-treasurer. It was decided that a meeting should be held once a month for the benefit of the club.
All of the students are working hard for the honor of attending and winning the county, sub-district and district contests this year.

High School Play Arrives

The high school play has finally arrived. The cast has been selected and practice will start in earnest on Thursday evening. The title chosen is "A Family Affair." The date planned for this play is April 3 and 4. The play is being given to help outside activities—athletics and commercial contests.
Help your school; watch for the final date.

Short Notes

Miss Ellen Peterson, county superintendent of schools, visited the Kendrick school last week.
Mrs. Jarvis was ill and not able to attend school on Wednesday of this week.

The Flashlight

Little Flashes of This and That

Vol. 1. Kendrick, Idaho, February 27, 1931 No. 38

Published in the Interests of the People of the Entire Potlatch Country by the Kendrick Hardware Company, Harold Thomas, Editor.

Help!

We need a few good contributions for this column. Turn about is fair play! You help us dig up some jokes for The Flashlight and we'll help you with your paint problems.

Spring and earlier hours are here. Get your alarm clock here now, they are dandies.

My stock of cares along life's way are varied, yes and many; but when they levy income tax, by gosh I haven't any!

Garden time is here. See us for garden rakes, hoes, spades, spading forks, trowels, weeders, or what have you?

Any man who says business is Bum is in the same class With the fellow who predicts A Killing frost on June 1st.

So, get your garden seeds, lawn seeds, garden hose, lawn mowers, plumbing supplies and everything for the lawn and garden at this store!

A sign recently noticed in a downtown store window says, "Ladies' Ready-to-Wear Cloth-

ing." Well, it's about time.

By the way, have you seen those delightful new glassware sets we are showing? If you haven't, come in and see them. We're always glad to have you.

Applesauce (?)

The only time a married man is allowed to have his full say at home is when he talks in his sleep!

But say, isn't it about time to think about fixing up that wagon and the other farm machinery for spring work? Let us supply you with the needed hardware. We have everything you will need.

No, It Isn't So

"I always felt sorry for Mrs. Methusalem. Imagine having to listen to a man brag for 900 years!"

Yes, sir. We have just the 22 rifle and ammunition you want for this spring's work and sport. Shoot for pleasure and get the profit in returned grain.

Batteries—flashlight, dry cell, hot shot and etc. Lots of 'em.

School Notes

Last Friday we had a spelling match between Marie Smith and Harold Starr. They are both in the fifth grade. They spelled to see which one should attend the spelling match and Marie Smith won. Irene Martin will represent in the seventh grade and Dean Luce the eighth. Abner Cowger is going to take them to Cavendish to spell.

This Tuesday we had singing instead of penmanship.

The third, fourth and fifth grades were supposed to make up a story on why they liked spring. Marie Smith's was the best. It will be printed next week.

Final Date For Sales Day

The Kendrick Community Auction and Sales Day will be Saturday, March 21. A lot of property has already been listed but you are urged to hurry. Parties who have articles they wish put in this sale must be listed by March 16 at the Gazette Office as the sale bills will be printed the first of the week.

The two Kendrick banks will handle the sale with the usual terms. Mr. Hutchison states that he has put on a sale of this type in many communities and they have all been successes. We are hoping that he will have as good luck with this one here.

Henry Bleck III

Henry Bleck, well known citizen of the Cameron section was operated on for appendicitis at St. Joseph's hospital, Lewiston, Wednesday.

Mr. and Mrs. Roy Southwick visited Sunday at the Arnie Cuddy home. Little Annabel Cuddy is entertaining the measles.

Our little town was all excitement Friday forenoon when fire broke out in the building containing the engine and electric light plant belonging to Ziemann Brothers. A leaking blow torch, caused an explosion, which was soon beyond control. In a very short time nearly all the men in and around town, several women and the members of the high school were on hand forming bucket brigade, which confined the fire to the one building. The wood shed was only a few feet away, but there was help enough to keep it from catching fire. Had it caught, there would have been small chance to save their other buildings. The loss was partly covered by insurance.

Grinolds School Notes

The honor students for the past week are: Everett Betts, Joseph Wittman, Joy Mills, Richard Pagel, Odetta Betts and Lottie Hayward.

Those winning in the spelling race for the past month were: Odetta Betts, Lottie Hayward, Allen Neumann, Everett Neumann and Clarabel Wittman.

In spite of the fickleness of spring, and though the snow still lies on the northern slopes, our school room tells us it is spring. Our window boxes of hyacinths and daffodils are very thrifty and growing fast, besides being a constant source of interest to every person who owns one. During art period we also added artificial daffodils to our collection of spring flowers.

The school was very agreeably entertained on Friday, during language period, with a program given by the losing play-captain for the week, Odetta Betts, and her team. We look forward to these entertainments and the participants enjoy them quite as much as the audience.

CRESCENT CLIPPINGS

Sunday guests at the Andrew Dorendorf home were Mr. and Mrs. Mike Forest and family, Mrs. Anna Kimbley and children, Mr. and Mrs. Alfred Swanson, Mr. and Mrs. Bill Dorendorf and children and Axel Swanson.
