KENDRICK, LATAH COUNTY, IDAHO, FRIDAY, JUNE 12, 1931

NO. 24

COMMERCIAL CLUB HOLDS PLEASANT MEETING

Monday night, June 8, saw one of the peppiest Commercial Club meetings yet held, when the club met in the basement of the M. E. church. All of the boys taking part in the magpie contest were guests of the club, as was a committee from the Izaak Walton League of Moscow as were a number of musicians who, as guests of the club, provided the music of the evening.

The program started with the singing of "America," followed by prayer by Corabelle M. Teachman, pastor of the church. This was followed by a wonderful meal, provided by the Ladies Aid of that church.

Immediately following the meal it was decided that the usual program of the evening be dispensed with and the meeting turned over to H. B. Thompson, chairman of the magpie committee. Mr. Thompson introduced Clarence Jenks, secretary of the Izaak Walton League, who after a few fitting remarks introduced Ernest Anderson, Harry Thatcher and C. B. Green, president of that organization. Each in turn gave a few remarks suitable to the occasion.

Miss Cochrane and Miss Taylor of Juliaetta then led the gathering in the singing of "Idaho." Tommy Whalen then stepped into the picture, playing for the group McCLOUDS' REEL and the "Irish Washer Woman." This in turn was followed by little Bobby Wegner playing "Oh Susanne," "Springtime in the Rockies" and "Old Folks at Home" on the accordion.

Again Miss Cochrane and Miss Taylor stepped into the picture, playing "ukes" and singing "Jennie Lee" and "Moonlight on the Colorado."

Then the local magpie prize awards were made by H. B. Thompson on the following basis:

Herwin Schmidt, first, \$8.00 in cash. James Bolon, Fred and Ralph Reed, second, \$6.00 in cash. Bill Brothers, third, \$4.00 in cash. Adolph Dennler, fourth, \$2.00 in cash. Paul Dammarell and Junior Ramey, fifth, fishing pole donated by the Barnum Lbr. and Mill Company. Cecil Spekker, sixth, \$1.25 in cash donated by Kendrick Gun Club. Charlie and Frank Candler, seventh, pair Tennis shoes donated by N. B. Long and Sons.

Mr. Green then took the floor and spoke of the aims of Waltonism, compared the past and present game situation in regard to fish and upland birds and urged conservation and protection to enable outdoor sport to go on. He concluded by asking all the boys to become Junior members of the League.

More music was again the order, followed by a short talk by Ernest Anderson, who was followed by H. B. Thompson, who asked the support of the League in securing trout fingerlings for our streams and Chinese pheasants for our hills.

The club at this point was again entertained by Miss Cochrane and Miss Taylor with music and singing. Harry A. Thatcher then replied to Mr. Thompson's remarks about trout fingerlings, describing a rearing pond that they hoped to establish to supply these streams and saying that he believed a personal application to the state game farm would bring the desired pheasants. Mr. Thatcher also said that a game reserve would be a mighty big help in securing the desired birds.

Clarence Jenks then made a few closing remarks for the Waltonians. Frank Lyons then took the floor, compared the fishing of the past and present in our local streams and concluded by suggesting a sucker dam for the protection of the young trout. He said such a dam had proven a big success in Asotin creek and that there was no reason why it should not be a success in the Potlatch. The Waltonians said that they were heartily in favor of such a move and would give it their support.

The meeting then closed by the singing of "Home Sweet Home" accompanied on the accordion by little Bobby Wegner.

Lewiston To Lose Train

Further curtailment of passenger service on the Camas Prairie railroad went into effect Sunday with the withdrawal of the motor coach between Lewiston and Riparia, leaving Lewiston at 9:45 a. m. and returning at 4:35 p. m. The service maintained on the down-river will be the passenger train leaving here at 8 p. m. for Portland and arriving from that city at 7:35 a. m.

Visit At Callison's

Mr. and Mrs. Wade Keene and family, Mr. and Mrs. R. H. Ramey and Family, Mr. and Mrs. Frank Rider and family and Mr. and Mrs. Geo. Leith decided that Kendrick was too warm for them and so they packed a lunch and dropped in on Ben and Norja Callison at their farm home about 7:00 p. m. Sunday.

A sumptuous lunch was spread on the lawn, following which visiting was the order of the day until about 9:30 when all returned home.

KENDRICK GUN CLUB HAS BIG MERCHANDISE SHOOT

Sunday, June 7, saw the Kendrick Gun Club's First Annual Merchandise Shoot with a nice crowd in attendance to shoot for prizes donated by various merchants and firms in Kendrick and the Erb Hardware of Lewiston.

Event No. 1 in Class A was won by Walt Bigham with a perfect score of 25 out of a possible 25.

Event No. 2, class B., was won by W. L. McCreary with a score of 24 out of a possible 25.

Event No. 3, Class C., was won by Tom Blevins with a score of 20 out of a possible 25.

Event No. 4, Class D., was won by Dr. Geo. W. McKeever with a score of 23 out of a possible 25 targets.

Event No. 5, Class A, was won by O. W. Henry with a score of 24 out of a possible 25 targets.

Event No. 6, Class B, was won by Harold Thomas with a score of 24 out of a possible 25 targets.

Event No. 7, Class C, was won by Frank Rider with a score of 20 out of a possible 25 targets.

Event No. 8, Class D, was won by E. A. Deobald with a score of 24 out of a possible 25 targets.

High run of the day was taken by Walter Bigham with a perfect score, with E. A. Deobald and W. L. McCreary tied for second place, each with runs of 22 straight.

Following the shoot a number of the women appeared on the scene with large baskets of lunch. We have not been able to learn all who were there but among them were Mr. and Mrs. Geo. Leith, Mr. and Mrs. Wade T. Keene, Mr. and Mrs. Harold Thomas, Mr. and Mrs. A. K. Carlson, Mr. and Mrs. Frank Rider, Mr. and Mrs. Roy Ramey, Mr. and Mrs. L. J. Herres, Mr. and Mrs. Frank Crocker, Mr. and Mrs. Don Miller, Mr. and Mrs. O. W. Henry, Mr. and Mrs. E. A. Deobald, Mr. and Mrs. John Kite, Dr. and Mrs. O. J. Morehead and F. S. Curtiss.

Interest in the shooting by this time had risen so high that the women decided it was time for them to organize a club and forthwith proceeded to do so. The membership, as near as we can learn consisting of Mrs. Frank Crocker, Mrs. Don Miller, Mrs. Wade Keene and Mrs. Harold Thomas. Mrs. Keene stepped out and proceeded to make a perfect score, she firing one shot and hitting one bird. After the trial she said she didn't see how Wade could possibly miss so many birds, saying she had never seen anything so easy to hit.

Two items donated by Kendrick merchants were not reported to the Gazette in time for the published list of prizes in the paper. These were: \$1.00 cash donated by the Kendrick Equipment Company and a \$1.00 first aid kit donated by the Red Cross Pharmacy.

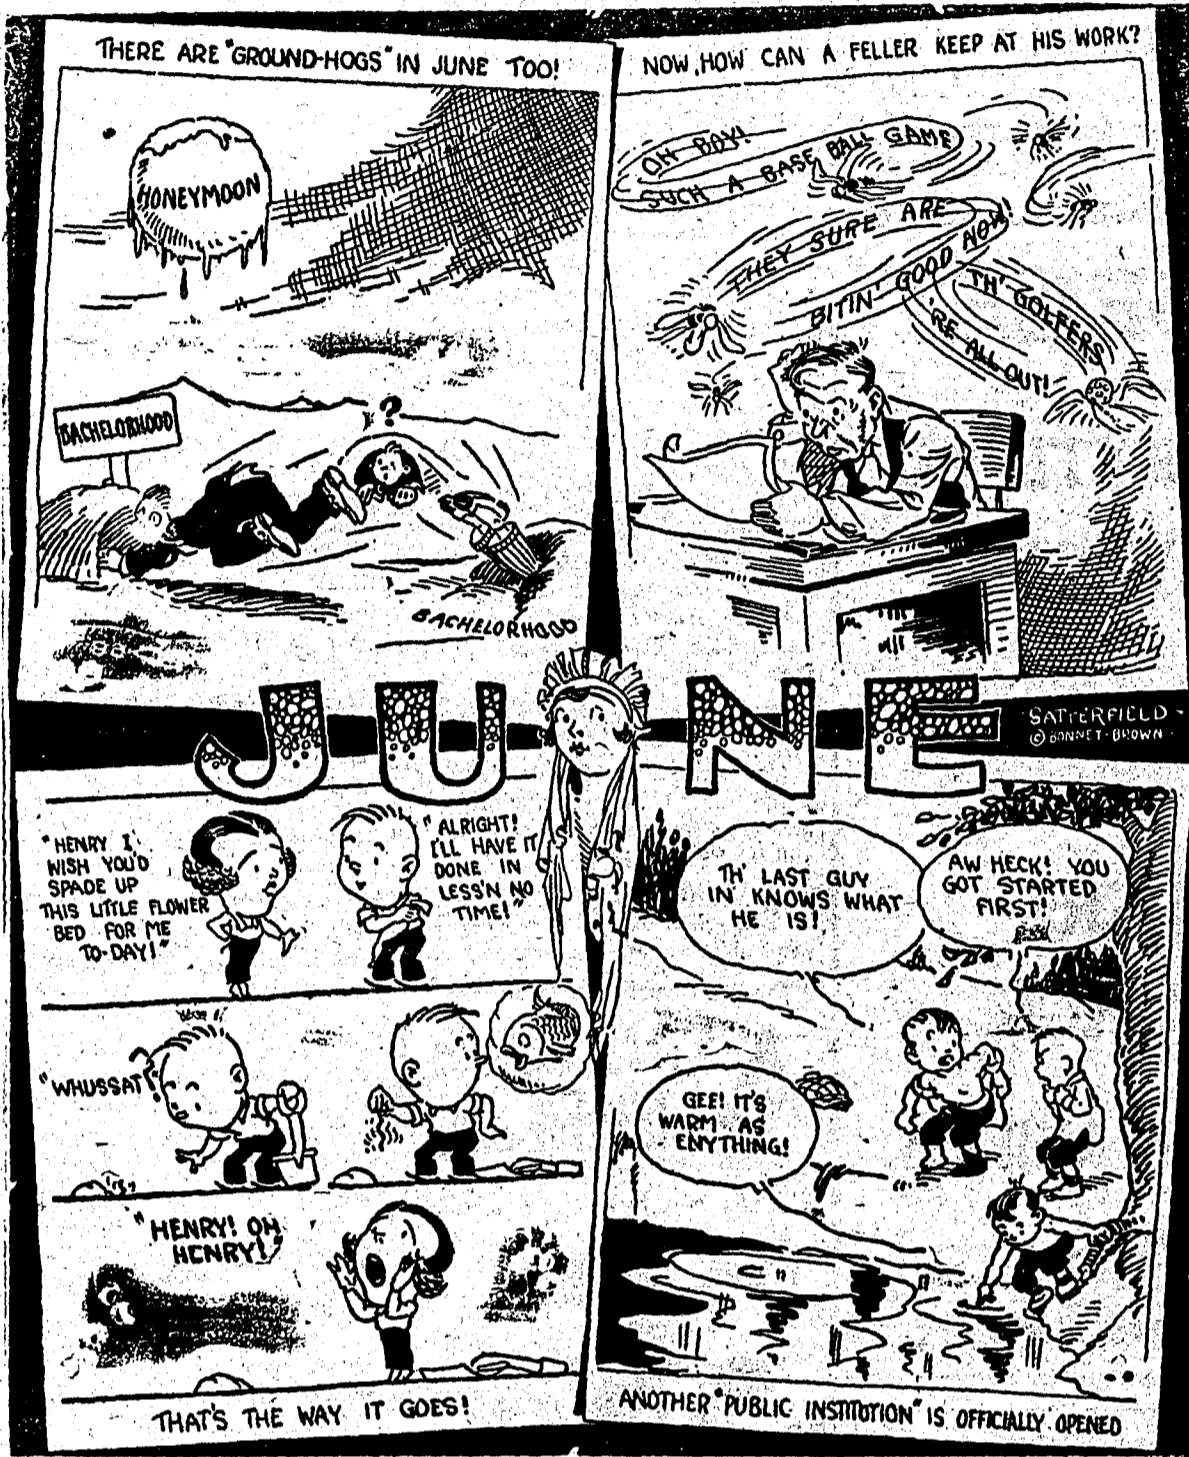

The Kendrick Gun Club wishes to thank every merchant and business man for the prizes donated and further, thanks everyone for helping to make the shoot a success.

Making Improvements

Geo. Leith is at this time working on a new rock garden, having taking the first steep pitch of his lawn and started working it into a rock garden. Winding natural rock steps will be installed at one side and leading to an arch-way at one side of the sun porch.

The whole front pitch of the lawn is then to be worked over into a rock garden, and judging from results achieved in the past by Mr. and Mrs. Leith, it will indeed be a thing of beauty.

Even though times are not what they should be, many improvements are being made in residences, painting, improving grounds and in some cases remodeling. Indeed, it may be truly said that Kendrick is the town of many pretty little homes. We are proud of this fact and so is every home owner.

45,000 GROUND SQUIRRELS SLAIN IN SPRING DRIVE

A total of 5,445 ground squirrels are known to have been killed in the battle waged during the spring by sportsmen, according to a final check on the results of the contest made known Saturday by Roy C. Hoagland, chairman of the fish and game committee of the chamber of commerce, C. E. Butler, Erb Hardware company, Marsh Wright and others who had charge of the counting of the tails.

Squirrels not caught by the hunters, but which probably died as a result of wounds, will total about 40,000, it was estimated. The total killed during the campaign will near the 45,000 mark, sportsmen in charge of the Lewiston campaign check estimated.

The ground squirrel is one of the chief foes of the game birds.

The grand capital prize of a shot gun or rifle from the Erb Hardware company, went to Everett Heimgartner, Juliaetta, who delivered 973 tails as proof of his keen marksmanship.

Lawrence Abitz, Cameron, had 609 tails in his kill total, winning the second grand prize of a shot gun donated by the National Lead company.

Carl Thiessen, Uniontown, proved right to the third capital prize of a 22-calibre rifle donated by Montgomery Ward Co. Thiessen had 402 tails.

District 23 won the high district prize, the Juliaetta total being 1,025 tails. A \$20 gold piece was offered by Charles Hahn.

District No. 24, Kendrick, won the second high district prize with a total of 565 tails. C. E. Butler's pharmacy having offered a U. S. bunting flag four by six feet.

District No. 6 won the third high district prize. The Uniontown section gunners totaling 476 tails and the prize was a screen door from the Carpenter Lumber company.

District No. 52, Peck, with a total of 382 tails, won a picture offered by Kling's Book Store.

The district prizes with hunters, number of tails and district show many prizes that were well worth going for, showing everything from boxes of candy to shirts and neckties, sporting goods and what not, even to watches and meals at cafes.

This type of campaign, together with that of the magpies, will do much to help keep our game birds on a safe and sane basis and will leave many more birds for the hunter. The only thing now to eliminate is the game hog, and there should be a bounty on him.

A cheerful disposition covers a multitude of sins.

INTERESTING ITEMS FROM JULIAETTA

Juliaetta Wins Again
Juliaetta won another game last Sunday when they took the Lapwai Indians into camp to the tune of 19 to 5, in a hard hitting game on the part of Juliaetta, who made a total of 22 hits to 5 for the Indians.

Three home runs were a feature of this game, one being made by Schultz of Lapwai and one each by R. Millard and F. Glenn of Juliaetta.

This victory makes seven games won and one lost for Juliaetta, with Bovill to play at Juliaetta next Sunday.

Score by Innings shows:

	1	2	3	4	5	6	7	8	9
Lapwai	1	0	0	0	0	2	2	0	0
Julia	1	6	6	2	0	1	2	1	0

Lapwai—Runs 5, Hits 5, Errors 8. Juliaetta—Runs 19, Hits 22, Errors 5. Struck out by Tylden 8, Leavitt 1, Stuart 4. Two base hits by Carlson, A. Gruell, F. Glenn, Jackson, and Williams. Three base hit by Jackson. Home runs were made by Schultz, R. Millard and F. Glenn.

Missionary Meeting

Mrs. Lulu Buchanan was hostess to the Baptist Missionary ladies at her home last Thursday. The regular business and devotional meeting was carried out. The society voted to hold no meetings during July and August.

A delicious two-course luncheon was served at the close by the hostess and Mrs. T. O. Greene. Twenty members and visitors were present.

Former Resident Passes

Mrs. Rachel Jordan, wife of James Jordan passed away at Lewiston on Sunday, after a long illness. Funeral services were held Tuesday and interment made in the Normal Hill cemetery. The Jordans were residents here for many years.

Visits Mother

Mr. and Mrs. Robert Groseclose of Walla Walla spent the week-end here with Mr. Groseclose's mother, Mrs. Laura Groseclose.

Visits Home

Miss Ansel Greene arrived Saturday evening from Helena, Montana, where she taught in the high school the past year. After a week's visit with her parents, Miss Greene will leave for California, where she will attend Stanford University.

Locals

Mr. and Mrs. Leland Irwin left

THREE LOCAL STORES BURGLARIZED THURSDAY A. M.

Three local places of business were burglarized Thursday morning sometime between the hours of 2:00 a. m. and 3:00 a. m. to the tune of some \$400.00 worth of merchandise, had they been allowed to escape with it, but all of the stolen goods were recovered.

The first establishment broken into was the Perryman Confectionery store, where the robbers sacked up between \$50 and \$60 worth of cigars, cigarettes and candy. This was carried out and deposited behind a telephone pole in the parking strip just to the right of the Carlson hardware. Following this the burglars broke into Cook's Barber shop, sacking up in this establishment some \$25 to \$35 worth of hair tonics, soaps and shampoos, this was also parked behind the pole near Carlsons' store.

From this point the robbers entered the N. B. Long & Sons store, where they proceeded to help themselves from the shelves of that place, sacking up shoes, hosiery, bloomers, bathing suits, silk hosiery silk lingerie and wearing apparel of all descriptions. Small change was also taken from the cash register tills, although this amount was not large.

Entrance in each case was made by forcing the back door with a bar. The alarm was given about 2:45 and a hastily assembled posse surrounded the Long store in which they were working at the time and one of the robbers, Harley May, was captured. One of the others, whose name is known, broke and ran, taking across lots from the corner of the store toward the Kendrick Rochdale warehouse, leaving as he ran a string of small change money, pilfered from the cash registers. Three shots were fired at this one as he ran but it is not believed that any hits were scored.

It is said that five were in this gang but only two were seen by the posse members.

Marshall Ed. Long said that young May confessed the accomplice who ran but refused to tell the names of the rumored other three, if such existed, which point may be inclined to doubt, but a definite examination of the finger prints left on the scenes will probably tell the tale.

At the time of going to press information was to the effect that a call had been received from Sheriff Dent of Lewiston that the fugitive was cornered in a large brush patch near Arrow Junction, and that they would await the arrival of posse members

WHEAT MARKET UNSETTLED—HARVEST NOW ON

Domestic wheat markets were very unsettled during the week ending June 6, influenced by unfavorable weather conditions in Spring wheat areas, the rapidly approaching harvest of Winter wheat, and the withdrawal from the market of the support of Domestic Marketing Agencies, according to the Weekly Grain Market Review of the United States Bureau of Agricultural Economics. Feed grains, on the other hand, held generally steady although demand continued dull and of small volume for the moderate offerings. Corn made rather slow growth because of cool weather and much replanting is reported in numerous areas. The Rye market was generally dull and quiet, but had some independent strength as a result of the unfavorably outlook for the 1931 crop. Flax strengthened toward the close of the week, under a more active inquiry from crushers for cash seed, and rather unfavorable reports concerning the condition of the new crop.

WHEAT: Crop conditions continued to play an important part in the wheat market during the week. Winter wheat prospects continued favorable and harvesting has begun in Southern Texas. Some areas in North Central and Northwestern Kansas and in Nebraska are in need of moisture, but in other sections conditions remained favorable and harvesting is expected to begin in Southeastern Kansas about June 15, and elsewhere in that State by the close of the month. Private estimates as of June 1, placed the domestic Winter wheat crop around 75,000,000 bushels above last season's harvest. Drought in the Canadian Prairie Provinces and in the American Northwest is threatening serious damage to Spring wheat unless good rains occur soon. The official Canadian crop report indicated a critical condition in the entire Western region of normally heaviest production. The good germination of early-sown wheat has been partially offset by high winds and frost damage, while germination of late seeding is very spotted and re-seeding has been delayed by deficiency of soil moisture. Rains during the week have been benefited in Southern Alberta and parts of Manitoba, but more moisture is still needed. Conditions of Spring wheat at present indicate an outturn of around 30,000,000 bushels below last year's crop, according to the private trade estimates.

Despite the rather unfavorable outlook for Spring Wheat in North America, world wheat crop prospects appear generally satisfactory. Russian seeding has progressed rapidly, with the total acreage seeded to all grains up to May 25, placed at 164,000,000 acres, compared with 158,000,000 bushels the corresponding time a year ago. Spring wheat acreage seeded to this date amounted to 49,000,000 acres, as against 45,000,000 acres to the same date last year, and comprised about 71 percent of the planned acreage of 69,000,000 acres. While rapid progress has been made during recent weeks, seeding in some important areas is still backward and individual peasant seedings are generally proceeding very slowly. Reports on Winter wheat in Russia are rather unfavorable with considerable Winter killing in the Lower Volga regions now becoming apparent. Seeding of the new Southern Hemisphere wheat crop is now in progress, although additional rainfall in Argentina would facilitate seeding operations. Seeding conditions in Australia have improved, but a sharp decrease in acreage is still in prospect.

Harvesting of the 1931 crop in North African fields is making rapid progress and some good yields are reported, although no estimates of total outturn are yet available. Wheat crops in European countries bordering on the Mediterranean are beginning to ripen and fairly good yields are in prospect. The Italian crop is ripening under generally favorable conditions, although local areas report some lodging or thin stands. Conditions in Spain are also generally satisfactory, despite some deterioration from dry weather in Southern districts. The French crop is developing rapidly under more seasonal weather.

Crop conditions in Prussia, the most important producing area of Germany, were above average at the first of June despite unfavorable weather during the later part of May

"Viennese Nights" at Audian
"Viennese Nights," a 100 per cent natural color picture, will be offering at the Audian Theatre for Friday, Saturday and Sunday nights, June 12, 13 and 14.
It is a generous combination of talent in writing, talent in singing and acting and talent in production. It combines a fine story with delightful melodies, tremendous and lavish staging with a splendid cast, photographed in natural colors.
The plot concerns the thought that beauty does not die. A great love and a great symphony, apparently lost through adverse circumstances in one generation, are found completed in the third generation. It is told simply, realistically and artistically.

Leave For Summer
Mr. and Mrs. O. W. Turnbaugh left for Lewiston Saturday afternoon from which place they will go on to Caldwell to spend the summer.
They return this fall to Leland where both Mr. and Mrs. Turnbaugh will teach.
A Close Relation!
Son in college was applying pressure for more money from home.
"I cannot understand why you call yourself a kind father," he wrote his dad, "when you haven't sent me a check for three weeks. What kind of kindness do you call that?"
"That's unremitting kindness," wrote the father in his next letter.

PERSONALS

L. J. Herres left Monday for Orofino to take a position in the Owl Drug Store in that place.
Edith Dammarell, who has been teaching at Shelley, Idaho for the past school year, returned Sunday to spend the summer with her parents, Mr. and Mrs. E. H. Dammarell.
Mrs. Dora Hull left for a several week's stay at Moscow.
Norris Pecunier spent Monday morning at the N. E. Walker home, enroute to Longview, Washington.
W. C. Jones, who has been teaching in the Kendrick school, and wife left Monday for Lewiston where they will spend the summer.
Elbert Long, who has been visiting for the past week at the home of his grandmother, Mrs. Flora Long, returned to the U. of I. Tuesday where he is going to attend summer school.
Mrs. Martha Ripley and daughter of Lewiston spent Sunday and Monday visiting at the Chas. McCoy home.
Irene Davis left Sunday for the Lewiston Normal School where she will attend summer school.
Mr. and Mrs. W. J. Carroll and daughter, Lida Jane, went to Moscow Wednesday to see the Barnes Circus.
Paul Dammarell returned home Saturday from a weeks visit with his sister, Mrs. Philip Asplund, at Boville.
Kyle Anderson went to Troy, Monday for a visit.
Mr. and Mrs. J. N. Pratt and grandchildren, Peggy and Jess, left for Clarkston, Saturday where they will make their home.
Frank Nutt returned to his home in Troy Saturday after a week spent with his brother, Manford Nutt, and

family at Jurietta.
Bessie Blevins returned Saturday from a weeks visit at the Ed. Kent home at Cedar Creek.
W. B. Deobald and wife were Spokane visitors Sunday, where Mr. Deobald will receive special medical attention.
Mr. and Mrs. M. O. Raby left Saturday morning for Montpelier, Idaho, to attend the Eastern Star grand lodge. Mrs. Neadem of Lewiston accompanied them from that place. They expect to return the first of next week.
Mrs. Bertha Beard of Moscow was a Sunday visitor at the W. A. Perryman home.
Mrs. Silvie Cook and daughter, Margaret went to Weippe Wednesday for a visit with the N. A. Hill family.
Mrs. Belle Cuddy of Southwick has been visiting at the Dick Cuddy home. Mrs. Cuddy left Wednesday for Lewiston for a short visit, Mr. and Mrs. Dick Cuddy motoring her down.
A. K. Carlson and sons and James Bolon and Herbert McDowell were Lewiston visitors Tuesday. Mr. Carlson on business and the boys to attend the circus.
Mr. and Mrs. Don Miller and children returned Friday from a ten-days' vacation trip at Spokane, Wallace and Harrington. At Wallace they visited Mr. and Mrs. Lester Crocker, at Harrington, his mother, Mrs. Brammer and friends and relatives at Spokane, the Pearsons, Halseths and G. A. Lukens family.
E. H. Emery was a Moscow business visitor Tuesday.
J. W. Thomas of Peck was a business visitor in Kendrick Monday.
Mr. and Mrs. A. W. Behrens were Monday visitors in Spokane, returning Wednesday.
L. J. Herres left Monday for Orofino to work. He will be employed by the Owl Drug Store in that place.
P. C. McCreary left Monday for Canton, Illinois. He expects to be gone about six-weeks.
Mr. and Mrs. Wade Keene, Mr. and Mrs. Geo. Leith and Mr. and Mrs. R. H. Ramey were Lewiston visitors Tuesday.
Roy Long and Robert Dammerall were Tuesday visitors in Lewiston where they attended the circus.
Mrs. Edgar Dammarell and children are spending the week with her mother, Mrs. B. N. Emmett on Little Bear ridge.
Mr. and Mrs. Edgar Long and family spent Sunday at the Jas. Benjamin home.
Mr. and Mrs. F. W. Ellis were Lewiston visitors Sunday.

"My daughter has some cast-off garments, but I'm afraid the heathen wouldn't wear such clothes."
Kendrick—your town and mine. Let's boost it!

Complaints Regarding Garbage
Complaints have come to the Village Council of allowing fowls and live stock to run at large and regarding the failure to burn refuse. The Council has inserted two notices calling your attention to ordinances pertaining to these matters and are asking the co-operation of the citizens in these things.
They suggest that for refuse and debris that accumulate, the occupant of the place of business or residence purchase a steel oil barrel, which can be gotten for a very nominal sum, cut one end out, deposit their refuse and debris in it and have it hauled away at regular intervals.
If this suggestion is followed it will help materially in keeping our "City Beautiful," preserve our health and keep our streets free of debris. If these ordinances are not complied with, the Marshall will have authority to notify you, and if the matter is not then attended to, action by law will be taken.
Let's each and every one of us co-operate in keeping our backyards, alleys and streets clean and free from debris.

New Cookhouse In Park
Marshall Edgar Long has been busy the past day or two constructing a cook house in the park. The building houses two very good cook stoves donated by liberal residents of Kendrick. It is of frame construction, covered with sheet iron donated by Dr. Geo. W. McKeever, and will be painted the same color as the bandstand. It is a very nice improvement to our park.

Circus Attendance Large
The circus train pulled through Kendrick Tuesday morning about 8 o'clock on its way to Lewiston on their annual visit. Almost every able bodied child and some not so childish were on hand to view its passing, and from the deserted houses with no lights, we believe that half of Kendrick must have gone to Lewiston in the afternoon or evening to see the performances there.

LINDEN NEWS

Mrs. Mertie Stone and daughters moved from Lewiston Tuesday for short visit at the A. Alexander home before going to keep house for E. Fonberg during the summer.

Bob Chillburg took a jolly crowd to Park Thursday in his truck, to travari Mr. and Mrs. Ben Smith.

Mr. Long came over from Genesee Thursday to visit his daughter, Clem Israel and family.

A large crowd attended the lawn party at the Israel home Saturday evening given for the eighth grade graduating class of Cedar Ridge and Linden schools. The lawn was decorated with crepe paper streamers and Chinese lanterns. These with the big bon fire furnished much pleasure. Games and visiting were enjoyed until a late hour when straw-

berry shortcake and ice cream were served. Everyone pronounced it to be one of the most enjoyable affairs of the season.

T. P. Fisher sold his farm last week to Dr. Magee of Moscow.

Mr. and Mrs. Weyes and sons spent Sunday with relatives at Southwick.

Clem Israel finished sawing last Wednesday.

Mr. and Mrs. Oscar Largerson of Elk River visited Mrs. Largerson's parents, Mr. and Mrs. Wm. Zimmerman Wednesday and Thursday. They were accompanied home by Mrs. Stewart, Wilson and sons, who stayed until Sunday.

Children's Day will be observed on Sunday, June 14 at the church. Services will be at the usual time followed by a picnic dinner and then a program in the afternoon. The pub-

McCORMICK-DEERING HARVESTER-THRESHER and SERVICE

—The Soundest Investment in the Combine Field!

PURCHASE of a harvester-thresher is a very important investment. You are buying it for 10 years or more of harvesting. Each year will be exactly as important to you as this first year. That is why combine service is just as valuable and vital to you as the combine itself. Be sure you get both!

Buy a time-tried, efficient McCormick-Deering Harvester-Thresher, coupled with our assurance of branch house and dealer service—right here in your own community—to back you for the full life of your machine. If you can't count on both the machine and the permanence of the service when you buy you will make a costly mistake, no matter what price you pay.

Sometimes the lack of even a small part, of trifling cost in itself, may mean disaster at the height of the harvest-time rush—but not with McCormick-Deering. We maintain a service of great cash value, substantial stocks of genuine IHC repair parts, fast handling in any emergency, never-failing aid close at hand year after year. This assurance, which may in time save you many hundreds of dollars, can be had in the McCormick-Deering investment.

The McCormick-Deering Harvester-Thresher is the surest, soundest, most economical investment in the combine field today, and it is also the easiest to buy. Under the newly announced McCORMICK-DEERING HARVESTER-

THRESHER SAVINGS INVESTMENT PLAN, you or any other responsible grain grower can buy a McCormick-Deering Harvester-Thresher now and meet your first payment after harvest with just a part of the savings made possible by the new machine—with two more years to pay the balance.

Crop production cost figures compiled by McCormick-Deering users show savings of 20 cents or more per bushel, and show conclusively that the harvester-thresher will pay for itself in two or three years. Make these savings in your own crops and in custom work . . . and count on the permanence of McCormick-Deering service.

See the McCormick-Deering dealer in your own community for labor-saving power and machines essential to profitable handling of this year's crops. Keep in mind that McCormick-Deering Tractors—10-20, 15-30, and Farmall—and tractor-operated equipment may be had on terms arranged to help you begin at once cutting the costs of your operations and increasing your profits.

Investigate Our New Savings Investment Plan

The McCormick-Deering dealer will give you full details of the new McCORMICK-DEERING HARVESTER-THRESHER SAVINGS INVESTMENT PLAN.

WHEAT MARKET UNSETTLED—HARVEST NOW ON

The condition of the Polish crops is considerably above average. Conditions in the Lower Danubian countries are fair to good, although not so favorable as at the same date last year and dry weather is threatening damage, particularly in Hungary and Rumania. Trade reports place the European crop, outside of Russia, at about an average outturn, but reserves of old crop native wheat were unusually low.

Domestic cash wheat markets declined rather sharply towards a new crop basis during the week, upon the discontinuance of buying at stabilized prices by domestic marketing agencies. Cash grain at the principal markets declined 6-8c per bushel, but the market steadied toward the close of the week, when offerings became smaller and demand continued, of fair volume. Cash wheat is still selling at 8-10c above new crop futures at the principal markets. Receipts at the principal Central Western and Southwestern markets totaled 3,468 cars for the week, which was about 1,200 cars smaller than last week's arrivals, but nearly 2,000 cars over receipts for the corresponding week last year. Spring wheat marketings were also of good volume, with 1,770 cars received at Minneapolis and Duluth. Mills were fairly active, buyers of wheat at most points, but generally were taking only sufficient grain for immediate requirements and in the winter wheat areas were awaiting offerings of the new crop grain to replenish stocks. At the close of the market June 5 No. 1 Hard Winter wheat with 12 1/2 percent protein, was quoted at Kansas City at 69 1/2c per bushel. No. 2 Hard Winter sold at Omaha at 68c, and No. 1 Hard Winter at Fort Worth at 74-76c, delivered Texas common points or Galveston export rate. No. 2 Hard Winter was quoted F.O.B. country elevators in Colorado at 40-42c per bushel. No. 1 Hard Winter sold at Chicago June 5 at 78c, and No. 2 Soft Red Winter at 76c per bushel. No. 2 Soft Red Winter was quoted at Cincinnati at 73-75c per bushel.

Cash Spring wheat markets strengthened toward the close of the week under good milling demand and premiums were increased compared with futures. Because of the sharp break in the futures around the middle of the week, however, cash prices showed a net decline for the week of about 8c, and No. 1 Dark Northern Spring was quoted at Minneapolis June 5 at 72 1/2-74, 5-8c per bushel.

The Durum market was dull, but prices did not follow the full decline in bread wheats. Durum wheat for June delivery closed June 5 at Duluth at 65 1/2c, and No. 1 Amber wheat was quoted at that market at 67 1/2-68 1/2c and at Minneapolis at 63 1/2-68 1/2c per bushel. No. 1 Durum was quoted at Duluth at 65 1/2-66 1/2c, and No. 2 Red Durum at 58 1/2c per bushel.

The Canadian Spring wheat market advanced about 2c during the week, under the influence of unfavorable crop conditions in the Prairie Provinces. No. 1 Manitoba Northern was quoted at Winnipeg June 5 at 62c, or about 12-14c under top quotations on domestic Spring wheat at Minneapolis.

Pacific Coast markets were also very unsettled, particularly in Washington and Oregon. With the withdrawal of domestic marketing agencies from the Portland and Seattle markets, prices became very unsettled. Growers and shippers were asking 10-12c above bid by mills and exporters and trading was difficult. At the close of the market June 5 sellers were asking 68c per bushel at Seattle for Western White sacked, while only 58c per bushel was being bid. Sales of Western Red and Hard Winter wheat were reported at 66-68c. Mills were bidding 58c for Blue-stem Hard White sacked while shippers were asking 68c. There was some inquiry for Feed wheat, but little demand for White milling wheat since export mills were obtaining grain for export flour grinding at 52c per bushel from domestic marketing agencies. Cash prices at Portland were nominal with 56c bid for Hard Winter, Northern Spring and Western Red and 59c for Soft and Western White wheat, 69-72c being asked for wheat in store at that market. Export sales were of small volume, totaling 3,500 tons to the United Kingdom. Export flour sales were also light, with small shipments reported to the Orient. Domestic mills were taking only sufficient grain for immediate needs. Receipts at Columbia river and Puget Sound terminals continued heavy, totaling 1,268 cars for the week, or about twice the arrivals during the corresponding week last year. Most of the receipts, however, were being applied on earlier export sales or were going into storage at terminals. New crop prospects in the Pacific Northwest were becoming less favorable and showing damage from drought in some areas. Unless rain is received in the next two weeks, the wheat crop in eastern Oregon will be very greatly reduced, according to re-

ports of the Extension Service of the Oregon State College.

California wheat markets weakened with increased receipts of new crop grain and a continued dull demand from mills and feeders. Harvesting is now well under way in the San Joaquin valley and first samples from the Sacramento valley were received during the week at San Francisco. New crop yields are reported to be considerably under normal, but the quality is good. Offerings from Central California were of moderate volume, but slightly above trade requirements. At the close of the market June 5, No. 1 hard and No. 1 soft white wheats were bringing \$1.20 to \$1.25 per 100, delivered San Francisco. These prices were netting the valley growers \$1.00 to \$1.02 per 100 at shipping points. Mills and feed manufacturers were generally taking only sufficient wheat for immediate needs, since offerings of Washington and Oregon wheat for new crop deliveries were materially under current local quotations. No. 2 soft white wheat for July, August and September delivery, was quoted at \$1.10 to \$1.15 per 100, delivered San Francisco.

M. E. Ladies Aid.
Mrs. William Freytag delightfully entertained the M. E. Ladies Aid at her home last week. The afternoon was spent in sewing, and visiting after which a delicious lunch was served. Twenty-eight ladies were present.

The Flashlight Little Flashes of This and That

Published at Kendrick Every Week

Published in the Interests of the People of the Entire Potlatch Country by the Kendrick Hardware Company. F. S. Curtiss, Editor.

Here lies the body of Horatius Drake — He stepped on the gas Instead of the brake!

Only too true in many instances, but the man who steps into our store for his furniture needs is never disappointed. He gets his money's worth—and then some.

Our idea of a myth: Absolute Freedom!

We want you to see our stock of hardware—it's just what you need. For instance, egg beaters, paring knives, butcher knives, meat grinders, measuring spoons and all kinds of kitchen necessities. See us now—today.

We note where president Hoover has decided to remain in Washington for the summer. Even the heat will not be so bad with Congress out of the way.

Hoover likes to fish, so do you. Now come in and let us show you our complete line of fishing supplies, rods, reels, lines, hooks,

sinkers, bait and baskets. Let us suggest too a flashlight, a knife, a canteen or water bag and camp cooking utensils. We have them all.

Father: How many miles to a gallon?
Mother: What color is the upholstery?

Son: How fast will she go?
Daughter: Has it a cigarette lighter?
Neighbors: How can they afford it?

Only too true, but you can't afford to pass up our paint. It goes farther, covers better and consequently costs far less than cheap paint. Yes, it's Bass-Heuter. It's the best. Brushes, too, we have 'em, as well as every other painting and decorating need.

Boss: "Business is a little dull, Ole; I must lay you off."
Swede: "Oh, I wouldn't do that. It don't take much to keep me busy!"

These are the days when a city man buys a quart of onion sets and considers himself a farmer.

Sunday for Moscow where they will attend the University.

Mrs. Lela Gruell left Tuesday for Pasco, Wash., to visit her brother and sister-in-law, Mr. and Mrs. Thompson. On Saturday Mrs. Gruell and Mr. and Mrs. Thompson will leave for Prineville, Oregon, where they will visit relatives. Gertrude Gruell and Mr. and Mrs. Marion Gruell accompanied Mrs. Gruell to Pasco, returning to Lewiston on Thursday.

Miss Arta Groseclose has gone to Moscow to attend the summer session of the University.

Charles Noble was a passenger for Spokane Wednesday morning. Leland Houck was a visitor from Lewiston Wednesday.

A. W. Behrens made a business trip to Spokane the first of the week.

Mrs. T. O. Greene went to Moscow Saturday to meet her daughter, Miss Amsel Greene.

Mrs. Luna Deane was in town last week checking up on the equipment saved from the school fire.

Indian Crushed by Log

James Black Eagle, 29, influential member of the Nez Perce tribe, was crushed to death and the Rev. Stephen Reuben, Black Eagle's Indian companion, was painfully hurt at 10 o'clock last Friday morning while cutting timber on the Indian reserve four miles southeast of Webb.

They felled a tree and had cut this in three parts by a gasoline saw. The logs were rolled to the edge of a steep hill and banked with rocks to allow the timber to roll into Webb's creek. Black Eagle and Reuben were in a stooped position when one of the logs tumbled down the hillside. Before they could get to safety they were hit and knocked down. The log rolled onto Black Eagle and crushed his chest and he died almost at once, Coroner E. M. Brower said, Reuben was pinned beneath the timber with his right foot crushed.

Reuben's first thought was to extricate Black Eagle from his position and he started digging a hole with his hands to relieve his companion, giving little thought to himself. Reuben's cries attracted the attention of several boys playing and they tried to help but finally were dispatched for aid. Meanwhile Reuben had released Black Eagle from the weight of the log but he was dead.

Kendrick Loses To Genesee

Sunday, June 7 the local boys journeyed to Genesee where they were taken into camp to the tune of 14 to 3 in a loosely played game on the part of both teams.

Pole Haul Starting

The annual pole haul is just starting at the present time, a few trucks hauling in from the Cedar creek region to the pole yards in the west end of town.
The Barnum Lumber & Mill Co., is also hauling, but they are handling lumber.

NOTICE TO CONTRACTORS

Office of the Clerk of Good Roads District No. 2 of Latah County, Juliaetta, Idaho.
Sealed bids will be received at this office until June 27 at 10 o'clock a. m. and then opened for the following improvements:
Building of a 52 foot span wooden bridge across the Middle Potlatch creek Northwest of Juliaetta. Contract to include one concrete pier on west side. Material to be furnished by the District. Specifications may be obtained from the clerk, at the Kendrick State Bank.
Dated at Juliaetta, June 6th, 1931.
A. W. BEHRENS,
Clerk of the Board.

BAYER ASPIRIN is always SAFE

Beware of Imitations

GENUINE Bayer Aspirin, the kind that doctors prescribe and millions of users have proven safe for over thirty years, can easily be identified by the name Bayer and the word genuine as above.

Genuine Bayer Aspirin is safe and sure; it is always the same. It has the unqualified endorsement of physicians and druggists everywhere. It does not depress the heart, and no harmful effects follow its use.

Bayer Aspirin is the universal antidote for pains of all kinds.

- Headaches
- Neuritis
- Colds
- Neuralgia
- Sore Throat
- Lumbago
- Rheumatism
- Toothache

Aspirin is the trade-mark of Bayer manufacture of monoaceticacidester of salicylic acid.

AFTER 40 bowel trouble

Constipation may very easily become chronic after forty. And any continued constipation at that time of life may bring attacks of piles, and a host of other unpleasant disorders.

Watch your bowels at any age. Guard them with particular care after forty. Whenever they need any help, remember a doctor should know what is best for them.

"Dr. Caldwell's Syrup Pepsin" is a doctor's prescription for the bowels. Tested by 47 years' practice, it has been found thoroughly effective in relieving constipation and its ills for men, women and children of all ages. It has proven perfectly safe even for babies. Made from fresh laxative herbs, pure pepsin and other harmless ingredients, it cannot gripe; will not sicken you or weaken you; can be used without harm as often as your breath is bad, or when your tongue is coated; whenever a headachy, bilious gassy condition warns of constipation.

LELAND

THREE LOCAL STORES BURGULARIZED THURSDAY A. M.

from this vicinity before rounding him up, as it was feared that he might have armed himself between the time of the robbery and the discovery of his hiding place. He further said that the capture would be delayed as all wished to avoid gun play.

Many petty thefts have been reported in the last few months and it is hoped that this will put an end to all that. Marshall Long saying that he believes the gang cleaned out.

SOUTHWICK NEWS

Mr. and Mrs. Julius Hoppe and Miss Clara Stalnaker made a business trip to Kendrick Monday.

Mrs. Miles Pierce of Juliaetta is visiting her daughter, Mrs. Marion Hanks of Southwick a few days this week.

Mr. and Mrs. Wilmer Hanks and son, Edwin, also Mr. and Mrs. Marion Hanks and two children visited at the Joe Hanks home at Lenore last Wednesday.

A pleasant birthday and farewell dinner was given at the home of Ben McCoy last week for the men who were leaving for the forestry service the first of June. Those present were: Mr. and Mrs. Elton McCoy, Mr. and Mrs. Wilmer Hanks and son, Edwin, Mr. and Mrs. Marion Hanks and two children, Austin McCoy, George Jones and son Dick, Ben Baker and son Russell, Mr. and Mrs. Harry Smith of Leland, Mrs. Lacke and the Ben McCoy family.

Mrs. Edwin Joyce and little son are here from Philadelphia, visiting with her mother, Mrs. George Jones.

Mrs. Donaldson of Pomeroy, Wn., is visiting her daughter, Mrs. Bertha Tschantz this week.

The Ben McCoy family, Mr. and Mrs. Wilmer Hanks and Mr. and Mrs. Elton McCoy attended the camp meeting at Lenore Sunday.

Mr. and Mrs. Clay King are here from Marshfield, Oregon, visiting relatives.

Ray Triplett of Lewiston spent Sunday here visiting home folks.

Russell Betts returned home Sunday. He has been attending the U. at Moscow.

Miss Ruth Leland, who has been acting as supply pastor of the United Brethren church here was presented with a friendship quilt by the ladies of the church.

There will be a Children's Day program and Union picnic held at the Cedar Creek grove on the Betts place Sunday, June 14.

The Ziemann Brothers are rebuilding their power plant which burned down early in the summer.

Rev. Walter Nead and family have moved from the Kime house to the Grandma Wells property, near the United Brethren church.

The Misses Frances and Madeline Pierce were visiting friends and relatives here this week.

Mr. and Mrs. Fred Hassinger of Gifford spent several days last week at the Wm. Berreman home. They painted the Berreman residence white there.

The Albert Wagen family were picnicking on Dix creek Sunday.

ARROW JUNCTION AIRINGS

The little daughter of Mr. and Mrs. Alex William, Wilma, aged eight years, passed away Tuesday morning, June 9, with typhoid fever. The funeral and burial will be held at Arrow.

The all-day meeting held at Arrow Sunday was very successful although it was so very hot. Mrs. G. H. Gibbs had as her guests Mr. and Mrs. Smith and family of Leland. Mrs. Will Groseclose and son, Bruce were also down for the meeting. The Arrow Sunday school is to go to Juliaetta Sunday for the picnic.

Program And Social

The Women's Missionary Society of Arrow will give an ice cream social at the Arrow school house next Saturday night (June 13).

The program will be given by Mrs. James Brackett of Lookout and Mrs. D. L. Gillette and Mrs. Arnold Addington, both of Reubens, Idaho. The money received will be used by the society for their charity budget.

Too many people watching the "blue chips" of the stock market, and not enough making good clean white chips at the chopping block of hard work.

It is claimed the world has been turned upside down during recent years, which may well be because the people are trying to stand everything on its head.

The boy who used to be so tickled when his dad gave him a pair of working overalls, is now a man and his son demands a suit of sport clothes.

The Ice cream social that was to have been given by the Lutheran Ladies Aid on June 19 has been postponed until a later date.

The acrobat in the circus who can straddle a couple of trapezes ought to make an excellent politician.

THE FOOT

The human foot has a skeleton structure of twenty-six bones. These are covered with tendons, ligaments, muscles, and nerves, which quietly do the bidding of our minds when healthy, and insist on making their woe known when abused, or shod in improperly fitted or defectively repaired shoes.

Each of the twenty-six bones has its own function. Each relies on and at the same time supports its neighbor until the whole presents a marvelous efficient unit of the human body.
