

# Pre-Inventory Sale

## Saturday, Nov. 7

To

## Saturday, Nov. 14, Inc.

We have never held a Sale during our five years in Kendrick. Our policy has been to offer the Lowest Possible Prices for Dependable Merchandise.

Is it time to stock up? Wheat doubled in value in the last few days. Flour raised 40c per barrel — Canned Milk up 45c per case — Cigarettes up 45c per thousand — Macaroni up 50c per Cwt. — Tomatoes up 20c per dozen — Oregon Walnut crop all sold up — 43% pack of Minced Clams — Sugar up 45c per Cwt. In your own judgement WILL PRICES GO ANY LOWER? The price of most merchandise is sympathetic with the price of wheat. Wheat governs the Northwest. Almost without exception packers were disposing of merchandise without profit. If conditions improve as much in the next two weeks as in the past a 20% advance would be in line.

I wish to reduce my own large stock for inventory and to make room for my winter supplies now coming in. I offer the following prices—

OLIVER LEE, Mgr.

**ROLLED OATS**  
Sperry's Cream

No Show This Week Unless Bills Appear

No More Shows Until Further Notice

When in Kendrick, stop at the new Raby Hotel—newly finished; clean beds, and good things to eat. 42-

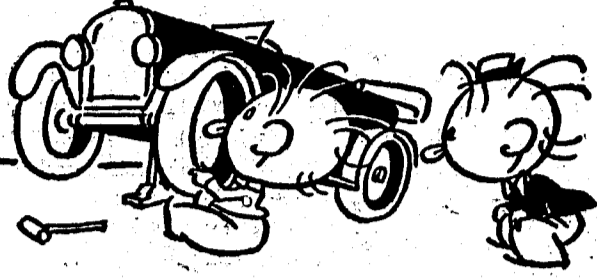

### Celebrate 20th Anniversary

The twentieth wedding anniversary of Mr. and Mrs. J. M. Woodward of Leland, Idaho, was celebrated on Sunday, November 1st.  
A bounteous dinner was served. The dining room was beautifully decorated with autumn flowers and foliage.

Those present were Mr. and Mrs. A. H. Smith, Mrs. Lucy Hoffman, Mr. and Mrs. Harry C. Smith and family, Mr. and Mrs. Robert C. Smith and family, Mr. and Mrs. R. M. Smith and daughter, Eileen of Leland, Mr. and Mrs. Harry Pratt and family of Lewiston and Mrs. Clyde McGhee and daughter Frances of Clarkston.

All in all it was a very delightful occasion and the guests departed wishing Mr. and Mrs. Woodward many more just as happy anniversaries.

"Servicemen ...not Salesmen"

we want you, too, to feel this way about us

We work on the simple but friendly policy of assuming you know what you want done to your car, and that you would rather not be high-pressured to spend money for anything else.

This may seem a bit old-fashioned, but it makes us many good and true friends. We find that people often go out of their way to come back when they are ready for our other services and supplies.

ECONOMY IN GOVERNMENT IN IDAHO

(By F. E. Lukens, Sec. of State) (The following is one of a series of articles prepared by the Secretary of State on the subject above stated.)

The making of budgets of public expenditure is accepted as a wise practice in all governmental units, from the United States government down to the smallest taxing unit. In Idaho the state has its Budget Bureau.

Our state Budget Bureau has functioned well in the past. It has prepared and submitted to the legislature, through the governor, budgets of certain departments. They have been well worked out and have been of valuable assistance to the legislature in making appropriations.

Oh, Is That All? The minister called at the Jones home on Sunday afternoon and little Willie answered the bell.

Dull brains result from a deficiency of iron, scientists say. Also from a surplus of bone.

The High School Crier

Editor—Nona McAllister. Associate Editor—Mary Johnson. Boys' Sports Editor—Morton Brigham.

Student Body Meeting A student body meeting was held Thursday, October 29. Mr. Brigham made a few announcements concerning the coming carnival and other school work.

Morton Brigham explained and told the purpose of the Alpha club, that is, the boys' service club. Otto Herman told the students of the boys letter club and gave a few rules that are to be observed by all students.

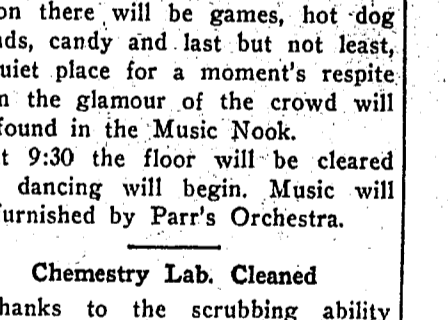

Soph.-Jr. Party The Sophomores gave the Juniors a party last Friday night. Such old-fashioned games as Winken, Flying Dutchman, Ruth and Jacob, Fruit Basket Upset, Farmer in the Dell, Prince of Wales and Two Deep were played.

As the key to the Domestic Science room couldn't be found and water couldn't be heated at the gym, a dry lunch of sandwiches and cookies was served.

Honor Roll The following students have made an average of 90 or more during the first six weeks' period and are entitled to places on the Honor Roll: Seniors—Nona McAllister, Burneda Cummings and Ethel Cummings; Juniors—George Davidson, Elma Jones and Mary Johnson; Sophomores—Maxine Keene and Kathryn Emery.

High School Carnival On Saturday, October 7, at 7:30 p. m., the students of Kendrick high school are attempting to bring before the patrons of the school one of the biggest and best carnivals ever put on in this town.

Chemistry Lab. Cleaned Thanks to the scrubbing ability of Jack Bailey and Whipple Mus-

POISON in Your bowels! Poisons absorbed into the system from souring waste in the bowels, cause that headache, sluggish, bilious condition;

Dr. Caldwell studied constipation for forty-seven years. This long experience enabled him to make his prescription just what men, women, old people and children need to make their bowels help themselves.

DR. W. B. CALDWELL'S SYRUP PEPSIN A Doctor's Family Laxative

grave the chemistry room is now very clean. We hope that it will remain this way the rest of the year.

New Books Arrive Last week a large box of books for the high school and grade arrived. Most of the books are novels by prominent authors such as Gene Stratton Porter, Irving Bachelder, Emerson Hough and others.

Football Men Recover The football men who were nursing injuries last week seem to have recovered during the week-end, for none of them are limping about this week.

Basketball To Begin Soon Now that the football season is over for this year, the boys expect to begin basketball practice some time in the near future.

Static!!! The following definition of Suffrage was handed in by an English student: Suffrage is what the women suffered when the men would get drunk. This right is denied the get drunk. This right is denied the women.

Mr. Brigham: "Why do you leave that ancient car of yours parked in front of the school?"

Kenny Brocke: Well, if I leave it in the alley somebody might dump ashes in it."

Oh Those Freshies! Traveling Salesman: "Tell me, little man, have any big men been born in this town?"

Thomas Blevins: "No, only babies."

We know aguy in school Whonever studies Whonever cheats Whonever copies Whonever gets low grades Whonever borrows your books Oryourpaper

Oryourproblems Oryourpencil Whodoeshisworkcleanly Andneversleeps inclass Norkeepstheclasslaughing Bydumbbreaks Norwritesstuff You'veguesseedit He's the janitor.

Mrs. Kite: "Johnnie, I think it is unnecessary for you to write notes to Mildred as much as you are together."

Johnnie: "Well, why?" Mrs. Kite: "Well, I found a note in your pocket signed M. K."

Wayne W.: Do you eat in Biology?" Mr. Brigham: "No, why, what made you ask such a question?"

Wayne: "Well, I heard some of the kids say you had pickled Crayfish."

Mr. Carlson: "Elizabeth that young man you had in the parlor ought to be in the zoo."

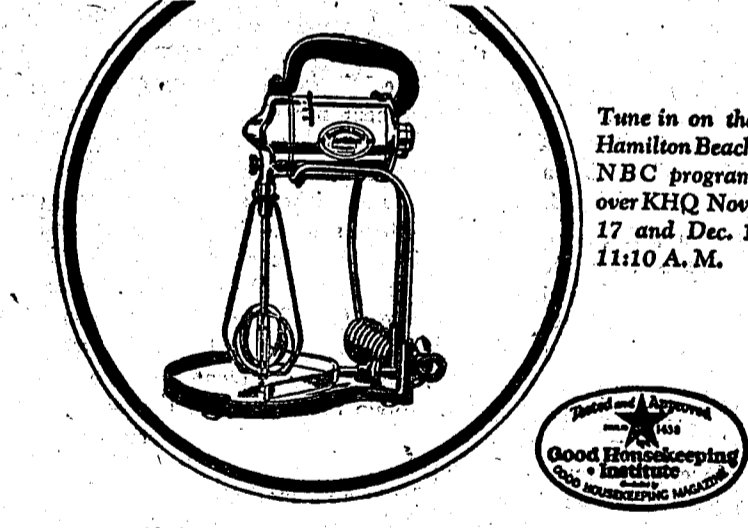

Elizabeth: "Father, what makes you say that?" Mr. Carlson: "Well, when I went past the parlor door last night, I saw two heads on one shoulder."

Was Some Storm The following "whopper" appeared in the Seattle Star the other day: Baron Munchausen opened his mail Wednesday at the Star office and ran into a letter that curled his white hair.

"I know a man who locked up his home over in Ballard and went to Reno. While he was gone, a freak storm came along and blew the roof off his house and whirled it aloft. The rain filled the house with five feet of water before the roof came down in its exact place again. The storm passed on.

"For three weeks the water soaked up sugar, raisins and hops in the house until the neighbors complained of the brewery smell. Dry agents broke down the door and two of them were drowned in the flood of wine that swept over them. When my friend got back from Reno, they arrested him for operating a winery and charged him with murder." Tie that one if you can.

Hamilton Beach Food Mixer

Time in on the Hamilton Beach NBC program over KHQ Nov. 17 and Dec. 1 11:10 A.M.

Reduced to \$16.95 95c Down—\$2 a Month

At last!—a food mixer that will even mash vegetables and chop nuts!—and for only \$16.95 (95c down and \$2 a month).

Tested and approved by Good Housekeeping Institute. Use it on the stand or by hand—easily cleaned—mixes around edge of any bowl—power enough for the heaviest cake batters and mashed potatoes.

Women would hardly believe it—manufacturers said it couldn't be done. But here it is—perfected by over two years of engineering development and kitchen testing. Don't fail to see this Hamilton Beach food mixer—and to own it at this reduced price.

### AMERICAN RIDGE NOTES

(Delayed)

Mrs. Carlton has moved to her old home on American Ridge.  
 Miss Mary Lou Cox is visiting her sister, Mrs. Stanley McDougall, at Kellogg, Idaho.  
 Mr. and Mrs. George Davidson, Marjorie, Billy and Betty visited in Spokane last week.  
 Mr. and Mrs. Harold Roberts returned Sunday from Clarkston with their new son, Leonard Neal.  
 Walter Nelson, nephew of the Benscoter brothers, visited on the ridge Monday.  
 Mrs. Margaret Hoffman, visiting school nurse, spent Friday of last week at the American Ridge school examining pupils in the forenoon and doing follow-up work with the mothers in the afternoon. This work was done through the cooperation of the school board and Miss Isobel MacDonald, teacher.  
 Mr. and Mrs. Kayler of Peck, visited relatives on the ridge Tuesday and drove on to Clarkston to visit Mr. and Mrs. Frank Benscoter.

### TEAKEAN NEWS

(Delayed)

The farmers are happy now. They have been wishing for rain so they could do the fall plowing. It has been raining for several days now and one morning the ground was white with snow, but it soon melted away.

Mrs. Lena Freund and family have moved to their home here for the winter.

Simon Baugh has come home from an elk hunting trip and is spending a few days up here. He says he got an elk and a deer.

Jas. West and family came up on Monday for a short visit with Mrs. West's parents, Mr. and Mrs. J. H. Butler.

Wm. Groseclose and sons have been busy making cedar posts and shakes.

Carroll Groseclose has been trapping owls. Up to date he has taken eleven from traps and Marion Groseclose shot two in the same neighborhood, making thirteen in all. Most of them were caught near J. H. Butler's chicken house. They were big fellows, all of them.

Elwood Brock left last week for his home in Montana.

There is an epidemic of mumps in the school. It has not been bad as yet but several children are out of school with them.

Read the ads—keep posted.

### CATALOGUE HOUSES DISCARD PET THEORIES

One by one the pet arguments of mail-order houses are being thrown overboard in their mad scramble for sales volume.

In the good old days, when the mammoth catalogue was depended upon for business, pages and pages were devoted to "panning" the middlemen, the excessive expenses of retail stores and the costly extension of credit by retailers.

Farmers were told that by patronizing the mail-order houses they could eliminate all of these excessive "profits of middlemen."

As the urge for volume increased, the mail-order houses opened many retail stores, in the operation of which they have no doubt learned some excellent lessons in merchandising. At any rate they now have little to say about the excessive profits or useless services of retail merchants.

Now comes a report that a large

mail-order house is experimenting with open credit in nine cities where it has retail units. If the plan proves successful, it will be extended to the company's other stores.

And here goes their last line of attack on retail merchants! The report states that "open credit may also be extended to a selected list of catalogue customers; without extra charge for the service; usual terms of payment by the tenth or the month."

With a few more experiments to their credit, the mail order houses will soon be able to qualify as "regular dealers." And as they grow in experience, they will probably refrain from throning stones at the middleman, who, they evidently are learning, renders a real service to his customers.—Farm Equipment Journal.

### The Galloping Gasoline Tax

A recent study by the National Industrial Conference Board indicates that increasing gasoline taxes have had the effect of checking the rate of increase in consumption of motor

fuel. In July of this year rates of four cents a gallon or more were in effect in 33 states. Twelve states had a five-cent tax, five a six cent tax and one a seven cent tax. Further tax boosts are planned in a number of states.

It is only recently that the public generally has rebelled against high gas tax rates. Gasoline has been very steadily going down in cost. This decrease has to a large degree absorbed the tax. But, as the Baltimore Sun points out, "When the turn comes and prices go up, a tax which runs in some states to approximately half the cost of gasoline, may force a curtailment in consumption and consequently in yield." In other words, a high tax may bring the state less revenue than a reasonable one.

No other "special" tax falls so heavily on the purchaser of a product. It is time to stop the galloping gas tax, before it gets out of all control.

Boost for Kendrick—your town and ours.

### WHEAT PRICES AT NEW HIGH POINT FOR CROP

No. 2 soft or western white was quoted at Los Angeles in bulk at \$1.32, No. 2 hard winter, ordinary protein, at \$1.32 to \$1.35 and No. 2 dark hard winter, 13 per cent or more protein at \$1.45 per 100. No. 2 western white from Washington and Oregon was quoted delivered San Francisco docks, sacked, at \$1.27 to \$1.30 and Big Bend bluestem No. 1 hard white at \$1.43 to \$1.45 per 100. Utah-Idaho No. 2 dark hard winter, 13 per cent protein was quoted at \$1.25 per 100 in bulk, delivered California points, and the same grade from Texas at \$1.28 to \$1.30 per 100.

Domestic cash wheat markets advanced sharply for all classes of wheat, but did not follow the full advance in future prices at some points. Mills and elevator interests were active buyers and took most of the offerings. Export inquiry improved and fair amounts of domestic wheat were included in the week's North American export sales, which were estimated at around 5,000,000 bushels. The progress and condition of winter wheat were good to excellent throughout the central and the eastern parts of the main belt, but in the more western sections rains are still needed, particularly in western Kansas, where germination and growth are both poor. Increased soil moisture was very beneficial in the southwest. The southeast, however, continued dry from central Arkansas eastward and from Southern Kentucky southward. The soil is dry and hard and seeding has been delayed.

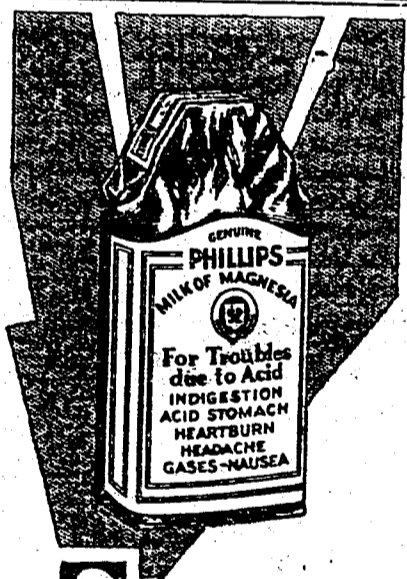

The advance in prices brought out increased shipments of winter wheat and receipts at the principal central and southwestern markets totaled 4,441 cars, which was slightly larger than those for the previous week and more than twice as large as a year ago. These increased offerings tended to reduce premiums for cash grain, but prices advanced 5c to 6c per bushel. At the close of the market Oct. 30, No. 2 hard winter, ordinary protein, was quoted at Kansas City at 50c to 52c, 12 per cent protein at 52c to 54c, 12½ per cent protein at 53c to 57c and 13 per cent at 57c to 60c. A car of 18 per cent protein, No. 2 dark hard winter, sold at 79c delivered Kansas City, which was the highest price to date on the crop. No. 2 hard winter, ordinary protein, was quoted at Omaha at 50c and No. 2 yellow hard winter, 12½ per cent protein at 54½c. The week's arrivals at Omaha contained quite a little yellow hard winter wheat. Arrivals were principally from Kansas

and Nebraska. Local and outside mills were readily absorbing the offerings at Denver, where prices strengthened materially in sympathy with advances in eastern points. No. 2 hard and No. 2 dark hard winter were quoted FOB Colorado shipping points at 42c to 51c per bushel. Mills were overbidding exporters, at Fort Worth and were offering 61¼ to 62c for No. 1 ordinary hard winter, delivered group 3 or Galveston rate points, 13 per cent protein was bringing ¾c premium and 1c additional premium was being bid for each additional ¼ per cent of protein above 13 per cent.

Soft winter wheat markets advanced 5c to 6c during the week, under an improved demand from mills and elevator interests. Country marketing increased slightly in the St. Louis territory, but decreased in the Cincinnati area. At the close of the market Oct. 30, No. 2 soft red winter wheat was bringing 55c to 56c at St. Louis, 52c to 53c at Kansas City, 58½c to 62¼c at Cincinnati and 57c to 58c at Chicago.

Cash prices did not follow the full advance in futures at Minneapolis and Duluth, since higher prices brought out increased offerings and mills reduced their premiums for cash grain. 1,086 cars were received at Minneapolis and 815 cars at Duluth. Of the week's inspections at Minneapolis 208 cars were winter wheat. The average protein of the cars tested by the Minnesota Grain Inspection Department was 14½ per cent. At the close of the market October 30, 12 per cent protein No. 1 dark northern was quoted at Minneapolis at 3c to 6c over the December, which advanced 7c, and closed at 61c. 13 per cent protein sold at 4c to 7c over and 14 per cent at 5c to 8c over and 15 per cent at 6c to 9c over the December price. The Duluth market was also about 7c higher, but demand was only fairly active, except for the choice protein offerings. No. 1 dark northern and No. 1 northern were quoted in that market Oct. 30 at 77c to 81c. Canadian markets were relatively firmer than domestic markets during most of the week. No. 1 Manitoba northern being quoted at Winnipeg Oct. 30 at 69c per bushel.

Domestic durum markets continued independently firm and the Duluth December futures advanced 9c, closing October 30 at 70c. Ordinary protein No. 1 and No. 2 amber durum was selling at Minneapolis on that date at 67c to 72c, while high protein lots sold at 85c to 95c per bushel. No. 1 amber was quoted at Duluth at 75c to 90c per bushel, No. 1 durum at 70c to 74c, No. 2 mixed at 65c to 84c and No. 2 red at 65c per bushel.

## SOUR STOMACH

JUST a tasteless dose of Phillips Milk of Magnesia in water. That is an alkali, effective, yet harmless. It has been the standard antacid for 50 years. One spoonful will neutralize at once many times its volume in acid. It is the right way to kill the excess acid. The stomach becomes sweet, the pain departs. You are happy again in five minutes.

But don't depend on crude methods, try the best way yet evolved in all the years of searching. That is Phillips Milk of Magnesia.

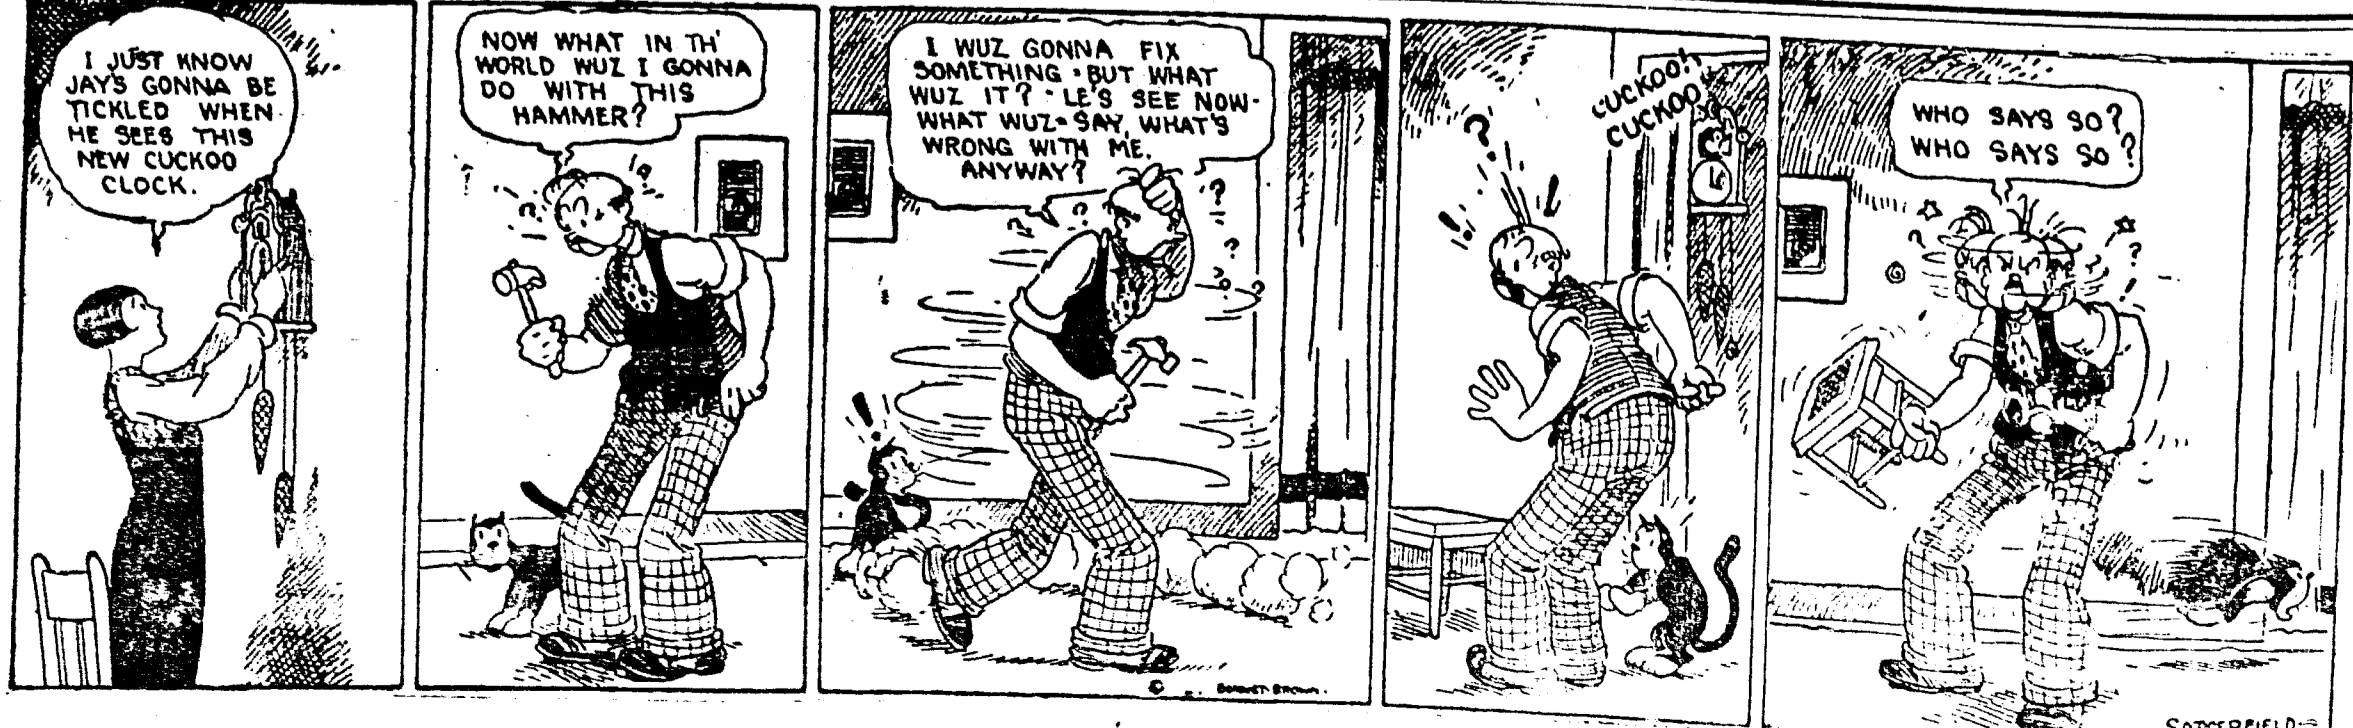

Be sure to get the genuine Phillips Milk of Magnesia, the kind that the physicians prescribe.

"Milk of Magnesia" has been the U. S. Registered Trade Mark of The Charles H. Phillips Chemical Company and its predecessor Charles H. Phillips since 1875.

**CRESCENT CLIPPINGS**

The Hallowe'en program was well attended Saturday night and everyone had an enjoyable time. After the program, games were played and a big lunch was served about midnight.  
Mrs. Axel Ekman visited Saturday with Miss Carrie Allen of Linden.  
Mrs. Rose Farrington visited with Mrs. Jake Berriman in Kendrick on Monday.  
Mr. and Mrs. C. L. Trail and son Warren were Lewiston visitors Friday. On the way home they stopped at Miss Steelsmith's school program. Miss Steelsmith teaches near Genesee this year.  
Stephen Lockhart missed several days of school last week and absence has also been absent this week. Both have been having tonsillitis.  
John Darby was a Lewiston visitor Monday.  
Mr. and Mrs. Stewart Wilson and sons spent Sunday at the George Lockhart home.  
Sunday visitors at the Rose Farrington home were the Bill Dorendorf and Anna Kimbley families.  
Mr. and Mrs. Claud Craig and Alva returned the last of the week from their hunting trip. They had their limit of both deer and elk.

**Five Burn In Plane**

Last Sunday, on the summit of the Cascades, near Snoqualmie Pass, an airplane carrying five passengers, four of whom had been on a weekend hunting trip, crashed and burned the occupants to death. All were from Seattle.

**Will Give Charity Card Party**

A charity card party will be given in the Fraternal Temple on Wednesday evening, November 11, by the Thimble club of the Neighbors of Woodcraft, commencing at 8:30 o'clock. Cards and lunch, 25c—at the door.

**LINDEN NEWS**

The Hallowe'en party given by Mr. Alexander and his pupils Friday evening was greatly enjoyed by a large crowd.  
Mrs. Sylvia Duke returned to her Clarkston home Tuesday after a week's visit with her daughter, Mrs. Louis Alexander.  
Mrs. Gertrude Pendland returned to Lewiston Saturday after spending a few days with her parents, Mr. and Mrs. J. H. Hunt.  
Mrs. Addison Alexander, Mrs. Dicks, Mr. Henning, Ray Alexander, Walter Curmir and Mrs. Millie Abrams of Kendrick spent the day Sunday with Miss Eva and George Smith.  
Mrs. Millie Abrams of Kendrick spent the week-end here.  
Mrs. Ray Cuddy and daughters spent Sunday with Mrs. Mattie Gardner.  
The neighbors spent a very delightful evening dancing at the home of Mr. and Mrs. Ed. Kent Saturday evening.  
Mrs. Dicks and cousin, Mr. Henning, who have been visiting at the Addison Alexander home left Tuesday for Clarkston, Washington.  
Mrs. McPhee spent the day Sunday with Mrs. Edgar Bohn.

**Hallowe'en Pranks**

The usual pranks by youngsters were perpetrated here Saturday night, but not a great deal of damage was done. Of course windows were soaped and paraffined, and some were smeared with paint, but on the whole not a great deal of damage was done, so far as we have been able to learn. However, there seems to be a few who just cannot refrain from doing something that borders on vandalism. For instance, there were several smears of paint put on parts of the schoolhouse, yard hedges were trampled down and other uncalled-for things that do not in the least savor of innocent fun, included in which list is the theft of the thermometer put up for public use by Deobald Brothers, the draining of gasoline from car tanks and several other thefts. No one objects to having their windows marked up, but they do object when real damage is done.  
It seems that some young vandal has a weakness for thermometers, having broken the public one at the Red Cross Pharmacy a short time ago and now the theft of the public one from the gas pump at Deobald's Garage. The Deobald boys ask that anyone knowing the whereabouts of this thermometer to please return it. No questions will be asked.

No matter what your printing needs may be, we can do it for you.

**TEAKEAN GOSSIP**

Owen Lehman of Orofino has been visiting friends here for a few days.  
Mrs. J. H. Butler went to Orofino the first of the week to spend a few days with her daughter, Mrs. Hazel West.  
Lots of Hallowe'en pranks were played Saturday night. Parties coming home from the dance on Freeman creek Sunday morning found the road blocked in several places. A good many windows were soaped, but that was alright, most of them needed washing anyway.  
H. L. Groseclose of Kendrick and Harry Sampson of Arrow were up this week looking after their cattle and took home a load of posts.  
Glen Willis was a caller at the Wm. Groseclose home Tuesday.  
Bruce Groseclose and his mother and Miss Ingram attended the S. S. convention at Kendrick last Saturday.  
The boys cut a couple more bee trees Monday. They got lots of honey.  
Cigars, Cigarettes, Tobaccos, Candy and Soft Drinks may be had at the new Raby Hotel. Good meals, too.

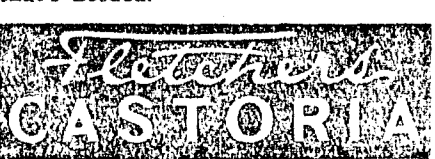

**Notice**

Notice is hereby given that I, George Pappas, will at the next regular meeting of the State Board of Pardons, to be held at the State House, Boise, Idaho, on the first Wednesday of January, 1932, make application for Pardon from that certain judgement of conviction of Attempt to Rape, made and entered in District Court of Idaho, in and for the County of Latah, on or about February 17th, 1931.  
Dated at Boise, Idaho, this 12th day of October, 1931.  
Signed,  
GEORGE PAPPAS.

### Restless CHILDREN

CHILDREN will fret, often for no apparent reason. But there's always Castoria as harmless as the recipe on the wrapper; mild and bland as it tastes. But its gentle action soothes a youngster more surely than a more powerful medicine.  
That's the beauty of this special children's remedy! It may be given the tiniest infant — as often as there is need. In cases of colic, diarrhea or similar disturbance, it is invaluable. A coated tongue calls for just a few drops to ward off constipation; so does any suggestion of bad breath. Whenever children don't eat well, don't rest well, or have any little upset—this pure vegetable preparation is usually all that's needed.

# RELIEF

from Headaches,  
Colds and Sore Throat  
Neuritis, Neuralgia

Don't be a chronic sufferer from headaches, or any other pain. There is hardly an ache or pain Bayer Aspirin tablets cannot relieve; and they are a great comfort to women who suffer periodically. They are always to be relied upon for breaking up colds.  
It may be only a simple headache, or it may be neuralgia or neuritis. Rheumatism, Lumbago, Bayer Aspirin is still the sensible thing to take. Just be certain it's Bayer you're taking; it does not hurt the heart. Get the genuine tablets, in this familiar package.

**Automobiles Collide**  
Automobiles driven by Cecil Harris of Southwick and Joe Fruchtel of Teakean collided on the highway near Southwick Monday. No one was hurt.

The Harris car was said to have been damaged in the sum of \$75 and the Fruchtel car about \$25. An amicable settlement was reached between the two parties concerned.

**Hunters Return**  
Clarence Morey and R. F. Brown returned Wednesday evening from a three weeks' hunting trip in the Lochsa country, hunting on Fish Butte. They brought out two fine deer of the black-tail variety and two exceptionally large elk. They report the game, both elk and deer, as very plentiful, and as to fish, they say all that was necessary was to drop the line and bait in the water and it was promptly charged by a large trout. They did the most of their fishing in Cove lake.

The checker at the ranger station reported that the horns on Mr. Brown's elk were the finest brought out this season to date. The teeth were also exceptionally large and fine, being perfectly formed and perfectly colored. Mr. Brown is having the head mounted. The horns have a spread of 38½ inches and are 42 inches in height, carrying six perfect points. The Gazette extends thanks to Mr. Brown for a nice piece of venison and elk.

**Many Beans Going Out**  
Quite a few beans have been cleaned at Kendrick and many truck loads have been taken to different points for sale.  
Marvin Long this week shipped two small cars of cleaned beans.

**Gone After Big Game**  
Dave Gentry and two companions (names not learned) left Monday morning for the timbered regions of the upper Clearwater, heading at the Bungalow. They were undecided just where they would do their hunting.

**New Community Pastor**  
Rev. Edward J. Smith of Spokane has moved his household goods from Spokane and he and his wife will soon be at home to the good people of Kendrick in the Methodist parsonage.  
While Rev. Smith is of the Methodist faith, yet he has accepted the appointment as pastor for both the Presbyterian and Methodist congregations, who will in the future worship together. This is as it should be and no doubt sufficient interest will be manifested to make the meetings both interesting and profitable.  
Rev. Smith is a minister of considerable experience and ability, he having held pastorates at Seattle and various other coast points of importance. For some time he had been in charge of a Washington Home Finding association at Spokane.  
The people of Kendrick will give him and his wife a cordial welcome and will no doubt do their best to make it pleasant for them.

**Streets Being Put In Condition**  
Considerable grading or leveling work has been done on the town's main street during the past few days, and the surface has been very materially aided as several rough places had developed.  
The street needs a new coating of gravel, but as yet gavel small enough for the purpose has been unobtainable, the highway district causing not turning out small enough road for the job.

**No More Picture Shows**  
The Kendrick picture show house has again closed its doors after attempting for the past few weeks to make the house pay expenses. Mr. Schupfer said that too many come attractions on show nights made it impossible to keep the house open. He further said that if they decided to run on Sunday nights it could be made to pay but that he felt the Sunday nights belonged to the church.

**Will Observe Armistice Day**  
Wednesday, November 11, Armistice day, both local banks will be closed all day, in commemoration of the event.
