First Real Snow of Season
 The first sure-enough snow of the winter season to fall in the canyon visited us last Sunday night and Monday, piling up about two and a half inches on the level. The snow was followed by rain and was soon made into water. The weather is mild and there are still many flowers blooming out-doors.

PERSONALS

Boyd Cook returned to his home at Lenore Tuesday after having spent a few days here with Mrs. Cook.

A. D. Hunter and Wesley Thomas were Kendrick visitors from Peck on Monday.

Peggy Moffet, Allen Zell and Virgil Post of Genesee visited the Thomas McDowell home Wednesday evening.

Archie May and Kirk Wilson left by auto Thursday morning for Spokane, where Mr. May will consult a specialist.

Prof. A. C. Abel and family of Pullman, Wash., were Sunday guests at the home of Mr. and Mrs. H. B. Thompson.

Archie May and Mrs. Kirk Wilson were called to Colfax Thursday of last week as witnesses in an auto accident case.

Mr. and Mrs. Silvie Cook went to Leland Sunday where they visited at the home of Mr. Cook's parents, Mr. and Mrs. Thomas Cook. They were accompanied by Lizzie Hoffman, who visited her home there.

Dr. and Mrs. O. J. Morehead came up from Lewiston Sunday for a short visit with Dr. and Mrs. D. A. Christensen and to say "Hello" to their many friends here.

LELAND NEWS ITEMS

Little Gerald Dammarrell, son of Mr. and Mrs. John Dammarrell, was taken to a Lewiston hospital Monday, critically ill with a ruptured appendix.

Mr. and Mrs. Turnbaugh were supper guests Wednesday of Mr. and Mrs. James Helton.

Wm. D. Brown Promoted

The following article, taken from the Ukiah (Cal.) Republic-Press, will be of interest to the friends of Mr. Brown as he is a former Kendrick boy and was born and raised here:

"Wm. D. Brown, formerly manager of the Liberty Theatre, Eureka, one of the Hughes-Franklin houses, has been transferred to Ukiah as manager of the State Theatre and has assumed his duties here. Mr. Brown, before going over to the Hughes-Franklin chain, was employed by George M. Mann, and is a most efficient theatre man.

"The corporation with which Mr. Brown is connected operates 307 theatres and the local manager has the distinction of being the youngest manager on the circuits."

Entertained at Dinner

Mr. and Mrs. E. E. Bechtel of Moscow and Mr. and Mrs. Bryan Deobald were Sunday dinner guests at the home of Mrs. Mary Deobald, on American ridge.

DISCRIMINATION AGAINST IDAHO PRODUCTS TO STOP

Discrimination in big marketing centers against Idaho products must stop! This is the attitude taken by the State Chamber of Commerce and the state department of agriculture, which are co-operating in a move designed not only to put an end to such discrimination but likewise to find additional markets for Idaho produce, it is revealed by the Idaho State Chamber of Commerce.

The move was initiated as a result of numerous complaints to the effect that potatoes from other states are being sold as "Idaho spuds" while fancy Gem state bakers go to the consumers under a false brand calculated to enhance the reputation of sections unable to produce tubers of such excellence. The complaints also assert that other Idaho produce is being similarly discriminated against.

Under the direction of the State Chamber and the Department of Agriculture a competent man with a full knowledge of Idaho products and marketing conditions and procedures will be sent to some of the larger marketing centers, such as Chicago, Omaha, St. Louis, Denver and Kansas City, to obtain first hand information and take any action necessary to protect Idaho produce from malicious and harmful misrepresentation. The man will be selected by the agricultural department and the expense of the investigation will be shared equally by the department and the state chamber.

Because of freight rate disadvantages, this protection of markets and price premiums gained by the superiority of Idaho products is regarded as one of the foremost essentials to the success of agriculture in this state.

The investigator will also study methods whereby Idaho's present markets may be expanded and improved in order that the surplus food products in the state can be advantageously disposed of. Under the recently improved market conditions it is believed that such a study will prove materially beneficial to Idaho farmers.

A Correction

In speaking of the wild morning-glory demonstrations in the write-up of the Commercial club meeting last week, the type made us say that the company guaranteed a "10 per cent kill" when it should have read, "the company guarantees a 100 per cent kill."

Mr. Bagent, the demonstrator, said some of the farmers were "kidding" him on the discrepancy between what he claimed and what was said in the paper, there being a 90 per cent variance.

Afternoon Bridge Club

The Afternoon Bridge club met last week with Mrs. W. L. McCreary. Mrs. Wade Keene won high honors. Refreshments were served after play. The next meeting of the club will be with Mrs. W. J. Carroll on December 3.

Parents of Son

Mr. and Mrs. Boyd Cook are the proud parents of a nine-pound son, born Saturday, November 15, at the home of Mrs. Cook's brother and wife, Mr. and Mrs. Oscar Raby. Mother and babe are said to be doing nicely.

BOWELS need watching

Let Dr. Caldwell help whenever your child is feverish or upset; or has caught cold.

His simple prescription will make that bilious, headachy, cross boy or girl comfortable, happy, well in just a few hours. It soon restores the bowels to healthy regularity. It helps "break-up" a cold by keeping the bowels free from all that sickening mucus waste.

You have a famous doctor's word for this laxative. Dr. Caldwell's record of having attended over 3500 births without the loss of one mother or baby is believed unique in American medical history.

Get a bottle of Dr. Caldwell's Syrup Pepsin from your drugstore and have it ready. Then you won't have to worry when any member of your family is headachy, bilious, gassy or constipated. Syrup Pepsin is good for all ages. It sweetens the bowels; increases appetite — makes digestion more complete.

Western Eggs Coming Into Own
Once unknown, socially, so to speak, on New York markets, far western hens now can cackle with the upper crust of the nation's egg layers, if they want.
A tabulation by states of eggs shipped to New York markets for the first nine months of 1931 gives them that right by revealing that the western product is apparently displacing offerings from other sections.
In that period, Idaho, Washington, Oregon, California and Utah shipped 1,814,000 cases to New York, compared with 1,315,000 cases for the same period in 1930. Western shippers predict that consignments for the last quarter of this year, however, will be smaller, because of the smaller hatch of pullets this spring.
Western hens are also improving the quality of their work. The tabulation reveals that western eggs have commanded 10 and 15 cents a dozen, premiums over eggs from the middle west, and are bringing prices that compare favorably with New Jersey and New York whites from aristocratic henneries.

Idaho Cows Free of T.B.
Idaho will be the first state west of the Mississippi river accredited by the United States department of agriculture as 100 per cent free from tuberculosis among its livestock, according to William A. Sullivan, federal inspector.
"Thirty-nine of the 44 counties of the state are now accredited and we are finishing tests in Ada and Bingham counties," Sullivan said. "On December 1 the test will start in Owyhee and Power counties for all livestock and in Oneida county for dairy cattle and statistics already gathered from these counties insure them in passing."

Gertje and son Roy and Mr. and Mrs. Otto Schoeffler.

Cameron School Notes
Visitors at the school last Friday afternoon were Arthur and Frank Schoeffler, former students, who are now attending school in Kamiah. We were very glad to have the boys call on us and renew acquaintances.
The recess and noon periods for the past two weeks have been devoted to rehearsing for the Thanksgiving program, the pupils working in groups, on individual parts of it. The pupils' spare time has been devoted to preparing costumes and making stage props. The program is different in nature than others given by the school recently in that it is closely related to school work. The theme of the program is that of Indian life and Pilgrim adventures as studied in history and language classes. All the costumes have been furnished and made by the pupils. This program will be given the evening of November 25 (Wednesday), starting promptly at 8 o'clock.
School will be dismissed on Thursday and Friday for the Thanksgiving vacation.
Some of the motions made and carried by the School Council (and other business acted upon) in the last few meetings are:
1. That the Commissioner of Playgrounds be removed from office because of improper conduct in office.
2. That school be dismissed at 3:10 during the short days, by having a half-hour noon and five-minute recess.
3. The resignation of Harry Wegner as Health Commissioner was accepted.
4. The election of Harry Wegner as Commissioner of Playgrounds.
5. The election of Selma Wegner as Health Commissioner.
6. That additional equipment be purchased for the rhyme band, after a test of some melody instruments have been made. These instruments, if satisfactory, will be purchased by the pupils and placed in the hands of the older students.

WHEAT MARKET LOWER
FEED GRAIN ALSO DOWN
California have been nearly double those of last season, totaling a little over 6,000,000 bushels. Exports to Europe were well below those of last season. At the close of the market November 13 Big Bend blue-stein hard white was quoted at Portland at 83½c, and all other classes at 68½c per bushel, sacked, basis No. 1. Bluestem hard white was quoted at Seattle at 83c, western white at 70c, western red at 71c and hard winter at 72c per bushel, sacked, basis No. 1. No. 1 dark northern spring from Montana, in bulk, was quoted at both Portland and Seattle at 95c per bushel.
Soft winter wheat prices turned weaker with the decline in futures and cash prices dropped 6c to 7c at the principal markets. Milling demand became more active at St. Louis as prices declined and cash premiums were increased. Country offerings however, remained relatively small and storage stocks were drawn upon to supply current requirements. No. 2 soft red winter was quoted in that market Nov. 13 at 63c per bushel. Mill demand slackened at Cincinnati as the market weakened and country offerings also increased. No. 2 soft red winter was quoted in that market at the close of the week at 60c to 63c per bushel.

"The Path Across The Hill"
Is the name of the play to be presented on —
FRIDAY EVENING, DECEMBER 4th
In The KENDRICK THEATRE
This play, a three act comedy drama was selected after the committee had examined a number of plays of merit and they feel sure "THE PATH ACROSS THE HILL" will equal, or surpass, the best of old time offerings sponsored by the Ladies Aid in the past. Practically the same Cast of Characters are rehearsing this splendid production, the proceeds of which will be for the benefit of the KENDRICK COMMUNITY CHURCH
The Committee feels sure this play is worthy of your loyal support.

Castoria
If baby has COLIC
A CRY in the night. Colic! No cause for alarm if Castoria is handy. This pure vegetable preparation brings quick comfort, and can never harm. It is the sensible thing when children are ailing. Whether it's the stomach, or the little bowels; colic or constipation; or diarrhea. When tiny tongues are coated, or the breath is bad. Whenever there's need of gentle regulation. Children love the taste of Castoria, and its mildness makes it safe for frequent use.
And a more liberal dose of Castoria is always better for growing children than strong medicine meant only for adult use.

Meeting of Dramatic Club

The Dramatic Club expects to hold a meeting Thursday night, Nov. 19. For the program members of the club are putting on three short plays. "Dot Entertains" will be given by Margaret Daugherty and Lovick Walbeck. "Aunt Lucindy Stays" will be presented by Ethel Cummings, Karl Emery, Josephine Davis and Robert Smith. Nona McAllister, Georgie Davidson, Bud Carlson and Harold Abrams will contribute "Beat It" to the program.

First Game

Although the Kendrick basketball squad exhibited a somewhat inferior brand of ball last Friday night, they were able to defeat the inexperienced Gifford five. They were extremely weak on cut-in shots, and it was with difficulty that they kept from com-

mitting numerous personal fouls. Although the game ended with a score of 44 to 9 in favor of Kendrick, Coach Brigham was disgusted with the behavior of his team. He observes many faults and difficulties which could be changed to virtues. In the future it will be essential for the team to work hard in order to produce a winning team, but with the material the coach has, he should be able to produce a team which will uphold Kendrick's former reputation of having a winning basketball team.

Athletes Reward

Membership of the Lettermen's Club of last year's lettermen was year's football men last Friday. Letters were awarded to those recommended by the coach. Mr. Brigham based his decisions upon candidate's apparent interest in the game and the regularity of his turn-outs.

As no letters were given last year, it was up to the school to award last year's men this year. Those receiving letters for last year were: Otto Herman, Edwin Mielke, Ernest Schwarz, Walter Koepp, Bob Fry, Ralph Blev-

ins, Bill Fry, Robert Smith, Jack Plummer, Kenneth Brocke and Karl Emery. Those awarded letters for this year were: Otto Herman, Ernest Schwarz, Karl Emery, Robert Ratliff, George Davidson, Edwin Mielke, Walter Koepp, Ralph Blevins, Donald Ratliff, Bill Fry, Bob Fry, and Morton Brigham.

Student Assembly

A student body meeting was held Friday at 12:15. It was for the purpose of making special announcements to the students. Mr. Brigham announced concerns concerning student tickets, vacation, etc. Otto Herman read the rules and regulations of the Lettermen's Club and the names of those that were to be punished for violation. There was an open discussion concerning the constitution of the Student body; a committee was appointed for the revision of the constitution.

Court of Justice

A rather unique Court of Justice, consisting of all the lettermen, met last week to decide the fate of several students who had violated the school rules. After the evidence was presented, the case argued, and a decision reached, the offenders found guilty were notified to report in front of the school building Friday night after school. A reception committee welcomed them effusively, and proceeded to line them up in a "stooped from the waist" position. Each letterman present went down the line and gave each offender one hearty "sock" with paddles constructed especially for the purpose. As there were about fifteen lettermen present the punishment had a rather warm aspect.

The Court of Justice will be called in subsequent sessions when necessity demands.

Mr. Brigham—Herbert, can you tell me of the uses of cowhides?
Herbert—Yes teacher, it keeps the cow together.

Miss Deagen—Now Morton, what are two straight lines side by side, spaced even?
Morton—Parking spaces.

Miss Newman—What's a dry dock?
William Holt—A physician who won't give out prescriptions.

Mrs. Jarvis—Who is the smartest man living?
John Jones—Thomas A. Edison. He invented the phonograph and the radio so people would stay up all night and use his electric light globes.

Too Much ACID

MANY people, two hours after eating, suffer indigestion as they call it. It is usually excess acid. Correct it with an alkali. The best way, the quick, harmless and efficient way, is Phillips Milk of Magnesia. It has remained for 50 years the standard with physicians. One spoonful in water neutralizes many times its volume in stomach acids, and at once. The symptoms disappear in five minutes.

You will never use crude methods when you know this better method. And you will never suffer from excess acid when you have out this easy relief. Get genuine Phillips Milk of Magnesia, the kind that physicians have prescribed for over 50 years in correcting excess acids. 25c and 50c a bottle—any drugstore.

"Milk of Magnesia" has been the U. S. Registered Trade Mark of The Charles H. Phillips Chemical Company and its predecessor Charles H. Phillips since 1875.
