THINGS GOING ON OUT SOUTH WICK WAY

Death of Axel Ekman

Axel Ekman was born in Pargas, Finland, August 7, 1878, and passed away at his home in Crescent, June 12 at 12:10 p. m. at the age of 53 years, 10 months and 5 days.

Mr. Ekman was united in marriage to Julia Blomquist, February 14, 1917, coming to the United States on August 7 of that same year.

Mr. and Mrs. Ekman located near Crescent on the Wells farm, where they resided until his death.

Mr. Ekman was a life-long and faithful member of the Swedish Lutheran church. He leaves to mourn their loss his wife, residing at home, one sister in Finland and a host of friends, who are deeply grieved by the loss of so kind and generous a neighbor.

Interment was made in the Southwick cemetery, June 13, at 2:00 o'clock, Rev. Ben Weatherby conducting the services.

We wish to thank all our kind friends and neighbors for their aid in our time of bereavement. Especially do we thank the musicians and the donors of the floral offerings.

Mrs. Julia Ekman.

Mr. and Mrs. Frank Lyons and two children attended services at the U. B. church Sunday and were dinner guests of Mr. and Mrs. J. E. Hoppe.

Rev. Weatherby and family were supper guests of the Ben Presnall family Tuesday evening.

Mr. and Mrs. Ray Guerretaz of Portland visited over-night at the home of her sister, Mrs. Glen Betts and family.

Mrs. Clarence Grant from North Bend, B. C., arrived last Thursday for visit with relatives. She is at the home of her sister, Mrs. Wilmer Hanks, getting acquainted with her new nephew, Carl Stanley.

Wm. Hadden left Monday for Orofino, as he has employment with the blister-rust.

Mrs. Cora Thornton and son Jay visited over-night at Howard Southwick's Sunday night.

Nels Longeteigs and Harl Whitingers went to Clarkston last Wednesday and got their strawberries.

Mr. and Mrs. Ray Triplett and children visited over-night Friday at Jap Triplett's.

Mrs. Geo. Hicks of Lewiston is visiting at the home of her brother, Geo. Jones and family.

Mr. and Mrs. Ned Rozelle came down from Spokane Tuesday to attend the funeral of her nephew, little Edward Hollie, infant son of Mr. and Mrs. Claud Kimes.

Mr. and Mrs. Marion McClelland visited over-night Monday at Wm. McClelland's.

The C. A. Betts family and Mr. and Mrs. Wm. Berreman spent the day Sunday at the Fred Hassinger home at Gifford.

Mr. and Mrs. Roy Southwick and Mr. and Mrs. Geo. Jones enjoyed dinner at Howard Southwick's Sunday.

Russell Baker left Tuesday for his work with the forestry service.

Mrs. Clara Bateman and children visited Sunday with Mrs. Harl Whitinger.

Glen Betts and Adella spent the day Sunday with Mrs. Frank LeBaron, while the men spent the day in Orofino.

Irene Martin visited from Thursday till Sunday with Lillian Grayson at Linden. Lillian came home with her Sunday.

Mr. and Mrs. Howard Southwick attended the funeral of little Stanley Thornton at Leland Wednesday afternoon.

Kendrick Picnic At Spokane

The Spokane residents from Kendrick are sponsoring a picnic of all folks who are living or have lived at Kendrick or vicinity, in Mantto Park, Spokane, Sunday, June 26.

You are asked to bring a picnic lunch and meet near the 18th avenue entrance in lower Manito, at 1 o'clock. Many old-timers will be there. Singing, contests and a good old-fashioned time will be enjoyed.

Bridge Club Entertains

The Afternoon Bridge club gave a 1 o'clock luncheon at the home of Mrs. R. I. Ramey Thursday afternoon in honor of Mrs. L. J. Herres and Mrs. W. S. Herres of Orofino and Mrs. E. H. Field of Genesee. Miss Eleanor Herres came over with her mother. Bridge was played during the afternoon.

Breadliners Driving Autos

Spokane county doesn't mind feeding its poor, Prosecutor C. W. Greenough said, but it does feel the indigent should leave his automobile at home when he comes for food.

An investigation revealed, the prosecutor said, that at least 150 persons making up the long line that forms at the county commissary daily, own automobiles, and somehow manage to buy gasoline to keep them running. Greenough suggested a thorough investigation be made all relief requests.

MAGPIE CONTEST GIVES BOYS REAL CASH MONEY

The Magpie contest came to a close and the grand finale was held Monday evening at 6:30 when the boys were the guests of the Kendrick Commercial club, at which time they were given the bounties earned and awarded the prizes donated by local merchants and Thatuna Chapter of the Izaak Walton League of Moscow.

Edgar Heath was first prize winner, drawing \$26.50 in bounties for his work. He was then given his pick of 11 prizes on the table and picked the \$5 bill donated by W. J. Carroll of the Farmers Bank.

Sherwin Schmidt was the second prize winner, drawing \$21.82 in bounties and picking a Winchester rifle donated by the Izaak Walton League, as his prize.

Lyons, Crocker and Bolon were third prize winners, drawing \$12.33 in cash bounties and picking a fishing pole donated by the Kendrick State Bank as their prize.

Reid, Reid, Blevins and Bartlett drew \$6.27 in bounties and picked a flashlight donated by the Kendrick Gazette as their prize.

Lawrence and Jimmy Kuykendall drew \$4.41 in bounties and picked a kodak donated by the Izaak Walton League.

Ramey and Hund drew \$3.43 in bounties and picked a watch donated by the Kendrick Hardware as their prize.

Chas. B. and Frank Candler drew \$3.30 in bounties and picked a baseball mit donated by the Carlson Hardware Co. as their prize.

Lawrence Wilson drew \$2.46 in bounties but was absent and did not claim his prize.

Sloan and Carlson drew \$1.69 in bounties and picked a Bradley sweater donated by N. B. Long & Sons as their prize.

James Albright got \$1.32 in cash but was absent and did not pick his prize.

Cecil Spekker drew \$1.10 in bounties but likewise was absent and failed to draw his prize.

Dick Reid drew 88c in cash, Adolph Denner 78c, Garth and Gerald Hill 61c, Roy Lee Thomas 47c, Stanley Murphy 7c and Roy Johnson 3c.

Lawrence Wilson, James Albright and Cecil Spekker still have their prizes coming and may obtain their money at the Kendrick State Bank and the prizes, too. The remaining prizes consist of a sack of Sperry's Drifted Snow Flour donated by Wm. Watts of Kendrick Rochdale Co., a pocket knife donated by the Barnum Lumber and Mill Co. and a fishing reel loaded with line donated by the Izaak Walton League of Moscow.

The contest records show a total of 5014 magpie eggs, 1022 magpie heads, 61 hawk eggs, 40 hawk heads, 11 crow eggs and 6 crow heads. The cash bounties totaled \$72.22, which were advanced in cash through the courtesy of the Kendrick State Bank. They in turn were reimbursed by the Izaak Walton League and they in turn by the State Game Department.

This annual magpie and predatory bird hunt has become an annual event in this section and it is impossible to estimate the number of game birds, song birds and little chickens that have been saved through the destruction of these useless birds.

Jess Robinson of the State Game Department, who was present at the banquet, stated that the boys need not quit hunting the birds, as the state would continue to pay the bounties and that they could obtain the necessary cash or credit at the store of any vender of hunting and fishing licenses.

Joneses Have Daughter

Mr. and Mrs. W. C. Jones are the proud parents of a 7½-pound daughter, born at St. Joseph's Hospital, Lewiston, Monday. The little lady has been named Virginia Joan. Mother and babe are said to be doing nicely.

WARNING ISSUED ON THE DEADLINESS OF RATTLESNAKES

Dr. D. A. Christensen gives us the following information on what to do if bitten by a rattlesnake.

First—Tie a tourniquet between the bite and the heart, better still, put on two, one just above the bite and the other higher up on arm or leg, and be sure they are tight.

Second—Make cross slashes through the bite—good, generous slashes—a quarter inch or more in depth, then suck the poison and blood from these slashes.

Third—Put tincture of iodine or crystals of potassium permanganate in the wound. This helps to neutralize the venom of the snake.

Fourth—Call a doctor as soon as possible.

The above steps must be taken immediately, as every second counts. In the first few minutes lies the matter of life and death. Use them to the best advantage.

Snake bite anti-toxin is effective if available, but because of the infrequency of bites, is not always obtainable on short notice.

Additional Warning—The old idea of giving alcohol as an antidote is useless, as is the idea of applying the half of a young chicken. Both do nothing but waste valuable time. Alcohol in large doses is a depressant, and adds only to the nervous system depression caused by the snake venom.

Rattlesnakes seem thicker this year than usual and extreme care must be taken at all times. Remember—"an ounce of prevention is worth a pound of cure," and is much less dangerous.

About Our New Taxes

A good many people are wondering just when they will have to begin paying the new taxes the government has tacked onto the already over-load. In order to relieve their mind the following partial list is given:

The revenue department has announced that the effective dates of the various revenue producing provisions of the revenue act of 1932 just passed would be, as follows:

Income tax act, January 1, 1932; additional estate taxes, June 6, 1932, after 5 p. m.; gift taxes, June 6, 1932, after 5 p. m.; manufacturer's excise taxes, June 21, 1932; miscellaneous taxes, June 21, 1932; use of boats, July 1, 1932.

The manufacturer, producer or importer of the following articles is required to make returns and pay taxes under the new act on the following products:

Lubricating oil, brewer's wort, grape concentrates, automobiles, candy, chewing gum, toilet preparations, furs, jewelry, radios, refrigerators, sporting goods, fire arms, cameras, matches, soft drinks, tires and tubes, and gasoline.

The bureau also announced that the following articles and services are also subject to the tax:

Telephone and telegraph messages, electric energy, bank checks, leases on safe deposit boxes, admission fees and transportation of oil by pipe lines.

Miss Edna Bolon A Bride

Miss Edna Grace Bolon, daughter of Mr. and Mrs. Ira Bolon of Kendrick and Walter Bowman, son of Mrs. Cora Fountain of Cave Gulch, Idaho, were quietly united in marriage at the Methodist parsonage, Lewiston, by Rev. Herald, pastor of the church, on Thursday, June 16. They were accompanied by Miss Bolon's parents. The young couple will make their home on Mr. Bowman's ranch on the Salmon river.

The bride was dressed in a white sports costume, while the groom was attired in a dark blue suit.

Miss Bolon graduated from the Kendrick high school with the class of 1931. She attended Gooding college this year, having returned home but a few days ago.

Mr. Bowman attended the Kendrick school for two years and also was a student at the University of Idaho.

The newly-weds have the very best wishes of their friends and all join in congratulations.

Timber Company Open Two Camps

The unemployment situation in central Idaho will be materially relieved about July 1 when Potlatch Forests, Inc., opens two camps in the Park section of Latah county and furnishes employment for about 250 idle men until about December.

This announcement was made by C. L. Billings, manager of the Clearwater unit of Potlatch Forests, Inc.

INTERESTING ITEMS FROM JULIAETTA

Many Attend Taber Service

Funeral services were held at the Methodist church Sunday afternoon for Mrs. Minnie Taber, 40, of Troy, who died Thursday at Moscow after a brief illness and operation. Funeral services were also held at Troy Sunday morning.

Mrs. Taber had many friends and relatives here and it was one of the largest funerals ever witnessed in this town.

The Rev. J. E. Dills of Spokane and Rev. Walbeck, Leland, conducted the services, with a mixed choir furnishing the music.

Interment was made at Juliaetta. Wm. Keeney, D. C. Helm, Cecil Roberts, Martin Frantzich, Oscar Nelson and Frank Nutt were the pallbearers.

Mrs. Taber was born April 22, 1892, in Virginia. She is survived by her husband, the Rev. L. E. Taber, and three children, Mrs. Mabel Brocke of Clarkston and Lorraine and Roy Taber at home, her parents, Mr. and Mrs. J. J. Groseclose, four brothers and a sister here and a sister in Seattle.

Rev. and Mrs. Taber were former residents of Kendrick, where Rev. Taber was pastor of the Methodist church and where they made a host of friends who will be sorry to learn of her passing.

Sewing Club Organized

A group of ladies gathered with Mrs. Ira Fix Wednesday afternoon of last week and organized a sewing club which they also named "The Fix Ridge Club." Officers were elected and a volunteer program given.

Delicious refreshments were served to the following: Mrs. Sam Tabor, Mrs. W. F. Heimgartner and children, Mrs. Ralph Richardson, Mrs. Caus Clark and children, Mrs. Weaden, Miss Martha Weaden, Miss Ada Candler, Mrs. Oliver Clark, Mrs. Ira Fix and daughter, Elsie, Macie, Arlie, Vera and Mary.

Mrs. Oliver Clark will entertain the club at Cold Springs Wednesday afternoon, June 22.

Leave For Forestry

A number of the young men here have left for the Clearwater country where they will be employed in the blister rust campaign and in regular forestry service work. They will be home from the first to the middle of September.

Lodges Observe Memorial

The Rebekah and Odd Fellow lodges observed their Memorial Day services in the Methodist church on Friday evening, the Rev. Edward Smith of Kendrick giving the address.

Arrives For Visit

Miss Amsel Greene arrived from Helena Sunday to visit her parents, Mr. and Mrs. T. O. Greene. Miss Greene is an instructor at the Helena, Montana, high school.

Julietta Personals

Mrs. E. P. Wilcoxon was a Moscow visitor Tuesday.

Fred Albright made a trip to Pullman Tuesday on business.

D. Scott, formerly a resident here, was a visitor in town Wednesday.

Mr. and Mrs. Andrew Vincent of Culesac spent Sunday here visiting relatives.

Miss Arta Groseclose spent the week-end at the home of her aunt, Mrs. Laura Groseclose.

Mrs. T. O. Greene left Friday for Pocatello where she will attend the Eastern Star Grand Lodge.

Mrs. Wm. Spray and daughter, Vanita Lou, returned home Friday from Walla Walla, where they have been visiting friends and relatives.

Mr. and Mrs. Dawald left last Thursday for Seattle to attend the University of Washington. They have been visiting at the home of Mrs. Dawald's parents, Mr. and Mrs. W. K. S. Gregory.

Large Strawberries

E. L. Kuykendall has been selling some of about the largest strawberries we have ever seen—and they have a real berry taste, too. On Friday of last week he brought to this office a box of regulation size that contained just an even dozen berries—and it was rounded up, at that. They were about as pretty a sight as one would care to see. We have forgotten the brand, but they were indeed large ones.

Train Almost a "Bobtail"

The Spokane-Lewiston train that went through Kendrick Tuesday afternoon contained only two cars, a combination mail and baggage and a passenger car. It isn't much larger now than the old "Genesee Bullet" that used to ply between Pullman and Genesee, but which has now discontinued until it is only an indifferent combination freight and passenger—which leaves Genesee at 6:30 in the morning and gets back when it can.

KENDRICK COMMERCIAL CLUB ELECTS OFFICERS

Another very interesting meeting of the Kendrick Commercial club was held in the basement of the Community church Monday evening. The first thing on the program was a splendid dinner, served cafeteria style by the ladies of the church, to 56 men and boys who had gathered for the meeting—the men to handle the business of the evening and the boys, who were contestants in the magpie contest, which closed Saturday evening, as guests of the club. The dinner was all that it should have been and the ladies were given a complimentary vote by the club for their splendid service and the excellent food prepared.

After the dinner hour Wayne Yenni favored the assemblage with a few violin solos, as did Robert Wegner with his accordian. Both boys were given a good hand for their entertainment, after which the meeting was turned over to the Fish and Game committee of the Commercial club and W. L. McCreary chairman of the committee, took charge.

There being three representatives of the game department present, they were called on to give sort talks; Jess Robinson of the state game department gave a short talk on the big game and fish of the state and what the department is doing to try and care for the game and propagate fish for the anglers of the state.

Walter Harris, deputy game warden for Nez Perce county and Harry Driscoll, deputy warden for Latah county were present and gave talks regarding their work and the condition of game birds in this district.

Clarence Jenks and Ernest E. Anderson, representatives of the Izaak Walton League at Moscow, were also present and gave short, but interesting talks on the fish and game situation in this county as it has come under their observation. All the above speakers complimented the boys who took part in the magpie contest for their splendid work.

There were 27 magpie contestants at the dinner and each was given his share of the bounty money in proportion to the number of eggs and heads he had brought in. (The details of the contest are given in another part of the paper).

After the contest boys had been taken care of and given their prizes there was more music by Wayne Yenni and Robert Wegner, which was very much appreciated, the work of the evening was again taken up.

The election of officers for the ensuing year was the next thing on the program. H. B. Thompson was chosen president; Marvin Long, vice-president; Wm. Watts, secretary and Wade Keene, treasurer, all by acclamation, and the meeting was turned over to the new officers. W. J. Carroll, retiring president and Geo. P. Barnum, retiring secretary, were given a vote of thanks by the club for their efficient services during the year just closed.

The report showed that the club had paid out in its various activities \$276.00 during the past year, this including taking care of transients and its other welfare movements, the Community Christmas tree, etc., which left the treasury depleted and a deficit of 67 cents. The first act of the new officers was to "balance the budget" and a collection was taken for that purpose.

The Commercial club of Kendrick has accomplished much good during the past year and its record is one to be proud of. It should be a pleasure and a privilege, as well as a duty, to be a member of this organization, which functions for the sole good of the community in which we live and for that of the surrounding territory. Let us hope that the ensuing year will be productive of even bigger and better things for the good of the community than it has been in the past. It is up to us as citizens to do this—and we can. We will.

See the home merchant first and get his prices.

WHEAT MARKET LOWER AS CROP PROSPECTS GOOD

Domestic wheat markets declined sharply during the week ending on June 10, influenced by weakness in Canadian and European markets, a further drop in values of securities and the continued lack of export outlet for United States grain, according to the weekly grain market review of the United States Bureau of Agricultural Economics. June 1 forecast, showing further deterioration in the domestic winter wheat crop since the first of May strengthened the market slightly toward the close of the week. Feed grains were mostly lower with wheat, but light receipts held corn prices fairly steady in the central and southwestern markets. Rye was only slightly lower, but flax continued weak with prices at new lows for the season.

With the exception of winter wheat in the U. S. conditions continued generally favorable for both winter and spring wheat crops in the principal producing areas of the northern hemisphere. The condition of winter wheat in the U. S. June 1 was only 64.7 per cent of normal compared with a 10-year average of 77.2 per cent. The June condition indicated an average yield of 12.7 bushels and a total winter wheat crop of only 410,669,000 bushels, or 48 per cent less than the record crop of 787,465,000 bushels in 1931. Of the indicated production, about 211,000,000 bushels is hard red winter, 152,000,000 bushels. The condition of spring wheat June 1 was reported at 84.5 per cent of normal, or about 2 per cent below the 10-year average condition of 86.6 per cent. Cool temperatures during April and May, accompanied by about normal rainfall, were beneficial to the spring crop and gave a strong, sturdy root system. The condition of durum wheat in the four principal producing states was 84.7 per cent compared with 72.4 per cent a year ago.

Pacific Coast markets were also sharply lower, with Portland futures at a new low point for the season. Declines at eastern points and continued lack of export outlet were largely responsible for the weakness in western markets. Lower prices restricted country marketings and receipts at Puget Sound and Columbia river terminals for the week totaled only 260 cars, compared with 1,186 cars for the corresponding period last year, when growers were delivering wheat prior to the discontinuance of stabilized prices. No export business in either wheat or flour was reported during the week since local wheat was about 3c per bushel over Canadian offerings. Total shipments of northwestern wheat through Puget Sound and Columbia river ports for the week totaled only 260 cars, compared with 1,186 cars for the corresponding period last year, when growers were delivering wheat prior to the discontinuance of stabilized prices. CHILD need REGULATING?

CASTORIA WILL DO IT!

When your child needs regulating, remember this: the organs of babies and children are delicate. Little bowels must be gently urged—never forced. That's why Castoria is used by so many doctors and mothers. It is specially made for children's ailments; contains no harsh, harmful drugs, no narcotics. You can safely give it to young infants for colic pains. Yet it is an equally effective regulator for older children. The next time your child has a little cold or fever, or a digestive upset, give him the help of Castoria, the children's own remedy. Genuine Castoria always has the name:

Obituary

Edward Holly Kime, infant son of Mr. and Mrs. C. J. Kime was born March, 1932, at Cavendish, Idaho, and passed away June 13, 1932, at Southwick, aged 2 months and 28 days. He leaves to mourn their loss his parents, two grandmothers and one grandfather, besides many other relatives.

Funeral services were held Tuesday afternoon at 2:00 o'clock from the United Brethren church at Southwick. Rev. Geo. F. Calvert officiating. Interment was made in the Southwick cemetery.

Card of Thanks

We wish to thank our many kind friends and neighbors who so faithfully assisted us during the sickness and death of our beloved baby. Also for the beautiful floral offerings.

Mr. and Mrs. C. J. Kime,
Mrs. Flora Kime,
Mr. and Mrs. Dolph Shoemaker and Family.

Quenton King returned to his home in Seattle Monday after spending a month at the T. C. King home.

Mitch Blackburn left Monday for Blister Rust Camp No. 4 near the Musselshell, where he will be employed for the summer.

Claude Pippingier received the contract for building the bridges and stock shoots on the new highway between Ahsahka and Cavendish.

Mr. and Mrs. S. A. Sutton moved onto the Clay place Saturday. They purchased it last winter. They have built a new chicken house and have hauled the timbers for the framework of a house, which they will build sometime in the near future.

Orofino visitors Monday were Jess Daniels, Roy LeBaron and Charlie Pletcher.

Mrs. Orville Choate and Mrs. Joe Choate spent Monday at the home of Mrs. Geo. Wells.

Bernard Reece had the misfortune to run a nail in his foot one day last week. He is unable to walk on the injured member.

Cavendish is having a picnic and celebration the Fourth of July in the park.

The infant son of Mr. and Mrs. Claude Kimes died Monday afternoon in Southwick, as they were taking him to the doctor. Funeral services were held Tuesday in the U. B. church at Southwick.

Mrs. Hoff of Yakima arrived Monday for a visit with her boys and parents, Mr. and Mrs. Cousineau.

Return From Gold Hunt

Harley Perryman and Wait Sparber returned Sunday from a several days' trip to the wilds of the Salmon river, where they had been in search of gold. They are said to have found some of the yellow metal and are going to build a machine similar to the one constructed by Harold Thomas, and will then return and start operations in earnest.

There is said to be plenty of "gold in them thar hills."

Grand Master Visits

A special meeting of the Odd Fellows lodge was held last Friday night when Grand Master Sam Blaine of Boise was in attendance. He gave a splendid talk during the session, which was much enjoyed. C. B. Hinkle, Tom Lukens and T. Morrison of Lewiston were also in attendance, as were representatives from the Juliaetta and Leland lodges.

Light refreshments were served at 11 o'clock.

A Correction

We stated last week in our personal column that Mrs. Susan Pemberton had accompanied Mr. and Mrs. Raby to Pocatello, when in fact the name should have been Mrs. Susan Needham of Lewiston.

We also stated that Miss Rilla Davidson had accompanied Mr. and Mrs. Watts to Spokane on Saturday. Well, she didn't. We were just misinformed.

Republicans For Re-submission
The party platform, including the prohibition submission plank, was adopted by acclamation by the republican convention Thursday morning after the repeal substitute had been voted down. The convention adjourned at 1:17 a. m. until 11 a. m.

In the most sensational political conflict over prohibition since it took effect 12 years ago, the republican convention early this morning shouted "No" to submission of a repeal amendment.

After more than an hours' sharp debate, it accepted the report of the resolutions committee under which the ticket to be named later Thursday will go to the country with recommendations that the people be allowed to vote on a proposition to modify the national dry laws.

Stirring scenes preceded and fol-

lowed the decision, reached at 1:13 a. m.

It is a foregone conclusion that President Hoover will be renominated, but the selection of a candidate for vice-president was yet to be made. Charles G. Dawes positively refusing to consider being a candidate.

Drives Car Into Clearwater River

Hayes Coleman, 35, butcher for the Orofino Mercantile company, drove his car off the Lewis and Clark highway, 18 miles below Orofino bridge, into the Clearwater river, dropping into 15 feet of water, at 5 a. m., Sunday.

Coleman was seen by campers to rise to the surface for a minute then sink. Two motorboats were used in dragging the river, but to date neither car nor body have been found.

Child Dies From Snake Bite
Perhaps one of the saddest deaths that has occurred in Kendrick for a long time was that of little Stanley Thornton, two-year-old son of Mr. and Mrs. Wm. Thornton, living in the Red Rock canyon district, about half-way between Leland and Southwick, which occurred Monday evening at 10 o'clock.
The little fellow was bitten by a rattlesnake at about 8:30 o'clock on Monday morning while out in their garden. Dr. Christensen was summoned and everything was done for the little sufferer that was possible. He was brought to Kendrick, but his condition grew gradually worse. Anti-venom serum was secured in the evening, but the little one failed to rally and passed away at 10 o'clock Monday evening. The serum was secured by Herman Schupfer from the Washington Water Power company, which keeps a supply on hand at both Lewiston and Colfax.
He is survived by his father and mother and one brother, Howard James, besides numerous other relatives.

We wish to thank our many friends and neighbors who helped us in our hour of bereavement. Especially do we thank those for the beautiful floral offerings and cars for family use.

Attended Convention
Jesse Hoffman, state representative from Nez Perce county, was in attendance at the republican convention which convened at Boise June 10. He stated that it was a very harmonious affair; that the platform adopted was not of the usual cut-and-dried product, but was actually formulated by the platform committee of the convention.

Practically every worth-while suggestion brought before the convention was incorporated in the platform.

No prohibition plank was presented to the resolutions committee and the question was not raised on the floor of the convention, where the platform was submitted by the committee and adopted on a unanimous roll call vote.

Emphatic declarations for economy in state government, a demand for a continuance of the audit of the state school endowment fund and for an examination of the state insurance fund by a competent actuary, and a call for restoration of silver to its former status of monetary value were other platform planks adopted.

Will Make Trip To East
Mr. and Mrs. B. F. Nesbit will leave today (Friday) for an extended visit with relatives in Indiana, Pennsylvania. They will also visit at other points in that state and in the Dakotas. The Red Cross Pharmacy will be in charge of John Owd from Orofino, a registered pharmacist.
Mr. and Mrs. Nesbit expect to be gone a month or more.

Will Teach at Uniontown
W. C. Jones, for two years superintendent of the Kendrick school, has been employed to teach at Uniontown, Wash., for the coming school year.
