Kendrick Defeats Culdesac
Kendrick defeated Culdesac by a score of 23-18 at Culdesac Friday, January 27. This is the first defeat Culdesac has suffered so far this season and the boys are justly proud of their victory. The game was a hard fought one from start to finish. Long was high for Kendrick with a score of 12. Williams was high for

Culdesac with 9. A large crowd attended the game. The lineup was as follows:

Kendrick 23	Culdesac 18
Emery 2	F 0 McCracken
Long 12	F 0 Rogers
Ramey 0	F 0 Monroe
Koopp 2	C 3 Coon
Blevins 7	G 6 Zumwalt
Brocke 0	G 9 Williams
	S 0 Pier
	S 0 Blewett

Referee—Pier, Culdesac.

Girls Defeat Clarkston
The Kendrick girls won their second game from Clarkston by a score of 30-31 last Friday, January 27. The game was played in the local gym with an unusually large crowd in attendance. It was very fast and hard fought, with the local girls holding a

Kendrick to Play Southwick
Kendrick will play their second game with Southwick at Southwick on February 3. Fans remember the close game between the two teams earlier in the season and a bitter conflict is predicted. Either Oud of Orofino or Lyle of Peck will referee the contest.

Pep Band
The orchestra and glee clubs are practicing diligently on pep songs to be presented at the coming basketball games. With Miss Newman as the newly elected pep critic, the school is putting forth extra effort to make the rooting section more lively as well as entertaining for the spectators.

Addresses Physical Geography Class
Wyckliffe R. Smith of Southwick delivered to the Physical Geography class a talk on astronomy of Mars as compared to the earth. Mr. Smith stated that the land and water are almost equally divided on Mars and that they have a shortage of water for their crops. "The way they get around this drawback," said Mr. Smith, "is to dig canals to ice in the north and south poles, through which the water flows to the equator and other places where water is needed." Mr. Smith compared the planets in size, density, amount of gravity and distance from the sun. The address was much enjoyed by members of the class and was a fitting way in which to close the course, which had dealt lightly with astronomy.

Boys' Glee Club
The boys' glee club is practicing on "Bells of the Sea," "Song of the Hoards," "Song of the Open Road," and "The Gay Trubador." The glee club will sing at the next meeting of the Parent-Teachers Association.

Grades
The first and second grades will begin their spelling lessons in a few days.

The third grade mid-year spelling class had six students, with grades ranging from 93 to 100, inclusively.

The fourth grade mid-year review spelling class had eleven students with grades ranging from 92 to 100.

The following pupils of the third grade have been neither tardy nor absent the past month: Madeline Bair, Marie Baker, Marjorie Baker, Betty Boyd, Annabel Deobald, Wilson Bolon, Stanley Kuykendall, Dale Miller and Dick Reid.

Mrs. Carlson is teaching the fifth and sixth grades in place of Miss Ferguson, who has been ill for the last week.
