THE BEST SELLER FOR 18 YEARS

When an overwhelming plurality of the public year after year singles out one make of tire as the highest representative of value and merit, we think that is tremendously important.

1933 is the 18th successive year that the Goodyear All-Weather has outsold any other tire at any price. When you need tires, see us.

DIGEST AND EXPLANATION OF FARM RELIEF PLAN

cost of living.

The basic products to which the Act applies are: wheat, cotton, corn, tobacco, rice, hogs, cattle, sheep, and milk and its products. In practically all cases these products are now selling at retail far below the cost of other items of food and the prices of goods and services which consumers buy. The Bill specifically states that the Act is not to be so administered as to advance the retail price of the products affected out of line with the price of other products.

The President may terminate the measure whenever he finds that the existing emergency in relation to agriculture has been ended.

Dinner is over and the race is on — the **GREAT DAILY SWEEPSTAKES** for the only lamp in the living room!

It's a great race — they're neck and neck at the corner of the dining room — Johnny is forging ahead. Now they're on the stretch — but here comes Pa, a great sprinter, and — Pa wins by a nose! A great race, a great night!

Why can't there be enough light for everyone to read by — to eliminate those crows-feet at the eyes, caused by squinting at a newspaper or a magazine with a 40 watt light 12 feet away? Good moonlight is better than that.

The average family can have ample lighting for only 4 cents a day — cheerful illumination. Isn't it worth that much?

Southwick School Notes
(Delayed)

A report received from Mr. Soulen, state high school inspector, a short time ago informs us that the work of this high school will be accredited for the coming year.

Tuesday afternoon of last week there was a general clean-up in the high school. Among the other worthwhile tasks accomplished was the re-furnishing of all desks and tables in the high school. After this had been done they were all varnished. This work improves the looks of the equipment in the high school department a great deal.

Work has been started on the Senior class play, which will be given in the latter part of April, under the direction of Mrs. Lyle. The play is "Kid Colby," a three-act comedy and the characters are: Rollin Armitage, Warner Ziemann, Frank Triplett, Edythe Bateman, Stewart Smith, Ralph King, Dorothy Miller, Pearl McIver, Naomi Armitage, Maxine Phillips, Elaine Lettenmaier and Wayne Pippinger.

Dorothy Miller has been confined to her home with sickness during the week. We all wish for her speedy recovery.

A party was given in the gymnasium Friday evening for the intermediate room, with Mr. Cook as the chaperone. An excellent time was reported by all the young people who were present.

President Given Much Power

In brief, the emergency economy bill gives President Roosevelt authority to readjust the amount of benefits received by veterans, limiting them largely to service-connected disability. Empowers the chief executive to lower the compensation of government employes in conformity to the ratio by which the cost of living has dropped since 1928, provided it not exceed 15 per cent.

Monthly pensions for disability shall range from \$6 to \$275 a month and for death from \$12 to \$75. The president may determine within these limits how much pension the veterans and their dependents may receive.

A new survey will be made of grants to veterans of the Spanish-American war and since to determine whether they should be continued. The salary cut applies among others to military personnel, the vice-president, speaker, senators and representatives.

Athletic Work Starts

Most of the athletic period is now devoted to track practice. Coach Dald says as soon as the weather warms up there will be a work-out for track in preparation for the district meet held in Moscow.

The state meet is also held at Moscow this year. Those who enter the state meet are the ones who get first or second places in the district meet.

New equipment is being made by the manual training class. A vaulting pole has been ordered and should arrive soon.

Senior Play Progressing

Practice has begun in earnest on the Senior play, "Tea Toper Tavern." Two rehearsals have been held during the week and the first act is rapidly taking shape. A date for the performance has not yet been definitely set.

Junior Play Taking Shape

The Junior play is progressing rapidly. Practice has begun on the second act and the cast expects to begin on the third act in another week. The date of the play has been set for April 7.

Dancing Club To Organize

Miss Newman is planning on starting a dancing class soon, in which all the various steps will be taught. This is being done in order to get all the students in readiness for the Junior Prom, which is scheduled for later in the year. Members of the club held a meeting Tuesday evening.

Glee Club Meets

There has been a meeting of both boys' and girls' executive committees in Glee club and the musical program outlined for the near future is well under way. There will be many old and new songs as well as quartets, sextettes and similar selections.

Domestic Science Class Exhibits

The Domestic Science sewing class exhibited their work of the past year at the Parent-Teachers meeting Monday evening. The many garments displayed the skill in needlework developed during the year.

Typing Class Hard At Work

The Typing I class has completed a great deal of paragraph work and is now beginning on business letters. All are working hard to get these necessary credits before the end of the semester.

Grade School News

The girls of the second grade are starting embroidery and the boys are making rag rugs.

The first graders are starting phonics note books this week.

The seventh and eighth graders are working hard, preparing for the examinations that will be given April 24-28. Failing students will have another chance to take the examinations in May.

Editorial

During the last two years there has been considerable discussion and disagreement on the topic of athletics in the High School.

At the time when the first so-called Student Body was organized no provision was made whatever about girls' athletics, it being the custom at that time, no doubt, to enter only boys' teams in inter-scholastic athletic contests. At the present the High school students of both sexes have expressed a lively interest in athletics and it has been necessary to meet the newer demands accordingly. The chief item in question, of course, was the apportioning of the funds between the two teams. A spirit of discord had grown so strong that at the first of the year it was deemed necessary to make a definite settlement on the issue. Accordingly we have organized what we recognize as the Finance Committee. It is composed of two boys, two girls and the principle. The duty of the council is to adjust the expenditures, and at the present this is very efficiently and satisfactorily carried out.

A question has arisen as to the importance of athletic training for the High school students. Apparently some consider it useless, a waste of money, and a poor policy to follow in our present step toward economies. Almost everyone understands the vital importance of health. The career of the student, his happiness and success, are directly influenced and governed to a large extent by what we call health.

In this fact lies the justification for

athletics. Each student has an opportunity to acquire at least an hour of exercise each day. Track, baseball, football and basketball are open to all boys. Basketball is open to all girls, and coaches are hired to conduct this physical exercise properly.

K. H. S. is to be complimented on the efficiency of the athletic policy adopted this season. Every boy and girl in school has had an opportunity to take part in this training and many have taken advantage of it. An athletic program for both boys and girls has been planned for the rest of the year and this program will be strictly carried out.

Co-Eds To Model University of Idaho co-eds will model spring styles at a Mortar Board benefit show to be held in the Memorial gymnasium in Moscow at 8:20 o'clock Friday night, March 24. The dress shown above is one of a popular 1933 group.

Parents of Son

Announcement has been made of the arrival of a son, born to Rev. and Mrs. C. R. Groth, at the Deaconess hospital, Spokane, on Monday, March 20. Rev. and Mrs. Groth were residents of Kendrick some two years ago, when Rev. Groth was pastor of the Methodist church. They are now located at Farmington, Wash.

MORE LIGHT and BETTER LIGHT

\$5.95 for a **GENUINE Coleman LAMP**

Now it's more economical to have and to enjoy good light... the clear, steady brilliance of a Coleman... than to be without it. For only \$5.95 you can get a genuine Coleman Reading Lamp that produces 300 candlepower of soft, natural light.

PAYS FOR ITSELF IN SAVINGS!

You can use your Coleman for a year and save from \$5.00 to \$7.00 over the cost of using an old-style coal-oil lamp. In the meantime you are protecting your eyesight and keeping young and strong the vision of your children.

5 TO 20 TIMES MORE LIGHT!

The Coleman gives 5 to 20 times more light than any kerosene lamp. Fuel cost is only about 1/4 a night for the finest light. A safe, dependable lamp... can't spill fuel even if tipped over... no "crawling" flame. It's a clean lamp... no soot or smoke. Makes and burns its own gas from regular, untreated motor gasoline.

Save money; use a Coleman.

It Busted!

A negro rushed into a bank, a check in hand. Just as he reached the paying teller's window, it closed with a bang, the teller announcing: "Bank closed. Busted."

The negro said, "Boss, does 'at mean I can't cash this check?"

"Sure does," said the cashier. "Haven't you heard of banks failin'?"

"Yassuh," said the negro, "but this is the first time one ever blew up right in mah face!"

CRESCENT CLIPPINGS

Mr. and Mrs. Bill Dorendorf moved up to the Mike Forest home the last of the week and will be there while Bill is ill. Doctor Christensen called on him Sunday and again Tuesday. We hope he takes a turn for the better soon.

Mrs. Edna Miller is visiting with her sister, Mrs. Rose Farrington.

Dr. Christensen was called Sunday to attend Mrs. Winfred Grantham. She is improving rapidly.

The snow which has been leaving in a hurry for some days was discouraged by another snowstorm.

Bertha Loeser, who has been staying at the Bert Kloster home, returned home Saturday.

John Darby, Charlie Trail and Bert Kloster took a herd of cattle down to Arrow Saturday to pasture them for a time.

Burton Forest and Walter Dorendorf took some of their cattle over on the breaks near Linden Saturday.

Mrs. Dick Winegardner and children and Mr. and Mrs. Darwin Tarry visited at the John Darby home Sunday.

Mrs. C. E. Harris and children visited Sunday with Mrs. Rose Farrington and children.

Some of the neighbors have been staying with Mrs. Grantham during school hours, since her illness.

Mrs. Frank Souders visited with Mrs. A. Dorendorf Monday.

Several school children have missed a day or two lately with a rather "croupy-cold."

Mr. and Mrs. Harry Wright called at the Forest and Grantham homes Sunday.

TEAKEAN GOSSIP

The snow is melting fast now. The water is raising in the road in the low places. We are expecting to have some "bridge" parties real soon.

Mrs. J. H. Butler was a Kendrick visitor last week from Wednesday until Friday.

Fred Sansome was a Lewiston visitor a couple of days last week.

Mr. and Mrs. L. Clanin and Mr. and Mrs. Merton Preussler and Elberteen Martin were the dinner guests of Mrs. Carrie Herring and family Sunday.

Elwood Brock has been cutting wood on the school section. He goes to and fro on snowshoes.

Jay Thornton is spending a few days at the Claude Browning home.

A crowd of about 30 gathered at the Ed. Choate home Sunday and helped Ed. and Mrs. Asa Choate celebrate their birthdays. Those present were Mr. and Mrs. Asa Choate and children, Mr. and Mrs. Joe Choate and son, Mr. and Mrs. Orval Choate and children, Mr. and Mrs. Cecil Choate and son, Mr. and Mrs. Elwood Brock, Mr. and Mrs. Edgar Weakley and son, Miss Irene Martin and Miss Jewell Choate.

Mrs. Cole of Spokane is visiting with her mother, Mrs. Van Airsdrath.

Don Roberts and little son of North Fork were over-night guests of Claud Browning last week. They bought some hay from the L. Samuels place.

Guss Harless spent ten days near Orofino at his daughter's home, helping build a brooder house.

There was a quilting bee at the Huffman home last Saturday and even the men were invited but they only helped at dinner time.

J. H. Butler has traded his farm here to Ike Morgan of Juliaetta for his place there. The two parties will be moving to their new homes soon.

Moratorium On News, Too

There seems to be a "moratorium" on news of all kinds this week, as well as on the banks. Local news seems to be unusually scarce, as does the country correspondence. However, we know our correspondents are busy with their farm work—and it is really encouraging to know that someone has work to do.

The first man to quit work is usually the last one to be promoted.

166 New Laws For Idaho

There are 166 new laws on the Idaho statute books this week, the net result of Gov. C. Ben Ross' favorable action on the bills passed by the recent 22d legislative session.

These laws represent what survived the fire of the legislature and the governor's veto power out of a total of 470 bills introduced, 130 by the senate and 340 by the house. They range in subject matter from granting the governor widespread authority to declare banking moratorium to a measure forbidding the sale of peyote, a Mexican drug.

Except for those measures which carried emergency clauses, all of the new laws will become effective 60 days after the governor's signature, the last on May 14.

Car Too Long, Anyway
Fair Motorist---Oh, I'm dreadfully sorry I stopped so suddenly without warning you. I'm afraid I've tele-

scoped your radiator and hood.
Second Motorist---That's perfectly all right, I'm sure. My car was too long anyway.
