Reduction in City Lights

The matter of raising sufficient funds for the operation of the Village government and at the same time endeavoring to reduce taxes, W. J. Carroll, chairman of the board, has been advocating the reduction in the light expense of the Village for some time. It having been decided early in the year to defer this matter until early spring. Last evening (Wednesday) the chairman and some members of the board made a survey and it was decided that an experiment would be tried out, beginning Saturday evening, that the new schedule might be tested before the meeting of the council on Tuesday, April 4. That the tax payers may have some idea of what is being done, in years past the monthly light bill was approximately \$86 per month, or a total of better than \$1,000 per year, which is almost half of the taxes received. Last fall a reduction was made by eliminating a few lights on Main street. This cut the monthly payment for lights to approximately \$66 a month, or about \$800 a year. Under the new schedule it will cut the light bill to \$35 or \$40 per month, or a saving of over 50 per cent on the light expenses for the town. The approximate assessment roll in Village valuation is \$160,000, which on a 15 mill levy, brings in \$2400 in taxes. However, there are some delinquencies, which at an estimated 10 per cent, leaves about \$2240 for running expenses. Last year a reduction of 2 mills was made in the levy. It is anticipated that by a reduction in lights, another in the levy can be made this year of from 3 to 5 mills. The Village has had the past two years a special street levy, which amount is being accumulated, anticipating that at some time in the near future, it is going to be necessary to do some street repairing, regrading and resurfacing and other improvements, and with this special fund, when the time arrives, there will be sufficient money on hand to pay for the work, saving the possibility of having to vote a bond issue or incur indebtedness to the city at that time.

It is the duty of every citizen to note carefully the change in the lighting for the few days and be prepared to give his or her ideas to the council on Tuesday. The council is endeavoring to be impartial in the matter and is trying the experiment only for the reason of trying to reduce taxes. Therefore it is up to you. Do you want your taxes reduced or do you want the lights? Let the council have your views on the subject.

Gold Turned In at Postoffice
Nearly \$1,000 in gold was turned in at the postoffice in answer to the demand of President Roosevelt that all gold be exchanged for currency or silver, and owing to the fact that the bank holiday interfered to some extent in the exchange, the postoffice was used instead. All of the exchanges were in small amounts, but the total indicates that much of the precious yellow metal was withdrawn from circulation throughout the country. It all adds to the return of prosperity.

Gave Dinner Party
Mr. and Mrs. Albert Wegner of Southwick gave a dinner party Sunday in honor of Mr. and Mrs. Leonard Ringe, who were married at Asotin, Wash., on Wednesday of last week. Mr. and Mrs. Allen Sather of Genesee, Mrs. W. B. Deobald and children and Mr. and Mrs. Roy Bohn were guests. Mrs. Ringe will be remembered here as Miss Emma Lou Wegner. The fellow who gets ahead is generally the fellow who helps others get ahead.

Senior Class Holds Meeting
A Senior class meeting was held on Friday, March 24, in which important business relating to commencement activities was transacted. The type of announcement to be ordered was selected after considerable discussion, and the class voted to place the order through the Kendrick Gazette. A committee was appointed by the president, Mary Johnson, to collect the money, determine the total number of announcements needed, and place the order. A committee was also appointed to determine the class motto. The class colors were selected as blue and silver, these to be used in printing the announcements and another committee was appointed to average the grades of the students of the class to determine who would be the valedictorian and salutatorian.

Athletics Being Planned
During the past week Coach Dawald has been working out a schedule for athletics. Track will be the main type of athletics to be taken up and will be the principal interest of the spring season. Students, however, who wish to practice baseball, may do so.

Students Making Civics Notebooks
The students of the civics class have put up a bulletin board on which clippings and pictures of men and important happenings in politics are posted for a week, at the end of which time the students are allowed to take them down. The clippings are then pasted in note books or scrap books and these are handed in every few weeks and marked by the teacher. The purpose of this is to keep the students well posted on the changes in governmental affairs since the election of President Roosevelt.

Junior Play Practice
The Juniors are alternately practicing the first and second acts of their play, "Be An Optimist." They are doing good work and hope to give it about April 7.
It is a comedy and has much action all the way through. Mike, the Irishman and Pietro, the Italian, make a good pair with their fiery tempers and humorous remarks.

Orchestra In Final Performance
The orchestra will make its last appearance in a concert to be given at the last P.-T. A. meeting of this school year. The students are working diligently on selections from the "Rhubank," which will be given at that time.

Glee Clubs Practicing
Both the boys' and girls' glee clubs are practicing on songs to be sung at the Musical, which is to be given soon. Program committees have planned the performance carefully and parts are being assigned. Tryouts for the girls sextette were held recently and the following girls selected: Nona Mae Compton, Wanda Johnson, Joy Johnson, Betty Curtis, Beatrice Curtis and Mary Elizabeth Thompson.

Student Opinion
Music is becoming more and more popular in the school as time passes on and is apt to become even more popular in the future. Many teachers are hired because of their ability to conduct musical classes. Undoubtedly music is one of the more important extra curricular courses offered in any school and in many cases musical work is accredited.
It has been only in the past few years that music has been very prominent in our school but it is coming more into the foreground now than ever before. Classes in advanced and beginning orchestra are offered in addition to boys' and girls' glee club. Elementary music is also offered for the students of the lower grades. The various classes have made noticeable improvement, which speaks very well of the department and its instructor. Students and parents as well should insist that musical activities, now so well started, should continue during the coming year.

School Pictures Completed
Photographers completed the taking of pictures of the various groups in the school Monday afternoon, when pictures of the boys' and girls' glee clubs and orchestras were taken. In addition to these, pictures have been taken of each class in high school, the high school student body, the boys' and girls' basketball teams, and the grade school students. All of the pictures taken will be placed on sale at the Red Cross Pharmacy in the near future.

TEAKEAN GOSSIP
(This Week)
We now have bluebirds, robins, meadowlarks, killdeers and all such signs of spring, but we can't very well call it spring with so much snow piled up, but it is melting now. There are patches of bare ground here and there.
Ike Morgan came up from Juliaetta last week and took possession of the place formerly owned by J. H. Butler.
Mr. and Mrs. Merton Preussler were dinner guests at the home of Mrs. Preussler's mother, Mrs. Carrie Herring.
Mr. and Mrs. Roy Martin and two small children were week-end guests at the L. Clanin home. They came to visit their daughters, Elberteen and Irene, who have attended school here. Elberteen has lived at the Clanin home all winter and Irene at the Brock home.
Mrs. Brock's school will close this week, but the high school, taught by Mr. Weakley, will go on for a couple of months. Miss Hoisington, of the South Teakean school, has one more week to teach.
Carl Harless, who has been working for his brother-in-law near Orofino, spent the week-end with home folks.
Mr. and Mrs. Cecil Huffman, Mr. and Mrs. Walter Huffman and Miss Thelma Hoisington were Lewiston visitors Saturday.
The Ladies Aid met again last Wednesday at the home of Mrs. Asa Choate, to finish a quilt they had begun the week before.
Dorothy Miller is home from school on account of an attack of appendicitis.
John Lind, Lloyd Vanairsdale and Lorin Pitcher were among those on the relief work last week.
Lew Samuels of Lapwai has been here a few days on business.
Ethel Shoemaker helped Mrs. Orval Choate clean house last week.
Gifford Brown and Ben Taylor moved their wood saw to the Berry place, where they will begin to cut wood soon.
Cecil Choate has been sharpening posts, getting ready to rebuild fence, as soon as the snow leaves.
A good program was given at the church Sunday night. It was gotten up by Mrs. Weakley and Miss Hoisington, they being the program committee of the Young People's society. The young folks have decided to plant a "missionary acre" again this year. Merton Preussler has agreed to donate an acre of his best ground for the cause.
The number of deaths caused by the big California earthquake has reached a total of 122.

Ask Electrical Tax Be Shifted
Rep. Compton I. White of Idaho has introduced a bill in the house amending the revenue act to require that hereafter the 3-cent Federal tax on electricity be paid by the power companies.
Burden of the tax was placed on the consumers when the bill was passed by congress last summer.

THE SPORT-LITE LANTERN — It's an instant-lighting... single mantle type. Just the light for any camping trip or outdoor task. Small in size but big in brilliance. Weighs only 3 lbs., yet gives up to 150 candlepower of pure white light. Pyrex glass globe protects mantle. Has built-in pump and many features of larger lanterns. It's a Double-Duty lantern for use indoors or out.
Model No. 10

THE NO. 10 CAMP STOVE — Just the stove for camp cooking and general utility purposes. It's a miniature gas range... always ready to cook "good eats". Wind baffles protect cooking flame. Windproof, gray cast iron burner caps, won't burn out. Hot-blast preheater quickly generates stove to full cooking heat. One quart fuel tank... two hours' supply for both burners... easily removed for filling. Everything packed inside for carrying. Handsomely finished in maroon-brown baked-on enamel.

WE NEED MORE CONTENTED COWS
HAROLD THOMAS, Editor VOL. 1—NO. 5

EDITORIAL

Well folks, it took like spring might be here. The snow is leaving on the uplands and lawns are greening, early gardens coming up and birds are everywhere, which all point to spring. And while we are on the subject, the cows will soon be in the pasture and more milk and cream will result. Try bringing us a can or two of cream, try our service, see if you don't like it, and remember, we pay spot cash. No checks, good old hard cash. Another point—notice how clean and sweet your cans are when

they come home. We use live steam to sterilize them.

Different Clan

The foreman looked the applicant for work up and down. "Are you a mechanic?" he asked. "No, sorr," was the answer, "o'm a McCarty."

Ips0—What do you mean—Luskenbill asking for charity? I thought he was a member of the 400.

Facto—He was—the 400 who lost their jobs at the factory.

Busted!

To help bust the depression and stimulate spring business, we are making this special price from March 30 to April 12:

All W. P. Fuller & Co's. best paint, regular price \$3 and \$3.25 will be sold between above dates for 75c per quart, \$2.55 a gallon.

Local Stockyards Completed

N. P. workmen who have been building the new stockyards, packed their personal belongings and tools and moved out Wednesday. While the yards are not large, they will answer the purpose very nicely and the people of the Kendrick community are very appreciative of the fact.

Tom Long was the first shipper to take advantage of the new yards. He will ship a car of cattle tomorrow, Saturday.

R. H. Ramey, local agent for the N. P. states that stock shipments have been very good during the past two months.

Wesley Players at Church

The Wesley Players, who gave the "Servant of the House," so efficiently last spring, will come again Thursday evening to give "The Prodigal Son," in the church at 7:30 p. m. The cast is composed of some 14 players from the University of Idaho. A free will offering will be taken.

Entertained Friends

On Thursday of last week Mrs. Annie L. King entertained a few of her old-time friends at a 12-o'clock dinner, the guests including Mesdames N. B. Long, Crawford, Plummer, Pemberton and Keene.

CRESCENT CLIPPINGS

William John Dorendorf
William John Dorendorf was born at Eulin, Minnesota, November 5th, 1900 and passed away March 23, 1933, at the age of 32 years, four months and 18 days. He leaves to mourn his passing a wife and two children, Nellie and George; his mother and father and four brothers, Walter of Southwick, Albert, Fred and Henry of Kellogg, Ida; four sisters, Mrs. Anna Kimbley and Mrs. Adaline Swanson of Southwick, Mrs. Matilda Riley of Kendrick and Mrs. Martha Bleisner of Fairfield, Wash.

He is mourned by a host of relatives and friends. Bill was always found a true friend and a kind neighbor. 'Tis hard, so hard, to break the cord When love has bound the heart. 'Tis hard, so hard, to speak the words "We must forever part." Dearest loved one we must lay thee In the peaceful grave's embrace, But thy memory will be cherished Until we see thy heavenly face.
