INTERESTING NEWS BITS FROM OUR SCHOOL

Wednesday, Nov. 29, is the date set for the third big High school event—a basketball game and dance. Troy boys will play the Kendrick Tigers at 7:30 in a game that promises, from all reports, to be quite evenly matched and full of real thrills. A dance will follow, to which the public are all invited.

The Senior class presented Allene Rider with a potted plant as a token of their sympathy.

New lights have been installed in the assembly. They are a new type lamp especially designed for assembly lighting and are a decided improvement over the old lights.

Several new pieces of Physics apparatus have been added to the laboratory equipment this week.

An effort is being made to schedule games with Lewiston and Clarkston during December. All schools in this district have been written to in an effort to schedule games for the girls.

The local team goes to Deary this Friday for a return game with them.

Spanish class has been divided into four groups, with a student monitor over each. Those teaching in each group are: Roy Long, Phyllis Cummings, Margaret Daugherty and Allene Rider. Jayne Plummer is substituting at present for Allene Rider.

The Bookkeeping class has been taking quizzes this week.

Typing II class has been taking concentration review drills and addressing envelopes.

The Home Economics girls studied serving breakfasts, etiquette at the table, and are working out a home project on breakfast, in which they are to serve five breakfasts in their own home.

General Science class is studying machines that make use of air pressure.

Typing I class handed in their first letter this week.

Entertain Sophomores

The Freshmen returned good for evil by entertaining the Sophomores at a weenie roast on Thursday evening in return for the initiation put on by the Sophomores at the beginning of the year for the benefit of the Freshmen. Sandwiches, marshmallows and weenies were served, after which games were played and stories told around the fire.

Kendrick Victorious

In the first basketball game of the season the Tigers defeated Deary 36-16 last Friday. At the half the score was 6-16; at no time during the game did Deary seriously threaten the local boys lead. High spots in the game were the sensational shots by Waid of Deary and Long of Kendrick. While the players are not in mid-season form, they played in a way that marks them one of the better teams in the conference.

Grade Notes

In honor of Bobby Fraser's birthday a party was held in the primary room on Tuesday, Nov. 14. Everyone in the room enjoyed himself immensely and wished Bobby many happy returns of the day.

Bits of Nonsense

Miss Swayne: James, what are the turning points of life?
James Henderson: Street corners.

Mr. Lyle: Bud, what is speed and velocity.
Bud C.: One is the speed it travels, the other the whistle.

Mr. Welchel: Can you operate a typewriter?
Neva Craig: Yes, sir, I use the Biblical system.

Mr. W.: I don't believe I ever heard of that.
Neva C.: Seek, and you shall find.

Here's To Our School (Leola La Hatt)

Here's to the school, boys.
The good ol' Kendrick school, boys.
We love it!
We'll fight for its name.
Here's to the team boys.
The good ol' Kendrick team, boys.
We're proud of it!
We'll help it win this game.
Cheer your very best, boys.
We want our team to win, boys.
They'll do it!
We know without a doubt.
All they need is backing, boys.
We haven't got it lacking, boys.
Go to it!
Oh! Listen to them shout.

Mr. and Mrs. Keene Entertain

Mr. and Mrs. Wade T. Keene entertained at a well appointed dinner party Wednesday evening, the invited guests being Mr. and Mrs. James Lyle, Mr. and Mrs. Arthur Dawald, Mr. and Mrs. Carver Welchel, Mr. and Mrs. Silvie Cook, Miss Rhoda Swayne, Miss Fern Spencer, Miss Edna Ferguson, Mrs. Mary Adams, Mrs. Johns of Emmett, Idaho, and Mrs. Helen Boyd.

HIGHLIGHTS OF THE WEEK'S NEWS DISPATCHES

To administer the nation's finances through the vital period that lies just ahead, President Roosevelt has chosen his neighbor, close friend and trusted personal advisor, Henry Morgenthau, Jr. On Friday morning (Morgenthau became the actual, if not titular head of the treasury department, while Secretary Woodin, whose resignation the chief executive declined to accept, takes a leave of absence and goes to Arizona in search of health and rest. Brooke Hart, 22-year-old son of a wealthy San Jose, Calif., merchant, was slain a few hours after he was kidnapped last Thursday, authorities revealed while the two men who said had confessed the crime were held in a San Francisco jail safe from angry mobs of citizens milling about the courthouse.

Recognition of Soviet Russia by the United States was announced Friday by President Roosevelt. Sitting at a desk in his executive office after 4 p. m., Mr. Roosevelt smilingly said the 16-year breach between the two nations was actually ended at 10 minutes before midnight Thursday night. At that time he and Maxim Litvinoff, soviet commissar for foreign affairs, came to an agreement on the points that have been in negotiation since Litvinoff arrived Nov. 7. The two were in the White House at the time. William C. Bullitt has been named by President Roosevelt to be the first ambassador to Soviet Russia.

Assurance that President Roosevelt will raise the price of agricultural commodities was expressed by Senator William E. Borah, republican Idaho senator, but he declared the president "will never do it until he does two things—increases the volume of currency in circulation and puts the combines and trusts of this big country under control."

All property of the famous scientist Albert Einstein and his wife were confiscated by secret police under laws "concerning the seizure of communist property and property of enemies of the German state." The action culminated the moves of political police as far back as April 1 in placing his bank account under sequestration and later seizing his motor boat and country home at Caputh.

Kansas, pioneer prohibition state, will vote in November, 1934, on whether it shall retain its 53-year-old legal banishment of liquor by constitutional amendment—the forerunner of the repudiated federal prohibition.

In the throes of the most bitter religious struggle since the reformation, Germany on Sunday witnessed a significant celebration of Martin Luther's birth 450 years ago. The celebration, in honor of the founder of protestantism, was under the auspices of the new Hitlerite regime and the services took on a marked political character. The political aspect and the magnitude of the ceremonies, however, were eclipsed by the startling and unprecedented step made by the Roman Catholic church in announcing virtual solidarity with non-nazi protestant pastors against the radical factions of the nazi Christian church.

Grain Moving Slowly

There is not much activity in the grain market at this time, although there are a few cars moving at intervals. The Vollmer-Clearwater company reports the shipping of six 80,000 capacity cars of oats and one car of beans during the past week. The Kendrick Rochdale company reports the moving of three cars of wheat and two cars of oats to coast points during the same time.

The Kendrick Bean Growers association report the moving of several truck loads of beans during the past week, but no rail shipments.

Afternoon Bridge Club

The Afternoon Bridge club met at the home of Mrs. W. L. McCreary on Thursday afternoon of last week, when four tables were in play. Mrs. Helen Boyd won high honors for the afternoon. A dainty lunch was served after play. Mrs. J. M. Lyle, Mrs. J. B. Helpman and Mrs. W. B. Deobald were invited guests.

RED CROSS ROLL-CALL UNTIL THANKSGIVING

"A Red Cross Reunion." That's the atmosphere prevailing the nation today as thousands of volunteers enroll Red Cross members in a campaign that continues until Thanksgiving Day.

James L. Fieser, vice chairman in charge of domestic relations, in a message to A. L. Schafer, Red Cross manager in the Pacific area, says to the people of the Pacific slope:

"The spirit of 16 regional conferences in 13 different states which I have just attended can best be illustrated by a few scattered instances in a great number which came to my notice. Five delegates drove 500 miles from Coeur d'Alene to the Idaho state regional conference at Boise. Others drove almost as far from northern California to Sacramento and from Apache County to Phoenix, Arizona. These evidences of loyalty to the Red Cross were not exceptional.

"At one of the northwestern regional conferences a man said that he knew of nothing which so warmed his heart (during the subzero nights of a long winter) as he pushed his way over the snow to a far off destination, as to come up to a ranch house in the window of which the Red Cross emblem shone as it was framed in the yellow glow from a kerosene lamp. It was a benediction to the lonely traveler."

Five state governors made addresses before the Red Cross gatherings. Of the five governors, three had served as the chairman of Red Cross chapters or branches. Seven state directors of emergency relief also participated with the thousands of Red Cross delegates in the regional conferences. Mr. Fieser concludes: "The Red Cross is an Army of Mercy, for God and Country. It unites people of all faiths and beliefs and is a benediction to both the participant and beneficiary."

A new battle cry for Red Cross membership is sounded by a Louisiana volunteer who says: "Ask them all."

Idaho Wheat Acreage Reduced

Farmers of Idaho have pledged to take 180,946 acres of land out of wheat production in 1934, reports J. H. Reardon, state county agent leader with the University of Idaho agricultural extension division. Late reports from county and emergency agents in the state reveal 13,408 wheat farmers have filed applications for wheat adjustment contracts. This number of wheat farmers, approximately 89 per cent of the total wheat growers of the state, control 1,206,309 acres. This acreage is to be reduced 15 per cent for the 1934 crop. Idaho farmers taking part in the wheat adjustment program will receive approximately \$3,464,000 in benefit payments this fall and next spring, according to a recent announcement of the agricultural adjustment administration.

Nationally the wheat reduction campaign is regarded as a distinct success. The first of November the agricultural adjustment administration reported 570,263 wheat farmers, controlling 51,925,612 acres, had signed applications for contract. A reduction of 15 per cent will retire 7,788,000 acres of this land in 1934. Benefit payments for the nation are estimated at \$102,000,000 by the agricultural adjustment administration.

Red Cross Elects Officers

The regular annual election of officers for the local Red Cross unit was held Friday evening, when the following were chosen for the ensuing year: H. B. Thompson, chairman; Mrs. Edgar Long, vice-chairman; Mrs. W. A. Watts, treasurer and E. H. Emery, secretary.

In the summary of work accomplished during the past year the following was noted: Number of families helped during the past year, 33; 30 barrels of flour were given out, and 243 garments and 146 yards of cloth were distributed; \$25.00 was sent to the relief of Bonners Ferry flood sufferers, and \$12.50 to the earthquake sufferers in California.

This year's roll call brought in 42 memberships at one dollar each. The officers state that anyone wishing to become a member of the Red Cross can do so by applying to any of the above named officers, who will be glad to receipt them for the membership fee.

Thimble Club Entertained

The Thimble club was entertained this week (Wednesday) at the home of Mrs. J. B. Helpman.

THINGS OF INTEREST GOING ON AT SOUTHWICK

Mr. and Mrs. Arthur Janes spent the week-end in Juliaetta with his father.

Rev. Morris is enjoying a visit with his mother, Mrs. Sarah Morris of Pomeroy. She is 89 years of age and still enjoys good health.

A party was given by the Young Peoples Sunday school class at the Aid hall Friday night in honor of Clara Stalnaker. Games, refreshments and a general good time occupied the evening.

Bonnie Smith is visiting at the Ben Reece home at Cavendish.

The Arnie Cuddy family and Mrs. Eva Wright were Sunday visitors at the Ray Cuddy home at Linden.

John Lettenmaier and son Johnny visited in Lewiston from Friday until Sunday. Mr. and Mrs. Hoppe and Mr. and Mrs. C. A. Betts were visitors there on Friday also.

Rev. Morris and family and Mrs. Sarah Morris enjoyed Sunday dinner at the Harvey Morris home.

Mrs. Clarence Henderson, primary Sunday School teacher, entertained her class at a chicken dinner Sunday at the Ladies Aid hall. Mr. and Mrs. Wm. Henderson and Mr. and Mrs. Howard Southwick and Clarence Henderson were invited guests, and they helped entertain the children. There were 18 little folks present. Most of them stayed till church time in the evening.

Mr. and Mrs. Hoppe and Mr. and Mrs. Roy Southwick left Tuesday for an auto trip to the coast. Hoppes will visit at the home of their daughter, Mr. and Mrs. James McFadden at Portland and Southwicks will visit at the home of their daughter, Mr. and Mrs. Will Winters at Camas, Wash. They expect to be gone about two weeks.

Mrs. Huffman, who has spent the past two weeks at the Earl Whiting-home returned Sunday to her home in Kooakia. Her son, Nelson, came and got her.

Mr. and Mrs. J. E. Hoppe and Mr. and Mrs. Alex Laurence had Sunday dinner at the Homer Betts home.

Mrs. Roy Martin visited Tuesday with Mrs. John Lettenmaier.

An estimate of about 100 was placed on the crowd that gathered at the Tom King home Monday evening to charavari Mr. and Mrs. Earl King and to wish them happiness. The crowd was treated to candy bars, nuts and cigars. The newlyweds left Wednesday morning for their home in Seattle. Mrs. King has lived among us some twenty years and it is needless to say we will miss her greatly, but we all wish her the best of happiness in her new venture.

Edward Goldner Passes

Edward S. Goldner, 45, World war veteran, died at his home in north Lewiston yesterday morning at 4:40 o'clock following a lingering illness.

A native of Iowa, Mr. Goldner came west with his parents when a boy, the family being among the early settlers of the Kendrick and Lapwai sections. Two years ago he moved with his family to Lewiston.

Mr. Goldner was a member of company F and attached to the 91st division overseas, where he spent nine months with an ammunition train detachment. He was a member of Lewis-Clark post of the American Legion and the D. A. V.

He is survived by a widow, Jessie Goldner; two sons, Edward 9, Robert 4, his father, G. W. Goldner, Moscow; two brothers, Henry Goldner, Clarkston and Fred Goldner, Seattle, and two sisters, Mrs. Annie Mattoon and Mrs. Carrie Mattoon, both of Kendrick.—Lewiston Tribune, Nov. 22.

Funeral services will be held at the Brower-Wann undertaking parlors this (Friday) afternoon (the exact hour not being known).

Stalnaker-King

The wedding of Miss Clara Stalnaker and Earl King was solemnized at the home of the bride's parents in Southwick last Sunday afternoon at 2:00 o'clock. The bride wore an attractive gown of blue satin with beaded sleeves of the new mode. Her mother was dressed in dark blue. A niece of the bride acted as ring bearer.

Guests included Mr. and Mrs. Tom King, Tom King, Jr., Mr. and Mrs. Murray, Mrs. Willmott of Marshfield, Oregon, Miss Aletha Blewett and Mr. and Mrs. E. E. Beckman.

Following the wedding a delightful bridal dinner was served. The young couple will make their home in Seattle, where the groom is employed.

Surprise Birthday Dinner

Mrs. James M. Lyle very delightfully entertained at a surprise birthday dinner party Friday evening in honor of her husband, the invited guests being Mr. and Mrs. Arthur Dawald, Mr. and Mrs. Carver Welchel, Mr. and Mrs. Silvie Cook, Mrs. Mary Adams, Miss Fern Spencer, Miss Rhoda Swayne, Miss Edna Ferguson and Dr. and Mrs. D. A. Christensen.

Hoffman and family, Art Thornton and family, Emmett Thornton and two children, Mrs. Minnie Blankenship and children, Mr. and Mrs. King and Mrs. Lewis of Lapwai and Rev. Graybeal and wife and mother.

A call meeting of the Ladies Missionary Society was held Tuesday afternoon at the parsonage.

The new church is nearing completion and will be dedicated December 17.

A stunt show and carnival will be given by the Leland school on Saturday, November 25, beginning at 8 o'clock.

To Have Modern Kitchen

I. H. Buckallew, local cabinet-maker, was given a contract the other day for the complete remodeling of the kitchen of Mrs. R. E. Woody, residing on Potlatch ridge. The work will consist of a complete re-arrangement of the Woody kitchen, with a new window, new built-in cabinets and other necessary "gadgets" to make it one of the most modern and complete kitchens—not only on the Potlatch ridge, but anywhere you may go.

GRAIN MARKETS UNSETTLED WITH TRADE LIGHT

Domestic grain markets continued unsettled during the week ended on November 17, influenced largely by fluctuating currency values, uncertainty as to new crop wheat outturns in the southern hemisphere and the slow demand for cash grain, according to the Weekly Grain Market Review of the U. S. Bureau of Agricultural Economics. Future prices turned downward toward the close of the week, after advancing early in the period to new highs for recent weeks. At the close, wheat prices were barely steady and feed grains slightly lower than a week ago. Receipts of cash grain were only moderate, but with the exception of rye, high protein amber durum wheat and choice barley, offerings were easily sufficient for current trade needs.

Less favorable conditions for winter wheat in the U. S. and lower estimates of the Australian crop were strengthening factors in the general wheat situation. Dust storms damaged wheat in the northern great plains and lack of moisture retarded growth in the northwestern districts of Kansas. The crop made fair to good progress in the Ohio valley and in most eastern areas. The official estimate of the Australian crop was reduced to 160,000,000 bushels with trade figures around 15,000,000 bushels below this forecast. Trade estimates of the Argentine crop indicate that an outturn around 10,000,000 bushels over that of last season is indicated.

High tariffs and drastic trade regulations continue to be an important influence in the world wheat trade. The German government has assumed control of all agriculture, including production, marketing, processing and price regulating. Prices are definitely fixed in the various marketing areas.

The importation of 10,000 bushels of Canadian amber durum over the tariff of 42c per bushel and the sale of another 1,500,000 bushels of Pacific Northwestern wheat for export, were the outstanding features in the domestic cash wheat market during the week. Scarcity of offerings of high protein amber durum advanced the price of choice milling lots of No. 2 at Minneapolis to \$1.00 to \$1.05 per bushel, with medium milling quality bringing from 90c to \$1.00. This, together with the decline of U. S. money in Canada, made it possible to import high quality Canadian durum wheat out of that state.

Marketings of winter wheat increased slightly but were only moderate, with receipts at the principal markets totaling 1,041 cars compared with 1,411 for the corresponding week last year. Purchases of wheat in southwestern Kansas for relief purposes were a strengthening influence in the Kansas City market, but local milling demand remained dull as a result of limited inquiry for flour.

Pacific Coast wheat markets fluctuated within narrow ranges during the week. Operations of the Emergency Export Corporation were the dominating influence in the Pacific Northwest. Purchases of wheat for export by the Corporation totaled 1,500,000 bushels for the week, bringing the total since operations began to 3,250,000 bushels. The first cargo containing 8,700 tons of this wheat was shipped from Portland for Shanghai on November 17. The movement of wheat from interior points to terminals for export has increased and arrivals at Puget Sound and Columbia river terminals during the week totaled 602 cars. The Export Association was bidding 76c per bushel, basis No. 1, for soft white wheat, sacked, delivered track tidewater terminals on November 17, compared with cash prices of 76c per bushel for bluestem hard white, 79c for dark hard winter and 74c for other classes. Local mill demand was dull at Portland and the spread between milling and export wheats was narrowed to only 2c per bushel.

Pacific Northwestern barley markets were about steady although rather quiet. Offerings were not being pressed and prices held practically unchanged from a week ago. Trading and movement were light with continued good pasturage and the disposition of dairymen and feeders to buy only in small quantities for immediate needs the principal weakening factors. Demand from eastern points for malting grades was irregular. November 16 No. 2 bright western barley, sacked, was quoted at Portland at 92½c per 100.

Oats markets were irregularly lower, reflecting the dull demand in the middlewest. On the Pacific coast the market held steady, but demand for feed oats continued light.

Short Book Review

If you like adventure, travel and narrow escapes you will enjoy "Stowaways in Paradise" by Don Blanding. It is the story of two boys, Mickey and Paul, and their adventures in getting to and on the islands of Hawaii. Don Blanding, the author, leaves his more accustomed type of writing, that of Hawaiian poetry, to tell a boys' story.

Hawaii, beautiful and fantastic, forms an ideal setting for a story that rivals Tom Sawyer or the travel books of Richard Halburton. If you hear any local boys talking in a strange language in which the following words may be heard; "aloha," "auwe," and "wiki-wiki," you will know that they have either been stowaways to Hawaii or have read this book, in either case, they are to be congratulated.

Sylvia Sydney in "Pick-Up"
Last week you witnessed a real Westerner. The offering this week at the Kendrick Theatre will be "Pick-Up," with Sylvia Sydney in the leading feminine role.
The girl in "Pick-Up" as portrayed by Sylvia Sydney, is a warm, living character, whose story captures interest and holds it throughout. Geo. Raft is an excellent co-star. The versatile player whose roles have been alike in their suave, menacing way, reveals himself in "Pick-Up" a player of mood. As the crude, groping taxi driver who knows what he wants in women, but can't find room in his heart for a "pick up" girl, Raft gives a masterful characterization.
The love story of these two youngsters develops in a series of powerful scenes, culminating in a trial scene of gripping strength.
Friday and Saturday nights, November 24 and 25. You'll like it. 48-

A NIGHT'S SLEEP WITHOUT WAKING

It's easy. Make this 25c test. Drive the impurities and excess acids from the bladder which cause the irritation that wakes you up. Get a 25c box of BUKETS, the bladder physic, from any drug store. After four days test if not satisfied go back and get your 25c. They work on the bladder similar to castor oil on the bowels. You are bound to feel better after this cleansing and you get your regular sleep.

Championship Game at Moscow
The Moscow High School Bears will play the winner of the Bonners Ferry-Kellogg game, which was played at Kellogg Nov. 18, in a North Idaho Championship game, Friday, November 24. The game will be played at MacLean Field, Moscow, starting at 2:00 p. m.
Bonners Ferry and Kellogg are both undefeated this season and have made exceptional records. Kellogg last week defeated Wallace 19-12 and showed one of the best running attacks ever demonstrated on a north Idaho turf. Wallace, who conquered the strong North Central team earlier in the season, were completely outclassed by Coach Jud Cutting's Kellogg Chargers. Bonners Ferry and Kellogg both have played Coeur d'Alene to a 6-6 tie, and are evenly matched teams.
Moscow has also an undefeated season and played the strong Clarkston team to a 6-6 tie. However, Moscow defeated Pullman 32-0 and Dayton 16-7 and both of these Washington teams tied Clarkston.
Tammany Hall Laid Low
For the first time in 19 years Tammany Hall in New York has been defeated at the polls and an independent-republican elected as mayor. The new mayor's name is Fiorello LaGuardia. Just what his original nationality is is hard to tell. His given and surname might indicate two separate and distinct nationalities—but is he? If so, what?
Weather Disagreeable
The weather so far this week has been rather disagreeable—not cold—but with a damp chill in the air that penetrates quite well. The rain of Sunday evening made the roads on many of the ridges quite slick and chains are being used in many cases. We cannot complain, however, as the fall so far has been almost ideal. We only hope it will stay that way.
Kentucky Has Usual "Good Time"
Down in "Kaintuck" they had the usual election day pastime—practicing shooting—human beings being the target. Seven voters were killed and several wounded in election day arguments. Not bad for one day's sport.

Have Twin Boys

Mr. and Mrs. Gus Blum are the proud parents of twin boys, born at St. Joseph's hospital, Lewiston, at 12:30 o'clock Monday morning, in a caesarean operation having been performed. At last report mother and sons were doing nicely.

Has New Sanding Machine

George Buckallew, who operates a cabinet shop in the old postoffice building, has just installed a new sanding machine, with which he can sand anything from a shingle to a table or desk top. It is a sandpaper belt some six or seven feet in length—and if you don't think it does the work, just stick your finger under it and see.

BETTER LIGHT BETTER SIGHT

1/4 of our children have defective vision!

Nearsightedness is rare in infancy. But as children reach school age it begins to increase...and from class to class the percentage of nearsightedness grows.

Many children receive, or need, a pair of glasses as a graduation present...and their thanks should be addressed to Negligence. If your child has to hold the book he is reading closer than 14 inches, the chances are his eyes are being strained. The remedy is glasses or better lighting, or both.

No other single human activity consumes so much energy as seeing. It is responsible for most of our usefulness and happiness. For better sight guard your eyes with better light.

While civilization has lifted burdens from the backs of human beings, it has greatly increased our visual tasks.

WE NEED MORE CONTENTED COWS
HAROLD THOMAS, Editor

EDITORIAL

Well, Well, Folks—Here we are again—and this time we're operating a creamery—Yes, Sir—a small but Honest-To-Goodness creamery—and do we want your cream? You can just bet we do. We need that cream, every bit of it—and you can just bet that we're going to give you the best prices the market affords and the best service we know how. Not but what we have always done that—but we're going to try harder than ever to please you in every way. But anyway, whether you've got a can of cream to sell or not, come in and see our equipment—

come in and pass the time of day.

"Mother," said the little girl, "is it because you have big hips that Mrs. Jones calls you a hypocrite?"

Sweet Thing (disgusted): "My boy friend has cold feet."

Fond Aunt: "Shame on you, young lady. In my day we didn't find out those things until after we were married."

Put two and two together and the result is always the same—a game of bridge.

Read the Bullitin—keep informed.

Both "Ignorant"

The other day a man came to our office and was ignorant enough to ask us where all these untold millions that are being used for the various government projects were going to come from—and we were so blamed ignorant ourselves that we couldn't tell him.

Will some well-informed man please step up and give us the correct answer? We'd certainly like to know.

TEAKEAN GOSSIP

Several of our farmers are taking advantage of this open weather to get their fall plowing and seeding done.

Rev. A. A. Fike and wife of Moscow spent several days here last week. He preached each evening from Wednesday until Sunday, also Sunday morning.

Mrs. Carrie Herring and family and Rev. and Mrs. Fike were Sunday dinner guests at the Merton Prussler home.

Mr. and Mrs. William Groseclose and son Carroll and Dick Cosner were dinner guests at the L. Clanin home Sunday.

Rev. H. L. Graybeal of Leland will preach at the Bretheran church at this place next Sunday afternoon at 2:30.

Mr. and Mrs. Joe Choate made a trip to Peck last Saturday to visit Mr. and Mrs. Edgar Weakley.

Orofino visitors last Saturday were Gus and Carl Harless, Mr. and Mrs. Ed. Choate, Geo. Shepley, Grover Groseclose and Carroll Groseclose.

Rev. Geo. Calvert of Juliaetta called at the William Groseclose home Saturday evening.

Dal Groseclose and Mr. Geise of Juliaetta came up for a load of cedar posts Monday.

Mrs. Orval Choate, who has been at St. Joseph's hospital in Lewiston for the past two weeks, is recovering nicely from the operation and is expected home about Saturday.

The Ed. Choate family spent the evening at the home of Mr. and Mrs. R. E. Brock Saturday.

Mr. and Mrs. E. M. Harrington and son Robert were the dinner guests of Mr. and Mrs. Brock one evening last week.

Has "Lucky" Accident
Henry Brammer was in a very "lucky" accident Tuesday evening of this week while on his way home from Lewiston with a load of apples in his car.

Mr. Brammer was ascending the Wauncher gulch without chains and making fine progress, when on rounding the curve just below the watering trough he swung wide on the curve, as is his custom, in order to give anyone descending their share of the road, when, almost without warning the car went over the slick bank, just below the culvert, and turned up on its side against the small trees.

The car had hardly a scratch on it and only one window glass was broken. Mr. Brammer didn't receive a scratch, but doubtless has some sore spots.

Ed. Deobald of the Kendrick Garage was called and righted the car and pulled it back on the road and Mr. Brammer proceeded on his way homeward. Not even an apple was lost (except the ones the wrecking crew ate).

All Stores May Handle Drugs

The Idaho law permits "ordinary stores" to sell drugs and proprietary medicines provided they do not attempt to act as pharmacies and fill prescriptions, Attorney General Bert H. Miller has ruled, according to an Associated Press dispatch to the Lewiston-Tribune from Boise. The ruling was made in reply to a question from F. L. Christenson of Lewiston, the dispatch said.

Even poisons may be sold "for use in the arts" or to kill bugs, the attorney general ruled, but stores other than pharmacies selling these must deliver them in the original packages prepared by pharmacists in this state or in other states, and each package must carry a notation of two readily obtainable antidotes.

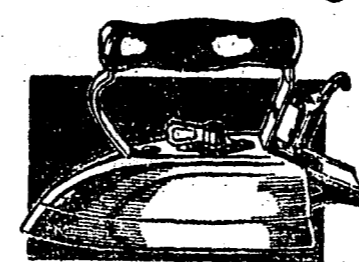

Parent-Teacher's Meeting

The regular monthly meeting of the Parent-Teachers' association was held in the Music room of the high school Monday evening, when the program was in charge of the ladies. A very entertaining program consisted of two piano solos by Mrs. Carver Wheelchel, reading by Mrs. E. H. Emery, a quartet composed of Mesdames Harold Thomas, F. B. Higley, R. H. Ramey, and E. H. Emery gave two numbers and a short playlet given by Mrs. E. E. Beckman, Mrs. W. B. Deobald, Miss Rhoda Swayne, Mrs. Carver Wheelchel, Miss Edna Ferguson, Mrs. W. A. Watts, Mrs. Paul Lind and Mrs. Helen Boyd, rounded out the evening's entertainment.
