Spring Is Here

Rev. Otto G. Ehlen of Cameron writes us as follows: "A few days ago I noticed in the Lewiston Tribune that it was 'news' for a hen to appear on the scene with 10 baby chicks. Well, on February 20 a fine bunch of fluffy chicks appeared in our hay barn. Out of 17 eggs, 16 baby chicks hatched."

We agree with Rev. Ehlen. It is "news."

Big Game Coming

A double-header, the last basketball game of the season, is scheduled here for Friday, February 23, when Southwick brings both boys and girls teams for their last scrap with Kendrick. The games both promise to be good, exciting ones. The Kendrick boys were victorious in their only skirmish with Southwick. The girls, having won quite easily two practice games, were defeated when their mutilated team met Southwick in the first conference game. Since then both teams have been working hard, each expectant of victory. Come and see two real games.

IF YOU GET UP NIGHTS

Lax the Bladder With Juniper Oil, Buchu, Etc.

Drive out the impurities and excess acids that cause irritation, burning and frequent desire. Juniper oil is pleasant to take in the form of BUKETS, the bladder laxative, also containing Buchu leaves, etc. Works on the bladder similar to castor oil on the bowels. Get a 25c box from any drug store. After four days if not relieved of "getting up nights" go back and get your money. If you are bothered with backache or leg pains caused from bladder disorders you are bound to feel better after this cleansing and you get your regular sleep. Red Cross Pharmacy says BUKETS are a best seller.

School Notes

Valentine's day was observed at the Pilot Rock school with an impromptu party on Wednesday afternoon after the valentines had been distributed and several valentine songs had been sung, a surprise valentine lunch was served by Mrs. Clay Albright. A large cake, adorned with tiny red hearts brought forth many sighs of approval. Hot chocolate was served. Those present besides the pupils of the school were Mrs. Clay Albright, Junion Albright, Bobby Albright, Mrs. R. W. Albright, Mrs. W. F. Albright, Marvel May Albright and Mary Ann Albright.
The first grade made some very clever clay models illustrating a story in their Primer entitled "Sister."
The second grade memorized the poem, "The Wind," by Robert Louis Stevenson. They are studying about pinks and quarts in their number work.
The fifth grade found that they had improved in their reading test this month. Darrell Baker has the distinction of being the only fifth grade pupil having a score above average in every test this school year in study comprehension.
A mysterious package arrived by mail addressed to the "Children of Pilot Rock School." It proved to be a playground ball presented to the school by T. S. Ward of Lewiston as a Valentine gift.
All of the pupils picked buttercups and brought them to school to use as models for water color and crayon sketches. We have an illustrated poem over our blackboard entitled "Buttercups."
We learned two new songs Monday and Tuesday, "Wee Ducky Daddies" and "The Barber."

HOUSES WITH CHARM

Houses whose windows and porch lights shine forth at night have charm that radiates happiness.
Piercing the darkness, light from porch lamps and windows carry a message of cheer. You feel it at night when you pass a house whose porch light and windows light your way.
It pays to burn your porch light because the cost per night is almost insignificant.

A Real Fish Story
(As Told by Marvin Long)

It seems (as told by Marvin) that he and his wife were trawling in deep lake water; the lake was very rough and choppy and it was with difficulty that they landed a "whopper," just one of the biggest ever pulled out of the lake—and now comes the fish story:

In cleaning this big fish an old Waterbury watch that Marvin accidentally dropped in the lake some six years ago, was found imbedded in the fish, close to the first vertebrae and the right lung,

the watch was still going and had lost only eight minutes in the six years. It is supposed that the breathing of the big fish had kept the watch wound all that time.

P. S.—Frank Lyons vouches for the above yarn. He says Marvin told it to him!

How about bringing us a can of cream?

"Are you fond of indoor sports?"
"Yes, if they go home at a reasonable hour."

Just try our service. We strive to please and We Pay Cash!

At The Show House

Worth the millions he lost in one wild hour—to win the whisper: "I thought I was in love with a gentleman, but thank God I'm in love with a man"—a drama that sows the wind and reaps the whirlwind—the lust of one man for power to starve a nation—the hunger of one woman's heart—changing the fate of a hundred million people. "As they sow, so do they reap."

If you miss "Golden Harvest", at the Kendrick Theatre Friday and Saturday nights, February 23 and 24, you will miss one of the best rural pictures that has ever been brought to Kendrick.

Card of Thanks

We wish to express our heartfelt thanks to the Leland community and the Missionary Society in our recent bereavement for the loss of our loved one. Special thanks to Grandma Thornton and Mr. R. B. Parks. Signed Grandma Gephart and family.

CORN-HOG CONTRACTS CAREFULLY AUDITED

mittee will be elected. These will consist of a chairman and two to four committeemen. These men will have charge of the program as far as their particular community is concerned. The chairman will be a member of the County Allotment Board, from which the County Allotment Committee of three members will be chosen. This County Allotment Committee will have charge of the program in Latah county, similar to the County Wheat Allotment Committee.

At the first meeting of the County Allotment Board, a budget for the coming year will be set up. This will be deducted from the last payment made in proportion to the number of hogs each individual has allotted. Each grower can help to keep the expenses of the County Association down by securing his own information as far as possible and making out his own papers. Otherwise this must be done by the local Community Committee and the fare paid for their services.

Long Life in a Monarch Range

is further insured by its Vitrified Rust Resisting Flue Linings. Experience has shown that this is the only effective rust protection which is practical for use under the extreme variations of temperature that exist in the flues of a range.

Ask a MONARCH User

It is a true saying that Monarch Ranges like old friends, old books and old songs, are most appreciated when time has proved their worth.
