COMMERCIAL CLUB HOLDS INTERESTING MEETING

The regular monthly meeting of the Kendrick Commercial club was held in the Raby Hotel Monday evening with 24 interested citizens present. Dinner was served at 6:30 by Mrs. Raby and her aides, and was very thoroughly enjoyed.

A communication from the Lewiston Chamber of Commerce asking Mr. and Mrs. Guthrie. the Club for moral and financial aid was read, asking for a subscription HIGHLIGHTS OF THE of \$2.00 per month from the local club to further the work of putting over the plan of making the Columbia and Snake rivers navigable from for the first quarter.

COMMERCIAL CLUB HOLDS INTERESTING MEETING

and on what basis.

There was some considerable discussion when the subject was brought up as to whether or not Kendrick should celebrate the Fourth of July. A committee was finally appointed to ascertain just what sort of celebration is wanted and the approximate cost of same. It is expected that announcement will soon be made through the columns of the Gazette of the committee's findings.

Mr. Blewett also stated that some of the Southwick baseball fans had asked Kendrick to put-in with them on a baseball team and also that the Southwick boys had paid the initiatory fee into the local league and asked for the use of the Kendrick baseball paraphernalia. The club went on record as being heartily in favor of such a scheme and will give the team the support asked for by Mr. Blewett.

Several other minor questions were taken up and discussed during the evening.

Seattle City Light Department

1933 FIGURES

Compared With

W. W. P. COMPANY

The facts stated below about Seattle's city owned electric system are taken from official reports. The following comparisons are instructive.

1. In 1933:

Seattle City Light sold to its 80,904 residential customers 80,479,295 kilowatt-hours, or an average of 995 kilowatt-hours per customer.

This company sold to its 47,613 residential customers 78,355,000 kilowatt-hours, or an average of 1,646 kilowatt-hours per customer.

2. In 1933:

Seattle City Light received from or charged to said customers for residential service, including water heating, the sum of \$2,325,406.06, or an average of 2.89 cents per kilowatt-hour.

This company received from or charged to its said customers for residential service, including water heating, the sum of \$1,802,431.39, or an average of 2.30 cents per kilowatt-hour.

3. In 1933:

Seattle City Light paid no federal, state, county, school district or other statutory taxes, but did transfer from its lighting fund to its general fund, the sum of \$125,642.50, which is provided for by a city ordinance.

As to this company and subsidiaries, the 1933 taxes of all kinds amounted to the sum of \$920,-064.14. *The 1934 taxes will be considerable more.

These are facts --- not political propaganda.

THE WASHINGTON WATER POWER CO.

*It is estimated that the 1934 taxes will be \$1,190,931.00.

INTERESTING NEWS BITS FROM OUR SCHOOL

Plans have been made for the graduation activities of the Senior class in May.

Work is progressing nicely on the Senior class play to be given the last

Unless there is some change between now and the end of the year, there will be twenty-two seniors in the graduating class. It is possible that the number will vary.

H. L. Lattigo of the U. of I. visited the local school Monday afternoon looking over prospects of establishing the Smith-Hughes agriculture work in the high school.

Miss Fern Spencer left for Moscow last Wednesday, where she will assume her duties in her new position. Good wishes of the entire school and faculty go with Miss Spencer. Her position has been filled by Miss Edith Lennox of the U. of I., who assumed her new duties on Monday .

The fifth and sixth grades are beginning another health contest. The losers will give the winners a picnic. The seventh and eighth grade party which was held in the music room last Friday, was a great success.
