Trained people always get the best results. The personal-help-plan of training used at the Lewiston Business College, prepares you in the shortest time at least expense. Write for free information.

LEWISTON BUSINESS COLLEGE Lewiston, Idaho Established 30 Years Fred L. Ulen, President

Grew low cost

AUTOMATIC

Effectiveatonce, the Washington Water Power Co. announces a new low cost hot water service...making hot water as instantly available as electric light itself. You pay only for what you use, yet hot water is always available for every need, day

To prove that every home can afford to have this new electric water heating service, we will install and remove (if you are not satisfied) at our expense in any residence one of these newest automatic electric water heaters.

STARTLING TRIAL OFFER

YOU INVEST NOTHING unless you are satisfied! Without risk of one cent by you we will install this most modern electric water heater. If you are satisfied it stays. If not....and you are the sole judge....out it comes, your down payment is refunded and your former water heating system re-installed...AT OUR EXPENSE. We make this offer because of our confidence in the perfection of this new electric water heating service.

Step into any W. W. P. Co. Electric Shop and learn all about this newest development in water heating. Low down payment; convenient terms.

Watch How My John Deere Starts **Cutting in This Heavy Alfalfa**

It's the 21-point clutch in the John Deere High-Lift Mower that causes it to start cutting instantly—there's no clogging in the heaviest hay. Other important features of the John Deere include higher, easier lift, lighter draft because of direct transmission of power, and simple, effective adjustments for re-aligning cutter bar and re-centering knife. See this better mower at our store.
