Sales Day

KENDRICK Saturday, Nov. 24

Kendrick's Sales Day will be held on Saturday, November 24, for the auctioning of farmers' livestock, implements, household goods-in fact anything they may have a surplus of that they want to turn into cash or bankable note. The sale will start promptly at 10 o'clock in the morning. All goods will be auctioned off absolutely free of charge.

Farmers are asked to bring in their articles in sufficient time to have them listed either by Ed. Long, or by L. S. LaHatt, at his jewelrly store in the Carlson Building.

Owing to the fact that weather conditions are somewhat uncertain at this season of the year, it was decided by the Committee not to have a sports program, but instead arrangements have been made with the Schupfer Brothers to run a matinee show in the Kendrick Theatre, for which a charge of 15c for adults will be made.

The program and prizes to be awarded during the afternoon are as follows:

\$2.00 for the oldest settler in the Kendrick territory.

\$2.00 for the couple married longest.

\$2.00 for the youngest married couple. \$2.50 for the largest family present.

\$2.00 for the oldest car running on its own power.

\$1.00 for the largest table squash.

\$1.00 for the largest cow pumpkin.

\$1.00 for the largest potato.

12 Chickens will be released. Anyone catching may keep.

Any person residing in the Kendrick trade territory is eligible to compete for any of the above prizes.

The Auction Sale will take place in or near the A. K. Carlson building.

The Kendrick stores will make special prices for that day.

All articles sold at the sale must be settled for before being removed. All articles put up at auction must postively be sold. N. E. Ware will act as auctioneer.
