Mystery Story at Kendrick Theatre
 There are few who do not enjoy
 a good mystery story—and for those
 who do, there is a real treat in store
 for them this Friday and Saturday
 nights at the Kendrick Theatre, when
 Warner Oland, as Charlie Chan, under
 the caption "Charlie Chan in Lon-
 don," portrays the role of a Chinese
 detective, of which Mr. Oland is past
 master. He has only 65 hours to un-
 ravel the mystery and save an in-
 nocent man from hanging; 48 hours
 as a new murder adds danger to the
 mystery; 23 hours when Chan be-
 gins to close in; for 11 hours Chan's
 life is threatened, within five hours
 Chan is off on a fox hunt and the
 murderer smiles! You'll thrill to the
 action of Chan and wonder at his
 uncanny knowledge.
 Chapter three of "Tailspin Tommy,"
 entitled "Sky Bandits," will furnish
 many unlooked-for thrills, when Tom-
 my almost crashes in a perilous flight.
