## DEAN WRIGHT LAID TO REST IN NORMAL HILL

Dean Wright was born at Colusa, California, December 23, 1877. He came to Idaho in 1880 with his parents, Mr. and Mrs. W. T. Wright. They were the second family to locate on Potlatch ridge.

Mr. Wright homesteaded on the Clearwater river near Agatha. He had added to the homestead until he had a large stock ranch.

He married Mrs. Effie Daniels on November 24, 1915, at Moscow and leaves to mourn their loss, his widow and three children: Mrs. Silvie Cook, Vester Keith Daniels and David Philip Daniels. The three surviving sisters are Mrs. Myrtle Kuykendall, Kendrick; Mrs. Enoch Harrison, Leland, and Mrs. N. P. Hill, Weippe. Hechel, an older brother, and parents are deceased.

About a year ago he sold all his personal property and rented his holdings in hopes of improving his health by taking a trip. In May he purchased a home at 322 Thirteenth avenue, Lewiston.

After a short illness, due to pneumonia, he passed away at St. Joseph's hospital, December 8, 1935, at 8:23 a. m.

Funeral services were conducted by Rev. Orville Peterson of the Christian church, December 10, at 1:30 p. m., from the Brower-Wann chapel.

The honorary pallbearers were Charles Hoffman, Archie May, Joe Piper, Sol Caldwell, E. T. Long and Milton Woodward. Active pallbearers were nephews—Elbert Kuykendall, Denzil Kuykendall, Wayne Kuykendall, Lyle Harrison, Leland, Virgil Lane, Prosser, Wash., and George Smylie, Genesee.

Music was furnished by a mixed quartet from Kendrick, the members being Mrs. D. A. Christensen, Mrs. Ethel Emery, Lester Hill and Thomas McDowell. They sang "Jesus Savior Pilot Me," "Old Rugged Cross" and "Nearer My God To Thee." They were accompanied by Mrs. F. B. Higley at the organ.

There were many beautiful floral offerings. The flowers were tastefully arranged at the cemetery by Mrs. Leo Morgan of Lewiston and Mrs. Ralph Vernon of Hatwai.

The three children and families, the three sisters and families and Mrs. Julia Lane and son of Prosser, Wash., attended the funeral.

## Personal Mention

Miss Caroline Roos was a Lewiston visitor Saturday.

W. A. Watts was a business visitor in Moscow Monday.

J. B. Helpman spent a few days in Lewiston last week.

Mrs. Jennie Plummer went to Rosalia, Wash., Saturday.

Mrs. George Leith was a Monday passenger for Moscow for a few days' visit.

H. C. Lyng of Spokane was a guest in the W. J. Carroll home Monday night.

Mr. and Mrs. W. J. Carroll went to Moscow Thursday on business, returning Friday night.

Mr. and Mrs. T. C. Blevins were Sunday morning passengers for Spokane, returning that night.

Dr. and Mrs. D. A. Christensen and Mrs. W. A. Watts spent Wednesday in Colfax and Spokane.

Mr. and Mrs. J. H. Cairns, accompanied by Mrs. Rose Farrington, were Lewiston visitors Saturday.

Walter Driscoll, county commissioner for this district, was a business visitor in Kendrick Tuesday.

Mr. and Mrs. O. W. Turnbaugh and baby of Moscow were Sunday visitors at the J. M. Lyle, Jr., home.

Mr. and Mrs. M. C. Harding of Nezperce took Mr. and Mrs. F. B. Higley to Cheney with them over the week-end, to visit Mr. and Mrs. E. Bair and family.

Miss Zelva DeGowin, of Reubens, formerly of the Moderne Beauty Shop in Kendrick, visited Mrs. Miriam Skina on Thursday of last week on her way to Spokane.

Mr. and Mrs. Wade Keene and son Tommy drove to Peck Saturday evening, returning home Sunday night. They brought Mrs. Keene's father, Doug. Hunter, back with them.

## The Cottonwood-Whitebird Cutoff

It surely will be joyful news to the farmers of this part of the state, as well as many other parts, to learn that \$1,240,000 will be spent for the Cottonwood-Whitebird cutoff, for the benefit of tourists, auto freight companies and the few Idaho people who may make the trip. One million, two hundred and forty thousand dollars is a lot of money and would build a good many miles of farm-to-market roads and would assure employment to many men, as well as a lasting benefit to farmers.

## SOUTHWICK PIONEER PASSES TO REWARD

(Contributed)  
Doctor B. Triplett was born in Putnam County, Missouri, September 17, 1854, and passed away at his home in Southwick, Idaho, December 6, 1935, aged 81 years, two months and 19 days. He was united in marriage to Eliza Pesterfield January 11, 1874. To this union was born nine children, five of whom preceded him in death.

He, with his family, came west in 1885, locating near Dayton, Washington. Later in 1888 they moved to Idaho, homesteading about one and one-half miles east of southwick, on what is now the Starr place. He spent the remainder of his active life farming in the Southwick section, with the exception of one and one-half years spent in southern Idaho. Old age forced him to retire about 15 years ago, he spending the remainder of his life in town.

He was converted and united with the United Bretheran church in September of 1891, remaining a faithful member until death.

He had remarked to his wife and others several times of late that his time here was about up and he was only waiting the summons, "Child, Come Home."

He leaves to mourn their loss his faithful wife, three sons—Harvey of Southwick; Walter of Lewiston and Leslie of Eugene; one daughter, Mrs. Claude C. King of Southwick; three brothers—Richard in Arkansas, Columbus of Peck and Jefferson of Lewiston; twenty grandchildren, twenty great-grandchildren and four great-great-grandchildren, besides a host of other relatives and friends.

Funeral services were held in the United Bretheran church at Southwick, December 8, 1935, the Rev. G. W. Benjamin, his pastor, officiating, assisted by Rev. Walter Platt, Rev. G. F. Calvert and Rev. B. W. Pressnall. Pallbearers were: J. R. King, Frank Thornton, Ben Baker, T. J. Armitage, B. W. Pressnall and William Kauder.

District F. F. Meeting Held Here

The Kendrick chapter of Future Farmers were hosts to three north Idaho chapters at the annual meeting of the North Idaho District of Future Farmers on December 6. The schools were Moscow, Lapwai and Culesac.

A weed and grain seed identification contest was held as one of the main events of the day. Moscow won with Kendrick a close second. Individual honors went to Nolan Weeks, high point judge in the contest; two Moscow boys tied for second place and Roy Fairfield of Kendrick placed third.

The district meeting and the election of officers came next. Graydon Story of Moscow was elected president, Willard Schoeffler of Kendrick was elected vice-president. A boy from Moscow won the position of secretary and Nolan Weeks of Kendrick treasurer.

Refreshments were served after the meeting by some of the high school girls who volunteered for the job. Everybody reported a good time and enjoyed it all, especially the refreshments. Nolan Weeks, Reporter.

## Birthday Party

Mrs. Ira Havens entertained some young folks at a 12-o'clock dinner Tuesday in honor of Marie's thirteenth birthday anniversary. The rooms were gay with Christmas decorations. Following the dinner, a birthday cake was served.

Those present were Barbara Jean Long, Maxine Bigelow, Eileen Benjamin, Lorraine Woody, Donald Bencotter and Tommy Keene.

## Parents Of Daughter

Mr. and Mrs. Lloyd Craig of Leland are the proud parents of a baby daughter, who came to their home on Saturday, December 7, to make an extended visit. The little miss tipped the scales at seven pounds. Mother and babe are doing nicely.

## COMMERCIAL CLUB MEETS MONDAY EVENING

The regular monthly meeting of the Kendrick Commercial club was held in the Raby Hotel dining room Monday evening at 6:30. President G. P. Barnum presiding, and following a delicious steak dinner served by Mrs. Minnie McCoy and her assistants, the business of the evening was taken up.

N. E. Walker of the Highway committee reported that the options for the right-of-way on the proposed new Cedar Creek road were being secured by the local district, and also by the Cedar Creek Good Roads district. It was stated that a wider right-of-way than expected was necessary, but that options were proceeding at a satisfactory pace. If this road is built (and it seems a good possibility) it will be a WPA project, which would require outside labor being shipped in and the establishment of a camp here. Mr. Walker also reported that the Potlatch road (to Cameron), which was being pushed by this club, had been sent by Gov. C. Ben Ross to the WPA officers, and that, providing the necessary push is given it by all, especially those living along the road, there is a possibility of securing some \$25,000, to be spent on the present grade. The Arrow-Kendrick road, he reported, had had its length somewhat shortened by the intervention of Federal engineers, so much so, in fact, that it is now planned to build only four miles out from Arrow, and not from the county line, as first planned, but the road built, would be to federal specifications.

Marvin Long of the Fish and Game committee reported that, in conjunction with the Izaak Walton League of Moscow, the Chinese pheasants allotted this fall, would not be released then, but would be fed over winter and released here the following spring—which should help to a great extent in increasing the birds available for fall shooting.

Edgar Long, of the Membership committee reported that memberships were coming in at a satisfactory rate, and that the drive would soon be completed. He also reported that only six WPA workers are now available for work on the city pipe line, but notwithstanding, some 800 feet of the 10,400 feet of trench had been dug, and, considering all conditions, progress was satisfactory.

J. M. Lyle of the Education committee reported that at a recent FFA meeting in Moscow the Kendrick team placed second in a weed judging contest—with Nolan Weeks the high point man for all teams at the meeting. He further reported that the FFA building is now complete and almost all of the necessary equipment for the boys' use in place. It is expected that a number of shop projects will be started soon.

H. C. Schupfer of the Relief committee reported that all were being taken care of and that none were hungry or cold that he knew of.

Following the committee reports the matter of the community Christmas tree was taken up, and it was by unanimous vote that it was decided to hold this event as usual. The date was not set, but in all probability will be either on Christmas eve, or on the Saturday night preceding. The matter was left in the hands of a committee consisting of W. J. Carroll, M. O. Raby and H. B. Thompson, who are to be assisted by the entertainment committee. The date of the tree will be in next week's issue of the Gazette. Watch for it.

Long's Big Annual Sale

The 16th Annual and Christmas sale of the Long store will open today—Friday, December 13—and continue until the last day of this month. They have made ample preparations for one of the biggest and best sales they have ever held. You are asked to reserve your Christmas buying until you have seen the many pretty and useful articles they have on display for your inspection and choosing.

Eight-Eight Bridge Club

Mrs. Ethel Emery entertained the Eight-Eight bridge club at a dessert bridge party Thursday evening. The game being played at four tables.

High score for the ladies was awarded to Mrs. W. B. Deobald and high for the men went to Dr. D. A. Christensen. Mr. and Mrs. F. B. Higley were awarded low.

George D. Calvert, son of Rev. and Mrs. G. F. Calvert, Juliaetta, seriously cut his left thumb Wednesday while splitting wood at the family home.

## CELEBRATE SIXTY-SIXTH WEDDING ANNIVERSARY

Mr. and Mrs. C. C. Blackburn, honored residents of Kendrick since 1906, on Thursday, December 12, celebrated their 66th wedding anniversary—a privilege accorded but few people. Mr. Blackburn was born on June 8, 1850, and Mrs. Blackburn was born April 30, 1852, making them 85 and 83 years of age, respectively.

Calvin C. Blackburn and Mary Jane Laws were united in marriage December 12, 1869, at the home of the bride's parents, Bill and Celia Laws, on the old homestead, known as the Oldfields, on New River, Ashe county, North Carolina. There were 75 guests at their marriage, the ceremony being performed by the oldest circuit rider of the M. E. church, Harson Spencer.

Mr. and Mrs. Calvin C. Blackburn.

In 1863 they removed to Blowing Rock, N. C., coming west in 1899, settling on a homestead near Teakcan, Idaho, residing there until 1906, when they moved to Kendrick, where they have since made their home. While suffering to a more or less degree with the infirmities of old age, they are still keeping house and have their own home—which is still their castle.

Mr. Blackburn was always a frontiersman, having lived on the outposts of a new country during all his younger years. He was a blacksmith by trade and while living back in Carolina he forged many articles that few of the blacksmiths of the present day would dream of doing.

There was no dentist near his Carolina home, and of course people there were subject to toothache the same as in other parts of the country, so he conceived the idea of forging out some dentists forceps and relieving sufferers of their bad teeth. He says he has pulled literally hundreds of teeth for the mountaineers of his native state, for which he neither asked nor received pay.

Mr. Blackburn does not come down on the Main street of town frequently, but when he does he is always sure of a hearty welcome from his host of friends—who at this time extend congratulations and wish for he and his estimable wife of sixty-six years continued health and happiness.

In speaking of their long married life, Mr. Blackburn said: "My wife and I have lived together for sixty-six years and have never had a quarrel and I love her as much today as I did the day we took our wedding vows back in North Carolina."

Having Coast Weather

The Potlatch section is again this winter being treated to what might be termed "coast weather"—balmy and wet, with plenty of fog on the uplands. While considerable rain has fallen during the past few days, almost none of it has gone down the ditches that the erosion crew—which we didn't get—was going to plug up for us.

Community Church Activities

There will be a chicken supper and bazaar at the Community church on Friday, December 13, starting at 5:30 p. m.

A Christmas Cantata, "The Star of the East," by J. S. Fearis, will be given by the choir on Thursday evening, December 18. The entire community should hear this cantata.

## Birthday Parties

Mrs. Silvie Cook entertained a number of little folks last Wednesday afternoon in honor of Margaret's seventh birthday anniversary. The afternoon was spent in playing games, after which refreshments were served.

Mrs. Harry Flaig gave a surprise party for Jeanne to celebrate her seventh birthday anniversary, Dec. 7. A number of her little friends were invited in for the occasion. The afternoon was spent playing games, after which refreshments were served.

## CORN-HOG PROGRAM RECOMMENDATIONS

A proposal to permit signers of corn-hog contracts to produce 100 per cent of their base hog production next year received the unanimous approval of producers and state agricultural specialists in conference with officials of the Agricultural Adjustment Administration in Washington last week. The conferees recommended a hog adjustment payment of \$2.50 for each hog produced up to 50 per cent of each signer's base. The payment would be the same for a production ranging from 50 per cent to 100 per cent of the producer's base. The new contract would call for an optional adjustment of from 10 to 30 per cent of the base corn acreage of individual signers in 1936 with the requirement that participating farmers produce 25 per cent of their base acreage. It was suggested, however, that an optional adjustment of 10 to 25 per cent in corn production would be satisfactory if it would bring about the desired reduction of 10 million acres in corn next year. Corn adjustment payments would remain at 35c a bushel, as in 1935, on the estimated yield of retired acres. The group unanimously approved establishment of corn and hog bases by an "appraisal method." The proposed method would provide that community corn-hog committeemen appraise the farm to be operated by each applicant for a contract and would recommend the base for corn and for hogs on each farm in 1936. County quotas would limit the aggregate acreage of corn and the total number of hogs that could be assigned to contract signers within each county. The proposal that the acreage of self-improving and erosion-preventing crops on each farm to be increased by an amount equal to the acreage which the contract signer wishes to retire from corn production was unanimously approved. The conferees went on record as favoring the inclusion of corn for silage in the corn base thus establishing the requirement of checking compliance as to the use made of the corn. Work will be started immediately upon the drafting of the new contract along the lines recommended by the conference.

Dinner And Election of Officers

A "covered dish" dinner at 7 o'clock was enjoyed by Canyon Chapter members Tuesday evening, Dec. 10.

Following the dinner the regular meeting at 8 o'clock took place, at which time the following officers were elected for the ensuing year: Mrs. Anna Long, Worthy Matron; John L. Woody, Worthy Patron; Mrs. Isabel Higley, Associate Matron; Geo. T. Davidson, Associate Patron; Mrs. Anne Deobald, Secretary; Mrs. Ruby McKeever, Treasurer; Mrs. Grace Thomas, Conductor; Mrs. Eva Keene, Associate Conductor.

Installation of officers will be on Tuesday, January 14.

Will Go To Kansas City

Ben Callison, who has been visiting in Peck for a time, returned home Sunday with Mr. and Mrs. Wade Keene. He will leave soon for Kansas, City, Mo., to visit relatives whom he has not seen for 47 years. He expects to visit in New Mexico, Arizona and other points before returning home in the spring. Some time will be spent with Mr. and Mrs. Harry Ameling in Tucson, Arizona.

On Extended Motor Trip

Ernest Brammer and Earl Harris left Wednesday morning by auto for Nebraska, where they will visit for a time. They went the southern route and will visit Colorado and other points of interest on the way.

Visiting Parents

Miss Cordelia M. Emmett of Seattle is visiting at the home of her parents, Mr. and Mrs. James Emmett and at the Wallace Emmett home on Bear ridge. She will remain over the holidays.

## WHEAT MARKET WEAK WITH SLACK DEMAND

Domestic wheat markets turned weaker and lost most of recent gains during the week ended December 6, influenced by a slow demand and further declines at Winnipeg and Liverpool, according to the Weekly Grain Market Review of the U. S. Bureau of Agricultural Economics. Corn held steady, influenced by unfavorable harvesting weather and relatively light offerings. Oats were weak and lower influenced by selling pressure in futures and only a moderate inquiry for cash grain. Malting barley held firm, but feeding types were lower without outlets limited. Flax was independently firm and advanced slightly with a steady crusher demand for cash seed.

Wheat: A continued dull demand from importing countries remains the dominant feature in the world wheat situation. This light inquiry is evidenced by the shrinkage in world trade to the lowest level in post-war years. World shipments of wheat August through November, totaled only 155,000,000 bushels, compared with 180,000,000 bushels last season, and 169,000,000 bushels two years ago. World export supplies appear to be some 100,000,000 bushels below those of last season, while probable import requirements are placed somewhat above those of 1934-35. European takings are expected to be about the same as last year, while shipments to ex-European countries are expected to be somewhat larger. European requirements during the past few years have been narrowed materially by increased production in many countries formerly importing relatively large quantities of foreign wheat. In other countries including Greece and Italy, domestic crops have been sufficiently increased to supply local needs. Only deficit counties of northwestern Europe remain largely dependent upon foreign supplies. Takings by ex-European countries have averaged around 180,000,000 bushels annually during recent years.

A weakening feature in foreign markets during the week was expectation by the trade of a more liberal selling policy in Canada as a result of the appointment of the new Canadian wheat board. This was reflected in a decline of about 3c in December futures at Winnipeg and in lower prices at Liverpool. At the close of the week, No. 1 Manitoba Northern was quoted at Winnipeg at 83c equivalent in U. S. Currency to 82c. No. 6 Manitoba Northern sold at 56½c in U. S. money.

Domestic cash wheat markets were lower with futures, since milling inquiry was only moderate, reflecting some pre-holiday slackening in the flour trade. Market receipts were relatively light. 994 cars were received at Minneapolis and Duluth, mostly of the lower grades. Some heavier wheat was received at Minneapolis from Montana, but test weight of spring wheat inspections averaged only about 51 lbs. per bushel.

Durum declined with bread wheats, although premiums for good milling types held firm. No. 2 Amber Durum was quoted at Minneapolis December 6, at 1c to 5c over the Duluth May price of 92c, with ordinary to good milling wheat bringing 7c to 14c over the Duluth May.

Marketings of winter wheat dropped off, with a total of 761 cars received at the principal terminals. Open market offerings were small at Kansas City since a part of the receipts were applied on previous sales. Trading was dull however, with milling inquiry light as a result of small flour bookings. Only 63.2% of the November inspections graded No. 3 or better. Last year, 91.8% graded No. 3 or better.

Premiums on cash wheat increased slightly at Chicago, where No. 2 hard winter was quoted at \$1.09-\$1.16. The St. Louis market was quiet, although good wheat was readily taken. No. 2 hard winter was quoted at \$1.27 in that market at the close of the week. No. 1 Hard Winter, 12% protein, was quoted at Fort Worth at \$1.21½ per bushel.

Soft Winter wheat was lower although the moderate offerings were generally readily taken. At the close of the week, No. 2 Soft Red Winter was quoted at St. Louis at \$1.01½, at Chicago at \$1.01-1.02 and at Kansas City at \$1.01½-1.04½ per bushel.

Intermountain and Pacific Coast markets followed declines at Eastern points but reflected also some slackening in local inquiry. Denver mills were bidding \$1.03 per bushel.

**INTERESTING NEWS NOTES FROM OUR PUBLIC SCHOOL**  
The assembly project was inaugurated in the high school Friday afternoon by the seniors. It was the first and, no doubt, will be one of the best of the year. The seniors did an extraordinary job and set a high mark at which the other classes may shoot. The cobwebs were scraped from some talents which had been covered for a long time—especially in the field or horse-back riding.  
Hartung was master of ceremonies which opened with a reading, "Courting Under Difficulties," by Lucille Lewis. The common interest and action element was outstanding in this reading. The entire class took part in the drama, "Bill Grogan's Goat," in which Halseh starred. The next number was a vocal solo with guitar accompaniment by Hund. Selma Wegner gave the frosh and sophs some advice on "Motor Romancing," which contained lots of local color. The feature of the afternoon followed with the play, "Supreme Sacrifice." Well prepared, with lots of action, and sound effects brought repeated laughter from the audience. Of course it ended perfectly when the hero rescued the heroine, and they all lived happily ever after. The quartet composed of Ramey, Watts, Spekker and Emery, accompanied by Hund, sang "Home On the Range," and ended the program with "Perfect Day."  
I am sure the student body appreciated this assembly, and thanks to the seniors for the splendid entertainment.  
P. S.—This was not written by a senior.

**P.-T. A. Meeting**  
The Parent-Teachers association will hold its monthly meeting Monday, December 16, at 7:45. The men will have charge of the program. Everyone is cordially invited to attend.  
**Sophomore-Junior Holiday**  
The Juniors and Sophomores took advantage of the warm sunshine of last Thursday and journeyed to Lewiston. The two classes had won the right to this holiday by obtaining the first and second 100% classes in the student body drive. The sophs had to give two teachers two days' notice for being in second place; while the juniors had to give one teacher one day's notice for reaching their goal first. The students had a very enjoyable time. (See Hawkshaw for particulars.)  
Frieda Mattoon of Culesac was a visitor in our school Tuesday.  
New games on the basketball schedule are games with Orofino and Troy.

**Grade Notes**  
The art classes of the fifth and sixth grades are planning to cut toys for Christmas gifts.  
The fifth and sixth grades are very proud of their new calendar.  
The first and second grades have drawn names for Christmas gifts.  
**Girls' Athletic Association**  
Girls basketball practice is now under way, according to Miss Hockaday, coach. The girls will practice on Tuesday and Thursday afternoons of each week. At a meeting the following officers were elected: President, Mary Elizabeth Thompson; vice-president, Doris Crocker; secretary-treasurer, Jean Bigelow; manager, Helyn Farrington.  
Improvements have been made in the equipment and dressing rooms, and the girls are looking forward to a successful season.

**The Tiger's Lair**  
By Spooft Pumpnickle  
The Kendrick school Tigers continued their winning streak Friday, December 6, at the expense of the boys from Peck by a score of 38 to 20. Peck, playing on their own floor, ran up five points before the locals swung into action, but once the Tigers found the ring, they got hot in a hurry and were leading at the half 18-6.  
The second half saw Coach Dawald using substitutes to give the inexperienced boys a little seasoning. The final whistle found the locals swishing the net on the long end of the score. Parks of Peck was high point man with 12 points; Hund made 11 for Kendrick, and Johnson 10.

The line-up:  
Kendrick (38) (20) Peck  
Hund (11) ..... F ..... (1) Bucholz  
Johnson (10) ..... F ..... (12) Parks  
Ramey (8) ..... C ..... (4) Smith  
Hartung (3) ..... G ..... (3) Thomas  
Wallace ..... G ..... Watson  
Emery (6) ..... Coon  
This week the fans will have the pleasure of watching the locals tangle with Peck on the home floor. The Tigers are rounding into shape now, and will play a much better brand of ball than we witnessed against Beville. The war cry around the local camp is to hold Parks to less than 10 points, and that is a full evening's job for any team. More power to you, Tigers. We're behind you!

**PULL THRU WITHOUT CHAINS**  
Where the going is toughest—in deep snow and bad mud—this tire will pull you thru!  
Just look at its features:  
• Maximum grip for getting out—forward or backward  
• Its rugged blocks grip, but there are no slots to fill up  
• It pulls thru, throws the mud or snow and cleans itself  
• Leads the field in going ahead, and just as powerful in backing up  
• Under its "pull-thru" tread is the sinewy Supertwist Cord body which takes punishment long after other cords are exhausted from road shocks

**"Ginger," at Kendrick Theatre**  
Remember the meanie of "Bright Eyes?" Little Jane Withers, the "meanie," will be seen at the Kendrick Theatre this Friday and Saturday nights in "Ginger." Ginger, a spirited tomboy of the tenements is either playing hooky or keeping her Uncle Rex out of mischief. She is a loveable little spiffire. Her capers will keep you roaring. Her hunger for love will tug at your heart! When Jane, the independent, self-reliant product of Ninth avenue, is taken into the Park Avenue home of pampered Jackie Searl, there's a swell clash with a world of comedy. She is only nine years old but she packs as many laughs to the square inch of film as any old-timer of the screen ever did. Then there's the serial and other regular features that will round out a full evening's entertainment.

It is said that in Los Angeles they put skid chains on the thermometer so that the official thermometer wont get too high or too low.

**Confectionery On Fire**  
Fire damaged the Perryman Con-  
fectionery early Friday morning, the  
alarm sounding at about 6:30.  
Considerable damage was done to  
the interior and stock by the flames and  
by smoke and water, the smoke being  
so dense that when the volunteer  
fireman first broke open the door  
they were unable to tell where to  
direct the water, however, good work  
was done and the flames put out in  
jig time.  
The blaze, of undetermined origin,  
broke out near a corner of the to-  
bacco display rack, and ate along the  
shelving toward the front of the  
store, also doing considerable dam-  
age to an ice cream cabinet near.  
Insurance adjusters were in town  
Tuesday, and the work of cleaning  
up to reopen is under way. It is not  
known just how/soon this can be  
accomplished.

Mrs. Mike Forest was taken to  
St. Joseph's hospital in Lewiston last  
Tuesday. She hasn't been well for  
some time but didn't realize her con-  
dition until shortly before she left.  
We understand she is getting along  
nicely but will not be able to come  
home for some time.  
Mrs. Nettie Trail, who underwent  
a major operation in Moscow some  
time ago, is now staying at the  
home of her daughter, Mrs. Fred  
Darby. She is much improved but  
still unable to come home. She hopes  
to come home some time after the  
new year, so we hear.  
Miss Nellie Nelson of Montana is  
visiting with her uncle, Axel Swans-  
on and family.  
John Darby and daughters Beth  
and Amy were Moscow visitors Sat-  
urday, spending a part of the time  
at the Fred Darby home near that  
city.  
Mr. and Mrs. Axel Swanson and  
family and Miss Nellie Nelson were  
guests of the L. A. Watson family  
Sunday. Mrs. Darby also called in  
the afternoon.  
L. A. Watson was a Moscow visit-  
or Friday.  
Miss Frances Farrish spent the  
week-end in Southwick.  
Mike Forest and sons Burton and  
Francis visited Sunday at the Walter  
Dorendorf home. Mrs. Darby was  
an afternoon caller there also.  
Mr. and Mrs. Roy Kent and  
daughter last week moved into the  
house occupied by the Ray King  
family this summer.  
Miss Mary Loeser visited school  
Tuesday.  
Master Lawrence Hunt visited at  
school Wednesday.

WANT some cash for Christmas? Just bring us a can of cream.

Such Is Man—When he is born, his mother gets the attention; at his marriage, the bride gets it; at his funeral, the widow gets it.

Who said scrub cream cans? We return yours ready to use.

To be college-bred, means a four year loaf, requiring a great deal of dough, as well as plenty of crust.

Why wait for your cream check?

Take it home when you get the can. We really hurry.

Just because a man falls in love with a widow by the name of Elizabeth, who has two children, could you say that he gets a second hand lizzie and two runabouts?

Serve our butter on your Xmas table. You'll find its flavor the best and the even texture pleasing.

We have it from an eminent explorer that cannibals are very proud of their table manners. We hope that they always take politicians with a grain of salt.

### SOUTHWICK NEWS NOTES

The school is still closed for this week anyway. But some decided improvements are being made in the school, house, and gymnasium, so the community as a whole will have the surprise of their lives, when they see

what a difference a little paint and carpenter work will do.

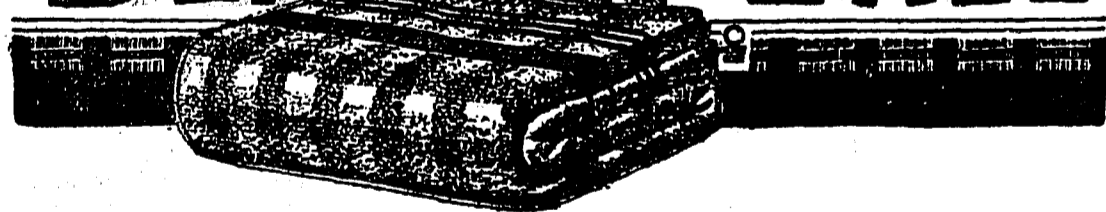

D. B. Triplett passed away at his home Friday, December 6, at the age of 81 years. He is going to be greatly missed by this community, as he was one of the first pioneers to arrive in Southwick.
