INTERESTING NEWS ITEMS FROM KENDRICK SCHOOLS

The Student Body last week voted to buy a radio for use in the assembly room during the morning and the evening, noon periods and to listen in on programs that may be of educational value. It was purchased from the Kendrick Electric Co., and is now installed in the assembly. This will give those who so desire a chance to listen in on various programs during the morning and noon hours. A separate room will be used for those

desiring to study during this time. Plans are being made for the school carnival, which will be held on Friday evening, October 14, at the school gymnasium. Following the carnival a dance will be held with Frank Fix's orchestra, This is an annual affair, the proceeds going to help finance student activities for the year. The queen candidates for the various classes are: Seniors-Erma Jones; Juniors, Laurene Craig; Mr. and Mrs. Herman Schupfer Sophomores, Bernadine Peters Procunier of Troy, left last Thursday League Alma Cox; Seventh and for Didsburg, Canada, to visit Mrs. Eight, Ethel Jenkins; Fifth and Sixth; Lois Wolff; Third and Fourth,

STATE GAME COMMISSION

The number of Idahoans who just couldn't wait until election to vote and export trade and arrivals moved for the non-partisan game commis- into commercial channels with littlesion today had mounted to more or no increase in terminal market. than 30, it was revealed by Ira H. stocks.

Masters, secretary of state. Phamplets distributed from his office through county auditors and ings from the large supplies again. containing the state fish and game became a dominant influence in the commission act were returned by world wheat markets. Canadian voters in all sections of the state. On all phamplets except one the and were nearly six times those for affirmative vote, No. 100, had been the corresponding week last year. marked.

one envelope postmarked Big Creek. Several were sent from Sheaville, Oregon, where ranchers of the Cow Creek section of Owvhee county receive their mail. Others were mailed from Sandpoint, Georgetown, Gooding, Kooskia, Nampa, St. Maries, Twin Falls, Pocatello and Jerome.
"I believe most voters understand," Masters said, "that the

phamplets were distributed merely to acquaint them with the measure. It will actually be voted on in the general election November 8." The secretary of state also said

be sent prepaid to persons writing or wiring his office. Ira Anderson, Boise, chairman of the State Junior Chamber of Com-merce, added his remarks to the situation with: "The Idaho State Junior Chamber of Comperce is behind the non-partisan game commission whole-heartedly and with-out qualification. We realize the necessity for preserving and restor-ing our wildlife; we know that it cannot, be accomplished under the recently improved conditions for the old political game department setup, and we believe that the commission, with its civil service status for employes would be successful in

these aims. "At our state convention," Ander-On Friday afternoon of last week the officers of the Girls' League entertained the manhant testing the measure and we're still behind the game commission son added, "we passed a resolution committee will soon be named to work for its passage."

F. F. A. Boys Take First Place

The Portland Livestock show which is the best of its kind on the Pacific was well attended by stock and grain enthusiasts of the United States. Purebred livestock and thoroughbred saddle horses were exhibited in great numbers. The cattle, swine and sheep represented many different breeds. The grain exhibits, produce, etc., of Oregon occupied a great deal of space in the display section. Modern machinery was also at 50c per barrel. No indemnity the center of attraction. There were many other things that caught the human eye but space will not per- advance in Australian flour prices. mit a fuller description.

job of judging— placing first for western white at 63½c, western red Idaho and seventh out of 63 teams at 62c and hard white (baart) at represented at the show. Friday was spent visiting the Car-

nation milk condensery and a part sacked. At Seattle western white of General Foods, Inc., cold storage was quoted at 62c, western red at plant, where most every kind of vegetable was handled along with white (baart) at 63c per bushel

At this time some 200 boys tested at the County Fair in Moscow, but their ability as livestock judges. In did not accept because they had not the afternoon the boys were given complimentary passes to attend the events in the arena. It was a great show and much enjoyed by all. We left Portland about 7 a. m.

Sunday, and with Rex Blewett at the helm arrived in Kendrick happy but tired Sunday evening.

The boys making this trip were Bill Cox, Rex Blewett, Don Jones, Deryl Ingle, Ray McGraw and their instructor, Don Lyle.

Refreshments were served at the close of the meeting.

GRAIN MARKETS LOWER DUE EUROPEAN SITUATION

Grain markets became more settled toward the close of September, foled with diners for a good share of lowing the adjustment of the European controversy, state the U. S. Bureau of Agricultural Economics The program, given later in the Bureau of Agricultural Economics church, was also well attended and in their Weekly Grain Market Review. Prices lost most of the recent gains and factors normally dominant in the market situation became more purchase of a piano for the church apparent. Market receipts increased, basement. price advances and the larger offering resulted in some lowering of the IDEA STRONGLY FAVORED cash basis in addition to the decline in futures. Demand generally was fairly active, both from the domestic

With the return of more nearly marketings were unusually heavy the corresponding week last year. Stocks have accumulated rapidly in terminals with . 130,000,000 reported in commercial stocks on September 26 compared with 72.-000,000 a year ago. Export inquiry was fairly active, but pressure of offerings weakened the market and prices at Winnipeg declined 3½c per bushel, with No. 1 Manitoba northern quoted September 30 at 62c and No. 3 at 57c per bushel.

The Liverpool market turned weaker but did not lose all of the gain of the previous week. At the close of the market September 30, United States No. 1 hard winter that a number of surplus phamplets sian wheat of average quality at remained for distribution and would 71½c, Canadian No. 3 Manitoba at 79½c. World shipments have continued fairly heavy, totaling nearly 87 million bushels during August and September, compared with about 75 million during the corresponding period last year. Southern hemisphere shipments during the week amounted to approximately 2,750,000 bushels, while Black Sea shipments amounted to over 2 million bushels, of which slightly over 1,500,000 bushels were Russian wheat. Rains have seeding of winter crops in Russia and seedings to September 20 were reported at 67,700,000 acres com-pared with 74,800,000 acres to the same date last season. Stocks of wheat on ocean passage at the close of September were nearly 50 per cent larger than last year and taled approximately 30 million bush-

els from all ports. Domestic cash wheat markets were lower with futures although milling demand was fairly active and a moderate export trade was re-ported. Marketings in the Pacific Northwest were relatively light with only 441 cars received at Puget Sound and Columbia River terminals during the week. Sales of flour to the Philippines under the indemnity plan totaled 47,200 barrels for the week and worldwide sales amounted to 65,364 barrels, with the indemnity price to the Philippines on September 29 at 40c, and worldwide price was quoted to the Philippines on September 30 as the result of an On September 30, soft white wheat The Kendrick boys did a splendid was quoted at Portland at 64c, 60½c and hard red winter at 60½c per bushel, all basis No. 1 grade, 59c. hard winter at 58c and hard bulk. Official reports indicate that Saturday was the day of days, while recent rains were of some benefit, the soil in Northwest wheat producing areas was generally too dry for plowing and seeding of fall grain. Some increased demand for feed wheat was reported in the Willamette valley and Puget Sound consuming areas as a result of continu-

ed dry weather in those sections. Marketings of spring wheat inreased sharply with a total of 2,-916 cars received at Minneapolis and Duluth. Domestic flour business slackened with the sagging tendency of the wheat market and the resultant slower mill demand made for a weakening of about 1c in the cash wheat situation in addition to the

decline in futures. Pacific Northwest barley markets developed a firmer tone during the period with trading and movement more active. Demand from local and nearby mixers for feeding types improved and prices advanced about 2½c per 100, compared with the previous week. No. 2 bright western by a brother and sister of the barley weighing 45 pounds per bushel was quoted at Portland on September 29 at \$1.00 per 100, sacked basis. Receipts of 49 carlots of barley reflected the better movement into commercial channels during the

Oats markets in the Pacific Northwest showed further strength along with other grains during the week. Quotations at Portland were about 21/2c per 100 higher than a week ago, with No. 2 white oats, weighing 38 pounds, quoted at \$1.25 per 100, sacked basis. Gray oats continued only nominal at terminals values. Seventeen carlots of oats were received at Portland during the week, mostly white, going to mixers

There is a broad distinction between character and reputation, for one may be destroyed by slander, while the other can never be harm-

ed save by its possessor. -Holland.

Can't Sleep, Gas

Presses on Heart Mr. Woodrow Lowry says: "Stomach GAS bothered my heart so I couldn't sleep. The first dose of AD LEREKA relieved the stomach GAS. Now I can eat such things as beans, onions or tomatoes without distress." When clogged bowels cause nerve pressure, gas bloating, stomach pain, indigestion, bad headaches or sleepless nights, get ADLERIKA. The first dose usually relieves stomach GAS and constipation. Thorough action, yet does not gripe. Red Cross

HAROLD THOMAS, Editor

Well, Folks-Looks like we are in for a wet fall, and the hunters in the woods will think it even wetter, but at that we envy the fellows who are there. For the man who goes to the woods and expects the comforts of home is bound to be badly fooled When you go big game hunting you must expect nature in the raw— and at times it seems worse than that. Wet brush is no respector of persons, but a good camp and plenty of good good can compensate for a lot of discomfort— and besides, there is the thrill of the hunt and the smile of suc-

When the hunter returns there is no more logical place to put that meat than in one of our

Janey: "Yes ma'am, 'unaware' is what you take off just before

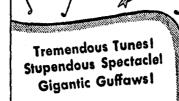

Nellie: "Gracious but you and Jim were gone a long time. Have a blowout? Maud: "No, he never spent a

Small Boy: "Mummy, where does the light go when it goes

Mom: "That, sonny, I don't know, and you might as well ask me the same question about your father."
