## INTERESTING NEWS ITEMS FROM KENDRICK SCHOOLS

Winter exams were given Wednesday and Thursday of this week. We all feel about as "newsy" as bunch of clams. Everybody's so busy that when we asked them for news they all replied: "Oh, just anything." And really, it's full of news. The school will be dismissed Friday and give the teachers a chance to give our grades and work for the semester.

Basketball we have three games tonight. Last Friday night the boys played Culesac here, and won a swell game! We won from 21 to 14, but it was really a sea game.

Monday night we played the Winchester Loggers—first and second string games. The second string lost to the Winchester second string 12 to 13.

The first squad game was really a thriller, and we believe the best we've seen here so far this year. It was featured by close guarding and snappy action. The first half was a close even—Stephen affair.

At the first one side and then the other, the Kendrick Tigers draw to a lead, which was never regained. When the final gun rang the score stood 31-19, Kendrick.

The basketball schedule for the coming games is as follows: Monday—Lapwai vs. Kendrick at Kendrick.

Wednesday—Winchester vs. Kendrick at Winchester.

Friday—Genesee vs. Kendrick at Kendrick.

Monday 27—Southwick vs. Kendrick at Kendrick.

Wednesday—Culesac vs. Kendrick at Culesac.

Friday—Genesee vs. Kendrick at Genesee.

We have yet to schedule our games at Juliaetta.

Glady's Owen, demonstrator for the W. P. Co., was here Friday of this week and gave demonstrations in electric cooking to the Home Economics girls.

The F. A. plans to hold a party for the girls who helped to organize the F. A. banquet.

Joe Candler has been absent from school for some time.

The fifth and sixth grades are re-writing and having exams this week. Their art classes have been drawing snowmen and other designs.

Celebrate Wedding Anniversaries Mr. and Mrs. W. H. Smith of Juliaetta celebrated their 55th wedding anniversary January 1, by holding an open house at their home there.

They were born in Glenwood, Mo., and married there Jan. 1, 1884. They came west in 1906. Mr. Smith was employed as master mechanic for the Potlatch Lumber Co at Bovill, Idaho, for 20 years. They have seven children: L. A. Smith, Diamond Spring, Cal.; W. L. Smith, Vallejo, Cal.; Mrs. Thomas W. Nevitt, Clarion; Mrs. J. W. Sanderson, Bovill; Mrs. C. A. Tripp, Jr., Placerville, Cal.; Mrs. Roy Johnson, El Centro, Cal.; and Mrs. W. Grantham, Juliaetta.

Among other guests they also entertained Mr. and Mrs. J. W. Hughes of Juliaetta, who were celebrating their 51st wedding anniversary. Mr. and Mrs. Hughes were married at the home of Mr. and Mrs. Smith in Glenwood, Mo., Jan. 1, 1888.

Gave Birthday Party The following article was in some manner overlooked last week, and we were apologize for the omission.

A party in honor of the birthday anniversary of Mrs. A. W. Ahl was held at the Gust Lukens home on Wednesday, December 28. The time was spent socially, with Mrs. Ahl receiving many lovely gifts. Refreshments were served.

Those attending were Mrs. Elwood Pearson, Mrs. Earl Hund, Mrs. C. W. Guier and daughter Carol, Mrs. Hiram Galloway, Mrs. Anna Murphy, Mrs. Nellie Slead, Miss Nina Slead, Mrs. Everett Fraser, Ethel Fraser, Mrs. Gust Lukens and the guest of honor, Mrs. Ahl.

In music it's tune, in business it's advertising!

## Bear Ridge Bachelor's Club

About 60 people of the Bear ridge community met at the hall last Thursday evening for a social gathering. Fifty played pinochle during the time, following which delicious refreshments were served. Any residents of Bear ridge are cordially invited to come each Thursday evening at 7:30.

Our topic for next Thursday, Jan. 12, will be, "Minerals, Vitamins and Livestock Tonics." If you are curious to know about some of these, come out.

## DOINGS OF KENDRICK FRIENDS AND NEIGHBORS

Mrs. Bob Whitehead of Tekoa arrived this week to visit her sister, Mrs. Walter Brocke and family.

Mr. and Mrs. Roy Jump had as a dinner guest Sunday Frank Smith of Lewiston.

Dr. G. W. McKeever was a Spokane visitor Sunday morning, returning that evening.

Joe Davis was a Moscow business visitor Monday.

Miss Arlene Deobald was a passenger for Moscow Friday morning, returning that evening.

Mrs. James Pemberton was a Lewiston visitor last Friday.

Mr. and Mrs. Herman Schupfer and children drove to Troy Sunday, where they were guests in the Fred Arneberg home.

Mr. and Mrs. J. M. Lyle and children, LaMoyné Simons and Don Lyle drove to Moscow Sunday.

Mr. and Mrs. F. H. Rider were Lewiston visitors Sunday afternoon.

Mr. and Mrs. Ray Stewart and Theo Shepard drove to Clarkston Sunday, where the latter is attending school.

Mr. and Mrs. Lyle Hosterman are moving this week to Juliaetta, where they will occupy one of the Buckallew homes. They were unable to find a place of residence here.

Wayne and Eugene Lind spent the week-end in Teakean with their grandparents, Mr. and Mrs. John Lind.

Mr. and Mrs. E. A. Deobald and family were guests in the Otto Schupfer home last Thursday evening, where they enjoyed a waffle supper.

Mrs. W. L. McCreary and son Parker left Tuesday evening for Spokane for a short visit with her parents, Mr. and Mrs. F. E. Griffith.

One In—One Out Sunday's papers carried the information that one Al Capone had been transferred from Alcatraz prison to Terminal Island, near San Pedro, Calif., where it was said he would remain for a year on a misdemeanor charge. The former Chicago gang leader was involved in fist fights and other forms of recreation at different times during his residence in Alcatraz.

The Sunday papers also carried news of the unconditional pardon of Tom Mooney, who had served 22 years in prison for the alleged Preparedness Day bombing of a parade in San Francisco, being convicted in 1917. Tom immediately launched on his old theme of leading parades—and we predict he will be a thorn in the flesh of law enforcement officers for several years to come. Harry Bridges, notorious west coast labor leader was one of the paraders. We wonder where Madam Perkins might have been?

Mooney was given an unconditional pardon by newly-elected Gov. Olson of California. Olson collapsed from a nervous breakdown and has spent several days in a hospital following his unprecedented action. The action was unprecedented because the Supreme Court of the United States had ruled that Mr. Mooney was guilty.

Hobo Gang Coming Stop, look and listen! Hold everything. With the advent of a beautiful park on the hills north of town, it has been rumored that hobos from far and near will be in Kendrick to make this park their winter rendezvous.

There is every possibility that there will be sufficient numbers in town to furnish entertainment for the P.-T. A. meeting, Monday evening, Jan. 16.

Come out and bring your friends and let the men folk of Kendrick entertain you for the evening.

Patrons of the Kendrick schools residing in the rural districts are especially urged to attend.

Daughter In Hospital Mr. and Mrs. W. A. Perryman received word last Friday that their daughter, Mrs. Walter Wagner of Portland, who spent the holidays here, was confined to a hospital in that place, following a nervous breakdown. Her condition is not serious but she will be confined to her bed for some time.

## J. B. HELPMAN, PIONEER WRITES OF EARLY DAYS

J. B. Helpman, pioneer resident of this section, and particularly of Kendrick proper, sent us the following brief history of Kendrick, and we believe it will prove of interest to every resident, both new and old:

"Learning that the N. P. Railway was building a branch from Pullman through Kendrick, we came up from Lewiston to look and listen—and stayed. Thus on June 10, 1890, we found the beginnings about as follows:

"A string of shacks on what is now Main street, but not a single one that could be called by a better name.

"Thomas Kirby was operating a drug store in a story-and-a-half building, with the post office in the rear of the drug store.

"M. C. Normoyle was having material hauled for the construction of a hotel, which was located on the southeast corner of the now City park. When completed, it was a credit to any small town, and Mr. Normoyle proved to be one of the best, if not the best, booster Kendrick ever had.

"J. P. Vollmer was operating a general store (Mat Jacobs, manager) just north of where N. E. Ware's barn now stands.

"Wm. Myers was operating a blacksmith shop this side of the store.

"Cap Carlton opened up a very small grocery store later. A customer coming for lunch inquired the price of a small can of sardines. 'Cap' replied: '10c or 2 for 25c.' The customer took two, 'Cap' took the 25c.

"Durham and Kaufman (E. Kaufman, Manager) moved from Juliaetta as soon as the Wilcox and Helpman building was completed, opening up a fairly complete general store.

"The Lincoln Bros. (Will and The.) were the first to enter the hardware line, soon selling out to Messrs. R. M. Walker and Robert Sinclair.

The Gazette's first printed sheet was put out by a Mr. Frost, owner, publisher and devil; in whose shop our first big fire started. Some thought he set it, and talked that he should be lynched. Hearing of the talk, he made double-quick time down the street, not waiting to secure coat or shoes, and so far as the writer knows, never was heard from again.

"Our first attorney was Geo. W. Coultts.

"Our first physician was Dr. Rothwell, who enjoyed splendid success in his profession.

"Our first male school teacher, P. E. Stookey, now an attorney in Lewiston, was soon followed by John Barackman, now of Moscow, who, we believe, held the position of principal longer than any of his successors.

"E. T. Tasment was our first civil engineer.

"Our first barber was Wm. Crews.

"Davis Wright, (brother of Geo. Wright, now deceased) opened the first real livery stable.

"Valley E. Nichols first operated a dray and delivery business.

"The first grist mill was operated by M. F. Freeman.

"The grain warehouse was operated by Balfour & Guthrie, and managed by B. G. Peters.

"Our first realtor was F. C. Pettey, looking mostly after the interests of the Townsite Co.

"It is doubtful if anyone could say who opened the first saloon, they came so rapidly, one, at least, opened in a tent.

"The writer put the finishing touches on the Hamley Bros. (John and William) harness shop, they opening up early in 1891.

"The Kendrick State Bank opened in 1891 by Captain J. M. Walker and his son, R. M. Walker, cashier."

Mr. Helpman adds as a footnote: "Might and could give more Kendrick history, but enough for now. Will wait and see if this is of interest."

We have but one thing to say: And that is that everyone is interested in the history of his or her town, and I am sure our readers would appreciate the fullest and most complete description possible. We hope he again favors us, and at an early date.—Ed.

Mr. and Mrs. Otto Silflow entertained at a pinochle party at their home Friday evening with nine tables in play. High score for the ladies' went to Mrs. Wilbert Brunseik, and low to Mrs. Geo. Wilken. High score for the men was won by Herman Meyer and low by Wm. Brammer. The "Galloping Goose" was awarded Mrs. A. F. Wegner. A delicious lunch was served by the hostess at the close of play.

Mr. and Mrs. Gus Kruger and daughter Rosalie were Lewiston visitors Thursday.

Mr. and Mrs. A. G. Peters and daughters Bernadine, Irene and Jane and Lawrence Abitz were Sunday dinner guests of Mr. and Mrs. Lyle Harrison.

Sid LaHatt of Kendrick spent Monday with Edwin Mielke.

The Lutheran church held their annual congregational meeting Sunday afternoon. The Ladies Aid held their annual meeting and election at the same time. Mrs. A. F. Wegner was elected president, Mrs. T. Meske, vice-president, Mrs. Gus Kruger, secretary and Mrs. Henry Wendt treasurer. The next meeting will be an all-day meeting on Wednesday, January 18.

Fred Mielke and sons Ted and Ed, and Mrs. F. W. Newman were Lewiston visitors on Wednesday.

Mrs. Don Johnston of Agatha spent several days last week with Mr. and Mrs. Glen Wegner. Mrs. Johnston and Mrs. Wegner are sisters.

Herbert and Ernest Schwarz were visitors in Lewiston Friday.

Mr. and Mrs. Otto Schoeffler, Ted Mielke and Herbert Schwarz called on Mr. and Mrs. Given Mustoe at Southwick Sunday afternoon.

Gus Kruger was given a surprise birthday dinner Thursday evening by friends and relatives. Those present were Mr. and Mrs. Henry Wentt and daughters, Mr. and Mrs. Otto Silflow and children, Mr. and Mrs. Fred Silflow and family and Rev. and Mrs. Meske.

Growers Will Meet Friday Judging of potatoes by Smith-Hughes agriculture students from Kendrick, Troy, Moscow and Lapwai high schools will be a feature of the Northern Idaho Horticultural society, according to County Agent J. W. Thometz, who is arranging the event. The meeting will be held at the Lewis-Clark hotel Friday and Saturday, beginning at 9:30 a. m. of each day, says the Tribune.

Students will judge commercial and seed classes of potatoes. The tubers will be from the Lewiston area. All sessions will be open to the public, said Mr. Mullarky. All growers and any others interested in the discussions on production, marketing and care of produce will be welcome, he added.

Even "Garden Flowers and Their Care," will be featured in the discussions, which will satisfy a wide range of interests among growers, he said.

Try Novel Merchandise Plan In this issue of the Gazette will be found an ad. from the McDonald Chevrolet Co., Lewiston, announcing the display of a caravan of used cars in Kendrick on Saturday, Jan. 21, with their headquarters at the Kendrick Garage. The plan is novel in that anyone may write the company at Lewiston and ask that any particular make or model of used car be brought up for their inspection, without obligation of any kind. Entertainment will be furnished by a modern sound car accompanying the caravan. Anyone interested in a used car should be able to secure what he wants from this selection.

Mrs. Trenary Improving Mrs. Trenary, resident of Juliaetta, residing with Mrs. O. Dumbauld and who fell and splintered her right shoulder blade last week, is improving nicely. She is 84 years old, and progress necessarily can not be as rapid as in a younger person.

Mrs. Trenary recently returned to Juliaetta after an absence of some three years in Kansas.

## Eight-Eight Bridge Club

Mr. and Mrs. E. P. Roberts entertained the Eight-Eight Bridge club in their home last Thursday evening.

Following a dainty dessert served by the hostess bridge was played at four tables. High scores for the evening were held by Mrs. Lester Crocker and F. B. Higley.

Invited guests were LaMoyné Simons and Mrs. Wade Keene.

## COMMERCIAL CLUB HOLDS REGULAR MONTHLY MEET

On Monday night of this week the Kendrick Commercial club held another of its regular monthly meetings with 20 members and three visitors present—the visitors being the "Three Musketeers" from the High school—Betty Boyd, Annabelle Deobald and Mary Havens, who favored the club with two songs, one being especially dedicated to Harold Thomas and his "Bulletin" entitled, "Ferdinand, The Bull," the other being "Harbor Lights." Both were much appreciated and the club hopes soon to have the young ladies entertain them again.

Just prior to the entertainment dinner was served by Mrs. Paul Lind and Mrs. Edgar Long.

Don Lyle announced that the men were expected to put on a program at the P.-T. A. meeting next Monday evening, which will more than likely be given in the gym, as the men do not like such "cramped" quarters—neither do they like to have their "style" cramped. The program is under way, and promises to be really "sumpin'."

Marvin Long announced that the Christmas tree and entertainment given by the P.-T. A. and the Kendrick Commercial club, was an unqualified success, and that there was a large crowd in attendance.

J. M. Lyle, Jr., chairman of the entertainment committee, announced that at the March meeting Dean F. K. Bonnett of the U. of I., who is now over seas, will return within the month and will bring with him a new supply of pictures, of the nature he showed here about a year ago. The pictures are entertaining as well as instructive.

Mr. Lyle also announced that the Class B Basketball tournament will be held in Grangeville this year, for the reason that the three Class A teams—Lewiston, Moscow and Potlatch—thought they were drawing all the crowds and Class B teams reaping the benefit. Mr. Lyle said several organizations in Grangeville have underwritten the tournament and would do everything possible to make it a success—and there is every reason to believe it will be.

The question of roads again being brought to the fore, some discussion was had, but since N. E. Walker, chairman of the Highway committee had gone to Boise on business the matter was left over until next month's meeting. It was also stated that the committee had high hopes of a WPA project to be put through on Texas ridge. There will more than likely be a report on that, too, next meeting.

It was announced that there would be a dinner meeting of the county planning board at Moscow on Wednesday of this week, which will be attended by Dr. Christensen as a representative of the club.

A suggestion was made that something be done to clean up—or at least clean the underbrush from the hillside south of town which, it is hoped, will be made into a park. It is just a little steep for many picnic parties at the time, but the hill is worth much to the town just as it stands. There are few hillside that show up as good advantage as does this one.

Rev. Bill Gray announced there would be another "Community Sing" Thursday night, January 19, and that in addition the M. E. district superintendent would more than likely be present and would have some splendid pictures. At 6 o'clock, preceding the "sing," the girls of the Senior League will give a chop suey supper—and each and everyone is invited to attend.

Mr. and Mrs. Raymond Vaught and Mrs. Oscar Shind will render solos. The question of flood control was again taken up, but was passed over until a future date.

There being no further business the meeting adjourned until Monday, February 13.

## County Officers Take Places

Latah county officers were sworn in last Monday, the oath being administered to the newly-elected county commissioners by County Auditor Harry A. Thatcher, and they, in turn, elected Walter Driscoll as their chairman for another term, who gave the oath of office to the other county officers.

Only two new faces—George K. "Hap" Moody, sheriff, and Art Craig, who succeeds Fred Hove as commissioner. County officers for the ensuing year are as follows: Harry A. Thatcher, auditor and recorder; L. G. Peterson, probate judge; Leola R. King, treasurer and tax collector; Walter Q. Taylor, assessor; Horace J. Woodworth, county superintendent; H. R. Short, coroner and Murray Estes, prosecuting attorney.

Is Convalescing Roy Thomas, son of Mr. and Mrs. John Thomas of Little Bear ridge, who has been critically ill with pneumonia at the home of Mrs. Clifford Davidson, is improving at this time. However, his mother, who has been with him all the time, is still at his bedside.

## DOMESTIC WHEAT UP DESPITE FOREIGN WEAKNESS

Domestic wheat markets made further gains during the first week in January and feed grains were steady to slightly higher, state the Bureau of Agricultural Economics in the Weekly Grain Market Review. Moderate marketings and a good inquiry from millers and shippers were strengthening influences in wheat and prices advanced 1c to 2c per bushel despite weakness at Liverpool, where increased offerings from Uruguay and Argentine lowered quotations on foreign wheats. Oats and barley were firm to very slightly higher with a good inquiry prevailing for both grains.

Pacific Northwestern cash wheat markets were slightly firmer along with eastern markets, ranging from unchanged to 1/4c per bushel higher as compared with the previous week. On January 6, soft white wheat was quoted at Portland at 67 1/2c, western white at 67 1/2c, western red at 65 1/2c, hard red winter at 63c and all basis No. 1 grade in bulk. Wheat receipts at Puget Sound and Columbia river terminals dropped to 662 cars for the week. Indemnity payments on flour sales for export at the close of the week were 90c to the Philippines, 95c general from Pacific Coast ports and \$105 per barrel to China. Demand for cash wheat during the week was principally from millers who were interested primarily in white wheats. Business to California remained very light. Exporters were not actively in the market during the period. Lack of selling pressure from growers, however, made for fairly firm market tones at the close of the week. Wheat mill feed markets remained firm and unchanged.

## Lewiston Given "A" Tournament

Lewiston was awarded the district Class A basketball tournament and Grangeville the district Class B tournament Saturday when the board of control of the second district of the Idaho High School Athletic association met at Grangeville, J. M. Lyle, Jr., Kendrick, secretary, announced.

The "big three," Lewiston, Moscow and Potlatch, will compete for the district title at Lewiston March 9, 10 and 11 and the eight strongest class B schools will meet at Grangeville March 2, 3 and 4.

Secretary Lyle said that "civic clubs of Grangeville have underwritten the financial success of the district B playoff," which will be moved from Lewiston for the first time in many years.

Removing the class B tournament from Lewiston has been a step more or less anticipated, since early last fall when "big three" members insisted upon a separation of their tournament from that of the smaller schools, declaring that they provided the drawing power and that the B institutions shared in gate receipts out of proportion to their earnings. Class B athletic officials, resentful of the treatment, immediately began talk of taking the tournament from Lewiston, with Moscow and Grangeville the favored sites in early talk.

David Ross, Troy, president of the district association, and Paul Dempsey, Nezperce, vice president, conferred with Grangeville civic leaders Saturday along with Mr. Lyle.

The class B playoff will attract two teams each from the two divisions of the prairie conference, two from the valley conference and one each from the smaller white pine and river circuits. It will be played at Grangeville's new high school gymnasium.

The state class B tournament will be played at the new Lewiston Normal school gym. March 16, 17, 18.—Lewiston Tribune.

## Wayne Baker Passes

Wayne Baker, 12-year-old son of Mr. and Mrs. R. L. Baker, who operate the Baker Gardens about one and a half miles west of Juliaetta, lost his life in a very unusual accident at the Juliaetta school Tuesday afternoon.

During the afternoon recess Wayne and a group of his seventh grade friends were playing near the Juliaetta school. In some manner he fell, struck his head on the concrete sidewalk in front of the school building, the blow rendering him unconscious. He was promptly picked up by W. Grantham, who was supervising the play, and Dr. Christensen of Kendrick called. After an examination he was rushed to St. Joseph's hospital, Lewiston, where he passed away about 5:30 o'clock that afternoon, death being due to a fractured skull, doctors being unable to relieve the pressure in time to save his life.

The school had their stove repaired and relined Saturday.

Howard Starr is staying with his brother, John Starr and family.

Some of our young folks attended the Grange dance at Teakean Friday night. A good time was reported.

**"Sing You Sinners"**

Bing Crosby believes that his songs contain prophecies. Just ten years ago he sang the memorable, "I Found a Million Dollar Baby in a Five and Ten Cent Store," and now the leading lady of his latest picture, "Sing You Sinners," Ellen Drew, who will be seen here this coming Friday and Saturday nights, rose from just that. The story is of the ups and downs of a mad-cap family, who rise from small-town obscurity to fame and fortune at Los Angeles night clubs and race tracks in a series of gay episodes.

Bing sings some of his best songs and of course Fred MacMurray is on hand, as well as glamorous Ellen Drew, the new five-and-ten find.

We believe you'll like all of this show. The usual shorts will also be shown.

**A Correction**

Last week we made mention of a real estate transaction between Mr. and Mrs. Tom McDowell and Mr. and Mrs. Clifford Davidson, stating that the property involved was the west brick house on Main Street, when, in fact, the transaction involved the lots just east of the Herman Lohman residence, formerly known as the John's place.

**Shoe Shop Moved**

The Kendrick Shoe Shop, owned and operated by Tom Barnett, has moved from its old location to the building in the rear of the Kendrick Postoffice.

Mr. Barnett said the change was made to secure more room for the new machinery he recently installed.

**First Buttercups**

The first buttercups of the season to be brought to school were found by Roberta Barnett and delivered to her teacher, Mrs. S. Cook, on Tuesday. Why move to California?

According to the military experts Washington is to remain the least fortified capital in the world. May be we ought to keep Congress in continuous session so that in case of an aerial attack it will be possible to raise an impenetrable fog!

 Rev. Bachelor, well-known evangelist and missionary to Hawaii, will be in Kendrick Saturday evening, January 14, at 8 p. m., when he will speak at the Full Gospel church.  
 Rev. Bachelor is in the United States on furlough from Hawaii, and is holding revival meetings in all parts of the country. At present he is with Rev. L. G. Baker at the Prayer League Tabernacle in Lewiston.

This fine evangelist is also a talented violinist, and has a unique gift as an artist. While the congregation sings a hymn, he illustrates it by drawing a beautiful picture with colored chalk. These pictures are made still more impressive by the use of different electric lighting effects.  
 Come early for a seat, as a large audience is expected. Everyone is welcome.

Kendrick merchants help support our schools, churches and other local activities and are entitled to at least a share of our trade.

**EDITORIAL**

Well, Folks—We've been hammering business at you pretty hard for several weeks, so beyond reminding you we want to buy your cream; and sell you butter, milk, ice cream and sweet cream we're going to devote this issue to fun. We hope you enjoy it.

He: "Why do you call them clock stockings? I don't see any hands on 'em."  
She: "No, and there aren't supposed to be any hands on them, either!"

A fat girl sat on a young man's lap.  
She knew that it was wrong, But the young man was a

skinny guy,  
So she didn't sit there long!

Don't open your bank, Tillie, there's no sense in that.  
No, but there's a dime an' two tax tokens in it.

And then there is the Indian maid who had a lot of fun with a beau and error.

She: "Im Suzette, the Oriental dancer."  
He: "Shake."

Mrs.: "I suppose you expect me to believe you came stright home from the office?"

Mr.: "Sure I did (hic), I came home just like the crow flies."

On display in our windows you will see the very latest in oven glassware — round dishes, square dishes, oblong dishes, of all sizes and descriptions — with and without lids — and all are very necessary items in anyone's kitchen. Glassware is easy to clean, sanitary and economical, for it gives an even distribution of heat throughout the whole dish.

On display, also, are many of the very latest types of aluminum cooking utensils, both in oven and atop-the-stove types. You are cordially invited to see them.

Both kinds are modestly priced.

We are today displaying a number of the newest models in heating stoves. The parlor furnace, in its new styles, makes a real addition to anyone's home. Prices are within the real of everyone.

Come in and see them.
