DEATH CLAIMED 173 LIVES ON IDAHO ROADS IN 1938

Carelessness, speed, drunkenness, inattention were the "Four Sins" which claimed 173 lives upon Idaho highways during 1938. This was five times as many as in 1937 and a total of nine lives saved in 1938 by the State Highway Bureau has established. During the past year 1,064 highway accidents were reported, which included the fatal and caused injuries to 319 persons and did an estimated damage of \$1,129 to motor vehicles. These figures show that the traffic accident problem, which was submitted to M. Rayner, Commissioner of Transportation, by E. T. Spencer, director of the department.

Reviewing the reports for the past months it was shown the greatest number of crashes occurred in daylight with clear skies and roads, which bore no defect. The major cause of the accidents attributed to drivers who failed to observe courtesy and common sense on the road. The summary for 1938 shows the sex of the persons killed as 121 males and 52 females, and the injury list at 526 males and 293 females.

In the types of accidents it shows that the greatest number killed were in non-collisions, which was 47, in the collisions 36 were killed, 103 injured. Fourteen railroad motor vehicle crashes took 23 lives; 10 were killed when cars struck bicyclists and four were killed in bicycle crashes. Four were killed injured when cars hit fixed objects. A collision between a car and a horse-drawn vehicle resulted in death.

Sunday was the day for the greatest number of accidents, with 249, of which 240 were fatal and 209 non-fatal. Saturday was second with 187 accidents, 23 of which were fatal and 164 non-fatal. In the circumstances attending occurrence of accidents in the matter of time, it was found that between midnight and 1:00 a. m. there were 155 accidents, of which 28 were fatal and 127 non-fatal. The second "Death" hour was from 7 p. m. to 8 p. m., with 18 fatal and 33 non-fatal accidents, making a total of 73 and 113 non-fatal. The hour ahead of that stated, which had 65 accidents, 12 fatal and 27 non-fatal.

Of the 1,064 accidents, 760 occurred between intersections of roads and 317 non-fatal. The types of vehicles involved were 1,334 passenger cars in 125 fatal and 521 non-fatal accidents. The residue of the accidents involved 677 from the metropolitan districts in 79 fatal and 244 non-fatal, while 322 drivers were killed elsewhere in the state were 244 fatal and 121 non-fatal accidents. 244 drivers from out of the state figured in 24 fatal and 97 non-fatal accidents.

Of the drivers 1,503 male drivers were involved in 159 fatal and 581 non-fatal crashes, while 152 female drivers were in 17 fatal and 54 non-fatal accidents. Drivers between the ages of 30 and 49 years were in 10 fatal and 187 non-fatal. Drivers going straight ahead were in 1154 accidents, of which 127 were fatal and 85 non-fatal. Cars ran off the roadway in 141 accidents, of which 5 were fatal and 59 non-fatal.

Exceeding the speed limit caused 2 fatal accidents, while improper driving caused 31 fatal crashes, here were 110 fatal accidents and 49 non-fatal accidents with cars that did not have any mechanical defects.

In 80 accidents the drivers in fatal crashes were under the influence of liquor and in 18 other non-fatal crashes there was no defect in the drivers. Of the 37 persons killed five were under the influence of liquor while 18 were in normal physical condition.

The summary shows that the roads had no defect for 850 accidents, of which 117 were fatal; the road surface was dry in 107 fatal accidents and the weather was clear in 103 fatal accidents. In the daylight here were 549 accidents, with 71 fatal and 337 in the darkness with 48 fatal.

In listing the fatal and non-fatal accidents, Spencer said that 25 per cent claimed two or more lives in each. There were three accidents which claimed four lives each, while three persons were killed in each of three crashes. Ten accidents claimed the lives of two persons in each.

Entertain Husbands

The ladies of the Afternoon Bridge club entertained their husbands at a delightful 6:30 dinner in the home of Mr. and Mrs. E. A. Deobald Monday evening, with Mr. and Mrs. E. A. Deobald, Mr. and Mrs. W. A. Watts, Mr. and Mrs. A. L. Dawald and Mr. and Mrs. Harold Thomas acting as hosts and hostesses for the evening.

Following the dinner all adjourned to watch the Kendrick-Juliaetta basketball game. After the game all returned to the Deobald home, where bridge was played at six tables. High scores for the evening were won by Mrs. Harold Thomas and A. L. Dawald, with the consolation going to Mrs. R. L. Blewett and George Leith.

DENNLER BROS. FIX RIDGE, PERFECT BEAN CUTTER

Denner Brothers, residing on Fix ridge, together with Chas. Kerby of Moscow, have perfected a combination bean cultivator and cutter, which is said to have many advantages over the old-style method of handling the crop. The machine was originally developed for the cultivation of beans, but after it had been completed, it was seen that it could also be turned into a bean cutter, with decided advantage and work was begun to the end that they now have a combination machine that will cultivate four rows of beans at one time and when used as a cutter four rows are also handled and are picked up by wire teeth and transferred to a carrier, or draper, and are conveyed to one side of the machine and the four rows are made into one reversing the trip across the field, the machine cuts four more rows and they are piled with the other four rows into one windrow, so when the hand work of piling is begun there is less work for the reason that there is less ground to be covered by the men with forks.

The machine has been tried out and found to do all that is claimed for it by the inventors. It is fastened to the front of a crawler tractor and is handled by levers for raising and lowering the machine. It is said to weigh around 1,500 pounds, with all attachments, and will be made to sell for around \$500 to \$600. It is claimed that 65 acres can be cultivated in a 10-hour shift and when the machine is used for cutting and windrowing, 50 acres can be covered in the same length of time.

The device was built almost completely on the Denner farm in the brothers' own shop.

It is said that several big implement concerns are already interested in the details of the machine.

It is expected it will attract no little attention during the coming bean season.

Bear Ridge Bachelors' Club

Last Wednesday the Bear Ridge Bachelors' club tossed the ox about "Blackleg," a contagious disease of livestock in this community. After considerable discussion the following conclusions were drawn:

1. Blackleg is a highly contagious disease.
 2. It is caused by microorganisms.
 3. Sometimes it is called black quarter.
 4. It is characterized by tumors under the skin which are filled with gas.
 5. The germs can gain entrance into the body through abrasions or punctures of the skin and in rare cases through the mucous membrane of mouth, nose or throat.
 6. The spores of the organism which cause blackleg may lie dormant in the soil for several years.
 7. Animals most susceptible to blackleg are between the ages of six and 18 months.
 8. The symptoms of blackleg are a high fever, loss of appetite, moving of animal is difficult and rate of breathing is increased.
 9. If pastures become infested they should be cultivated if possible.
 10. There is no known cure for blackleg, but it can be prevented by vaccination.
- All cattle owners should be aware of the fact that even if one animal in the herd gets blackleg it may be a source of contamination in future years. It is highly recommended that all animals dieing from blackleg be completely burned to prevent further spread of the disease.

Constructing Big Balcony

A crew of carpenters are busily engaged these days constructing a big balcony in the Kendrick gymnasium, in preparation for the sub-district tournament, to be held here on February 14-16 and 18. The balcony, running the full length of the big gym, is expected to seat about 180 people, and will relieve, to a great extent, the problem of caring for crowds at games, the present seating capacity having proven inadequate for many of the local games, not to mention the tournaments.

The balcony will be suspended on the front from the big bridge-trusses of the roof, and fastened on the back side with bolts to walls and pilasters. This does away with the necessity of posts to obstruct the view of those seated in the lower tiers of seats, and of injury to players by crashing into the posts. All-in-all, it will meet a long-felt need in the Kendrick gym. It is hoped to have this improvement completed in time for the Kendrick-Southwick game Friday night.

THIS AND THAT ABOUT FOLKS AT CAMERON

Mr. and Mrs. Carl Koepf entertained at dinner Sunday for Mr. and Mrs. Helman and sons of Lewiston, Wm. Brammer of Canada, Mr. and Mrs. P. W. Silflow and family, Mr. and Mrs. Walter Koepf, Mr. and Mrs. Henry Wendt and daughters, Rev. and Mrs. Maske, Mr. and Mrs. August Brammer and family, Mr. and Mrs. Henry Brammer and son Werner, Miss Joyce Walthall and Grandma Brammer.

Mr. and Mrs. Geo. A. Wilken entertained at a pinocle party in their home Thursday evening. The awards were won by Mrs. August Brammer, Fred Silflow, Otto Silflow and Lawrence Schwarz. The "galloping goose" prize was awarded Amos Wilken. A delicious lunch was served at the close of play.

F. W. Newman spent several days of last week in Spokane.

Mr. and Mrs. Otto Schoeffler and Herbert Brunsek were Sunday dinner guests of relatives in Lewiston.

Nellie and Norman Fry of Kendrick spent the week-end at the home of their sister, Mrs. Glen Wegner.

Mr. and Mrs. Wilbert Brunsek and Mr. and Mrs. Albert Glenn spent Sunday with Mr. and Mrs. A. H. Blum.

Sunday visitors in the John Schwarz home were Mr. and Mrs. Walter Denner of Fix ridge, Mr. and Mrs. G. F. Cridebaugh, Mr. and Mrs. Fred Mielke, Mrs. Stoneburner and Emma Hartung.

Mr. and Mrs. Walter Koepf and George Wilken attended the basketball game at Moscow between the U. of I. and the University of Oregon last Friday evening.

Among the Lewiston visitors on Monday were Mr. and Mrs. Glen Wegner, John Schwarz, son Herbert, Edwin Mielke, Geo. Wilken and Mr. and Mrs. F. W. Newman.

Mrs. Gus Kruger and daughter Rosalie, Mrs. Henry Wendt, Mrs. F. W. Silflow and Mrs. Otto Silflow helped Mrs. Walter Silflow quilt on Friday.

Mr. and Mrs. Walter Silflow and family of Leland were Friday evening dinner guests of Mr. and Mrs. Edwin Mielke.

Mr. and Mrs. Henry Wendt were recent visitors in Spokane.

Lawrence Abitz returned Friday from Spokane, where he spent the past week.

Mr. and Mrs. Otto Silflow were Lewiston visitors Wednesday.

Mr. and Mrs. Ervin Lohman and sons were dinner guests of Mr. and Mrs. Edwin Mielke Sunday evening.

"Gov. Bott" Favors Revision. Revision of Idaho's taxing methods "to make them more equitable," has been proposed by Governor C. A. Bottolfsen.

But there will be no change, he asserted, without a referendum by Idaho voters.

"We are concerned with the ever-increasing cost of government imposed on our people," Bottolfsen said. "Right now we are giving some thought to what I have termed a homesteaders exemption tax. It would be a sort of sales tax but would provide exemption for the homeowner up to, say, \$1,000 or \$1,500."

"It also would be imposed in such a manner that the big corporations and outside interests doing business in this state would be required to pay a tax on their purchases just as would the laboring man, salaried employee and farm worker."

"Before any such tax would be imposed, the present ad valorem tax would be abolished, the kilowatt tax would be eliminated and exemptions in the income tax would be raised."

Enactment of a sales tax, or any other new levy, will not come during the present legislative session, Bottolfsen declared. If a change is made, he said, it would be done as a result of a referendum vote.

Brain Hemorrhage Called. Brain hemorrhage Wednesday night in Deaconess hospital claimed the life of Robert Newton, 49-year-old proprietor of the Cheney Drug company at Cheney, Wash. Mr. Newton had been in the hospital but two days.

GEO. LEITH INJURED IN FALL IN KENDRICK GYM.

George Leith, old-time resident of this section, was seriously injured in a fall in the Kendrick gymnasium Tuesday afternoon about 2:00 o'clock while engaged in work on the new balcony being built in that building.

Mr. Leith, C. S. Biddison, Louis Lunders, and others employed on the project, were ascending into the loft to measure and bore the holes for the big strut bolts on which the balcony is to be hung at the front. Mr. Leith was in the lead, and in some unexplained manner missed his footing on the big beams and struts in the loft, and crashed through the celotex ceiling to the floor, 21 feet below. He fell on his left side, sustaining a broken left wrist, and had his jaw broken in two places. In addition he suffered severe cuts on the side of his face, a very severe bruise on one eye near the temple and was generally badly shaken and bruised. It is thought that he struck his jaw and sustained the cuts when crashing through the beams of the ceiling, and that he was unconscious during the course of the fall.

Dr. Christensen was summoned immediately. He dressed and splinted the wounds and breaks, and Mr. Leith was put in the F. B. Higley delivery sedan and taken to St. Joseph's hospital in Lewiston, put on the X-ray table and given as thorough an examination as it is possible to give. The machine revealed no internal injuries, and it is believed that, barring unforeseen developments, satisfactory recovery will result, although the severe bruising and shock that he received will necessarily make the recovery slow.

Last reports were to the effect that he was resting comfortably.

Celebrate Birthday Anniversaries

The Vincent hall at Leland, was the scene of a very pleasant party for a large group of young people, who were present at the celebration of the birthday anniversaries of Emma Lou Vincent, Avia Craig, Billy Weyen and Ervin Draper, on Sunday, January 22.

At noon, the hostesses, Mrs. Myrtle Vincent, Mrs. Robert Draper, Mrs. Weyen and Mrs. Oral Craig served a very delicious dinner. The afternoon was spent playing pinocle. Those having high scores were: "Maries, Havens" and "Elgin" Pleshman. Those having low scores were Eileen Benjamin and Bill Cox. The evening was spent playing games.

Those present were Beulah Draper, Mary Havens, Mary Davidson, Marie Havens, Barbara Long, Betty Boyd, Alma Cox, Elberta Kuykendall, Ernestine Kuykendall, Bernadine Peters, Laurene Craig, Eileen Benjamin, Elsie Smith, Helen Newman, Frances Arnold, Maxine Arnold, Myrtle Schmidt, Annie Deobald, Avia Craig, Emma Lou Vincent, Lloyd Farrington, Ted Weyen, Chet Vincent, James Kuykendall, Frank Rider, Bill Cox, Bill Deobald, Harry Newman, Irvin Woodward, Harvey Thornton, Wayne Thornton, John Wallace, Ray Jones, Raymond Hudson, Bud Magee, Elgin Pleshman, Gerald Schmidt, Lawrence Abitz, Billy Weyen, Ervin Draper, Mr. and Mrs. Weyen, Weyen, Mr. and Mrs. Oral Fitzpatrick, Mr. and Mrs. Oral Craig and sons Neal and Ronald, Mrs. Robert Draper, John Vincent and Mr. and Mrs. R. J. Hoskins.

Leland Pioneer Passes

Mrs. Alice Hoffman Cludray, 50, died Thursday morning, January 19, at 11 at White's hospital, Lewiston, after an illness of several months. For the last year she had been living at the home of her daughter, Mrs. H. E. Laramore, Thirteenth and Highland, Clarkston.

Mrs. Cludray was born at Kendrick, Ida., June 8, 1888. She was married to Charles G. Cludray in November of 1907. She spent eight years in California, going to Clarkston a little more than a year ago. She is survived by three brothers, Ben Hoffman, Jess Hoffman and Charley Hoffman, all of Leland; three sisters, Mrs. R. Winegardner, Southwick; Mrs. Ed. Johnson, Kellogg; and Mrs. Robert Smith, Nyssa, Ore., and one daughter, Mrs. Laramore.

Mrs. Cludray will be remembered in Leland and all other sections of this country, by early residents.

Wildlife Federation Meeting

Harley Eichner and Marvin Long attended a meeting of the Latah County Wildlife Federation at Moscow Tuesday evening, Marvin Long is president of the organization. Entertainment during the evening consisted of the showing of three wildlife films, one on big game, one on upland game birds and one on fish.

Prof. Walker of the Extension Department of W. S. C. addressed the Federation on the subject of "Game Birds Raised by 4-H Club Boys."

Following this talk the club decided to attempt to get the boys in this county to raise birds for propagation purposes.

All-in-all it was an intensely interesting and very profitable meeting.

Celebrates Anniversary

Little Patricia Tout, daughter of Mr. and Mrs. Doy Tout, celebrated her seventh birthday anniversary last Saturday afternoon, 12 of her little friends helping her. A big birthday cake complete with candles, and ice cream was served by her mother.

P-T. A. Card Party

Through a typographical error, made in the correction of a final proof, the date of the P-T. A. card party was given as January 21, whereas it should have read, Tuesday, January 31, at 7:30 p. m.

The ladies of this organization are working hard to make this event a social as well as financial success and everyone is cordially invited to attend. The proceeds are to be used for the purchase of a piano for school use.

Pinocle and bridge are to be played, in the school building, so a warm, comfortable place is assured. Come out, whether you play cards or not, and spend the time visiting. Advance tickets are on sale for this event.

INTERESTING NEWS ITEMS FROM KENDRICK SCHOOLS

Roy Johnson and Margaret Davis have enrolled in High school. This brings the enrollment up to 105 for the year.

The Sub-District tournament will be held here in the gym. on February 14-16 and 18. There will be a day in between each series in order that the boys may have a chance to rest. The tournament being played early will enable the winning schools to practice and rest before the District tournament at Grangeville on March 1 to 4, inclusive.

The game here between Genesee and Kendrick last Friday marked the first conference defeat of the Tigers, the final score being 27-30 in favor of Genesee. We were badly handicapped because of the fact that Rex Blewett, one of our regulars, was not able to play, due to illness. However, it was a swell game and the kids put up a grand fight.

The Tigers defeated Juliaetta on Monday night 22-12. This game was a little slower than the majority of the games have been, but nevertheless, we won Kendrick has only four more conference games to play before the sub-district tournament. An account of the game Wednesday night at Juliaetta will be given next week.

Below is given the conference standings of the teams in this district:

	W.	L.	P'cent
Kendrick	5	1	.833
Genesee	5	1	.833
Caldesaw	3	3	.500
Southwick	2	3	.400
Juliaetta	1	4	.200
Lapwai	1	4	.200

The above standings were obtained Tuesday morning, but may be changed by this time.

Don't forget the game here with Southwick next Friday night, Jan. 27. And remember, the band plays at all these games. They're really good and we're mighty proud of them.

Beatrice LaHatt and Delos Miller have been advanced to first trumpet players because, during basketball games, a number of the usual band members play on the team. The band is working on a new arrangement of one of our school songs, "Go, Tigers, Go," adopted from the U. of I.'s "Go, Vandals, Go."

Good news of 1938: A boys' Glee Club has actually been formed and there are, at this time, 12 members. We hope that this will arouse a little school spirit among the students. Last Monday after school, and before the Juliaetta game, part of us attempted to have a Pep Rally—but oh, what a flop! By stretching a little we can say that there were 25 taking part. Well, anyway, this is a small fourth of our student body. Come on, kids, where's your pep.

Had Interesting Trip

Frank Wilken returned last Saturday morning from a six-weeks' trip and visit with his daughter and son-in-law. Mr. and Mrs. J. N. Diehl, at Springfield, Mo., that took him through many states and to many places of interest.

Leaving here early in December Mr. Wilken first went to the home of his daughter and son-in-law at Springfield where, after a few days' visit, Mr. and Mrs. Diehl and Mr. Wilken took an auto trip that took them into Arkansas, Georgia, Alabama, Mississippi, Illinois and Kentucky, the entire trip by car covering some 1,800 miles. On this trip they visited such places as the "Hermitage," Andrew Jackson's old homestead, where they saw the old coach used by President Jackson to make his trips back and forth to Washington. They also visited the famous Muscle Shoals project, which has caused almost as much controversy as the TVA.

Mr. Wilken said that things looked pretty good around Springfield and in some sections nearby, but that the weather had been rather dry.

Mr. Diehl is supervisor of the Gardner National forest with headquarters at Springfield.

Jane Withers in New Hit

Announced as the first of Jane Withers' new series of major pictures, "Keep Smiling," opens at the Kendrick Theatre this Friday and Saturday nights.

The story deals with the hilarious and often heart-tugging adventures of a boarding school girl who goes to Hollywood to visit her movie-director uncle, whom she has never seen. Finding him down on his luck, deserted by his fair-weather friends and unable to get a job, she sets about—in typical Jane Withers fashion—to patch up his shattered career, and winds up by making a name and career of her own in the movies.

In addition to the feature picture the usual shorts will be shown.

WHAT HAPPENED HERE 20 YEARS AGO THIS WEEK

The many friends of the Lutz family will be glad to learn that they have given up the idea of leaving Kendrick and have decided to remain here indefinitely. Mr. Lutz has purchased an interest in the Kendrick State Bank from M. V. Thomas and will begin his duties as cashier next Wednesday.

A very interesting letter had been received from "Rip" Zoyer, from Andilly, France, under date of Dec. 11, 1918.

A very interesting letter from Tom Long, dated Nov. 25, 1918, and Dec. 9, 1918, in which he says they were living in barracks at Blu Court, about 10 miles from Verdun. We went to our first position July 6, near Montmuroil and followed the Germans to the Vesle river. They pulled us out of there and we conveyed to the St. Mihiel sector. We were in the Argonne and Meuse battles and were out of range of the enemy guns but once and that was when we moved from the Chateau Thierry front. The weather is pretty cool now, but no rain. (The entire letter is very interesting and we regret that we cannot use all of it).

L. G. Peterson writes from Moscow that the new county officials have assumed their duties at the court house, just like they were old hands at the business. Mr. Peterson was installed as office deputy to the sheriff.

Beans were being sold in Kendrick for 7 cents per pound.

Sheriff John L. Woody, assisted by Deputy Sheriff Charles Summerfield and County Attorney John Nesbit, made a raid on the Italian quarters at Potlatch and captured over 100 gallons of red wine, called "dago red."

Miss Grace Wilson, daughter of Mr. and Mrs. A. G. Wilson, was united in marriage to Carroll Cox at 2 o'clock Sunday afternoon. The Wilsons are well-known residents of the Pine Creek section. The happy couple will make their home on one of the M. V. Thomas farms on the ridge, which Mr. Cox has rented.

The Kendrick school started again Monday morning, resuming work where it left off nearly three months ago. The class rooms have been very thoroughly fumigated and each teacher has been provided with a thermometer. Any child who has a cold or shows signs of illness will be examined at once.

Anderson Brothers' store at Juliaetta, burned last Friday morning.

Last week Will Stump, Julius Hopp, Wesley Hartinger, Herman Lohman and several Kendrick business men held a meeting in connection with reestablishing telephone service between Kendrick and Southwick.

The Nez Perce Mutual Fire Insurance company, of which Jesse Hoffman is secretary, now has over 800 policy holders. (Mr. Hoffman is still secretary of the company).

Mr. and Mrs. Frank Roberts received a telegram from their son, Ernest, saying that he was safe and had returned to the United States. Ernest was one of the crew on the steamship Toredores, which was wrecked several weeks ago.

Mrs. Edgar Long entertained a number of little friends for Master Roy Long, Wednesday afternoon in honor of his third birthday anniversary.

(Roads were as much of a topic 20 years ago as they are today in the Kendrick section).

Must Pay Social Security Tax

Employers subject to the Idaho Unemployment Compensation law and to Title IX of the Federal Security act must complete their payments of all contributions for 1938 on or before January 30 in order to obtain 90 per cent credit against their Federal excise tax, according to a statement issued by Laurence B. Lyman, superintendent of the Idaho Unemployment Compensation division.

Unless contributions for the fourth quarter of 1938 and any delinquent amount due for 1938 are mailed to the Idaho Unemployment Compensation division on or before midnight of January 30, 1939, they cannot be certified to the Federal government for credit against the federal tax, Mr. Lyman explained.

Idaho requires subject employers having one or more workers during any part of 20 different weeks in a year to contribute 2.7 per cent of their pay roll to the Idaho Unemployment Compensation fund. The Federal government places an excise tax on employers of eight or more at the rate of 3 per cent of their pay roll. If the employers of eight or more actually pay their contributions to Idaho before the deadline of January 30, they will be allowed to deduct their Idaho contributions from the Federal tax, leaving only .3 of 1 per cent to be paid the Federal government. Failure to make contributions in time will result in employers of eight or more being required not only to pay Idaho the 2.7 per cent but also 3 per cent to the Federal government, making a total of 5.7 per cent, Mr. Lyman explained.

Eight-Eight Bridge Club

Mr. and Mrs. J. M. Lyle, Jr., entertained the Eight-Eight Bridge club in their home last Thursday evening. Following a delicious dessert, bridge was played at four tables.

High scores for the evening were awarded Mrs. W. B. Deobald and Lester Crocker.

Mr. and Mrs. W. L. McCreary were invited guests.

KENDRICK

Is a Mighty Good Place To Trade

As Spring approaches and outdoor activity increases, the need for materials and services of all kinds increases. As need increases, purchases increase—not only for materials, but for services of all kinds. Naturally, the closer to your home you can purchase the necessary services and materials, the better it pleases you. For in busy times, time means expense, even as transportation. Time and transportation both represent money.

Kendrick business men realize the needs of the farmer busy with spring work, and are preparing to care for, in an ample manner, these necessities. The more money spent at home, the larger stocks the merchants can carry, the larger the stock, the more convenience to you, and the greater saving of time and money. In times of extreme stress credit has been gladly extended, a credit obtainable only from men who knew you, or who vouched for your trustworthiness. So it's easy to see that the more you spend in Kendrick, the greater the returns to you—both directly and indirectly. It's a thought well worth deep consideration.

In Kendrick almost every type and kind of business is represented. As the saying goes: "You can buy everything from soup to nuts — and back again!" On this basis we do not hesitate to say, in no uncertain terms

"Buy It In Kendrick"

We are prompted to sponsor this message to the people of Kendrick and vicinity through our interest in community welfare.

Groundhog Day, Feb. 2

Thursday, February 2, will be Groundhog Day — but we don't know just what will happen on that day, since he has been seen out inspecting the world for some 10 days on the south slopes adjoining Kendrick. Some 10 days ago one was seen on the south slope near the E. A. Deobald home by Mr. and Mrs. Clarence Hund, and Saturday morning of last week one was heard "whistling" to the world on the south slope just behind the

Thos. McDowell home.

Senior League
The Senior League met in basement of the Community club at 7:30 p. m. Sunday evening last week, with LaDonna Gallo and Davida Craig as leaders for evening.
Davida led an interesting discussion on "The Church Needs You" After the meeting games were played and refreshments were served by the two leaders.

Well, folks—Time flies, spring approaches, and green grass will soon grow again—and Bott is certainly losing no time in making good his promises to clean out the State House and start in all over again—and he has, by lopping off hundreds of dollars here and thousands there from the big budget of past years—and one which some would have liked to keep growing, Bott has seemed to play no favorites, and to date has passed no "bucks", a favorite stunt of Cowboy Ben's. With Ben and Stemmer it was like a basketball game—Ross to Stemmer—Stemmer to Taylor—Taylor to Ross—net results—Nothing!

But going back to green grass in the spring—with it comes an increase in cream production—and folks—we want to buy that cream. Remember—we pay cash on the button. No waiting, no

fuss, no bother.

Two slightly inebriated men met on the street.
Said the first: "Do you know what time it is?"
Said the second: "Yes."
"Thanks," said the first as he staggered away.

Stockmen Plan Bull Sale

Stockmen from northern Idaho and eastern Washington voted to hold the fifth annual combination bull sale at Recreation Park, Lewiston, April 7, at a meeting at the Bollinger Hotel. About 35 registered Hereford and Shorthorn bulls will be auctioned by "Sandy" Keith, Spokane auctioneer, County Agent Joe Thometz said.

Readers decided to limit bulls offered for sale to those under three years. The committee in charge is Hollis Shelton, Almota; Bill Platt, Lapwai, and Ted Gehring, Keuterville. Mr. Thometz will be manager. Tentative plans were outlined to organize a northern Idaho cattlemen's association, which will be affiliated with the Idaho Cattlemen's association. Livestockmen will meet at Lewiston April 6 to perfect plans.

FARMERS MAY RECEIVE PREMIUM ABOVE WHEAT LOANS

Latah county wheat growers who have hard white or soft white wheat under government loan will receive premiums ranging from two to five cents a bushel above loan value if they sell at once for export by the Federal Surplus Commodities corporation, according to word received by the county AAA office. The offer also applies to cooperators with the AAA program having wheat that was eligible for the loan.

Purchases are now underway and will be on the basis of "first come, first served," says G. T. McAlexander, secretary of the county AAA committee. Information received here indicates that this export purchase to relieve northwest storage facilities will take care of less than half of the 12 million bushels of hard and soft wheat now under loan in the northwest. Purchase will stop as soon as the export requirements have been filled, or by February 4, at latest.

Premiums for immediate delivery will be paid in cash to growers upon release of the wheat handlers at country points or terminals. Premiums above loan values are: For No. 1 hard or soft white, 2 cents; No. 2, 3 cents; No. 3 4 cents; No. 4, 5 cents. The lots of hard white wheat on which the producers received premiums under the loan need not be accepted by the purchaser under the conditions of the purchase offer.

Growers wishing to sell wheat under this purchase program may do so through the North Pacific Grain Growers or other local dealers. Full information may be obtained at the county AAA office.

Farm Record Books For 1939

County Agent G. T. McAlexander announces that he has a supply of free farm record books for distribution. Any Latah county farmer who wishes to keep a record of his farm business can secure one by asking for it at the County Agent's office.

These 18-page record books are identical to the ones the extension service has been supplying during the past few years. They are not complicated, but are complete enough to supply space for practically every financial record a farmer will wish to keep. The books are drawn up in a way that makes the keeping of a farm record an easy matter, even for a beginner.

Mr. McAlexander says that quite a number of Latah County farmers have been using these record books in recent years and find them very serviceable. Record keeping is becoming more and more essential to successful farming, as it is impossible to plan the farm business in the best way without having past records upon which to base decisions. Then, too, when it comes to making out an income tax return, a good farm record is almost a necessity.

MISCELLANEOUS HARDWARE NEEDS

TOOLS —

It's wood cutting time now! You will need a new "pop" saw, a saw blade, an axe, a wedge, a saw file, a cant hook, a splitting maul, or perhaps just repairs for your present outfit—so see us. We want to supply you.

MECHANICS SUPPLIES —

With the coming of spring machinery must be prepared for a season's work. We have a good selection of socket wrenches, Crescent's, screw drivers, pliers, pipe wrenches, drill bits, taps and dies, files, and lots of other items.

UNPAINTED FURNITURE —

During these slack days you'll have lots of time to paint and varnish furniture. Come in and let us supply you with unfinished furniture items. It's fun to fix them as you wish. We also have a large selection of paints and varnishes.
