COMMERCIAL CLUB ENTERTAINED WITH PICTURES

After dinner had been served members of the Kendrick Commercial club at their regular monthly entertainment Monday evening to 26 who were in attendance, some very interesting pictures were shown of the timber conservation activities being practiced, followed by a very interesting picture of a "jungle," showing how the some of the African animals, as well as many wild birds in their native habitat, all of which were very interesting and instructive.

Students of the Kendrick school who had been extended an invitation to witness the pictures, some 50 or 60 took advantage of the opportunity to see something really instructive, as well as entertaining. The showing of the pictures took up something like an hour and a half of the evening, which the regular business of the club was taken up and discussed. Committee reports seemed to be unimportant by their absence, only a few of the heads of the committees having anything to report. N. E. Walker, chairman of the highway committee announced that a survey was now being made of the route between Kendrick and Juliaetta, the surveying crew having begun the work the first of the week and it was stated that it was hoped that the extension of the road from Juliaetta to Kendrick would be completed this year. While Walker did not say the work would or would not be done this year, the report (seemingly accurate) pointed out the effect that District Engineer Humphries had said the road would be completed this year. It is a cinch that the road will be finished sooner or later—and why not?

It was also stated that work on the Little Bear ridge grade was going forward as fast as could be expected, but that the condition of the road prevented further rock loading at this time. Roads in various sections were discussed at some length, but just what the outcome will be seemed somewhat nebulous, ready cash seeming to be the principal stop-gap. A survey has been asked for on the Potlatch ridge to Southwick. There is no doubt but that there could be one over American ridge, Troy and Moscow—and there undoubtedly will be before so very long. A road over the ridge via Troy to Moscow would make an ideal set-up and it is to be hoped it will soon be a reality.

J. M. Lyle, Jr., announced that at the next club meeting he hoped to obtain Dean R. K. Bonnett of the university of Idaho, who has spent the past several months in Europe, again come to Kendrick and show his pictures he is understood to have taken while over there. The wives of the members are invited to attend his meeting, which will be held on Monday, March 13, in Fraternal temple.

Supt. Lyle also reported that a full schedule had been obtained for basketball tournament, which started in the local High School gymnasium Tuesday evening of this week and will continue on Thursday evening. In case two teams are eliminated that evening there will be no game on Saturday evening. He also stated that there would be 8 graduates this year, the largest ever to complete the local high school courses.

R. L. Blewett, who has charge of the Boy Scout movement, stated he Scouts are now meeting regularly in the town hall and that the boys are very much enthused over the prospect of attending the coming Scout camp this summer at Camp Laird, near Potlatch. He also stated that he and most of the boys had attended a Boy Scout Court of Honor meeting at Lewiston during the past week and all enjoyed it very much. Mr. Blewett stated that the troop now contained 24 members.

It is planned to entertain the Latah County Commercial club at the regular meeting of the local club in April. There being no further business the club adjourned to meet on Monday evening, March 13.

M. O. Raby Improving

M. O. Raby, who has been quite ill for the past two weeks, is improving slowly and is again able to be up and around the house. Trade with home merchants!

Geo. Leith Much Improved

Latest reports from Lewiston are to the effect that George Leith is much improved, although just how soon he will be able to come home is not yet known. He is now out of bed and about in a wheel chair. The bones in his left arm are said to be knitting nicely, although he is still stiff and sore from the shock and jar of his fall. It is miraculous that he escaped death, and all are more than happy to learn of his return to strength.

HENRY EMMETT PASSES AT ASTORIA, OREGON

Word was received in Kendrick on Monday, February 13, of the death of Henry Emmett at Astoria, Oregon, on Saturday, February 11. The body was brought to Kendrick and funeral services were held on Wednesday afternoon at 1:30 o'clock from the Community church, with Rev. Wm. Gray officiating. Burial was made in Wild Rose cemetery. He was 67 years, four months and 12 days of age at the time of his passing.

Mr. Emmett was a native of Missouri, having been born at Tina, Mo., September 30, 1871. He came west as a young man and settled on Big Bear ridge in 1882, later moving to Little Bear ridge, where he was active in farming until his retirement some few years ago. His last years were spent in traveling and visiting his children.

In 1894 he was married to Rose Halliday, and to this union eight children were born, four of whom survive: One son, Harold, who resides in California; three daughters: Bertha Emmett, Helena, Montana; Mrs. Daisy Thomas, Jewell, Oregon; Mrs. Vera McCollum, Rainier, Ore.; four brothers: Robert, Genesee; Earl, Kendrick; George, Colorado; three sisters: Mrs. Anna Owen, Los Angeles, Calif.; Mrs. Elizabeth Clouse, Clarkston; Mrs. Lotta Tweedy, Clarkston.

Mrs. Emmett passed away some 22 years ago.

Palbearers were Claud Stanton, John Waide, Wade Keene, Arthur Osman, John Thomas and Hiram Galloway.

Card Of Thanks

Most sincerely we wish to express our thanks to our many friends and relatives for their deeds of kindness and sympathy shown us over the loss of our dear father. Also for the lovely floral offerings, and those in charge of the beautiful songs and services.

Thurburs To Grangeville

Mr. and Mrs. L. S. Thurber, who have conducted a merchandise store in the Raby building for the past two years, the first of this week closed a deal for the B. J. Nigg stock of merchandise at Grangeville and will move the Kendrick store to Grangeville, where it will be merged with the Nigg stock.

Mr. and Mrs. Thurber have made many friends during their residence in Kendrick who are more than sorry to learn of their intention to move. However, Mr. Thurber says he has an opportunity of getting into a larger town and that he has a splendid location for his store there. Prior to his coming to Kendrick Mr. Thurber was for 20 years connected with the Casey Dry Goods and Clothing Co., at Colville, Wn.

Mr. Thurber states that Saturday will be their last day for business in Kendrick and will then start packing their present stock for shipment.

Valentine Party

Mrs. Walter Brocke and Nettie Mae McDowell gave a pinochle and valentine party Tuesday evening in the Brocke home. Following dainty refreshments cards were played at three tables.

Those present were Mr. and Mrs. Kenneth Brocke, Mr. and Mrs. James Keeler, Mr. and Mrs. Ed. Reglin, Mr. and Mrs. Frank Abrams, Mr. and Mrs. Harold Abrams, the host and hostess and Miss McDowell. High scores were awarded Mr. and Mrs. Kenneth Brocke, while low was awarded Mr. and Mrs. Frank Abrams.

CAPACITY CROWD FILLS GYM. FOR TOURNAMENT

A capacity crowd, variously estimated at from 475 to 575 jammed the big Kendrick High School gymnasium to see the two sub-district tournament games played there on Tuesday evening. Stormy weather, (a blinding snow atop the hills and a pouring rain in Kendrick) doubtless kept some folks at home, but all seats were filled to capacity, the stage was jammed, and many were standing while the games were in progress. The rain made great pools and streams outside, which carried in on the feet of spectators, forced the liberal use of mops on the floor edges, as the floor became like greasé where the moisture hit it.

By virtue of their win over Culdesac last Sunday afternoon, behind closed doors in the Kendrick gym., Southwick occupied fourth place in the Valley conference, and drew as their opponents for the first game of the evening, Kendrick, only to go down to defeat 35-25, in a fast and somewhat rough game, Kendrick and Southwick both losing one man on fouls in the fourth quarter of play. Kendrick jumped into the lead almost from the first whistle, and was never bested, but in many places it could have been anyones game.

Both teams turned in very creditable games. The second game of the evening, that between Genesee, second place team in the Valley conference, and Lapwai, third place team, was perhaps the more thrilling of the two to watch, since the lead see-sawed back and forth, back and forth, to be tied time and time again. This game was perhaps rougher and faster than the Southwick-Kendrick game, and as in the first game, both teams lost one man on fouls in the fourth quarter.

When the gun sounded, marking the end of the game, the score stood tied at 31-31. Then came a brief rest, while coaches and referees talked it over, and decided the team to make the first basket in an overtime should win. The ball returned to play with a center jump, Genesee got it, and after a bit of passing Emerson of Genesee tried a long, looping side shot from mid-way of the floor, and it dropped through for a perfect "swisher." The gun sounded, Genesee the winner.

Officials were Coy Barnes of Lewiston and Fenn Emerson of Ferdinand — and a right good job they did, too.

Thursday evening, February 16, will see Genesee battle Southwick and Lapwai battle Kendrick, thus two more real thrillers are assured the fans.

Entertain With Valentine Party

Mary Havens and Myrtle Schmidt were the hostesses at another delightful valentine party given in the Havens home Wednesday evening, when pinochle was played by the group of young people. To determine partners the boys armed themselves with bow and arrow and shot a valentine from a huge red heart. Following delicious refreshments pinochle was played.

Invited guests were Beulah Draper, Alma Cox, Betty Boyd, Avia and Laurene Craig, Helen Newman, Evelyn Farrington, Lois Deobald, Connie Mattoon, Emma Lou Vincent, Annie Deobald, Erma Jones, Billy Weyen, Bill Cox, Harvey Thornton, Clinton Cox, Ervin Draper, Dean Compton, Jimmy Kuykendall, Dick Reid, Lloyd Farrington, Billy Deobald, Everett Farrington, Harry and Glen Newman.

High scores for the evening were won by Helen Newman and Clayton Cox, with low going to Erma Jones and Ervin Draper.

New Arrivals

Mr. and Mrs. Jack Bailey are entertaining a six-pound young gentleman, who arrived at their home on Friday, February 10, for an extended stay.

Mr. and Mrs. Dal. Groseclose are also entertaining a little stranger, who came to their home Wednesday, February 15. The little lady tipped the scales at 6½ pounds. Mothers and babes in both instances are doing nicely.

WHAT HAPPENED HERE 20 YEARS AGO THIS WEEK

After many neighborhoods in the Potlatch section had suffered with an epidemic of flu, this week it is reported that Leland and the Potlatch ridge are in the throes of an epidemic, it being estimated that there were 40 cases on the ridge. A very interesting letter had been received by the Gazette from C. Hoff, who was at that time doing Y. M. C. A. work near Luxemburg. The letter relates many thrilling experiences and winds up with: "Can't tell how soon I will be starting back, but hope it will be soon, and if I ever get back to Idaho again I hope to stay there, as there is no place better and thus far I have seen no place as good. Signed, C. Hoff, Paris, France."

Halvor Nelson purchased 320 acres of land near Garfield last week. The farm is well improved and every acre is under cultivation. The price paid for the place was \$36,000, or \$112.50 per acre. Besides this newly purchased place, Mr. Nelson owns 480 acres of land on Bear ridge and 360 acres near Genesee. He expects to continue his residence here.

The survey of the proposed road over Powell hill, which was started Monday by County Engineer Smith, was completed Monday afternoon. A very satisfactory grade was found. Work on the Hamil hill, near Juliaetta, has been progressing rather slowly, but after the preliminary work it is believed better results will be secured.

The attendance at school this week has been very good, the total number being 62. A meeting of the bean dealers of north Idaho was held at the Belling Hotel, Lewiston, when a preliminary organization was effected. In discussing beans best suited to this section it was decided that Red Marrow and Red Kidney were best suited for dry land districts, while large and small whites should be planted in the white bean districts. Those attending the meeting from Kendrick were E. P. Atchison, John Waide and Frank Byrne.

James K. Lynch, governor of the 12th Federal Reserve district made a last appeal for the buying of the "Victory" Liberty Loan bonds. This week's issue of the Gazette contains the petition of Bear ridge residents asking the county commissioners to grant the ridge a good roads district. It contains the names of 44 property owners of the ridge. O. E. MacPhearson received word from his brother, Capt. F. S. MacPhearson of the Fifth Canadian Artillery division, now located at Bonn, Germany. Capt. MacPhearson was among the first Canadian troops to land in France. He enlisted as a private and now has the rank of captain. He has been in active service during the entire period of his enlistment.

Ed. Carlson, who is serving in the U. S. navy, arrived in Kendrick on Thursday to visit his brother, A. K. Carlson. Big Bear Ridge News—Louie Rogstad writes from France that his company has turned in their equipment, which he thought might mean they would soon be sailing for the good old U. S. A. . . . Mr. and Mrs. O. V. Morey are in receipt of a letter from their son Clarence, stating he was enjoying life in Germany. . . . Hiram Galloway was recently transferred from Camp Lee, Virginia, to Fort Logan, near Denver, Colorado. . . . Everyone has been busy cutting his share of the telephone poles for the building of a new telephone line in the near future. . . . Robert and Joseph Clemenhagen, Louie Blenden, Tom Whybark, Albert and Hartvie Nelson are working at the camps near Deary.

Farm Mechanics Class Going

Approximately ten young men of the community met in the high school shop for organized instruction in farm mechanics. The job taught last Wednesday, Feb. 8, was sharpening of the cross-cut saw.

A list of the various things to be accomplished will be made out in the near future. The men are at liberty to work on almost any item they would like to make or repair. All that is required to enroll in this course is a tool of some sort that needs reconditioning.

All young men between the ages of 20 and 99 are cordially invited to take part in this work. Bring your implement to be worked over and be on hand Wednesday evening of each week at 7:30 p. m.

Don't Miss P. T. A. Meeting

The regular monthly meeting of the Kendrick P. T. A. will be held Monday evening in the High School auditorium for a business session, after which members and friends are invited to assemble in the gym, where they will be entertained by some of the most famous personages from Canada to Hollywood. This is the night the ladies are putting on the entertainment, and everyone is urged to attend.

C. G. COMPTON, KENDRICK PIONEER DIES SUDDENLY

C. G. Compton, 69, for 36 years a resident of this community, and engaged in farming since retirement from the merchantile business, dropped dead of heart disease at his home Thursday of last week. A native of Waterloo, Neb., born in October, 1870, he was deputy United States marshal when the Indian territory was opened to entry. He later served in the Indian uprising. He had been a member of the Odd Fellow lodge for more than 40 years and was active in the Kendrick branch of that order.

He is survived by two sons and two daughters, Stuart Compton, Kendrick; Mrs. Maudie Smith and Chancey Compton, Ceres, Calif.; Mrs. Edith Carlson, Long Beach, Calif.; four sisters and one brother, Mrs. Allie Reeves and Mrs. Hoar, Modesto, Calif.; Mrs. Bartha Lynch, C. Davis-Wilken Nuptials

On February 11th, at 5:30 p. m. at Elberton, Wash., a beautiful candle-light wedding ceremony was solemnized in the U. B. church, by the Rev. J. M. Davis, pastor of that church, uniting Katherine M., only daughter of Rev. and Mrs. J. M. Davis, to Milton E., only son of Frank Wilken of Kendrick, the single ring ceremony being used.

The interior of the church was beautifully decorated with fir boughs and trimmed in a blue color scheme. The pianist, Miss Margaret Swan of Deary, wore a blue satin and lace dress, and sang as a solo "I Love You Truly," being accompanied on the Hawaiian guitar. Then, to the strain of Lohengrin the bridal party marched to the altar. The bride was attired in a dress of white satin with floor-length veil and carried a bouquet of pink rose buds. She was attended, as a brides' maid, by Miss Fern Bramlett, who wore a pale blue lawn dress and carried a spray of roses.

The groom had as best man Melvin Earl Davis, brother of the bride. Soft music was played on the piano throughout the ceremony by Miss Swan.

Following the ceremony the bridal couple and guests retired to the church basement, where long tables had been arranged and a delicious wedding dinner prepared by Mrs. Davis, Mrs. Bramlett, Mrs. Palmer and the groom's mother. The dining room was decorated in the Valentine motif.

After dinner all went to the home of the bride's parents, where a very enjoyable evening was spent. Music was furnished by Melvin, Earl and Gerald Davis and Bud Palmer, using three Hawaiian guitars, and songs by Mrs. Milton Wilken and Miss Margaret Swan. Later that evening they were charavariated by a large crowd of young people.

After a short honeymoon in Spokane the newly-weds will be at home to their friends on the Wilken ranch on Texas ridge.

Boy Scouts Attend Church

Last Sunday, February 11, the Boy Scouts attended church in a group, with Scoutmaster Blewett and Assistant Don Lyle. It being Scout Sunday, Rev. Gray paid tribute to the Scouts in the service. Among other things was the Scout's duty to do his good turn daily in a cheerful manner. This is one of the many requirements of a real Scout. Another objective of every Scout is to make someone happy every day.

The service was much appreciated by all the boys present, who enjoyed Rev. Gray's inspiring message to the fullest extent.

INTERESTING NEWS ITEMS FROM KENDRICK SCHOOLS

Everything was silent. A pin if dropped could easily have been heard, or at least you could hear a book drop. (That is very unusual, the assembly being that quiet). Then we heard Mr. Lyle saying: The winner for the girls is Annie Deobald and for the boys, Rex Blewett." You see, our yell leaders—Frank Rider, Barbara Long, Ted Weyen and Mary Davidson, announced Friday that a prize of 50c each would be awarded to one boy and one girl for submitting the best yell for the rooting section to "holler" at the sub-district tournament. The deadline for the contest was Monday noon. So when everything became quiet, the reason was that we were soon to discover the geniuses of our school.

Last Friday night, the Kendrick Tigers lost to Genesee at Genesee. They put up a real fight, but somehow, no matter how hard they tried, nothing worked. Two of our regulars, Jim Kuykendall and Harvey Thornton were unable to play, and that, of course made a difference, too. The final score was 31-23, Genesee.

The band has three new members, Gay Deobald, Evelyn Farrington, and Louis Lunders. Tuesday night the band played at the games, and did their special arrangement of "Go, Tigers, Go" that we said they were working on. When the band is playing and the student body singing this pep song, it really is good. But all of us think it's just really fine to have a band with which to sing. They are planning on entering the Music Festival at Lewiston, and also the one at Grangeville. In preparing for this, they are working harder than ever before.

The girls' glee club is planning to enter the music festival in Lewiston sometime this spring, and are working on new music for it.

Wednesday afternoon, February 8, the Girls' League had another of its monthly meetings. After the usual business discussion, a very enjoyable program was presented. A trio composed of Alma Cox, Bernadine Peters and Emma Lou Vincent sang, "When Mother Nature Sings Her Lullaby." After the entertainment refreshments were served by the hostesses, Evelyn Farrington, Lois Deobald, Bernadine Peters, Laurene Craig and LaDonna Galloway.

For the past two weeks it has been announced that the Geometry class would start the study of circles. Well, we finally have done so, after taking a terrific quiz Tuesday on triangles, how to prove them congruent, their theorems and postulates, isosceles, equilateral, etc.

In English II the class is reading "As You Like It." by Shakespears. The World History pupils are again starting work in their work-books.

EDITORIAL
Well, Folks—Seems like we have had a bit of a sample of winter weather so far this month—but it wasn't really bad at that. Just a brief cold snap—and then how the snow did go. We'll probably have a bit more of it, however. So bring in your cream—fuel costs money.
Boy, Oh, Boy! Aren't they having a lot of fun back in Washington, D. C. If all the hot air they are expending could just be piped out to where it would do some good it could furnish heat for a good big city—but a filter would surely have to be installed in the line somewhere!
Oh well, something good may come of it all, yet! We sincerely hope so.

"Daddy, who was Hamlet?"
"Bring me the Bible, you ignoramus, and I'll show you who he was."
"I'm a dairy maid in a candy kitchen."
"What do you do?"
"Milk chocolates."
Maid: "I'm very sorry sir, but Miss Frank said to tell you she is not at home."
Alek: "Oh, never mind! Just tell her I'm delighted I didn't call!"
His roommate had gone to the movies, so the college freshman left this note:
"If I'm studying when you get back, wake me up."

Pope Pious Answers Call
Pope Pius XI, 261st head of the Roman Catholic church, died shortly before dawn last Friday morning at the age of 81. The final flutter of his heart ceased at 5:31 a. m. (11:31) eastern standard time, Thursday). At 6:38 a. m. the mournful bells of St. Peters tolled out the news to the world.

Pope Pius would have celebrated the 17th anniversary of his coronation had he lived until last Sunday (Feb. 12). The cardinals are to fix a date for election of a new Pope for February 28, since 18 days is the longest time allowed for them to assemble, and many must come far.

Those getting mail at this corner are: Sam Harp, Geo. Pitcher, Elwood Brock, Wm. Groseclose, Carroll Groseclose, Anna Harless and Merton Preussler.
