GRAIN MARKETS MAKE FURTHER SLIGHT GAINS

Domestic grain markets made further slight gains during the week S. Bureau of Agricultural Economics view. Uncertain prospects for the the flour trade were the principal The dinner was followed by five strengthening influences in wheat. gether with a somewhat better inquiry as a result of cold weather in central western feed areas maintained firm prices on feed grains. Export trade in both wheat and corn was dull but some increase was reported in sales of flour following the advance in government export

Crop developments in the northern hemisphere and market movement in the southern hemisphere are now dominant factors in the general wheat situation. In the domestic winter wheat belt, conditions generally continued satisfactory east of the Mississippi river, although some damage was reported from wet fields and alternate freezing and thawing in parts of Illinois and Kentucky. The moisture situation was fair to good in Nebraska and in the northand northwestern Oklahoma, moisture is still inadequate and some blowing of soil has occurred. The Texas crop was in favorable condition except in some western central areas. In Europe, crop conditions are somewhat variable. Winter grains were reported in good condition in Poland at the middle of February. The condition in Italy is most favorable but in Belgium Herman Beyer was an over-night | 75 per cent of the crop is reported to have suffered frost damage, but Mr. and Mrs. Walter Crawford a part of the area will be reseeded. are, on the other hand, satisfactory. Weather in Russia this winter has been considered unfavorable for all winter crops but in other parts of Europe winter crops are reported in average condition. The winter wheat in the ten countries from which reports have been received to date, is estimated at 118 million acres, a decrease of 7 per cent from last season. Most of this decrease occurred in the United States, since a gain of 2 per cent over the acreage sown for harvest in 1938 is indicated for the nine other countries as a whole.

The most recent estimate indicates a total world wheat production for the 1938-39 season of 4,535,000,000 bushels. The upward revision was made during February in estimates for the Danubian countries and for Argentina. Based upon the prospective distribution of this season's supplies, the carryover at the first of July, 1939, is now tentatively Mr. and Mrs. Oral Craig and placed at 1,250,000,000 bushels, or approximately 655 million bushels more than a year earlier. Supplies available for export in surplus pro-Sunday at the home of Mr. and ducing countries for the year beginning July 1, 1938, totaled more than 900 million bushels, or between 350 and 400 million bushels in excess of probable world imports.

Domestic cash wheat markets strengthened slightly along with futures, influenced by moderate offerings and some improvement in the demand for flour. Receipts at the principal central western terminals dropped to only slightly over two million bushels but movement on the Pacific Coast continued large, reflecting deliveries in government purchases for export. The improvement in the flour trade was due in part to the increased payments on were quite plentiful on the sunny ments on exports via. Gulf and south slopes for this time of the Atlantic ports was advanced to \$1.20 per barrel. On the Pacific Coast, the payment was 90c per barrel to the Philippines, \$1.05 to China and 95c to other countries. Export trade in wheat continued dull although another cargo was reported sold to Vladivostock. Exports during the week ended Feb. 18, amounted to nearly 1,500,000 bushels, which brought the season's total of wheat alone to approximately 51 million bushels, or about two million bushels more than during the corresponding period last year.

Pacific Northwestern, wheat markets declined slightly on the principal classes during the week, principally reflecting slow export and mill demand. On February 24, soft and western white wheat were quot-

HAROLD THOMAS, Editor

EDITORIAL HELLO THERE FOLKS:

Here it is March, and this month certainly came in like the proverbial lion - whether it goes out like the lamb remains yet to be seen. If the lamb came out

now, he'd more than likely get badly frost bitten.

But the neare springtime comes the better we all like it. You to get back to your work in the fields — we to receive more cream. For the coming of green pastures means more cream we need it and want to buy it.

Remember - We don't ask you to wait while the can comes and goes, but pay spot cash for your cream.

Are you using "Pride O'The Potlatch" Creamery butter

And as one girl put it: "Eevrything I want to do is either illegal, immoral, or fattening!"

Then there's the sad case of the man who spent the summer in a trailer and came home and got lost in the living room!

Did you hear about the old maid, who, when she went to have her picture taken, tied a piece of clothesline about the bottom of her skirt. "What's the idea of that?" asked the photographer.

"You can't fool me, young man, said the old girl. "I know you see me upside down in that

"The early bird gets the worm" -but think what the poor worm gets for being out so early!

The nine weeks' period ends next week and exams will be given, as usual. Of course that means that we students need not start cramming guests of Mrs. Alma Cox of American ridge was for the next two weeks in mathematics and science. reports are due this Friday, so many of us will also be burning the midnight oil Thursday night. The Seniors have begun work in

their new Civics workbooks. The Home Ec. girls plan to have their aprons finished by the end of this quarter.

We're going to have something new this week. We thought you might be interested in some of the things that go on around here. This Tuesday morning. But from this, we do not wish you to get the idea that this class is always like that. Mr. a week-end guest of Emma Lou Vin- Vaught, who has been teaching the first and second grades for an hour each morning, while Mrs. Simons is practicing with the seniors on their play, decided to teach the pupils in Mr. and Mrs. Woodrow Fleshman this class the same way as he does

"What month is this, Bobbie?" replied.
"Yes, this is March. Now what

happy day comes in November?" All began talking at once. "That's right, Thanksgiving." "Last month was January,"

little Betty. Mr. Vaught said, "Yes, and what happy day comes in January?"

Some smart little girl in the back of the room just "bellered" out,

New Years!" "What do you do on New Years," he asked the little girl.
"Get drunk," was the replywith that the class ended.

The Seniors are really practicing on their play. From the sounds short crops in the past two years were transacting business in Ken- that come out of the English room, this play sounds like a take-off or preview of "Dracula." Next week the cast of characters will be given. Grade News

Jeanne Flaig has entered the fifth grade. The first and second grades have

finished their new individual health charts. They also have finished the grocery store, which they have been working on for a while.

Supt. Lyle To Leave

J. M. Lyle, Jr., for six years superintendent of the Kendrick the Kendrick schools, announced Monday his appointment as superintendent of the public schools at Grangeville, where ne will assume his new duties in September.

It is with real regret that the residents of this community learn of Mr. Lyle's decision to go, but we must say that we do not blame him, since it is both a definite advancement in salary and in the size of the school.

During the six years Mr. and Mrs. Lyle have resided here they have made a host of friends, both in the school circles and socially. In adand Mr. and Mrs. Hiram Galloway dition the Kendrick schools have enjoyed smooth and efficient oper-

We definitely dislike seeing them leave us, but progress must be the definite goal of everyone. We predict they will make a success of their undertaking in their new location.

In addition to his splendid work in the Kendrick public schools, Mr. Lyle has always taken an active part in all civic affairs of the town, especially in P.-T. A. work and the Kendrick Commercial club.

Mrs. Lyle also, has contributed a good share of her time and talents toward the betterment of the town, threatened "fast unto death" if the being also prominent in the P.-T. A and church and Sunday school work

KENDRICK TIGERS MAKE FINE TOURNAMENT RECORD

The Kendrick Tigers, despite their final elimination by Ferdinand in a Saturday evening game, hung up a play record at the Grangeville "B" basketball tournament, of which any team may well be proud, even though handicapped by an ankle in-jury to John Wallace in a turna-

ment game. The boys left here Wednesday morning by car, arrived at Grangeville in ample time to rest and get a "warm-up" session on the floor before being called to play: We list the complete tournament games and their scores below:

Wednesday Games

Game 1-Grangeville vs. Genesee, Genesee winning 41 to 29.

Game 2—Kendrick vs. Ferdinand, Ferdinand winning 56 to 43. Thursday Games

Game 3-Cottonwood vs. Weippe, Weippe winning 32 to 25.
Game 4—Elk River vs. Winches ter, Winchester winning 30 to 23. Game 5-Kendrick vs. Grangeville, Kendrick winning 56 to 39. Game 6—Genesee vs. Ferdinand, Ferdinand winning 50 to 29. Game 7—Elk River vs. Cottonwood, Elk River winning 41 to 39. Game 8—Weippe vs. Winchester, Weippe the winner 28 to 27.

Friday Games Game 9-Weippe vs. Ferdinand, Weippe the winner, 38 to 33. Game 10-Kendrick vs. Elk Rived Kendrick the winner, 40 to 18. Game 11—Genesee vs. Weippe Weippe the winner 30 to 25. Game 12-Kendrick vs. Weippe, Kendrick the winner 39 to 34.

Saturday Games Game 13-Winchester vs. Ferdi nand, Ferdinand the winner, 39 to

Game 14-Kendrick vs. Ferdinand Ferdinand the winner 37 to 35.

Monday's Game Game 15-Weippe vs. Ferdinand Ferdinand the winner 37 to 35. Each team losing two games was automatically out of the tournament. Kendrick and Weippe had the same number of games played, and the same number of wins, but in as much as Weippe had drawn in play nothing but winners, it was decided that Ferdinand and Kendrick should play to see which team should go as the runner-up to the State B Tournament at Lewiston later this month Ferdinand won by only two points with Wallace out of the game due to an injured ankle sustained in Friday's play. Wallce attempted a part of the game, bad ankle and all and was cheered by the audience

for his gameness. Kendrick is proud of its boys and the record they hung up - and to be a good looser is almost as fine a record as to be the winner.

The Kendrick boys making trip were: John Wallace, Rex Blewett, Glen Newman, James Kuykendall, Harvey Thornton, Chester Vin-cent, Irvin Draper and John Thompson, Frank Arnett, team manager and Coach A. L. Dawald.

Half Million Forest Visitors

During the 6-month period between July 1 and December 31, 1938, the 17 national forests in the northern Rocky Mountain region played host to approximately 579,400 visitors. As shown by a report compiled by the Forest Service at Missoula, the average length of stay for each of those seeking outdoor receration in the forests was two days.

Thirty-one percent of all visitors went to the national forests to fish. Sixteen percent were hunters; six per cent engaged in winter sports and the remaining 47 per cent sought the forests for picnicking, swimming, camping, boating, nature study and miscellaneous other recre-

ational pursuits. The report shows that although the largest percentage of visitors brought their own camping equipment and used the regular forest campgrounds, approximately 70,400 guests were accommodated at hotels and resorts inside and adiacent to the national forest boundaries.

Leading in popularity among the 17 national forests in the region was the Deerlodge Forest, with headquarters at Butte, Montana. Followng the Deerlodge in the order of the number of visitors entertained were the Beaverhead, Gallatin, Lewis & Clark, Kaniksu,, Helena, and the Coeur d'Alene forests.

According to the report visitors seeking recreation in national for-ests during recent years have been increasing in numbers so rapidly it has been impossible to meet the demand for campground development. To facilitate public enjoyment of the many recreational opportunities offered by the national forests, many campgrounds have been improved to a high degree of utility and attractiveness, but adequate funds for the policing and upkeep of these areas nave not yet been made available.

Development of recreational areas for public use has a high priority on the program of national forest work in the northern region of the national forests, and with the help of CCC, WPA and ERA workers campground projects are being pushed to the limit of financial ability.

New Telephone Directories

A new telephone directory is leavng the press this week for the Potlatch Telephone Company, in the Gazette office. This new directory will replace the one issued in 1937. and should be ready for distribution more names, and advertisements of local firms as well.

Many Kendrickites At Tourney Despite the long distance between Grangeville and Kendrick, many carloads of Kendrick folk drove to Grangeville to see the District Class

B Tournament.

Among those visiting there at one time and another (and several made two or more trips) are Mr. and Mrs. E. A. Deobald and family, Mr. and Mrs. Edgar Long and Barbara, Mr. and Mrs. R. L. Blewett, F. B. Higley and Wayland Davis, Clarence Perryman and Edgar Dammarell, Mr. and Mrs. Ed. Brown, Bill Cox, Bud Magee, and hosts of others, both drivers of cars and passengers in them.

New Planes Go 450 M. P. H. Speeds of 500 miles per hour in the air apparently are just ahead for the army air corps, Ben S. Kelsey, pilot, recently flew one of the new planes from southern California to New York in a shode more than seven hours. That is going some!

THIS AND THAT ABOUT FOLKS AT CAMERON

and sons and Mr. and Mrs. Enoch Harrison were Sunday dinner guests in the Lyle Harrison home.

Will Speak at School

Arthur E. Victor of the U.S. soil conservatioin will give an address and show slides and moving pictures regarding the soil conservation work being done by the department. This meeting will be held in the Kendrick school building Tuesday afternoon, the 14th and all farmers are especially invited to be present. The meeting will be in charge of Don Lyle, Smith-Hughes agricultural teacher in the Kendrick school.

Afternoon Bridge Club

Mrs. F. H. Rider entertained the Afternoon Bridge club in her home Wednesday afternoon. Bridge was played at three tables, after which delicious dessert was served. Mrs. be recommended for allocation, in-Rider held high score for the afternoon.

Invited guests were Mrs. L. J. Herres. Mrs. O. E. Havens and Mrs. Ed. Clearwater and completion of the 215

Visitors In Kendrick

Mr. and Mrs. Ed. Goodman of Lewiston came Wednesday afternoon and Manager Floyd West to the for a visit in the W. A. Watts home. Boise gathering.—Lewiston Tribune.

PENALTY LOOMS AGAINST WEIPPE BASKETBALL TEAM

Weippe high school will be penalized-possibly to the extent of disbarment from the state high school Class B tournament here next week
—for unsportsmanlike conduct in the final game of the district tourna-ment last Monday night at Grangeville when one of the players attacked Referee Fenn Emerson, of Reubens. The official sustained a

cut lip which required three stitches.

That the offending player, Louie Snyder, will not be with the Weippe team if it is allowed to participate, was almost a foregone conclusion, since the constitution of the Idaho High School Athletic Association provides that any player guilty of marked unsportsmanlike conduct shall not be allowed to play in tournament games.

Witnesses at the Grangeville clash, which came when Referee Emerson called a fourth personal foul on Snyder, said only the intervention of other officials and spectators prevented at least two other members of the Weippe team from joining in the attack. Both had previously fouled out of the contest and were heard to have made threats against

Emerson, they said.
Officials of the second district of the I. H. S. A. A. yesterday called secretary of the association, was contacting other members of the board of control by telegraph to determine what action should be taken against the school. He indicated to M. Lyle, Jr., Kendrick, district secretary-treasurer, that it will be "vigorous" enough to serve as a warning to other schools that attacks on officials will not be tolerated.

"We must be able to guarantee officials that they will not be required to wear baseball masks and chest protectors when working for the association," he was quoted as saying when informed of the attack he will submit a ruling sometime Mr. and Mrs. G. F. Cridlebaugh today after hearing from other board of control members.

In the meantime, the eight finalists for the state Class B playoff, which begins a week from tomorrow at the normal school gymnasium were ready for play. The eight, survivors of elimination tournaments in the six districts of the I. H. S. A. A., will pair off like this for the open-ing day, times and the order of games to be announced by state of-

Harrison vs. Ammon. Glenns Ferry vs. Weippe. Post Falls vs. Wilder. Ferdinand vs. Downey -Lewsiton Tribune, Wed., Mar. 8.

Kendrick To Attend Tournament Word was received late Wednesday night by Coach A. L. Dawald, in the absence of Supt. Lyle, on the ruling of the state I. H. S. A. A. board as follows: Louie Snyder, who attacked Referee Emerson, shall be barred from all future high school athletics; the Weippe team barred ry, Helen and Wally attended the basketball games at the Grangeville tournament Thursday and Saturday. iston, March 16-17-18; and the third place team with highest percentage standing replacing them—this team

being Kendrick. The other two Welppe players who wished to join the personal attack against Referee Emerson to be warned against such action again, as the state board will not tolerate such unsportsmanlike conduct by players or teams in this state.

No mention was made of the "Runners-Up" cup awarded Weippe last Monday night, following their defeat and the "rough-house" sion with Ferdinand at Grangeville. It is not known at this time whether they will be allowed to keep this cup or whether it will be returned to the association for another award. In the awarding of the cups at that tournament, Winchester received the Sportsmanship trophy, Weippe the "Runners-Up" trophy, and Fer-

dinand the "Winners" cup. Rex Blew-

ett of Kendrick was high individual

> Highway Heads Ask Road Funds Members of the highway commit-

tee of the Lewiston Chamber of Commerce Tuesday gathered at the Elks club with Chairman E. V. Lorenz presiding and made plans for submitting requests to the state highway commission for the allocation of funds for projects in the Lewiston district. Clyde P. Humphrey, Lewiston district engineer, attended. The allocation meeting is expected to be called at Boise within two weeks. Forest service and bureau of public roads representatives will also attend.

Four projects already approved by the department which were discussed and which will be urged for com-pletion are the Viola-Potlatch the Moscow-Thorn creek stretch, road, the Bundy-school-Culdesac realignment and the Arrow-Juliaetta road. Three additional projects will cluding the surfacing of the Greer-Kamiah link, construction of the new Kamiah bridge across miles between Deary and Kendrick.

At the weekly conference of the chamber of commerce, directors authorized sending Chairman Lorenz HAROLD THOMAS, Editor

EDITORIAL

HELLO THERE FOLKS: Here it is March, and this month certainly came in like the proverbial lion - whether it goes out like the lamb remains yet to be seen. If the lamb came out now, he'd more than likely get badly frost bitten.

But the neare springtime comes the better we all like it. You to get back to your work in the fields — we to receive more cream. For the coming of green pastures means more cream -

we need it and want to buy it. Remember — We don't ask you to wait while the can comes and goes, but pay spot cash for your cream.

Are you using "Pride O'The Potlatch" Creamery butter

And as one girl put it: "Eevry-thing I want to do is either il-legal, immoral, or fattening!"

Then there's the sad case of the man who spent the summer in a trailer and came home and got lost in the living room!

Did you hear about the old maid, who, when she went to have her picture taken, tied a piece of clothesline about the bottom of her skirt. "What's the idea of that?" asked the photographer.

"You can't fool me, young man, said the old girl. "I know you see me upside down in that

"The early bird gets the worm" -but think what the poor worm gets for being out so early!
