NDRIOR TIGERS IN SEMI-FINALS AT TOURNAMENT

L. Dawald and his squad of basketball boys left for the State Class B tournament, and just as the Tigers performed under the leadership of Coach H. S. Tigers, substitute winners at the tournament, and entrants in the championship play-off for the state title.

Glenns Ferry vs. Kendrick. Glenns Ferry, a reserve force, defeated the Kendrick Tigers by a score of 22-19 in the second afternoon contest. The southerners were able to come from behind for their victory after the Tigers had dominated the play during the opening half.

Kendrick did not again lead after being spotted two field goals in the second quarter. The score at the end of the first half was 7-7, but the Tigers waged a bitter battle before dropping out of the running.

By the half, Glenns Ferry was in the lead at the three-quarter mark, 19-13. The southerners boosted their margin up to 27-21 midway through the last period before approximately 350 Kendrick fans saw a final victory "hope" in the hands of Wallace and Jim Kuykendall.

Wallace and Jim Kuykendall scored to make the board tie at 27-27 in the last two minutes. Glenns had the last word when Rex Blewett intercepted a bad pass and threw a shot which produced a final score.

Parmley's 10 points were high for the game. Newell, a teammate shared second honors with Wallace, Kendrick, five each. Kuykendall scored eight for Kendrick. Only 11 fouls were called, six on Glenns Ferry.

Glenns Ferry (29) (25) Kendrick (19) (15) F. 10 (8) Kuykendall (8) (6) G. 10 (8) Newell (5) (4) Thompson (4) (3) Wallace (4) (3) Blewett (4) (3) Substitutions: Glenns Ferry—Moran, Thompson. Kendrick—Vincent, Thompson.

Kendrick Thumps Harrison. The Kendrick Tigers had played hard like they did yesterday. Friday afternoon in drubbing Harrison 26-10, they probably would have been one of the finalists tonight. The Tigers looked vastly improved in taking Harrison into camp yesterday's first game, a consolation round contest.

Rex Blewett and John Wallace were having a field day at the expense of the Spartans during the second half, the former winning high point honors with 21, shading the effort of his teammate by two points.

The Harrison club was much in the ball game at the halfway mark when the score was 19-15 for Kendrick, but Blewett and Wallace were in the warpath in the third period and the score mounted to 33 to 18. They kept right at it during the fourth frame.

Charles Peterson, Harrison forward, was the only member of his team who could find the hoop consistently and he was held to long shots for the most part in sinking six field goals for 12 points. Luchini contributed seven more before he was fouled out with four personals in the fourth quarter.

Kendrick (51) (26) Harrison Kuykendall (2) (2) Peterson Newman (5) (3) (7) Luchini Thornton (2) (2) (3) Foskett Wallace (19) (12) Rogers Blewett (21) (1) (1) Shellman Halftime score: Kendrick 19; Harrison 15.

Substitutions: Kendrick—Vincent 2, Thompson, Draner, Harrison—Camm, Nitkey, Clark, Russell.

Ferdinand Wins Trophy. Consolation honors in the first state tournament ever held in Lewiston went to the Ferdinand Eagles, who rallied in the last two quarters to win their third victory of the season from the Kendrick Tigers 30 to 28. The favored Eagles, like the championship team, had to come from behind to claim their victory.

After Joe Hill had scored the first two points on free throws for Ferdinand, Kendrick took over the lead and had the district champions trailing most of the way to the half when the Tigers led 15 to 12. A field goal by Kuykendall stretched the advantage to five points as the third quarter opened, but the Eagles' attack got under way with Tim Vedder setting the scoring pace and Ferdinand was on the long end of a 22-17 count when the third period ended.

The score was tied once more in the final frame when Glenn Newman and John Wallace connected for field goals and Rex Blewett added a free throw to bring Kendrick even at 22, but Moody scored twice and Vedder added another to tuck the game away with two minutes to play as Ferdinand led 28 to 22. There was still time for three field goals which could have tied the score—but Tim Vedder got one of those in between counters by Harvey Thornton and Wallace of Kendrick.

California Not In It. A little note from Mrs. D. A. Bishop of Juliaetta tells the Gazette that gardens are being plowed and that cabbage and tomato plants are ready to be put into the ground. She also states that she has a tomato or tomatoes, on the vine that measure six inches around—but not many of them. "I also have beans on the vines that measure four inches in length—but not many of them. You may talk about California, but give me dear old Idaho," she said.

Mrs. Bishop has won several of the Gazette's Big Egg contests in years gone by—and, of course, Mr. and Mrs. Bishop have been reading the Gazette all these years.

WHAT HAPPENED HERE 20 YEARS AGO THIS WEEK

L. J. Herres went to Moscow Wednesday to take charge of the prescription department of the Bolles drug store for a period of three weeks. He is substituting on account of the illness of the regular druggist.

Mr. and Mrs. Stuart Compton entertained a number of friends in their home Sunday night in honor of Walter Thomas. The evening was spent very pleasantly. Twenty-eight guests were present.

A very interesting letter from Delbert Riggie, dated at Habersok, Siberia, January 21, 1919, was received by his sister, Rose. Among other things it contained the following: "You wished to know if I had mastered the language so as to be able to converse intelligently with the natives of the islands. I was thinking of starting a Spanish school with myself as teacher, when we left, but the language was nothing compared to this. Where it would take a person of average intelligence a month to learn to order a beefsteak, there, it would take him a year here. I have given up in despair and am eating eggs. I can remember the name of them. I've celebrated three Christmases so far—the Americans (American), the Japanese (Japanese) and the Paruski (Russian). The Ketsiki (Chinese) is yet to come. The Paruski Christmas lasts for three days."

Linden Items—The report of Gold Hill school for last month was perfect. The teacher took her new Victoria to school last week and the children have been enjoying the music and games played on it.

In this issue bids were called by the county commissioners for repair and construction of a county road between Juliaetta and Kendrick, beginning about one-fourth mile southwest from Kendrick on what is known as Powell hill. Anybody desiring to go over the route will please see Martin Thomas, Kendrick—and the road still needs fixing.

Kendrick has ceased to be a village and is now in the small city class—some of the ladies have organized a bridge club.

Walter Thomas left the first of the week for Seattle, where he has accepted a very good position as teller in a bank in that city. He was here but a few days since coming home from his service in the U. S. navy, having arrived last Saturday in company with his brother, Harold. Both Walter and Harold saw some real service on the Cruiser St. Louis and had some exciting adventures. In addition to their navy duties, Walter was leader of the band and Harold played a saxophone.

Henry Meyer is now stationed on a training ship with headquarters at Annapolis Naval Academy. He saw Capt. George Barnum a short time ago and also Ralph Fenton and had quite a visit with them.

Big Bear Ridge News—Hiram Galloway and Fred T. Gladden have received honorable discharge from military life and have returned to their homes. This makes thirteen of the young men from this precinct who have returned home from army service. Private Gabriel Forest has been transferred from Fort Wright to Vancouver, Wash. Word has reached here that Einar Bruseth, who was wounded Oct. 4, had recently undergone an operation on his wounded shoulder and was still in a hospital in France.

In this issue of the Gazette seven farms were offered for sale. The following was taken from the "Fifteen Years Ago" column (making the items 35 years old): The Kendrick mill was entirely surrounded by water Tuesday. The mill did not run throughout the day, owing to the high water, which necessitated closing of the flume at the head. Attorney T. B. West made out the papers of incorporation of the American Ridge Methodist church. The articles have been filed and the seal secured.

Surprise Birthday Party. A surprise birthday party was given for Clarence Henderson on his fortieth birthday anniversary on Sunday, March 19. A delicious dinner was served at noon.

Those present were Mr. and Mrs. Lude Groseclose and Mrs. Eva Wright, Mrs. Julius Hoppe, Mrs. Cuddy, Mr. and Mrs. Arney Cuddy and daughters, Mr. and Mrs. Ray Southwick, Mrs. Grace Wells and son and granddaughters, Mr. and Mrs. Glen Hanson and children, Rev. and Mrs. Turner and family, Mr. and Mrs. Given Mustoe and Jackie, Mr. and Mrs. Howard Southwick and family, Mr. and Mrs. Harold Whittinger and family, Nina Stead, Ruth Cuddy, Donald Cantrill, Everett Clumber, Alice and Verlin Benjamin, Harvey Morris and Carl Thornton.

The afternoon was spent playing Chinese checkers and ping pong.

THREE DEATHS ARE RECORDED THIS WEEK

Mrs. Myrtle E. McAntire. Myrtle Enid Milliken was born June 6, 1865, at Drakesville, Iowa. The greater portion of her girlhood days were spent in Missouri, where on February 19, 1888, she was united in marriage to William Thomas McAntire, at Kilwinning.

To this union four children were born: Mary Jane, James Leslie, Bert and William Dallas. In the year 1912 the family moved to Idaho, residing there two and a half years, afterward moving to Edwards, Montana, where they homesteaded and resided for many years, moving back to Idaho in 1935.

Mr. McAntire, Mary Jane Largent and James Leslie McAntire preceded Mrs. McAntire in death. She is survived by two sons: Bert and Dallas; two sisters, Mrs. J. E. Luther of Memphis, Mo., and Mrs. George McGown of Orange Cove, Calif.; a brother, O. E. Milliken of South Bend, Indiana, and many other relatives.

Mrs. McAntire passed away at her home near Southwick, Idaho, March 18, 1939, at the age of 73 years. The body was sent to Montana for burial.

Card of Thanks. We wish to express our gratitude to the friends for their kindness and sympathy during our recent bereavement.

Mr. and Mrs. Bert McAntire, Dallas McAntire, Lois Largent.

Cora, Elizabeth Bowling. Mrs. Cora Elizabeth Bowling passed away Friday, March 17, at the age of 59 years. She was a native of Shelby county, Indiana, and had been a resident of Kendrick for about three years. She is survived by her widower, A. C. Bowling, a son, Conrad Kahler, a daughter, Mrs. Elvera Hilton, who resides in Missouri; a son, Paul Bowling; two daughters, Mrs. Goldie Hilton and Mrs. Gladys Hodgen, both of Kendrick; two brothers, Herbert Fatley, Kendrick, and James Fatley, who resides in Missouri; one sister, Mrs. Nettie Gentry, Kendrick.

Funeral services were held Wednesday afternoon at 2 o'clock in Wild Rose Chapel, with burial in the cemetery, nearby. A Moscow minister was in charge.

William Harley May. William Harley May, aged 27 years, died of pneumonia in the Raby Hotel at 6:30 Sunday morning, March 19.

Mr. May had been working in the woods and had caught a heavy cold, which settled on his lungs, pneumonia following.

He is survived by his widow, Virginia; two brothers, Kenneth of Grand Coulee, and Blaine of Newport, Wash.; two sisters, Mrs. Crystal McCoy of Spokane and Mrs. Alice Cartney of San Diego, Calif.

Although Mr. May had been a resident of Kendrick at various times, but little information is available regarding him.

The body was sent to Spokane Tuesday for burial.

P.-T. A. Meeting. The Parent-Teachers association met in regular session Monday evening in the high school auditorium. President Blewett called the meeting to order, after which the H. S. Girls' Glee club, conducted by Mr. Vaught, sang a special number. A short business meeting followed in which the budget and finance committee reported having planned a card party to be given April 3.

There was also a report from the committee named to see about getting a piano.

The National P.-T. A. is holding a convention the first week in April in Boise and it was voted to allow \$10.00 to send a delegate from here. New officers for the ensuing year were nominated and will be installed in April.

Following the business session Mr. Lyle gave a talk, or report, on his trip to Colfax recently, where he attended a meeting for the purpose of studying a plan for evaluating secondary high schools.

Entertain Friends. On Tuesday evening of this week Evelyn Farrington, David Craig, Lloyd Farrington and Everett Farrington entertained a group of young people in the Farrington home.

Guests were Mary Havens, Barbara Long, Mary Davidson, Eileen Benjamin, Annie and Arlene Deobald, Myra Kanikbeberg, Betty Boyd, Alma Cox, Helen Newman, Myrtle Schmidt, Emma Lou Vincent, Teddy Weyen, Kenneth Woody, Rex Blewett, John Wallace, Chester Vincent, Frank Rider, Bob Watts, Glenn and Harry Newman, John Thompson, Bill Cox, and the guest of honor, Henry Emery.

Games were played, with high scores going to Mary Davidson and Rex Blewett, and low to Arlene Deobald and John Wallace.

John Heath In Business. John Heath has taken over the Kendrick Hotel business operated by Henry Reil for the past six months. Mr. Heath has announced that in addition to the regular lines served and carried by Mr. Reil, that he plans on operating a complete restaurant business, serving meals and short orders.

INTERESTING NEWS ITEMS FROM KENDRICK SCHOOLS

Of course, we all know how Kendrick came out in the State Class B tournament last Thursday, Friday and Saturday—so there is no need to say much about this except—the whole territory around here is very proud of our fine basketball team. It really makes us all feel good to have a basketball team that are good sports, besides being one of the best in the state.

Report cards were given out this week, and from the looks on most of the faces around school, it wasn't as bad as was expected. Believe it or not, most of them were actually laughing when they looked at them.

The Girls' League held a meeting Tuesday for the purpose of electing officers for the next year. Those elected were: Mary Havens, president; Alma Cox, vice-president; Emma Lou Vincent, secretary; Barbara Long, treasurer. At this meeting delegates were chosen to attend the Tri-State Girls' League conference, to be held in Walla Walla this year, on April 15. Delegates chosen were Mary Havens, Barbara Long, Annie Deobald and Eileen Benjamin. Our regular monthly meeting with the program following, will be held next Friday afternoon.

Now that the tournament is over and there seems to be no other interference, the Seniors are really getting to work on their play, entitled, "One Mad Night." This is scheduled to be presented March 29, and now that you have been informed of the date, you must all want to be there. It will be presented in the Kendrick Theatre. This play cannot fail to please, excite and amuse, moving as it does at express-train speed, with never a breathing spell from beginning to end. (However, don't be afraid of suffocating, it isn't that bad). The action of the entire play takes place in "One Mad Night," and what a crazy night it is! Don Cutter (John Wallace) a playwright, accompanied by Wing (Rex Blewett), his proverb-quoting Chinese valet, goes to the Cutter mansion, a lonely house in the hills, to complete his latest play in peace and quiet. The house has been deserted for years, a series of mysterious murders having given it the reputation of being haunted. Imagine Don's astonishment when he finds the house tenanted by a number of very strange people, including John Alden (John Keeler), Priscilla (Ethel Fraser), Mr. Hyde, (Frank Rider), Lady MacBeth (Mary Davidson), Dr. Bunn (Dean Compton), Lucille (Arlene Deobald), and then, of course, those which aren't quite in the lunatic class yet—Mary Mattoon, Eileen Benjamin, Chester Vincent and Beatrice LaHatt. From this point, everything happens, including talking ghosts, screaming women, disappearing guests, and, for a climax, the appearance on the scene of an escaped murderer (Frank Arnett) fleeing for his life. By the time the final curtain falls, everyone will be weak from laughter and will have to admit that "One Mad Night" is the last word in rapid-fire hilarity.

Work on "The Tiger's Paw," the Kendrick school's annual has begun, John Wallace being chosen editor, and Rex Blewett, business manager. To hear the Seniors talk this year, it is the best yet. "Bigger and better than ever before." The pictures, rather than being pasted in, as was done before, will be printed, thus making a neater book. Approximately 125 copies of this will be printed, because it seems that just "all the kids want one."

Results of the horseshoe tournament in the F. F. A. will be given next week. Plans are being made to attend the smoker, to be held in Lapwal, and all boys who wish to participate, are required to have a doctor's examination.

Real Spring Weather. Saturday, March 18, was the first day of spring, regardless of what the weather prognosticators, almanacs, calendars, or what not says about the proper time for the little lady to be ushered in. However, this is March and one can never tell just what is going to happen from one sun to another. The weather has been—and is—all that could be asked for and flowers of all kinds are coming into bloom. While this is the kind of weather one should feel grand in, it is more than likely that it will bring forth many well-developed cases of spring fever within a short time.

Entertains Friends. Winnie Havens entertained a group of young friends Wednesday evening at a Chinese checkers party. Donna Wallace won high for the girls, and Janey Carroll low. Louis Lunders was high for the boys and Sanny Donoherty, low. Five tables were in play.

Delicious refreshments were served the young guests.

Building New Driveway. The Kendrick Rochdale company is having a new cement driveway built to the west of their scales at their elevator. They stated that they feared some of the heavy loads brought in on the big trucks might break through the wooden flooring. There is no possibility of such a mishap now.

Mrs. Havens Wins Prize. Last week Mrs. O. E. Havens received an interesting-looking letter from Proctor & Gamble, which contained a check for \$10.00 for one of the best answers to "Why I Like Ivory Soap."

A friend is the hope of the heart.

Leths Return Home

Mr. and Mrs. Geo. Leth returned to their home here Monday afternoon after an absence of two months, where Mr. Leth has been recovering from the severe fall he sustained in the Kendrick gym, two months ago Tuesday, while employed on the new balcony construction.

While George is able to get about with the aid of a cane, he still is far from a well man and has to see his physician every day, his left arm still being in a cast and his left hip rather badly injured.

Mrs. Leth also was quite ill for two weeks, but is recovering nicely. The many friends of both Mr. and Mrs. Leth are more than glad to see them home again and to know they are both on the road to health and recovery.

WHEAT MARKET CONTINUES DULL—FEED GRAINS DECLINE

Domestic grain markets were weak and mostly lower during the week ended March 17, states the Bureau of Agricultural Economics in its weekly Grain Market Review.

Wheat continued to decline, influenced by the slow domestic demand for the large remaining supplies and lack of export trade, but strengthened slightly toward the close when the tense political situation in Europe brought about a firmer situation abroad. Feed grains declined further and prices of May corn at Chicago reached the lowest point in five years. A slow domestic inquiry with lower holding prices and a negligible export business accounted for the weakness in corn. Oats and barley turned weaker largely as a result of the decline in the corn market.

A rather unsettled situation developed in world wheat markets during the third week in March. The pressure of heavy wheat stocks in Argentina was partially relieved by reported sales of large quantities of Argentine wheat to Germany on a barter basis for German railway equipment and other goods. A reduction of about 3 1/2¢ per bushel in ocean freight rates from Argentina to European markets however, resulted in lower quotations on Argentine wheat at Liverpool and this in turn, weakened the market for other offerings. Tending to offset these weakening influences at the close of the period were the tense European political situation and the uncertainty as to the 1939 world harvest.

Wheat receipts at Puget Sound and Columbia river terminals dropped sharply to 708 cars. Flour indemnity payments on export flour at the close of the week were unchanged at 90¢ to the Philippines, 85¢ general from Pacific Coast ports, and \$1.15 per barrel to China. Mill demand during the week was moderate but steady with current offerings about sufficient for market needs. Export demand was not urgent with sales reported at about 2,000 tons of white wheat to the Continent. Wheat mill feeds markets held steady as compared with early in the period.

Pacific Northwestern barley markets were fully steady on feeding types of barley and slightly higher on malting qualities during the week. Trading in feeding barley was only moderate with receipts of seven cars at Portland and one car at Seattle during the week. On March 16, No. 2 bright western barley weighing 45 pounds was quoted at Portland at \$1.20 per 100, sacked.

Oats markets in the Pacific Northwest were quiet but steady. Receipts for the week totaled 11 cars at Portland and 12 cars at Seattle. Prices were unchanged for the week. If Idaho farmers carry out their average intentions, as reported on March 1, the planted acreage of spring wheat will be about 20 per cent smaller than last year, the dry bean acreage will be about the same as last year, and corn, oats, barley, potatoes and hay acreages will all be greater than planted last year. The total acreage of these seven crops is now indicated to be about 2,001,000 acres, or one per cent smaller than the 1938 total of 2,019,000 acres.

Grey's "The Mysterious Rider"
"The Mysterious Rider," a story
which has had many counterparts in
the checked history of the West-
ern frontier, will be shown at the
Kendrick Theatre this Friday and
Saturday nights. The story revolves
about the strange figure of a man
forced to flee into the wilderness,
"far being accused of a crime he
did not commit. The story opens
with a rousing picture of the West
in the old days when the law was
not the man with the straightest-
shooting eye said it was... the
rough country sees action when the
mysterious outlaw returns home to
rescue his grown-up daughter from
the hands of a crooked guardian and
cattle rustlers.

"The Mysterious Rider" is said to
be one of Grey's best and all fans
who enjoy real westerns will have
a chance to see one of the best of
this type of pictures.
Other features will be shown to
finish out the evening's entertain-
ment.

Benefit Card Party

The P.-T. A. will give a benefit

awarded. Be sure to see next week's

WOLVERINE SHELL HORSEHIDE! SEE THAT SHELL?

It's the inner shell in that part of the hide found just over the horse's hips... It's tough like your fingernail... WOLVERINE tans this 8-ply leather glove-soft, yet retains all the Shell toughness and resistance to wear.

Only Wolverine Shell Horsehides Have This Amazing Tough But Buckskin-Soft Leather in Both Soles and Uppers

YES! Shell Horsehide as only WOLVERINE can tan it is in both soles and uppers of these famous work shoes. Wolverine Shell Horsehides are glove-soft as the day you buy them... the most comfortable work shoes on earth. And regardless of how you soak them or how long, Wolverine Shell Horsehides dry out soft. Yet, with all their pliability and comfort, Wolverine Shell Horsehides wear and save you money. Come in and try on a pair today... See That Shell!

SECRET TANNING PROCESS MAKES SHELL GLOVE-SOFT!

Wolverine's secret triple-tanning process runs up and down only to Wolverine tanners. Thousands of happy farmers know our 8-ply super-strength leather is made so soft and pliable, and that it dries soft after soaking.

SHELL SECTION IS VERTICALLY GRAINED

The grain in Shell Horsehide runs up and down like wood in a butcher's block. This gives Shell Horsehide more wear resistance because the wear is on the end of the grain. In fact, it's like your fingernail and wears in comparison to other leathers as your fingernail wears in comparison to your skin. Miles of Extra Wear!

HAROLD THOMAS, Editor

EDITORIAL

Hello, there Folks:
It really begins to look like spring has "sprung" at last, and we really have an end to winter—and we hope so. The lovely weather of the past few days has really gone a long way toward making up for the long days of rain and chill we have had the last six weeks.
With the coming of the green grass will come more milk and cream—and folks, we want to buy that milk and cream. Bring in that cream, take home a steam sterilized can and the cash. Cash is king these days. Try it and see for yourself.
And by the way, we want you to try our butter. Its sweet, clean and wholesome taste and smell will please you. Try a pound today. Once you use it, we believe you'll continue to use it always.

Him: "Well, I suppose you're plenty angry because I came home with this black eye last night."
Her (sweetly): "Not at all, dear. You may not remember it, but when you came home last night you didn't have that black eye."

"Dad, what is a diplomat?"
"A diplomat, my boy, is a person who is appointed to avert situations that would never occur if there were no diplomats."

"Isn't this an ideal place for a picnic?"
"Yes! 50,000,000 insects couldn't be wrong!"

First Golfer: "Confound it, sir, you nearly hit my wife."
Second Golfer: "Did I? Well, have a shot at mine over there."

Read the Bullitin—keep posted.

KENDRICK TIGERS IN SEMI-FINALS IN TOURNAMENT

The Eagles reversed their tactics of the previous evening when reckless scoring attempts dissipated their lead and almost cost them a game with Wilder playing conservatively and attempting to keep possession of the ball after achieving the 28-22 margin.

Vedder bolstered the Ferdinand scoring by a dozen points and Moody added nine more. Kendrick honors were held jointly by Kuykendall and Wallace with eight each.

Ferdinand (30) (26) Kendrick Moody 9..... F 8 Kuykendall Schwartz 1..... F 5 Newman Vedder 12..... C 4 Thornton Hill 6..... G 8 Wallace Kuther..... G 1 Blewett

Half-time score: Kendrick 15; Ferdinand, 12.

Substitutions: Ferdinand — Frei 2. Kinzer. Kendrick—Vincent, Thompson, Draper.

Referees thought the entire tournament were Penn Emerson of Reubens and Coy Barnes of Lewiston.

Other Games

It is to be regretted that Kendrick could not be on top the pile, as was hoped for, but we are proud of our boys and the showing they made. There are lots of schools in the Class B list in the state of Idaho, and to be listed as one of the top-notchers is a real honor in itself. When one considers that the Tigers were playing the pick of the finest — results speak in going into the semi-finals.

Downey Team Winners

The Downey Bulldogs, probably one of the finest high school teams in the state of Idaho, in all classes—both A and B, turned in performances that made the spectators cheer.

In their flashy green and white uniforms, with matching knee-length socks and white shoes, they presented a picture worth anyone's watching, and their performances were just as flashy as their uniforms. Smoothness, speed, accuracy and endurance characterized the team—win the title they did—and they were entitled to it.

Ammon won the second place cup and Ferdinand the consolation.

Trophies Get Rewards

Presentation of trophies followed the championship engagement between Ammon and Downey. Coach Forrest Twogood of the University of Idaho, presented the championship award to Capt. Woody Erickson of Downey and the runner-up trophy to Capt. Gerald Wolf, Ammon. Obed Moody, Ferdinand's Indian captian, received the consolation trophy from Elbert Stellman, the chairman of the Lewiston Chamber of Commerce athletic committee, who also gave the sportsmanship award to Capt. Bud Burlison, Glenns Ferry.

Cliff Hopkins, a member of the chamber of commerce committee and its former chairman, announced the all-state selections, which included Ivan Nilsson, Woodrow and Warren Erickson and Preston Rencher, all of Downey; Obed Moody, Harold Emmer, Ammon, and Jack Newell of Glenns Ferry. They received gold basketball watch charms. Members of the championship Downey club were presented with the same awards in silver by Mr. Hopkins. All trophies and charms, with the exception of the runner-up cup, which was contributed by Erb Hardware Co., were given by the Lewiston Chamber of Commerce.

CRESCENT CLIPPINGS

We understand there was a dinner at the Alfred Swanson home Sunday in honor of Alfred's birthday, which was Monday. We have been unable to contact any of those attending, so cannot give the names of the happy group—but of course everyone had a good time. A beautiful day, good friends, lots to eat, what more could be asked.

Mrs. Frank Helm visited Monday with Mrs. Charlie Greenwood.

The spring birds seem to feel that spring is in the air, although we still have snow underfoot. The air is mild and bigger patches of ground appear daily.

The John Darby family called Sunday afternoon at the Wm. Cowger home.

Mr. and Mrs. Arne Kloster and Jennie Loeser visited Sunday afternoon with Mr. and Mrs. Charlie Greenwood.

Arne Kloster and John Darby were Lewiston visitors Saturday. Mrs. Kloster accompanied them as far as Kendrick, where she spent the day with her mother, Mrs. Rose Farrington.

Mr. and Mrs. Arne Kloster and Mr. and Mrs. John Darby and Jo visited Wednesday afternoon at the W. H. Loeser home.

Frank Loeser was absent from school Thursday, due to illness.

Warren Helm was absent Monday. Review seems to be the order of the day in most school classes, although some have already taken final examinations in some subjects.
