KENDRICK, LATAH COUNTY, IDAHO, THURSDAY, MAY 18, 1939

NO. 20

## WHAT HAPPENED HERE 20 YEARS AGO THIS WEEK

Twenty years ago this week the people were making great preparations for the building of a new home to replace the one lost by fire and which formerly stood on the corner lot where the house of Mrs. E. Knepper (now the residence of Mrs. Dennis Randolph) stands. The Gazette reported that the plot of ground between the P. Hull and R. Porter residences has been secured as a building site. The paper carries a full description of the proposed edifice and gives a complete description of the building as it will be after completion.

Miss King and three daughters have moved to Kendrick and now have their home in the new house. Mrs. King is teaching a term of school and will spend the summer here. She is a sister of Mrs. King.

Monday morning a road meeting was held in the town hall in Kendrick. Citizens from Juliaetta, Orofino, commissioners, county representatives of Kendrick and representatives of Kendrick were present. The meeting was for the purpose of making a decision in regard to the building of a better grade between Kendrick and Juliaetta, and to select the location of the grade. The opinion is held that the construction of a water grade between the towns would be the opening of a highway to Lewiston, some of the greatly desired by both Kendrick and Juliaetta.

A village board was installed following as trustees: N. A. Wilmoth, Theo. Hanlon, John Waide, Edgar Long, selected trustee, refused to accept his place was filled by the appointment of Tom Sturdevant, who just completed a two-year term on the board. N. E. Walker was chosen chairman; Harry Stanton made treasurer and Ralph Sturdevant, clerk.

Mrs. Theodore Bond and family of Portland, Oregon, are visiting at the J. J. Slind home. Mrs. Bond was formerly Miss Jenkinson who was married last fall at San Francisco, Calif.

John Stalder tells us that he will leave some time this month, to look out for him. John Stalder says he will furnish flowers for the next fall, and his good wishes will be the cake.

On Wednesday evening, the big building was again jammed with friends and relatives of the graduating class, a half hour or more before the exercises were due to begin. Reserve sections were marked off for parents and close relatives of the twenty-six graduates to insure their having seats, and it was well that this was done, for even with chairs in the aisles and many standing, it was necessary to turn some away.

At the presentation of Art Awards, made by Supt. J. M. Lyle, Jr., Leon Lind received first prize; Chester Vincent, second prize; John Keeler, third prize. Prizes were given for original composition regarding art.

The Wickliffe R. Smith Scholarship prizes, also presented by Supt. Lyle, Arlene Deobald, a senior, and Valedictorian of the class, received first; Lois Deobald, a freshman, second; Myrtle Schmidt, also a member of the graduating class and Salutatorian, received third.

## Hottest Day Thus Far

Monday was the hottest day thus far this season in the Potlatch section, the mercury reaching an even 90 degrees in the valley. Lewiston had a temperature of an even 100 degrees and Spokane wasn't so far behind. However, a drop in temperature occurred late Monday evening and Tuesday morning it was nice and cool, and a few drops of rain fell.

## FIRE DAMAGES KENDRICK BEAN GROWERS BUILDING

Fire of an undetermined origin did considerable damage to the Kendrick Bean Growers Association office and store in the Farmers Bank building last Thursday evening. The alarm was turned in just a few minutes after nine o'clock, and as many were on the streets and at the show, plenty of help was at hand in short order. It is reported that three young men, Ed Nelson, "Spud" Crocker and "Genny" Hill broke into the institution and held the blaze away from the rolls of tarred roofing paper with a garden hose until the big fire hoses could be put into action, snuffing out the blaze in just a few minutes.

The fire seemingly attained its greatest heat in the fine lumber racks just behind the office, and just over the parts bins, charring the edges and spoiling many hundreds of feet of fine lumber. It also burned holes through the ceiling plaster, charring rafters and lath.

In the hardware section of the store the greatest damage was done by smoke, water damage amounting to but little. However, in the parts department, all parts had to be taken from their bins, dried and wiped with oil to prevent rusting.

Kendrick has a group of volunteer fire fighters who have hung up a record of which any small town can well be proud in the extinguishing of fire. The only destruction of a building in many years being that of the Presbyterian church, some two years ago and it is not believed that any fire department could have handled that fire, as the high, completely sealed loft, and many partitions made getting at the blaze with the tremendous start it had attained when the alarm was turned in, an impossibility.

The Kendrick Community church was jammed to capacity Sunday evening at 7:30 to hear the annual baccalaureate sermon, delivered by Rev. Ray. The seniors appeared in their graduation caps and gowns. The Juniors had decorated it for the services, using flowers of all kinds in profusion, and myriads of candles completed the pretty picture.

On Wednesday evening, the big building was again jammed with friends and relatives of the graduating class, a half hour or more before the exercises were due to begin. Reserve sections were marked off for parents and close relatives of the twenty-six graduates to insure their having seats, and it was well that this was done, for even with chairs in the aisles and many standing, it was necessary to turn some away.

At the presentation of Art Awards, made by Supt. J. M. Lyle, Jr., Leon Lind received first prize; Chester Vincent, second prize; John Keeler, third prize. Prizes were given for original composition regarding art.

## PLEA FOR PRESERVATION OF OLD INDIAN MUSEUM

Below is a plea from Miss Millie Kite, teacher of the Linden school, for the preservation of the Indian Museum, located at Spalding, which is self explanatory.

Everyone in this section of the country should be interested in the preservation of the museum and the old one-room house in which it is at present housed and we believe that each and every one of the residents of this section, especially, will read with much interest what Miss Kite has to say regarding the old mission, which follows:

"A few days ago, I, accompanied by twenty elementary grade school students, visited the Indian Museum located at Spalding, Idaho. We found there the greatest historical collection in the Northwest, crowded in a small one-room building. You can understand of what rude structure the building is by being told it is the actual building that Mr. and Mrs. Spaulding called their home. This collection, as well as the building, should be preserved in a huge fire-proof building with adequate room to display everything and more for future collection.

"The fact that the owners are considering selling the collection to another state should shame our people to action to do something toward maintaining this collection in our own state and to construct a museum building.

"The reaction of the school children as to their increased interest in history and broadening of knowledge is enough proof to convince one of the aid such a museum could be to a school as well as to the public.

"My plea is that something be done to preserve and keep this valuable and historical collection in Idaho.

Annual May Fete  
One of the high lights of the closing of the schools for the grade pupils was their annual May Fete, which was given Wednesday afternoon in the Gym, which was packed to capacity with parents and school children.

It was indeed a happy affair and the grade teachers and Mr. Vaughn, who had charge of the musical section, are to be congratulated upon the splendid performance given. The following program was given: Waltz Medley—Promotion March—Kendrick High School Band. Norwegian Mountain March—All Grade School.

## DOINGS OF SOUTHWICK NEIGHBORS AND FRIENDS

Mr. and Mrs. John Travis visited in Lewiston Saturday and Sunday. Mrs. Harvey Bales and son Bob arrived Saturday to spend a few days with Mrs. Bales' parents, Mr. and Mrs. Nels Longeteig.

Mr. and Mrs. Earl Whittinger were Lewiston visitors Friday. While there they called on Mrs. Helen Gjoavaag, Mrs. Blanche McCoy and John Heath, who were ill in the St. Joseph's hospital.

Aaron Wells spent the past week in Moscow taking treatments. Mr. and Mrs. Ralph Wright, Mrs. Lottie Whittinger and son from Lewiston; Marion Wright of Kelso, Ore. and Mrs. Eva Wright were guests at the Clarence Henderson home Saturday.

Those who spent Sunday with Mrs. Donna Berreman were Mrs. Ola Betts and family, Mr. and Mrs. Fred Hassinger and John Westgate of Gifford, Mr. and Mrs. Jake Berreman from Clarkston and Miss Virginia Rookes.

Mr. and Mrs. Earl Whittinger and Mrs. Ray Whittinger visited with Mr. and Mrs. Harvey Morris Sunday. Inghard Gjoavaag and Mr. and Mrs. Dick Winegardner and sons visited in Lewiston Sunday, getting acquainted with the new son of Mr. and Mrs. Gjoavaag. Mrs. Gjoavaag will be at her home after Tuesday.

Mr. and Mrs. Beckham and Mrs. Otto Schoeffler spent Monday with Mrs. Gordon Harris.

Arney Cuddy and family spent Sunday in Kamiah visiting with his brother, Morrison Cuddy and family. Ralph Gehre was an over-night visitor of Hank Bleck Friday. They motored to Anatoné Saturday.

The Southwick baseball team played the Schmidt's Mill team last Sunday and were defeated 13-14. There will be a game played here next Sunday between Gifford and Southwick.

## Young People's Rally

The Full Gospel church is sponsoring a Young People's rally on Saturday, May 20. Everyone is urged to attend and hear talented singers, speakers and musicians.

Many are coming from distant points to enjoy this service. What a privilege we have to be so near. We are expecting a great crowd, so come early to obtain a seat. "I was glad when they said unto me, 'Let us go into the House of the Lord.'"

J. J. Hamley Passes AT PENDLETON HOME  
J. J. Hamley, an old-time Kendrick resident, passed away at his home in Pendleton, Oregon, last Saturday, May 13, after a long illness, at the age of 80 years.

He at one time owned and operated a harness shop here (before the disastrous fire of August, 1904) which was destroyed. He went from here to Pendleton and opened a harness and saddlery shop which developed into one of the best-known institutions in the United States, if not in the world.

Mr. Hamley came to Kendrick every year or two to renew old acquaintances and make new ones. A little less than a year ago he was here calling on old friends, and he never failed to call at the Gazette office and leave one of his finely-printed catalogues, which was always appreciated. His many old-time friends here will indeed be grieved to learn of his passing, although he had reached a ripe old age and the end of a life well spent.

A news dispatch from Pendleton, Oregon, under date of May 13, has the following to say: "A figure that had become traditional on the scene passed from active participation into the history of the Pendleton Round-Up in the death here today of J. J. Hamley, 80, one of the founders of the show and founder of the widely known Hamley & Co., saddlery here."

An original stockholder of the round-up, he made the presentation of 31 silver-mounted saddles to winners of events over the years. It was his time-honored custom to be the No. 1 purchaser of tickets—and he usually bought hundreds of box seats—when the windows were pushed up for the opening of the show.

"He came to Pendleton in June, 1905, with his family and in 1910 incorporated the company that has since become internationally known, with sales in nearly all countries where horses are used for the transportation of man, and with a staff of 34 expert saddlers.

## WHEAT PRICE TREND UPWARD, DUE DETERIORATION

Domestic wheat markets were independently firm during the week ending May 12, and prices made further advances despite a weaker situation abroad, states the Bureau of Agricultural Economics in its Weekly Grain Market Review. Feed grains were also firm with current offerings in good demand. Unsatisfactory prospects for the new crop in some areas was an additional strengthening influence in the oats market.

World shipments dropped slightly during the week and some slackening in import demand was reported at Liverpool. Slightly over a million bushels of the recent sales of Argentine wheat to Spain were reported to have arrived. United Kingdom buyers were reported negotiating with Roumanian shippers for four million bushels of old crop wheat on a clearing basis and about 7,500,000 bushels of new crop grain. Belgium reduced their requirements for milling of native wheat to 20 per cent with indications that this restriction would be further reduced or revised at an early date.

Cash wheat markets in the Pacific Northwest mostly declined  $\frac{1}{4}$  to  $\frac{1}{2}$ ¢ per bushel during the past week, except hard white (baart) which advanced  $\frac{1}{4}$ ¢ per bushel. Cash prices largely reflected local supply and demand conditions, but also reflected slow export demand and only fair to moderate mill demand except for special qualities. The only export business reported was about 700 tons of hard winter wheat to Shanghai over the week-end, with none during the balance of the period. Trade reports also indicated that export flour business was less urgent than during other recent weeks. Cash wheat prices at Portland May 12 were: Soft white, 71c, western white 70c, western red 69c, all basis No. 1 grade in bulk.

Oats markets in the Pacific Northwest were steady and unchanged compared with the previous week. On May 11, No. 2 white oats weighing 38 pounds were quoted at Portland at \$1.38 $\frac{1}{2}$  per 100, sacked, while No. 2 gray oats remained nominal. Oats receipts totaled 10 cars at Portland and five at Seattle for the week, reflecting the light offerings and only moderate demand.

Pacific Northwestern barley markets continued steady to firm during the past week. Offerings were only moderate to light and moved readily at current values. Five cars of barley were received at Portland and six cars at Seattle during the period. On May 11, No. 2 bright western barley, weighing 45 pounds per bushel, was quoted at Portland at \$1.25 per 100, sacked basis, or unchanged from the previous week.

Rebekah District Meeting  
A district meeting of the Rebekah lodge was held in Moscow Saturday, with Mrs. A. C. Deeter, Mrs. E. B. Parks, Mrs. Paul Lind, Mrs. Edgar Long, Mrs. L. S. LaHatt, Mrs. R. H. Ramey, Mrs. Ira Havens and Mrs. Joe Davis attending. The district meeting for next year will be held in Kendrick.

Officers elected for the coming year are: Mrs. E. H. Jones, chairman; Mrs. Cecil Gruhl, vice-chairman; Pearl Long, secretary and treasurer; Mrs. R. H. Ramey, musician.

Farewell Breakfast  
Thursday morning the teachers of the Kendrick schools departed at an early hour for the Cedar creek picnic grounds to cook a farewell breakfast over the campfire and hold their last get-together, since some are departing today for their homes for the summer, and others have resigned, to accept positions elsewhere.

All report a most delightful time, even if cooking over a campfire does have its disadvantages.

Miss Bechtol Here  
E. A. Deobald drove to Moscow Wednesday evening to get his niece, Miss Edwina Bechtol, bringing her here to attend the graduation exercises. She has been teaching in southern Idaho this school term. He returned her to Moscow early this morning, from which point she will depart for her home in Seattle.

New Bridge Be Dedicated  
The new Lewiston-Clarkston bridge over the Snake river will be dedicated tomorrow (Friday) with much pomp and ceremony. The town has been making preparations for the occasion for several weeks and there is every reason to believe there will be a large crowd attend the ceremonies.

John Heath Returns  
John Heath, who has been in St. Joseph's Hospital, Lewiston, for the past week suffering with blood poisoning in a hand, returned home Sunday. His hand is still in bandages, but John says he is feeling good and expects to be back on the job again shortly.

Old-Time Resident Passes  
Word has been received by friends here that Charley Chandler, an old-time resident of this section and one-time marshal of Kendrick, had died at Bellingham, Wash., May 11, death having been caused by stroke. The family left here many years ago.

Depart For Homes  
Miss Jean Graham and Miss Mary Fattu left this morning for their respective homes, the former at Peck and the latter at Kellogg.

# "WE'RE MONEY AHEAD COOKING ELECTRICALLY"

...with a **ROASTER**

She's not wealthy but she's wise to electric roaster meals! Women everywhere declare the new roaster is tops for low-cost cooking, roasting and baking. Uses no more current than an electric iron... plugs in anywhere. Even the cheapest cuts of meat come out tender and appetizing. Pies are flaky, cakes are light.

What's more you can read and rest while the roaster cooks. No fires to build and watch; no blackened pans.

### THE PIONEER MOTHER

By Fred L. Ulen

Next to Christ, the holiest name is Mother. Mother by the deepest instinct of her nature—God given. Not by whether she bears, or mothers her own children, or mothers the children of others—or, whether she lifts and mothers orphans; woman is a mother by instinct, regardless of bearing children.

Name her Courage, for she bears greater pain and suffering than man. The lonely rugged way she takes into the unknown, whither no man has ever gone, but whence all men come, is a more fearless adventure than pioneering new territory.

Name Mother—Comfort—for Mother was the first at the foot of the Cross, and last at the Sepulcher—thus, our Saviour honored her by saying: "As one whom his Mother comforteth, so I will comfort you." This was given so that man could understand what Mother's comfort means.

Mother is Sacrifice—for she gives her all, unselfishly—and only Mother knows her trials. She gives her body, mind and Spirit, nothing is held back.

Name her Forgiveness—and into Forgiveness blend the unfading color of perfect love—as Mother love

allows the living and glorifies the dead. She is the same "today, yesterday and tomorrow"—all others may pass in but Mother will always be the same. She is waiting for you when you are hungry and lost, and you can come creeping back. The world will condemn you for your weakness, curse you for your sin, but Mother will piece together a tired life, look upon it as beautiful, and with her tender loving hands lift your aching heart to God and plead his healing faith. Her faith in you is there beyond moving when all else fail and others flee. "Bind thou fainting heart, look up again," Mother is near!

Faith, Sacrifice and Love are the perfect qualities of Mother which is next to the Love of Christ, most sublime!

The above article, crowded out last week by a last minute rush of local news, we consider of so much worth that we are publishing it this week. We hope you enjoy reading it as much as we did.

### Sunday School Party

Mrs. Lester Crocker entertained her Sunday school class with a party in her home Tuesday afternoon. Games were played, after which refreshments were served the little people.

### TEAKEAN GOSSIP

Miss Olive Harp has a job in the Jack Gaffney home, or rather, ranger station. Her parents went with her as far as Orofino a week ago, where Mrs. Gaffney met her and took her out to the station.

Mrs. Sam Harp and daughter Bertha visited at the home of Mr. and Mrs. Wm. Groseclose Sunday afternoon.

Three men with tractors moved onto the L. Clanin farm Saturday and helped put in the crop. Two teams were also in the field.

Mr. and Mrs. John Lind and Mrs. Elwood Brock were Lewiston visitors one day last week.

A nice Little Mothers' Day program was given at the church following the Sunday School hour last Sunday.

Mrs. L. Clanin, Laura Sewell and Wallace Sewell attended a district conference of the Dunkard church in southern Idaho last week.

Mr. and Mrs. Merton Preussler and children were visitors at the home of Mrs. Carrie Herring Sunday.

Mr. and Mrs. Don Miller called at the Wm. Groseclose home Sunday evening.

Mrs. Don Miller gave a birthday party last Friday for her little daughter, Carol. Those present were Mrs. Olive Preussler and children, Marie and Melvin, Mrs. Orval Choate and Alda Alice and Agnes, Mrs. Cecil Choate and Vernon and Dorothy, Mrs. Elwood Brock, Dale, Clara and Bobby, Mrs. Gus Harless and Marie, Darwin Pitcher, Mrs. Avery Miller and Mrs. Wm. Groseclose. It was her fifth birthday. The children played games, then were served ice cream and jello and cake. Mrs. Cecil Choate brought a lovely birthday cake. Mrs. Miller also made one. It had five candles on it.

Mr. and Mrs. Carroll Groseclose are moving to Weippe. He has taken two loads of household goods there, although he will come back to work, as he and his father are partners on the farm. Mrs. Groseclose will be with her sister, Mrs. C. D. Wilcox, when Carroll is away.

Mr. and Mrs. Gifford Brown and family visited at the Geo. Pitcher home Sunday.

Arrangements are being made to hold a joint Children's Day program with the Cavendish Sunday School, this year, as usual.

Mrs. Ellen Coe of Ahsahka visited friends here last week. Some of the homes she visited were the Browns', Huffmans', Clanin's, Brock's, Groseclose's and Harless'.

Geo. Kime and son Earl are doing the farming on Mrs. Gus Harless' place.

The weather continues dry and warm, although the nights are cool. Miss Stella Herring went back to Leland to help in the Fishman home for a time again. She was home but a short time.

Elwood Brock was an Orofino visitor Saturday.

Mr. and Mrs. Wm. Groseclose and Carroll went to Southwick last Thursday to attend the Commencement exercises. They also called at the L. C. Groseclose home.

Mr. and Mrs. Chas. Church and infant son of Orofino visited Sunday at the home of Mr. and Mrs. Don Miller. Mrs. Miller is Mr. Church's sister. She had been caring for little Sara Church while her mother was in the hospital, so they took her home with them Sunday afternoon.

### Motor Scooter Captivates

Roy Hill, grandson of Mr. and Mrs. W. W. McAllister, Bear ridge, is the envy of all the youngsters in town these days, as he put-puts about the streets on a home-made motor scooter—that really works.

Roy designed and constructed the machine himself, using a discarded washing machine motor for his power plant, a hard wood board forms the chassis, pieces of bicycle frames the steering mechanism, and a very ingenious arrangement of "v" pulleys and belts gives the necessary transmission shifts. The machine is capable of attaining a speed of about 30 miles per hour, has power enough to pull the school house hill, and he rides it back and forth to home up the old Bear ridge grade.

The only parts involving any item of expense were the wheels and tires, these being Goodyear industrial equipment, and were purchased new. The whole is well-planned, neatly made and painted, and Roy is to be congratulated on his ingenuity.

ho, and gave the grand champion shorthorn steer from Washington plenty of competition. Don Jones placed second with his Hereford steer, and Ray Jones placed fourth. These were all very nice animals, but lacked form and high dressing percentage to compare with the top steer.

Harvey Thornton with his class of fat Hampshire hogs placed second, and Kenneth Wolfe eighth. The prize money from these two classes amounted to approximately \$20.

The boys taking part in the judging contests included Arnold Halseth, Sidney Clemenhagen and Clinton Cox, with Warney May, Jr., serving as alternate judge. Out of 37 schools in competition, Kendrick placed tenth.

The boys enjoyed the show very much and from the sentiment of the boys in attendance from Kendrick it looks as though eastern Washington and western Montana can plan on some real competition from this vicinity next year.

The boys express their appreciation to the people of the city who made transportation stock to the show possible, and to the Galloway Bros., who are the boys in getting good stock.

**Big Double Bill This Week**  
Again the patrons of the Kendrick  
Theatre will be given a big double  
bill this coming Friday and Satur-  
day evenings, one of which will be  
"The Call of the Yukon," said to  
be a splendid story of the North-  
land—and it will have plenty of  
laughs as well as some of the sterner  
things of life shown in it. The  
film is based on James Oliver Cur-  
wood's "Swift Lightning." There is  
romance and adventure depicted  
against a snow background, with  
dogs, bears and a talking crow.  
The second feature is "Say It In  
French," a rollicking picture as fun-  
filled as champagne and as romantic  
as Paris in the spring. He said:  
"Listen Babe, we're going to travel"  
and she said: "Owl, and I'll be hold-  
ing ze bag!" He gave her lessons  
in English and she gave him les-  
sons in love. A little French doll  
comes to town to take over and  
make over her man... you'll really  
enjoy this one.

**NOTICE !**

count of ill health, I would like to

**NOTICE**  
At the regular meeting of the  
Board of Trustees of the Village of  
Kendrick, held at the Village Hall,  
Tuesday, May 2, 1939, action was  
taken whereby all current water  
users be advised through notice in  
the Kendrick Gazette, that current  
water rentals must be kept up and  
those who are in arrears at this  
time must make satisfactory ar-  
rangements to pay up delinquent  
rentals or the provisions of Ordinance  
No. 152 will be carried out and  
water service shall be cut off  
from such delinquent water users.  
L. D. CROCKER,  
Clerk of the Village Board.

**MILLIONS DERIVED FROM  
SALE OF LIQUOR IN STATE**

Latah County has received \$3-  
453.40 from the State Liquor Dis-  
pensary, operated by the Idaho  
Liquor Board, for the first quarter  
of 1939.  
The total receipts of Latah county,  
from this source, have been \$49-  
525.28 since the beginning of the  
operations of the Liquor Board four  
years ago. Of that amount Bovill  
has received \$1,979.82; Deary \$1-  
021.16; Genesee \$1,921.06; Julaetta,  
\$948.42; Kendrick, \$1,266.48; Mos-  
cow, \$15,493.03; Troy \$2,142.66.

The amount distributed to the  
counties through the Liquor Fund,  
totals \$1,238,359.92. The state has  
also received \$1,238,359.92, and of  
this amount the counties have been  
allocated an additional sum from  
the Public School Income fund in  
proportion to the population of the  
county to the population of the  
state, which amount is reflected in  
the reduction of Latah County taxes.

We have reserved assets in the  
amount of \$301,800.35, which con-  
sists of stocks, furniture, fixtures  
and cash.  
The statute governing the State  
Liquor Dispensary, of which the  
Idaho Liquor board is the governing  
body, provides for a distribution of  
surplus funds each quarter, with  
25 per cent of such surplus to go  
to the general fund of the state;  
25 per cent to the Public School in-  
come fund, and 50 per cent to the  
counties of the state in the propor-  
tion that the population of the coun-  
ties bears to the population of the  
state, as shown by the last federal  
census, provided, however, that 50  
per cent of all monies appropriated  
to any county, embracing all or part  
of a junior college district, shall be  
distributed and paid to the treasurer  
of such junior college district. (Ada  
is the only county which has availed  
itself, by special election, to take  
advantage of the law which permits  
counties or districts to create a  
junior college fund.)

**American Ridge Church**  
The first of last week Geo. David-  
son, C. W. Jessup, Rev. and Mrs.  
Gray, Walter Bigham, Mr. and Mrs.  
Clarence Dougharty met at the  
American Ridge church, papered and  
did repair work for three days.  
This makes three times Mr. David-  
son has hung paper in the church.  
Tuesday of this week the church  
was cleaned, the interior painted  
and repair work done by Mrs. Andy  
Cox, Mr. and Mrs. Bertholf, Mr. and  
Mrs. Geo. Davidson, Mrs. Harry  
Benscoter, Ernest Roberts, C. W.  
Jessup, Rev. and Mrs. Gray, Ray  
Stewart, Mrs. Frankie Benscoter,  
Mrs. John Johnson, Donald Bens-  
coter and Mr. and Mrs. Clarence  
Dougharty. A few weeks ago C. W.  
Jessup, Rev. Gray, Geo. Davidson,  
Warren and Andy Cox and Clarence  
Dougharty painted the outside of  
the church.

A vote of thanks was given Mr.  
Jessup Tuesday for the splendid way  
in which he arranged for the people  
to get together to do this work. The  
community as a whole has helped  
with donations and work, including  
the shingling last fall.  
Geo. Davidson, C. W. Jessup and  
Clarence Dougharty are the trust-  
ees, Mrs. Clarence Dougharty the  
secretary.

**Ladies Aid Meeting**  
The Ladies Aid of the Community  
church will meet Friday afternoon  
in the home of Mrs. W. L. Mc-  
Creary with Mrs. Hiram Galloway  
as assisting hostess.  
The ladies of the community are  
especially invited to attend.

Friday, where they visited the big  
Potlatch mill, the Huggins cream-  
ery and the Indian Museum at  
Spalding. A picnic lunch was en-  
joyed and a very pleasant and ben-  
eficial visit was reported by all.  
A community dinner was well at-  
tended at the home of Mr. and Mrs.  
Lou Alexander Sunday, the affair  
being in honor of Mr. Alexander's  
birthday anniversary and to wel-  
come the Alexander family back to  
Linden, as they have recently re-  
turned to make their home here.  
They have been residing in Clark-  
ston for the past few years.  
Mrs. C. W. Jessup of Julaetta is  
visiting Miss Ruth Leland.

WE NEED MORE CONTENTED COWS  
HAROLD THOMAS, Editor

### EDITORIAL

Well, Folks — Seems like "dry and warmer" should be the permanent weather prediction for this neck of the country. In the past few days records of many years standing have been broken for both heat and dryness — and it's really getting to the point where it is serious. We need rain and need it badly. Since April 12 not enough moisture has fallen for the Spokane weather bureau to measure it. And boy—that's sure doggone little.

However — Cream is moist and cream is cash with us. We want that cream — you want the cash — so why not get together. We believe you'll like our service and we know you'll like our cash.

We return to you a thoroughly steam-sterilized cream can, ready for instant use. You don't have to scour it when we return it to you. Try us a whirl.

### Reasonable Doubt?

An old negro, father of 16 children, was being lectured by the doctor for having so many children. "You ought to be ashamed of yourself, Rastus," said the doctor.

"Indeed, I is," said Rastus. "It it happens again, I'se goin' to hang myself."

Well, before very long the doctor was called to Rastus' home and sure enough, another visitor was expected.

"Rastus," said the good doctor, "what are you doing here? I thought you said you would hang yourself if this ever happened again."

"Indeed I did, doctor. An I done took a big rope, put it 'round my neck and threw it over a limb. Den, would you believe it, just as I wuz about to jump offa dat stump, I said to myself, 'Rastus, you better be careful here. You might be hangin' an innocent man!'"

Mr. and Mrs. Oney Walker and Neal and Mrs. Charity Flesherman were dinner guests Sunday in the Lloyd Craig home.

Miss Lenabelle Hoffman and Donald Morgan called in the R. E. Woody home Sunday evening.

Visit Packing Plant and Bakery

Of special interest to the boys attending the Junior Fat Stock show in Spokane last week was a trip through the Armour meat packing plant and the Wonder Bread bakery.

In the packing plant every step in the processing of meat was very carefully noticed and much valuable information obtained on the butchering, curing and packing of meat products.

A trip through the Wonder Bread bakery proved inviting and very interesting. This bakery specializes in bread and cakes, baking over 40,000 loaves of bread per day.

#### Ladies Aid Give Party

Last Thursday afternoon the basement of the Community church was the scene of a very pleasant dessert party, given by the Ladies Aid. The tables were attractive with their centerpieces of pansies and spirea and hand-painted placards. A dainty dessert was served, after which there was a short program.

Mrs. Oscar Slind gave a piano solo, Mrs. Christensen a vocal solo. A game called "Musical Romance," in which all the guests took part, was much enjoyed.

Mrs. O. E. Havens was given a prize for having the most correct answers.

#### Ice Cream Social

The Senior Epworth League is sponsoring an ice cream social on Saturday, May 20, in the Kendrick park, starting at 6:30. Ice cream and cake will be served at 15c per serving. The proceeds will be used to send members of the League to the Summer Institute at Hidden Valley.

#### Leave For Orofino

Mr. and Mrs. J. H. Cairns and family left Thursday for Orofino, where they will make their home.
