Another Double Bill

"In Old Monterey," a musical western featuring Gene Autrey and Smiley Burnette. Getting away from the "rancher-against-outlaw" theme so long in use, the United States army is used as the force the ranchers must contend with. On special detail for the U. S. cavalry, Gene and "Frog" are sent to Colby basin to try and influence the citizens to move from the only available bomb practice ground, but the ranchers refuse to give up their established homes—and the fun begins. There is plenty of music, both instrumental

and vocal and Gene and the Hot Shots all add much to show.

"Pirates of the Skies," a melodrama, tells of a series of crimes that have baffled the air and motor police. The clever, disguised investigators had been carrier pigeons to transmit knowledge of large money and jewelments. They seemed to have tricked a hideaway that defied detection—but!

Why buy out of town? They know you, and care less!

TEAKEAN GOSSIP

We had several days of nice weather but rather cool. But now it has become cloudy and is rainy again.
 A good meeting closed Sunday night at the Church of the Brethren by Evangelist Geo. Canfield. He had very good audiences to talk to. He went from here to Nez Perce to hold meetings there.
 Gene and Bobby Lind of Kendrick spent the week-end at the home of their grandparents, Mr. and Mrs. John Lind.
 Rev. Canfield spent Saturday at the home of Mr. and Mrs. Wm. Groseclose. Mr. and Mrs. Carroll Groseclose were visitors there also and in the afternoon Mr. and Mrs. Charlie Kime dropped in for a short visit.
 Gus Harless and son Ned were dinner guests at the home of Mr. and Mrs. Carroll Groseclose Sunday.
 Wm. Groseclose and son have been busy cultivating their strawberries. The berries, as well as other fruits, seem to be quite a lot earlier this season.
 Our school closed last Friday and the school election was held on Saturday. Mrs. Kern was hired again and it was voted to have nine months of school next year. We have always had eight months. Geo. Pitcher was re-elected as trustee.
 John Lind and Mrs. R. E. Brock and children, Mrs. Merton Preussler and children made a trip to Orofino, Peck and Lewiston last Saturday. Mrs. Preussler had some dental work done in Lewiston. On the way home, between Peck and Orofino, the car became disabled and had to be left for repairs. They hired a car to come home in.
 Mr. and Mrs. Merton Preussler and children spent Monday at the home of her mother, Mrs. Herring.
 The mushroom season is here again. One party went out one day

and gathered 17 gallons of them.
 Mrs. Wilbert Poeschel and three little children visited at the home of Mrs. Harless and Mrs. Carroll Groseclose Monday.

HAROLD THOMAS, Editor

EDITORIAL

Well, Folks—Here we are again—writing another bit of copy for our newspaper. You know, it just don't seem like it can possibly be a week since we turned on the heat and wrote one of these—but I guess it must be. My, oh, my, but how these weeks do slip away. And while we're on the subject, don't let that meat slip away from you with the advent of warmer weather. Be sure you have it properly placed in one of our cold boxes. It costs such a very little to insure a supply of fresh, wholesome meats and food the year around that you just can't afford to be without one.

By the way—You can get our Pride O'The Potlatch Creamery butter at any of the local stores. Try a pound today. You'll like its fresh, sweet flavor and fine texture. Ask for it by name.

"You must be on a war diet."
"Why on a war diet?"
"Because all of your food goes to the front."

"Mama, do angels have wings?"
"Yes, dear."
"And can angels fly, Mama?"
"ces, dear."

"Daddy said nurse was an angel last night. When will she fly?"
(Grimly): "Immediately, dear."

He: "Only a mother could love a face like that."

She: "I'm about to inherit a million."

He: "I'm about to become a mother."

First Intern: "Why do you call that new nurse 'Appendix'?"
Second Intern: "Because all the doctors want to take her out."
