KENDRICK, LATAH COUNTY, IDAHO, THURSDAY, MAY 2, 1940

NO. 18

## WHAT HAPPENED HERE 20 YEARS AGO THIS WEEK

Grinolds has finally decided on location for his battery service. He has rented a building at Wash., and expects to leave out a week to begin work at new location. He has two county territories for Willard battery and is very well pleased with outlook for business in his new territory. His family will leave here as school is out.

According to the 1919 game census submitted by O. M. Jones, state warden, a rapid increase of game has been recorded in the eleven counties in this state.

Just how the game department was able to count the deer so accurately is a mystery to us. The (R. B. Knapp) hunted four deer last fall and was only able to count one. At that rate it would take quite a while to count the 6,575 deer said to be in the state without duplicating.

Mr. and Mrs. Wesley Hanger of Leland, Thursday of last week, a nine-pound boy.

Good-bye Squirrels—County Agent was in Kendrick Wednesday morning, when a squirrel control meeting was held and organized. Mr. Fletcher appointed the following bureau committee in the Kendrick territory who will keep on hand a reserve supply of the squirrel poison, which will be distributed at cost:

Bear ridge, K. D. Ingle; American ridge, Frank Benschoter; Kendrick, E. E. McDowell; Cedar creek, Alexander.

Bear Ridge news—An interesting spring-time program was given at the Fern Hill schoolhouse by Miss Alice Hupp's pupils Friday evening.

Following the program punch and flowers were served and everyone enjoyed a social good time.

Mr. and Mrs. Lewis Aas and daughter Vera and Edna, and Miss Emma Aas motored down from Deary to spend Saturday and Sunday at the Ed. Lien home. Mrs. Will

Steele was elected school director to succeed H. L. Ingle.

Mr. and Mrs. Bruseh returned to Spokane Monday after having spent the week at the Ole Lien home.

Southwick Items—Miss Stella McClelland closed a very successful term of school Wednesday at the Bear Ridge school. Mr. Smith says the county squirrel poison does the work all right. He found, after a generous feed had been given the squirrels, or placed for them, 75 dead squirrels, 3 meadow larks and one turkey gobbler.

W. W. P. Co., Makes Reductions

Substantial reductions in the residential and commercial electric service rates of the Washington Water Power company have been announced by J. D. Lewis, manager of the Palouse division, following receipt of approval of the new rates by the Public Service at Olympia.

The new rates, which affect all residential and commercial customers of the Washington Water Power company were effective with meter readings on and after April 25.

These rate reductions amount to a saving of \$300,000 annually for the customers of the company," said Mr. Lewis.

Since 1930 the company has made five general rate reductions. This latest reduction is the result of several factors," said Mr. Lewis. "First is the increased use of electric service by our customers. This has been stimulated by the sales efforts of a trained organization cooperating with electrical dealers throughout the Inland Empire. It resulted also from our continuing policy of adopting new and improved methods of operation. Furthermore, it reflects our policy of passing on to our customers any savings. The savings bond interest resulting from our bond refunding last summer is one example."

Mr. Lewis would like to point out also that further benefits accruing to the people of the Inland Empire from our operations include the payment of taxes for schools and also for federal, state, and local purposes.

In the last 10 years, for all company operations, our taxes have increased from \$1,154,169 in 1930 to an estimated \$2,070,000 for 1940; our local expenditures have risen from \$1,220,487 to an estimated \$2,040,000 for 1940. Because of the increase in personnel, our payroll has increased from \$1,779,231 to \$2,372,000 for 1940.

"Under these new rates, our customers now can enjoy more of the benefits of electric service, at rates lower than ever before."

Equipment Arriving

The first part of the state equipment for the regreaveling of the Juliaetta-Kendrick road has arrived at the location for the rock crusher near the Anderson farm (formerly White place) and the balance should arrive within a week, and will soon thereafter be in operation. Contrary to first expectations, a shovel will not be used, but a big dozer will be brought in for sloping, ditching, etc.

Well, it can't be fixed any too soon to suit us. That section has "been a mess" for years.

Commencement May 15

On Wednesday evening, May 15, the largest class in the history of Kendrick High school will be graduated, there being 30 to receive diplomas that evening. These exercises will be held in the Kendrick gymnasium. Full details will be given in next weeks issue.

## Attend W. W. P. Picnic

On Friday evening of last week Mr. and Mrs. Herman Schupfer joined some two or three hundred other members of the staffs and workers of the Palouse Division of the Washington Water Power company at Riverside pavilion (formerly known as Kennedy Ford) at a picnic and general get-together meeting of the company employees—in fact, about all were there except those who had to be on duty to keep the service going. There was roller skating, dancing and a fine lunch.

The Palouse division is under the management of J. D. Lewis, with offices in Pullman.

## THIS AND THAT ABOUT FRIENDS AT CAMERON

The pupils of the Cameron school attended a track meet at Southwick Tuesday. They won third place.

Bernyl Oylear returned to his home in Lewiston Sunday after spending the past week with Mr. and Mrs. F. W. Schoeffler and family.

Francis Greer of Peck is visiting with her sister, Mrs. R. H. Peck this week.

Rev. and Mrs. Meske, Mrs. George A. Wilken and Mrs. A. F. Wegner attended the 10th Annual Women's Missionary Federation of the American Lutheran church, Spokane district, at Walla Walla, Wednesday.

Mr. and Mrs. Glen Wegner and son were dinner guests of Mr. and Mrs. Clarence Fry, Kendrick, Sunday.

Mr. and Mrs. Gus Kruger, Mrs. F. W. Sillifow and Rosalie Kruger visited with relatives in Pullman Monday.

Mrs. F. W. Schoeffler, Mrs. R. H. Peck, Mrs. Gus Kruger, Mrs. Otto Sillifow, Mrs. F. W. Newman and Willard Schoeffler attended the track meet at Southwick Tuesday.

Mr. and Mrs. Walter Denner and son spent Sunday in the John Schwarz home.

Ted and Edwin Mielke and Herbert Brunseik were in Orofino Friday.

Mr. and Mrs. Otto Sillifow spent Sunday evening with Mr. and Mrs. R. H. Peck.

Mr. Joe Kennedy and Miss Lily Henningson called on Mrs. Otto Sillifow Sunday afternoon.

Miss Lily Henningson and Mrs. Joe Kennedy were Sunday dinner guests of Miss Emma Hartung and Mrs. Ida Stoneburner.

Mr. and Mrs. Henry Wendt and Mrs. Ida Sillifow were visitors in Pullman Friday.

Miss Beatrice LaHatt spent several days of last week with her sister, Mrs. Edwin Mielke.

Mr. and Mrs. Eugene Southwick, Lenore, were guests of Mr. and Mrs. Otto Schoeffler Monday and Tuesday.

Among recent Lewiston visitors were Mr. and Mrs. F. W. Newman, Mr. and Mrs. Geo. A. Wilken, Mr. and Mrs. Fred Mielke, Mr. and Mrs. Edwin Mielke, Ted Mielke, Mr. and Mrs. Carl Koopp and Mr. and Mrs. Walter Koopp.

John Deobald, George, Jr., and Eugene Brocke, Kendrick, spent Saturday with Glenn, Harry and Wally Newman.

Miss Blaise Smith, Mr. and Mrs. G. F. Caglebaugh and Herbert, Ernest and Lawrence Schwarz visited with Mrs. Ida Stoneburner and Miss Emma Hartung Sunday evening.

Leave For East

Monday morning, bright and early, the pickup belonging to Dick Blewett driven by himself, and containing as passengers Mrs. Blewett's mother, Mrs. Bartlett, Rev. and Mrs. Gray of Kendrick, Rev. and Mrs. Martin of Juliaetta, and a W. S. C. student, whose name we were unable to learn, left for Detroit, Mich., where Mr. Blewett will take delivery of a new Chevrolet pick-up; Rev. and Mrs. Gray a new Chevrolet car; and Rev. and Mrs. Martin, a new Chevrolet car.

Mr. Blewett will tow his new machine behind the pickup in which the party made the trip, the others driving their home. They plan to visit here and there in the east before returning. They expect to be gone about two weeks.

Fishing Opens

We have heard of a number of the local Isak Walton followers who have been out since the opening of the season trying their luck in local waters, but we haven't heard of anyone getting more than enough to make the skillet smell. One of our better-known local piscatorial artists, who refuses to let his name be used, caught one Sunday that measured 11 inches in length—but only one fish. He refuses to say who the invited guests were who helped eat it.

Miller-Hanson Nuptials

Anna Miller and August Hanson, both of Juliaetta, were united in marriage by Rev. Fr. Stakos in the Kendrick Catholic church Saturday morning at 10:15 o'clock. Both have been residents of Juliaetta for many years. Mrs. Emmett McDowell and Quentin Perryman were witnesses.

Have Moved To Apartment

Mr. and Mrs. Frank Curtiss on Tuesday afternoon moved from the Raby apartments to the apartment in the Kendrick State Bank building, formerly occupied by Dr. D. A. Christensen and family and later by Mr. and Mrs. Clifford Davidson.

New Arrival

Mr. and Mrs. Waide Bowen of Juliaetta are entertaining a 6½-pound little Miss, born to them on April 30. Mother and babe are doing nicely.

## INTERESTING NEWS ITEMS FROM KENDRICK SCHOOLS

Music Festival

The North Idaho High School Music Festival was held in Lewiston on April 26 and 27. Kendrick High school was represented in individual competition on Friday by Noel Thomas, son of Mr. and Mrs. Harold Thomas, who accompanied at the piano, by his mother, played a piccolo solo. How well he represented the school is attested by the fact that he won the rating of "Excellent" in the High School division, although Noel is in the sixth grade.

Saturday the High School band joined the members of many other North Idaho bands and performed in the mass band of over 400 musicians. On this occasion the ability of Noel Thomas was again recognized, and he was selected from the nearly 500 musicians as the soloist for the mass band grand finale of the evening, Sousa's "Stars and Stripes Forever."

Certainly the townspeople of Kendrick, as well as the students, can feel justly proud of their musical representation in the Festival.

According to Mr. Fitzpatrick the band has progressed quite nicely, but a greater improvement is planned for next year. An outline of this program includes a fully uniformed and instrumentalized marching band, and more choral and vocal study. The band, chorus, and quite a number of both instrumental and vocal soloists and ensembles will be competing under the rules of the National Music Festival.

Girls League

At a recent meeting of the Girls' League, officers for the coming year were elected as follows: Betty Boyd, president; Lois Deobald, vice president; Bernadine Peters, secretary; Beulah Draper, treasurer. The annual Mothers' Tea was held Wednesday afternoon, May 1, and a description of this affair will be given in next week's news.

Baseball

Last Wednesday afternoon the Kendrick Tigers defeated the Southwick baseball nine 9-6 in a baseball game played on the Juliaetta diamond.

Tuesday afternoon Kendrick played Juliaetta at Juliaetta. On Wednesday Genesee at Kendrick and on Thursday (today) Juliaetta at Kendrick. Come out and watch these games. You'll enjoy every minute of them.

Annual

The Senior Annual, The Tiger's Jaw, upon which the Seniors have been working for weeks, will be completed this Friday afternoon. As yet they haven't been made public, but we're willing to bet that this one's the best yet.

Building New Apartment

F. B. Higley, having sold his home to Mr. and Mrs. A. O. Kanikberg, is having an apartment built on the balcony of his store, in the Fraternal Temple building. There will be four rooms and bath. Just when it will be ready for occupancy was not learned, but it will indeed make a neat and comfortable apartment when completed.

George Leith is doing the carpentry work.

In addition to the newly-made apartment, Mr. Higley announced that he would utilize the remainder of the large balcony as a dry goods, clothing, and general haberdashery department and that he expected to go east early in June, when he would take delivery of a new car, buy goods, and visit his old home and many relatives in Minnesota and Iowa.

Hills Green—Trees Leafing

If ever the hills about Kendrick were green, they are today. In every direction may be seen the green grass, blooming flowers of many kinds, and trees leafing, with others already leafed completely.

The earth is saturated with water, in fact farming operations are behind schedule due to late rains, but a few warm days will enable all to catch up with work.

When we read of drought conditions here and there, we can't help but feel lucky to live in the Potlatch section.

Beaver Patrol News

The tin can contest ended Saturday at noon, the Beavers winning with 82 sacks of cans; Panthers, second with 58 sacks and the Rattlesnakes last, with 30 sacks.

A baseball game was played on Sunday between the Rattlesnake and Beaver patrols, the Beavers winning 6-4. Pitcher for the Rattlesnakes was Ossie Kanikberg; for the Beavers Sonny Daugherty and Don Fry. The Beavers have not, as yet, lost any contests.

Employed At Long's Store

Mrs. O. E. Havens is working in Long's store in the dry goods department until such time as school is over, when her daughter, Mary, will take over.

Miss Erma Jones, who formerly held the position, resigned the first of the month in order to help with farm work at home.

Weather Really Chilly

The last few days of April were about the coldest weather we have had during the month, for on Monday and Tuesday mornings a "cottony" frost was visible on the ground.

Out on the ridges surrounding town residents said things were really white, and a coat was a very comfortable item.

## COMINGS AND GOINGS OF SOUTHWICK RESIDENTS

Mr. and Mrs. Paul Charest returned home from Spokane, where he has been under a doctor's care the past two months.

Sunday guests in the Frank Thornton home were Mr. and Mrs. Leon Charest and family, Mr. Thomas and Mrs. Range, all of Spokane.

Mr. and Mrs. L. J. Southwick, Mr. and Mrs. Neils Longteig and Mrs. Gordon Harris spent last Wednesday with Mr. and Mrs. Owen Thornton at Frazier.

Mr. and Mrs. Given Mustoe visited with Mr. and Mrs. Otto Schoeffler last Friday.

Mr. and Mrs. L. J. Southwick were Lewiston visitors on Thursday.

Mr. and Mrs. Elmer McCoy were week-end visitors in the Harve Triplett home.

Mr. and Mrs. Ralph Hanks were callers in the W. E. Hanks home over the week-end.

Mr. and Mrs. Howard Southwick and family were callers in the L. J. Southwick home Sunday evening.

Mrs. Frank Triplett and children spent the week-end with her parents, Mr. and Mrs. John Phillips.

Mr. and Mrs. Howard Southwick and family and Mr. and Mrs. L. J. Southwick were Sunday dinner guests of Mr. and Mrs. Harvey Morris.

Mr. and Mrs. Given Mustoe and Jack were Sunday dinner guests in the Norman Koker home at Lenore, the occasion being Mrs. Koker's birthday anniversary.

Mrs. W. E. Hanks and Miss Eva Nice were Lewiston visitors over the week-end.

Mrs. Mary McCall of Juliaetta was a week-end guest in the Harl Whitinger home.

Mr. and Mrs. George Miller of Pomeroy were Sunday evening callers in the Neils Longteig home.

Neils Longteig and son John were business visitors in Lewiston Monday.

Mr. and Mrs. Daymon Schneider and Henry Bleck spent Monday evening with Mr. and Mrs. Harl Whitinger.

Mr. and Mrs. Wm. Henderson and Mr. and Mrs. Milton Benjamin called on Mr. and Mrs. Clarence Henderson Sunday afternoon. Mrs. Henderson is still on the sick list but improving slowly.

Mr. and Mrs. John Cuddy were Sunday guests of Mr. and Mrs. Carl Mustoe.

Mrs. Floyd Gallaher returned to her home in Chewelah, Wash., last Sunday after spending the past week with her parents, Mr. and Mrs. Dick Winegardner.

Rev. Climer held morning and evening services in Clarkston last Sunday.

Mr. and Mrs. Will Stump and son, Harry were callers at the Given Mustoe home Tuesday.

Due to the bad weather a rather small crowd attended the Field meet here.

About 30 stockmen of Southwick and the surrounding country attended the meeting called at the gym. by the Stockmen's Association of Idaho. The following were elected officers for the coming year: President, C. A. Cuddy; Ernest McGuire, vice president; secretary and directors, T. J. Armitage and Ray King.

Earl Harris of Pullman is spending a few days with his parents, Mr. and Mrs. Gordon Harris.

Mr. and Mrs. Gordon Harris entertained as supper guests Sunday evening Mr. and Mrs. Willie Harris and family, Mr. and Mrs. Charley Harris, Mr. and Mrs. Charley Kincaid, Cecil Harris and Bill Tschantz.

Still 42 Republicans Left

According to reports coming out of Moscow, there are still 42 men in Latah county to acknowledge they are Republicans, regardless of the fact that the claim has been made that they have all been swallowed by New Deal machinery. At the Republican county convention, held in Moscow on Monday, 42 delegates were named to the state convention to be held in Lewiston on May 6.

Twenty-three of the county's 24 voting precincts were represented at the convention. E. D. Pederson of Genesee acted as chairman and Bob Peterson of Moscow as secretary.

Among the delegates named were: Harold Thomas, Kendrick; O. C. Dahl, Park; Eva Smith, Linden; Ole Bohman and P. L. Chaney, Troy; John L. Woody, Juliaetta; Jas. Nelson, Bear Creek; L. O. Byers, Deary.

The old wheel-horses said it is up to the younger Republicans of the county to choose a like number (42) alternates.

It may be that a supply of those new "B-1" pep tablets have been shipped into Latah county—and, if there has been such a shipment, the demos will have to watch their corners for most of these political boosters have everything all cut and dried or in cold storage, ready to haul them out at a moment's notice.

Think This One Over!

It would be great to be a kid again and know that if you earned a nickel you could spend it for something you wanted, like an ice cream cone, instead of dividing it into fifty parts, ten for the tax collector, ten for the installment payments, twenty-nine for miscellaneous expenses, and one for yourself!

Papa McDonald Now

Mr. and Mrs. Eugene McDonald, Kendrick, are the proud parents of a bouncing baby boy, born at the Orofino Hospital, April 25.

Mr. McDonald is one of the proprietors of the Kendrick Hotel.

## Injures Finger With Baseball

James Danforth, 16-year-old son of Mr. and Mrs. G. C. Danforth of Juliaetta, had the misfortune, while playing baseball last Thursday, to have the ball strike the end of the middle finger of his right hand. It was an unusual injury, in that it split the finger crosswise, allowing the bone to push through the lower half of the finger nail. The bone had to be pushed back in place and the finger put in splints.

Due to the severe pain of the injury, he missed several days of school.

## W. A. PERRYMAN, PIONEER MERCHANT, PASSES ON

Arthur Perryman, pioneer resident and business man of the Potlatch section, passed away Sunday evening, April 28, at the Colfax Hospital, Colfax, Wash., after an illness of eighteen days. Mr. Perryman was born in Joplin, Missouri, September 19, 1872, and was 67 years, seven months and 14 days old at the time of his passing.

When but a lad of 11 years he came to the Potlatch country with his parents, locating on Fix ridge, where they resided for about five years, and then moved to Juliaetta.

In 1916 Mr. Perryman entered the confectionery business in Juliaetta. In 1921 he disposed of that business and moved to Kendrick, where he was in the confectionery business at the time of his death.

On July 2, 1899, Mr. Perryman and Annie Eva Dumbauld were united in marriage at Leland, Idaho, and to this union four children were born, three sons and one daughter: Clarence, at home; Harley, Kendrick; Quentin, at home; and Mrs. Walter Wagner, Portland.

When Mr. Perryman came west by ox team across the plains with his parents, considerable hardship was endured, but out of all this came an understanding of life, and Mr. Perryman had always been loved and respected by all who knew him for his many kindly qualities. He was a good neighbor and his friends were numbered by his acquaintances.

Funeral services were held in the Community church, Kendrick, with Rev. Fairbanks of the Moscow Christian church in charge of the services. Music was furnished by William Fitzpatrick, who sang "Going Home," and Mrs. George Brocke and Miss Wanda Johnson, who sang "The City That Is Soon Coming Down" with Mrs. Harold Thomas furnishing the accompaniment as well as the interlude music. Interment was made in the Juliaetta cemetery. Pallbearers were Herbert Millard, Otto and Herman Schupfer, Frank and Charles Snyder and Michael Hedler.

Besides his wife, he leaves to mourn their loss his four children, Mrs. Walter Wagner, Portland, Ore., Harley, Clarence and Quentin, all of Kendrick.

Arrangements were in charge of Short's Funeral Parlors.

We wish to express our deepest appreciation to the many kind friends and neighbors for their help and sympathy during our late bereavement. Also do we wish to extend our thanks to the singers and pianist and to those who gave the many beautiful floral offerings.

Mrs. Arthur Perryman, Mr. and Mrs. H. V. Perryman, Mr. and Mrs. Walter Wagner, Clarence Perryman, Quintin Perryman.

P.-T. A. Meeting Monday

The last P.-T. A. meeting of the school year was held Monday evening in the High school auditorium, with a rather small group in attendance.

Following the reading of the minutes, the treasurer's report, and the transaction of necessary business, the High School band and Girls' Glee club, under the direction of Wm. Fitzpatrick, gave a joint program, much enjoyed by all present.

At the close of the musical program, Mrs. W. L. McCree, retiring president of the group, installed the new officers, elected the previous meeting, as follows: Mrs. A. O. Kanikberg, president; Mrs. A. D. Crocker, vice-president; Mrs. H. C. Schupfer, secretary; Mrs. Paul Lind, treasurer.

The meeting was then turned over to Supt. L. W. Mason, who gave a very interesting talk on school finances, explaining the different sources of revenue, and the percentage of the total received from each source. Mr. Mason then took up the proposed new Sales Tax, explaining as fully as possible all the arguments for and against this movement.

There being no further business to come before the meeting it adjourned to the D. S. room, where the refreshment committee served sandwiches and coffee.

Celebrates 88th Anniversary

Mrs. Paul Lind entertained a few ladies Tuesday afternoon in honor of her grandmother's, Mrs. Mary Jane Blackburn's 88th birthday anniversary. Birthday cake was served and the afternoon was spent in visiting.

Those present were Mrs. Mariposa Keene, Mrs. James Emmett, Mrs. Flora Long, Mrs. Addie Reid and Mrs. M. O. Raby.

Ladies Aid

The Ladies Aid of the Community church will meet Friday afternoon at 2:30 in the home of Mrs. L. J. Herres.

The ladies of the community are cordially invited to attend.

## PACIFIC NORTHWEST MARKETS DECLINE LITTLE

Wheat futures markets in the Pacific Northwest were slightly lower during the week ending April 26, influenced principally by declines at important midwestern markets, states the Weekly Grain Market Review of the Agricultural Marketing Service. Cash wheat markets were lower, along with futures, principal classes showing prices 1/4c per bushel lower than a week ago. For the country as a whole, wheat prices showed moderate recessions during the past week, being influenced by liquidation of some holdings in the May option before delivery time and selling occasioned by further redemption of wheat under loan. A further weakening influence was somewhat more optimistic crop reports from the winter wheat area following recent beneficial rains.

On April 26, cash wheat quotations at Portland were posted at 84 1/2c for soft white, western white and western red, and 85c per bushel for ordinary hard red winter, all basis No. 1 grade in bulk.

Wheat receipts at Puget Sound and Columbia river terminals were very moderate at 533 cars for the week. Indemnity prices on export flour held at \$1.15 to the Philippines and \$1.40 per barrel to China and Hong Kong. Cash wheat quotations at Seattle April 26 were shown at 84c for western white and western red, 84 1/2c for hard red winter, 97c for hard white (baart) and \$1.09 per bushel for dark northern spring from Montana.

Flour sales to the Philippines under the indemnity plan were reported good and some sales were made to China during the past week. Domestic flour demand remained fair, with interior Oregon and Washington mills selling for rail shipment to the southeast and Atlantic seaboard points. The principal market feature in this area was the continued heavy sales of wheat to midwest markets for rail shipment.

This movement was made possible by the spread between Chicago and local markets, and which slackened materially toward the close of the period when this spread narrowed.

Demand from California was reported very moderate and confined mostly to special lots, movement being hindered somewhat by lack of water freight space. Wheat millfeeds held steady to firm compared with early in the period. Pacific Northwest crop conditions were reported still favorable and generally above the average.

The San Francisco wheat market was independently strong during the past week, largely reflecting light offerings from central California growers. While demand was only moderate, limited offerings were readily placed at prices above those of a week ago.

Somewhat more optimistic crop reports from the hard winter wheat belt as a result of additional moisture received during the week, together with continued heavy hedging pressure against purchases of loan wheat resulted in a decline of 3 1/2c to 3 3/4c at Kansas City during the past week. Comparatively high prices at Kansas City continued to attract wheat from a large territory and receipts were seasonally heavy at 886 cars compared with 910 last week. At the close of the week, No. 2 hard was quoted at Kansas City at \$1.04 to \$1.07.

Movement of cash wheat to spring wheat terminals continued liberal with Minneapolis receiving 2,713 cars of all classes during the week, while Duluth unloaded 1,459 cars. An excellent demand for cash wheat prevailed, with mill demand again supplemented by an active demand from elevator interests as well.

Grain was moving freely at Ogden with 140 cars inspected and 42 cars shipped out during the week.

Winter wheat showed definite improvement in Oklahoma, the eastern two-thirds of Kansas and southeastern and western Nebraska as the result of fairly heavy rains in that area. Dryness continued to prevail, however, in south central Nebraska and western Kansas, while high drying winds were unfavorable to the new crop in Texas.

In Alberta, seeding was in progress in Canada, where moisture conditions are favorable. Little progress was made in spring wheat in Manitoba and Saskatchewan. Sufficient moisture is present to germinate the seed in Manitoba and Saskatchewan but copious rains will be required during the growing season to offset the deficient sub-soil moisture.

Winter wheat is still backward in Europe with the growth retarded by cold weather. Some improvement was noted in conditions in Yugoslavia and Hungary. Crops are backward in Germany, but spring seeding was making fair progress in the United Kingdom.

Stocks of wheat in interior mills and elevators in the United States on April 1, were estimated at 80,817,000 bushels compared with 80,817,000 bushels a year ago. Combining farm and country mill and elevator stocks gives a total in these positions April 1, of 238,301,000 bushels.

Kendrick "Founded on Rock"

Recent excavations by Edgar Long and his crew in the installing of new service pipes along Main street have shown that Kendrick is indeed "founded on rock." Big boulders have been found, and when the new excavation to the McDowell residence across the street from Rider's store was made, a solid rock ledge was encountered. The resulting ditch and pipe were so crooked that Mr. Long laid copper pipe, which may readily be bent, for a service pipe.

#### PERSONAL MENTION

Mr. and Mrs. Walter Wagner returned to their home at Portland Tuesday being called here by the death of her father, A. W. Perryman. Mrs. Wagner had been here for some time. Mr. Wagner coming over on Sunday to attend the services and take Mrs. Wagner home.

Mrs. Anna Normoyle and Mrs. Ruth Miller of Nezperce, Mr. and Mrs. Jesse Dumbauld and Mr. and Mrs. Arthur Dumbauld of Culesac,

and Mrs. Bertha Beard and Eben Adams of Moscow were here Tuesday to attend the funeral of the late Arthur Perryman.

Leon Lind spent Saturday night and Sunday at home with his parents. He is attending the U. of I.

Mrs. Daisy Anderson of Garfield, Wn., visited over the week-end in the O. E. Havens home.

Mr. and Mrs. L. W. Mason spent Saturday in Lewiston.

Many from Kendrick drove to Lewiston Friday and Saturday to witness the Music Festival.

L. S. Thurber of Grangeville visited in town Tuesday night and Wednesday morning. He reported Mrs. Thurber as not at all well.

#### Pomeroy Defeats Kendrick

Kendrick dropped a 5-1 decision to Pomeroy in a baseball game on the Pomeroy diamond in the Valley Division of the Lewis-Clark League on Sunday, although the performance of the two teams seemed very evenly matched.

From the mound the pitcher of each team struck out nine. Barclay, of Kendrick, hit two times in four trips, both being doubles.

Kendrick will play Lapwai on the Kendrick diamond on Sunday, May 5th.

#### Open Season For Candidates

From the amount of "fan mail" the Gazette has been receiving from political candidates for the nomination for this office or that, it is evident there will not be a dearth of candidates of various hues to choose from. While we have received many "announcements" from would-be candidates, not one of them has said: "find check enclosed." Candidates are likely to forget this part of the most important question before the struggling country newspaper and they fail to remember that advertising is part of his stock in trade, and that unless he receives pay for the space used—well, there just won't be any newspaper man sticking around very long.

We presume the erstwhile candidate pays for his cigarettes and other articles ordered and used, as well as for his groceries, etc., and what they are to the merchant our space is to us.

#### Girl Scouts Will Hike

Kendrick Girl Scouts, under the leadership of Mrs. Marvin Long, and Beatrice LaHatt, assistant leader, will meet at the Kendrick High school building Saturday afternoon at 2:30 o'clock, from which place the girls will go on a flower-studying hike. All girls between the ages of 13 and 18 years are invited to go. On Wednesday evening, May 8, a meeting will be held in the school building to more fully organize the girls. As stated above, all girls between the ages of 13 and 18 are eligible to join.

#### Arrives For Visit

Mrs. O. E. MacPhearson of Salmon, Idaho, arrived Monday at noon for a visit with her parents, Mr. and Mrs. N. E. Ware, and other relatives. Mrs. Ware has been on the sick list, and Mrs. MacPhearson arrived before she was expected, in order to be with her mother.

# ELECTRIC RATES reduced again!

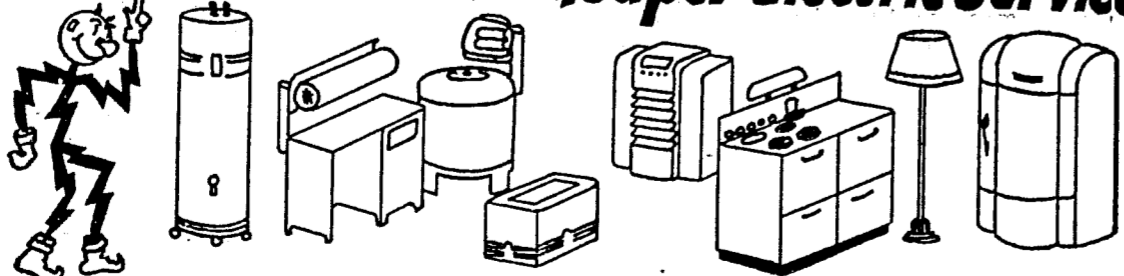

5th Major Rate Reduction Since 1930  
Saves Inland Empire Users  
\$300,000 a Year!

Increasing use of electric service by our customers, plus efficient company management, earns a \$300,000 rate reduction effective with meter readings of April 25! This is the 5th major reduction since 1930, bringing total savings to our customers for this period to more than \$1,255,000 a year!

Since 1889 The Washington Water Power Company has pioneered cheap electric service. Its rates are among the lowest anywhere.....the average cost of its services is less than half the national average!

Take advantage now of cheaper electric service to have more of the joys of electric living today!

**Latah Schools To Get \$5,208.00**  
 Notification of respective shares of \$5,208.45 in state and county school allocations for the third quarter is to be mailed trustees of 88 Latah county common and independent school districts from the county superintendent's office this week.

Supt. Horace Woodworth said Moscow would receive the lion's share, \$1,139.59, and Potlatch the next largest amount, \$578.98. Two thousand nine hundred thirty-three dollars and eighty-eight cents of the apportionment was from the public school income fund, the balance from the county.

Woodworth explained that the April apportionment invariably was a small one, as it occurred midway between tax collection deadlines. He expected a much larger sum when the July allocations are announced, said the Moscow Idahonian.

**"What A Life"**

"What a Life" is a story of the teen age and has to do with a high school boy who, while not a bad boy, seemed to always be getting into trouble, mostly caused by other mischievous boys in the school which Henry Aldrich attended. Henry was always made the "goat" while George Bigelow was the "pyrocoite." They steal Henry's sweetheart, who has changed from an ugly duckling into a glamour girl—and so the fun goes.  
 In addition, the Demsey-Willard fight pictures of several years ago will be shown. While this fight was some years ago, due to legal technicalities, they are just now being released, and sport's fans will enjoy them.

### EDITORIAL

Well, Folks—Seems like it just can't quit raining. It's been at it so long it has just become a habit, and a habit, once firmly seated, is hard to break. However, from all indications it will be a bountiful harvest in this section for moisture is certainly more than ample.

By the way—what are you doing with your cream these days? We hope you're not feeding it to the hogs or calves, — for it is worth real cash to you at our establishment. You can't afford to churn at home any more, considering the price of butterfat and butter, so why not sell it to us and get the cash and be free of the bother of churning?

You'll like our butter. Its fine sweet flavor and even texture will please you greatly. It is available at all the local stores or at the Creamery.

I think that I shall never see A billboard lovely as a tree. And unless the billboards fall, I'll never see a tree at all!

"Did the children behave when you bathed them?" asked the mistress of the new French maid. "All but the biggest boy. An' parbleau!—how he fight and kick and nearly tear the face off me before I get him in'.

"Which biggest boy? We've only got one boy and he is but two years old."

"It is no him at all I mean. It is a boy wears glasses and has ze curly hair."

"Boy! That's not a boy! That's my husband!"

"They say a fat person may reduce by dancing the modern fast dances."

"Yes, and a thin person may put on weight laughing at the fat people trying to do them."
