VOLUME 51

KENDRICK, LATAH COUNTY, IDAHO, THURSDAY, JANUARY 2, 1941

NO. 1.

## WHAT HAPPENED HERE 20 YEARS AGO THIS WEEK

The home of Mr. and Mrs. J. J. Slind on Big Bear ridge, was the scene of a very pretty wedding on Christmas day, when their daughter, Mayme Bertina, became the bride of Mr. Hartwick Nelson. The bride's birthday also occurred on the same day. To the strains of Lohengrin's Wedding March, played by Miss Neva Nelson, the couple, followed by their attendants, took their places under an arch of evergreens and flowers. The impressive ceremony was performed by Rev. P. Heslev, Lutheran pastor, of Deary. The bride carried a beautiful bouquet of pink and white carnations. The bridesmaids, Misses Helen Slind and Emma Nelson, carried bouquets of white flowers. The groom was attended by Mr. Oscar Slind, brother of the bride, and Mr. Hector Cooper of Agawam, Mont., a close friend of the groom. The home was tastefully decorated, the color scheme being pink and white. Following the ceremony, a sumptuous three-course wedding dinner was served to the thirty-four guests present. The bride is one of the well-known and favorite young ladies of this community. The groom is the son of Mr. and Mrs. Anton Nelson and is an estimable young man. Their friends wish them happiness and prosperity throughout life. They were the recipients of a large number of useful and beautiful gifts. The newlyweds will be at home to their friends at Agawam, Mont., after March 1, 1921.

Miss Anna Long, who is teaching at Leavenworth, Wash., is spending the holidays in Kendrick visiting her parents, Mr. and Mrs. N. B. Long.

Wallace McKeever is in the city for three or four days, visiting with relatives and friends.

Evelyn and Reginald Prentice of Astin, Wash., are visiting in the home of their uncle, E. H. Dammarell.

Frank Benschoter of American ridge, returned from Lewiston on Wednesday afternoon, where he spent several days on business.

Mr. and Mrs. Hartwick Nelson have gone to Clarkston, Wash., where they will spend a few days in the home of Mrs. Nelson's brother, Mr. and Mrs. George Slind.

Miss Johanna Hooker of Big Bear ridge was a passenger for Clarkston Thursday, where she will spend a week visiting relatives and friends.

Linden Items—Miss Leah Smith, who teaches in Cottonwood, and Master George, who is attending school in Lewiston, arrived Thursday evening to spend the holidays.

Mr. and Mrs. Clem Israel had as Christmas dinner guests Mr. and Mrs. A. Alexander, J. P. Alexander, Mr. and Mrs. Lou Alexander, the Misses Eva and Leah Smith and Master George Smith.

## Unemployment Compensation

"Claimants who attempt to draw unemployment compensation benefits to which they are not entitled are being found out by the various checking methods available to the Unemployment Compensation division and are being required to return the money," reports Samuel D. Hays, executor of the employment compensation and employment service divisions. Because of the nature of some of the cases which clearly indicate a fraudulent attempt to draw benefits, criminal complaints have been filed against claimants and they have been called into court where either a fine or a jail sentence or both has been imposed.

"More than \$6,000.00 has been returned to the Benefit fund," reports Mr. Hays, "by claimants who received benefits to which they were not entitled. The two principal reasons why claimants draw benefits to which they are not entitled are:

1. The improper reporting of part-time earnings during weeks of unemployment for which benefits are claimed.
2. Improper statements by the claimant about being able to work and available for work during the weeks for which benefits are claimed.

"A perpetual control is maintained by the Unemployment Compensation Division," reports Mr. Hays, "which will pick up any and all claimants who draw benefits to which they are not entitled. Their record of earnings from employers which is submitted at the end of each calendar quarter, a clearance with the Department of Public Assistance and the Works Projects Administration, the constant vigilance of field advisors, who are located in the principal cities of the state and the assistance of public spirited employers make it almost impossible for a claimant to receive benefits to which he is not entitled either by deliberate misrepresentation or by misunderstanding."

Mr. Hays further points out in his statement that "claimants for benefits who properly report their earnings during the weeks for which they claim benefits actually receive more benefits than do the claimants who fail to report their earnings because the Unemployment Compensation Law allows a certain amount of earnings during each week before any part thereof is deducted from the weekly benefit check to the claimant. This provision of the law encourages claimants to seek and obtain employment while they are drawing benefits and provides them with a higher weekly income when their earnings are properly reported."

## To Build Warehouse

Construction work on the new Lewiston Grain Growers elevator is now past the roof stage, and work is starting on their new warehouse, which is to be built along the railroad tracks, adjoining the new tubes.

These additions give greatly added storage facilities.

We understand it is also a part of their plans to move their main office from the old warehouse in the east part of town, to the new building. Just when this will take place is not yet known.

## Idaho Highways in Good Condition

The Idaho state highway weekly condition report shows that the North & South highway and Palouse highway are in good winter travel condition but advises caution. The North & South highway alternate lists good travel condition over Harvard hill.

The general report points out that snow and slippery conditions exist and urges that chains and shovels be carried as car equipment. Motorists should inquire as to the condition of high passes which are subject to snow closure.

Load limits in effect in the five north Idaho counties except for U. S. No. 10 from Coeur d'Alene to the Washington line and in Latah county on the North & South highway north of Pollock, the Moscow-Troy road and Potlatch highway districts restrict trucks to 400 pounds per inch width of tire and a speed limit of 25 miles per hour.—Lewiston Tribune.

There are still quite a number on the sick list. Some are just coming down, and other recovering. We will all be glad when this flu epidemic is over.

## Entertain Husbands

The apartment of Mrs. F. H. Rider was the scene of a very enjoyable card party Monday evening when the ladies of the Afternoon Bridge club entertained their husbands at a no-host, no-hostess 6:30 dinner, followed by bridge played at six tables.

Mrs. R. L. Blewett received high score for the ladies and Dr. D. A. Christensen high for the men. E. P. Roberts received combined low score.

Mr. and Mrs. E. P. Roberts were invited guests for the evening.

## First Buttercups

Kenneth and Don Brown, sons of Mr. and Mrs. Ed. Brown, on Friday of last week "discovered" and brought to the Gazette office a nice bunch of buttercups in full bloom, which are, so far as we know, the first to be found this year.

"They are growing nicely in our 'greenhouse' in the Gazette office and may be seen by anyone who may be skeptical.

## W. S. C. S. Meet Friday

The ladies organization of the Community church will meet Friday afternoon in the church basement at 2:00 o'clock. Everyone is invited to come and enjoy the program and fellowship.

## WHERE KENDRICK FOLK SPENT CHRISTMAS DAY

Mr. and Mrs. Elwood Pearson had as their Christmas guests Mr. and Mrs. Cecil Choate of Teakean, Mr. and Mrs. Earl Hund and son and Mr. and Mrs. Clarence Hund and son.

The McCreary family had as their guests Mrs. F. H. Rider and Paul Griffith of Spokane.

Mrs. Rose Farrington and family had as their Christmas Day Mrs. Elizabeth Keeler of Spokane and Mr. and Mrs. Arne Kloster of Cedar Ridge.

Harry Van Gordon spent Christmas eve and Christmas Day in Lewiston.

Mr. and Mrs. Jay Stout were Christmas Day guests in the home of Mr. and Mrs. Wendell Phillips of Clarkston.

Jim Wilson of Headquarters spent the Christmas holidays here with relatives and friends.

Mrs. W. A. Perryman and son Clarence had as their guests Christmas Day Mr. and Mrs. Walter Wagner of Portland, Ore., Mrs. Bertha Beard of Moscow and Mrs. Sarah L. Dumbauld of Juliaetta.

Mrs. Anna Murphy of Moscow spent Christmas here with her sons, Stanley and Ernest, and with Mr. and Mrs. Mel Murphy.

Mr. and Mrs. G. S. Pond had as their Christmas vacation, their daughter, Miss Doris Pond, an instructor in the Culesdas schools, and Phillip Salisbury, student at the Lewiston State Normal.

Mr. and Mrs. Walter Wagner of Portland arrived Sunday, Dec. 22, to spend a week at the home of her mother, Mrs. W. A. Perryman, and with her brothers, Harley and Clarence. They departed for their home last Sunday.

Lawrence Kuykendall and La Verne Hayhurst are holiday guests at the home of his mother, Mrs. Letha Kuykendall, and other relatives.

Mr. and Mrs. Clarence Hund and son spent Christmas Day afternoon at the home of her grandparents, Mr. and Mrs. Wm. Zimmerman, Sr., in Lewiston.

Mr. and Mrs. James Emmett had as guests on Christmas Day Mr. and Mrs. Wallace Emmett, Mr. and Mrs. E. R. Porter and family of Moscow, Mr. and Mrs. Roy Emmett and sons and Mr. and Mrs. Homer Emmett.

Mrs. N. B. Long enjoyed Christmas dinner with her son and family, Mr. and Mrs. Tom Long.

Mr. and Mrs. Hiram Galloway had as their Christmas Day Mr. and Mrs. Carl Hartung and little son of Lewiston, Mr. and Mrs. Walter McCall and sons and Mr. and Mrs. Wm. Wolf and children.

Mrs. Daisy Anderson and son Alfred of Winchester were Christmas Day dinner guests in the O. E. Havens home.

## Attend Wedding

Mr. and Mrs. E. A. Deobald, Mr. and Mrs. Hiram Galloway, Mrs. Mildred Rider, Mr. and Mrs. W. B. Deobald and daughter Lois, Mr. and Mrs. L. W. Mason and Wm. Fitzpatrick of Kendrick, motored to Kellogg Saturday, where they attended the wedding of Miss Mary Fattu, instructor in the Kendrick High school, and Ray Lamb, student in the University of Idaho, at 3:00 p. m. at the home of the bride's parents, in that city.

The bride was beautiful in an afternoon gown of garnet velvet. She wore a corsage of orchids.

They were attended by Mrs. Leslie Lamb, a sister-in-law of the groom, and Emil Fattu, a brother of the bride.

Music for the wedding was furnished by Miss Lois Deobald and Wm. Fitzpatrick. Mr. Fitzpatrick sang three solos, "At Dawning," "Because" and "I Love You Truly," accompanied by Miss Deobald, who also played Lohengrin's "Wedding March" as the young people took their places.

The beautiful double ring ceremony was used, being performed amidst a beautiful setting of mums and tall burning tapers.

A reception followed the wedding and delicious refreshments were served by the bride's mother, Mrs. Fattu, assisted by Lois Deobald and Miss Lamb. The bride and groom cut the beautiful wedding cake.

Immediately following the reception the young couple left by car for Los Angeles, where they will witness the New Year's Day Rose Bowl football game, returning home for resumption of duties about January 6th.

Both the young people are well known and liked here, and the good wishes of all go with them.

## Merchants Plenty Busy

Kendrick merchants are plenty busy these days about their stores, engaged for the most part in the taking of inventory preparatory to the final balance for the year's business. Most of all of them will breathe a sigh of relief, for if there is a tiresome job, it is the taking of inventory.

## Ill With The Flu

Mrs. L. S. LaHatt and her mother, Mrs. H. M. Crawford of Sumner, Wn., who came to spend Christmas in the LaHatt home, have both been quite ill with the flu.

Ed. Brown has been confined to his home with a rather severe case of the flu.

## Brother Passes

P. C. McCreary received word on Tuesday morning of the death of his brother, Frank E. McCreary, of Boulder, Colo.

The late Mr. McCreary will be remembered here by many, as he spent the winter here two years ago. Interment was in the Boulder cemetery by the side of his wife. The services were in charge of the Masonic lodge of that city. He had been a member of that organization for fifty years.

He was 75 years old last September.

## STATE SETS GROSS DRAFT QUOTA FOR LOCAL BOARDS

Commending all those responsible for the rapid organization of Selective Service in Idaho, C. A. Dykstra, National Director of Selective Service, outlined the gross quota for the state and the latest estimate for credits in determining the net quota, in a letter received recently by Brig. Gen. M. G. McConnell, Idaho state director.

According to Mr. Dykstra, the tentative gross quota of men to be furnished by Idaho, up to June 30, 1941, has been fixed at 8,100, less estimated credits of those who are expected to be in the service.

Estimated credits for this state at the time of the fixing of quotas were 2,236 for members of the National Guard from the state, and 3,910 for all other men from the state in the land and naval forces of the United States, including estimated enlistments by the war department, the navy department and the marine corps. The act authorizes such estimates to be used as a basis until the actual numbers are known. When more accurate data are obtained, quotas will be recomputed for the state and directions given for their application.

In distributing the gross quota for Idaho throughout the state, tentative gross quotas for the local boards are as follows:

## Cosmopolitan Air

With the completion of its new marquee and the installation of its new name sign and neon lights, the Kendrick Theatre presents an appearance that would do credit to many a far larger town.

The name sign, "Kendrick Theatre" is in the new type silhouette letters, with soft blue-green and pink neon illumination, the whole running across the front and both sides of the marquee.

The front of the building was completely refinished in a soft shade of cream, new panelless doors put in, and they finished in a contrasting shade of blue. The ticket booth was likewise remodeled and refinished, and the whole appearance is now one of which the owners, and the town as well, can be proud.

## Very Quiet New Year

Nearly everyone in Kendrick spent a very quiet New Year's Eve and day. For the first time in a long time there wasn't a dance, a picture show, or any other amusement of that kind to lure those bent on merry-making.

A basketball game broke the evening for quite a number, and some few went out of town to visit the so-called "hot-spots" of other towns.

## CASH WHEAT PRICES GAIN IN PACIFIC NORTHWEST

Cash wheat markets in the Pacific Northwest registered additional firmness during the week ending December 27, according to the Weekly Grain Market Review of the Agricultural Marketing Service. The strength in important midwestern futures markets, together with continued light offerings by growers at country points, were important in strengthening markets. Principal classes of wheat at the close of the week showed advances of 1/4c per bushel at Portland, compared with the previous week. Mills continued to furnish the principal outlet for cash wheat, since grain exporters were not actively in the market. Domestic flour business was reported as only fair during the period and sales of flour under the export indemnity plan were of somewhat less volume than during the previous week. However, the continued holding tendency among wheat growers resulted in current offerings in the cash market being readily absorbed at firm to higher prices. Wheat receipts by rail at Puget Sound and Columbia river terminals totaled 498 cars for the week compared with 327 cars for the previous week. Indemnity payments on export flour held at 70c to the Philippines and \$1.05 per barrel to the Americas. Wheat millfeeds markets held steady to firm compared with earlier in the period. Winter wheat prospects remained favorable, according to trade reports, with sub-soil moisture good.

Cash wheat quotations at Portland on December 27 showed soft white and western white at 76c; western red at 77c and ordinary hard red winter at 76 1/2c per bushel, all basis No. 1 grade in bulk. Cash wheat quotations at Seattle on December 27 showed western white and hard winter at 76 1/2c, western red at 77c and hard white (baart) at 82, all basis No. 1 grade in bulk.

Wheat receipts by rail at Puget Sound, Columbia river and Spokane terminals during November 1940, totaled 3,061 cars, according to a report issued by the Pacific Coast headquarters of the Grain and Seed division. Of this amount, 1,382 cars were received at Puget Sound, 843 cars at Columbia river terminals and 836 cars at Spokane. Of these 1,176 cars or 38.3 per cent graded No. 1; 1,204 cars or 39.3 per cent graded No. 2; 528 cars, or 17.2 per cent graded No. 3; 132 cars or 4.3 per cent No. 4; 15 cars or .04 per cent No. 5; and 6 cars or .2 per cent were sample grade. Of these, 254 cars graded smutty.

Of the Columbia River receipts soft white with 303 cars and hard white with 213 cars constituted the bulk of the cars received. Hard winter with 93 cars, while club with 76 cars and dark hard winter with 63 cars were next in totals. At Puget Sound, soft white with 477 cars, hard white with 276 cars and hard winter with 222 cars supplied the bulk of the receipts at those terminals, with 92 cars of white club also received. At Spokane, hard white with 249 cars, soft white with 211 cars and dark northern spring with 134 cars were the principal class received, with 67 cars of white club among the receipts.

The San Francisco wheat market remained seasonally quiet but quite steady during the past week. Trading was very light with dealers generally delaying purchases until after the inventory period at the first of the year. Growers continued to hold old crop supplies quite firmly and prices of California grown wheats were unchanged compared with a week ago.

Receipts of wheat at Kansas City dropped to 220 cars as the Christmas holiday slowed interior loading. Demand was good throughout the period, falling to show the usual dullness incident to the season and premiums were steady to 1/4c higher. The firmness was mostly in the intermediate milling grades. The holiday activities cut down the total wheat marketings at nine winter wheat terminals and sub-terminals to 621 cars, compared with 883 the previous week and 754 for the corresponding week a year ago.

A much stronger demand prevailed for cash wheat at Minneapolis and with receipts very light, premiums were again firm as compared with futures.

Denver wheat receipts totaled 19 cars for the week and mills were bidding 65c per bushel for No. 2 hard winter and No. 2 northern spring f. o. b. Colorado common points.

At Chicago May wheat futures closed 1 1/2c up for the week. Winter wheat prospects continue unusually favorable in the United States. Beneficial showers were received over most of the wheat belt during the week and temperatures continued mild. The snow cover has disappeared, however, which exposes the crop to damage, should sharp freezes occur.

The weather in Europe remained fairly seasonal. Light snow was received in central Europe but adequate snow protection was lacking at the close of the week in the Balkan countries. Good rains will be needed in India to insure a satisfactory crop development. Harvesting of the new crop has been practically completed in Australia and the crop is making good progress in Argentina.

World exports this season have been greatly restricted by the war and shipments from North America and Argentina from the first of July to the middle of December, totaled only about 125 million bushels.

Idaho Traffic Deaths Heavy

Idaho's traffic death record during the past two months struck a portion of the highway marked "slippery when wet," went into a tail-spin, and sank with all on board, complains D. F. Banks, director of the Bureau of Safety.

Early in the year, Banks said, someone staged a traffic safety contest between Utah and Idaho. For a while everything was lovely. Then Utah increased her patrol from 50 to 61 men and things began to happen. That is, they happened in Idaho.

The result is that Utah recorded 114 traffic deaths for the first nine months of the year, compared to 111 last year; Idaho 142, compared to 111 last year. Utah's percentage of increase was 2.7 per cent, while Idaho's was 28.

**Many Ill With Flu**  
 The flu has hit Kendrick with a vengeance the past week, and many are suffering with a combination of it and severe colds.  
 So far as we have been able to learn, however, there are no really severe cases.  
 Were school going on there would undoubtedly be many absences, for the children seem to have it even worse than adults.

**Revival Meetings**  
 An old-time revival is now in progress at the Full Gospel Church of Kendrick, with Rev. C. M. Stirdivant in charge.  
 Rev. Stirdivant has conducted two revival meetings in Kendrick in the past with definite and lasting results. He has had a wide experience in the Evangelistic field, having conducted revivals over a period of 40 years in many states.  
 In the east he was called "The Badger Evangelist" because of his ability to "dig out."  
 All of Kendrick and the surrounding communities are cordially invited to come out and hear this veteran preacher.

**Wasn't Purified Yet**  
 Although late in March, the day of the baptism at Miller's dam was cold, and the preacher had to break the ice for the ceremony.  
 "Is the water cold, Joe?" asked a deacon of one of the new members stepping ashore after his immersion.  
 "No, not a bit cold," replied Joe.  
 "Better put him under again, parson," advised the deacon. "He hasn't quit lying yet!"

**NOTICE OF MEETING**  
 Notice is hereby given that the regular annual meeting of the shareholders of The Farmers Bank, Kendrick, Idaho, will be held in the office of the corporation in Kendrick, Idaho, at 3:00 p. m., Tuesday, January 28th, 1941, for the purpose of electing a board of directors to serve for the ensuing year, and the transaction of such other business as may regularly come before the meeting.  
 A. O. Kanikkeberg, Cashier.  
 Dated Dec. 26, 1940. 52-4

**NOTICE OF MEETING**  
 Notice is hereby given that the Annual Meeting of the Latah County Farmers' Mutual Fire Insurance Company will be held at the company's office in the Duthie Building in Troy, Idaho, on Tuesday, the 14th day of January, 1941, at 1:00 o'clock, P. M., for the purpose of electing three directors for a term of three years and for the transaction of such other business as may come before the meeting.  
 Dated at Troy, Idaho, this 18th day of December, 1940.  
 H. PAULSON, Secretary.

**Carol Marlene Richardson**  
 Carol Marlene, little daughter of Mr. and Mrs. Ralph Richardson of Jullaetta, passed away at St. Joseph's hospital in Lewiston at 6:00 o'clock, December 22, at the age of three months and 24 days. Baby Carol was baptised on Dec. 16, during her illness. She was never sick until a week before her passing.  
 Baby Carol leaves to mourn her loss, father, mother, two sisters, Edna Maxine, age 10, and Connie Jean, age four; besides her grandparents, Mr. and Mrs. Robert Hall and Mr. and Mrs. E. M. Richardson.  
 Eight uncles, aunts and cousins besides a host of friends who will mourn their loss.

**Another Double Bill**  
 Again the "western" fans will have an opportunity to see one of their favorite "Hopalong Cassidy" pictures this coming Friday and Saturday nights in "Three Men From Texas"—flaming six guns, thundering hoofs, red-blooded action. As usual, Hopalong and his partner "Lucky" keep things moving down in California, where they are tracking down outlaws, while the third man is Andy Clyde, a screen comedian.  
 "Sing, Dave, Plenty Hot" is the title of the second offering and is a lively musical comedy which is said to provide plenty of musical enjoyment. One of the singers is none other than the famous "Vera Vague" of radio fame and does her share in furnishing comedy for the picture. There are other notables among the cast, and a bevy of dancing beauties that are said to be easy on the eyes.  
 The usual cartoon will also be shown.  
 Why not support your home town merchants. They deserve it!

**Card of Thanks**  
 We wish to thank our friends and neighbors for the many helpful acts extended us during our bereavement, in the death of our darling baby girl. Especially do we wish to extend our thanks to the singers and organist, and to those who gave the beautiful floral offerings.  
 Mr. and Mrs. Ralph Richardson, Maxine and Connie Jean.

**ENVELOPE ODDITIES**  
**CARRIER PIGEONS**  
**PIGEONS HAVE PLAYED A GREAT PART IN CARRYING MESSAGES BOTH IN PEACE AND IN WAR — THEY DESERVE A PLACE IN HISTORY AS THE FIRST POSTMEN OF THE AIR**  
**Today -- Air Mail ...**  
 a fast postal service enjoyed by every business. Of course, the rates are higher per ounce, which necessitates lighter mailings. Mail-Well Air-Weight Air-Mail envelopes are made of special light weight, extra tough kraft paper which keeps the weight on a two or three page letter down to one ounce. ## EDITORIAL

Well, Folks, now that New Year's Day has come and gone, and the annual headache is subsiding, let's get down to a really serious consideration of plans for 1941. There is no way of telling what the future may have in store for us — for the two madmen of Europe are still "on the loose," so the only plans can be those of the immediate future. And, of course, direct income is paramount of these.

It possible to add considerable to the immediate income through the sale of cream — and we want to buy that cream. Cash awaits you — no waiting, no fuss, no bother. In addition a good many dollars can be saved by the average family through the judicious use of one of our locker boxes. If you do not already have one of these, get one today.

Policeman: "How did you knock this pedestrian down?"  
Motorist: "I didn't knock him down. I stopped my car just before reaching him and signaled politely for him to pass. He stared at me sort of incredulously for a moment or two, and then fainted."

"Mrs. Clancy, your child is badly spolt."

"G'wan wid yez!"

"Well, if ye don't believe me, come and see what the steam roller just did to him."

"Gentlemen: In reply to your advertisement for an organist and music teacher, either lady or gentleman: Having been both for several years, I offer my services."

Then there is always the mechanical engineer who took his nose apart to see what made it drip!

W. W. P. CO. HAS RE-

DUCE COMMERCIAL RATE

Reductions in rates for commercial customers of the Washington Water Power company, aggregating a saving of \$170,000 a year on the basis of present use, have been approved by the Washington Department of Public Service and the Public Utilities Commission of Idaho, and will take effect with the meter readings on and after December 24, according to the announcement of J. D. Lewis, division manager.

In the new schedules reductions have been made in both the minimum and the step rates. For town commercial users, the minimum has been reduced from \$1.00 to 80 cents, while rural commercial rates have been reduced from \$1.00 to 90 cents. Substantial reductions have been made in the various steps of the rates. Under the old schedule the rates were: 4.2 cents per kilowatt hour for the next 382 kilowatt hours monthly after the minimum of 18, then 3 cents per kilowatt hour for the next 1500 kilowatt hours and 2 cents per kilowatt hour for all in excess of 1900.

The new rates provide for a charge of 3.8 cents per kilowatt hour for the next 286 kilowatt hours after the minimum, 3 cents per kilowatt hour for the next 300 kilowatt hours, 1½ cents per kilowatt hour for the next 1,500, 1 cent per kilowatt hour for the next 8,000 and 7 mills per kilowatt hour for all in excess.

For loads in excess of five kilowatts an additional 40 kilowatt hours is available on the 3.8 and 3 cent steps for each kilowatt in excess of five kilowatts.

Comparable reductions are also made in the various steps of the commercial rural schedules.

Don't Swear!

Swearing has never been found good for a sore finger or liver complaint. It won't insure against sewing machine agents nor any of the ills which beset people through life. There is no occasion for swearing except, possibly, in a newspaper office, where it has been found useful, it is said, in reading proof and is often an indispensable necessity in getting the forms to press. Now and then it has been known to assist the editor materially in looking over the paper after it has been printed. Otherwise it is a very foolish and wicked habit.—The Kablegram.

## GRAIN MARKET

(Continued from first page)

compared with 170 million bushels for the corresponding months last season. As a result of these light shipments, local supplies in Europe have been drawn upon heavily. In an effort to conserve the limited wheat supply, the Hungarian government has ordered that bread contain a mixture of wheat and corn flour.

Precipitation for August, September and October in the Canadian prairie provinces was greater than last season. Combining the three provinces and weighing all for the acreage, the percentage of rainfall this autumn was 83 per cent of normal compared with 62 per cent last year. In large areas in central Saskatchewan precipitation has been considerably less than normal.

Stocks of Canadian wheat at the first of December were more than 50 per cent larger than last year with the balance of Canadian wheat in the United States and Canada for export or carry-over placed by the Dominion Bureau of Statistics at 682,275,000 bushels, compared with 414,825,000 bushels a year earlier.

More than offsetting the smaller supplies of corn in the United States this season, there is a reduction of about 10 per cent in the 1940 pig crop compared with the record large crop of 1939. The combine spring and fall pig crop of 1940 is estimated at 76,976,000 head, of which about 55,302,000 head are in the corn belt. Despite the reduced production, the total number is about 8 per cent above the ten-year average (1929-38) and is about 1-34 per cent over the pre-drought 1925-34 ten-year average.

The quantity of wheat under loan through December 24, totaled 268,579,378 bushels, of which 46,675,082 bushels were in farm storage. Idaho had 6,837,000 bushels under loan in storage.

## An Eye For Business

Two brothers were engaged in the coal business and one was converted to religion. For some time he tried to persuade his brother to join the church.

"Why can't you join the church like I did?" he asked.

"It's a fine thing for you to do," replied his brother, "but if I join, who'll weigh the coal?"

## That Summer School

It seems that a certain educator died and went to heaven. He inquired of St. Peter about the department of school teachers.

"I can show you the department," replied Peter, "but there's no one there."

"Why, don't school teachers go to heaven?" returned Peter, "but they are all down in hell now—attending summer school."

## Isn't It True?

The trouble is that when a fellow gets enough money to buy all the ice cream sodas he wants, when he wants them, he can't do it on account of his waistline.
