WHAT HAPPENED HERE 20 YEARS AGO THIS WEEK

Eddie Deobald, John L. Woody and Geo. Carlson had a narrow escape last Tuesday while driving up Little Bear Ridge grade. Mr. Deobald was driving Elmer Bechtol's car and when the party had just reached the top of the steepest place on the grade, a hub flange of one of the rear wheels broke, bringing the car to a standstill. The broken flange allowed the axle to turn in the wheel, so the foot brake was useless and the emergency brake was out of commission. The car started backward and all went well until it had reached the bottom of the steep pitch, when the rear wheels skidded. In attempting to cramp the car to keep the rear wheels in the road, one front wheel slid over the bank and the car started down the steep slope, head on. The three occupants got out before the car left the road. After plunging down the embankment a distance of approximately 100 feet, one front wheel ran against a pine tree and stopped the car. Aside from a broken wheel there was little damage done. Just before the car left the road it had slowed down considerably, but Mr. Deobald said that at one stage of the game they were traveling backwards at the rate of 20 miles an hour.

Mrs. Edgar Long, assisted by her sister, Mrs. James Benjamin, entertained a number of little folks at a birthday party Friday in honor of Roy's fifth birthday. Games were played, after which the feature of the afternoon—a big birthday cake with five candles, and other delightful refreshments were served. Little folks present were Johnny Kite, Edwardine Bechtol, Jack Bailey, Ruth and Mary Hood, Elizabeth and Frederick Carlson, Donald MacPhearson, Erma Lee Braden, Marjorie Newton, Margaret Metlock, Jean Dunkle and Roy Long.

The Red Cross Pharmacy is having a balcony built in the rear of the drug store which will be used for phonograph lines. The room will be away from the noise of the store and will be a much pleasanter place for those who wish to buy records or have a machine demonstrated. A stairway will be built from the center of the first floor to the new music room.

The local light company has let a contract to Groseclose Bros., of Teakean, to furnish poles for the construction of the new line between Kendrick and Juliaetta, and Craig Bros. have contracted to haul the poles from Teakean. It was found that a substantial saving could be made over the price at Troy by getting the poles at Teakean. It will take approximately 120 poles to build the line, which will be built in the canyon between the two towns. The wire is already at Juliaetta and the cross arms are being made here as rapidly as possible, so that construction will be under way in a very short time.

Miss Maud Eichner, who is attending school at Lewiston, spent Sunday on American ridge with her folks.

Mr. and Mrs. Jake Berriman and daughter Reva went to Lewiston on Sunday to visit relatives.

Big Bear Ridge—Mrs. Mary Halseth and children, John and Toral, of Kendrick and Mrs. A. Sater of Greenwood, B. C. are spending the week at the A. Hooker home. . . . Mr. and Mrs. Pete Halseth and children of near Deary are spending the week with relatives and friends here. . . . Mr. and Mrs. Elmer Brusteth of Spokane are visiting at the Ole Lien home the first of the week. . . . Miss Wilma Fairfield and Mrs. Grant Thayer are visiting their sister at Craigmont. . . . Reemployment Program Starts

Assurance of the reemployment of draftees represents an important part in building national morale and an adequate national defense and requires close cooperation of governmental agencies, business, and training, according to Brig. Gen. M. G. McConnell, director of Selective Service for Idaho.

General McConnell said the program undertakes not only to reemploy those who left jobs, but is intended also the aid those who were unemployed previous to their training in Selective Service. The entire program is being worked out in cooperation with the United States employment service and the state employment service, headed by Samuel D. Hays, of Boise.

"This month, approximately 100,000 citizens will be sent to reception centers throughout the nation to begin their year of military training. This will be the greatest number yet called," declared Gen. McConnell.

"This month, too, Selective Service, with the cooperation of the agencies mentioned, will take the first steps necessary to return all men who have completed training or enlistment periods in the service, to jobs in civil life.

In explaining the manner in which this service will function, Gen. McConnell said: "Forms notifying men called for induction that they may be selected for their own expense to their report at their own expense to their nearest State Employment office for an interview for employment purposes, will be sent by the local boards to each selectee at the time he receives his notice to report for induction or shortly thereafter. It will be up to the men to take advantage of this program for reemployment."

Work Progressing Nicely

Work is progressing very satisfactorily, although retarded somewhat by rainy weather, on the new warehouse of the Lewiston Grain Growers, being built adjoining their elevators in the west part of town. Workmen have been able to pour the larger share of the concrete work, and it won't be long until the building will really begin to take shape.

Just what will be done with the old warehouse in the east part of town, above the depot, is not known at this time.

BASKETBALL TOURNAMENT DATES ARE SET, MAR. 12-15

Tentative dates for the annual north-central Idaho second district high school basketball tournament were set at a district board meeting Saturday noon at the Bollinger hotel, Lewiston. The tourney will be held March 12-15 at the Lewiston normal gymnasium if the dates are approved by the Idaho High School Athletic association.

Under a state rule, Idaho high schools are required to end tourney play by March 8, according to Kenneth Dean, Genesee, district secretary, who with Fenn Emerson, of Craigmont, president, and Wayne Bernay, Juliaetta, vice president, attended Saturday's meeting.

To avoid conflict with the southeastern Washington boxing tournament to be held in Clarkston March 7 and 8, the late date was set, Dean said. The tourney cannot be held the week preceding because many of the contesting teams have games scheduled after that week-end. Dean said that the association has always held the tournament within the deadline but that he thought "the state association would be apt to grant the application."

Drawings were made Saturday but actual teams cannot be filled in until the conferences complete play, Dean said. The board voted to pay expenses for 10 on each team at \$20 a day and allow two cents a mile per man for traveling expenses.

Two top teams each from the northern and southern divisions of the prairie conference and the valley league will compete as well as the first place winners in the white pine and river conferences.

Barney announced that coaches of the valley conference, at a meeting at Juliaetta, planned to hold the league's sub-district tourney Feb. 24-26-28, which will pit the four leading teams in double elimination play. The meet will be held at Cule-dac if the club is in the top bracket, or at Kendrick as second choice, if they make the grade. He said that it is probable that one or both of these schools will be in the top four. As a preliminary to the championship final game teams ranking fifth and sixth will play. Schools in the valley league are Kendrick, Genesee, Lapwai, Juliaetta, Cule-dac and Southwick.

The standing of the Valley Conference teams as of Sunday morning, are:

Team	W	L	Pts.
Juliaetta	3	1	750
Genesee	4	2	687
Kendrick	3	3	500
Southwick	2	3	400
Lapwai	2	3	400
Cule-dac	2	4	333

Celebrate Silver Wedding

Last Sunday, at Pullman, Mr. and Mrs. Carl L. Wegner, formerly of Cameron, celebrated their Silver Wedding anniversary, with about 50 guests from Spokane, Lewiston, Pullman, Cameron, Kendrick, Southwick, Bovill and Ritzville, Wash., present to help in the festivities.

A delightful and bountiful dinner was served at 1:00 o'clock, with two of their daughters, Mildred and Selma Wegner and Mrs. Herman Sillow serving.

The two best men of 25 years ago, Herman Meyer and August F. Wegner, the flowers girls, Mrs. Harold Schmidt (nee Martha Abitz) and Mrs. Arnold (nee Dora Scheele) of Spokane, were present. The two brides' maids, Miss Amanda Meyer and Miss Hannah Wegner, now Mrs. F. Uttke and Mrs. N. Cammet, of Spokane were unable to be present.

The afternoon was spent in looking at old pictures and visiting. In the late afternoon the crowd was greatly surprised when Rev. and Mrs. Rein and their daughter Evangeline, formerly of Cameron, and Mr. and Mrs. Paul Meske of Ritzville drove in to spend the evening.

It was indeed a splendid affair, and a grand time was reported by all present. Their many friends wish them many, many more happy years of wedded life.

The guests presented Mr. and Mrs. Wegner an offering of silver, with which the bride and groom of 25 years ago will be silverware.

Below is the original account of their wedding, as it appeared in the Kendrick Gazette of 25 years ago:

Cameron — Last Wednesday, Jan. 26th, at 2 p. m. at the German Lutheran church occurred the wedding of Carl L. Wegner and Anna Meyer. The day was beautiful, the sun shone brightly and sleighing was perfect.

"A large crowd had gathered at the church to witness the ceremony and the tolling of the church bell mingled with the merry jingle of sleigh bells announcing the arrival of the bridal party, which Fred Sillow brought in a beautifully decorated bob-sled.

"As Mrs. Schultz played the wedding march the procession into the church was led by the two little flower girls, Martha Abitz of Spokane and Dora Scheele of Fairfield, next came the bride, accompanied by her bridesmaids, Miss Amanda Meyer and Miss Hannah Wegner. The groom and his best man, Mr. A. F. Wegner and Mr. Herman Meyer followed.

"After the ceremony all sped to the Meyer home, where a sumptuous dinner awaited them. The entertainment lasted until the early hours of the morning and none departed before.

"The bride was clad in a beautiful crepe de chine, trimmed in all-over lace and carried white roses. The bridesmaids wore white voile and carried carnations. The bridal pair

COUNTY COMMISSIONERS UP 1941 TAXES \$2,500.00

In keeping with all other legislative bodies, the Latah county commissioners have "up'd" the 1941 taxes some \$2,500. It seems that it doesn't make any difference whether it be the President of the United States, the Senate, Congress, state legislature, or whatnot, the taxes just have to be raised to make it appear that they have been doing something worthwhile, so the Latah county commissioners have followed suit—and your taxes will go up \$2,500 this year.

The following resume of what they will be spent for is taken from the Moscow Idahoian:

The Latah county budget as proposed for 1941 by the county commissioners has been made public, and called for an increase in expenditures of approximately \$2,500 more than a year ago.

Salaries were slightly increased in six departments of the county government; \$700 was budgeted for the improvement of Rowland park; approximately \$1,000 will have to be paid in bond insurance premiums for the two-year terms of elected officials; \$720 was listed for the salary of a man to operate the county's short-wave radio, and numerous other minor increases in the budget which did not appear last year have been proposed.

The tentative budget has been set at \$158,723 as against \$156,243 a year ago. County commissioners will meet at the court house February 10 to fix the final budget and make appropriations. Any taxpayer may attend the meeting and be heard on any part or parts of the budget.

An increase of salaries or wages has been proposed on a yearly basis for the following offices:

Assessor, \$250; treasurer, \$300; superintendent of public instruction, \$50; probate judge, \$50; miscellaneous, \$1320 (which includes radio operator's salary) and farm boarding house \$500.

Commissioners have proposed \$24,700 for care of the county's poor outside of the county home—an increase of \$3,000. Noxious weed eradication is budgeted to receive \$2,450 more than was proposed a year ago, and the county fair \$300 more.

The only county office listed to get a smaller appropriation for other expense than in 1941 is that of probate judge—which will be \$40 less. Chief item not appearing on this year's proposed budget is "elections" for which \$5,850 was budgeted a year ago.

Day Real Success

The Tractor and Implement Show and the free dinner, put on yesterday by the Kendrick Bean Growers Ass'n, working in conjunction with the International Harvester Co., was a real success, judging from the crowds present at the show and dinner.

The dinner was served for the Association by the Ladies Aid of the Community church, and while exact figures are not available, they estimated they served 300 to 325 dinners. The attendance at the show was estimated to top that figure by at least 75 — so all in all, a really fine group saw the presentation of International products and partook of the meal.

This show has become an annual event.

ELECTRIC RATES

Among the Lowest in the Nation
...and what they mean to You!

The cheaper we can make electricity for our customers, the more of its benefits they can enjoy, and the more electricity they will use—the less it will cost.

So we're pleased that our rates are the lowest of any electric company in the United States that pays its regular share of taxes. In home and store and factory, cheap electricity is doing more and more work for you, at rates that are increasingly lower.

20 1/2c of your electric service dollar goes for taxes. This helps pay the cost of schools, good roads, fire and police protection and all the other tax-supported public services.

 "The first to be shown will be "Hit Parade of 1941," when you will see some of the cleverest dancing, heart-breaking singing, besides the famous Borrah Minevitch and his harmonica band, Kenny Baker, Francie Langford and a real "flock" of chorines.
 Following this will be "Lucky Cisco Kid," when the audience should wear bullet proof vests to protect themselves from stray bullets from the screen. "Cisco" proves the town judge to be in cahoots with a false "Cisco Kid," who steals, kills and plunders.

Why Should a Farmer Order His Tractor NOW?

REASON No. 1 — Break in your new tractor early on light hauling and belt jobs—prepare now for most efficient operation.

REASON No. 2 — Buy early for a better deal on your old tractor. Buy while we are short on used tractors—while we can offer you an attractive trade.

REASON No. 3 — If you plan to change from teams to a tractor this spring, save a good many dollars' worth of horse or mule feed by trading now.

REASON No. 4 — Be forehanded—get your order on the books while tractor prices are still based on 1940 labor and material costs.

REASON No. 5 — You won't have to worry over late delivery when you buy early. Experience proves that late buyers frequently have to wait longer than they want to for their tractors.

REASON No. 6 — If your young son or daughter plans to "man" your tractor for the first time this spring, choose your safe, comfortable, easy-to-handle tractor now, so the new operator will have a good chance to become familiar with it ahead of the rush.

REASON No. 7 — Every Farmall in our store is the product of careful, precise work. These modern power-partners were built under the most favorable manufacturing conditions. You will have to go a long way to find a tractor as good as the Farmall that is waiting for you in our store.

COME IN AND TALK TO US ABOUT THESE TRACTORS — OR PHONE US AND WE WILL COME OUT TO YOUR PLACE.
