

KENDRICK GAZETTE

WHAT HAPPENED HERE 20 YEARS AGO THIS WEEK

Last Wednesday, June 1, Miss Bertha Wendt of Cameron and Mr. Ernest Heimgartner of California were united in marriage at the Cameron Lutheran church. The bride party was conveyed in white decorated automobiles from the Koopp home and entered the church to the strains of the "Wedding March" played by Miss Martha Silflow. Martha Brammer and Alva Larson, as flower girls, led the party to the altar. The bride was beautifully gowned in a white satin dress, trimmed with white silk and carried a bouquet of orange blossoms and a bouquet of white bridal roses. The bridesmaids were Miss Martha Meyer and Miss Ida Silflow. They wore dresses of pink georgette crepe and carried pink carnations. Henry Wendt and August Brammer stood up with the groom. Rev. Finke of Cameron performed the ceremony, after which all went to the Koopp home, where a splendid dinner was served. Mrs. Fred Riggers of Nezperce entertained the crowd in the afternoon and the evening was spent in dancing. At midnight a big lunch was served, after which the dancing was continued until the early morning hours. There were about 150 guests present. The happy couple will make their home in Hanford, Calif.

20 Pilots Idaho Quota

A quota of 20 civilian pilot trainees has been assigned to the University of Idaho for the summer course beginning June 15, Dean E. Buchanan was notified Saturday. Dean Buchanan said regulations were practically the same as for the regular course, with the exception that no women will be trained. Applicants will be enrolled in the order in which they register, and the course closed out with the required 20 and four alternates. Civil aeronautics officials at Seattle insist that the summer course be started not later than June 15, Dean Buchanan said, and be completed by September 15. All of the 17 in the university's second semester class will be through by next week, he added. This summer course will be speeded up a bit with three instructors and three planes assigned to Idaho's score of fledgling pilots.

DOINGS OF SOUTHWICK NEIGHBORS AND FRIENDS

Mr. and Mrs. Dale Turner and family of Pomeroy were guests at the Harvey Morris home Saturday and Sunday. Mrs. Ola Betts and family of Clarkston spent Friday and Saturday with her mother, Mrs. Berriman. Mr. and Mrs. Earl Whiting and James visited in Pullman Sunday at the Carl Wegner home. Mr. and Mrs. Henry Brammer were Sunday dinner guests at the Henry Wendt home. Mr. and Mrs. Chester McIver visited at the home of Mr. and Mrs. Roy Gertje Sunday. Mr. and Mrs. J. W. Henderson were Sunday guests at the Milton Benjamin home. Ronald, the youngest son of Mr. and Mrs. Milton Benjamin, suffered a broken arm Saturday evening. He fell down a flight of stairs. Mr. and Mrs. Clarence Henderson entertained at dinner Sunday for the following guests: Mr. and Mrs. Ralph Wright, Mr. and Mrs. Clarence Whiting of Lewiston, Marian Wright of Kinzi, Ore., and Mrs. Eva Wright. Mrs. Darwin Tarry took her 4-H club girls to Moscow Tuesday to attend a meeting there. Those making the trip were Helen Harris, Ruth Lettenmaier, Doris Laurence and Annabelle Cuddy. Mr. and Mrs. Ben Pressnall left Tuesday morning for the east, where they will attend General Conference. Mr. and Mrs. Fred Whiting and Mr. and Mrs. Reed Abbott and son of Clarkston called on Mr. and Mrs. J. W. Henderson Sunday evening. Mr. and Mrs. Aaron Wells were guests of Mr. and Mrs. Orville W. Choate at Teakean Sunday. Miss Ilene Lettenmaier, who has employment at Orofino, is spending a few days at home with her parents, Mr. and Mrs. John Lettenmaier. Mr. and Mrs. L. J. Southwick spent Sunday with Mr. and Mrs. Howard Southwick. Mr. and Mrs. Albert Cuddy of Gifford visited at the Arnie Cuddy home Sunday. Mr. and Mrs. Gordon Harris, Helen and Jerry spent Sunday with Mr. and Mrs. Given Mustoe. Grandpa Mustoe spent Tuesday with Mr. and Mrs. Gordon Harris. Mr. and Mrs. Nels Longteig, John and Thor Maland attended a wedding at the I. J. Longteig home at Craigmont Saturday. Sunday guests at the Nels Longteig home were Mr. and Mrs. I. J. Longteig and daughter Shirley, Mr. and Mrs. Iver Longteig and baby, all of Craigmont, and Mr. and Mrs. Newt. Longteig of Portland, and John and Thor Maland. Mr. and Mrs. Walter Koopp and daughter were visitors at the Henry Brammer home Monday evening. Mr. and Mrs. John Glenn and Mr. and Mrs. Arnold Woody visited with Mr. and Mrs. Nels Longteig Monday. The Woody family remained over-night and left Tuesday morning for their home at Boise. Lewiston visitors during the week were Mr. and Mrs. J. W. Henderson, Mr. and Mrs. Harvey Morris, Mr. and Mrs. Earl Whiting, Mr. and Mrs. Ben Pressnall, Milton Benjamin, Mr. and Mrs. John Lettenmaier, Mr. and Mrs. L. J. Southwick, Mrs. Howard Southwick, Mr. and Mrs. J. E. Hoppe, Homer Betts, Mr. and Mrs. Gordon Harris, Mr. and Mrs. Henry Brammer, Earl Harris, Chris. Tschantz, Mr. and Mrs. Jack Travis and Mrs. Herman Travis. Rebekah Lodge President Here Last Wednesday evening the local Rebekah lodge served a sumptuous 6:30 dinner in the Fraternal temple, honoring the state president of that organization, Mrs. Nina Portfors, Orofino. There were nine Juliaetta guests and five from Orofino present. A most enjoyable evening was reported by the assembly. Social Evening at Grange The Kendrick Grange will hold an "Apron and Necktie Pie Social" on their next meeting, June 17, which will be a social event for Grange members and their invited guests. This is in the nature of a birthday party for the local Grange. Undergoes Operation Little Roger Jones, six-year-old son of Mr. and Mrs. Claude Jones, underwent an operation for hernia at St. Joseph's hospital, Lewiston, last Thursday. He is recovering nicely and will soon be able to come home.

COMMERCIAL CLUB HAS GOOD TIME AT MEETING

One of the most enjoyable Commercial Club meetings in several months was held at the school house Monday evening of this week, with 20 interested members of the organization present. At 6:30 o'clock the Ladies Aid of the Community church served a delicious dinner, following which the business of the meeting was taken up, with Vice-President Geo. Brooke presiding in the absence of Wm. Gray. After the reading and approval of the minutes of the previous meeting, one bill, in the amount of \$10.00 for dues to the North Idaho Chamber of Commerce was allowed, and committee reports called for. N. E. Walker of the Highway Committee reported that the Texas Ridge W. P. A. road project had been completed to the top of the hill, a total of 7,249 tons of gravel having been put on the grade. This amount exceeding engineers requirements by 249 tons. Mr. Walker also stated that work was proceeding on the graveling and grading from the top of the hill toward the highway district line. Work was expected to progress more rapidly at this time, due to the fact that six men formerly employed on a Deary project had been transferred to this one. It is hoped that work on the project can go forward until completed to the line. Dr. D. A. Christensen of the Civic Improvements committee reported that work on the proposed city tennis court had been delayed due to difficulties of location, but that it was expected to begin shortly. Don Lyle of the Scout committee reported eight Boy Scouts had gone to the District Camporee at Lake Waha last week, and that these reported a good time, despite the inclement weather, which had kept many Scouts from other towns at home. F. M. Long of the Fish and Game committee reported that due to high water and mud, the fishing so far this season and been almost nil. He stated that of Latah county's allotment of 200 adult Chinese pheasants the Kendrick district had received 36 fine birds. These were distributed in well protected places by E. A. Deobald and himself, and were reported doing nicely. Mr. Long went on to say that he had found it impossible to obtain any birds from the Nez Perce county allotment, since the "powers that be" in Lewiston apparently could not be made to realize that the Kendrick district sits almost a-top the county line, and preferred that all their birds be planted in that section of Nez Perce county closer to Lewiston. Mr. Long also stated that prospects looked good for the establishment of one or more game conservation districts under federal aid in the territory adjacent to Kendrick. High hopes are held, that this will become a realization. L. S. Thurber, reporting for the Merchants committee, reported that plans for the Fourth of July celebration were proceeding smoothly, and prospects for a jolly good time were never better. W. L. McCreary of the Publicity committee reported on the steps taken so far to advertise the event, all of which met with club approval. Marvin Long reported for the Fourth of July special finance committee, stating that all contacted had been in favor of the event and had given freely, slightly more than the amount requested having already been pledged, with the concessions sale and dance proceeds yet to be brought into the picture. Frank Abrams reported for the Parade committee, saying that plans were complete and all arranged for with the exception of a steam engine on wheels, which they had not yet been able to locate, and asked that anyone knowing the whereabouts of such an engine contact the committee. A. O. Kanikkeberg of the Entertainment committee reported that good progress was being made toward the completion of this phase, but that a number of appointments had yet to be made. He reported that Burton L. French would be the Speaker of the Day, and John L. Woody, Marshal of the Day. The other posts for the day are being filled as rapidly as possible. He reported that the program for the day would be completed and given to the Publicity committee as soon as all committees could report. In the absence of any members of the Sports and Music committees L. S. Thurber stated that to his knowledge plans were almost complete in these lines and their program would soon be in the hands of the program committee. Edgar Long of the Concessions committee reported numerous requests for concessions. He further stated that plans for their location was complete, and that cash deposits had been made on certain ones. Mr. Long asked help of the entertainment committee and of the club as a whole in preparation of seats, both in the park and about town to accommodate the expected crowds. He suggested the distribution of seats with backs on the south side of Main street the day preceding the celebration, in order that old folks and women might be comfortably seated before the parade, and to supply rest points for all who might desire them during the day. The help asked was readily pledged. At the suggestion of H. C. Schup-

ITEMS ABOUT KENDRICK FOLK AND THEIR FRIENDS

Rev. and Mrs. Wm. Gray returned Monday evening from Glendale, Calif., where they were called by the sudden passing of his father some ten-days ago. Mr. and Mrs. R. L. Blewett drove to Moscow Monday evening to see his brother, Rex, off for Seattle, from which point he will take a boat for Anchorage, Alaska, where he has employment. Lieut. and Mrs. Aaron Blewett are stationed in that city. Miss Marian Lowery of Ellensburg, Wash. came Sunday to spend a week here with her sister and brother-in-law, Mr. and Mrs. Marvin Long. Barbara Long returned home on Wednesday from the U. of I., and will spend the summer here. Roy Long attended Commencement exercises in Moscow Monday, and from there went on to Sandpoint, where he attended a military meeting. Mrs. D. A. Christensen and children left Monday evening for Salt Lake City, Utah, where they will spend a week at the home of her parents, Mr. and Mrs. Charles Snowling. Mr. and Mrs. Lester Crocker and children, accompanied by Mrs. L. Ameling, left Sunday for Twin Falls, Idaho, to spend two weeks with Mr. and Mrs. Ward Howell. They plan to stop at Boise and spend some time with the J. M. Lyle family. Mr. and Mrs. L. W. Mason and son and Mr. Mason's grandmother, who has been visiting her for about two weeks, left Saturday for Edinco, Wash., to take her to her home. From there the Masons left on Monday with Wm. Fitzpatrick, whom they will accompany as far east as Detroit, where they take delivery of a new car. Mr. Fitzpatrick's mother joined the group at Spokane, and will go on with him to Harvard, where he has a summer school scholarship in music. Mr. and Mrs. Mason will return about July 1st. Joe Tobin and John Flomer of Genesee were business visitors in Kendrick Monday. Mr. and Mrs. Clarence Hund were Lewiston visitors Tuesday evening, going down to see Mrs. Fred Zimmerman, who is in St. Joseph's hospital following an appendicitis operation. Dr. and Mrs. G. W. McKeever were Spokane business visitors last Thursday. Mrs. E. T. Long, Mrs. Oscar Raby, Dr. and Mrs. G. W. McKeever and Mr. and Mrs. John L. Woody drove to Lewiston Monday evening to attend the O. E. S. Grand Lodge. Mrs. Ivan Craig and children accompanied her sister, Mrs. Electa G. Poulas, to California Sunday morning for a visit. Mrs. Poulas has been here for the past three weeks visiting in the Craig and Kuykendall homes. Mr. and Mrs. Clarence Hund and children were Lewiston visitors on Sunday. Mr. Condatta, relief agent at Troy, was a dinner guest in the Roy Ramey home Wednesday evening. Mrs. Bina Raby, Mrs. Fanny B. Greene, Mrs. Anna Long and Mrs. Oscar Raby spent Tuesday at the O. E. S. Grand Lodge in Lewiston. Leon Lind went to Orofino on Tuesday to see about work for the summer. Mrs. Oscar Raby and Mrs. Paul Lind drove to Moscow Sunday to bring Leon Lind home. Mr. and Mrs. Wm. Watts and sons visited Sunday in Craigmont. Miss Kathryn Watts, who is spending a few days with the Wm. Watts family, before returning to her home in Seattle. Mrs. Paul Lind and son Leon were Lewiston visitors Monday. Mr. and Mrs. W. B. Deobald and daughters returned Tuesday evening from southern Idaho. Billy remained to spend the summer working on his uncle's farm. Mr. and Mrs. Paul Croy and two children of Hope, Idaho, were visitors Tuesday in the home of Mr. and Mrs. Edgar Long. Mrs. Rose Farrington accompanied Miss Jeanne Ramey to Lewiston on Wednesday morning to spend several days visiting her mother. Mr. and Mrs. W. L. McCreary and children left Thursday morning for Seattle, where the latter will spend two weeks visiting her sister, Mrs. E. E. Sands. Mrs. George Leith and Patty Flaig accompanied Miss Jeanne Ramey to Lewiston Tuesday. Jeanne is attending summer school at the Lewiston Normal. Mrs. L. J. Herres left Sunday morning for Spokane upon receiving word that her granddaughter, Jerry Herres, had been returned to the hospital there for further treatment. She is suffering from rheumatic fever. Mr. and Mrs. K. D. Ingle took Mrs. Hiram Galloway and daughter Jeanette to Moscow Monday morning to witness the U. of I. commencement and see Wm. Ingle receive his Masters Degree. Mrs. Homer Turner and daughter of Oklahoma arrived Tuesday morning to visit her nephew and family. Mr. and Mrs. R. L. Blewett. All drove to Gifford and spent Tuesday night there. Mrs. Wade Keene, Mrs. E. A. Deobald, Mrs. Nora Callison, Mrs. Harold Thomas and Mrs. Ella Benscoter left Monday to spend three days at the Eastern Star convention in Lewiston. E. A. Deobald and Wade T. Keene were also Lewiston visitors that day, taking the women to the convention.

Many Arrests

Conservation officers of the Idaho Fish and Game department made 83 arrests for violation of the fish and game laws during May, it has been announced. Principal violation during the month was fishing without a license, which accounted for 25 arrests. Other violations and the number of arrests are as follows: Fishing out of season, 17; shooting from a highway, 6; buying fur without a state license, 6; non-residents fishing with resident licenses, 4; fishing in closed waters, 4; hunting without a license, 4; illegal use of salmon eggs, 3; illegal spearing of fish, 2; wasteful destruction of game fish, 2; unlawful possession of beaver hides, 2; possession of an uncased gun in the field, 2; incomplete records of fur buying, 1; trapping muskrats without a state license, 1; exceeding the bag limit for fish, 2; using two fishing poles, 1; and free running dogs, 1.

THIS AND THAT ABOUT FRIENDS AT CAMERON

Mr. and Mrs. A. O. Wegner and son Harry of Pullman and son Robert of Fort Wright, Wn., Mr. and Mrs. F. W. Silflow, Mrs. Henry Wendt and daughters Esther and Marjorie and Mrs. Gus Kruger and daughters Dorothy, Elsie and Rosalie spent Friday with Mrs. Ida Silflow, her birthday anniversary. Mr. and Mrs. George Wilken visited with Mr. and Mrs. Glen Wegner Sunday evening. Sunday visitors in the A. H. Blum home were Mr. and Mrs. Clay Albright and sons of Juliaetta, Mr. and Mrs. Albert Glen and son and Mr. and Mrs. Wilbert Brunseik. Mr. and Mrs. August Brammer and family spent Sunday with Mr. and Mrs. Russell Rodgers. Mr. and Mrs. Henry Wendt and Mrs. Ida Silflow were Lewiston and Clarkston visitors Tuesday. Helen Newman returned to her home here Monday, after having attended the U. of I. for the past year. Mr. and Mrs. Chas. Schultz and Mr. and Mrs. Ed. Nelson were visitors in the Gus Kruger home Sunday afternoon. Mrs. John Schwarz and sons were Monday visitors in Lewiston. The Luther League met in the A. F. Wegner home Sunday evening. Glen Wegner was a visitor in the home of his uncle, Dr. Wegner, at Kennewick from Monday until Thursday. Geo. Finke was a Monday morning visitor in the Geo. A. Wilken home. Mrs. Stoneburner and Miss Hartung were visitors in Lewiston on Saturday. Mrs. F. W. Newman, Miss Helen Mielke and Edwin Mielke and daughter, Dorothy Ann, were visiting with Mr. and Mrs. W. R. Johnson at Peck Tuesday. Mr. and Mrs. Wilbert Brunseik spent Tuesday with Mr. and Mrs. Clay Albright at Juliaetta. Mr. and Mrs. Loren Westerman and Mrs. Jacob Schmidt of Spokane were Saturday evening visitors in the Miss Hartung and Mrs. Stoneburner home. Rosalie Kruger visited with Mrs. Geo. A. Wilken Sunday afternoon. Mrs. Clarence Fry and daughter Nellie spent several days last week with Mrs. Glen Wegner. No Striking Be Allowed Idaho's 48 selective service boards were called on this week to examine the records of men deferred because of defense occupations and to rate them as immediately available for army duty, if they go on strike. Brigadier General M. G. McConnell, state selective service director, said the order was in line with instructions received from Brigadier General Lewis B. Hershey, national director. He explained that while there were no known instances of strikes in defense industries within the state, many Idahoans have been deferred because of their employment in Coast defense plants. "I'm heartily in accord with the telegram from General Hershey that says, in effect, that men either have to work or fight, and I am sending copies to all local boards," Gen. McConnell said. Robert Wegner in Air Corps Robert A. Wegner, son of Mr. and Mrs. A. O. Wegner, route two, Pullman, graduated from the air corps technical school at Lowry Field, Colorado, May 23. He entered the course of engineering and operations on February 3, after enlisting on October 30, 1940, at Fort Wright. Wegner graduated from Pullman high school in June, 1940. The air corps technical school supplies the air corps with highly trained personnel for the maintenance of flying equipment in three departments, armorers, photographers and technical clerks. He is now in the Military Intelligence office at Fort George Wright, Wash. Mr. Wegner is well and favorably known here, having been raised near Cameron. Meet As Equalization Board The Latah county commissioners will sit as a board of equalization from June 23 through July 21. Sitting as a board of equalization the commissioners will hear complaints of taxpayers who think their properties have been assessed too heavily on the 1941 tax rolls. If you have a complaint to make about your taxes, better take it up with the commissioners when they meet as a board of equalization.

WHEAT ADVANCES SHARPLY IN PACIFIC NORTHWEST

Sharp advances in wheat futures at important midwestern markets were reflected in higher prices in Pacific Northwestern markets during the week ending June 6, according to the Agricultural Marketing Service of the U. S. Department of Agriculture. Cash wheat prices were relatively firmer than futures and principal classes at Portland showed advances of around 6c per bushel for the week. Despite the higher values, however, trading was of a rather light volume in this area. Growers were not inclined to sell on the advancing market and offerings at country points were reported as light. Most mills and other buyers were well supplied with wheat from comparatively heavy purchases made some weeks ago and demand was not urgent except for occasional special lots for milling purposes. Wheat receipts of 669 cars at Puget Sound and Columbia river terminals represented largely deliveries on earlier sales. Indemnity payments on export flour remained unchanged at 60c to the Philippines and \$1.35 to the Americas with sales during the week reported only half the average of previous weeks. No further sales of flour were reported to North China during the week. Wheat millfeeds markets remained firm at recent advances. Crop prospects were improved by frequent rains in Northwest producing areas although in some places hay and grain were lodged and some cut hay was damaged. Cash wheat bid prices at Portland on June 6, showed soft white (hard white applicable) at 85c. The same class with Rex wheat not applicable at 86 1/2c, white club at 86 1/2c, western red at 86 1/2c and hard red winter at 86c per bushel, all basis No. 1 grade in bulk. Cash wheat prices at Seattle in June 6 showed western white at 86c, western red and hard winter at 87c, hard white (baart) at \$1.10. The San Francisco wheat market developed a considerably stronger tone toward the close of the past week, influenced principally by the sharp advances in other markets and light local offerings. Growers generally were marketing both old and new crop wheat very slowly, particularly following announcement of government loan rates. Prices at San Francisco advanced around 2 1/2c to 5c per 100. Growers in the San Joaquin valley area were being bid around \$1.40 to \$1.45 per 100, f. o. b. country shipping points for No. 1 hard white and No. 1 soft white, but were mostly holding for higher prices. Prices at Ogden, basis No. 2 f. o. b. Ogden mills on June 6 were: dark hard winter and dark northern spring 85c, hard winter and northern spring 77c, hard white 91c, soft white 83c and western white 81c per bushel. Denver mills were bidding 72c per bushel for No. 2 hard winter and No. 2 northern spring, basis f. o. b. Colorado common points. Receipts of cash wheat at Minneapolis and Duluth, although totaling somewhat smaller than the week before, were again of liberal proportions. The cash trading basis was within an unchanged range as compared with a week ago, although lighter offerings toward the close tended to firm the market, which closed June 6 at 96 1/2c per bushel. July wheat futures at Chicago closed at 99c and No. 2 hard sold on spot for 99 1/2c per bushel. Receipts of wheat at that market were not heavy and few sales on spot were reported, a good percentage being sample grade used for chicken feed. A few scattered bookings of new wheat from Illinois and Indiana were reported and flour bookings by mills have been active. Winter wheat prospects were not changed materially during the week. Rain continued to retard maturity and delay harvesting in the southwest, while the drought has ripened the grain on short straw in the southern portions of the belt east of the Mississippi river. In general, however, the outlook remains favorable. Weather in the spring wheat belt continued decidedly favorable with good rains in nearly all sections. Early seeded grains show good heavy stands. Wheat in northern Texas has suffered some damage from stem rust, reports to the department show, but it is not important at this time. Only a little more than a trace of stem rust has been found in south central Kansas and since the grain is only two weeks from maturity, little injury is in prospect. The favorable vote on the wheat market quotas makes the 85 percent parity loan mandatory under recently enacted legislation. The wheat loan rate is based on the July 1 parity price of wheat and the department estimates that 85 percent of the parity on that date will represent an average national rate to farmers of approximately 98c per bushel. With the loan rate to farmers of approximately 98 cents per bushel and the parity and conservation payments amounting to 18c, the program operator will receive a total rate approximately equal to the parity price. Loan values at terminal markets are as follows: No. 2 hard winter at Kansas City, \$1.10; Omaha, \$1.09, Chicago, \$1.15; gulf ports, \$1.17; No. 2 red winter, Chicago and St. Louis, \$1.15; No. 1 dark northern spring, Minneapolis, \$1.15; No. 1 soft white, Portland, \$1.05. Heavy rains increased moisture

COMMERCIAL CLUB
(Continued From 1st Page)

fer a committee of five was appointed by the chairman to investigate the feasibility of cutting or bulldozing a trail or walk around the hill from a point back of The Table Supply to the alley below the McCreary home on the schoolhouse hill in order to facilitate travel between downtown points and the schoolhouse. Named on the committee were Edgar Long, H. C. Schupfer, N. E. Walker, P. C. McCreary and Wade T. Keene.

That ending the official business of the club the matter of a really demonstrative "Whisker Court" was taken up, and with the consent of "Judge Watts" and Edgar Long it was decided to hold the same next Saturday evening at 6:45 o'clock in front of the Kendrick Theatre. Indictments have been prepared on a number of the local gentry, and these cases will be prosecuted to the fullest extent of the "Whisker Law."

There being no further business to come before the club on motion it adjourned.

Rains Doing Damage
Really serious damage is being done the crops in this section by the continuous and heavy rains of the past few days.

Not only has it practically ruined all of the cut hay, but is also rapidly ruining uncut stands, for it (especially alfalfa) is said to be turning dark near the ground, and falling so badly that cutting will be a serious problem, if and when the rains cease.

In the very heavy and continuous rains of Friday night and Saturday, a large amount of wheat went down, and how much of it will straighten up is unknown, but many report that little, if any will do so, as the ground is so soft that it has been literally uprooted, rather than bent over.

The bean planting situation, too, is rapidly reaching the serious stage as the season grows late for planting and the fields remain unworkable. Many who have beans already in fear for them, too, since there is danger of their rotting, rather than growing.

Beans planted quite early, and now up an inch or two, are said to be doing nicely, however.

State, County Assist Drivers
State police and the sheriff's office will work hand-in-glove the balance of this month to accommodate Latah county motorists who must have new drivers' licenses by July 1st.

John Kinsella, state policeman, announced he had started writing the permits on the following schedule, which he will adhere to the rest of June: Mondays at Potlatch, Tuesdays at Genesee, Thursdays at Troy, Fridays at Princeton and Harvard, Saturdays at Kendrick and Juliaetta, and Sundays at Deary and Bovill.

Kinsella will be at Genesee, Potlatch and Troy from 10 a. m. to 6 p. m., and plans to split his days at Princeton and Harvard, Kendrick and Juliaetta, and Deary and Bovill.

Moscow drivers will secure their licenses at the sheriff's office.

"Come any time of day or night. We don't care, for we never close." Chief Deputy Ingvold Aas declared. He said the sheriff's office had done a "rushing business" the last two

days but that it had slacked off somewhat today."

Road Work Progressing
Road work is progressing nicely on the Texas Ridge WPA project, with the grade itself completely rocked, despite the inclement weather of the past few weeks.

The crew is now working on the top of the hill, and have at this time completed about 600 feet of rock work on the flat.

Approximately 3½ miles lie between the top of the grade and the end of the Kendrick Highway district, and of this about one-half has been graded in preparation for rock, but this work is being held up by a lack of culverts, which are expected to arrive any day.

Additional men have been received for this job, and it is hoped to complete the road before the project is closed down.

Pioneer Association Picnic

The Latah County Pioneer Association will hold its annual picnic and dinner at the City Park in Moscow, Sunday, June 15th, 1941, according to an announcement received from Judge L. G. Peterson, chairman of the program committee. The picnic dinner will be at noon. All should bring a covered dish and sandwiches. Coffee and cream will be furnished.

There will be a program at 2:00 p. m., consisting of a speech by Hon. Burton L. French; a speech by C. T. Stranahan of Lewiston, several musical numbers and community singing of several selections. All are cordially invited.

Anyone who has lived in this part of the Palouse country for more than 30 years is considered a Pioneer.

Take Delivery Of Plane

Mr. and Mrs. Clarence Hund of Kendrick Sunday took delivery of an airplane—a replica of the one in which they were married three years ago over Kendrick. But they won't be able to ride in this one. It is a model which the Schmidt Model Aircraft club at 904 Thirteenth avenue built to order.

The ship is an exact duplicate of the one which Bert Zimmerly piloted over Kendrick for the ceremony and was ordered by the Hunds as a keepsake in memory of their somewhat unusual wedding.—Lewiston Tribune, Sunday, May 8.

Bridge Bids Called For

An announcement has been made that bids for the construction of a new bridge near Kendrick will be called June 20, according to a recent news dispatch.

The new concrete, steel and wood bridge across Potlatch creek at the mouth of Wauncher gulch about a mile east of Kendrick on the Ah-sahka-Kendrick road will be 142 feet long, including wood approaches. The steel span of the bridge will be about 40 feet long. About 40 days work are expected to be required for its construction.

To Work At Store

Miss Barbara Long with be employed at Long's store during the coming summer season.

Tonsillectomy

Mrs. Ed. Halseth had her tonsils removed last Friday at the office of Dr. D. A. Christensen.

 Evening Worship at 8:00 p. m.
 Prayer meeting Thursday at 7:30.

Another "Two-For-One" Show
 At the Kendrick Theatre this coming week-end two shows will be seen, another "double feature."
 The first show will be "Robin Hood of the Peacos," a story of the old Southwest, the scene of action following on the heels of the Civil War. The cast is headed by Roy Rogers and his six-gun, and "Gabby" Hayes, a pair who need no introduction to the followers of western drama. And, then, of course, there is the usual love story.
 Next comes "Friendly Neighbors," with the Weaver family—June, Loen, Loretta and Frank—taking a heavy part (with Elviry). The picture is of the Ozark vintage, with the Weavers going wild when they run across crooked politics in the Ozarks.
 Then, of course, the usual cartoon will be shown.

Children's Day Program
 The Children's Day program will be held in the Community church on Sunday morning, June 15, at 11 a. m. All the parents are especially invited to be present.

Burdensome
 We will never permit funeral costs to be burdensome. Families can rely upon being properly guided in their selection.

GRAIN MARKET
 (Continued from first page)

reserves in the Canadian Prairie Provinces and improved prospects substantially. In Saskatchewan and Alberta local temperatures helped to conserve moisture supplies but the lower reading retarded growth somewhat. Wheat seeding is about completed and germination has been good with the average crop about five inches high. Some heavy hatching of grasshoppers was reported in Manitoba despite the cool and wet weather. Some wireworm damage is also reported.

Nearly complete unofficial returns indicate that wheat farmers on May 31 approved marketing quotas for the 1941 crop with an 80.8 percent favorable vote. Quotas will apply on all farms where wheat seeded for the 1941 harvest exceeds 15 acres, or normally yields more than 200 bushels, which ever is the larger. Farmers who have seeded within their allotments may market their entire production without penalty. Wheat produced on acres in excess of the allotment will be subject to a per bushel penalty of 50 per cent of the basic loan rate. A farmer who has wheat in excess of his allotment has the choice of paying the penalty on it, storing it under bond or delivering it to the government to supply relief needs.

Rains Close Mill
 The Thomas sawmill, which started its season's run last week, has been closed down temporarily, due to inability of trucks to operate and bring in logs.

The rains of the past few days have made quagmires out of the dirt roads and — no logs got in. With the arrival of better weather, however, work will again be resumed at the mill.

Undergoes Appendectomy
 Mrs. Fred Zimmerman underwent an emergency operation for appendicitis Tuesday afternoon at St. Joseph's hospital, Lewiston. She is getting along quite nicely at this time.

Breaks Arm
 The 4-year-old son of Mr. and Mrs. M. N. Benjamin, Southwick, had the misfortune to break both bones in his left arm last Saturday when he fell down a flight of stairs.

PINE CREEK GOSSIP
 Mary Riley visited Wednesday and Thursday in the Doy Tout home. Lewiston visitors Saturday were Carl Cox and Mr. and Mrs. Jack Bailey.

Mr. and Mrs. Alfred Swanson and "Curley" Hudson and Mr. Fennie visited Saturday in the Wm. Riley home.
 Mrs. Fred Bailey and Artalee visited Saturday in the Earl Hoffman home in Lewiston.
 Mrs. Roy Glenn visited Sunday and Monday with her father, who is ill.

Mr. and Mrs. Doy Tout and family and Carrie Riley visited on Sunday in the A. Riley home.
 Lella Riley visited Monday night with Artalee Bailey.
 Darrel Davis and Milton Wilken were in Clarkia Tuesday.
 Vivian Fev visited Tuesday in the Kirk Wilson home on Cedar creek.

John DeHaven visited Sunday in the Jack Bailey home.

TEAKEAN GOSSIP
 The rains are still coming. We are getting more of it than we feel we need.
 Mr. and Mrs. Asa Choate visited at the Merton Preussler home on Sunday.
 Mrs. C. M. Blackburn and Mrs. Chas. Pitcher of Cavendish were callers at the Wm. Groseclose home last Friday.
 Mr. and Mrs. Merton Preussler and children spent Monday at the Wilbert Poessel home.
 Bertha Harp has been in Orofino for some time. She has employment there.
 Elwood Brock and Clarence Glandin were Orofino visitors Monday.
 Elbert Herring is slowly improving from the gunshot wound in his foot. He gets about on crutches.
 Mrs. Elwood Brock and children spent Monday with Mrs. Eva Clanin.
 Mrs. R. E. Brock and children and Mrs. Orval Choate and daughter were visitors at the Wm. Groseclose home Sunday afternoon.
 Carroll Groseclose came home from Weippe last Friday. He will stay at home now, as his farm work will take all of his time.
 The strawberries are ripening here now, and those who have berries will be busy for a few weeks.

Cherries Hurt By Rains
 Damage described by growers and packers as "scattered" was inflicted on the cherry crop in the Lewiston area by the heavy rains over the week-end.
 Losses are reported to be severe in some orchards and sections of orchards and light in others. One packer said: "It is too early to give an intelligent estimate."

NOTICE FOR PUBLICATION OF TIME APPOINTED FOR PROVING WILL, ETC.
 In The Probate Court of the County of Latah, State of Idaho
 In The Matter of the Estate of Amos Moore, Deceased.
 Pursuant to an order of said Probate Court, made on the 11th day of June, 1941, notice is hereby given that Saturday, the 28th day of June, 1941, at 10 o'clock A. M. of said day at the court room of said court, at the Court House in the County of Latah, has been appointed as the time and place for proving the Will of said Amos Moore, deceased, and for hearing the application of Charles W. Moore for the issuance to him of Letters Testamentary, when and where any person interested may appear and contest the same.
 Dated this 11th day of June, 1941.
 L. G. PETERSON,
 Probate Judge.

Adrian Nelson, Moscow, Idaho, Attorney for Petitioner.
 First pub. June 12, 1941.
 Last pub. June 26, 1941.

TWENTY YEARS AGO
 (Continued From Page 1)

Leo Peters visited their aunt, Mrs. Virgil Fleshman, over Saturday and Sunday. J. M. Woodward has been building a lot of new fence, which improves the looks of his place wonderfully.

Big Bear Ridge—Miss Claribel Ingle came up from Clarkston on Saturday to spend several weeks with relatives and friends. Mr. and Mrs. Leonard Fairfield and son Roy of Potlatch ridge were weekend visitors with relatives here. Mr. and Mrs. A. N. Rogstad and children motored to Moscow Wednesday. Rev. P. Hesby and A. J. Aas were delegates to a Lutheran convention held in Spokane last week. Master LaVern Dahlberg of Deary is spending the week-end with his grandparents, Mr. and Mrs. J. J. Slind.

Linden Items—Mrs. Frank Abrams and children were Sunday visitors at the John Michael home. Mrs. Geo. Garner spent Saturday afternoon with Mrs. Gus Farrington. Claud Pipping and family of Cavendish spent Sunday at the McPhae home. Mrs. J. P. Alexander went to Winchester Monday to visit her son Clyde and family. Miss Anna and George Smith went to Moscow Monday. Anna will attend summer school in Lewiston and George will visit relatives for a few days, following their Moscow visit.

Leland Items—Work is going on on our new school building. Mr. and Mrs. Jesse Hoffman, Mr. and Mrs. Hall an dClaude, Mr. and Mrs. George Fleshman, Mr. Goudzward and children, took in the rose festival at Lewiston Friday. Mr. and Mrs. Claud Craig and Mr. Robbins are camping and fishing this week. Henry Koepf and wife visited the former's parents last week. Howard Smith drove to Moscow Thursday, accompanied by his mother and Mrs. J. A. Hall.

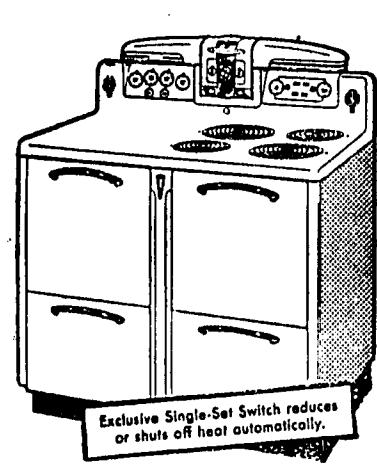

CRESCENT CLIPPINGS
 Mrs. Ida Greenwood and Mrs. Souders were visitors at Moscow on Friday.

Mr. and Mrs. Elmer Swanson visited Saturday at the Souders home.
 Kendrick visitors Saturday were Mr. and Mrs. Alfred Swanson and family and Mrs. Lena Swanson.
 Mr. and Mrs. Alfred Swanson and family were visitors in the Andrew Dorendorf home Sunday.
 Mr. and Mrs. Ben Baker, Robert Kimbley and Mr. and Mrs. Alva Craig and son spent Sunday with Mr. and Mrs. Ersie Hudson.
 Mrs. John Darby and daughter Diantha Jo left for Moscow Tuesday, where they will spend a week visiting at the Fred Darby home.
 Mr. and Mrs. Elmer Swanson were visitors at Orofino Monday.
 Miss Mary Loeser left for Kendrick this week, where she will care for Mrs. Candier.
 Mr. and Mrs. John Darby and daughters spent Sunday at the Arne Kloster home.

Receives National Award
 President Kinsey M. Robinson, and General Sales Manager R. B. McElroy of the Washington Water Power Company, were present at the recent Edison Electric Institute convention in Buffalo, New York, to receive the national water heating award for the second successive year and the second place award in the Hughes Electric Cookery competition on behalf of the Inland Empire's electric service company. The Hughes Award, comprised of a certificate and \$300 was presented by George A. Hughes, chairman of the Hotpoint company.
 The electric water heating award—a trophy and a check for \$500—is awarded annually to the utility which has done the most outstanding job in promoting electric water heating and was presented Mr. Robinson. Competition in both contests is open to all utilities.
 The cash awards, totaling \$800, have been turned over to the Washington Water Power Company employees' divisional funds.

When? Sunday, June 15th! What? Fathers Day!
 DON'T FORGET FATHER this year, because he is working day and night trying to raise a crop of whiskers that will be a credit to his family, friends and the community where he lives.
 GIFTS FOR HIM!

WE NEED MORE CONTENTED COWS
HAROLD THOMAS, Editor

EDITORIAL

Well Folks—Here it is the second week in June—and still it rains. Boy and man we've been in the Potlatch country for a good many years, and to our memory we've never seen anything like it. Maybe it will quit some day, however.

You know, we noticed something last week's issue of the Gazette—a "no quotes" on the price of beans. You never saw that on the price of cream, and you probably never will—so as a cash money producer your cows are something that is really worth deep consideration—for cash is king even in "Hitlerland," across the sea.

Bring in your cream to us, and see just how easily our cash spends.

And remember, there is no waiting, no fuss, no bother—and a steam sterilized can re-

turned to you—ready to use.

"So you and those neighbors are no longer on speaking terms? How does that happen?"

"He sent me a can of axle grease and told me to use some on my lawn mower when I started it at 6 in the morning."

"Well? What then?"

"Then I sent it back and told him to use some of it on his daughter's voice when she sings at 11 o'clock at night!"

Wife (meeting husband as he is trying to get upstairs quietly with shoes in hand): "Put on your shoes. I'm sick and tired of mending your socks."

"Why does a read headed girl always marry a quiet guy?"

"She doesn't. He just gets like that."

Sell us your cream. We pay cash.

Kills Albino Squirrel

Jack Kuykendall came into the Gazette office Monday morning with one of the original freaks of nature—an albino ground squirrel, killed by him Sunday.

This ground squirrel was of palest cream in color, with faint shadings of brown about the forelegs and neck, and its eyes were pink.

These freaks have been reported before, but this is the first time it has even been our pleasure to see one — and a real freak it is.

Installing Bowling Alley

Workmen have been busy this week installing a "Duck Pin" bowling alley for R. L. Blewett on the lot alongside of his store.

The outfit is portable, being built in sections, and housed in canvas, and will be stored during the cold months.

This new type of bowling has taken the country by storm, and will no doubt prove very popular here.

If you miss the big Fourth of July picnic, you'll always be sorry.

Naval Enlistee Writes

Corpus Christi, Texas
June 2, 1941

Kendrick Gazette
Gentlemen:

Today I received undoubtedly one of the most pleasant surprises a chap ever had, adequate news from home and a living, vital story of the lives of his friends. Thank you, gentlemen.

Always yours,
Garth Hill.

KENDRICK GARAGE CO.

KENDRICK, IDAHO

E. A. DEOBALD, Propr.

Garth Hill Writes To Callisons

King City, Calif.
May 30, 1941

Dear Mable, Norla and Nancy:

Every night of the past week I've intended to write you, but have postponed it till the next night, and so on. Since I wrote before I have been turned to duty, that is, recruit training is over. Most of Company A is spreading gravel on the road, and it sure is warm.

The last week of drill was sure a busy one. We went to Camp Roberts for target practice. We weren't shooting for records but tried to build up high scores. Most of the rifles had to be sighted in and most of the bunch lost points in the sighting in. My gun was shooting to the dot, though, and I came to camp with high score for the day—made 45 out of 45 in the rapid fire—9 shots in 40 seconds. In the rest of the shooting I lost 12 points out of 85 for a 73. Boy, these new Garand rifles are sure dandies. They use the same shell as the .30-06. The rest of the week was mostly lectures with demonstrations. First aid, camouflage, formal guard duties, extended order (combat) drills and several other kinds of stuff. The only thing I miss that we don't get now, is the morning exercises. They really pull the kinks out of a guy.

No, I didn't receive any Gazette. I'm not sure you mean, but suppose I am to get one?

All week the troops have been pouring in. Last Saturday there were a few, but now most of them are here. So many trucks are on the roads we can't work more than three or four minutes before we have to let some go by. I'm not sure, but I think I know where the camp is that Jimmy K. and Dale Hughes are. I'm going to see if I can find them this week-end. I'd go today, but have to go on guard tonight—a very delightful job—the second this week.

Mable, you wondered about the eats (chow in the army). Not so good. None too well prepared and small amounts. Everybody does a lot of grooving about the grub. In spite of the quality there seems to be some good in eating, because I am as fat as a hog! Have gained 15 or 20 pounds since April 1st. I'll find out in town tomorrow for sure.

I'll sure be glad when these maneuvers are over. The engineers will have to do a lot of night work—about two weeks of it. It will be pretty hot to have to sleep during the day. Most of the work will be road maintenance and bridge building. We have to work ten to 12 hours a day. Some Sargent is always trying to get the crews to work faster—but that is his job.

Some of the three-year men are going to Hawaii the 5th of June. I hope that no draftees have to go. I would rather be in Vancouver. The one that are going sure hate it.

I guess I better close this letter. Will be looking for one from you.

Always yours,
Garth Hill.

See Me Now For
HAIL, FIELD GRAIN, CAR, TRACTOR AND COMBINE INSURANCE
MARVIN LONG

As you evidently know, I am in Corpus Christi, a city of some 90,000, in the company of some 2,500 other young men, learning to fly everything that has wings, from a Steerman Trainer, which is used by both the army and navy in primary work, to scouting planes, observation ships, dive bombers, torpedo bombers, Grumman fighters, which are fast single-seat jobs, up to patrol boats and the navy's flying fortress.

Last week "Colliers" carried an interesting article on the air base here. It's the largest in the world and the finest. The navy has two other training bases, one at Pensacola, Fla., and another in Jacksonville, Fla. I've seen all three since I've been in the navy. I was stationed in Jacksonville for three weeks, and stopped over in Pensacola, en route here. These bases and the work they are doing, along with similar and ever larger scale activities being carried on by the army, are an adequate answer to any questions anyone might have in regards to the ultimate survival of democracy.

By the way we're only allowed four beers a week, two on Saturday night and two on Sunday, for alcohol and aviation don't mix. To anyone with a taste for malted brew, that hurts a bit. However, it's a grand life, and a mighty interesting one, and thanks again for my copy of the Kendrick Gazette.

George Davidson.

P. S.: Here's a clipping from the Corpus Christi Times, Mac, that reminded me so much of your sheet I tore it out.

"Unless thundershowers strike again, the afflicted areas will be nearly all drained by late tomorrow, it appeared."

"Loss is expected to be thousands of dollars. The flood struck three of the finest residential districts in the city, and most of the damage there will be to landscaped yards."

I've been here seven weeks and we have had 28-inch of rain all in that time. Tell that one to the dry farmers!

Army To Get 252 Idahoans

Idaho was ordered June 9 to furnish 252 men for selective service army training in July, bringing to nearly 2,500 the number of Idahoans called into the army since last October.

The call, Lt. Col. Norman B. Adkinson said, is expected to be the only one for July.

The men will be inducted July 7-11-91 from north Idaho at Tacoma and 161 from south Idaho at Salt Lake City. Virtually all of the state's 48 boards will be given a quota, Col. Adkinson stated.
