## WHAT HAPPENED HERE 20 YEARS AGO THIS WEEK

The present outlook for splendid crops in the Potlatch is very encouraging. The abundant rain of last week came just in time to bring the winter wheat through the ripening process in fine shape and to give the spring wheat a fresh start. While some hay was damaged slightly, the benefit to the wheat crop will many times more than offset the injury to the hay. Farmers generally throughout the Potlatch feel very optimistic about their crops. The only thing they are worrying about is the price this fall. With a fair market there is no reason why they should not attain a good degree of prosperity.

The town of Kendrick played the part of the genial host to a multitude during the Independence Day celebration and it is doubtful if there could be found a more genial multitude than the one which gathered here to be entertained on that day. At 8:30 in the morning it looked as though none of the hundreds of invitations sent out in the form of circulars had reached their marks, but in less than two hours a crowd, conservatively estimated at four thousand, was watching the Calithumpan parade from every point of vantage. Old-timers, who have been in and around Kendrick for more than thirty years declared emphatically that no crowd of similar proportions had ever gathered here before. W. F. Morgareider of Moscow was the speaker of the day. A big pavilion dance was given by the members of the American Legion, just preceding the dance, in the evening, a wrestling match between "Bill" Mielke and Orphie Hupp was conducted at the pavilion as one of the features of the day. A packed house was assembled to see the outcome of the contest and rooted vociferously for their favorite. The superior weight and strength of Mielke finally won over the skill and experience of Hupp, the fall being obtained in a little over 30 minutes. These athletes are opponents of long standing and their victories have alternated during the past five years.

It was estimated that not over half a dozen people from Moscow attended the Kendrick celebration, while close to 200 came up from Lewiston.

Real transfers of the past week include the purchase, yesterday, of the W. W. Wilcox property by Andy Wilcox. F. W. Wilcox acted as the agent in the deal. Mr. Wilcox will take immediate possession and expects to move into his new residence at once. Vacant houses are few and far between in Kendrick and the safe way to hold onto a home seems to be the outright purchase of the property.

Mrs. A. Carlson of Spokane is spending the week at the home of Mr. and Mrs. A. W. Ahl.

Mr. and Mrs. James Kaylor of Peck arrived here last Saturday to spend a few days with Mrs. Kaylor's parents, Mr. and Mrs. Frank Benscotter, Sr., on American ridge.

F. A. Zoyer, better known here as "Rip," writes from New Ulm, Minnesota, that when he has made his "stake" he is coming back to Idaho. He said in part: "You perhaps have heard that a fine wheat country this is. Well, it's all bunk—six and seven bushels to the acre last year. When I told them how much wheat they raised on an acre in the Big Potlatch, I nearly got mobbed."

Some people are blaming prohibition for the large acreage of corn in the Potlatch.

Mr. and Mrs. Ralph Knepper and family left yesterday for Boise, where they will visit Mr. Knepper's parents. There were accompanied by Dr. and Mrs. Weniger and son George. The trip will be made by auto over the state highway, which, although not finished, is open to travel.

Linden Items—Miss Vergie Allen, formerly of this place, but now a resident of Los Angeles, met with a painful accident recently. As she stepped off a street car she was knocked down by a Ford delivery car, causing two broken wrists and a cut on the head.

Mrs. P. Alexander entertained her Sunday school class of 20 little folks at a lawn party from 2:00 to 5:00 Wednesday afternoon. Refreshments consisting of popcorn, ice cream and cake were served and the children returned home expressing themselves as having had a wonderful time.

Mr. and Mrs. A. L. Longfellow and little son have arrived to spend the summer at the home of his parents, Mr. and Mrs. A. W. Longfellow.

Mr. and Mrs. Frank Starr returned from Long Meadow Wednesday, where he has been working in a sawmill for the past three months.

Mr. and Mrs. Harry Langdon and children of American ridge spent the Fourth at Linden. Messrs. Carr, H. O. Hunt and A. Alexander attended the celebration at Kendrick.

The Misses Eva and Anna Smith and Jas. Smith spent Monday in Moscow with Miss Leah.

Big Bear Ridge—Miss Claribel Ingle of Clarkston spent the week-end at home. Benny Price of Spokane is spending the week at the O. H. Forest home.

Miss Olive Mory came home from Spokane for a visit with her parents.

Miss Helen Slind is spending the week with her sister, Mrs. H. Dahlberg, in Deary.

Mr. and Mrs. H. O. Field and son Lief, of Moscow, were weekend guests at the A. Hooker home.

Mrs. Ed. Halseth and children and Miss Tera Halseth are spending the week at the Pete Halseth home near Deary.

Rev. and Mrs. P.

## Defense Bond Quiz No. 2

Q. What is the price of a Defense Savings Bond?

A. For the smallest bond you pay \$18.75. The bond will increase in value in ten years to \$25. For \$75, you get a bond which will increase to \$100; other bonds are in proportion.

Q. What will the government do with the money I pay for my bond?

A. Your money will be put to work at once in the National Defense Program to protect the freedom and safety of the United States and of all its people everywhere.

Note—To purchase Defense Bonds and Stamps, go to the nearest post office or bank, or write for information to the Treasurer of the United States, Washington, D. C.

## ITEMS ABOUT KENDRICK FOLK AND THEIR FRIENDS

Mrs. M. V. Thomas went to Spokane Wednesday for a visit in the home of her son, Walter Thomas, and family.

Mrs. L. J. Herres went to Spokane Saturday for a visit with her daughter and son-in-law, Mr. and Mrs. Jack Johnston, and her granddaughter, Jerry Herres, who is in Sacred Heart hospital, recovering from a long illness.

Mr. and Mrs. R. E. Clouse, Mr. and Mrs. Alvin Tweedy and Mrs. Harold Crawford and children of Clarkston and Mr. and Mrs. Wallace Emmett were dinner guests at the James Emmett home the Fourth.

Mr. and Mrs. R. E. Humphrey and family of Pateros, Wash., Mr. and Mrs. Willis Humphrey of Seattle, Wash., Mr. and Mrs. Russell Humphrey and family of Lewiston Orchards and Roy Humphrey of Azwell, Wash., were Friday and Saturday visitors at the Eva Perryman home.

Tom McAllister of Chatcolet, Ida., spent a few days visiting Quintin Perryman.

Mr. and Mrs. A. E. Robbins of Juliaetta spent Saturday visiting in the A. C. Deeter home.

Mrs. Arlos Crocker and children are spending the week at the James Benjamin home on Little Bear ridge. Mrs. Letha Kuykendall and son Stanley were Lewiston visitors on Tuesday.

Mrs. Lester Crocker and children accompanied Mrs. Lowell Mason to Lewiston Tuesday.

June Blewett of Orofino spent the week-end in the R. L. Blewett home.

Mr. and Mrs. Willard Eichner and children of Sprague, Wash., spent the Fourth with the W. A. Watts family.

Mr. and Mrs. H. B. Thompson of Colfax, and Miss Mary Elizabeth Thompson spent the Fourth here visiting with the L. D. Crocker family and with other friends.

Mr. and Mrs. E. R. Porter were visitors in her father's home. Mr. and Mrs. James Emmett Friday.

Mr. and Mrs. P. E. Stookey of Lewiston were Sunday visitors with Mr. and Mrs. James Emmett.

Mr. and Mrs. Philip Asplund and family, who have been visiting her parents, Mr. and Mrs. E. H. Dammarell in Walla Walla, stopped here Wednesday to spend the day with Mr. and Mrs. Edgar Dammarell and family, on their way to their home at Elk River.

Paul Dammarell of Orofino spent Wednesday in the Edgar Dammarell home.

Mr. and Mrs. Wm. McCreary and children, P. C. McCreary and Mrs. Laura Schooley spent Sunday in Spokane visiting in the F. E. Griffith home.

Mr. and Mrs. Lowell Mason and son Jimmy spent the afternoon of the Fourth in Moscow, enjoying a family picnic.

Mrs. Laura Emmett spent from Wednesday until Monday in the Edgar Long home.

Nels and Engel Swenson of Genesee were visitors in Kendrick on the 4th, visiting for a short time with an old-time acquaintance, P. C. McCreary.

Walter Thomas and family from Spokane were in Kendrick the 4th and over the week-end, visiting Mr. Thomas' mother and brother and family.

Mr. and Mrs. Allan Zell and family spent the Fourth and the week-end with Mrs. Zell's parents, Mr. and Mrs. Thos. McDowell.

Mr. and Mrs. M. C. Grover of Moscow were Kendrick visitors the Fourth. Mr. Grover was connected with the agricultural department of the Kendrick High school under the Smith-Hughes act from 1934-36.

Mr. and Mrs. J. M. Lyle and family of Boise were Kendrick visitors for a short time the Fourth, on their way to a family picnic on the North Fork.

Mrs. Eva Thompson, Orofino, was a Fourth and week-end guest at the E. A. Deobald and Otto Schupfer homes.

Mr. and Mrs. Roy Edward Thompson of Moscow spent the Fourth and the week-end here with relatives.

## Entertain At Dinner

Fourth of July dinner guests of the Misses Ernestine and Elberta Kuykendall were the Misses Irene and Reva Schoeffler, and Donald and Earl McIver, Jay and Tyler Mills.

Hesby and children of Deary spent Sunday afternoon with friends here.

Ingvald Aas of Culeasac spent the week-end with his father here.

## KENDRICK'S CELEBRATION OF 4TH IS REAL SUCCESS

The Fourth of July celebration put on this year by the Kendrick Commercial club, proved to be a real success in every way — with perfect weather giving the final touch of success.

The crowd, which came from as far away as Spokane, expressed itself very freely — and every single one reported a very fine time.

The official count of cars, made by Edgar Dammarell, in which he eliminated all known cars of Kendrick residents, showed a total of 730 parked on and about Kendrick's streets. It is believed that at one time still more were here, since the counting was made about 1:30 p. m., and some are known to have departed following the parade.

However, with an allowance of four persons to the car, plus local residents, the number in Kendrick (round figures) was 3,400 people! Cars were present from Spokane, Colfax, Oakesdale, Pullman, Moscow, Uniontown, Genesee, Grangeville, Weippe, Pierce, Orofino, Peck, Cottonwood, Craigmont, Culeasac, Lapwai, and all the surrounding towns of the Potlatch section.

In fact, so large was the crowd that local places of business, open for that day, were taxed to capacity to handle their needs, both for food and drink, and the concessions did a rushing business as well.

The program of the day, which began at 10:00 a. m. under the direction of Marshal of the Day John L. Woody, and Official Announcer Roy Glenn, moved like clock-work. The parade, under the direction of Geo. P. Barnum, assisted by Tom Long, was truly a fine one, and many people were heard to remark: "I've seen every Fourth of July celebration Kendrick ever put on, and that was the best parade." It was truly a Pageant of Progress, from the day of the Indian, the freight wagons and the white man, the pack string, and old-fashioned equipment, down to the very latest in cars, trucks and farming machinery.

First prize went to Jesse and John Michael, who rode in an immigrant wagon, which crossed the plains in '89. With them rode an old grain cradle and the long-barreled rifle of that day. Their entry was carried on Lester Weaver's truck — and to add the final touch of authenticity Jesse Michael is 86 and John Michael is 84.

Second prize in the parade went to the Lewiston Grain Growers, who entered a historical float, featuring an Indian woman in a boat.

Third prize went to Silvie Cook for his impersonation of Abe Lincoln.

At 11:00 a. m. there was a short musical program, followed by an address by the Hon. Burton L. French, professor of law at Miami University, and as Mr. French is really an old-timer of the Potlatch section — and knew personally nearly all present, it added all the more to a really fine and enjoyable talk.

At 12:00 noon to 1:30 p. m. came the intermission, with a business meeting of the Kendrick Pioneer association at their special park tables the main feature of the noon hour. We regret being unable to contact the secretary of that organization for authentic information, but as near as we have been able to learn S. S. Taber of Juliaetta was the oldest settler present, having come to this section in '77. The one corner the furthest was the speaker of the day, Burton L. French of Oxford, Ohio. Oldest in point of years were Burton J. Davis and C. C. Catlett, both of whom are 92 years old. Others worthy of honorable mention were Mrs. Al. Roberts, 84 years old, who was one of the first on American ridge, and Doctor Watts, also a very early American ridge settler, who is now 88 years old, and who is believed to be the oldest active medical practitioner in the United States, having been in this work continuously for 67 years. There are doubtless many others who should be mentioned in this article, but as authentic information is lacking, we cannot accurately do so.

At 1:30 p. m. the program of sports began on Main street, with the following winners of events as shown on the program:

Girls' 50-yard dash, eight years or under: 1st, Hermina Meyer; 2nd, Gwendolyn Cook.

Boys' 50-yard dash, eight years or under: 1st, Allan Whitcomb; 2nd, Jimmy Sather.

Girls' 50-yard dash, 8 to 12 years: 1st, Linda Parks; 2nd, Elsie Kruger.

Boys' 50-yard dash, 8 to 12 years: 1st, Robert Jones; 2nd, Gilbert Candler.

Girls' 75-yard dash (13 to 18 years): 1st, Jane Peters; 2nd, Nola Whybark.

Boys' 75-yard dash (13 to 18 years): 1st, Jim Bramblet; 2nd, Francis Wittman.

Girls' 75-yard dash free for all: 1st, Jane Peters; 2nd, Mrs. Gerald Schmidt.

Men's 100-yard dash (free for all): 1st, Howard Snell; 2nd, Ed Mielke.

Fat Women's Race—50 yards: 1st, Ida Dorendorf; 2nd, Olive Smith.

Fat Men's Race—50 yards: 1st, James Kingon; 2nd, Virgil Freshman.

Horse Shoe Pitching Contest — 12 shoes pitched at peg: 1st, Chuck Leavitt; 2nd, Theo Meske, Henry Meske, R. L. Blewett (money split).

Potato Race: 1st, Colby Eberhardt; 2nd, Norman (Porky) Fry; 3rd, Donald Riley.

At the baseball park at 3:30 p. m. a double-header was played in the softball program. In the first game Cameron beat the Kendrick

## COMMERCIAL CLUB MEETING HELD MONDAY EVENING

A meeting of the Kendrick Commercial club was held in the band stand of the City Park Monday evening of this week. It was the regular meeting night, but owing to the members being so busy pre-viously on Fourth of July work, no dinner was attempted and the meeting was one of strict business.

Following the reading and approval of the minutes of the previous meeting the co-ordination and allowance of Fourth of July bills was taken up, and final reports on receipts and expenditures examined. All these met with the hearty approval of the club, including the report of the dance, which showed a total of 210 tickets sold.

Following this business came committee reports. N. E. Walker of the Highway Committee reporting work on the Texas Ridge WPA project as proceeding, but greatly slowed down, owing to a lack of man power. He stated, however, that should the man power drop below WPA requirements, it was hoped to finish the project from the funds of the Kendrick Highway District, sponsors of the project.

F. M. Long of the Fish and Game committee made a brief announcement regarding fishing, stating it was "punk," owing to the moon being "wrong" and to riley water. He also stated that reports coming in of many young birds gave promise of better hunting this fall.

N. E. Walker read a report on the North Idaho Chamber of Commerce meeting at Bonners Ferry last month, and announced the fall meeting was to be held at Wallace. H. C. Schupfer and N. E. Walker reported on the special committee appointed to look into the feasibility of a path from behind the telephone office to a point near the C. H. Daugherty residence, reported they had gone over the route with two members of the Village council, and that the route appeared feasible, and that it was hoped that the Village council would proceed with the work.

This was the regular night for election of officers, but as the work for the Fourth and the departure of Wm. Gray, the president of the club, had rather thrown things off schedule, the election was postponed until next meeting night, with A. O. Kanikkeberg, L. S. Thurber and W. L. McCreary appointed as a nominating committee, to report at the next meeting, when the election of president, vice-president, secretary and treasurer would be held.

There being no further business to come before the club, on motion it adjourned, to meet again on Monday evening, August 11.

## Stork Shower

Mrs. W. B. Deobald and Mrs. L. D. Crocker entertained in the latter's home last Wednesday afternoon honoring Mrs. Silvie Cook at a stork shower.

Bridge and pinocle were the games of the afternoon, with Mrs. R. L. Blewett receiving high for bridge and Mrs. Ira Havens for pinocle.

At the close of the games Mrs. Cook unwrapped her many lovely gifts. A dainty luncheon was served at the close of the afternoon.

Those present were the Mesdames L. J. Herres, George Leith, Edgar Long, A. O. Kanikkeberg, W. A. Watts, D. A. Christensen, J. M. Lyle of Boise, Laura Schooley of Seattle, R. L. Blewett, Wade T. Keene, E. A. Deobald, W. L. McCreary, Silvie Cook, Marvin Long, C. W. McKeever, Tom Long, Andrew Cox, Herman Schupfer, Hiram Galoway, Ira Havens, Harry Ameling of Tucson, Ariz., Frank Curtiss, Harold Thomas, Lester Crocker, Lowell W. Mason, Roy Ramey, Eben Adams, Moscow, and Miss Rllia Davidson.

Bean Growers, and then took on Blewett's Market, who in turn defeated Cameron — so just who may be the Championship team is still a matter of deep conjecture.

These games concluded the athletic and sports activities of the day, and all returned to the City park, where a short band concert was given, a portion of which was rendered by the Boy Scout Five and Drum corps, and as a special attraction, Burton J. Davis, 92 years old, and a famous old-time fiddler, gave a number of selections on the violin.

Activities of the day then were adjourned until 9:00 p. m., when the dancing began at the big high school gymnasium.

At midnight, at the gymnasium, an intermission was called, and the "Whisker Raising Contestants" called to the stage, where they paraded before the judges (Misses Myra Kanikkeberg, Barbara Long and Anne Deobald), who, after a brief discussion, settled on Virgil Dickinson, 3rd, Elmer Lohman, 2nd; Silvie Cook, 3rd. Dancing was then resumed and continued until after 1:00 o'clock.

Local residents made it a point to ask as many as possible how they liked the day, and the replies came as follows: "Best time ever," "Dandy celebration, hope you put on another next year," "Had a fine time, you people do it up right," "Best celebration I've ever seen in Kendrick, and I believe I've seen them all, do it again," etc. Not one party contacted but what reported a good time.

The approval given speaks well for a celebration of this kind, and we believe that all the committees in charge, in every way, are to be highly complimented on the success of this day.

## Three Injured In Accident

Arlos Crocker, Kendrick; Everett Farrington, Southwick, and Chester Davis, Juliaetta, were taken to St. Joseph's hospital at about 8:30 last Thursday night, July 3, after their car went into a ditch at the west end of the Clarkston golf course, according to Loy Kenedy, state patrolman for Asotin county. All suffered cuts and bruises with Farrington sustaining the worst injuries. None was seriously hurt.

Kenedy said they were traveling from Hermiston, Ore., toward Clarkston and went off the road into a deep ditch where the old and new Clarkston-Pomeroy highways form a Y. The car was heavily damaged. Reason for the crash was not ascertained.

## NEW MILITARY TRAINING CLASSIFICATION RULING

A new ruling which applies to future classification of married men or men with minor children, and directs reconsideration of the cases of all such registrants who are in class 1-A, has been made by the National headquarters, selective service, according to a memorandum received by Brig. Gen. M. G. McConnell, state head.

The memorandum directs that "all selective service registrants with one or more dependents, to whose support they make 'any substantial contribution' should be deferred from military training. The only exception to this general rule is that of a registrant who was married after the date he was required to register and cannot prove that this new status was acquired 'in a manner consistent with the ordinary course of human affairs' and not in order to provide basis for a deferment claim."

Pointing out that selective service regulations require the local board to determine all such cases with sympathetic regard for the registrant and his dependents, and to resolve any reasonable doubt in favor of deferment, Gen. McConnell quoted the memorandum as instructing:

"Registrants whose wives work and contribute to the support of the home may not for that reason alone be denied deferment."

"Local boards should remember that every husband is under legal obligation to support his wife and children and that obligation is not removed because the wife has chosen to aid in the family maintenance. The term 'support' in a reasonable manner" as used in selective service regulations should be construed to include any substantial contribution to the support of a dependent.

"The newly married registrant has the same general right to deferment as any other married registrant. Neither the law nor the regulations place any limitation of the time beyond which the registrants may not in good faith assume obligations to dependents."

"Regulations provide that 'such person (a dependent) as the time the registrant is classified, must depend in fact for support in a reasonable manner, in view of such person's circumstances or income earned by the registrant.'"

## New Deferment Ruling

"Instructions to defer all men from the provisions of the Selective Training and Service Act of 1940, who have attained the age of 28 on or before July 1, 1941, are being wired to all local boards in Idaho," Lt. Col. Norman B. Adkinson, executive director of the state, says.

In explaining this action, Col. Adkinson quoted from a wire just received from Brig. Gen. Lewis B. Hershey, deputy director of selective service, who said:

"Congressional leaders have now publicly stated that there is no difference of opinion as to the merits of the age provisions of the bill to defer men who have attained the age of 28 years on or before July 1, 1941. Congressional leaders have requested the deputy director to take immediate action with respect to the deferment of such men."

Col. Adkinson pointed out that as the bill is now written, men who are affected will be subject to a discharge if inducted on or after July 1. He warned: "Since induction of such registrants affected by this bill would create great difficulties in returning them to their civilian status, it is necessary that the induction of such men shall be postponed for a period of 30 days pending final action on the bill. In the event that the bill is not passed, such men will be inducted in the normal manner upon the expiration of postponement."

## Show Rare Flower

Dr. and Mrs. D. A. Christensen held open house Tuesday evening, exhibiting a very rare plant bloom, the "Night Blooming Cerus."

This rare plant exhibits in bloom but once a year, blooming at night, and the flowers last but a few hours. In fact, so rapidly do they open that the movement of the petals in the flower as they unfold are visible to the eye.

The flower is a long pear or horn-shaped exhibit, the outer petals being narrow and of a golden pink, the center, or main group of petals are of purest white, and the stem heart of the bloom is also of purest white.

When fully opened the flower measures about five inches across, and about six inches in length. The stems are about 10 inches in length. These blooms, as previously stated, are beautiful indeed, and their rare beauty makes up for their extreme slowness in coming to flower.

## DOMESTIC WHEAT MARKETS LOWER AND UNSETTLED

An unsettled tone prevailed in domestic grain markets during the week ending July 3, according to the United States Department of Agriculture. Conflicting ideas as to wheat price fixing efforts together with uncertain fluctuations in most commodity markets were the principal contributing influences to an unsettled wheat market. Crop news for the most part remained favorable and private crop reports issued as of July 1, forecast a total U. S. wheat crop of 889,000,000 bushels.

The winter wheat harvest made good progress with no general rain in the main belt. Cutting was in full swing in the great plains as far north as southeastern Nebraska. Disappointing yields were reported in portions of Oklahoma and Texas as a result of previous heavy rains. High temperatures are causing rapid ripening in the northern Ohio Valley and parts of Montana. Spring wheat made excellent growth with rains beneficial in northern portions of the belt.

Pacific Northwestern markets were lower along with other important domestic markets. In the cash market at Portland, prices on the principal classes of wheat were 2½¢ to 4¢ per bushel lower compared with a week ago. Demand from all classes of buyers at Coast terminals was rather slow and offerings by growers at country points were very light. The flour indemnity program was extended for another year and sales during the past week were good, totaling about 50,000 barrels, of which about two-thirds went to the Philippines. Indemnity payments were unchanged at 60¢ to the Philippines and \$1.35 per barrel to the Americas. Carlot receipts of wheat for the past six days at Puget Sound and Columbia river terminals totaled 606 cars, largely representing deliveries on earlier sales and shipments for terminal storage to make room for the new crop at country points. Wheat millfeeds markets were holding very firm at recent advances. Crop prospects continued generally favorable in the Pacific Northwest. Winter grain is ripening slowly and in most cases filling well. There has been additional lodging and some local damage by hail in Oregon. Some barley has been cut and the harvesting of wheat has begun in some parts of central Oregon with good yields reported. The outlook for spring grain is fair to good in Oregon producing areas. Warmer weather is needed for corn. Pastures are the best in years at this season and the condition of livestock is good to excellent.

Cash wheat quotations at Portland on July 3, basis No. 1 bulk, 15 day shipment showed (bid prices on the Portland Grain Exchange) soft white, 89¢; the same, with Rex wheat not applicable, 92¢; white club 93¢, western red 93¢.

The San Francisco wheat market remained firm during the week ending July 3, with light offerings tending to offset the rather slow demand. Recent sharp price advances were well maintained in the local market despite declines in northern eastern areas. Harvesting made good progress and has become quite general in the Sacramento valley and coastal counties, but growers continued to market supplies very slowly. Both mills and feeders were turning more to intermountain wheat, which was in liberal supply at relatively lower prices than local wheat. Pacific Northwestern offerings were in somewhat more liberal supply than in other recent weeks but price declines were not sufficient to permit any important movement to the Bay region.

Quotations, basis No. 2, Ogden mills, July 3, showed: dark hard winter and dark northern spring, 91¢; hard winter and northern spring, 84¢; hard white, 88¢; soft white, 89¢; western white, 87¢ per bushel.

Although marketings of new wheat showed a day to day increase over the previous week, the volume was held down considerably by heavy general rains in the main producing areas of Kansas. For the holiday-shortened week-end, Kansas City reported receipts totaling 4,566 cars compared with 4,569 the previous full week and 7,631 in a short week a year ago. A slightly larger percentage of the receipts appeared for sale in the open market than was evident a week ago, but it was apparent that at least 75 to 80 percent of the arrivals went into storage for either commercial account or to be held for federal loans. Most of the new crop grain offered on the open market graded No. 2 and No. 3 on test weight and with the wet harvest conditions, moisture percentages were expected to increase in the next few days.

Receipts of cash wheat were again large, with Minneapolis taking in 3,310 cars and Duluth 1,728 cars. The movement of cash wheat to the Minneapolis and Duluth terminals has been of huge proportions during the past few weeks, which made for record arrivals for this time of year. Although much of this wheat went into storage for the account of a government agency, offerings in the open market increased sufficiently to weaken premiums about 1¢ per bushel.

Flax prices went into a downward reaction following the rapid advance of the week before. The country was inclined to sell remaining supplies at present levels and there was some liquidation of speculatively held futures. Minne-

### PREPARATIONS FOR WHEAT LOANS NOW BEING MADE

Preparations to make loans on 1941 wheat were being made by the agricultural conservation committee this week, as harvest neared in Latah County.

Loans on 1941 wheat, made under the 85 per cent of parity loan law enacted by Congress in May, are expected to average 87c a bushel for No. 1 soft white, in Latah county. This is 32c more than the county average loan rate for 1940.

The loans, made possible by approval of marketing quotas in the May 31 national referendum, are obtained through the county AAA office, and may be made through approved local lending agencies. The loans are available to all farmers who participate in the 1941 farm program. Non-cooperators may obtain loans on wheat produced above their farm marketing quotas at the rate of 60 per cent of the regular loan rate.

Meanwhile, Latah county committeemen and AAA workers are studying application of marketing quotas to wheat farmers in the county, and are prepared to issue "White Cards," permitting marketing of wheat without marketing quota penalties, to farmers who planted within their 1941 wheat allotments.

Farmers who overplanted their 1941 wheat allotments are required by the marketing quota provisions to take care of wheat grown on the excess acreage in one of three ways. They may (1) turn it over to the Secretary of Agriculture through the county AAA committee; (2) store it, giving security in one of several ways for later payment of penalty and obtain a 60 per cent loan on it if they wish; or (3) pay the marketing quota of 49c a bushel on it to the county AAA committee. When the "hot" wheat is taken care of, a "white card" will be issued by the county committee indicating the rest of the farmers wheat may be sold without penalty.

County and community committeemen and the county agricultural conservation office at Moscow, Idaho, will assist all farmers in understanding the marketing quota provisions. H. F. Koster, county committee chairman said this week.

### Hold Family Reunion

A family reunion was held July 4th at the H. S. Weaver home at Linden, when all of his children were home with the exception of one daughter, Mrs. James Farrington, who is in Georgin, Alabama. This was the first time in 35 years that the four eldest children have been together.

Those present were: Mrs. Walter Hunt, Kendrick; Mr. and Mrs. Ray Weaver and son Ira of Proctor, Mont.; Mr. and Mrs. Clifton Aber and children, Raymond, Margaret, Ruth and Billie of Clymer, Penn.; Mr. and Mrs. Clarence Holdridge and son Jerry of Talent, Oregon; Clark Myers of Park, Idaho; Mr. and Mrs. Adolph Dennler and children, Kenneth and Linett, Juliaetta; Mr. and Mrs. Lester Weaver and sons, Rodney and Theodore, Mr. and Mrs. Ellsworth Weaver and daughter, Patricia, Mr. and Mrs. Lester Riddle and daughter Lois, Troy, Idaho; Mr. and Mrs. Horace Rainey and daughter Aletha, Mr. and Mrs. Sanford Weaver and sons, Elmer and Larry, Mr. and Mrs. Walter Waltz and son Jackie, of Talent, Ore.; George Dennler and daughter Frieda, Juliaetta, the host and hostess, Mr. and Mrs. H. S. Weaver, and their children at home, Omie, Pearl, Clarence, Stella, Dayme and Alex. In all 48 were present.

All reported a most delightful day, for it is not often that a family of this size can be brought together, even for a day.

### Suffers Broken Ankle

Mrs. Effie Wright had the misfortune to break both bones in her left ankle last Sunday. She was out gathering up some little furbies, when a loose ram spied her in this stooped position and charged her. She was thrown in such a manner as to break her ankle.

She is now at the Silvie Cook home.

### New Arrivals

Mr. and Mrs. Ed. Powers of Juliaetta are the proud parents of a seven pound daughter, born to them on July 6.

Mr. and Mrs. Conard Kahler are entertaining a new arrival in their home, weight 9½ pounds, born to them July 9.

### IDAHO'S USO QUOTA IS \$9,647.00—DO YOUR SHARE

San Francisco.—The huge total of \$7,500,000 was reported today as having been received at national headquarters of the United Service Organizations, with the Pacific Coast region approximately at the half-way mark in its appeal for \$1,250,000. The national quota is \$10,765,000.

Dividing into areas, the Pacific region figures were credited as follows: Southern California, \$243,233; northern California, \$200,175; Washington, \$25,112; Oregon, \$23,760; Idaho, \$9,647; Nevada, \$3,570. Many communities in this and other areas have already passed their quota, while in other centers the appeal has been extended due to lateness in starting the drive. When these local drives are completed, the national quota will undoubtedly be filled, USO leaders declared.

Outstanding among recent large gifts to the fund for soldier-sailor recreation and morale building, was one of \$100,000 from Edward G. Robinson, noted film and radio actor. The big contribution was announced during the greatest show ever presented for such a cause in the Hollywood Bowl on Sunday, June 29. This places the actor in the top category of donors.

Another leading feature of the USO activity is the proffer of many songs to be dedicated to the cause. Song writers are offering royalties from their works to the USO. Among these are Beatrice Clifford, who composed the music to "Our Flag Flies High," and Ina Drake Sweet, who wrote the words to the highly patriotic song, "Dick Aurdant of San Francisco" has introduced another patriotic song entitled, "There'll Never Be a Blackout of Democracy." Collaborating on the words was Ethel Jane Fox. This song was adopted by the Pacific Coast USO radio committee as the USO theme song for this territory and it has been enthusiastically received on several programs. The publishing firm of Melody Moderne, Berkeley, Calif., has asked USO to accept assignment of all royalties from another song bearing the title, "Land of the Free."

At the time of Actor Robinson's gift was announced he appeared before the 30,000 gathered in Hollywood Bowl and issued a statement remarkable for its modesty and simplicity, as follows:

"The army, naval and marine bases are full of boys who have given more. They've given their freedom for an indefinite time; they've given up their own revenue from civil life and they've offered to risk their lives so that we can remain a free people. I just made a small down-payment for the privilege of being an American."

### Correspondents Busy

We realize as well as our readers, that correspondence is rather shy in our columns this week, as it has been for the past two weeks, and will probably be for a few weeks to come — but our correspondents must of necessity live in the country and since this is the busy time of year for country folk, you can readily understand why this type of news, as well as other kinds, may be shorter than usual.

We beg your indulgence — when the rush is over the news will again appear.

### Entertains On Birthday

On Saturday, July 5th, Mrs. Geo. Brocke entertained a group of her young son, Gene's, friends, honoring his 10th birthday anniversary. Present were Douglas and Charles Christensen, George Knox, Maurice Long, Chas. Ameling, Frank Dammarell, John Deobald, Jimmy Aiken, and Dick McCall.

The afternoon was spent in playing games, followed by the serving of refreshments dear to the small boy's heart.

The little guests reported a very jolly time.

### Birthday Party

Mrs. Walter McCall entertained a group of little boys Monday afternoon, honoring her little son, Bobby's seventh birthday anniversary. Games were played, after which birthday cake and ice cream were served. Those present were Douglas and Charles Christensen, Parker McCreary, George Knox and David Crocker.

### Loses Finger

Tuesday was an unlucky day for Jack Kuykendall. While helping Enoch Harrison put up hay, he lost his balance. Automatically he clutched for something to break his fall, and unfortunately it was the hay fork he seized, which clipped off the ring finger of his right hand. The other fingers were badly bruised.

### Many Names Missing

In our personal column there are doubtless many names of guests and old-time friends who were Kendrick visitors the Fourth, that are missing, but when one stops to think that there were well over 3,000 — and some even say 4,000 people present, it can readily be seen how impossible it would be to even attempt to list them all.

### Thank You

In behalf of the Kendrick Commercial Club I want to thank each and every one who participated in the July 4th parade, and helped to make it a success.

GEO. P. BARNUM,  
Chairman of Parade Com.

### Bridge Work Progressing

Construction work is going forward rapidly on the detour being built around old Wauncher gulch bridge, which will permit the wrecking of the old bridge and installation of the new.

### Picnic In Park

Members of the local Rebekah lodge and their families held a picnic in the city park Thursday evening of last week.

Most people call a spade a spade, unless they drop it on their toes.

### EIGHTEEN DIED IN IDAHO IN MONTH OF JUNE

What price inattention?

Eighteen lives needlessly sacrificed in Idaho during June is the answer. Yellow line straddlers, speeders and reckless drivers might be listed as the chief contributors to the heavy toll garnered by the Grim Reaper upon the Gem state highways during the sixth month, according to safety bureau reports. The four principal causes for fatal accidents were deaths in six non-collisions, five in collision accidents, three killed when an automobile was hit by a train and three pedestrian fatalities.

Five children, seven years and younger, were victims of accidents. These included two boys, nine months and 21 months, who were instantly killed when the car driven by their mother was struck by a train in Twin Falls county. A little girl of seven and her brother of five were killed when struck by a car upon a Fremont county highway. The fifth was a girl of three, who died when her parents' car was in a collision with another car in Franklin county.

Five women were numbered in the month's fatalities. A woman was drowned when the truck driven by her husband rolled into a river after a collision on a curve; a young woman driving a car, in which her husband and baby were passengers, died while enroute to a hospital after a collision and another young woman died with her two sons when the car was crushed on a railroad crossing. Two women were instantly killed when the vehicles they were in ran off the road.

The breaking of the knuckle of the steering gear caused an oil truck to run off the highway, resulting in the death of a Hailey youth 20 years of age. The collision of cars on an Oneida county grade, fatally injuring a youth of 22. Three men, 33, 34 and 37 years of age were killed when the cars they were driving went off the road in Shoshone, Lincoln and Canyon counties. Three men aged 69, 71 and 85 were killed. One was fatally injured when he was struck on a Boise street, and the other two were in collisions in Bingham and Canyon counties.

**GRAIN MARKET**  
 (Continued From Page 1)

apolis flax declined 7c for the week. Barley prices at Portland were somewhat weaker for the past week, mostly in an adjustment toward a new crop basis. The general attitude of the trade and producers appeared awaiting further new crop and market developments. No. 2 bright western barley, weighing 45 pounds, was quoted at Portland on July 3, for coast delivery at \$25.50 per ton bid, with the same grade for Portland delivery at \$24.50 per ton bid, in bulk.

Oats ranged from unchanged to slightly firmer at Portland. Offerings from the country were light with remaining old crop supplies about depleted in this area and terminal buyers were mostly supplied until new crop oats become available. No. 2 white oats weighing 38 pounds were quoted at Portland for coast delivery at \$29.00 per ton bid, with the same grade for Portland delivery at \$28.00 per ton bid, in bulk. Trading and movement in both oats and feeding barley were light at Northwest terminals.

**Other News**

As an avid reader of the nation's newspapers you may feel that nothing else is going on in the world but war and more war. There seems to be no room for any other sort of news, the columns crowded with activities of belligerent countries, and of our own defense plans. There appears to be little else of any consequence, but don't fool yourself, there are things occurring all the time that are of vital interest to us and are taking place right here in our midst.

Babies are being born, young people are getting married, death still makes a call, visitors come, our own folks go. We try to give you all of this personal sort of news as well as local business conditions. We still plug for local entertainments and civic meetings. There aren't any readers but who are anxious to get this type of news, interesting to our subscribers in Kendrick and those on the mailing list.

**"Road To Zanzibar"**

This week's offering at the Kendrick Theatre will be the "Road to Zanzibar," starring Bing Crosby, Bob Hope and Dorothy Lamour, and what a fun-loving, fast-taking pair that Bing Crosby and Bob Hope turn out to be in the dark continent! What a stampee when gorgeous Dotty Lamour turns up on the auction block in the heathen lands!

It's said to be a riot of fun, music and laughter, and should offer good entertainment for all.

In addition to the feature the Lewis-Corn fight pictures and a cartoon will be shown.

**WE THANK YOU**

The Kendrick Commercial club wishes to take this opportunity to thank all who helped make the July 4th celebration a success.

Real thanks are due the officials and judges of the day.

We take this opportunity to publicly say "Thank You" and mean it.

KENDRICK COM. CLUB.

### EDITORIAL

Well, Folks—Now that one of Kendrick's best Fourth of July celebrations is over, and we can relax and draw a deep breath—we believe it time to again begin to think about cream, and butter—and that's where you come in. For we want to buy your cream—all of it—and we pay spot cash for that cream. Try us! You'll like our money and our service.

And, by the way—when you feel the need of a cooling soft drink, or an ice cream cone, come in and get it. We are again handling ice cream and bottled soft drinks. They seemed to go over mighty well the Fourth—so perhaps they will taste just as good any hot day. Remember—Put up your fruit the modern way—frozen. We have locker boxes for rent.

"Where is the man who doesn't like to see smiling, cheerful faces around him when things go wrong?" asked the lecturer. "You'll find him on any golf course," answered a voice from the audience.

An enthusiast was yelling the home team to victory. But suddenly he became silent. Turning to his pal, he whispered: "I've lost my voice."

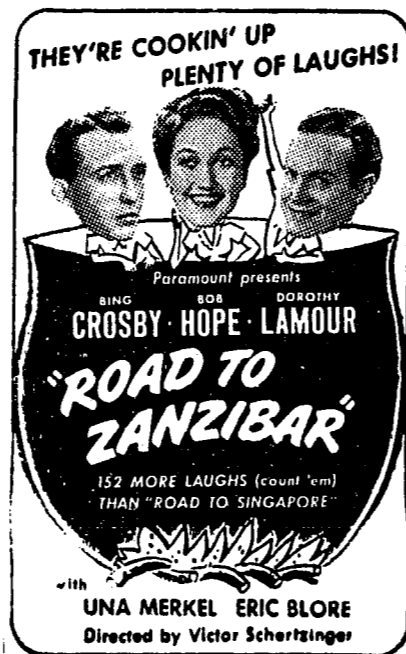

The reply came back: "Don't worry, you'll find it in my right ear."

Spring is here when a young man's fancy turns to thoughts that the women have been thinking about all winter.

A dinette has its advantages—when your wife give you a kick under the table she can't get a real swing at it.

### THIS AND THAT ABOUT FRIENDS AT CAMERON

Mr. and Mrs. Jeff Buckles, Mr. and Mrs. George McDougal and Miss Nellie Buckles visited with Mr. and Mrs. George A. Wilken Saturday. Mr. and Mrs. Laurel Flesman and family returned to their home in Kellogg Saturday, after visiting with Mr. and Mrs. Lyle Harrison and Mr. and Mrs. F. W. Silflow, and spending the 4th in Kendrick. Mrs. Ida Stoneburner and Miss Emma Hartung spent Wednesday in Lewiston with Mrs. Kennedy and Miss Henningsen. Glenn Newman and Bill Mielke left for Hermiston, Oregon, Sunday. Mr. and Mrs. Gerald Schmidt of Riggins were visitors here over the 4th and the week-end. Mr. and Mrs. Arthur Flomer of Genesee spent the Fourth with Mr. and Mrs. Ervin Lohman. Mr. and Mrs. George Wilken spent Sunday afternoon with Mr. and Mrs.

A. E. Spekter. Mr. and Mrs. Herman Newman and family arrived Thursday to visit with Mr. and Mrs. F. W. Newman. Mr. and Mrs. Edwin Mielke, Mr. and Mrs. F. W. Newman and family, Mr. and Mrs. Herman Newman and family and Fred and Ted Mielke were fishing at Elk River Sunday. Mrs. John Schwarz called on Miss Hartung and Mrs. Stoneburner on Sunday afternoon. Mrs. Joe Kennedy and Miss Lily Henningsen were Friday dinner guests of Mrs. Stoneburner and Miss Hartung. Herbert Brunseik of Kellogg spent the week-end here with relatives.

### LINDEN ITEMS

Clarence Wilson, who is in a U. S. training camp at Stockton, Calif., spent the 4th and his leave of absence with his parents, Mr. and Mrs. Stewart Wilson. Ramie Hunt and A. Alexander started their hay choppers Tuesday. Mr. and Mrs. Roy Florence and daughters of Clarkston and the Browning young folks, from Spokane, spent Sunday at the J. H. Hunt home. Mrs. Joe Michaelis returned to her school work at Lewiston after spending the Fourth with her parents, Mr. and Mrs. Louis Alexander. Mrs. Olive Smith and son of Spokane spent the Fourth with her parents, Mr. and Mrs. Chas. Keeler. Mr. and Mrs. John Laws and son of Pierce spent the week-end with Mr. and Mrs. Wesley Laws. Mr. and Mrs. Howard Hunt of Kendrick spent Sunday with Mr. and Mrs. Wm. Fry. Mr. and Mrs. Ray Weaver and son of Proctor, Mont., Mr. and Mrs. Walter Waltz and son and Mr. and Mrs. Clarence Holdridge and son of Talent, Ore., who visited in the H. S. Weaver home over the Fourth, returned to their homes Saturday. Dr. Chirstensen was called Saturday to see Wilma Cuddy, who is recovering from scarlet fever. The ridge was well represented in Kendrick July Fourth. Clarence Jenks, Moscow, spent Wednesday evening with his grandmother, Mrs. Ellen Starr. Mrs. Dora McCoy spent Sunday with Mrs. Whybark.

### Storm Misses Potlatch

The severe, electrical, wind and rain storm of Sunday evening, which hit so hard in the Walla Walla section, and on up as far as Lewiston, where but little damage was done, missed the Potlatch section entirely, not more than a dozen big drops of rain falling, and the wind doing no damage. We are indeed lucky, for we didn't need any more rain or down wheat—and in the Walla Walla and Pomeroy section it did plenty of damage, including the uprooting of huge trees, unroofing of buildings, and interruption of communication and power systems.

## Low! How Low?

A Used Car Buyer can't help but wonder how low a price must go to make it the "lowest price in town." With everybody shouting "Lowest Prices!" it's difficult to discover the limit. Smart Shoppers avoid confusion by coming to McDonald Chevrolet Company where prices are FAIREST, because these buyers know that LOWEST prices often indicate LOWEST value per dollar.

**Grass Will Form Hazard**  
As the "cheat" grass on the local high becomes dryer and dryer, it forms more and more of a local fire hazard, and from this time on all should be extremely careful with fires or any kind — and should, by all means, avoid throwing burning cigar, cigarette or match stubs from cars or trucks. When really dry, tinder has nothing on local "cheat" grass for bursting into a blaze, and we certainly do not want a repetition of the disastrous fire of two years ago.

**Waha Postoffice Discontinued**  
The postoffice at Waha, one of the oldest in Nez Perce county, established 50 years or more ago, according to old-time residents, has been discontinued as of July 1, it was announced at the Lewiston postoffice July 1. Patrons of the office hereafter will be served by the Lewiston-Waha star route. Mrs. Catherine White was postmistress.

**Business Visitor**  
Sheriff Geo. K. (Hap) Moody was a Kendrick business visitor Wednesday afternoon.

**Outbid!**  
"Pardon me, Madam, but would you be kind enough to take off your hat? I can see nothing, and I paid twenty-five cents for my seat." "And then nobody will see my hat, and I paid \$25.00 for it."

upper Tammany. Leaving Waha the stage pulled up at the top of the grade, thence on to Soldier Meadow, thence to Westlake with the board house in Lawyer's canyon the next stop. Then on to Cottonwood, Denver and ending the run at Mount Idaho, the seat of government of Idaho county for many years.

Thus the Waha postoffice played an important part in the history of Nez Perce county. Old-time drivers handling stages on the Lewiston-Mount Idaho run about the time the postoffice was established at Waha included Felix Warren, Frank Coston, Hugh Coston, Harry Lanning, Bob Smalles, Vine FAVOR, Charles Brandish, Sam Newell and Dick Monroe.—Lewiston Tribune.
