Carnival Draws Crowd
The annual school carnival, held in the gymnasium last Friday evening, proved a real success.

The walls of the big building were lined with booths having a very professional look, and which proved to be money makers as well as good entertainment.

"Goo Goo," Barbara Stedman's pet goose attracted really large crowds, and lured many into trying their skill at tossing a hoop over his head as he swam blissfully back and forth in his private swimming pool (a bath tub filled with water).

The balloon bursting contest in which the little youngster carried away balloons from the big one in the center of the building proved very amusing for all.

The main attraction of the evening, and "night-cap," the dance, proved very popular, and the students and teachers alike are to be congratulated on the entertainment provided.

Bean Threshing Begins
Wednesday morning, as early as the moisture would permit, quite a number of bean threshing outfits took the field, in a desperate effort to save all possible of the crop.

Beans are said by the dealers, to be good, but soft, due to high moisture content, and a great deal of trouble is being experienced in drying them after they hit the warehouses. In an effort to elevate this situation, the Kendrick Bean Growers are experimenting with a home-made power dryer, and present indications are that it will work, although its output will necessarily be slow. Heat for the dryer is supplied by fuel-oil burners, while the moist air is carried out of the machine by power blowers.

Showers
Wednesday afternoon the home of Mrs. R. L. Blewett was the happy scene of a stork shower given in honor of Mrs. Ross Armitage.

Hostesses were the Mesdames L. W. Mason, George Brocke and R. L. Blewett.

Family Reunion

A reunion of the Deobald families was held Sunday at the home of Mrs. M. A. Deobald on American ridge, when a chicken dinner, for which she is justly famous, was placed before the guests. Members of the family present were Mr. and Mrs. E. A. Deobald and family, Mr. and Mrs. W. B. Deobald and family, Mr. and Mrs. Otto Schupfer and family; Mrs. Eva Thompson of Orofino, Mr. and Mrs. Roy Edward Thompson and son Gary Lee of Moscow; and Arden Harris of the U. of I., a house guest of Billy Deobald. Armloads of beautiful flowers were brought by the guests, and it was indeed a pleasant gathering for all.

COMMERCIAL CLUB MEETING INTERESTING ONE

The regular monthly meeting of the Kendrick Commercial club was held at 8:00 p. m. in the City hall with Geo. Brocke, president, presiding.

After the reading of the Minutes by N. E. Walker, secretary, and their approval, the regular committee reports were in order.

N. E. Walker announced the Latah Chambers of Commerce meeting at Moscow on October 15, and urged all possible to attend.

N. E. Walker of the Highway committee reported that WPA projects for this highway district embracing Big Bear and American ridge at an estimated cost of \$28,000 were under consideration.

Wm. Fitzpatrick, reporting for the Education committee reported that the hot lunch program at the local schools was proving very popular, especially with children who came in on buses, and that an average of 105 to 110 meals per day were being served. This program is in the hands of two very capable cooks, Mrs. Biddison and Mrs. McAllister, and running smoothly.

R. L. Blewett reported for the Scout committee, stating that this organization was badly in need of a Scoutmaster, and that unless one could soon be found, would probably be dissolved.

Marvin Long of the Fish and Game committee reported that some 200 banded Chinese pheasants had been released in this county, and that anyone killing a bird with a leg band was asked to drop the band into a box either at the Kendrick Hardware or Kendrick Bean Growers. This check is being made to attempt tracing of the migration of these birds.

Marvin Powell of the F. F. A. committee reported that organization planning a concession to raise money on Sales Day. Club approval of the project was given.

E. A. Deobald of the Industrial committee suggested the erection of a public loading and unloading platform for Kendrick, saying that there were two suitable locations available. Construction costs will be investigated and presented at the next meeting.

Next came the business of the coming Sales Day — which will be held next Saturday, October 18, in Kendrick, with every business firm in town cooperating to help make the day a success.

Marvin Long reported for the entertainment and music, saying the High school band would march; a loudspeaker for announcement purposes had been obtained from McDonald Chevrolet at Lewiston; and that a fine horse display would take place while the band marched.

R. L. Blewett of the Sports committee reported that streets would be roped off to permit all to watch the sports.

Dr. D. A. Christensen reported plans for the livestock and poultry display coming nicely, with pens being built, posts set, and other necessary work almost complete. All poultry and rabbits must be in the owners own pen.

At this time the hat was passed at the suggestion of L. S. Thurber, and money raised for the addition of second and third prizes in the vegetable and flower exhibit division, the revised premium list (which did not appear on the bills) being found on page 2 of this issue.

In addition the decision was made to award two prizes not mentioned in the premium lists as follows: Floor lamp donated by the Bean Growers, to some livestock raiser as an added prize. And the shampoo and finger wave, donated by Mrs. Vera Stewart, as an added prize in the flower and vegetable department.

There being no further business to come before the meeting, on motion it adjourned.

Slight Error
Wade Keene had an unwelcome visitor Wednesday evening, who announced his presence in no uncertain way. He even had to call Ed. Long for help in evicting the unwelcome caller from his basement.

The visitor? You guessed it — a skunk!

Wade alleges that some democrat put it in his basement in retaliation for the Republicans taking over the control of the weather!

Breaks Arm
Little Buddy McGraw, six-year-old son of Mr. and Mrs. Floyd McGraw of Bear ridge, had the misfortune to break his left arm when he jumped from a pile of wood at his home, October 5.

He broke the left radius, which is a very difficult fracture to reduce. However, he is reported as getting along nicely.

WHAT'S GOING ON IN THE KENDRICK SCHOOLS

The Kendrick School Carnival, held on October 10, was a financial success. The Kendrick school faculty and student body wish to thank the public for the support.

The high school boys will play more baseball after bean harvest, but all are too busy now. Within two weeks we will have tumbling for all who wish to take part. Basketball practice will start the first of the month.

The Girls' League officers for this term are as follows: President, Lois Deobald; vice president, Estal Davis; secretary, Jeanette Galloway; treasurer, Evelyn Farrington. The Girls' League will hold their regular meeting this coming Friday.

The band will march on Sales Day, October 18, in Kendrick. The musicians will appear in uniform.

The Junior play sample books have finally arrived, and the class is really excited. They will have to work and co-operate with Mrs. Deobald, their coach.

The boys taking Shop are working on joints before they start any projects. This is to teach them the proper use of tools.

The Ag. boys will build pens and display their animals on Sales Day. Three pigs will be given the Ag. boys by a mail order firm. Their first choice was Durocs; second, Chester Whites; third, Poland Chinas. The boys will take these pigs and take turns raising them. After the pigs are full grown they will be sold. This money will go into a revolving fund with which the boys will continue to buy and raise farm animals.

Grade School Notes
The first and second grades, under the supervision of Miss Pond, are very busy decorating their room for Halloween. They have witches, cats, bats, jack-o-lanterns and other Halloween decorations. They are making pictures of the autumn trees in art. They have a health chart which requires clean teeth, hands, face, etc.

The third and fourth grades elect new officers every month. This month Patty Brocke is president; Joretta Holt, vice-president; Janice DePeel, secretary-treasurer.

This Tuesday they will have a different lesson in art, which is wood burning. Miss Henningsen says this is very interesting work. Mrs. Roy Murray visited the third and fourth grades Monday morning.

Mr. and Mrs. Jack Travis of Southwick and Mr. and Mrs. Rol Bryant of Orofino went in to the Velitas ranger station on October 3, made camp, and at 9:00 a. m. of the opening day had two elk and a deer. They returned home the 9th. Jack reports they used no chains on their trip.

GOLDEN ANNIVERSARY SERVICE AT CAMERON CHURCH

On Sunday, October 19, Cameron Emmanuel church will celebrate its Golden Anniversary, with a day-long program as follows:

Holy Communion Service, Sunday, October 19, 1941, at 10:30 a. m., with the sermon by The Rev. E. A. Rein, Ritzville, Wash., at present Chaplain at Fort Stevens, Oregon.

Following the morning service everyone is invited to have lunch at the hall at the conclusion of the service.

German Service will be held in the afternoon at 2:00 p. m., with the sermon being delivered by Rev. O. G. Rhen of Lind, Washington.

Following the afternoon services there will be a congregation banquet at the hall at 5:30 p. m., with tickets procurable at the hall.

That evening at 8:00 o'clock the Home-Coming Service will be held, with the sermon by The Rev. J. M. Groschup, Spokane, Wash., who is vice-president of the Northwest District of the American Lutheran church.

In commemoration of this Golden Anniversary, a souvenir booklet is just off the press of the Gazette, and from it we take portions of the church history that will prove of real interest to all, as follows:

"The records of Emmanuel church date back to August, in the year of 1891, but there is more dating before that time which is of interest."

"It was in the year of either 1873 or 1874, that the town of Cameron came into existence. It was named after Donald Cameron, who had been a Colonel in the Union army. Cameron never grew to be a big town. It was dwarfed in its growth at the very beginning, after having reached a population of between 25 and 30 people. Although Cameron has not grown in size, it can boast of the oldest postoffice in the country this side of Lewiston. At one time Cameron had, besides a post office, a general store, saloon, and school. A brewery was in the making but never materialized."

"The first people coming to this ridge having a Lutheran background, as far as is known, was in the year 1880. Those coming in that year were John Vincent, John Ehlers, Henry Meeve, Fred Leuten, John Ries, John and Charles Baak, Mutter, Zauch, Bill Dore, Henry Deissen, Michalman, Bruno Gertes, Albert Furlting, Bruno Gertes, Albert Schultz, George and Fred Wauncher (Wauncher Guleh through whom the road from Cameron to Kendrick now runs was named after the Wauncher brothers). Then in 1886 came Herman Wilken, Leith, Oldag, and Gertje. More people came drifting in, some coming from Iowa, Minnesota, and California, most of whom originally came from Germany."

"The first meeting of Lutherans was held in the Kings School District, Number 10, which was then standing across the road from what is now Fred Silflow's. Services were occasionally conducted in this school house until the small church was built (now the Cameron Hall)."

"The first missionary to visit this ridge was Missionary Seele in 1887, who was here but a very short time. A little later Rev. Anton Horn visited this Potlach ridge, where he conducted several services and administered the sacraments. Whenever a missionary arrived on the ridge it wasn't long before the community knew of his arrival. The children riding and telling the neighbors of his coming."

"Rev. Rieke, who began serving Genesee in 1889, came occasionally to Cameron. The simplest form of organization held the people of Cameron together."

"This ridge was becoming so settled that in 1890 and 1891 two other towns sprang into existence. Leland, three miles southwest

EDITORIAL

Well, Folks — Here it is the middle of October, and lots of beans (in fact most of them) are still out in the fields, some cut, some still standing, and some in the stacks, but as time rolls on the chances of saving them are growing less and less.

However, there is still one reliable source of farm income — old bossy and the resultant cream — and of course we're ready to pay spot cash for that cream. Try us and see for yourself.

And Folks — Remember that next Saturday, October 18 — is Kendrick's Annual Sales Day — and it's always well attended. So this year, plan on coming. Bring in your surplus for the free auction, take part in or watch the sports, and bring in your agricultural products for exhibit. See the premium list elsewhere in the big paper.

Customer: "I want to return this book, 'Stories For All Occasions'."

Frank Nesbit: "What's wrong with the book, sir?"

Customer: "Why it's a fake; it's incomplete. There's nothing here for a man to tell his wife when he gets home at 3 a. m."

A colored minister was in love with a member of his choir. He, himself, was musically inclined, and frequently the two would sing duets. He arose to announce the music for the morning service, and this is what he said in his agitation: "Miss Blank will now sing, 'Oh Had I The Wings of a Dove, I'd Fly Away,' accompanied by de pastor."

Father: "Johnny, I got a note from your teacher today."
Johnny: "You did? Well, you can trust me, I won't tell mother."

CAMERON CHURCH

of 1892. It was about the only band in the country. Besides playing before, during and after church services, they also played in Kendrick, and even ventured to play outside of this vicinity, traveling to Juliaetta and Genesee by means of a four-horse team. The members of this band were: George Brammer, band leader; Henry Brammer, Charles Oldag, John Wilken, Fred and Dick Riggers, Henry Meyer, Henry Wessel, Herman Gertje, Henry Harneit and Dietrich Timme. The band broke up in 1896, when a number of members moved away from Cameron. The first marriages were between Heinrich Wessel and Bertha Oldag, May 14, 1892; George Brammer and Marie Niemeyer on April 21, 1893, and August Wendt and Pauline Rustor, June 12, 1893. "On Dec. 9, 1894, Rev. Groeschup received a call from Spokane Falls, after serving here four years. . . The congregation now sent a call to Rev. Karl Voss, of Ritzville, who arrived here in April, 1895, remaining here two years. . . After Rev. Voss left, Cameron had no pastor or services for about a year. In April of 1898, Rev. George Finke came to serve this congregation. . . On June 18, 1899, Rev. Finke left for Astoria, Oregon. . . In the same year Rev. P. C. Hopf came and served this parish for three and a half years. . . On January 2, 1903, the congregation decided to build a new church. Henry Brammer, Fred Gehre and Carl Hartung were put in the building committee. Fred Mielke and Ferdinand Silflow were appointed to do the collecting for the church building. It is to be noted that Kendrick gave over \$500 toward the building of the new church. Just what the church edifice cost when completed the records do not reveal. However, the building committee reported that the construction of the church would cost between \$1,400 to \$2,000.00. Mr. Arnold made the blue-prints for the church. . . The question of location was settled by buying a half-acre of land from Andrew Emtman for \$55.00, located where the church now stands. . . "One day in June, 1903, the corner stone was laid. The history of the congregation, a German Ohio Hymnal, a catechism and a new testament were placed in this corner stone. . . The new church was dedicated on the 19th day of June, 1904. Pastors Hopf, Eyrich, and Finke (local pastor) were present at this dedication. The present Altar and Pulpit were built by Mr. Hartung. "After Rev. Hopf left for Endicott, in October, of 1893, Rev. Geo. Finke was called to Cameron for the second time, arriving in March, 1904. Five years later the congregation decided to sell the old parsonage and build a new one. . . The old parsonage was sold to Andrew Emtman, who moved it 100 feet from its original place. . . Mr. Hartung and Mr. Rucks took the contract for building the new parsonage. "During the time of the first World War . . . 50 Ohio English hymns were purchased, and English services introduced. . . Quite a number of men left this congregation, either because they were drafted or volunteered for war. Those leaving were Paul and Arnold Petrich, H. C. Wilken, Albert Wegner, Willie Herman, Carl Gehre, W. C. and F. W. Mielke, Henry Koopp, Gustav Connick, Frank and Herman Schupfer, Alex Larson, Albert Meissner, Herman Silflow, William Wolff, Ed Schneckhart and Adolph Heinrich. The members of this congregation bought \$13,000 of the third Liberty Loan, and in 1918, twenty-eight members bought \$12,200 of the Fourth Liberty Loan. "Rev. Geo. Finke, having served Emmanuel church for nearly 19 years, on April 20, 1921, asked the congregation for a peaceable dismissal, which was granted him. The congregation then called Rev. E. A. Rein, who accepted. . . In this same year the church interior was greatly changed, improvements costing the congregation \$800.00. . . During Rev. Rein's pastorate a Ladies Aid and Luther League were started. The Aid has done much in keeping up and improving the church property. . . In July, 1928, Rev. Rein asked to be released to accept a call to Ritzville, Wash., which was granted him. Rev. Ehlen, at this time serving Lewiston, was called to Cameron. The following month Rev. Ehlen arrived in Cameron, serving for a little more than seven years. "During Rev. Ehlen's pastorate the Missionary Society was organized. . . Late in the fall of 1935 the Douglas Quincy parish extended Rev. Ehlen a call which he accepted after being released from this congregation. At this time the Cameron Juliaetta parish was divided. Juliaetta was now to be served from Lewiston. Up-until 1897 the people of Juliaetta came to Cameron to church services in lumber wagons. It is to be noted that they were always on time. It was in 1897 or 1898 when Juliaetta was given one service a month. Services were first conducted in Florian Schupfer's house until a church was built. Later they were given services twice each month. The remaining Sundays they came to Cameron. The confirmation classes were held in Cameron. There being no bridge across the Potlatch, the stream had to be waded. When the water was high they had to go without services. It was shortly before Christmas, 1895, that your present pastor, Theo. Meske, arrived in Cameron. The congregation was not without a Children's Christmas program, however, for the matter was well taken care of by two of the Sunday School teachers, Mrs. Henry Brammer and Mrs. Aug. F. Wegner. "This congregation has seen many improvements made on church property within the last few years. . . The church renovated inside and out. . . electric lights installed in the church, hall and parsonage. Water under pressure installed. "At the close of 50 years we find there is on record 425 baptisms, 294 confirmations, 95 marriages, 132 funerals. "Only two charter members are
