KENDRICK, LATAH COUNTY, IDAHO, THURSDAY, NOVEMBER 27, 1941

NO. 48

## WHAT HAPPENED HERE 20 YEARS AGO THIS WEEK

Mr. and Mrs. John Kite entertained the Circle Card club at their home Tuesday evening. Progressive "500" served to pass the time in a most enjoyable manner, three tables being devoted to the game. Edgar Long won first honors and John Kite the consolation score. At a late hour Mrs. Kite served dainty refreshments.

According to information sent out by the state department of agriculture, Idaho has paid the federal government, during the past year, through the Bureau of Internal Revenue, the sum of \$4,963,000. It is estimated that the war tax paid the government on carlot shipments of farm products from this state will aggregate not less than \$250,000. The state has also paid the Federal government, for the use of our forest reserves for the past year, half a million dollars. The total of payments amounted to \$5,713,000.

Linden Items — Mrs. C. P. Israel, Riley Long and Mrs. Shingler were callers at the Lou Alexander home Friday afternoon. Mr. and Mrs. A. Bohn, Mrs. C. Fry and Mrs. I. E. Foster visited at the Smith home Friday afternoon. Rev. Calvert, Rev. and Mrs. Pearson and Mrs. Laura Langdon were Sunday dinner guests in the I. E. Foster home. Mrs. Keller of Coeur d'Alene, Elsie and John Darby of Crescent and Myrtle Hammond of Linden were guests in the Ed Darby home Sunday. Clem Israel and family spent Sunday in the H. S. Wright home. Miss Eva Smith is spending the week in Lewiston with her sisters.

Big Bear Ridge — Misses Bertha and Marie Kiehl entertained the Girls' Sewing club Thursday afternoon. Miss Inez Johnson was a week-end guest of Miss Nettie Lacey at the D. J. Ingle home. Miss Johanna Hooker is spending the week with friends in Moscow.

Crescent News — Bill Jennings, who has been working for A. Alexander, is at home now, owing to the deep snow having cut his work short. Ramie Hunt spent Saturday and Sunday in Kendrick. Last Saturday evening a number of their friends surprised Mr. and Mrs. Elmer Hudson in their new home. The evening was spent in dancing, and everyone seemed to enjoy a fine time. Elsie Zimmerman returned home Saturday after a visit with friends in Lewiston and Pomeroy.

We are having lots of snow and some to spare, however, a warm rain is taking it off quite rapidly. A white Thanksgiving seems promised, anyway. So let's cheer up.

Mrs. Alvin Benson and little daughter arrived from Clarkston on Wednesday to spend Thanksgiving with Mrs. Benson's parents, Mr. and Mrs. J. F. Brown.

Babe Callison arrived from Moscow Wednesday afternoon to spend Thanksgiving with home folks.

Mr. and Mrs. M. O. Raby drove to Teakane Sunday, called there by the serious illness of their daughter, Mrs. Paul Lind, who is suffering with pneumonia.

According to press reports the recent heavy fall of snow in this locality breaks all previous records for a like period in November. However, it is customary to call any unusual extreme of weather a "record breaker." While it is out of the ordinary to have so much snow so early in the winter, it is generally the case that a snow storm of some sort visits this section about November 20—and here it is.

Dr. J. T. Moser and H. N. Roberts of Lewiston attended the shooting match here Sunday. Dr. Moser got four turkeys, a goose and a duck. Mr. Roberts won an 18-pound turkey.

## Only Few Days Left To Sign

Only the remainder of this week is left for Latah county farmers to sign up under the Farm Defense program campaign to survey intentions of farmers to produce "food for freedom" in 1942.

H. F. Koster, chairman of the county USDA Defense board, estimated this week that 20 per cent of the farmers in the county remain to be reached before the December 1 deadline.

The campaign, which is a program of the Department of Agriculture, is being conducted by County USDA defense boards all over the nation. Farmers are asked to cooperate in the Farm Defense program by increasing production of various commodities, with emphasis on milk, pork and eggs. The food is needed to meet the demands of increased domestic consumption and also to supply the nation's resisting aggression. The government has provided price-supporting measures for many of the products.

Farmers not yet contacted by AAA committeemen in the course of the regular plan sheet sign-up, nor by representatives of other Department of Agriculture agencies, may call at the county AAA office at Moscow, where they can be interviewed and given an opportunity to fill out their individual farm plan sheets, Koster said.

## Returns From Hospital

Bert Biddison, who has been in the Veterans' hospital at Walla Walla for some months receiving treatment for a sinus infection, returned home November 18. He says he is feeling much better, and expects to stay at home now.

## New Traffic Recorder

A new automatic electric eye traffic counter is being installed near Jerome, by the Idaho Highway Planning survey, it was revealed today by E. J. Finch, district engineer of the U. S. Public Roads administration.

There are six similar traffic counters on important roads throughout the state for the purpose of measuring the volume of traffic using the Idaho highways. Since 1936, when the first counters were installed, there has been a general increase in traffic over the state of 14 per cent, as shown by the figures released by the bureau.

The increased traffic of 42 per cent since 1936 using the north side highway at this location was cited as the reason for justifying a new and permanent type counter.

## ROY RAMEY, JR., WEDS MAXINE MILLER, NEZPERCE

The Federated church, Lewiston, was the scene of a wedding on Wednesday evening of last week at 7:00 o'clock, when Miss Maxine Miller, daughter of Mr. and Mrs. Curtis Miller of Nezperce, became the bride of Roy Ramey, son of Mr. and Mrs. R. H. Ramey of Kendrick. The Rev. Thomas McCamant officiated at the ceremony.

Miss Miller was attended by her sister, Mrs. Donald Strickfaden, matron of honor. Donald Strickfaden was best man. Other guests included the parents of the bride and groom, Miss Jeanne Ramey, Kendrick; Mr. and Mrs. Walter Koepf and daughter Judy, Cameron, and Mr. and Mrs. Glen Miller, Nezperce.

Following the ceremony the wedding party and guests were entertained at dinner at the Bollinger hotel where the table was prettily decorated with autumn flowers and tall tapers. Mrs. Ramey, who is an English instructor in the Lapwai high school, will resign at the end of the semester, going to Coulee City, Wash., where Mr. Ramey is employed by the CBI and Northern Pacific railways.

Both Mr. and Mrs. Ramey attended the University of Idaho, graduating in the class of 1940. Mrs. Ramey was graduated with highest honors, also being a member of Phi Beta Kappa and president of the Mortar Board. Mr. Ramey, an affiliate of Beta Theta Pi fraternity, was a member of Silver Lance, Kappa Delta Pi, associated students executive board and basketball and baseball teams.—Lewiston Tribune.

Mr. Ramey is a graduate of the Kendrick High school with the class of '36. He was one of the star baseball and basketball players while attending high school as well as at the University. During his summer vacations he learned telegraphy under his father, who has been the agent for the N. P. in Kendrick for many years.

He has a host of friends here who wish he and his bride the best of everything that life affords.

## Locke-Gibbons Nuptials

Miss Eleanor Locke, daughter of Mr. and Mrs. A. R. Locke, prominent residents of Leland, became the bride of Virless Gibbons, son of Mr. and Mrs. Gibbons of Anacortes, Wn., at a beautiful home wedding at high noon, Thanksgiving Day, Thursday, Nov. 20th, the Rev. Clark Smith, pastor of the Leland Methodist church, officiating.

As the wedding march was played by the mother of the bride, Mrs. A. R. Locke, the bridal party, with Mrs. Roy Thomas, a sister of the bride, as bride's maid, and Glen Brazier, as best man, took their places under an arch of evergreens and wedding bells, in the living room of the Locke home. The bride was given in marriage by her father, A. R. Locke. The bride was attired in an afternoon gown of purple velvet, and wore a corsage of yellow chrysanthemums and pink snap dragons.

A dinner followed the ceremony, the table being centered with a beautifully decorated bride's cake, which was topped with an ornamental bride and groom.

The couple departed Friday for the coast, where they will make their home. The bride is a graduate of the Arlington, Washington High school, and attended W. S. C. one year. The groom is a graduate of the Anacortes, Wash., High school.

The best wishes of all go with them for a long and happy married life.

## George Davidson To Get Wings

George Davidson, Jr., son of Mr. and Mrs. George Davidson of American ridge, will graduate from the U. S. Naval Air Station at Corpus Christi, Texas, on Nov. 29, 1941, when he will receive his "Wings" as a commissioned officer, with the rank of Ensign, U. S. N. R.

Mr. Davidson is a graduate of the University of Idaho with the class of 1939, having attended that institution for three years, following a year at Lewiston State Normal. He is a member of Delta Chi and Delta Psi Omega fraternities.

At the time of his enlistment in the Naval Air service he was an employee of the Pacific Fruit and Produce company. He had had two years of R. O. T. C. training at the U. of I., and a primary C. P. T. training course in flying, and held a private license.

During his training Mr. Davidson has specialized in flying the navy's huge patrol planes (bi-motored flying boats).

All in this section will be glad to hear of Mr. Davidson's successful completion of one of the most difficult of courses, and to wish him luck.

## 1941 Crop Insurance

Below are some crop insurance figures released by the Federal Crop Insurance corporation, covering Latah county, which may prove of interest to many.

The farms covered numbered 1,003; premiums collected amounted to 14,959 bushels; acres involved were 31,625; loss inspections numbered 147; losses paid amounted to 113; indemnities in bushels 31,838.

Nine hundred thirty-four farms have been insured with the Federal Crop Insurance corporation for 1942. This figure does not include all the spring wheat farms, as these farmers have until February 28, 1942, to apply for crop insurance.

## FUNERAL SERVICES FOR GEORGE LEITH, FRIDAY

Funeral services for George Leith, pioneer resident of the Potlatch section, who passed away Wednesday morning, Nov. 19, were held at the Brower-Wann Funeral parlors in Lewiston Friday afternoon, Nov. 21, at 2:30 o'clock, the Rev. Roy Murray of the Kendrick Community church officiating.

Mr. Leith was born in Iowa on July 1, 1877. When a little lad of five years, or about 1882, he came to this section with his parents, settling on a farm near Leland. They later moved to a homestead near Cameron, and where he grew to young manhood.

In 1898 he was united in marriage to Miss Estella King, and to this union two children were born, Mrs. Robert Spencer, Coeur d'Alene, and Mrs. I. G. Flaig, Orofino.

Mr. Leith carried mail for a time, later moving to Juliaetta, and then to Kendrick, where he was employed by the Kendrick Rochdale Co., for some twenty years, but the past few years had been following his trade as a carpenter.

In 1939, while employed at this trade on construction of a balcony in the big Kendrick gymnasium, he fell from the ceiling to the floor, as a result of which his left hand was partially incapacitated. He overcame this handicap, however, and built, or assisted in the building, of a number of homes since that time.

Mr. Leith was a man who spoke ill of no man, and was highly regarded throughout this section. He was elected to office a number of times, and at the time of his passing was a member of the city council. His passing will leave an empty spot in this community that will be hard to fill. The beautiful floral offerings attested to this high esteem.

Burial services at the services were held at the home of Mrs. R. L. Blewett, E. A. Deobald, Dr. G. W. McKeever, and Oscar Silnd. Mrs. Stuart Compton sang two solos. Interment was in the Lewiston cemetery.

Mrs. Sarah Waltz Passes

Mrs. Sarah Waltz, 71, of Kendrick, died at the Gritman hospital in Moscow Sunday night, following an illness of some months.

She is survived by three sons, Winfred, Orofino, Archie, Kendrick, and Lloyd of Southwick.

Some months ago Mrs. Waltz suffered a fall, a broken hip resulting. Medical care was not summoned immediately, we understand, as the gravity of the situation was not realized, and she lay in bed for some time before being taken to Moscow, where treatment was given, but she failed to respond.

Exact information as to the time of the Waltz family coming to the Kendrick section is not available, but Mrs. Waltz was classed as one of the "real old-timers" of this section.

Mr. Waltz preceded her in death a number of years ago.

The body was taken to Short's Chapel. Funeral services were held on Thursday morning from the Community church. Interment was in the local cemetery.

Recover Stolen Car

Raymond Dunn and Ed. Deobald of the Kendrick Garage recovered a 1941 Chevrolet car, belonging to W. A. Thornton of Pullman, and stolen from in front of a Moscow cafe on Friday.

The car sat near the Kendrick stock yards for about two days. Mr. Dunn lives on the hill above and could see the yards. Observing the car there Saturday and Sunday, he became suspicious, and on reading a short article in the Moscow paper regarding a car theft, went to the parked machine and secured the license number.

The sheriff's office at Moscow was called, and Mr. Dunn and Mr. Deobald were told it was the stolen car, and were asked to take possession of it, which they did, towing it to the garage.

Mr. Thornton came down to secure it on orders from the sheriff's office that night—a very pleased and happy man.

James Anderson Passes On

James Anderson, 63, farmer of the Kendrick area, died at St. Joseph's hospital at 11 o'clock Saturday night after a prolonged illness. He was a patient of that institution for about ten days. He was a native of Denmark, coming to this section some six years ago, where he is located on what is known as the Frank White place, and where he and his wife had since made their home. He leaves his wife, Mrs. Theresa Anderson.

Funeral services were held Tuesday morning at 10:00 o'clock from the family home, with interment in the Juliaetta cemetery.

## WHEAT UNCHANGED TO HIGHER IN MARKETS

Grain futures held unchanged, while cash wheat prices ranged from steady to slightly higher at Portland for the week ending Nov. 20, the U. S. Department of Agriculture reports. The extremely quiet cash wheat market situation in this area was reflected in the unusually small wheat receipts of only 249 cars for the week at Puget Sound and Columbia river terminals. Demand from all classes of buyers was light and growers were not inclined to offer freely at country points. Market requirements were mostly confined to the light current needs of mills and for feed wheat from mixers and feeders. Domestic flour business was reported only moderate to light, but export sales to the Philippines and the Americas continued of comparatively heavy volume, at unchanged indemnity prices. However, total flour business was sufficient only for the part time operation of most mills, with some shut down entirely. The movement of wheat from this area to the midwest by rail continued of small but steady volume. Light trading and movement to coast terminals was largely attributed to the holding tendency of growers on all classes and varieties. Interest in the lower grade wheat, except for feeding purposes, was slow, but mills showed some interest in special quality lots during the period.

Cash wheat quotations at Portland on Nov. 21, showed soft white (hard white applicable) at 95c; the same, except Rex not applicable, at 93½c; white club at 99c; western red at 99c; and ordinary hard red winter at 91½c per bushel, all basis No. 1 grade in bulk. Cash wheat quotations at Seattle on Nov. 21 showed soft white at 95c; soft white (no Rex) at 95c; western red at 98c; hard winter at 92c, all basis No. 1 grade in bulk.

The San Francisco wheat market was dull but steady with prices holding largely unchanged from a week ago. Current demand was slow but offerings were correspondingly light and firmness in other areas also tended to sustain local prices. The bulk of supplies in first hands were being firmly held, mostly for higher prices than current bids, which were generally around \$1.70 to \$1.75 per 100, sacked, country warehouse receipt basis, for No. 1 hard white and No. 1 soft white. Bay region mills were about on a shipping basis from Intermountain and Rocky mountain producing area, but there was no important selling pressure from these sections. Wheat prices at San Francisco on Nov. 21 showed California grown No. 1 hard white at \$1.95, No. 1 soft white at \$1.92½ and No. 1 white club at \$1.90 per 100, sacked.

Wheat prices fluctuated narrowly at Kansas City and finished barely ¼c lower. Influences pronounced enough to give the market a definite trend were temporarily lacking and daily price ranges were as narrow as at any time in recent months. Congressional action on price control, the strike situation and the war continued to be watched closely by dealers. No. 2 hard winter was quoted at Kansas City on Nov. 21 at \$1.12½ to \$1.14½.

Trading in the wheat market at Minneapolis was about as quiet as at any time on the present crop and prices ruled barely steady to fractionally lower. Rye and feed grains also finished the week with prices showing but little change from those which prevailed a week ago. Although receipts of cash wheat tapered off during the week, they were still large for this time of year. Trade was narrow as local handlers were not eager buyers and diversion point demand also lessened as cargos for lake shipment before the close of navigation, became complete. The time in which the 1941 wheat crop insurance will be operative in Minnesota, North Dakota, Montana, Washington, Oregon, Idaho and Utah, was extended 30 days, to Nov. 30, because of delayed harvesting resulting from excessive moisture. The Federal Crop Insurance Corporation announced the extension Nov. 18. It was also announced that where their original winter wheat seeding has been totally destroyed, farmers will be permitted to reseed other land on their farms if conditions prevented them from reseeding the original acreage. Despite the lateness of the season, seeding of winter wheat has been resumed in many places as a result of more favorable weather. In the central valleys and southwestern plains, considerable of the intended acreage has not been seeded. In southern Illinois, scarcely 10 per cent is in the ground and about one-fourth has not yet been seeded in Missouri. In eastern Kansas, late seeding is being rushed as soil dries sufficiently. Seeding has been nearly completed in Oklahoma and Texas, and from Nebraska northward and northwestward, and also in the Pacific Northwest, where wheat is in good to excellent condition.

First Snowfall Of Year

Last Sunday morning the first snow of the year to fall in the Potlatch canyon began coming softly down.

It fell for about three hours, the greater part of it melting as it struck, but at nightfall about half an inch remained. This stayed on the ground until Monday night, when the temperature rose and Tuesday morning none was to be seen.

Snow, which fell on the ridges, in some localities to a depth of two inches, is also said to have disappeared completely.

# What Part of \$2,254,000.00

## Would YOU Pay?

For 1940, I collected for the government \$2,254,000 in all forms of taxes. This helped meet the cost of schools, streets, highways, parks, fire and police protection, and other functions of government. If I had not turned this huge tax bill over to the government it would have been added to your tax bill and that of every other taxpayer. Providing good electric service....at rates among the lowest in the nation....is my main job. But the operations of my business benefit Spokane and the Inland Empire in many other ways too....and large tax payments is one of the most important of these benefits.

### EDITORIAL

Well, Folks — Now that F. D. R.'s Thanksgiving has been properly celebrated (we hope) it's time to think about Christmas (so far he hasn't tried to change the date on that one). And here is a suggestion we believe worth following: "Bring your cream to us each time you come to town. Keep that money separate from other funds as a Christmas Savings Account," and you'll be very agreeably surprised at how much you will have for the purchase of Christmas gifts — and you'll find the local stores will very readily accept this money. It's a suggestion — why not try it? It won't cost anything to do so.

By the way — are you using one of our locker boxes? If not, why not? You'll like the fresh, fine flavor of goods frozen until ready to use.

"Ah called to see how my fren' Joe Brown was gettin' along," said Mose at the hospital office.

"Why he's getting along fine, he's convalescing now," the nurse told Mose.

"That's O. K.," said the darky. "I'll just sit down and wait until he's through."

"Teacher, may I leave the room?"

"No, Rastus, you stay here like a good boy and fill up the ink wells."

Bobby: "Say, Uncle, when are you going to play football again?"

Rich Uncle: "When am I going to play football? What makes you ask that question?"

Bobby: "Well, Dad says that when you kick off, we're going to get a new automobile and a new house."

The Army — And Canada  
A recent announcement by the War Department discloses that arrangements have been made with Canada, whereby army trucks may travel from Detroit to Buffalo through Canadian territory, thus saving about 100 miles of traveling and avoiding congested traffic in the Great Lakes cities. The army will furnish its own gasoline. The soldiers making the trip will be in uniform, but not under arms.

### WHAT'S GOING ON IN THE KENDRICK SCHOOLS

The Junior play, "The Eyes of Tlaloc," will be given on Monday, December 1, at 8 o'clock. It is a mystery-comedy, the action being placed near the Mexican border, in an old mansion. Disappearance, hidden treasure, secret panels and a terrific storm make the whole story very mysterious. The cast of characters is as follows:

Amanda Simpkins, a New Englander ..... Lois Largent  
Ezra Simpkins, her husband, caretaker on the Rancho de los Almitos ..... Everett Varo  
Pudge Rogers, a sage brush taxi driver ..... Louis Lunders  
The Professor, interested in archeology ..... Leonard Lunders  
Tommy Tinker, interested in many things ..... Dale A. Miller  
Nancy Howe, John Wayne's niece ..... Donna Wallace  
Virginia Lee Byrd, Nancy's friend ..... Joyce Lyons  
Pat Gillis, a breezy Western girl, Nancy's friend ..... Irene Peters  
Nawa, an Indian ..... Charles Deobald  
Salvador Del Santos, a Mexican gentleman ..... Bob LaHatt  
Peppita Del Santos, his sister ..... Paula McKeever  
A Rancher ..... Eugene Lind  
Special musical numbers will be given by Wm. Fitzpatrick and La Donna Galloway.

The play is directed by Mrs. W. E. Deobald.

The U. S. History class gave a report on the various monopolies which exist and have existed in the United States.

The Bookkeeping class took a quiz which covered all the material they have studied since the beginning of the year. It was a standard examination, published by the company. Several of the students received the grade of "A."

The Homemaking I and II classes have been upholstering chairs, and are busy completing them. A rag rug is also being made.

The Homemaking III and IIII classes are selecting patterns and material for dresses they plan to make. The class also was shown a picture on "First Aid."

The band has finished the books they began the first of the term, and have taken up more advanced work.

The first basketball game of the season will be played with Deary at Deary on December 2. We all wish them luck. The students plan to hold a pep rally before the first home game.
