So far as can be ascertained by questions at the local garages, no loss in travel is yet noticeable, due to tire rationing.

From other sections come reports of service stations closing, due to a lack of business, and loss of income from tire sales.

It may be, that due to the type of roads traveled in this section the cars were better equipped with tires than the average. It is found to make itself felt, however.

Robert Alexander Writes

Minter Field, Calif.
Feb. 13, 1942

Dear Friends:
A person who has been away from home for a while really enjoys meeting an old friend and believe me, that was exactly the way I felt when I first got the home town paper. I'm glad to hear that the boys from around there are getting the Kendrick paper. I know they look forward to it each week, as I do.

I wish to express my deepest appreciation for this kind gesture. It keeps us informed and lets us know that the folks at home are behind us, which in itself is the thing that gives the soldier his fighting spirit.

Thanks again for the newspaper, and I'm sure I express the feeling of all the boys as well as myself when I say: "When we come home we'll have the 'bacon' with us."

Sincerely yours
Lieut. Robert J. Alexander.

Everett L. Fey Writes

Rantoul, Ill., Feb. 10, 1942

Dear Friends:
Here's to thank you for sending me the paper.

It surely helps a fellow keep up with the home news, and that's one thing one appreciates most when away from home — and you know no one.

Thanks again.
Everett L. Fey.

Passes Away

John Guthrie of Juliaetta passed away at his home in that place Tuesday night, after a lingering illness.

LOCAL P.-T. A. HOLDS MEETING MONDAY EVE.

The Kendrick P.-T. A. met Monday evening in the High School auditorium, where a colorful program was enjoyed, presided over by Mrs. L. D. Crocker.

Following the reading of the Minutes and Treasurer's report Mrs. Crocker appointed a nominating committee, naming Mrs. S. Cook as chairman, Mrs. E. A. Deobald, Mrs. W. L. McCreary and Mrs. A. O. Kanikkeberg.

Mrs. E. A. Deobald gave a report on a meeting held by the program committee, stating there would be a change in the program for next month, the circus scheduled for that time being replaced by a card party.

The group voted to make a donation to National Headquarters, as a Founder's Day gift.

L. W. Mason announced the sub-district basketball tournament, to be held at Culesac, beginning next Monday.

Mr. Fitzpatrick announced his plans for presenting a musical on March 5, by the band. It will be of patriotic theme, with the proceeds going to the band. He also suggested that the "band mothers" sponsor a party, with refreshments, which was immediately taken up by the president, who named Mrs. H. Galloway, Mrs. G. W. McKeever and Mrs. E. T. Long.

The meeting was then turned over to Mrs. L. W. Mason, the program chairman. The first number was two songs by a girls' trio, Gay Deobald, Beverly Schupfer and Chloe McKeever, accompanied at the piano by Paula McKeever.

Mrs. Mason made a few remarks relative to Founders' Day, and its history, stating that the best way to honor them was to carry on the work they had started.

The program which followed was a historical panorama of songs and events in the founding of our country was presented by Mrs. E. A. Deobald, Mrs. L. D. Crocker, Mrs. Silvie Cook, Mrs. A. O. Kanikkeberg, Mrs. R. L. Blewett, Mrs. F. M. Long, Mrs. W. L. Deobald, Lois Deobald, and Rev. Roy Murray.

At the close of the program the group read in unison the objects of the P.-T. A.

Wm. Fitzpatrick sang our new patriotic song: "Remember Pearl Harbor."

The group then adjourned to the Home Making room for refreshments served by the Mesdames H. Schupfer, R. L. Blewett, Ross Armitage and L. Lunders.

Farmers Dairy School

Arrangements have been made with the Department of Dairy Husbandry at the U. of I., Moscow, to have a two day Farmers Dairy School, February 24 and 25. In addition to staff members of the department outside speakers will possibly be present.

These meetings are for anyone in the county who is interested in dairy improvement and development. It doesn't matter how many cows you have, if you are interested, you are encouraged to attend and help make this second Farmers' Dairy School a success.

Ice cream, coffee and milk will be available for those who bring their lunch.

The school will be held in the Dairy building, starting at 10:00 a. m. on these two days.

Reports For Army Duty

Ernest Irvine of Lewiston, who was employed for some time by the Table Supply here, later being transferred to the Table Supply at Juliaetta, left for Lewiston Sunday, visiting there until Thursday, when he reported for army duty at Seattle Thursday.

F. B. Higley states that Mrs. Margaret Covington, assistant at the store for some time, will manage it and will be assisted by Mrs. Faye Sherman.

WHAT'S GOING ON IN THE KENDRICK SCHOOLS

The Girls League held their monthly meeting Tuesday. After the business session refreshments were served. Those on the entertainment and refreshment committees were: Donna Wallace, chairman, Irene Peters, Joyce Lyons, Pauline Kahler, Paula McKeever and Lois Wolfe.

A student body meeting was held Friday to elect pace-makers for the Senior class. Don Fry and Lois Deobald were chosen.

The highest number of words made in typing were: Betty Halseth, Typing I, 68; LaDonna Galloway, Typing II, 83.

The Ag. boys attended the Farmers' Institute, given by the Kendrick Bean Growers last week. An interesting and instructive time was reported.

Mrs. Millie Abrams has joined the cooking staff for the hot lunches.

The pictures shown this week in Visual Education were "Nature Protects Her Animals" for Biology and nature classes, and "Catalyst" for the Chemistry classes.

The Kendrick band played at the game here Friday night with Southwick. All were decked out in band sweaters. They gave a performance on the floor and then played three additional selections. The Majorettes tried their hand at "twirling" for the second time in public.

The Homemaking II class have been making picture frames over at the shop. They have selected three flower prints to be framed, and will pay for them out of their Home-making funds. They are also sandpapering their table and will make a monk-cloth drape for it. They will finish the living room as soon as they make a slip-covering for the davenport.

The "Reveille Revue" may be postponed until after the state tournament, if Kendrick gets to go. If so, all will be notified in plenty of time.

The Kendrick Tigers' downed the Southwick five Friday night 44-26. This won Kendrick a place in the Valley Tournament at Culesac. We sincerely hope the boys win out here and get to play in the state tournament at Lewiston.

The Valley tournament will be held at Culesac this year. It will be on Monday, Wednesday and Friday of next week. The four teams competing are Lapwai, Culesac, Genesee and Kendrick. The Kendrick boys won't know who they play first until Friday, but believe it is Genesee. The first game will start at 7:30, and the second at about 8:30. Admission prices have been raised to 45c for adults; students 30c, including tax.

Jerry Ingle, a member of the local chapter Future Farmers of America, won third place in a public speaking contest held at Lapwai by that organization, in this district, last Monday evening.

Friday, February 13 the fifth and sixth grades held a Valentine party, with some of the girls putting on a short skit appropriate to the day. Those taking part were Chloe McKeever, Olivine Kahler, June Brown, Dorothy Davis, Gloria Peeler, Nellie Fry, Kathryn Brown and Arlene Riley.

The game committee gave each one in the room a tail to pin on the donkey. Buford Fairfield and Chloe McKeever won the prizes.

The refreshments, which consisted of cookies, sandwiches, pickles and candy suckers were then served. Mrs. Deobald presented each one with a large peppermint stick.

Mrs. Deobald: "What part of a foot is four inches?"
Erma Fairfield: "The heel."

Clark today conformed to a request from Frank Bane, director, office of Production Management, by designating the county court houses of Idaho as the headquarters for the receipt and disbursement of the necessary materials for the forthcoming sugar rationing program. FINAL RITES HELD FOR LELAND PIONEER MATRON

Sarah Jane Coffman, daughter of Daniel and Mary Coffman, was born June 18, 1858, and departed this life on February 7, 1942, at the age of 83 years, seven months and 19 days. She was united in marriage to B. F. Fleshman of Savannah, Mo., on April 8th, 1883. To this union five children were born; one daughter, Mrs. L. L. Yenni of Leland, Idaho, and four sons, Edward of Leland, Idaho, Everett of Van Nuys, Calif., Robert of Dutton, Mont., and George, of Lewiston, Idaho. These, with the husband, 17 grandchildren, 11 great-grandchildren and one brother, Robert Coffman of Savannah, Mo., survive.

She was a member of the Leland Methodist church for many years, and remained of that faith until her death. She was a kind and loving wife and mother, always considerate of those around her.

Mr. and Mrs. Fleshman located at Leland, Idaho, in March of 1908, where they engaged in farming for a number of years, moving to their present home in 1919.

Funeral services were conducted at the Leland Methodist church on February 11, 1942, at 11:00 a. m., the Rev. C. Smith of Leland and the Rev. J. E. Walbeck of Anatone, Wash., officiating. Hymns were sung by Mrs. J. E. Walbeck of Anatone, Wash., accompanied by Mrs. Raymond Hudson of Kendrick. Pall bearers were Mrs. Fleshman's four sons, Edward, Everett, Robert and George.

Interment was in the Normal Hill cemetery, Lewiston.

Highway District Dissolved

Potlatch Highway District was dissolved by the county commissioners of Nez Perce county Wednesday afternoon, February 11, and the territory included now returns to the status of a road district under supervision of the board. The district was organized Oct. 14, 1918.

The dissolution was granted after a petition signed by 130 adult residents of the district plus 115 property title holders was laid before the board more than two months ago. The petitioners and the commissioners of the district said there was sufficient money in the treasury to discharge outstanding obligations and, this being true, that the county board had no other alternative than to order dissolution.

The three commissioners of the district—Albert Heimgartner, chairman, George A. Wilken, secretary, and J. M. Woodward—met with the board. Other residents of the district present included Jesse Hoffman, August F. Wegner, W. S. Kuykendall and R. B. Parks, who headed the list of signers.

The Potlatch Highway district had a valuation of \$560,704 and an area of 58.4 miles. It included 9.3 miles of unimproved road; 10.6 miles of graded road served with drainage, and 38.5 miles of graveled highway.

Weather Bright and Sunshine

A subscriber asked us the other day why we said anything about the weather in our columns, for everyone knew that that was, whether he realized it or not. We answered him this way: "More than thirty of the local boys in uniform are stationed from New Jersey to the Philippine Islands, and when they get the home town paper, it's of interest to them, if to nobody else."

Anyhow, since last Saturday we have been enjoying days of bright sunshine. Cool enough to freeze ice at night, but warm in the sun during the day. Daffodils and tulips are up from one to four inches.

Forsythia buds are swelling rapidly, as are the buds on the maple trees—and if we're for a calendar reading one could almost be persuaded that spring is here.

No, the squirrels aren't out yet.

Wheat Meeting To Be Held

A meeting of all wheat raisers of this section is scheduled to be held at the City Hall in Kendrick on Friday, February 20, at 2:00.

The purpose of this meeting is to consider the wheat storage problem and how farmers may secure more money for their grain by releasing it to the government now, rather than holding it in the hopes that higher prices may accrue.

The meeting will be led by Alvin MacCormack of Lewiston. It is also possible that others will address the gathering.

The storage problem of grain has become a very acute one, and the cooperation of all growers in solving it will be greatly appreciated.

Buttercups Out

The first buttercup of the year was brought to the Gazette office Friday evening by Kenneth Brown. They are said to be blooming quite plentifully on the south canyon slope above town.

Two playlets with songs between the acts were presented. The entire program was given over our public address system. Cleo Kuykendall acted as announcer and Alfred Locke as technician.

Valentine's Day was observed in each room. In the Primary room a Valentine box was in evidence, from which valentines were distributed in the afternoon, following a short party. In the Intermediate room a post office was constructed, with Junior Hudson acting as postmaster. During the day the valentines were dropped into the letter box and distributed to the boxes of each student in the room. In the afternoon each student called for his or her mail and received the valentines.

We wish to thank Mr. and Mrs. A. A. May for their donation of cash and food stuffs. Both were greatly appreciated.

CO-OPERATION IS A NECESSITY NOW!

Americans are naturally a prodical race, for with our vast natural resources, conservation and saving have, until now, not been a necessity, but today an emergency, not of our making, but real, is at hand, and we find ourselves confronted with the necessity of real saving in many way.

This emergency calls for the conservation of many items that we posses in quantity, as well as those we are forced to import. Iron ore, aluminum ore, copper, lead, zince, and many other metals found in almost limitless quantities within our nation must be conserved to meet the needs of our rapidly growing war machine — and our soldiers must be equipped and armed, and these items, as well as rubber and tin are a part of our crying war needs.

So bear in mind, when you go into one of the local business institutions and ask for something that is ordinarily carried, that this merchant is facing the problem of obtaining goods as well as yourself — don't be impatient — "Remember Pearl Harbor!" Remember that merchant wants to serve you, and will do his best to procure for you the goods or services you need.

Today, the earliest possible ordering of materials you may need in the weeks to come makes it easier for everyone, including yourself. Don't wait until you need something, place your order now and give the merchant or dealer a fair opportunity to obtain the necessary item.

Uncle Sam, as well as the local merchants ask that you do this, but Uncle Sam likewise includes a request — don't order what you won't need and horde it away — give the other fellow, who may need that item, a chance to obtain it.

The better we all cooperate — the better we pull together, the quicker we can win this war. Come on fellow Americans — Let's Go!

And one last word — "Remember Pearl Harbor."

We are prompted to sponsor this message to the people of Kendrick and vicinity through our interest in community welfare.

Still Another Double Feature
 This week's offering at the local theatre will be another of the double features that have proven popular in the past.
 The first offering of the evening will be that singing cowboy, Gene Autrey, assisted by Smiley Burnette in "Sunset In Wyoming." Gene Autrey and his western pictures need no introduction to theatre goers, and this production, one of his latest, is said to be one of his best.
 The second offering will be the Higgins Family, in "Meet The Mis-sus." This group of entertainers of the silver screen has proven one of the most popular, for their family trials, squabbles and adventures are familiar happenings in everyone's line of knowledge.
 The management will also show the only \$50,000 duck in America-reared by Walt Disney and bought by the U. S. Treasury.
 Use Want ads. to buy and sell. Small cost, large results.

JUST A REMINDER!

McCormick-Deering machines are built with Genuine IHC Parts when you buy them new. You wouldn't accept them any other way. So isn't it good business, when wear and tear or any accident make new parts necessary, to replace with the same quality products?
 You'll be sure of satisfactory performance then. Genuine IHC Parts retain and continue the performance that you had when your machine was new. Don't handicap your equipment by careless selection of service parts.
FOR YOUR PROTECTION, ALWAYS USE GENUINE IHC PARTS. GET THEM HERE.

Then You'll Be All Set To Go To Work!

EDITORIAL

Well, Folks: The war situation and many other things in our government at home don't look any too good (witness the pension law, boondoggling, etc.) so beyond mentioning the fact that we want to buy your cream, and have locker boxes for rent, we are going to devote the rest of this week's issue to fun. Maybe it will help to lighten the gloom for a few minutes.

Father: "Now, aren't you glad you prayed for a little sister?"
Small Boy: (after viewing new twin sisters) "We-el, yes, Daddy, but aren't you glad I stopped when I did?"

Marty the Marine says his idea of a real vacation is being stationed in the Hawaiian Islands and letting the girls draw straws for him.

Client, just acquitted on felony charge, to his counsel: "Thanks, old man. What would I have done without you?"
Counsel: "Oh, about ten years, I guess."

Wife: "King Alcohol reigns over you."
Hubby: "Well, darling, into each life some reign must fall."

The old timers had a better chance in one respect. The thing they lived in wasn't worn out by the time they got it paid for!

The modern Miss asked the pro if he could tell her how to play golf.

Pro: "Sure, it's easy enough. All you do is smack the pill and then walk."
Modern Miss: "How interesting. Just like some auto rides I've been on."

Grange Pinochle Party Enjoyed
Sixteen tables were in play at the Kendrick Grange pinochle party Tuesday evening, and when the "smoke of battle" had cleared away it was found that Fred Bailey held high for the men, Roy Glenn second high, and Wilbur Corkill, low. For the women Mrs. Ed Kent held high, Mrs. Jesse Thornton and Mrs. E. P. Roberts were tied for second high, and Mrs. Roy Glenn, low.
Refreshments of sandwiches and coffee were served at the close of play by the hospitality committee.
