Torrential Rain Monday

Monday evening of this week Kendrick was visited by a near torrential rain—in fact, so fast did the rain come down that visibility was cut to almost zero.
The near-cloudburst lasted for about half an hour, and gutters in town were in several places unable to carry away the water, and it ran over sidewalks and crossings. Gravel placed on the school house hill last winter to permit travel, and not yet removed, due to possibilities of silver thaws and last minute snows, was greatly thinned, much of it, plus the accumulated mud from cars and trucks, landing at the bottom of the hill, where it blocked gutters and drains, and even overflowed directly across the street at the foot of the hill. Elsewhere, mud raced into culverts and drains in such proportions they too failed to carry off the water.
This was undoubtedly the hardest rain to hit Kendrick in many months and Pottlatch creek is said to have risen about eight inches in carrying away the run-off — and it's still a deep chocolate color.

W. S. C. S. Hear Missionary

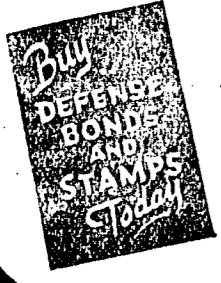

The W. S. C. S. held their regular monthly meeting last Friday in the church basement, with Mrs. A. O. Kanikkeberg, president, presiding. Following the short business meeting Mrs. Paul Lind led the group in devotional meditation.
The guest speaker for the afternoon was Miss Clara Kortemeier, who has spent the past 20 years as a missionary in China. She told of many interesting and colorful experiences, and illustrated her talk on Chinese homes with souvenirs brought from the Orient.
Refreshments were served at the close of the afternoon, with Mrs. H. Galloway presiding at the tea table. Mrs. Roy Murray and Mrs. Walter McCall were assisting hostesses.

LIGHT BRIGHTENS HOME LIFE

So you're staying home tonight

With more evenings spent at home, light takes on a new importance. More and more, the family gathers around cheerful light—to read, to play games, to have fun together. Laughter and good spirits come naturally in a setting of bright, pleasing light. If you have not had your home lighting checked recently, see to it that shades are the right kind and that lamp bulbs are large enough to give sufficient light.

EDITORIAL

Well, Folks — The war situation looks blacker and blacker—and we certainly agree with Mr. Kalpenborn, of news commentator fame, that it's certainly time someone went to work. On last Sunday's broadcast Mr. Kalpenborn certainly spoke our views, when he said that on his Washington's birthday address Mr. Roosevelt pledged round-the-clock production at defense plants, but that as he (Kalpenborn) was speaking 17,00 defense workers were idle because it was Sunday—a holiday! We wonder if the brave troops of Gen. McArthur were able to take the day off? Folks, it seems to us that now's the time to repeal that 40-hour week of "Roosevelt's social reform" and GO TO WORK! If we don't, the Japs or Hitler may have us working for them! Our boys in uniform are certainly de-

servicing of better support that it appears to us they have been getting! Bring in a can of cream. You are sure to like our cash.

An English maiden lady lived in a small house in the country with one maid. One morning the bell rang. The maid admitted the visitor, an evacuee officer, arranging for homes for children evacuated from London, then rushed upstairs. "Please mum," she blurted out breathlessly, "you've got to have two babies, and the man's downstairs!"

Lydia: "Ben is an awful pest. He never seems to know when to stop."

Hilda: "That's strange; I was out riding with him last night and he found a dandy place."

And don't forget — we want to buy your cream!

BASKETBALL TOURNAMENT

(Continued on last page)

who was benched with three fouls hanging over him early in the third. Kendrick snapped at Cottonwood's fecklessness, boomed up the reading to trail 25-19 at the end of the third and then take a 26-25 lead midway in the final frame before the worried Mustangs were able to restore any semblance of an offense when Eckert returned.

Jim Jacobs scored a free throw for Cottonwood to tie the score again at 26-all, and Eckert made a solo dash to regain the lead for the Mustangs. Don McKinley, Cottonwood's pot-shooting guard, looped in his fifth field goal and Cottonwood lead 29-26. Ossie Kanikkeberg closed the frame with a free throw, Kendrick's offense being nipped only one basket behind Cottonwood, 29 to 27.

Summary table with columns: Player, FG, FT, PF, TP. Rows include Kendrick (27), Kanikkeberg, Kuykendall, Fry, Deobald, Israel, Fraser, T. Deobald.

Craigmont 28, Kendrick 15 Saturday morning saw the final game for Kendrick with the Tigers being ousted from the tournament 28 to 15, by Craigmont in the second game of the morning session.

Don Berry was the star, cracking the basket for 12 points for Craigmont, 10 of them in the second period. Don Fry led Kendrick with six. Rivals battled for three and a half minutes before either team was able to count. In the second period Craigmont opened the throttles and left Kendrick behind. Berry, after rolling several over the hoop in the first frame, put five through in the second round.

Each team committed 10 misdemeanors. Craigmont converted four while Kendrick scored only three. In the first three-quarters Craigmont shooters stepped to the black line nine times without a conversion.

In the third period Kendrick staged a comeback but was quelled after moving within five points of the winners. Craigmont rode through on the margin in the final period, resting for the evening game against Troy for the right to enter the finals against Cottonwood.

Dustan, Craigmont guard, was shooed from the floor by Umpire Thiessen in the fourth period for "unsportsmanlike conduct in the scramble for the ball."

Summary table with columns: Player, FG, FT, PF, TP. Rows include Kendrick (15), Kanikkeberg, Kuykendall, Fry, Fraser, Lundberg, T. Deobald, C. Deobald.

Players Get Awards

At the Monday evening session, which saw the Craigmont Cougars defeat the Cottonwood Mustangs 24 to 21, individual awards and all-star teams were picked, and Kendrick landed two men in this class. The all-district Class B team is as follows:

Table listing players and their teams: Donald Berry (Craigmont), Wayne Eckert (Cottonwood), Cliff Pratt (Troy), Bob Cochran (Koonkia), Bill Harbke (Nezperce), Ossie Kanikkeberg (Kendrick), Jere Howard (Craigmont), Vayle Lisher (Lapwai), Wilmer Cox (Troy), Don Fry (Kendrick).

Players were not selected by positions, but the 10 receiving the highest number of votes of the participating coaches were placed on the honor squads.

These players received gold basketballs as their individual awards. So far as we have been able to learn, and not being present at the final session, there was no "Sportsmanship" team award this year.

The Kendrick Tigers have but one regret this season, and it is that Walter McCall, a regular on the team, but who has been laid-up the past three weeks with a severe attack of mumps, was not able to take his place with the squad on the floor, and share in their victories and defeats.

Of course the boys regret losing out in the final scramble, but feel that it was due to good playing on the part of opposing teams. They feel they received a fair and square chance, and to lose under such circumstance is no disgrace, rather an honor that they were able to occupy a tournament berth for as long as they did, and you can bet your last dollar that Kendrick and surrounding territory is mighty proud of the boys and the fine showing they made.

As a means of appreciation the squad and their coach will be the guests of honor of the Kendrick Commercial club at a dinner in the school house next Monday evening at 6:30 o'clock.

Oscar Knutson Writes

Camp Bowie, Texas March 4, 1942

Dear Friends: Just a few lines to inform you of my change of address and requesting that the Gazette (which you have so kindly and faithfully been sending me despite all the extra efforts I have caused you by my frequent changing from one camp to another) be sent to my former address in Camp Bowie, Texas.

I recently completed my course up at Fort Monmouth, so I have returned to my own organization and to my friends and buddies, which makes me feel more at home.

I hope to remain here long enough so that at least part of my mail will catch up with me, and to enjoy some of this Texas sunshine after spending the winter along the New Jersey coast.

Cordially yours, Oscar R. Knutson.
