## KENDRICK HAPPENINGS OF TWENTY YEARS AGO

Statistics show that in the United States there is a death by automobile accident every 35 minutes. 1922 statistics.

Such and such a party has been winding his clock every night for 30 years. He recently discovered it was an eight-day time-piece.

B. Assman arrived from Portland Monday. He owns a half section of land near the Chris Maier place on American ridge and may build a house on it this spring. His place is farmed by Harry Langdon.

Herman Schultz returned to his home in Spokane last Saturday, after spending a few days visiting relatives in this community.

Herman Schupfer drove to Lewiston in his car Sunday. The road was dry practically all the way.

Mr. and Mrs. Cyrus Roberts have arrived home from Moscow, where they spent the past winter. They will stay on their farm on American ridge this spring and summer.

The cement floor is being put in the new theatre this week. Next week the plastering will be done, after which a board floor will be laid over the cement, where the seats are to be placed.

Miss Elsie Thomas arrived Tuesday from Lewiston for a visit with home folks.

Mrs. LaPayette Keene returned to her home in Moscow Tuesday, after visiting her daughter, Mrs. Ira Havens, on American ridge.

Silvie Cook of Potlatch ridge went to Lewiston Thursday for a visit with friends.

Born, to Mr. and Mrs. Clarence Fry of Linden, Thursday, a daughter.

Cameron News—There isn't much news this week on account of sickness. Everybody in and around Cameron has been sick with flu.

The Misses Martha and Ida Silflow went to Lewiston Thursday to be present at the dedication of the Lutheran church of that place.

Gus and Etta Blum have been helping Carl Lohman for the past week. Mr. Lohman and family are now on the road to recovery.

There hasn't been a large attendance at school for the past three weeks, as practically all the children have been ill.

Carl L. Wegner went to Spokane on Tuesday on business. We are glad to report that the Carl Hartung family are able to be out again.

Linden News—The George Garner family were Sunday guests in the home of Mr. and Mrs. McPhee.

Elmer Shingler left Friday for Outlook, Wash., where he has employment. Lou Alexander and family spent Sunday in the W. H. Weyen home.

Mrs. Vaughan was a caller in the Fry home Sunday afternoon. All the sick folks seem to be better now.

Big Bear Ridge—There is now no sickness in our community. Evan Lien returned home Tuesday after having visited relatives in Spokane.

Albert Nelson, accompanied by his cousin, Boyer Nelson, of Little Bear ridge, left Tuesday for Kellogg to remain indefinitely.

The Girls' Sewing club and a number of guests were entertained by Miss Helen Slind and Mrs. Hartwick Nelson Tuesday afternoon.

Knute Lathrop was elected highway commissioner to succeed K. L. Karlson, in the Deary Highway district.

School Notes—Basketball letters for the season were presented by the coach, Mr. Carlisle, to the following boys: Egnaz Flaig, captain, Claud Stanton, Wayne Herres, Norla Callison and George Brocke.

Wm. Fitzpatrick Busy  
Wm. P. Fitzpatrick, music instructor in the Kendrick schools, has been quite busy with extra activities the past few days.

On Tuesday, March 17, he was featured at the St. Patrick's party at the Clarkston Country club.

## Suggest Quit Slicing Bread

The office of price administration has suggested that bakers stop slicing bread.

The proposal was offered as a means of saving time, labor and paper by Fred Thomas, OPM official, at a meeting of the baking industry advisory committee called to consider means of reducing bakery costs to prevent price advances.

Ed's Note—If the government is so set on saving paper, we suggest that they eliminate sending to the papers of the nation thousands of tons of paper "propaganda," with which every newspaper office is bombarded, most of which is of absolutely no interest to anyone.

## 1185 LATAH COUNTY MEN GET LOTTERY NUMBERS

Elven hundred eight-five Latah county selective service registrants from 20 to 44 inclusive, had order numbers assigned to them Wednesday last week as a result of the "fish bowl" lottery conducted at the nation's capital during an all-night vigil. They are the men who registered February 16, and the order numbers all bear the letter designation "T"—meaning the third selective service classification.

The first order number affecting a Latah county registrant was in the fourth green capul drawn from the "fish bowl" and it listed Almon John White of Genesee as No. 1 in the new Latah county list. His name had been given serial number 441 when the registration cards were shuffled and numbered by the county selective service board on Monday night, March 16.

The succeeding nine names come from every section of the county, with Hjalmer Edwin Dalberg, Moscow, No. 2, his serial number being 1103.

No. 3 for Latah county is Lloyd Dewey Vassar, Bovill, and No. 4 is Jackson Howard Lawton, Moscow. No. 5 is Joseph Marion Evans, also of Bovill.

It is not expected any of these third-registration selectees will be called before June, many of them being in the older group from 36 to 44 inclusive, will be in deferred status.

The other five of the first ten drawn include: Oscar Bertil Davidson, Potlatch, No. 7, Pete John Stump, Kendrick; Melvin Thomas Procunier, Troy; Ray Evans Muck, Potlatch; Norla S. Callison, Kendrick.

## JOHN BARNES, LOS ANGELES, DIES FROM RIFLE WOUND

John (Jack) Barnes, formerly of Genesee, but a resident of Los Angeles for the past ten years, died Wednesday evening, March 18, at 7:50 o'clock, according to a telegram received at Genesee by the Follett families early Thursday morning.

A letter received Thursday afternoon stated that Mr. Barnes was accidentally wounded by a bullet from a high-powered .30-calibre rifle while he was cleaning the gun with a cloth.

Several guests had been at the family home, and Mr. Barnes had shown the rifle to friends. He had prepared to retire for the night and was in his sleeping garment when he started to wipe off the rifle, when the cloth caught in the trigger and discharged the gun. The bullet ranged upward from the left side of his body, shattering several ribs, puncturing one lung and after leaving his body, went through the bedroom door and into the ceiling of an adjoining room.

Mr. Barnes was in the bathroom when she heard the shot, and rushing to the bedroom found her husband lying against the door. She was able to move her husband enough to open the door, and learning of his injury, immediately summoned aid.

Mr. Barnes remained conscious for some time after his injury, and was immediately rushed to a hospital where blood transfusions were administered in an effort to restore the rapidly diminishing supply that was draining from the wound.

When the letter was written, it was stated that Mr. Barnes was showing some improvement, but in the meantime he began to lose rapidly.

Mr. Barnes, his wife, the former Miss Faith Follett, and son, Jack, moved to California about 12 years ago, where the deceased continued his work as an electrician, and in recent years has been employed by one of the major aircraft companies.

He is a veteran of the first World War, and while at Genesee was manager for the W. W. F. Co. later serving in the same capacity at Kendrick, Troy and Wilbur. The son, Jack, 21, is in the U. S. navy, and was at Pearl Harbor December 7. He has been heard of by his grandparents, Mr. and Mrs. Leon Follett, and is now on convoy duty. — Genesee News.

Engagement Is Announced  
Mr. and Mrs. Edward Beard of Hammond, Ore., announce their engagement and approaching marriage of their daughter, Barbara, to Ensign George M. Davidson, U. S. N. air corps, son of George Davidson of Kendrick, Idaho.

The news was told Friday afternoon at a 1:00 o'clock luncheon for which Mrs. Brewer Billie was hostess at Ocean Farm home. Individual placecards bearing tiny gold rings and the names of the couple were used as table decorations. The wedding has been set for Sunday, March 29, and will take place at the Grace Episcopal church at 4:00 o'clock.

Miss Beard attended the Astoria schools and St. Helen's hall in Portland. Ensign Davidson attended the Lewiston State Normal school and was graduated from the University of Idaho, where he was a member of the Delta Chi fraternity. — Astoria Budget.

Johnny Keeler Writes  
Denver, Colo. March 20, 1942

Dear Mac:  
Thought I would drop you a line and thank you for the paper again, for it's mighty welcome. I get a big kick out of reading the other boys' letters that appear.

I haven't seen anyone that I know, although I know that there are some boys here from Latah county. I could read lots of letters if anyone cared to write.

I expect to be here more or less permanently, so my address remains the same.

Eds. Note—We're sorry we can't print the addresses of local boys in the service, but regulations forbid.

## Teddy Roosevelt's Creed

I believe in honesty, sincerity and the square deal; in making up one's mind what to do—and doing it.  
I believe in fearing God and taking one's own part.  
I believe in hitting the line hard when you are right.  
I believe in speaking softly and carrying a big stick.  
I believe in hard work and honest sport.  
I believe in a sane mind in a sane body.  
I believe we have room for but one soul loyalty, and that is loyalty to the American people.

## CASH WHEAT PRICES DROP IN PACIFIC NORTHWEST

The cash wheat market situation in the Pacific Northwest developed a weaker tone during the week ending March 20, according to the U. S. Department of Agriculture. Prices on the principal classes of wheat declined 2½c to 3c per bushel as compared with the previous week at Portland. Market weakness was partly attributed to sharply lower wheat futures prices at important midwestern markets, but also reflected the extremely slow demand for cash wheat from all classes of buyers.

Wheat receipts at Columbia River and Puget Sound terminals totaled 426 cars for the week, largely representing deliveries on earlier purchases by terminal buyers, since current marketings were reported very light at country points. Export flour sales under the indemnity plan to Central and South America were reported as light and only about half those of a week ago. New domestic books were also reported as extremely light. Flour mills furnished about the only outlet for the light offerings in the cash wheat market, but their needs were small and mostly confined to special milling qualities.

Movement of Northwest wheat by rail eastward was again of small volume and business to California was only moderate to light. Local mills are mostly being supplied with wheat from earlier purchases and their special needs are being filled mostly from terminal stocks. Trade advices indicate trading in cash wheat at the principal Northwest terminal markets was unusually quiet during the past several days, with very dull demand and light country offerings.

Cash wheat bid prices at Portland on March 20 showed soft white at \$1.00; soft white, no Rex, at \$1.02; white club at \$1.03; western red at \$1.02 and hard red winter at 99c per bushel, all basis No. 1 grade in bulk.

Declines of 3c to 4c per bushel occurred in wheat prices at Kansas City. The weakness was influenced by the general favorable condition of the winter wheat crop as the spring growing season approaches, modification of AAA rulings to permit the harvesting of several million acres of volunteer wheat, discussion of a possible Presidential veto of legislation prohibiting disposal of government owned commodities at less than parity, and a slow flour trade.

There was no material change in the trading basis of cash wheat at Minneapolis. Receipts were somewhat smaller and the daily offering did not extend enough pressure to weaken the market even though the demand was narrow.

The San Francisco wheat market was dull, with a somewhat weaker tendency, influenced principally by declines in other markets, together with slow local demand. Light offerings tended to hold declines in check, but prices were mostly about 2½c per 100 lower, compared with a week ago. Offerings of good milling wheat were especially light.

Wheat quotations, basis No. 2, f. o. b. Ogden mills were: Dark hard winter and dark northern spring, \$1.03; hard winter and northern spring 98c; hard white \$1.07; soft white \$1.02 and western white \$1.00 per bushel. Denver mills were bidding 97c per bushel for No. 2 hard winter and No. 2 northern spring, basis f. o. b. Colorado common points.

Fix Ridge Pioneer Passes Away  
Marshall G. Carlton, 72, pioneer farmer of the Fix ridge section, who made his home at Juliaetta, passed away at St. Joseph's hospital at 8:30 a. m., Friday, March 20. Death was attributed to a paralytic stroke. He had been a resident of Latah county for 41 years.

Survivors include his wife, Mrs. Caroline Carlton; six children, William Carlton and Vance Carlton, both of Bremerton, Wash.; John Carlton, Moscow; Charles Carlton, Los Angeles; James Carlton, at home; Mrs. Ward Rukgaber, Pueblo, Colo. Two brothers and two sisters also survive: William Carlton and Price Carlton, both of Dayton; Mrs. Zora Cox, Walla Walla, and Mrs. Roxy Beach, living in North Carolina.

Funeral services were held Monday afternoon at 2:00 o'clock at the Juliaetta United Brethren church, with the Rev. Franklin Norris officiating. Interment was in the Juliaetta cemetery.

High School News  
The nine-weeks' quizzes were given last week in the high school. Report cards were handed out Wednesday—bad news and all.

The Freshmen gave their return party to the Sophomores last Friday, with all the high school invited. Following two hours of dancing refreshments of pop and cookies were served. Everyone reported a delightful time.

The highest records for typing this week are: Jerry Ingle in Typing I, with 65 words; and Irene Peters in Typing II with 81 words.

The school wishes to thank A. C. Wilson for the onions. They are a welcome addition in the hot lunch program.

The pictures shown this week in Visual Ed. were: "People of Hawaii," for all; "Electrons," for the Chemistry class; "Roots of Plants," for the Biology class.

The Senior class is very busy working on their play, to be presented April 6. It seems to be hard and tedious work.

The date of the Junior Prom has been set for April 24. Admittance will be by invitation.

# The "Business As Usual" Slogan Has Passed Out Of The Picture

Not so many months ago "Business As Usual" was the slogan, despite the huge demands being made on American factories by nations fighting the Axis, which then consisted of Germany and her satellite, Italy. But with the striking of the sneaky Japanese at Pearl Harbor, December 7th, and the resultant war with the United States, the "Business As Usual" slogan died with that attack.

Today, business, far from being "as usual" must be, of patriotic necessity, subordinated to the war effort, and business conditions have become more and more difficult for everyone.

Today priorities and rationing are familiar and accepted words and facts with the American public. And with them has come greater and greater difficulty in obtaining prompt delivery of goods and repairs. With them has come the necessity of ordering repairs and materials months in advance of their actual need, for not one item that is not absolutely necessary to maintenance of necessary machines will, or can be made.

So don't be offended when the merchant or business man says "Sure, I've got it, but you'll have to sign a priorities order," for it is the only way he can replace that item in his stock. Or, "I'll be glad to order it for you, but you must sign a priorities so that I can get it." He isn't "pulling a fast one on you," but playing the game Uncle Sam's way.

And today, more than ever before, the Home Town is the place to do your trading, for 90 per cent of all prices are "frozen" by government decree, and your trips out of town are an unnecessary expense and cause useless wear on those precious, irreplaceable tires of yours.

A few minutes spent with a pencil and paper will quickly convince you that Kendrick is the better place to do your trading. Try it and see!

We are prompted to sponsor this message to the people of Kendrick and vicinity through our interest in community welfare.

## To Sponsor Junk Collection

Plans are underway by the Kendrick Grange to sponsor the collection of a carload or more of metal junk, badly needed in defense steel industries.

The tentative plan calls for the collection of this junk at Kendrick, and the loading of it directly on a car or cars. By this system unnecessary handling and labor can be avoided, and the arriving truckloads properly weighed.

This collection and shipment, must of necessity be put off for some time, since roads are soft and the junk piles of many farmers are on the canyon rims, where it is impossible to get the metal at this time.

However, the Grange committee asks each farmer to get his junk into a pile on his farm where it is readily obtainable for hauling on the appointed day or days, and to estimate the number of pounds he has as near as possible — but please be careful not to over-estimate.

This venture is strictly a non-profit one for the Grange, and the co-operation of farmers and junk owners will be needed to assure its success.

Remember, get your junk where it is readily accessible as soon as possible, estimate the amount (in pounds) carefully, and watch this paper for further news of the plan.

## WHAT KENDRICK FOLKS ARE DOING THESE DAYS

Arlon Crocker left Saturday for Portland, Oregon.

Mr. and Mrs. Laurence Kuykendall moved to Pierce last week-end. Lester Wallace left last Monday for Red Bluff, Calif., where he will work. He has planned for two months shearing work there.

Mr. and Mrs. Herman Schupfer were Lewiston visitors Wednesday. Tom Keene and Anne Deobald were accompanied home Saturday evening by little George-Anne Jones of Uniontown.

Rev. Fred Pederson of Walla Walla was an over-night guest in the R. H. Ramey home Saturday night.

Mrs. Bina Raby spent the week-end in Clarkston with the Oscar Raby family. On Sunday they brought Mrs. Raby home.

Mr. and Mrs. George Brocke and son Darrell, accompanied by Mrs. Otto Sillow, were Spokane visitors last Wednesday and Thursday.

Lloyd Farrington, Roy Faye and "Snooks" Bartlett left Wednesday morning for Tacoma, where they plan to get work. They took their trailer house, and will live in it.

Mrs. Elizabeth Keeler of Clarkston is here visiting her daughter, Mrs. Rose Farrington.

Rev. Fred Pederson and Rev. Roy Murray were dinner guests in the home of Mrs. Laura Groseclose, Juliaetta, Sunday evening.

Mr. and Mrs. E. R. Porter and sons were guests in the James Emmett home Sunday.

Mrs. W. L. McCreary, accompanied by her sister, Mrs. E. E. Sands, were luncheon guests in the home of Mrs. N. M. Leavitt, Genesee, on Monday.

Mr. and Mrs. George Jones and baby were visitors in the home of

Mr. and Mrs. Wade Keene, Wednesday.

Mr. and Mrs. Silvie Cook and daughters were Sunday guests at the home of his mother, Mrs. Emma Cook, Leland.

Mrs. Effie Wright spent Saturday and part of Sunday in Lewiston with her niece, Mrs. Glee Melcher.

Mrs. E. E. Sands of Seattle, who has been visiting at the home of her sister, Mrs. W. L. McCreary and family, left this morning, Thursday, for her home. Sunday the McCreary family, accompanied by Mrs. Sands were Spokane visitors, called there by the serious illness of their mother, Mrs. F. E. Griffith.

L. S. Thurber returned Tuesday morning from a business trip in Spokane, going to that city Sunday evening.

Roy Johnson of Headquarters spent the week-end here with his family. He is employed at that point by Potlatch Forests, Inc. Bruce Wilson, P. F. I. employee, spent the week-end here with his family.

## W. W. P. Crew Here Again

The W. W. P. Co. line crew, which was working here some two weeks ago, has returned and is again busy about town, rebuilding and repairing lines and shifting transformers to insure better service.

Four men are in this crew, and are being assisted by the local force, H. C. Schupfer and Phil Johns.

## Granddaughter Married

Mr. and Mrs. Fred Crocker received word last week that their granddaughter, Marie Baker, had been married to Jonas Meek in the chapel of the Methodist church at San Pedro, Calif.

## Weather Cold and Dreary

The weather the past week has left much to be desired in that department. The Potlatch section has been bombarded with hail and rain, wind and snow, cold nights and chilly days.

Flowers were starting to bloom a week ago, but since that time are showing but little, if any, signs of advancement.

A week ago Sunday squirrel shooting was the rage — last Sunday an overcoat was more in order.

## Better Lay In A Supply

An ugly report has been going around of a possible shortage of defense bonds. Everybody should get panicky and start to hoard.

## Unload Carload Of Tractors

Friday of last week the Kendrick Bean Growers unloaded a carload of International wheel tractors, and now have them on display.

**NOTICE FOR PUBLICATION**

Serial No. 014082

Notice is hereby given that Gustav Olson, St. Joe, Idaho, on February 25, 1942, filed formal application under the act of March 20, 1922 (42 Stat. 465; 16 U. S. C. 485) as amended by the act of February 28, 1925 (43 Stat. 1090; 16 U. S. C. 486), to exchange land for timber of equal value within the St. Joe National Forest, Idaho.

The applicant offers the following described land:  
 N $\frac{1}{2}$ SW $\frac{1}{4}$ , SW $\frac{1}{4}$ SW $\frac{1}{4}$ , Sec. 12, T. 43 N., R. 2 W., Boise Meridian in exchange for the right to cut and remove timber to be designated for cutting upon approximately 20 acres, comprising portions of the NW $\frac{1}{4}$ SW $\frac{1}{4}$ , Sec. 21, T. 42 N., R. 2 W., Boise Meridian.

The Assistant Secretary of Agriculture states that the public interests will be promoted by the exchange, that the offered land is valuable chiefly for national forest purposes, and that the timber selected in exchange does not exceed the offered land in value.

In view thereof, and as there are no apparent objections, the proposed exchange is hereby approved, subject to the submission of an acceptable title to the offered land, compliance with the law and regulations, and to any intervening valid objections.

Any person claiming the land described herein or having bona fide objections to the application is advised to file a protest with the Register, District Land Office, Coeur d'Alene, Idaho, on or before April 15, 1942.

ARTHUR J. EWING,  
 Register.

**"I saved 25½ Quarts of oil in 325 hours.. with a FRAM."**

Says Darryl C. Grover  
 Riceville, Iowa

Mr. Grover also says:  
 "Until now I have changed the oil every 60 hours."

**SAVED 45 GALLONS THE FIRST YEAR**  
 Fred North of Blackwell, Okla., saved 45 gallons of oil the first year after installing a FRAM.

**SAVED ITS COST IN 40 DAYS**  
 A Caterpillar Diesel 75, formerly changed oil every 35 hours. Now, with FRAM, they change oil every 20 days.

**SAVED 7 OIL CHANGES IN 400 HOURS**  
 C. D. Goven of Pratt, Kansas, used to change oil every 50 to 60 hours. Now, with FRAM, he changes oil 400 hours.

**EASY TO INSTALL**  
 Now specially designed brackets, Fullflex oil-lines, make installations simple as A-B-C.

**GUARANTEE**  
 Install a FRAM. If within 90 days you feel you can afford to be without it, bring it back and your money will be cheerfully refunded.

Successful farmers are saving money on oil... saving the time commonly wasted changing oil... and protecting their motors by installing FRAMS on their tractors.

There is no doubt that clean oil will last longer than dirty oil, nor that motors lubricated constantly with clean oil will cost less in repairs. The FRAM Oil and Motor Cleaner keeps both oil and motor clean and free of dust, dirt, abrasives, sludge and harmful acids. That is why successful farmers are equipping their tractors with FRAMS — saving money — saving their motors — saving time. Why don't you investigate?

**Technicolor Musical On Tap**  
 This week's offering at the Kendrick Theatre will be one of the top ranking musical hits of the 1941 season, "That Night In Rio," which has as its stars those favorites of the screen and air, Alice Faye, Don Ameche and Carmen Miranda.  
 The first two need no introduction to theatre goers, but perhaps Carmen Miranda is better known as "The Brazilian Bombshell." The production is full of fun, advocating a return to the bicycle gay dances and songs, and a love and Old Dobbin.—Exchange.

**TO HELP WITH AMERICA'S GREAT TASK!**

*Your Electric Servants are more Important than Ever*

Each week, each day, each hour, there will be more extra things to do, as America's war effort mounts. Keep your electric appliances in working order, for they will continue to give you extra time — not leisure time any more, but time to take part in the things that help with the great task to which America has set itself.

**SEE YOUR ELECTRICAL DEALER**  
 As time goes on, it may be more difficult to replace your electric appliances, for metals are precious in war time. Have your electrical dealer make periodic checks of your appliances, for they may have to last "for the duration."

WE NEED MORE CONTENTED COWS  
HAROLD THOMAS, Editor

EDITORIAL

Well, Folks, It seems like the Americans are the only ones who can fight those sneaky, snakey little brown men to a standstill, and are still doing it— but as the saying goes "The worm will turn" someday. In the meantime, you can help the Defense movement by heavier production of cream and eggs, two vitally needed products in our drive for victory, and in helping Uncle Sam, you are helping yourself as well, for dollars will flow into your pockets from these products.

Bring in your cream, we pay you spot cash, and return a steam-sterilized, ready to use can. There's no waiting, no fuss, no bother. Cash on the barrel-head is our belief.

And by the way, if you have not yet selected your locker box for the coming season, do so to-

day. It's the modern, safe, quick and easy way to "can meats and vegetables."

A college professor had checked out of a hotel, leaving his umbrella. Returning to the hotel, he learned a newly wedded couple had taken the room. As he approached the door he heard a kiss from within and the groom say: "Whose little mouth is that?"

"Yours," cooed the bride.

"And whose 'little neck'?" he asked, kissing again.

"Yours, of course, sugar plum," she replied sweetly.

"And whose little hands?" kissing them.

"Yours, all yours," she murmured.

"Listen here, you folks," shouted the professor, "when you come to the umbrella, that's mine!"
