KENDRICK HAPPENINGS OF TWENTY YEARS AGO

Frank Bencoter of American ridge was a passenger to Lewiston yesterday afternoon.

Joe Piper of Potlatch ridge went to Lewiston Thursday afternoon on business.

Mr. and Mrs. Frank Wilken and Mr. and Mrs. Wm. Wolf were dinner guests Sunday at the home of Mr. and Mrs. Herman Wolf of the Fairview community.

Sylvester Kazda spent the weekend with relatives in Lewiston.

A daughter was born to Mr. and Mrs. E. A. Deobald Saturday, April 15. The little Miss has been named Margaret Arlene.

Mrs. M. V. Thomas returned Tuesday afternoon from a visit at Lewiston.

A report came from Kansas the first of the week that swatting flies was the popular pastime there while snow shovels were still in vogue here.

The most serious consequences following the latest spring in history, is the shortage of feed. Many four-horse loads of baled hay are being hauled from local warehouses to the farms in the surrounding country. The price is high and the roads have been bad, so it has not been a very pleasant situation to those who have had to buy feed. One farmer who had a large surplus last fall, which he sold on a low market, had to buy from the warehouses and haul the feed back to his ranch. He "sold short" and the continued bad weather upset his calculations.

Miss Tora Halseh, daughter of Mrs. L. Halseh, and Lewis Pearson, son of Mrs. S. P. Callison, were married Saturday afternoon in the Methodist parsonage. Rev. Perry officiating. Miss Clara Bailey and John Halseh, brother of the bride, accompanied the happy couple to Moscow, and were present at the ceremony. A delightful wedding dinner was served to the party at the Moscow Hotel, after which they returned to Kendrick on the night train, where a party of friends awaited them, and all spent a jolly evening at the Halseh home. Mr. and Mrs. Pearson are popular young people and have a host of friends in this community. They will make their home in the property owned by Mrs. Stanton.

Earl Langdon of Crescent stopped at the Gazette office the first of the week to tell us about a big hog he butchered last week. It weighed 467 pounds dressed, and he received 12 cents a pound for it at his ranch. Oscar Morey was in the Gazette when Earl told his story, and he was reminded of a hog he brought to Kendrick a number of years ago, which weighed 840 pounds. It was probably the largest hog ever brought to Kendrick—at least we have never heard of a larger one. Earl made his mistake by telling his story first.

Leland Items—Last Sunday morning looked more like Christmas than an Easter morning, with its 10 inches of snow, but it went away about as quickly as it came and it now bids fair to be spring soon. At the declamation contest held in the school here Friday, Claud Hall won first place and Raleigh Smith, second. Born Friday, to Mr. and Mrs. Phillip Daugherty, a 10-pound daughter. Mrs. Hund entertained at dinner Sunday for Mr. and Mrs. Frank Bunker and children and Mr. and Mrs. Hugh Parks. Mr. Koepp is going into the poultry business, having bought Wm. Behrens' stock, consisting of 100 full blood White Leghorn hens.

Linden News—Miss Eva Smith is again on the ridge. Miss Celia McPhee is helping Mrs. Clem Israel cook for the saw mill crew, the mill having started Friday. Frank Lyons and family spent Sunday in the Longfellow home. Rev. and Mrs. Pressnall were guests in the Ed Darby home Sunday.

Cameron News Items—"The Hooded Coo," a three-act farce, will be given by the Cameron school on April 27, commencing at 8:00 p. m. Those taking part in the play are: Elsie Wegner, Herbert Mielke, Wilbert Brunseik, Fred Wegner, August Hartung, Minnie Blum, Martin Abitz, Bertha Hartung, Elsie Wegner, Ida Shiloff, Henry Wendt, Gus and Carl Kruger, and Herman Meyer were Sunday guests of Miss Martha Shiloff. A double surprise party was given at the Shiloff Brothers' home last Sunday afternoon, the occasion being the birthday anniversaries of Otto Shiloff and George Larson. At 5:00 o'clock a delicious lunch was served, consisting of potato salad, deviled eggs, sandwiches, cake and coffee. All enjoyed a very pleasant afternoon. Mr. and Mrs. A. H. Blum, Etta and Mnnie Blum, Martha Abitz and Herman Shiloff spent Monday evening at the Rev. Rein home. Miss Laura Blum returned to Kendrick Monday evening, spending several weeks with her parents. Mr. and Mrs. E. Wegner of Big Bear ridge spent Easter with relatives here. Friday, April 14, being the seventh anniversary of the wedding of Mr. and Mrs. August O. Wegner, and Rev. and Mrs. E. A. Rein, the two families commemorated the day by having dinner together at the home of the latter. A few callers dropped in during the afternoon to wish the couple many happy returns of the day. At the school election held here last Saturday, Aug. O. Wegner was elected to succeed Wm. Hartung, whose term of office had expired.

Condition Improved
Mrs. Ellen Starr, Southwick, who suffered a stroke last week, is reported as much improved at this time.

Has Five Sons In Service

When the Washington State College radio station recently offered service stars to mothers of soldiers, Mrs. Vada O. Hicks of Juliaetta, modestly wrote asking for one. Now she has five stars, for a KWSC investigation has revealed that she has two sons overseas with the marines in the Pacific, and three other sons are in the army.

Their father, Chas. McAllister, fought under the elder McArthur in the Philippines during the Spanish-American war, while forefathers on both sides of the family helped the United States win its independence in the revolution. The record of Mrs. Hicks' sons, and of the family, is one of which anyone, anywhere, could well be proud.

P. T. A. AND OPEN HOUSE HELD MONDAY EVENING

The Kendrick P. T. A. met Monday evening at 8:00 o'clock, in the high school auditorium, with Mrs. L. D. Crocker presiding. Following the reading of the minutes and the treasurer's report, Mrs. Crocker installed the newly elected officers as follows: Mrs. Hiram Galloway, president; Mrs. H. C. Schupfer, vice president; Mrs. George Brocke, secretary; Mrs. Walter McCall, treasurer. The meeting was then turned over to the new president.

L. W. Mason made several announcements, in which he called attention to the Assembly program, to be given at 8:00 p. m. Tuesday of this week in the gym.

He also announced the Mother-Daughter Tea, which will be held on Tuesday, April 28th; and the Music Festival, to be held in Lewiston on Saturday, April 25. He stated that quite a number of cars would be needed to transport the band to Lewiston, and that anyone willing to help would be greatly appreciated. He asked that please notify him.

Marvin Powell was asked to give a report on his trip to Asotin Saturday, where he took the F. F. A. boys to the Fair at that place, to take part in judging contests. Mr. Powell stated the boys placed second in the stock judging, competing against ten other teams. By their second place victory they won a purebred steer for their chapter.

There being no further business, all adjourned to the gymnasium to enjoy the "Magic Gingerbread" opera, given by grades one to four inclusive, the program of which follows:

The Cook	Roger Jones
Molly	Maxine Dammarell
Nan	Delores Crocker
Jan	Patricia Brocke
Susie Jan	Patricia Long
Susie Ann	Marilyn Schupfer
The Ginger Man	Max Dammarell
His Wife	Norma Maynard
Bridget Ann	Patricia Toot
The Twins	Maxine Slind
The Witch	Dorothy Glenn
Directors	Joretta Holt
Miss Salisbury	Mrs. Salisbury
Miss Henningsen	Miss Henningsen
Accompanist	Paula McKeever
Special Number	Noel Thomas
Helpers	Anna Pemberton
	Beverly Schupfer

At the conclusion of the opera, all adjourned to the school building, where open house was held in the grade rooms, displays of work done by the students, bringing much favorable comment.

At the conclusion of the open house period refreshments were served by the hospitality committee in the Home Making room.

Kendrick F. F. A. Wins Steer

The Kendrick F. F. A. High school team, composed of Norman Fry, Junior Israel, and Harry Harris, won a fat steer as prize for second place honors in the Livestock Judging contest at the fourth annual Asotin county fair, held Saturday, April 18, at Asotin. Pomeroy took first place with a total of 2,918.7 points; while Kendrick followed in the runners-up spot with 2,887.7 points. The other teams competing, in the order of their final placements were: Walla Walla, Clarkston, Rockford, Dayton, Colton, Lapwai, Moscow, Asotin and Prescott.

The Pomeroy trio won a Hereford steer donated by Howard Roup of Cloverland; and the Kendrick squad was awarded another fat Hereford steer, contributed by Judge Tippet of Rogersburg. Mr. Tippet will keep this steer until next fall, when it will be turned over to the local F. F. A. chapter, which will let it out on contract to a future farmer to feed out. In acceptance of this prize the F. F. A. chapter agrees to have the steer shown at the Spokane Livestock Show, and at the next Asotin County Fair.

The merchants of Lewiston and Asotin donated merchandise prizes to the first 17 individuals winning high honors. All three Kendrick boys rated in this group, with Norman Fry, seventh, winning 25 pounds of calf manna; Junior Israel, ninth, winning a flashlight; and Harry Harris, thirteenth, winning a can of fly spray. The team also won a second place banner.

Dinner Honors Pete Tschantz

Mr. and Mrs. Joe Tschantz of Southwick entertained at dinner on Sunday, April 19, in honor of Pete Tschantz, who is to leave soon for army service.

Those present were the guest of honor, Pete Tschantz, Chris and Henry Tschantz, Mrs. Zula Fairfield, Mr. and Mrs. R. F. Fairfield, and Donna Mae Jones, all of Clarkston; Mrs. Edna Eckman, Kendrick; Mr. and Mrs. N. C. Donaldson of Pomeroy; the host and hostess and their sons, Bob and Joe.

QUOTA REFERENDUM VOTING PLACES SELECTED

Plans for conducting the nationwide 1942 wheat marketing quota referendum in Latah county, May 2, were announced as complete this week by H. F. Koster, chairman of the Latah county AAA committee.

Polling places, operated by "referendum committees" of wheat producers who themselves are eligible to vote in the referendum, will be set up as follows:

Troy, Grange Hall, 9:00 a. m. to 9:00 p. m.
Kendrick, City Hall, 9:00 a. m. to 9:00 p. m.
Deary, Grange Hall, 9:00 a. m. to 9:00 p. m.

Committees in charge will be as follows:

Troy — George Hoidal, chm., Melvin Smith, Marvin Chaney, with Claude McGahan, alternate.

Deary — Dave Peterson, chm., Emil Burkland, Theodore Kellberg, and Geo. Brennan, alternate.

Kendrick — Gerald Ingie, chm., Roy Glenn, Harry Bencoter, with Nora Callison as alternate.

Folls will be open from 9 a. m. to 9 p. m. and an unofficial count of ballots will be made following the close of the polls, Koster said. County results will be reported to the state AAA office at Boise, and unofficial national returns will be tabulated immediately from the state totals.

Any eligible voter — one who is interested in a farm on which 15 acres or more of wheat is planted for harvest in 1942 and the normal production on the acreage is 200 bushels or more — who does not expect to be in the county where his farm is located on May 2, may obtain a ballot from the nearest county AAA office and mail it to his home county. It will be counted if it arrives on or before May 2.

Any resident of Latah county who might be eligible to vote in some other county or state and will not be able to attend their home referendum, may obtain ballots at Moscow at any time, Koster said.

Mrs. Raymond Smith At Rest

Dora Irene Smith passed away at Kendrick Monday morning, April 13, at 8:30 o'clock, at the C. H. Davidson home, Kendrick, following the birth of a son. Although she had not been in good health for some time, her passing was a great shock to her family and the community. She was born at Southwick Dec. 1, 1920.

She was the wife of Raymond Smith, Southwick, and a daughter of Mr. and Mrs. John Lettenmaier, also of Southwick, and had spent all of her short life in this vicinity. Mrs. Smith obtained her education in the Southwick grade and high schools, and took an active part in school and community affairs. Her untimely passing leaves a spot that can never be filled in the community, as well as in the family.

Survivors include her husband, Raymond Smith, infant son, Gary; her parents, Mr. and Mrs. John Lettenmaier; two sisters, Mrs. Elaine Skinner, and Ruth Lettenmaier; one brother, John Lettenmaier, and a number of uncles and aunts.

Funeral services were held Wednesday, April 15, at 2:00 o'clock, at the Methodist church. Rev. George Calvert and Rev. Norris conducting. Hymns were sung by Mr. and Mrs. Milton Benjamin, and Mr. and Mrs. Clarence Henderson. Pallbearers were Given Mustoe, Howard Southwick, Homer Betts, Virgil Harris, Rollin Armitage and Darwin Tarry. Friends from far and near came to pay their last tribute to Mrs. Smith, one of the largest crowds ever to attend a funeral in Southwick, being present.

Junior Prom Enjoyable Affair

The annual Junior Prom., held Friday evening in the gymnasium, was indeed an enjoyable dance.

The decorations, throughout, were of the patriotic motif. The stage curtain was centered with a large American flag, surrounded by silver stars, and just below the flag the words, "Remember Pearl Harbor."

At the other end of the hall a large American eagle was displayed, and above that the "V for Victory" symbol. The lights were shaded, and the shades studded with cut-out stars. Programs matched the decorations, carrying the "V for Victory" symbol. The walls were hung with native cedar boughs, forming a very effective background for the other decorations.

An eight-piece orchestra furnished the music; the floor was excellent, and a most pleasant evening spent by all who attended.

Not as many U. of I. students were present as usually attend, due to the fact that the U. of I. junior Prom was held that same evening. A grand march was held, but no intricate maneuvers were used, due to the absence of G. P. Barnum, who has directed this event for many years.

Grangers Enjoy Card Party

Members of the Grange enjoyed a pinocle party Tuesday evening, following a short business session.

High scores for the evening were awarded R. L. Blewett and Mrs. Marvin Vincent; with second highs going to Mrs. Walter Bencoter and Andy Cox.

District Convention At Juliaetta

The annual convention of the 18th District of the Rebekah and I. O. O. F. lodges, will be held this year in Juliaetta, the date having been set for May 2.

A real program is planned for those present.

SUGAR RATIONING OF REAL INTEREST TO EVERYONE

There is still time for persons who have accumulated large supplies of sugar in their homes to avoid the inconvenience of failing to get ration books when they register for sugar rationing next month, Clem W. Collins, regional director of the office of price administration, declared this week.

Registration for War Ration Book No. 1 will be held throughout the nation May 4, 5, 6 and 7. All persons will be required to declare how much sugar they have in their possession. If the amount is more than 2 pounds per person, coupons equivalent to the surplus will be removed from the book before it is given to the registrant. If the surplus is more than four pounds per person, no book will be issued.

In order to obtain a ration book after the registration dates, the applicant will have to go before his local board, satisfy the board that his sugar stock has been reduced to the required minimum and that the reduction of his excess stock has taken place at a rate no greater than the allotted rations for the intervening period.

Collins emphasized that all persons who do not apply for ration books on the specified registration dates can obtain books later from their local boards only if they prove that it was impossible for them to apply during the specified period.

"It is both good sense and good stocks now," Collins said. "Grocers patriotism to dispose of excess sugar will be glad to buy back sugar from customers who wish to reduce their supplies, and qualify for ration registration starts."

Registration for the Kendrick section will, of course, be at the school house, under the direction of L. W. Mason, superintendent of schools. It will pay everyone to look well to their sugar stocks, and check them carefully before going before the local registrar.

Tentative Canning Quota

Washington, April 20—Office of price administration officials said today that while the announced sugar allotment of five pounds a year per person for home canning purposes was "subject to change" later, no assurance could be given at this time that an upward revision was in prospect later in the summer.

Rationing officials conceded that five pounds for each ration card holder would compel many household canners of fruits and vegetables to pack less than usual this year.

"On the basis of the present supply situation, we have no plans to increase the amount," an OPA official said. "However, if the supply and shipping situation improves something might be done later, either by increasing the ration quota, which is subject to change from week to week."

This official pointed out that the allotment order "probably" had been made as stringent as possible at the outset with the hope that more could be released later in the year when the canning season gets into full swing. "We would rather be tight at the beginning than find ourselves in a bad situation later on," he added.

Despite the government's wish to encourage home preserving, he said, OPA had to balance its aim with the unpromising supply situation and the fact that commercial canners will be packing as much food as possible from 1942 crops.

Application for several canning quotas will be made to local rationing boards, OPA announced Saturday, on a special form to be provided by the government. Local boards will issue sugar purchase certificates instead of stamps for the canning sugar, and each certificate will state the full amount of sugar which the bearer may purchase. For a family of five, a 25-pound certificate would be issued.

In designated "scarcity areas," only one pound of sugar will be available for each person for home canning during May and June.

Undergoes Operation

Mrs. Roy Murray underwent a major operation Monday morning at the Deaconess hospital in Spokane. Last reports were that she was getting along nicely.

Rev. Murray went up with her and will stay until Thursday, Mrs. Otosen from Juliaetta, is staying with the children.

Pinocle Club

Members of the pinocle club enjoyed a sumptuous dinner last Thursday evening in the home of Mr. and Mrs. Walter Brocke. This party brought to a close their meetings of the year, with the losers entertaining the winners. The hostesses and the losers happened to be the ladies.

Rebekah President Here

Mrs. Lulu Watts from Pocatello, Rebekah president, paid an official visit to the local lodge here Wednesday evening.

Guests were also present from Moscow and Juliaetta.

Takes New Position

Word was received last week by Mrs. Frank Abrams that he father, O. E. Havens, had accepted a position with the Bremerton Trust & Savings Bank at Bremerton.

American Ridge Red Cross

The American Ridge Red Cross will meet on Saturday, April 25, at the home of Mrs. Harley Eichner.

Big Egg Contest

Perhaps, due to the rush of spring work, or perhaps due to the failure of the Gazette to publicize the Big Egg contest very thoroughly this year, but few of the large "cackle fruit" have made their appearance for measuring. But at the present price of eggs (24c per dozen) one big egg may be worth more to its owner than three dozen of the regular size.

Remember, we give a six-months' subscription to the Gazette to the party bringing in the largest hen egg, and three months for the second largest.

Bring in your big eggs, have them measured, and take them home with you if you wish.

N. E. WARE HONORED ON EIGHTIETH ANNIVERSARY

The home of Mr. and Mrs. N. E. Ware, Kendrick, was the scene of a very happy gathering on Sunday, April 19th, the occasion being the celebration of Mr. Ware's 80th birthday anniversary.

Their five children, Mrs. Zora Compton, Pierce; Mrs. Lola MacPherson, Salmon, Idaho; Percy Ware, Kendrick; Lloyd Ware, Southwick, and Mrs. Neva Finke, Southwick, were present, as were all of their grandchildren, with the exception of Donald MacPherson, who is serving in the U. S. navy.

The sumptuous chicken dinner, with all its trimmings, was served on a lovely lace table cloth. The huge three-tiered birthday cake, beautifully decorated and holding 80 candles, served as an attractive and unique centerpiece. Various spring flowers throughout the house, made the occasion even more festive.

To see the Ware home is sufficient evidence of their interest and love for flowers, and the pride in a well-kept and cozy home.

A strange coincidence was that the guests, unbeknown to each other, presented Mr. Ware with rose bushes, pansy plants and various evergreen shrubs, which will be a fitting reminder of this happy occasion in the years to come.

Mr. Ware entertained the guests with violin music, which alone proved he was 80 years young.

It is the privilege of only a few to be as interested and well informed regarding things in general, as Mr. Ware.

The guests departed for their various homes that afternoon and evening, wishing him many, many more such happy birthdays.

Those enjoying the day were Mr. and Mrs. O. E. MacPherson and son Jerry and Miss Nelda Kid of Salmon, Idaho; Mrs. Stuart Compton and sons Dean and Richard of Pierce, Idaho; Mr. and Mrs. Lloyd Ware and four sons and Mr. and Mrs. Carl Finke and children of Southwick; Percy Ware and daughter Arlene; Mr. and Mrs. Walt Johnson (nee Nonna Mae Compton) of Reardon, Wash.; Mr. and Mrs. Jake Berriman and Mr. and Mrs. F. W. LaHatt of Clarkston, Wash.; Bud Taylor of Lewiston; Mrs. Johanna Nelson and Mrs. Mary McCall, and the honorees, Mr. and Mrs. N. E. Ware.

Group Attends Moscow Meet

Two carloads of women drove to Moscow Tuesday morning to attend an all-day session of the W. S. C. S. District conference. Those going were the Mesdames L. W. Mason, Hiram Galloway, G. S. Pond, R. H. Ramey, Elwood Pearson, R. B. Parks, A. O. Kamikberg, H. C. Schupfer, W. A. Watts, Harry Bencoter, J. Johnston and W. L. McCreary.

Name Omitted

In recording the passing of Mrs. Emma Johns of Juliaetta last week, the name of Mrs. Clifford Davidson, as a surviving step-daughter was inadvertently omitted.

WHAT KENDRICK FOLKS ARE DOING THESE DAYS

Mrs. Oscar Hartung from Richmond, Calif., arrived Tuesday afternoon for a visit with Mr. and Mrs. Walter McCall and family.

Mr. and Mrs. Lester Crocker, accompanied by Mrs. Liddie Ameling, drove to Moscow last Friday on business.

Mr. and Mrs. Silvie Cook and family enjoyed Sunday dinner with Mrs. Emma Cook at Leland. They were Lewiston visitors Monday.

Mrs. L. King of Moscow came Saturday to spend the weekend with her sister, Mrs. Estella Leith.

Mrs. Wade Keene is spending the week with her daughter and family, Mr. and Mrs. George Jones, in Uniontown.

Mr. and Mrs. R. L. Blewett, accompanied by Mrs. L. W. Mason and Jimmie, spent Sunday in Moscow with relatives.

Mr. and Mrs. Marvin Long were dinner guests in the home of friends in Moscow Sunday.

Mrs. Lester Hill of Clarkston spent Wednesday and Thursday of last week in the Edgar Long home.

Mrs. Arios Crocker returned on Monday, having spent a week in Portland with her husband, who is employed on defense work there.

Mrs. Ray Hathaway returned to her home in Spokane Saturday, after having spent a week here with her parents, Mr. and Mrs. C. H. Davidson.

Mrs. Roy Jump spent the weekend in Pasco with her husband. She finally located a house there, and she and the children plan to move to that city this week.

Mr. and Mrs. Jay Stout of Lapwai, were business visitors in Kendrick Tuesday, and called at the home of her parents, Mr. and Mrs. Claude Craig.

Lloyd Farrington, who is employed at a shipyard in Vancouver, arrived home Monday evening for a short visit at the home of his mother, Mrs. Rose Farrington. He returned to his work Wednesday.

Mrs. Elmer Bechtol of Seattle, who has spent ten days here visiting in the home of her mother, Mrs. Mary Deobald, and with other relatives, returned to her home Monday morning.

Mr. and Mrs. W. E. Deobald, accompanied by Mr. and Mrs. Roy Bohm of Gold Hill, and Mr. and Mrs. Allan Sather of Genesee, left Sunday afternoon for southern Idaho, called there by the death of the women's father, Gus Wagner. Mr. Wagner was a pioneer of the Potlatch section, and the news of his sudden passing will be learned with sorrow. Further details are lacking at this time.

The Misses Anne and Arlene Deobald and Marie Havens, U. of I. students, spent the week-end at their homes here.

Billy Deobald and Bob Watts, who are attending the U. of I., spent the week-end at their homes here.

Roy Johnson, who is employed by P. F. I. at Headquarters, spent the week-end with his family here, as did Joe Nicholoksky and R. L. White.

Stolen Car Recovered Here

Two Seattle youths, George Maxwell, 17, and Clifford Thomas, 14 — were arrested in Lewiston Wednesday night, April 15, and lodged in the county jail facing a charge of car theft and larceny of a rifle, with a missing motorcycle probably to be charged against them, officers said.

Apprehension of the boys came after a 1936 Buick sedan with a Seattle license was wrecked in Wauncher gulch, near where the bridge crosses the Potlatch creek just above Kendrick. They abandoned the car and hitch-hiked to Lewiston. State Traffic Officer Harry L. Clark, who found the car, notified Sheriff W. W. Hays and Lewiston and Clarkston police and Asotin county officers. The search started and the youths were arrested by Sheriff Hays and Officer Clark at Old Sixth and Main streets. The arrest was radioed by Police Lieut. Gus Wells and Seattle replied, saying the car was owned by Allen E. Bartlett and was stolen Tuesday. A motorcycle was also believed taken by the young criminals, Seattle police said.

The boys admitted the car theft, officers here said. They also told of driving to Peck to visit and while there stole a 30-30 rifle, which they disposed of at Kendrick.

An officer from Seattle arrived today to return the boys to the coast city. — Lewiston Tribune.

The car was seen by a number of local residents before Fred Newman called officer Clark and Edgar Long, local marshal, to investigate. Others seeing the car presumed it had been wrecked by its owner, who was probably in Kendrick getting help. Mr. Newman, however, investigated the wreck thoroughly, found the name of the owner on a registration slip, and notified the officers, Mr. Clark and Mr. Long investigated, but the boys by this time had left town, and were apprehended at Lewiston.

The wrecked car was taken from its resting place by Gray's Auto Shop of Lewiston, assisted by E. A. Deobald, and taken to Lewiston to await the appearance of its owner.

School Election Saturday

The annual school election, held Saturday afternoon of last week, was marked by an almost complete absence of voters, but 12 ballots being cast. Of these 12, E. A. Deobald received 10, one was spoiled and one ballot cast for Geo. Brocke. That E. A. Deobald, who was rejected, was highly satisfactory to the voters seems a fore-gone conclusion.

Wickard To Broadcast

A broadcast to wheat farmers of the nation by Claude R. Wickard, secretary of agriculture, next Tuesday morning, April 28, was announced this week by H. F. Koster, chairman of the county AAA committee.

The secretary's talk, entitled "Wheat and the War," will be heard from coast to coast on the National Farm and Home Hour, daily program sponsored by the United States Department of Agriculture. The program is carried at 9:30 a. m. Pacific War Time over KGA Spokane. Secretary Wickard will speak from Enid, Okla.

Koster said the broadcast undoubtedly would discuss the wheat marketing quota referendum, which will be held in Latah county, along with the rest of the nation, on May 2.

Catch Real Fish

"The Mark Of Zero"

This week's offering at the local theatre will be one that should please all theatre goers, "The Mark Of Zero," starring Tyrone Power, Linda Darnell and Basil Rathbone. It is a picture that should prove of interest to everyone for it is packed with action, fast and furious, love, comedy, and all that goes to make up a good picture. It is laid in the California of old, in the year 1820, and is based on historical fact. In addition to the main feature a series of carefully selected shorts will be shown.

Watch Next Week's Paper for the Kendrick Merchants' Wheat Quota Opinion

THERE'S Plenty Of Wheat AND HERE'S WHERE IT IS:

FARMS: 373,820,000 bushels of wheat on U. S. farms on January 1. 93% OVER AVERAGE.
MERCHANT MILLS: 135,601,000 bushels of wheat in U. S. merchant mills on Jan. 1. 24% OVER AVERAGE.
COUNTRY MILLS and ELEVATORS: 207,351,000 bushels of wheat in U. S. country mills and elevators on Jan. 1. 103% OVER AVERAGE.
TERMINAL ELEVATORS: 270,835,000 bushels of wheat in U. S. terminal elevators on Jan 1. 177% OVER AVERAGE
ARGENTINA: Elevators and warehouses overloaded with saleable wheat. 356,000,000 bushels on hand first of year. 7% above 1939-41 average.
CANADA: Wheat storage facilities heavily overloaded during recent years. 575,000,000 bushels on hand first of year. 26% above 1939-41 average.

QUOTAS WILL HELP WIN THE WAR BECAUSE:

UNDER QUOTAS, wheat surplus becomes reserve.
UNDER QUOTAS, Uncle Sam need not be burdened with a weakened wheat industry.
UNDER QUOTAS, acreage adjustment is more effective — and farmers can direct their resources into production which is vital.
UNDER QUOTAS, marketing is orderly — and transportation will be less overloaded at harvest time.
UNDER QUOTAS, there is assurance of fair prices.

TREASURY CALLS FOR 10 PER CENT OF ALL INCOME

Washington, April 19—A war bond quota system under which every person in each of the nation's 3,070 counties will be urged to put at least 10 per cent of his income into Bonds or Stamps was announced today by the treasury department. The campaign, to begin on May 1, is in line with Secretary Morgenthau's recent testimony before a congressional committee in which he recommended that voluntary system was preferable to a compulsory method of savings through the assignment of War Bonds to individuals.

The treasury announcement said the May quotas for state and counties would be released soon and would be "revised and stepped up in succeeding months." By July, the treasury said, it was expected the campaign would bring War Bond purchases to more than twice the monthly totals previously sold. Bonds were sold at the rate of \$1,000,000,000 a month in January, but the rate recently dropped to about \$500,000,000. The total of purchases is now in excess of \$5,000,000,000, the treasury said.

Morgenthau said in the announcement today that "it is our plan through the War Bond quota system to reach every person in the United States who receives an income of any sort, and to reach him as quickly as possible." Management and labor will be asked to cooperate in this, he said, adding that "10 per cent of every company payroll is the minimum War Bond goal." The department explained that while setting an over-all figure of 10 per cent, it recognized that "some people, because of family circumstances, can not afford to

save 10 per cent of their income, while other persons can afford an even higher percentage."

Phonograph Records "Cut"

In order to conserve shellac, which has innumerable uses in the production of materials for war, the WPR has ordered the output of phonograph records and radio transcriptions reduced to approximately 30 per cent of 1941 production. The curtailment, of course, is accomplished by limiting the amount of shellac that can be used for such purposes. If record manufacturers find a way to salvage old records satisfactorily or discover a substitute for "some people, because of family circumstances, can not afford to

EDITORIAL

Well, Folks — Seems like the war situation is just a it better than it was before. A number of things point that way at least—and as the first of these we would put the confirmation of appointment of Gen. McArthur, as commander in chief of all allied forces in the southern Pacific theatre of war. Frankly, we think it about time the army was taken out of politics and given into the hands of a man, or men, who know what they are doing. If political generals were to continue, we might see another Pearl Harbor. Secondly, we heartily approve the bombing of Tokio. The Japs said we couldn't do it — but we did!

And on the list as well, we place the production of planes, guns, tanks, etc., that is finally beginning to roll. How much sooner we might have had them had

it not been for greedy labor leaders and their 40-hour week, etc., is of course a matter of conjecture.

A girl and a car are much alike. A good paint job conceals the years, but the lines tell the story!

"Last night I told my husband all about my past."
"And what did he say?"
"That he wished he'd known me sooner."

A one-armed man can catch fish, but can't tell about them with any satisfaction.

Wife: "Every time you see a pretty girl you forget you're married."
Husband: "You're wrong, my dear. Nothing brings home the fact with so much force."

Read the Bullitin, keep posted.

COMFORT For Sale IN WOLVERINE Shell HORSEHIDES

TRY ON a pair of Wolverine Shell Horsehides and you'll marvel that any work shoes can have such soft soles—such flexible soles—and such amazing comfort and foot-freedom. But, you'll marvel even more when you start wearing them. No matter how tough the going, you'll think they're never going to wear out. It's almost unbelievable the way they stand up under scuffing and scraping—resist perspiration and barnyard acids—keep their softness and flexibility and even dry soft after soaking. The reason is simple—no other work shoes have both soles and uppers of genuine SHELL Horsehide—no other Shell Horsehide is tanned the way Wolverine tanners do it. They alone know the secret of tanning this unique leather so amazingly soft and flexible without loss of toughness and phenomenal wearing qualities.

Before you buy any other work shoes, therefore, give Wolverines a thorough examination. We'll be glad to tell you about 'em, no obligation.

Working On Planer Installation
The Kendrick Bean Growers Association has the concrete poured for the installation of their new planer, which they expect to install soon. This piece of equipment will be set up on the lot at the rear of their present building, just across the alley. This new machine will be capable of turning out ship-lap and other "fitted lumber."
It is hoped to have this new machine installed before the electric eye bean cleaning equipment arrives, to permit the planing of the necessary lumber for this building.
