

KENDRICK GAZETTE

VOLUME 52

KENDRICK, LATAH COUNTY, IDAHO, THURSDAY, APRIL 30, 1942

NO. 18

KENDRICK HAPPENINGS OF TWENTY YEARS AGO

Born to Mr. and Mrs. Carl E. Gustafson of Texas ridge, April 17, 1922.

Emery Jenks arrived Thursday afternoon from Lewiston, on his way to Southwick, where he will locate a favorable place for setting up a rock crusher for road work.

At a baseball meeting last week Walter Thomas was chosen captain. He has had many years of experience on the diamond and thoroughly understands the game. He has been coaching the team for the past two weeks.

Mrs. Stewart Compton and two children arrived the first of the week to visit in the home of her parents, Mr. and Mrs. N. E. Ware.

At a meeting held at Moscow recently the executive committee of the Latah County Farm Bureau voted to recommend the following wage scale for work up to haying time: \$1.50 and board per day, or \$35 to \$45 per month for single men; man and wife, \$60 to \$70 and board per month; cooks, \$25 and board per month.

The first show will be held in the New Kendrick Theatre tonight. The building was completed this week and is all ready for the big opening. A large attendance is expected both tonight (Friday) and Saturday night. Provision has been made for the seating of a capacity house and there will be two shows both nights, so no one will be disappointed.

The Senior class of the Kendrick High school is made up of but four students—Carrie Bunge, Opal and Agnes Jones and Nora Callison. However, the class has in quality what it lacks in quantity. The average grades for these students ranged from 88.4 to 85.4.

Cameron News—The Lutheran Conference, held here this week, was well attended. Those present were Rev. A. F. Wolff of Genesee, Rev. and Mrs. Berstlaff of Gifford, Rev. and Mrs. Conke of Lewiston and Rev. Meske of Colfax. . . Mr. and Mrs. Fred Schoeffler and little son Willard, and Elsie and Albert Wegner, were guests in the Blum home Sunday. . . Miss Minnie Blum has a dinner guest of Mrs. Martha Abitz Sunday. . . Miss Bertha Hartung has been helping her sister, Mrs. Wm. Wolff, for a few days.

Leland Items—We now have ideal spring weather. The roads are good and it sounds soothing to hear that old familiar buzz of cars again—notwithstanding this poor scribe has to go afoot. . . Prof. and Mrs. Muhlitz were Southwick visitors Saturday. . . Claude Hall won the silver medal at the county declamation contest at Lewiston Friday evening. . . Born, Tuesday evening to Mr. and Mrs. Chas. Hoffman, a seven and one-half pound daughter. . . Jesse Hoffman was a Lewiston visitor Thursday.

Fairview Items—People are getting their cars out now, and the roads are very good, as the farmers have been dragging them. . . Mr. and Mrs. Jess Walker and little daughter ate dinner at the McCall home Sunday. . . Mr. and Mrs. Jim Helton visited in the Frank Wilken home Sunday. . . The farmers are getting ready for spring work and some are working in the fields now.

Felix Holt Writes

Fort Lewis, Wn., April 21, 1942

Dear Friends: Just a few lines to let you know that I receive your paper, and I sure appreciate it very much, it sure cheers a soldier up to get the news from home and I want to thank you very much for it. I am still in the best part of the service that I know of, and that is in the "medics," assigned to the U. S. air forces. I am at Gray Field, Fort Lewis, Wn., now. I was moved from McChord Field to this one on the 13th day of April, and I came to the army the 13th of January, so I think the 13th is a lucky day for me. I like it fine here. There are a lot of things I could write, but they might do the enemy a lot of good—so I will have to keep quiet. I am going to first aid school now, and I guess they will try to make a "medico" out of a farmer if they can. If there are any of my friends who will write to me, they can get my address from my wife.

Sincerely,
Felix Holt.

Don Kuykendall Writes

U. S. S. Indianapolis, April 18, 1942

Dear Mac: I received a number of copies of your paper. Boy! was I glad to get them! It really cheers a fellow up to read a home paper. I can never thank you enough for it.

Yours truly,
Don Kuykendall.

Most Teaching Positions Filled

All local teachers who did not voluntarily resign, were re-elected at the school board meeting of April 20th, and those re-employed were voted a \$60.00 per year increase in salary. Wm. P. Fitzpatrick of the high school staff has resigned to enter the navy; and Miss Iris Tunney, commercial instructor, also resigned. Their positions have not as yet been filled.

Explaining Priorities

If you don't understand what is meant by priorities, recall when you were a kid and the preacher stayed for dinner and you had ice cream and he ate three dishes and you got what was left if any—Well, the government is the preacher.

Paper Drive Successful

The salvage for victory program has been so successful in stimulating the movement of wastepaper back into production that paper mills throughout the country now are able to meet all current orders, says a Denver dispatch. Public response to the war production board's appeal for a continuous return of wastepaper to meet the vastly increased demands for war production is an outstanding demonstration of patriotic and unified action. The dispatch further said that the scrap rubber shortage is now "much like the crisis that developed in the waste-paper field and that it is essential that the public concentrate its most intensive efforts at this time on the salvaging of every possible pound of old rubber.

SUGAR RATIONING INFORMATION OF IMPORTANCE

Plans for the registration of every man, woman and child in the Rocky mountain area for War Ration Book One have been perfected, and the registration—May 4, 5, 6 and 7 in the schools—should proceed without any difficulties if the public co-operates fully, Clem W. Collins, regional director of the office of price administration, said this week. Collins urged all persons to familiarize themselves with the registration requirements and the rationing plan.

Under the regulations, one adult member of each family unit should register for all members of the family. Consumers who are not members of a family unit should register for themselves. Persons registering for all members of their families must be prepared to give the following information about each member of the family: Height, weight, color of eyes and age. They must also be prepared to state the amount of white and brown sugar in any form which is in the possession of the family unit.

Each of the first four stamps in the book will be good for one pound of sugar within a specified period—roughly two weeks. Special provisions are made for consumers who, because of transportation difficulties, find it a hardship to buy sugar in the quantities during each rationing period. Such a consumer may apply to his local rationing board for a certificate authorizing him to purchase at one time the total amount of sugar to which he would be eligible during four weeks.

Those who fail to register on the prescribed days will be allowed to register with their local rationing board after May 21, if they show good cause for their failure to register on the prescribed days.

All registration for sugar rationing books is governed by school district lines, rather than by precincts of counties, for example, all who reside within the boundaries of Joint Common School District No. 24, Latah and Nez Perce counties, will register at the school house in Kendrick, those residing within the boundaries of other school districts will register within their district. Where the school is not in operation they will register with the clerk of their school district.

Kendrick Registration Alphabetical

For the benefit of those residing within the boundaries of this district (Joint Common No. 24) Supt. L. W. Mason has worked out the following alphabetical lists and hours, as follows:

- Monday, May 4th—3:30 to 6:00 p. m.: All names from A to F, inclusive.
- Tuesday, May 5th—3:30 to 6:00 p. m.: All names from G to M, inclusive.
- Wednesday, May 6th—3:30 to 6:00 p. m.: All names from N to T, inclusive.
- Thursday, May 7th, 3:30 to 6:00 p. m.: All names from U to Z, inclusive.

In order to avoid confusion in the hall of the school, registration will take place in the Ag. room in the basement, rather than in the office of the superintendent. The Ag. room is the first basement door on the left, on entering the front door of the school house.

Mrs. Julius Hoppe Passes Away

Anna Belle Hoppe, 62, for 59 years a resident of Southwick, passed away Sunday morning, April 26, at 6:00 o'clock at St. Joseph's hospital, Lewiston, following a brief illness. She was born March 4, 1880, at Colfax, and came to Southwick when but six years old, and had resided there since.

Survivors include her husband, Julius Hoppe; a daughter, Mrs. James McFadden, Nampa; her mother, Mrs. Lora Clark, Spokane; two sisters, Mrs. Violet Bloom, Peck, and Mrs. H. Albert, Spokane; two brothers, Fred Caddick, Chicago, and Frank Caddick, Worley, and two grandchildren. She was a member of the United Brethren church.

Funeral services were held Tuesday at 3:30 from the Brower-Wann chapel. Interment was made in Normal Hill cemetery.

Further details are lacking at this time, but we hope to obtain them for our next issue.

Undergoes Tonsillectomy

Maxine Slind, little daughter of Mr. and Mrs. Oscar Slind of Big Bear ridge underwent an operation for the removal of her tonsils last Friday morning. She is almost completely recovered at this time.

HUGE CARRY-OVER OF OLD WHEAT FACES GROWERS

If you can imagine a wheat bin 30 feet wide and 20 feet high, stretching along the highway from Tensed to McCall, you have a conception of the amount of old wheat which will be carried over into the new wheat marketing year beginning on July 1, says H. F. Koster, chairman of the Latah county AAA committee.

Coupled with the 793,000,000 bushel crop expected in 1942, the U. S. wheat supply will be enough to meet all possible needs for wheat in this country for two years, Koster said. With our stocks of wheat so large, the nation is sure to run into a storage and transportation tie-up of major proportions when harvest begins this summer unless we take some kind of firm action to handle the marketing of the surplus which faces us.

Faced with a wheat carry-over nearly twice as large as last year's, wheat growers will have to decide on May 2, whether or not they want the marketing quota regulations continued for another season. Last May, Idaho wheat growers approved the quota plan by a 84 per cent favorable vote.

Exports of wheat have been practically wiped out by the war, and all indications point to a carry-over next year of nearly 740,000,000 bushels, which is an amount bigger than many annual U. S. harvests.

Where to put the grain, how to haul it and store it and how to keep it from breaking the market and taking us back to the days of "two-bit" wheat is the greatest problem wheat farmers have had to face since the last war.

Storage space for more than 70,000,000 bushels was constructed last year, but in many places in the country we had, for the first time in the history of this country, the unpleasant sight of grain piled in the open field. Elevators and warehouses still are crammed to almost capacity.

The quota system is a ready-made and tested device for handling surpluses which otherwise would turn into a major calamity. Each farmer's vote in the marketing quota referendum May 2 is important.

All wheat producers, whether tenant or owner may vote in the referendum if they have 15 acres or more planted to wheat and the normal production of their 1942 acreage planted to wheat is 200 bushels or more. Wives, as well as husbands may vote where the farm is owned or operated as community property.

Bridge Supper

Mr. and Mrs. Marvin Powell entertained the Bridge club in their home last Friday evening, with Mr. and Mrs. E. A. Deobald and Dr. and Mrs. D. A. Christensen assisting.

Following a delicious supper bridge was played at six tables. Invited guests were Mr. and Mrs. Claude Jones, Mr. and Mrs. Marvin Long and Mrs. Frank Varo.

High scores for the evening were awarded Mrs. Varo and Wade T. Keene.

New Red Cross Work Room

Mrs. Bina Raby has donated the room formerly occupied by Rider's store, to be used as a Red Cross sewing room this summer.

Tables and sewing machines will be needed, and anyone willing to donate the use of their machine will please contact Mrs. Silvie Cook.

Mrs. Cook also wishes to announce that there are 24 little girls plaid skirts on hand to be made.

Home About Completed

Ira Foster, who has been rebuilding and remodeling his home in the west part of town, since it was partially destroyed by fire some two months ago, has the job about completed, the interior work being all done at this time, and the exterior nearing completion.

When done, it will be a very neat and comfortable little home.

Ninety Years Young

Grandma Blackburn will celebrate her 90th birthday anniversary today (Thursday), with but few privileged to reach this age. However, she is looking forward to a pleasant day, as many old friends plan to call.

BAN ON RETAIL SUGAR SALES NOW IN EFFECT

Starting at midnight Monday night, the nation began to feel the first effects of the sugar rationing program.

From that time until rationing begins on May 5, retail sugar sales will be prohibited. Industrial and institutional sugar consumers will register Tuesday and Wednesday and thus will be able to obtain their allotments under the regular rationing procedure, but individual consumers do not register until next week.

Cautioning that heavy demand was anticipated immediately after the end of the "freeze" period a week from Tuesday, the office of price administrator has urged sellers to stock up to the limit of their May quota. In northeastern states, where a scarcity has been evident, nothing but beet sugar will be retailed at the outset of the rationing program.

Beet sugar has been moved into the area by the Defense Supplies corporation and sale of cane sugar will not be permitted until beet supplies are exhausted.

Restaurants and other food services next month will be allotted 50 per cent of the amount of sugar they used during May, 1941; bakers, confectioners, ice cream makers, dairy products companies, bottlers and other specialty houses will be given 70 per cent of their May, 1941, supplies.

All industrial consumers were receiving approximately 80 per cent of last year's consumption.

The individual rationing book of stamps will work this way: The first stamp will authorize its holder to buy one pound of sugar in the period May 5 to 16; the second will be valid for the period May 17 to 30; the third for May 31 to June 13, and the fourth, June 14 to 27.

The amount allowed for each stamp after June 27, will be announced at a later date.

Maggie Drive Now On

The annual drive for destruction of magpies is now taking shape, and the heads of these pests are arriving at Marvin Long's headquarters in increasingly rapid numbers.

Porky Fry and Gordon Varo brought in the first heads, 36 in number on April 23, and on April 27 Dicky McCall and Don Brown brought in 34 heads—total 70 from the four boys.

All you need to do is kill the magpie and bring their heads to Marvin Long, and receive 2c per head for them. It's a good way to make a bit of spending money, as well as helping rid the country of these winged pests.

Coal Hoarding Patriotic

There is one commodity which the government wants people to hoard—coal. Every houseowner who uses coal is urged to buy next winter's supply immediately. The advice, according to Leon Henderson of OPA, may develop into a law or never.

Now is available to haul coal from the mine to the consumer's bins, but by fall our railroad and truck lines will be loaded to capacity hauling war shipments.

Rebekahs To Juliaetta

Monday evening a carload of members of the Rebekah lodge drove to Juliaetta to enjoy an entertainment given for the state president, who was visiting there.

Those going from Kendrick were the Mesdames S. Cook, R. H. Ramsey, Edgar Long, Ira Havens and Thomas McDowell.

Orofino, Moscow and Lewiston were well represented.

Roller Skating Party

Last Thursday evening Mr. and Mrs. Marvin Powell escorted the F. F. A. boys and the Home Economics girls to Lewiston, where all enjoyed a roller skating party. A few extra were invited, to make the total going, forty.

The girls furnished the lunch and the boys the transportation. There was loads of fun for all, as well as plenty of "bumps" for most.

Hear From Bill Behrens

W. F. "Bill" Behrens, whom all in this section of the country know, writes us from Spokane as follows: "Please send my paper to above address, as we have moved away from Elk City, Ida. We felt like the government needed skilled labor and for that reason we are here. Harold and Donald are welding for the government in Honolulu. Harry, our youngest, welds on defense work here, and I am a machinist for the Forest Service. I passed my civil service examination six weeks ago and have since been running a lathe and other shop equipment, so all my family of three boys and myself are doing something to help win the war.

The boys in Honolulu are buying Defense Bonds regularly, and Harry and I put all our cash in bonds, so we are trying to do all we can to "Keep 'Em Flying!"

COUNTY C. OF C. MEETING PROVES VERY INTERESTING

The Latah County Chambers of Commerce meeting, held Thursday evening of last week in the Kendrick High school auditorium, proved a very interesting one. Dinner was served to 69 members from all parts of the county with the exception of Elk River, by the girls of the Home Making department, under the direction of Miss Renfrew, and was greatly enjoyed.

At the conclusion of the meal a short intermission period was granted, and then the business of the evening taken up under Kenneth Dean, president of the organization.

First on the program was a vocal solo by Joyce Lyons, accompanied by Paula McKeever, followed by a whistling solo by LaDonna Galloway, with the same accompanist.

Following the reading and approval of the minutes, Mr. Dean introduced President Harrison C. Dale of the U. of I. Mr. Dale spoke very interestingly of the War program as adopted by that institution. He told how the chemistry department was investigating the further uses of fine clays known to exist in plenty in this county; how experiments were being made in the making of gums of various kinds from woods common to this section; and of many other efforts to further the needs of our country in this great war.

Mr. Dale told of the training of Civilian pilots in primary courses for the army and navy; of the speeding up of college courses, it now being possible to complete the regular four-year term in three years and of the special classes being held for women in nursing, motor mechanics and truck driving, to mention but a few.

Mr. Dale also spoke of the naval radio training course for 600 enlisted U. S. navy boys, which would begin at that institution on May 1. And last, but as he said, "not least," he invited everyone in the county to attend the annual "Open House," which would be held May 2.

C. L. Billings of Potlatch Forests spoke next on "Lumber and the War Effort," stating that the days of over-production were past, that military and defense housing needs were taking up all available lumber, but that this demand would ultimately reach the saturation point and taper off to about the usual needs. Production, however, must continue at the present high point, since the demand for wooden boxes for shells, powder, bombs, airplanes, guns, etc., was growing by leaps and bounds. Mr. Billings stated that for this need (boxes) white fir, a previously rejected wood, had proven very suitable, and was now being cut in huge quantities. He stated that this condition had seen the percentage of white pine drop to about 50 per cent of the total cut, against 85 to 90 per cent previously.

He further stated that a ceiling had been set on these products at the October price, and that against this wages and other expenses were up 16 per cent. However, the tremendously increased volume was still permitting continuous operation and a reasonable profit.

Mr. Billings spoke on the priorities situation, the most important of which, in his company, was rubber tires for their hundreds of logging trucks. Gasoline had not as yet proven any stumbling block, all needs being met regularly.

Mr. Billings also touched on the labor problem, stating that the obtaining of carpenters for needed work was their greatest problem, the "turnover" in other departments being no more than ordinary when increased output was taken into consideration.

The next meeting, and final one for the season, will be held at Elk River next month, the date to be announced later.

No other business coming before the organization, adjournment was taken until that time.

Pioneer Passes At Kendrick

A pioneer of 50 years in Kendrick, Mary Elizabeth Davis, passed away at her home on the school house hill in Kendrick, Tuesday morning at 5:30 o'clock, at the age of 93 years. She was born at Arena, Wisconsin, September 12, 1848.

Mrs. Davis is survived by three sons, Joseph and Ernest of Kendrick, and Leonard of Burns, Ore., 10 grandchildren, and 13 great-grandchildren. She was a member of the Presbyterian church.

Funeral arrangements were not complete at the time of going to press.

DOMESTIC WHEAT MARKETS DEVELOP FIRMER TONE

Domestic wheat markets developed a firmer tone during the week ending April 24, the U. S. Department of Agriculture reports. Prices advanced in most of the important markets, with cash wheat quotations around 1½c to 2c per bushel higher at Portland. The higher prices at Pacific Northwest markets reflected an advance in midwestern futures markets, but also was influenced by extremely light offerings by growers. Demand in this area was not urgent and was mostly limited to the current needs of mills. Their requirements were reported as light and principally for special quality lots, mostly protein white wheats and hard winters. Local prices continued well under loan values and growers were not inclined to offer except in small and scattered lots, mostly from farm storage. Wheat receipts at Puget Sound and Columbia river terminals totaled only 381 cars for the week, most of which was reported to be C. C. wheat, both feed and milling types, moving to coast terminals. Flour business, both domestic and for export under the indemnity plan, was reported as slow. Mills also reported shipping instructions on earlier flour sales as unusually slow. Generally the week was extremely dull in the cash wheat market in this area. Trade reports indicate Pacific Northwest crop conditions are generally good. In earlier areas of Oregon, a large part of the spring grain has been sown and early seedings are coming up well.

Cash wheat bid prices at Portland on April 23, showed soft white at 98c; soft white (No. Rex) at \$1.01½; white club at \$1.02; western red at \$1.01, and ordinary hard red winter at 97c per bushel, all basis No. 1 grade in bulk.

Recent discussions of the warehousing and storage problems in the Pacific Northwest, due to the sack shortage, have developed some questions as to the quality of that part of the present stocks of wheat which have come out of storage during recent months.

The San Francisco wheat market was rather quiet but maintained a firm tone during the past week, influenced by advances in other markets, together with light local offerings. While price ranges were unchanged, trading was more toward the top of the previous week's quotations. Bids to growers for No. 1 hard and No. 1 soft white wheats were mostly around \$1.70 to \$1.75 per 100, country warehouse receipt basis, sacked, with bids for bulk grain about 10c per 100 lower. Receipts from Pacific Northwestern and Intermountain states were relatively light.

Wheat prices were uneasy at Kansas City with advances and declines being recorded alternately each succeeding day throughout the period. Wheat futures advanced 2c however, during the late session of the closing day.

Cash demand for most grains at Minneapolis was good during the week and premium ranges for cash wheat averaged firm. Despite the moderately large offerings, a steady demand for local unloading was good.

Wheat quotations, basis No. 2, f. o. b. Ogden mills were: dark hard winter and dark northern spring, 99c; hard winter and northern spring, 94c; hard white \$1.03; soft white 98c; western white 96c per bushel. Denver mills were bidding 90c per bushel for No. 2 hard winter and No. 2 northern spring, basis f. o. b. Colorado common points.

Spring wheat seeding made good progress and was in full swing at the close of the week in North Dakota, was general in Minnesota and South Dakota. Considerable seeding was also reported in Montana. In eastern portions of the spring wheat belt, late seeded grains needed rain for germination. Winter wheat made good growth under generally favorable conditions. In much of the eastern belt the change from frequent rains to fair sunny weather was decidedly favorable and wheat showed improvement.

Seeding was backward in the Balkans, where it has been delayed by floods. An increase in spring acreage sufficient to offset decreases in winter seedings appears unlikely, according to reliable reports.

Stocks of wheat in country elevators and interior mills at the first of April were estimated at 171,432,000 bushels, which, with the wheat on farms and in commercial stocks, would give a total supply, outside of merchant mills, of 678,331,000 bushels, compared with 465,323,000 bushels a year ago.

Based on April 1 estimates, disappearance of wheat, not including disappearance in merchant mills, was approximately 25,000,000 bushels larger, January through March this season, than for the corresponding months last year, and totaled approximately 172,675,000 bushels.

Stocks of wheat from the 1940 and earlier crops held by the C. C. C. as of April 18, totaled approximately 116,700,000 bushels.

R. A. Hecht Writes

R. A. Hecht, now of Kevin, Mont., writes a bit of news for the Gazette, while re-newing his subscription, as follows: "To my surprise the oil field work has slowed down, instead of speeding up, however, I am still working seven days a week pumping three oil leases. . . Our living expenses have raised about 30 per cent here. . . A little later I am going to send you a sample of crude oil just as it comes out of the ground and explain how it is handled."

Friday, Saturday & Monday SPECIALS

CRACKERS, 2-lb. box	18c
MILK, Federal or Morning, 3 cans	27c
TOMATOES, 2 No. 2 cans	25c
ROUNDUP COFFEE, Pound	32c
SILVER TONE FLOUR, 49-lb. sack	\$1.39
PINK SALMON, Tall can	23c
SCOCO, 3-lb. package	69c
SARDINES, 4 cans	25c
CORN FLAKES, 4 pkgs.	25c
JEL SERT, 4 pkgs.	25c

Kendrick Table Supply

Juliaetta Phone 496

Kendrick Phone 581

Power Lines Shifted
Beginning last week-end, Kendrick places of business as well as residences are now using W. W. P. Co. juice, which is reaching us by way of Juliaetta.
For the last month crews from that company have been busy making transformer and line changes to enable this hook-up to operate successfully. The company states the step was taken to provide a more even distribution of power, and to do away with possible chances of power failure, since Juliaetta can receive "juice" from any of three circuits.
The old line from the Dora May place on American ridge to Kendrick will be "rolled up" and probably used at some other point, since new line is unobtainable.

All those now receiving power on American ridge will be unaffected by the local change.
F. S. Wimer Passes
F. S. Wimer, owner of the Cottonwood Chronicle for many years, passed away at his home in Cottonwood on Thursday, April 16.
Mr. Wimer was well and favorably known throughout the Camas Prairie section, having been a resident of Grangeville and Cottonwood since 1900, and had been a resident of Cottonwood most of the time since 1901. He had also held the position of postmaster at Cottonwood for the past seven years. He had not been actively engaged in the newspaper business since becoming postmaster.

WHAT KENDRICK FOLKS ARE DOING THESE DAYS

Mrs. Mattie Ingle returned from Michigan and other eastern points Tuesday, after having spent the winter there visiting her son, Dwight Ingle, and with other relatives.
Mrs. Watkins of Orofino was in town Monday, and called at the L. J. Herres home to visit Jerry.
Mr. and Mrs. Brian Cargil and Mr. and Mrs. Willard Cargil came Tuesday to see their father, Jack Cargil, who is ill.
Ig. Flaig was in town for a few minutes Tuesday, visiting Mrs. Estella Leith.
Mrs. Conrad Kaylor left Monday for Portland, to be with her husband, who is employed in defense work there.
Mr. and Mrs. Byard Davidson and children were dinner guests in the W. A. Watts home Sunday.
Clarence Pease of Lewiston visited his uncle, Silvie Cook and family, Sunday. He has enlisted in the army and will leave for duty Saturday.
Mr. and Mrs. C. A. McAllister and son Gary of Valley, Wash., visited over the week-end in the home of the latter's sister and family, Mr. and Mrs. George Brocke.
Mr. and Mrs. R. L. Blewett, accompanied by Mr. and Mrs. Ross Armitage and children, drove to Gifford, Sunday, where they enjoyed dinner with Mr. and Mrs. Herman Pabst.
Leon Lind arrived home last week-end from Stites, his school being closed for the summer. He was re-elected to his position for the coming year and will teach there, provided he is not called for army duty.
Mr. and Mrs. W. L. McCreary and children spent the week-end in Spokane visiting relatives.
Rilla Davidson and Mr. and Mrs. John Waide went to Lewiston Sunday to visit the Kermit Waides, who moved to that city two weeks ago. The Waides returned home that day but Rilla stayed to spend a week.
Mrs. Paul Lind and son Leon visited Monday in Clarkston with the Oscar Raby family.
Mrs. Laura Black of Caldwell, Mrs. Addie Payne, Parma and her daughters, Mrs. Teening of Caldwell and Mrs. Paul Leal and son of Parma, arrived Tuesday at the Claude Craig home to spend several days, while visiting the father and grandfather, A. E. Robins, who is ill in the Moscow hospital. Mrs. Craig, Mrs. Black and Mrs. Payne are sisters.
Mr. and Mrs. Edgar Lang, accompanied by Mrs. Frank Varo and Myra Kamikkeberg, drove to Moscow last Thursday evening to witness a program put on by the "Taps and Tirps," an athletic organization for women. Barbara Long was one of the dancers.
The Gunder Reterson family were dinner guests in the home of Mrs. Arlos Crocker, Sunday.
Mr. and Mrs. E. R. Porter of Moscow and Mr. and Mrs. Wallace Emmett were Sunday dinner guests in the James Emmett home.
Guy Foster, Bend, Oregon, arrived in Kendrick Thursday of last week to spend a few days visiting with his father, Ira Foster, and with brothers and sisters, returning to his work at Bend Sunday.
Walter Sparber, who was inducted into the army some two weeks ago has been heard from, now being stationed at Fort Lewis.
C. W. Jessup's daughter, Mrs. Ethel Kullerton and husband and two children from Walla Walla visited at the Jessup home in Juliaetta Sunday.
W. C. Jones of the County Agent's office was a Kendrick business visitor Wednesday.

SHORT LOCAL ITEMS ABOUT PEOPLE IN LELAND SECTION

Ben Hoffman and son Howard started the breaking up of our church yard last Wednesday. J. M. Woodward has also been co-operating in the work. Having gotten a start we hope to have the help of others in getting this work done, and wish to get some trees planted yet this spring.
Mrs. C. Grant from British Columbia, visited last Wednesday and Thursday in the home of her sister, Mrs. Harry Smith.
Mr. and Mrs. Enoch Harrison were visiting in Weippe Thursday, in the homes of Mr. and Mrs. Ray Hill and Warren and Frank Harrison.
Mrs. Alvin Salisbury of Moscow, accompanied by Mrs. Ronald Jack and son, Mrs. Glen Brazier of Genesee and Miss Emma Lou Vincent of Moscow, visited Tuesday in the Harry Smith home. Miss Vincent visited her parents, Mr. and Mrs. M. R. Vincent.
A. G. Peters and Charley Thornton of Seattle were home over the week-end.
Paige Craig visited Saturday in the home of Mr. and Mrs. Charley Hoffman.
Mr. and Mrs. Gordon Peters and daughters visited Sunday afternoon in the home of Mr. and Mrs. Ed. Heinrich.
Mr. and Mrs. Herman Johnson and Mrs. Julia Flesman were guests Sunday in the home of Mr. and Mrs. M. R. Vincent.
Mr. and Mrs. Raymond Hudson of Kendrick and Everett Farrington of Vancouver, were Sunday dinner guests in the A. G. Peters home. Raymond and Everett called in the home of Mr. and Mrs. Eldie Hunt in the afternoon.
A. G. Peters delivered a truck-load of scrap iron to Lewiston Monday for Bud Gephart.
Mrs. Clarence Thornton and son have moved into their home here. Delbert Hoffman of Seattle spent the week-end at the home of his parents, Mr. and Mrs. Chas. Hoffman.
Henry Bleck of Southwick spent Monday evening visiting in the home of Mr. and Mrs. W. H. Weyen.
Mrs. O. A. Walker was called to Clarkston last week to help care for her mother, Mrs. Charity Flesman, who is seriously ill.
Miss Sally Wegner of Pullman spent the week-end in the Chas. Hoffman home.
Mrs. Emma Cook, Miss Ellen Erickson and Alex Larson are among those who have had colds and flu.
Carol Weyen of Kendrick spent the week-end in the home of her grandparents, Mr. and Mrs. W. H. Weyen.
Mr. and Mrs. Robt. Draper are remodeling their home, building on a bath and modernizing the kitchen with built-ins.
Mr. and Mrs. Orval Walker and son of Clarkston were guests Sunday in the home of Mr. and Mrs. O. A. Walker.
Mr. and Mrs. M. R. Vincent were guests Sunday evening in the home of Mr. and Mrs. Robt. Draper.
Miss Betty Anderson was a dinner guest Sunday in the home of Mr. and Mrs. Leonard Wolff.
Among the Lelandites who attended the Music Festival in Lewiston Saturday were Mr. and Mrs. W. H. Weyen, Mr. and Mrs. M. R. Vincent, Mr. and Mrs. Roy Craig, Mr. and Mrs. Robt. Draper, Mr. and Mrs. G. F. Criddlebaugh, Miss Betty Anderson, Mr. and Mrs. A. G. Peters and Janie, accompanied by Mrs. Raymond Hudson of Kendrick; Fred Reil, Mr. and Mrs. Rhinehart Wilken and Mr. and Mrs. Homer Parks.
Thirty-three men of 44 to 65 registered here Monday.
Mr. and Mrs. Leonard Wolff were business visitors in Lewiston Tuesday.

Kendrick Gazette

Men 44 to 65 Register Monday
Monday of this week saw the registration of all men between the ages of 44 and 65 inclusive for possible non-combatant service, all over the nation.
In Kendrick 78 men between those two ages registered. L. D. Crocker was in charge of the local board.
Our little nephew, who is on a diet, says he thinks it is too bad they can't make rubber out of spinach.

BIG BEAR RIDGE NEWS
W. R. Johnston, Sunday School organizer from Lewiston, showed slides at the Chapel Sunday evening following a song service. He will be here Sunday morning at 10:30 for the purpose of discussing the organization of a Union Sunday school at the Chapel. Let's all attend and show our interest in a Sunday school.
Mr. and Mrs. Halvor Lien were Lewiston shoppers Tuesday.
Mrs. D. J. Ingle arrived home on Tuesday from Kalamazoo, Mich., where she spent the winter with her son, Dr. Dwight J. Ingle, and family.
Mr. and Mrs. Chas. Bower were Lewiston visitors Tuesday.
Seventeen men registered in the Bear Creek precinct Monday.
Mr. and Mrs. K. D. Ingle were Moscow business visitors Monday.
A. C. Wilson and Albert Nelson spent the first of the week in Spokane, where Mr. Wilson sold some cattle.
J. C. Bean is at the home of his daughter, Mrs. Harvey Fairfield, recovering from a siege of the flu.
Mr. and Mrs. Henry Kortemeier and son Paul were Lewiston visitors Wednesday.
Several from here attended the Music Festival in Lewiston Saturday.
Mrs. K. D. Ingle returned the girls' woolen dresses we have finished to Moscow Red Cross headquarters, Monday.

Cost of Living Quiz.

Q: What important item in family living costs is actually lower than in 1940?

A: **Electricity!**

Here's Why:

Every day something else goes up in cost! But your cheap electric service has not gone up. In fact, it has gone DOWN! Your electric rates today are LOWER than they were in 1940!

As you enjoy easier household tasks, good lighting for your entire family... all the benefits of better living... you know that electricity in the Inland Empire is a bigger bargain than ever! And The Washington Water Power Company is bending every effort to give you electricity at the lowest possible cost.

THE WASHINGTON WATER POWER COMPANY

WARNING!

FAILURE of Passage of the Wheat Quota Election MEANS A LOSS OF \$63,750,000.00

Representing the difference between \$1.00 or more per bushel with quotas and 25c without on the estimated 1942 crop of 85,000,000 bushels.

TO WHEAT GROWERS OF WASHINGTON, OREGON and NORTHERN IDAHO

Why We FAVOR Wheat Marketing Quotas

On May 2, 1942, the Wheat Growers of the United States for the second time will vote to determine whether or not we shall continue a stabilized wheat program in the United States. We are giving our full support for wheat quotas, since under the law the wheat loan is the main stabilizing factor in our present wheat prices. Without quotas there will be no loan and without a loan there would be chaos in our market. We urge your study of the following factors:

- 1 Quotas will organize supplies and avoid clogged transportation.
- 2 They will make for more efficient use of storage space.
- 3 They will aid in directing wise and efficient production.
- 4 They will help maintain a strong plan for production of wheat as it is needed and at fair prices.
- 5 They will help maintain soil resources by limiting production to needs.
- 6 They will help to meet reduced marketing due to loss of export markets.
- 7 They will divide equally among all wheat growers the responsibility for adjusting supply to demand.
- 8 They operate under the "democratic way" by use of the ballot.

PRICE

Average 1931 to 40 National Farm Price\$.68 bu.
Average 1941 National farm loan rate (with quotas)	--- .98 bu.
Estimated 1942 National average farm loan rate (with quotas) 1.11 bu.
Estimated 1942 farm loan rate (with quotas) at Walla Walla 1.03 bu.
Estimated 1942 Farm Price in State of Washington (without quotas)25 bu.

NOTE:

Without quotas there would be practically no market for wheat. You could not expect more than 25c per bushel for any wheat you might be fortunate enough to sell if "Quota" should fail to pass.

WORLD WHEAT SITUATION

NOVEMBER 1, 1941			
	1940	1941	
Production	4,003,000,000 bu.	3,960,000,000 bu.	
Supplies (including carryover)	5,842,000,000 bu.	5,372,000,000 bu.	
ESTIMATED SURPLUS FOR EXPORT OR CARRYOVER IN EXPORTING COUNTRIES			
	Million Bu.		
	1940	1941	1942
United States	300	400	630
Canada	371	600	486

Argentina	159	218	253
	998	1314	1514

VITAL WHEAT STATISTICS

	1940	1941	1942
Carryover, July 1	282	385	630*
Production	815	946	793*
Total Supply	1,097	1,331	1,423*
Domestic Disappearance	675	680	670*
Exports	37	21*	
Total Utilization	712	701*	670*
Carryover, July 1	385	630*	753**

*—Estimated.

**—Carryover July 1, 1943, plus 1942 exports.

Wheat supplies need to be maintained at a high point during today's period of emergency; yet the farmer should not be made to suffer for doing his job too well. The quota is a device set up in the farm program to be used during the period when we have more wheat than the market will take and maintain a fair price. It is a means under which the available market is divided equitably among all of the growers who have been producing wheat. A "Yes" vote is a vote for a sound price structure during the period when we are shut out of our usual world markets and enables us to maintain a reasonably high production in comparison with normal times. Under the quotas we need not fear the present wheat surplus as it will be held under control.

THE SIGN OF DEPENDABLE SERVICE FOR ANY CAR OR TRUCK

SEE YOUR
LOCAL

CHEVROLET
DEALER

Today, more than ever before, this sign beckons all car and truck owners who want the skilled, reliable service that comes with: (1) trained mechanics, (2) quality materials, and (3) reasonable service rates....You can expect this kind of service from your Chevrolet dealer because, for years, Chevrolet dealers have had the largest number of "trade-ins" and therefore the widest experience in servicing and conditioning all makes of cars and trucks.

WHY SUGAR RATIONING? AMERICA CAN RAISE IT!

Portland, Oregon — Only a day or so before the Japanese attacked Pearl Harbor, one of the high officials in the AAA proclaimed that from a food standpoint, the nation was in a remarkably fortunate position, that there were adequate supplies of every commodity so that rationing would not be necessary in this country.

Scarcely more than a month later, the need for sugar rationing was announced, and it was intimated that other food-stuffs would be added to the list later.

No patriotic American objects to making sacrifices which will help win the war, but many are wondering what type of fat-headedness makes a sugar shortage necessary in this country. With thousands of acres of land ideally adapted to the sugar beet raising in the western part of the United States, farmers of this area have been forced to curtail their production.

When the administration realized a year ago that a Japanese attack on Pearl Harbor was a possibility and that much of our sugar imports for the Philippines and the Hawaii Islands might be imperilled, it is difficult for one to understand what motives caused the officials to restrict sugar beet planting.

The nation could easily be self-sufficient in sugar as it is in wheat, corn and cotton if the farmers were permitted to produce what the citizens required. Representatives of the beet sugar raisers begged with tears in their eyes to be granted an increase over the limited acreage allotted.

Not only was this request refused, but a few days later Jesse Jones granted a loan of \$11,000,000 to the Cuban sugar interests to increase their capacity. It seems that a Roberts investigation of the lack of preparation right at home would be well in order.

Production Goals Raised

Japanese bombs on Pearl Harbor December 7, dumped Uncle Sam into a world war and placed new values on the food and fibers produced by American farmers.

Latah county farmers will be called upon to make every lick count in meeting new goals for production of foods for American armed forces, war workers and the people of the United Nations, who are our allies.

Revised goals for farm production in 1942 will be substantially larger than the record farm output called for last fall in the Food for Freedom program.

New goals of particular interest to Latah county farmers will be those for eggs, raised from four billion dozen to four billion two hundred million dozen; for hog slaughter raised from 79,300,000 head last fall to 83,000,000 head; for dry peas, up 73 per cent from 1941 production; and dry edible beans, 113 per cent of 1941.

The department also is asking for one-fourth more canned tomatoes and one-third more canned snap beans in 1942 than were packed in 1941.

In announcing the revised production goals, Secretary of Agriculture Claude R. Wickard said more milk and milk products were needed, but the goal was not being raised because it was felt farmers would have their hands full meeting the goal set last fall.

To make sure the expanded production does not rebound against farmers with ruinous prices as it did after the last war, the Department of Agriculture has announced that price support of 85 per cent or parity for hogs, eggs, evaporated milk, dry skim milk, cheese and chickens will be extended from the date announced last fall to June 30, 1943.

The price for dry edible beans will be supported at \$4.75 per 100 for U. S. No. 1's, sacked, f. o. b. cars at country shipping points, and for dry peas at \$5.25 per 100 for U. S. No. 1's, sacked, f. o. b. cars at country shipping points. Withdrawal of the support is required by law to be announced sufficiently ahead of time to allow production adjustments to be made.

The department also established a minimum average increase of \$17.50 per ton in the price to be paid to growers for canning peas by canners who wish to participate in the

38 million case program announced in January to meet civilian, military and Lend-Lease requirements. State USDA War Boards were given the job of applying the increase to the crop by grades or sieve sizes.

At the same time, a minimum average price of \$16.50 per ton for tomatoes to be paid to growers by canners for the 40 million case tomato pack asked by the department was established.

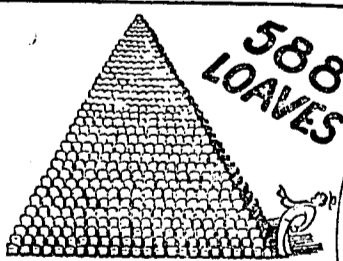

Plumbing Equipment "Frozen"

In order to prevent the dissipation of existing plumbing and heating equipment stocks, the WPB has frozen all stocks, except for retail sales of \$5 or less, or for sale on priorities orders. The order covers all new plumbing and heating equipment, including any equipment, fixture, fitting, pipe or accessory of a type used in or connected to a water, sewer or gas system, or any primary heating unit or accessory designed to provide building warmth.

The order does not cover used plumbing and heating equipment, or tools used for installation and repair, or hoses, sprinklers and similar devices commonly attached to outdoor faucets.

A small ad. will bring results.

Wheat and the War

AMERICA HAS ENOUGH WHEAT TO MAKE 588 LOAVES OF BREAD FOR EVERY PERSON IN THE COUNTRY.

DEMOCRACY

ONLY IN AMERICA DO BALLOTS DECIDE WHEAT PROBLEMS. IN 1941 U.S. GROWERS VOTED TO STABILIZE THEIR WHEAT INDUSTRY WITH MARKETING QUOTAS.

KEEP 'EM ROLLING

RAILROADS ARE HEAVILY LOADED WITH TROOPS AND WAR MATERIALS. A HARVEST-TIME FLOOD OF WHEAT COULD ENDANGER THE NATION. MARKETING MUST BE ORDERLY.

BIG INDUSTRY
WHEAT IS THE WORLD'S BIGGEST FARM INDUSTRY. NEARLY 12 MILLION U.S. FARMERS GROW WHEAT.

MARKETING QUOTAS HELP KEEP AMERICA'S WHEAT PROGRAM STRONG. DURING WARTIME, VOTE IN THE NATIONAL REFERENDUM **MAY 2**

Another Double Feature
 Another double feature offering is scheduled for the Kendrick Theatre this coming week-end. The first offering will be "Obliging Young Lady," starring Joan Carroll, Edmond O'Brien and Ruth Warwick. It is a fast moving romantic comedy that is crammed with laugh-provoking situations, all building up to a side-splitting climax.

The second feature of the evening is "Lady Scarface," starring Dennis O'Keefe, Judith Anderson and Frances Neal. It is a fast-moving murder mystery that will keep you on the end of your seat from start to finish. It's a story of a real "she-wolf" in action.
 The usual cartoon will also be shown.

JULIAETTA NEWS ITEMS

Rebekah President Visits
 President Lulu Watts of the Rebekah Grand Assembly of Idaho, made her official annual visit to the Juliaetta Rebekah Lodge Monday evening. Eighteen other Rebekahs from Moscow, Lewiston, Orofino and Kendrick were also present. These included Floy Naylor, vice president from Moscow; and Nina Portfors, junior past president from Orofino. Roy Naylor, past patriarch of the I. O. O. F. from Moscow was also present.

During the meeting Mrs. Watts made a very fine address, and was presented a token gift from the Juliaetta lodge.
 Deputy President Earlen Taylor gave a talk in observance of "The One Hundred and Twenty-Third Odd Fellowship." Many visitors spoke in appreciation of the efforts of the Juliaetta lodge in remodeling their lodge hall.

Lunch was served at the close of the meeting.
 The District Meeting of the Odd Fellow and Rebekah lodges will be held in Juliaetta Saturday afternoon and evening, May 2.

Other News Items
 Mrs. Frank Barton from Tacoma is here visiting her mother, Mrs. Minnie Kite, and sister Juanita.

The chorus and band from the Juliaetta school took part in the Music Festival at Lewiston last Friday and Saturday.

Miss Caroline Millard is home, after undergoing an appendicitis operation at St. Joseph's hospital in Lewiston. We are all glad to hear she is recovering so rapidly.

Harry Behrens of Spokane was a week-end visitor at the Mike Hedler home.

Mrs. Phil Johns entertained the Ladies Aid of the Methodist church Tuesday.

The Senior play, "Peekaboo Penny," is very humorous and full of mysterious events that will keep your interest sustained throughout the evening. It is to be presented tonight (Thursday) in the Juliaetta High school auditorium.

CRESCENT CLIPPINGS

A birthday celebration was held at the Elmer Souders home Wednesday evening in honor of Mrs. Elmer Souders' and Mrs. L. A. Watson's birthday anniversaries. Those present were Mrs. Lena Swanson and Gloria; Mrs. Alfred Swanson and children. Mr. and Mrs. L. A. Watson and Dick, and the host and hostess, Mr. and Mrs. Elmer Souders.

Frank Souders and Marion were Southwick visitors Friday.
 Miss Phyllis Babb spent the week-end with Miss Adella Betts.

Elmer Souders visited Sunday afternoon at the Frank Souders home.
 Several men from here registered Monday in the "older generation" service call.

Mrs. W. H. Loeser visited Thursday evening at the Arne Kloster home.
 Kendrick visitors Monday were Mr. and Mrs. Ben Baker. Mr. and Mrs. Elmer Souders and Mrs. Frank Souders and Marion. Mrs. Charlie Greenwood came back with the Souders.

Word received from Ernie Loeser from a camp in California states that he enjoys camp life very much now that he is accustomed to it.
 Nearly every family from Crescent was represented at the Track Meet in Southwick Thursday, despite the cold weather.

Miss Edna Kimbley and Mrs. Ida Dorendorf visited Sunday at the Ben Baker home.
 Mrs. Wm. Babb and Miss Phyllis visited Friday at the Wm. Cowger home.

Jennie Loeser spent the week-end with her parents, Mr. and Mrs. W. H. Loeser.
 This cold, rainy spell has rather put a stop to farming at this time.

Road grading Monday has made a very big improvement in our roads, although the heavy rain of Tuesday didn't do them much good.

FOR SALE—2,100 lbs. Flat White seed beans, two yrs. old; cleaned. Call 186. Nels Longeteig, Southwick, Ida. 18-1x

LITTLE BEAR RIDGE

Edris Nelson, Alvin Bohman and Mary Thomas were the three Seniors from the ridge to enjoy the Troy sneak Wednesday of last week. They drove to Spokane, attended a broadcast at KFPY, another at KHQ, thence attended picture shows, etc., returning home at 4:30 Thursday morning John Thomas' car took one load.

Mr. and Mrs. Paul Hall and daughter were Kendrick and Lewiston visitors Saturday.
 Mr. and Mrs. Fred Zimmerman moved onto the Elsie Emmett place this week. Mr. and Mrs. Stewart Wilson of Cedar ridge helped them move.

Mrs. Elsie Emmett moved to Lewiston this week. Herman Lohman, Jr., helped her move.
 Mr. and Mrs. Roy Thomas of Standford visited with his parents, Mr. and Mrs. John Thomas Saturday afternoon. They spent Saturday night and Sunday with her parents, Mr. and Mrs. A. R. Locke of Leland.

Mr. and Mrs. Sydney Thomas of Pullman, Wn., spent Sunday visiting at the John Thomas home. Sydney and John are brothers.
 John Bohman called at the Gunder Peterson home Monday.

Lester Johnson visited at the Ole Johnson home Monday morning.
 Douglas Kelly and Mr. Kelly were Troy visitors Monday afternoon.

Several of the men from this ridge registered Monday for possible service with the army.
 Donald Pym was able to return to school Monday, after being out with a siege of three-day measles.

PINE CREEK GOSSIP

Mrs. Fred Bailey visited Wednesday in the Roy Glenn home.

Lela Riley and Velma Hecht spent Wednesday night in the A. Riley home.
 Betty Halseth spent Wednesday night with Vivian and Lois Fey.

Mr. and Mrs. L. A. Bartlett were Lewiston visitors on business Saturday.
 Gordon Lidean of Troy visited over the week-end in the Fred Bailey home.

Mr. and Mrs. Roy Glenn and girls visited Sunday in the John Glenn home at Fairview.
 Mary Riley visited a few days in the K. L. Fraser home at Juliaetta.

Fred Bailey is working for a few weeks at Grand Coulee, Wn.
 Mr. and Mrs. Geo. Stead and children visited Sunday in the Frank Wilken home.

Mr. and Mrs. John DeHaven visited Monday in the Fred Bailey home.
 Mr. and Mrs. L. A. Bartlett were Moscow visitors Monday.
 Bernadine Glenn spent Tuesday night with Artaale Bailey.

Frost Damages Gardens
 Thursday night of last week old Jack Frost got in what is hoped was his last "lick" for the growing season, and here in the valley he did plenty of damage to gardens, blackening tomato and pepper plants, early garden beans and other varieties of tender plants. The thermometer dropped in the valley to an even 32 degrees, and on the hills was said to have gone as low as 28, freezing a good "scum" of ice in some places.

It has remained cold and rainy ever since that period, rain starting to fall Friday evening, and continuing intermittently since that time.

Late tulips are now in full bloom, lilac and bridal wreath are just waiting a warm day to burst into bloom, and locust trees are now leafing fast. A couple of good warm days would make a world of difference in the appearance of the canyon.

Infant Daughter Passes Away
 Dixie Marie Winegardner, infant daughter of Mr. and Mrs. R. C. Winegardner, passed away at her home in Southwick, Friday night, April 24, after a few days illness. She was born Feb. 15, 1940.

Funeral services were held at the Community church, Southwick, on Sunday afternoon, with interment in the Kendrick cemetery.

Remember Pearl Harbor!

SQUIRRELS
 IF THEY BREATHE THEY DIE!

95%
 of all squirrels in 1,000 burrows died instantly when gassed with **CYANO GAS**

Squirrels have to breathe... whether or not they refuse poisoned foods. Cyanogas gives off a poison gas that fills the burrow like air. Official check shows that less than 5% of the squirrels escape. The quick, sure, low cost way is to gas 'em with Cyanogas. Just drop a table-spoonful down the burrow... or blow it down with foot pump or knapsack duster. Residue is harmless slaked lime. Your dealer has 1, 5, 25 and 100 pound cans.

EDITORIAL

Well, folks — It kinda seems like Adolph has the jitters — and old Hiro isn't too far behind him — and when it comes to "Mussey," well, the fear of Hitler is all that keeps him erect — and when Adolph gets the jitters had enough — down will go Mussey, and with it the Roman empire he tried to build, and of which he has but little left at this time. The statement that American production of planes and tanks was already greater than that of all the Axis forces" is indeed good news, and perhaps that has helped give Adolph the jitters he so richly deserves. By the way, did you know that the best type of sugarless canning was "frozen foods in one of our locker boxes?" A few minutes reflection will prove us right — and today the time to rent that box.

Remember — We pay spot cash for your cream. Bring in can on your next trip to town.

A colored porter in a hotel was asked why rich men usually gave smaller tips than poor men.

"Well, suh," he answered, "the rich man don't want nobody to know he's rich and the poor man don't want nobody to know he's poor."

"Your daughter has perhaps told you what she means to me. I told her yesterday that she is the joy of my days, the dream of my nights."

"Well, she did say something about it but not quite like that. She just said that she had clicked!"

Another impediment to marriage is the increasing difficulty in supporting the government and a wife on one income.

WHAT'S GOING ON IN THE SOUTHWICK SECTION

Mrs. Geo. Ziemann and children, Sammy and Sandra, visited at the home of Mr. and Mrs. Axel Anderson over the week-end.

Rev. and Mrs. Tetwiler were dinner guests of Mr. and Mrs. Gordon Harris Sunday.

Mrs. Given Mustoe and son Jack were visitors in Lewiston Friday and Saturday.

The Track Meet held at the school Thursday was well attended, although the weather was not what we would have picked. Leland won the "cup" with a large crowd from there attending and rooting for their entries. Stony Point won the "trophy" for one-room schools. A large attendance at the play that evening was much appreciated.

Mr. and Mrs. Nels Longteig, Hank Bleck and Rev. and Mrs. Tetwiler ate supper Thursday evening with Mr. and Mrs. Harl Whittinger. Rev. and Mrs. Tetwiler will leave sometime this week for Clarkston, where they will reside and he will preach.

Mr. and Mrs. Given Mustoe and Jack spent Sunday with Mr. and Mrs. Harve Southwick of Cream Ridge.

Mr. and Mrs. Roy Southwick are spending a few days visiting with relatives in Camas, Wn. John Meland is at their place taking care of the stock and doing chores.

Mr. and Mrs. Oral Craig and Don Morgan visited with Mr. and Mrs. Virgil Harris for a short time Friday evening, before going to the play.

The High school band and Glee club attended the Music Festival held at Lewiston last Friday evening and Saturday.

Mr. and Mrs. James Skinner of Orofino spent the week-end here.

Mr. and Mrs. Tom King, Sr., and Mr. and Mrs. Tom King, Jr., and daughter, and Mr. and Mrs. Wade Candler called in Lewiston Saturday.

Mr. and Mrs. Alex Lawrence, Oscar Lawrence and Mrs. Lizzie Lawrence spent Friday in Lewiston.

Among the Southwick residents attending the funeral services for Mrs. Julius Hoppe were Mr. and Mrs. Given Mustoe, Mr. and Mrs. Nels Longteig, Mr. and Mrs. Clarence Henderson, Mr. and Mrs. Milton Benjamin, Rev. and Mrs. Tetwiler, Mrs. Harl Whittinger, Mr. and Mrs. Alex Lawrence, Mrs. Melver and boys, Mrs. Roy Gertje and son, Mr. and Mrs. Arnie Cuddy, Mrs. Wright, Mr. and Mrs. Joe Tschantz, Henry Tschantz. Other Lewiston visitors were Mr. and Mrs. J. G. Travis, Mr. and Mrs. Virgil Harris, Mr. and Mrs. Jay Thornton and Mrs. Thornton.

Mrs. Harvey Bales, Grangeville, visited with her parents, Mr. and Mrs. Nels Longteig, a few days during the week.

Supper guests at the Harl Whittinger home Thursday evening were Hank Bleck, Elaine Southwick, Pauline Powell and Roy Silflow.

Rev. and Mrs. Tetwiler visited in the Nels Longteig home Friday evening.

George Longteig, Lewiston, is visiting his uncle, John Meland, and his brother, Nels Longteig and family.

No question about who's the best man on earth—he's the fellow your wife could have married, but didn't.

ITEMS OF INTEREST FROM THE CAMERON SECTION

Emil and Harold Silflow visited in the Aug. O. Wegner home in Pullman Sunday.

Mrs. Meske and son Teddy visited with Mrs. Gus Kruger Tuesday afternoon.

Heleen and Harry Newman and Kenneth Wilken of the U. of I. spent the week-end here.

Mr. and Mrs. Otto Silflow, Mr. and Mrs. Ernest Heimgartner and Irene, Mrs. Carl Koepf, Mrs. Henry Wendt, Mrs. Fred W. Newman, Mrs. Walter Koepf, and Fred Mielke and sons Ted and Edwin were in Lewiston Monday.

Mr. and Mrs. Russell Rodgers spent Sunday evening with Mr. and Mrs. August Brammer.

Mr. and Mrs. Otto Silflow visited with Mr. and Mrs. Walter Silflow Sunday evening.

Rev. Meske left for Oregon City, Oregon, Monday evening to attend Lutheran Conference.

Mr. and Mrs. Gus Kruger spent Sunday with Mr. and Mrs. John Blankenship in Kendrick.

Mrs. A. F. Wegner and son Wayne were in Lewiston Tuesday.

Mr. and Mrs. Glenn Wegner were Tuesday evening visitors in the Walter Koepf home.

Mrs. F. W. Newman, Irene and Reva Schoeffler, Ted Mielke, Harold Brammer and Glenn Newman attended the track meet at Southwick Thursday of last week.

LINDEN ITEMS

Mr. and Mrs. Guy Humphrey of St. Louis, Mo., arrived Friday to visit her parents, Mr. and Mrs. C. E. Harris and family. Mr. and Mrs. Wesley Laws and children of Pierce also arrived Friday to visit her parents. Mrs. Laws and Mrs. Harris are sisters.

Mrs. Louisa Fry went to Moscow Saturday to visit relatives.

Mr. and Mrs. Dan Lyons and children of Spokane arrived Thursday to visit Mr. and Mrs. F. C. Lyons and family till Sunday evening.

Bert McAntire, Geo. Smith, Clem Israel and Stewart Wilson attended the Latah County Chambers of Commerce meeting held at Kendrick last Thursday evening.

Mr. and Mrs. Rollin Armitage of Southwick, Nellie Fry and Erma Langdon of Kendrick attended the "Minstrel" show Saturday evening and spent Sunday in the Ray Cuddy home.

Mr. and Mrs. Earl Dunham and family of Walla Walla spent Saturday evening and Sunday visiting Mr. and Mrs. Louis Alexander.

Mr. and Mrs. Henry Jones and Guy Foster of Bend, Oregon, visited Mr. and Mrs. Arthur Foster and family Friday evening and Saturday.

Mr. and Mrs. Clem Israel, Mr. and Mrs. Fred Magee, Mr. and Mrs. Roy Morgan, Miss Eva Smith and Mr. and Mrs. Louis Alexander attended the funeral of little Dixie Winegardner at Southwick Sunday afternoon.

Mr. and Mrs. Byrl Goodwin, Jr., of Spokane, visited Mr. and Mrs. Tommy Griffin Sunday.

Mr. and Mrs. F. C. Lyons received a letter from their son, Clem, saying that he and Johnnie Keeler had spent Sunday, April 19, together in California. Both are in the armed forces.

Marjorie Holt and Jake Riebold enjoyed a visit with their sister from California, over the week-end.

Our receipts for the Jr. Red Cross totaled \$36.00 from the sale of shadows for supper partners. Mr. Magee did a splendid job of auctioning the shadows. A "Minstrel" show was given by the evening's entertainment. A large crowd was present and enjoyed it all. Much praise is due Miss Bocklund for the splendid job of organizing the event.

Our school (Gold Hill) won 4th place in the ten schools taking part in the track meet at Southwick on Thursday of last week. Our winners were as follows: First prize ribbons — Alex Weaver, running broad jump; George Lyons, high jump; Iva Jean McCoy and Mildred Harris, 3-legged race. Second prize ribbons — Lois Morgan, base ball throw, sack race and chinning; Jake Riebold, 50-yard dash, 100-yard dash, high jump, running broad jump; Alex Weaver, 100-yard dash. Third place ribbons — Lois Morgan, 50-yard dash; Jake Riebold, shot put and relay race; Alex Weaver, shot put and relay race; Arthur Grayson, high jump and relay race; Rodney Weaver, relay race; Iva Jean McCoy, 50-yard dash; Mildred Harris, baseball throw. The picnic for our community at this gathering was held at the home of Mr. and Mrs. Rollin Armitage.

SCHOOL NEWS

The Kendrick High School band attended the music festival at Lewiston last Saturday. We all had an enjoyable time, as well as learning a little more about music.

The Tigers played a game of baseball at Lapwai last Friday. The score was 8-4 in favor of Kendrick. The Girls League gave a Mother and Daughter tea last Tuesday at 2:30 in the afternoon in the Home Ec. room, which was tastefully decorated with flowers. A short program was given by the girls and a short talk was given by Mrs. Marvin Long on "Beauty in the home," which was very much enjoyed. Refreshments were served after the program.

In mentioning the typing rating in last week's paper, we neglected to mention that in the speed test Artalee Bailey also made a rating of 84.

The pictures to be shown this week in Visual Education are: "Endocrine Glands" for biology; "Heart and Circulation," for biology; and "When the Cows Come Home," for the F. F. A.

Painting Interior

Harley Perryman is quite busy these days repainting the interior of the Perryman Confectionery. The same color scheme as formerly is being used, cream and pink, with black trim. He is also painting new decorative pictures.

The secret of saving is watching the hole in the top of your pocket.

Tire Recaps Are Scarce
Certificates for recapping or re-treading tires will be made available to defense workers only when absolutely necessary to enable them to get to their jobs, officials state. A limited number of recapped tires were made available to defense workers this month, but this was done, officials say, only because of the necessity of keeping war production lines and other essential operations from faltering. The governing factor is "the national interest and not the convenience of the war worker."

Girl Scout News
The Girl Scouts met last Thursday afternoon in the home of their leader, Mrs. Marvin Long. The afternoon was spent sewing together the squares knitted for the Red Cross Afghan.
Mrs. Long presented plans for the camping trip we have been saving for. It will be a gas-less vacation, which we feel is patriotic. Good old "dobbin" and a covered wagon will be our means of transportation, and we plan on dressing like "cow girls" and having a wonderful time.—Patty McCreary, reporter.
