VOLUME 52

KENDRICK, LATAH COUNTY, IDAHO, THURSDAY, JUNE 11, 1942

NO. 24

## KENDRICK HAPPENINGS OF TWENTY YEARS AGO

Ben Callison and son Nora left Thursday morning for the North Fork of the Clearwater after some big trout. They left here with a hack and team. They expect to bring back some real fish.

Holbrook & Emmett shipped a carload of fine hogs from Kendrick Tuesday of this week. They have been shipping from one to two carloads of stock a week this spring.

Mrs. Stewart Compton underwent an operation at her home in Orofino Sunday morning. She is reported to be getting along very nicely.

George Wilken and Bill Mielke of Cameron received delivery of a Rumble Oil Pull tractor on Thursday of this week. They expect to use it in their threshing operations this summer.

Ernestine Callison, daughter of B. E. Callison of American ridge, graduated from the eighth grade of the Ursuline Academy at Moscow, Monday.

Miss Clara Bailey left the first of the week for Cheney to enter summer school. She will receive her life certificate from the normal this summer.

Herman Wilken was an arrival from Lewiston Wednesday on the afternoon train.

Mr. and Mrs. E. W. Lutz and children and Miss Dorothy Stanton went to Hayden lake Monday to spend the week. Mr. Lutz will attend a bankers' convention before returning home.

Mrs. Thomas Blewins and daughter arrived Wednesday from Oakesdale, Wash., to make their home in the Betsy Olson residence. Mr. Blewins is the local section boss.

William May, accompanied by Rufus May and his family, had a collision with another car, driven by a man residing at Genesee, Wednesday, between Juliaetta and Genesee. The cars were being driven at a slow rate of speed, but as it was one of the May boys suffered a scalp wound about two inches long and other occupants of the car were slightly bruised and shaken up. Damage to the cars was slight.

It is a safe bet that there won't be many bootleggers taking vacations between now and the Fourth of July—too busy.

Latah county politics are now beginning to warm up for the fall runoff. John L. Woody, who is serving his second term as sheriff, was the first to file his declaration of candidacy. Harry A. Thatcher, present auditor, has filed for the nomination to succeed himself, as did also John Nisbet, who is serving his third term as prosecuting attorney. Tuesday morning, E. J. Gemmill, county assessor for the past four years, filed declaration of candidacy for that office.

The old Farmers warehouse, near the cannery, at Juliaetta, is being torn down and the lumber will be used to enlarge the main warehouse building near the depot. The main building will be remodeled so as to square it up and when completed the warehouse will be 260 feet long and 50 feet wide and will be much more conveniently arranged for the handling of grain. This change has been contemplated for some time and will be quite an improvement.

At the regular meeting of the Rebekah lodge, Tuesday night, the following officers were elected: Mrs. Housley, noble grand; Mrs. Effie Kite, vice grand; Mrs. Pearl Long, recording secretary; Thos. Sturdevant, financial secretary; Mrs. Minnie McDowell, treasurer.

Linden Items—Mrs. Sylvia Jenks arrived from Lewiston Monday for a visit with her daughter, Mrs. Lou Alexander and family. F. C. Lyons delivered a 340-pound dressed porker to Bert Sha've at Long Meadow last week. Mrs. Hattie Alexander spent several days last week at the Clem Israel home. Mrs. I. E. Foster and Arthur and Mrs. Bud Harris and children spent Friday with Mrs. Earl Langdon. Mrs. Hattie Alexander and Miss Eva Smith went to Lewiston Saturday to attend the Normal Commencement program. Miss Anna Smith is a member of the graduating class. C. P. Israel and Frank Starr went fishing at Long Meadow Wednesday, returning the next day with the limit.

Leland Items—Mrs. Herman Koepf came home from the hospital Monday where she had undergone a serious operation. She is convalescing nicely. James Winegardner drove to Moscow Wednesday, accompanied by his father and R. M. Smith. The Arthur Locke family visited relatives in Southwest Sunday. Mrs. Julia Flesman entertained at dinner Sunday for Mr. and Mrs. Frank Flesman, Mr. and Mrs. Ed. Flesman and children and Mr. and Mrs. Yenni and son Wayne. Mrs. Fox and children of Juliaetta are visiting Mr. and Mrs. Claud Craig this week.

Cameron News—Mr. and Mrs. Tom Daugherty of Southwest visited with Mr. and Mrs. Carl Hartung and family Sunday. Misses Laura and Minnie Blum were dinner guests of Miss Wanda Brunseik Sunday. Mr. and Mrs. Blum and son Gus and Otto Siffow motored to Genesee Sunday. From there Gus and Otto went on to Lewiston. Miss Elsie and Albert Wegner spent Monday with the Blum family.

Big Bear Ridge—Miss Bertina Forest returned home Saturday after having spent several months in Spokane. Mr. and Mrs. T. H. Rogstad, Louie, Joseph, Misses Agnes and Amy Farnstad, Dr. and Mrs. and Mrs. Yenni and son Wayne. Mrs. Fox and children of Juliaetta are visiting Mr. and Mrs. Claud Craig this week.

Cameron News—Mr. and Mrs. Tom Daugherty of Southwest visited with Mr. and Mrs. Carl Hartung and family Sunday. Misses Laura and Minnie Blum were dinner guests of Miss Wanda Brunseik Sunday. Mr. and Mrs. Blum and son Gus and Otto Siffow motored to Genesee Sunday. From there Gus and Otto went on to Lewiston. Miss Elsie and Albert Wegner spent Monday with the Blum family.

## Sugar Registration Goes Smoothly

The Kendrick Sugar Rationing Registration board (for canning purposes) which operated Saturday and Monday, under the direction of Mrs. Miram Galloway, registered some 230 families from this section.

Mrs. Galloway was assisted on Saturday and Monday by Mrs. E. A. Deobald, Mrs. W. B. Deobald, Miss Lois Deobald, Jeanette Galloway, Mrs. Silvie Cook, Mrs. A. O. Kanikkeberg, Mrs. L. D. Crocker, Paula McKeever, Mrs. R. L. Blewett, Mrs. Wade Keene, Mrs. L. W. Mason, Mrs. H. C. Schupfer, Mrs. C. H. Daugherty, Miss Barbara Long and Miss Myra Kanikkeberg.

At the special Tuesday registration, which was for those who do not hold sugar rationing books, Mrs. Galloway was assisted by Miss Anne Deobald and Mrs. Everett Fraser.

Mrs. Galloway announces that for a time, at least, she will continue to receive sign-ups for those who for various reasons failed to secure their rationing permits. She will take care of this matter at her home on the school house hill.

## LEWISTON GRAIN GROWERS BUY OLD V.-C. WAREHOUSE

The old Vollmer-Clearwater Co. Warehouse, built at Kendrick nearly 50 years ago when wheat traveled down precipitous gravity pipes and tramways, passed into the hands of the Lewiston Grain Growers, Inc., in a transaction completed at Kansas City, Mo., last week-end. The company's purchase bid being accepted by the farm credit administration, which had advertised the warehouse for sale.

Acquisition of the plant brings to 18 the company's holdings in 11 towns. Herbert L. Powell, assistant manager of that organization, said. Total capacity is estimated at 2,700,000 bushels bulk and 1,500,000 sacked, according to figures presented at the last annual meeting, held Monday of this week, in the Lewis-Clark hotel at Lewiston.

The warehouse is considered by Wade Keene, Kendrick manager for the Grain Growers, as "probably the oldest in this part of the country."

The gravity tramway—a pipe leading from the top of the hill a half mile down to the warehouse—dropped 1200 ft. in that distance, he said, and when sacks were cut at the top and the wheat dumped into the pipe friction was terrific as the grain gathered speed, and scorched kernels were a common result.

Another troublesome feature was that the pipe often broke, spilling wheat over the landscape—and there were no telephones in those days to warn the operator above, who continued pouring in grain until a man could laboriously make his way to the top and inform the operator.

In 1902, the late E. P. Atchison built a cable tramway, which was operated successfully until some two years ago.

The Farmers' National Grain corporation, now defunct, bought the building from the Vollmer-Clearwater company in 1935 and a year later the Lewiston Grain Growers began leasing it and have continued since. Its capacity is 165,000 sacked bushel, Wade Keene says. It has also been used for beans.

Present plans call for its conversion into a bulk plant as soon as possible, the lumber for the job having been purchased from the Kendrick Bean Growers on Tuesday of this week. When remodeled it is expected to have a capacity of about 80,000 bushels of bulk grain.

The warehouse purchased at Juliaetta is now undergoing conversion into a bulk plant, and will have a capacity of about 145,000 bushels. J. W. Shepard, manager of the organization, who was in town Tuesday, stated that in the interests of economy he believed that all three plants would be operated from the Kendrick office. However, that phase has not yet been definitely settled.

At the annual meeting of the organization the by-laws were amended to include the Juliaetta district, and W. F. Heimgartner elected to the post. At the same meeting L. J. Southwick was re-elected director for this district. The annual meeting report showed a very successful year just closed, and dividend prospects for the coming year are highly pleasing to the stockholders.

## Mary Loeser To Be Married

Miss Mary Loeser, who has been employed at Pierce for the past eleven months, spent Tuesday and Wednesday in Kendrick with Mr. and Mrs. Raymond Hudson.

Miss Loeser has resigned her position and will spend a time visiting at her home before becoming the wife of Garland Hauffe of Bellingham, Wash., where the young couple expect to make their home. The ceremony will be performed in Lewiston on Thursday, June 25.

## Little Daughter Quite Ill

The three-months-old daughter of Mr. and Mrs. Sanford Weaver of Gold Hill, is quite ill with whooping cough and pneumonia. Mr. and Mrs. Weaver brought the little one to town, where it could be given necessary medical care.

She is getting along nicely at this time.

injuries received in an auto wreck. Miss Helen Slind was a week-end guest of Miss Neva Nelson. Otto Gladden and Rhinehart Hecht motored to Spokane last week. Bean planting is being rushed this week. A large number of acres are expected to be planted on the ridge this year.

## SHORT LOCAL ITEMS ABOUT PEOPLE IN LELAND SECTION

The Laymen's Banquet meeting, held here last Wednesday, was enjoyed by all present.

## Notice To Correspondents

The preparation of an honor roll, containing the names of all men from the Potlatch section who are now serving in the armed forces of our country is desired for the forthcoming July Fourth picnic, and realizing that there are probably a number who do not receive the Gazette, we are asking all our correspondents to help us out by sending in the names of the boys from their section, together with their home address — not their present service address. For example:

Lieut. Roy Long ..... Kendrick  
Glen D. Hughes ..... Kendrick  
Walter Sparber ..... Kendrick

Your help in the preparation of this honor roll will be greatly appreciated.

We have no correspondent at Juliaetta, or on Fix ridge, or have we been able to obtain one in either location, so we will appreciate it greatly if someone in that town and on that ridge will volunteer and send us in the names and addresses.

Remember — we want the names of all from this entire section.

Do your bit. Buy Defense Bonds and Stamps now! Remember Pearl Harbor!

## Soil Conservation Tour

The Latah County Soil Conservation district will make its third annual tour of the county on Monday, June 15, starting from Moscow, using CCC trucks.

Two trucks will come to Kendrick early that morning, one of which will go to American ridge and one to Big Bear ridge. One truck will also leave from the Gold Hill school and take in the Cedar ridge district. Trucks will start from Kendrick at 8 o'clock, while the one from Gold Hill will start at 8:30 a. m.

These trucks will pick up farmers who may wish to make the trip and observation will be made of the condition of farm lands in each district.

Lunch will be served at the Moscow CCC camp by the ladies of the Joel Grange. After lunch the caravan will go to the conservation nursery near Pullman, where observation will be made of different grasses and other crops.

All farmers are invited to make this trip, going with those who explain what real conservation is.

## TWENTY ATTEND COMMERCIAL CLUB MEETING

Twenty interested club members and visitors sat down to lunch at the Kendrick Commercial club meeting Monday evening in the basement of the Community church, with the meal served by the W. S. C. S. of that church.

Following lunch the regular business of the evening was taken up. There being no bills or communications, committee reports were soon in order.

N. E. Walker of the Highway committee reported that good progress was being made by the Kendrick Highway district, despite the very limited crew, in the crushing and spreading of rock on American ridge, and that what is known as "the Dora May hill" now had a coating of new rock — and not before it needed it.

Fred Magee, Highway Commissioner from Cedar ridge, was present, and announced that state aid had been pledged for the construction and rocking of some ten miles of road in that section. This ten miles stretching from the Lester Weaver ranch near the top of the Boulder creek canyon, to the Clearwater county line. Mr. Magee said their district had made arrangements to purchase a rock crusher, and that the start of their operations depended on the hiring of the Kendrick Highway district bulldozer, which, it was hoped, would soon be available. Mr. Magee also announced that beginning July 1, their section would have a daily mail delivery from the Southwest postoffice. This route to end at Park. The daily delivery will be eight months per year; the other four months being on a tri-weekly basis.

W. A. Watts of the Agricultural Committee reported the outlook for a bean crop in this section as growing darker, owing to the continued wet, cold weather. He also stated that fall-sown wheat was attaining such rank growth that the continued rains were putting it down on the ground, and some loss would be sustained from this. Spring sown grain, oats and barley, however, are growing rapidly.

E. A. Deobald of the Industrial committee reported good progress being made on the new Kendrick Bean Growers' cleaning house. He also stated good progress was being made on the conversion of the old Juliaetta Warehouse company building, in turning it into a bulk plant. This building was purchased some three weeks ago by the Lewiston Grain Growers.

L. S. Thurber of the Merchants committee, reported all committees for the Fourth of July picnic functioning, and announced that a membership drive for club members would begin soon. Mr. Thurber also expressed the opinion that drive should be made by the committee for \$1.00 members, that is, those who are not directly connected with business houses, but who would make good boosters and workers in the club. This met the approval of the club, and Membership committee chairman Frank Abrams announced he would work to that end, as well as for the regular members.

E. A. Deobald, reporting for the Fish and Game committee, reported squirrel shooting excellent this year, despite tall grass and weeds. He also said that prospects were excellent for a good crop of Chinese and Hungarian pheasants this fall. Fishing, at least locally, however, is non-existent, owing to the extremely muddy condition of the Potlatch.

John L. Woody, a director in the proposed Kendrick Co-Operative Creamery, reported on the organization meeting held last Saturday afternoon. He stated that this meeting was in the form of a report-and-sign-up one, and that about \$600 worth of stock was sold at the meeting proper. Mr. Woody reported that the government had approved the loan requested, and that all necessary to assure the creamery was the raising of \$3,000 locally, to match government funds, and committees are now canvassing the Potlatch section, as well as Kendrick, to complete the raising of this money.

George Brocke and A. O. Kanikkeberg also explained phases of the proposed creamery set-up, and urged all calling to support the present stock selling drive.

There being no further business to come before the meeting, on motion it adjourned.

## DOMESTIC WHEAT PRICES MAKE FURTHER DECLINE

Domestic wheat markets registered further decline during the week ended June 5, the Department of Agriculture reports. A continuation of the depressing effect of a large carry-over of wheat and the near approach of the harvesting of the new crop was further reflected in the wheat futures markets during the early part of the week. However, a revival of confidence in high prices approached late in the week and resulting evidences were sufficient to regain most of the early loss. Factors of a buoyant nature contributing to the late upturns are interpreted by trade interests were substantial buying of wheat by milling interests in the Midwest against an enlarged flour business and reports emanating from the Kansas Wheat Improvement association that wheat was being severely damaged by hot weather and dry hot winds.

The weakness in Eastern markets was reflected in lower futures and cash wheat prices at Portland but continuing slow demand for cash offerings also was a weakening influence. Cash wheat prices at Portland at the close of the week were mostly 2c per bushel lower, compared with a week ago. Demand was mostly restricted to current light needs of mills for protein qualities. Offerings from growers also remained extremely light. Wheat receipts totaling 438 cars for the week at Puget Sound and Columbia river terminals, both for feed and milling purposes. Export flour sales under the indemnity plan continued fair but domestic flour business was reported as continuing slow. Light movement of wheat from this area to the Midwest by rail was reported. Winter wheat in Oregon is heading and good in most areas but some has been lodged by rain and high winds. Early spring wheat is mostly good but considerable acreage remains to be sown and some intended sowing will be abandoned because of delay incident to wet soil.

Cash wheat bid prices at Portland on June 5, soft white 91½c; soft white, no rex, 91½c; white club 95c; western red 94½c; ordinary hard red winter 90c per bushel, basis No. 1 grade in bulk.

The San Francisco wheat market averaged weaker, influenced principally by slow demand for moderate offerings and weakness in outside markets. Prices generally averaged 2½c per 100 lower compared with a week ago. Trading and movement were very limited from all classes of trade reflecting approaching new crop movement. Demand for milling grades also was very restricted with a slow flour business during recent weeks showing no improvement. Central California usage of feed wheat of moderate volume but mostly represented wheat purchased earlier from stocks of CCC grain.

Receipts of cash wheat at Minneapolis were somewhat smaller and amounted to 1,118 cars of all classes compared with 1,414 cars the week before. Duluth unloaded 428 cars as against 632 the previous week. The smaller receipts together with a more active mill demand as a result of improved flour business served to firm the cash trading basis, especially on the 15% protein and higher lots.

Winter wheat made generally good progress east of the Mississippi river during the week and is now heading as far north as Maryland and blooming to the central Ohio valley. In the trans-Mississippi states, progress is generally satisfactory with color improved by warmer weather in the upper Mississippi valley. In the Great Plains area, the outlook continues favorable for harvesting to begin within a week or two in southern Kansas. North of Kansas and in the Pacific Northwest prospects are mostly excellent.

## Given Farewell Party

Thursday evening of last week Mr. and Mrs. Marvin Powell were the honor guests at a farewell party, given by the Afternoon Bridge club on the spacious rear lawn at the home of Mrs. Estella Leith.

Following the picnic dinner, a social hour was spent.

Invited guests for the evening, besides club members and their families, were Rilla Davidson, Mrs. Harold Thomas, Mrs. Roy Jump and P. old Thomas, Mrs. Roy Jump, Jean Hoffman of Moscow and P. C. McCrea.

Mr. and Mrs. Powell were members of the club group, and it is with real regret that the club saw them leave Kendrick.

## Bridal Shower

Miss Myra Kanikkeberg was the honor guest at a kitchen shower Wednesday evening, given by Barbara Long, in her home.

The evening was spent playing musical games, and a guessing contest, after which the bride-to-be opened her many useful and lovely gifts.

Dainty refreshments were served by the hostess and her mother.

Invited guests were Donna Wallace, Arlene and Anne Deobald, Jeanette and LaDonna Galloway, Jean Crocker, Evelyn Farrington, Lois Deobald, Clara Mattson, Paula McKeever and Lorraine Woody.

## Delegate To Honorary Society

Miss Arlene Deobald will leave Monday morning for Madison, Wis., to attend the Phi Chi Theta national convention being held in that city from June 18 to 22 inclusive.

Miss Deobald is being sent as a delegate from the Moscow chapter, and has all expenses paid by this national women's honorary society.

Dear Mac:  
I think it is about time that I wrote and let you know that I am receiving the Gazette O. K., and that it is sure swell to get news from the old home town.

I am getting along great in the navy, I think it is a grand life and I like it more every day.

So far I have never seen any of the boys from around home, but keep hoping I will when on shore.

Well, there just doesn't seem to be any more news possible to write, so thanks again for the paper. I must sign off.

Sincerely,  
Roy D. Hill.

### John Wallace Enlists

John A. Wallace, 21, of Kendrick, Idaho, selected a thrilling branch of the service to help the armed forces of the nation. He has been sworn in as a United States naval aviation cadet, according to word received from the office of Com. Bert H. Creighton, senior member of the Naval Aviation Cadet Selection board in Seattle.

John will enter active service and training late in the summer. He will go first to St. Mary's college in California for pre-flight training, and from there will go to naval air stations for training in all types of fighting navy planes. Information he will gain will prove valuable to him in later life. The naval aviation program, offering the most skilled training in aviation, is open to qualified young men between the ages of 18 and 28 years.

Wallace, who is the son of Mr. and Mrs. Lester A. Wallace of Kendrick, was prominent in Kendrick High school before his graduation, having played four years of basketball, served as student body secretary and held numerous class offices. He attended Eastern Washington College of Education in Cheney, Wn., for two years, and there gathered additional student honors.

### Committee Meetings Held

Monday evening, following the adjournment of the Commercial club meeting, L. S. Thurber, chairman of the Merchants committee, who in turn heads the Fourth of July celebration, called a meeting of all sub-committee heads, and a tentative program of the day was laid out as follows:

- 10:30 a. m. Sports Program
- 12:00 noon to 1:30 p. m. Picnic Intermission
- 1:30 to 2:30 p. m. Speaker and Program
- 2:30 p. m. Baseball Games and Tug-o-War.
- 5:00 p. m. Old Fiddlers' Contest
- 9:00 Dance

July 4th Committees are as follows:  
R. L. Blewett Sports  
Edgar Long Concessions  
N. E. Walker Program  
Marvin Long Music and Dance  
Edgar Long Police  
W. L. McCreary Publicity  
Schupfer Bros. Decorations  
Finance Frank Abrams

Each committee head may pick his own assistants as he sees fit.

The group wishes to make it clear that this is not a "Fourth of July celebration," but rather a picnic program and get-together on that day.

As in the past, the only charge for any entertainment, so far as the club is concerned — will be for the dance in the big gym. the evening of the Fourth.

### Pioneer Association Picnic

The Latah County Pioneer Association will hold its annual picnic at the City Park in Moscow, Idaho, June 14, 1942 — but if the weather is too stormy, it will be held in the Grange Hall on North Main street. The picnic dinner will be held at 12:30, on account of church services. Each one should bring his picnic dinner, dishes and sugar. Coffee, cream and ice cream will be furnished by the Elks lodge, who are taking part in the dinner and program.

There will be a program at 2:00 o'clock, consisting of talks by Hon. Burton L. French and C. T. Stranahan of Lewiston, Idaho; community singing of patriotic songs, lead by Prof. A. A. Beecher of the U. of I. music department, and an Elks Flag ceremony.

All pioneers and their friends are cordially invited.

The program will be patriotic in nature.

### You Think It Over

"About the first thing we would do," announces the meanest man in the world, acridly, "if I were a minister, would be to take out the first five or six rows of pews and move the pulpit closer to the congregation."

### OPEN ACCOUNTS

You must pay, on or before July 10th — for all items purchased during May, or prior to May, if you expect further credit. Goods purchased during June and July must be paid for by Aug. 10th, otherwise no further credit can be granted. This is a Government Order!

### TOILET SOAPS OF ALL KINDS

If you want the best in Toilet Soaps — get it at the Drug Store. A greater variety and more complete stock is carried.

### KODAKS AND FILMS

We carry Eastman Kodaks and Films. One roll of film developed and 8 prints for only two-bits.

**Syringa Now In Bloom**

The syringa in the Potlatch section is now in bloom, and the green canyon sides present a very pretty picture indeed, dotted as they are with the white of this shrub. Locust blooms are now gone, the heavy rains of the past few days having hastened their end. Garden flowers, too, suffered with the rain and soon lost their beauty. Gardens, too, are late this year, cucumbers, melons, beans and corn feeling the effects of the cool, wet weather. The estimate is from three to four weeks "behind schedule."

**Government Rules — And Credit**

To promote war production, and to check rising living costs, the Federal Government made effective, May 6th, new regulations regarding credit accounts. These new government rules will require merchants to follow certain definite rules, a brief explanation of which is presented here for the users of credit:

**Monthly Charge Accounts —**  
 1. Unless full payment has been made by the 10th of the second month following purchase, the merchant is not permitted to allow further charges until the over-due balance is paid or a written agreement prescribed by the Federal Regulations is signed. July 10th is the first deadline. All charges for May or prior must be paid by that date.

2. These regulations do not alter the well-established rule that an excellent credit standing is maintained by payment in full by the 10th of the month immediately following the purchase.

3. Stores will now include in their statements charges through the last day of the month.

**Installment Purchases —**  
 1. There must be a down payment of at least one-third (except on furniture and pianos, on which the down payment must be at least one-fifth).  
 2. Longest time allowed to pay: 12 months (except on automobiles and motorcycles, on which the time allowed is 15 months).  
 3. Agreements must be in writing. Minimum payments are \$5.00 per month or \$1.25 per week.

These regulations place a great deal of responsibility on the local merchants, and they will appreciate your whole-hearted co-operation. You must not feel that there is anything personal in this matter, since these regulations were prescribed by the government.

**Produce No More Tackle**  
 Fishing tackle manufacturers may continue to produce their wares until the end of June, WPB ruled in extending the date for cessation of production from May 31. Manufacturers may go ahead and use up parts and partially fabricated items which were in their possession on April 23.

**"Charley's Aunt" At Theatre**  
 This week's offering at the Kendrick Theatre will be a comedy featuring that well-known comedian of the air waves — Jack (Buck) Benny, in "Charley's Aunt," said to be the finest show in which this comedian has ever had a part.

It's your chance to see what happens when Jack agrees to masquerade as "Charley's Aunt" in an effort to keep himself and two loyal friends out of trouble — and then the fun really begins, for Charley's Aunt finds "himself" courted by two gentlemen friends. Oh me! Oh, My! What a mess! And what a time they have finally getting it all straightened out.

In addition, a series of specially selected shorts will also be shown.

**LINDEN ITEMS**

(Delayed)  
 Mrs. McClain and daughter of Pendleton, Ore., and Warren McDonald of Calif., visited with Mrs. McPhee and Mrs. Garner during the week.

Mrs. Homer Betts Southwick, was here for Memorial Day, and was a house guest of Miss Eva Smith. She visited with Aunt Carrie Allen, Mrs. Longfellow, Mrs. Starr, Mrs. Thompson, Mrs. McPhee, Mrs. Garner and Mrs. Harris while here.

Mr. and Mrs. Horace Rainey and daughter and Mr. and Mrs. Elsworth Weaver and children were here from Vancouver, Wash., the first of the week.

Rev. Geo. Calvert and Mrs. Longfellow were Sunday dinner guests of Mr. and Mrs. F. C. Lyons. The dinner was in honor of Mr. Lyons' birthday anniversary.

Arley Allen has painted his machine shed recently.  
 Mrs. Claud Pippinger and Mrs. Edgar Bohn, Orofino, and Mrs. Rube Garner of Pierce were here for Memorial Day and visited in the McPhee home.

Ramie Hunt and Addison Alexander took their cattle to the Bovill country Monday, to summer pasture.  
 Miss Virginia Ewings, Long Meadow, spent Monday night with Mrs. Anna Thompson.

Mrs. Geo. Detrick and Mrs. Tony Griffith, who visited relatives near Spokane, returned home Friday.

(This Week)  
 Mrs. Fred Magee and children, Joe and Junior, left Monday for Carlyle, Canada, to visit her parents, and to attend their Golden Wedding anniversary.

T. P. Fisher, former resident of this ridge, but residing now at Riddle, Ore., arrived Thursday for a visit with Mr. and Mrs. Clem Israel. Mrs. Jim Cuddy left for Kelso, Wash., Friday, to visit her husband, who is employed in the mill there.

Mr. and Mrs. Melvin Garner of Park and Mrs. Mattie Garner attended the funeral of Mr. Draper, in Juliaetta, Wednesday.

Mrs. J. H. Hunt visited her daughter, Mrs. Roy Florence in Clarkston, Thursday and Friday.

Mr. and Mrs. Sanford Weaver took their baby daughter to Kendrick Monday night, where she is under the doctor and nurse's care—a very sick baby.  
 Mr. and Mrs. F. C. Lyons and family and Mr. and Mrs. Stewart Wilson were Lewiston visitors Monday.

Most every family on this ridge was in Kendrick Saturday or Monday, to sign-up for canning sugar.

**Mission Fest Well Attended**  
 A missionfest meeting was held in the Cameron Lutheran church last Sunday, and despite the inclement weather, a very large crowd was in attendance, members of that faith coming from Gifford, Lewiston and Juliaetta.

Rev. Arthur Matzke of Farmington, Wash., was the principal speaker. Collections for the day amounted to more than \$200.00.

**Can Enlist In "Paratroops"**  
 In announcing that civilians without prior military service may volunteer for duty with parachute units the Lewiston army recruiting office revealed this week that the army now offers something with a little extra in the way of "thrill" to the young man who faces certain eminent call to the colors.  
 This type of service also brings the parachutist extra pay, with a qualified jumper as a Private First Class drawing \$98.00 a month instead of the \$36.00 usually paid the ordinary soldier in like grade.  
 To qualify for enlistment in these units, the prospective parachutist must be a United States citizen between the ages of 18 and 30, inclusive, may be either married or single, but the wife cannot be dependent on him for support. He must also meet physical requirements, one of which specifies that he weigh not more than 185 pounds. Additional information may be obtained from Staff Sgt. Charley R. Hill in the Lewiston postoffice.

**Loses Tonsils**  
 Little Jacqueline Craig, daughter of Mr. and Mrs. Ivan Craig of Kendrick, underwent an operation for the removal of her tonsils Monday. She is getting along nicely.

**What You Buy With WAR BONDS**  
 Aside from the sixty-mile an hour Mosquito Torpedo Boats, the Sub Chasers are the speedsters of our Navy. Light and fast, they are the eyes of the Fleet on the water. They displace approximately 1,500 tons and cost about \$2,400,000 each.

We need many of these powerful, fast little boats to cope with the treacherous submarine type of naval warfare fostered by our enemies. Everybody can help pay for more Sub Chasers by putting at least ten percent of his income into War Bonds. Buy Bonds or Stamps every pay day. Buy them from your bank, your post office, or from your office or factory through the Payroll Savings Plan.

**NOTICE TO WASHINGTON WATER POWER CUSTOMERS**

**War Restrictions Do Affect YOUR Electric Service**

Directly or indirectly, war restrictions VITAL TO VICTORY, affect your electric service. Critical materials such as copper, zinc, tin, steel, nickel and rubber must be conserved. These materials are urgently needed for planes, ships, tanks, guns . . . and for all the many other materials of war needed by our armed forces as they fight our battle for freedom.

Restrictions affect the extension of electric service, the sale of appliances and of repair parts. Wherever possible substitutes for critical materials are being utilized, even though this substitution may mean rebuilding after the war.

Service, too, is affected. Extension of credit is restricted. Tires are not available. Service in the armed forces of our country has affected our personnel.

If sacrifice, inconvenience, or delay resulting from these war restrictions affects your enjoyment of electric service, we know you will understand why. To you we pledge our every effort to serve as nearly as possible with the same promptness and efficiency as always. In other words, the best possible service at the lowest possible cost.

WE NEED MORE CONTENTED COWS  
HAROLD THOMAS, Editor

### EDITORIAL

Well, Folks—Another week in June has rolled away, and still the rains continue. It begins to look like another really wet year, but to you folks who are milking cows the situation is not nearly as serious as other folks'. However, we're not here to give you a lecture, but to tell you that we want to buy your cream, and to rent you a cold locker.

You'll find our service and our cash mighty fine when you sell that cream — and you'll also find our locker boxes will just meet your requirements to a "T." Come in and see us the next time you are in town.

Friend: "You didn't roll your own cigarettes before. Why do you do so now?"

Tired Business Man: "Because the doctor told me I needed a little physical exercise."

He spent several days fishing, and presented his landlady with enough fish to supply the whole boarding house. At the end of the week his bill included this item:

"Lard (for frying fish) 55c."  
He: "You're lipstick is coming off."  
She: "No, it isn't."  
He: "It is!"  
She: "I'm sure it isn't."  
He: "Listen! Any time I get as close as this to a girl, her lipstick is coming off!"

Shocked Old Lady: "And on the way up here we passed about twenty-five people in parked cars."

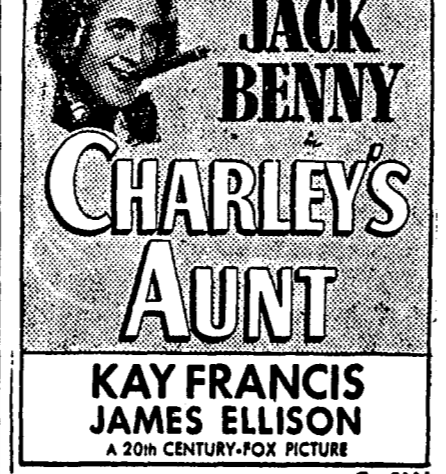

Young Hostess: "Oh, I'm sure you're mistaken. It must have been an even number!"

The nice thing about a dull party is that you get to bed at a decent hour.

Mr. and Mrs. Ernest Roberts were Lewiston visitors last Wednesday.

Frank Roberts, who was hurt some weeks ago by a horse falling on him, went to Lewiston to take treatments last Tuesday. His brother, Cyrus Roberts of Lewiston, came for him and he will stay there while receiving the treatments.

Mr. and Mrs. Warney May received word last week from their son, Jack, who enlisted in the U. S. Marine corps, that he is stationed at San Diego, and likes it fine.

Mr. and Mrs. Henry Brammer received word last week that their son, Ernest, is now stationed at Oxford, Ohio, and going to training school. He like the air corps very much.

Our Red Cross will meet for their next meeting, June 19, at the home of Mrs. Robert Cain.

Mr. and Mrs. Henry Brammer were Lewiston visitors Tuesday afternoon.

Aug. Brammer and Ernest Heimgartner have been shingling the house and adjoining buildings at the Henry Brammer home the past

weeks, as weather permitted. They also plan on painting them.

Irene Heimgartner was a supper guest of Mr. and Mrs. Henry Brammer, Saturday evening.

Claude Woody has so greatly improved from his recent illness that he is able to be out and around again.

**Mrs. Geo. Havens Takes Over**  
Mrs. Geo. Havens has again taken over the writing of American ridge news and anyone having news items of any kind will please phone her. Both Mrs. Havens and the Gazette will appreciate any help they may be able to give her.

**ADDITIONAL PERSONALS**  
Mr. and Mrs. Stanley Mills (nee Marie Havens) of Moscow, spent the week-end with her parents, Mr. and Mrs. Ira Havens. This week Mr. and Mrs. Mills are visiting his parents, Mr. and Mrs. Geo. Mills of Farmington, Wn.  
Mrs. W. A. Watts and son Bob, and Rilla Davidson, accompanied by Mrs. W. L. McCreary, were Spokane visitors Wednesday.  
Mr. and Mrs. E. A. Deobald and daughters were Lewiston business visitors Wednesday afternoon.

**Food Control Committee**  
A food requirements committee with control over production and allocation of all civilian and military food supplies has been established with WFB under the chairmanship of Secretary of Agriculture Claude R. Wickard. The committee, named by Donald M. Nelson, WFB chairman, will determine civilian, military and foreign food requirements and has authority to step up or limit the domestic production of foods as well as the importation of foods and agricultural materials from which foods are derived.

Ed's Note: We hope they do a better job of it than was done with sugar — witness the present sugar shortage, admittedly due to controlled production and importation.

**W. S. C. S. Meeting**  
The W. S. C. S. of the Community church held their last meeting for the summer in the church basement last Friday afternoon, with Mrs. A. O. Kanikkeberg presiding. All enjoyed an interesting talk given by Rev. Murray.  
Hostesses were the Mesdames Wade Keene, C. H. Biddison, H. C. Schupfer and Ira Havens.

## WHAT KENDRICK FOLKS ARE DOING THESE DAYS

Mr. and Mrs. N. E. Walker were Lewiston visitors Tuesday.

Rev. Roy Murray left Monday for Yakima, to attend the Pacific Northwest annual conference of the Methodist church, for ministers and laymen.

Miss Myrtle Schmidt, daughter of Mr. and Mrs. Ernest Schmidt of Leland, left Monday for Boston, Mass., where she has a position.

Mrs. Harold Thomas drove Mrs. Roy Jump and children to Pasco Monday night. The children returned home with her Tuesday evening.

Mrs. Geo. Brocke and children left Monday for Lind, Wash., to spend 10 days with her parents, Mr. and Mrs. Fred Rennie.

Mr. and Mrs. R. L. Blewett drove to Kellogg over the week-end to visit her sister and brother-in-law.

Those attending the annual Lewiston Grain Growers annual meeting and banquet at the Lewis-Clark hotel, in Lewiston Monday were Mr. and Mrs. A. O. Kanikkeberg, Mrs. Ira Havens, Mrs. Johanna Nelson, and Mr. and Mrs. Wade Keene.

G. S. Pond, our local shoemaker, is now at Bayview. We understand he has employment there.

"Punk" and Sidney Johnson are among the latest recruits to join the Kendrick workers at Bayview.

L. W. Mason, who is employed this summer by Potlatch Forests, was home over the week-end. Monday morning Mrs. Masoh drove him to his work near Bovill, and returned to Moscow, where she will spend a week or ten days visiting her parents, Mr. and Mrs. Hoffmann and family.

Mr. and Mrs. Ward Howell left last week-end for Spokane, to visit for a time with his mother, Mrs. D. J. Howell.

Mr. and Mrs. Jack Travis and Mr. and Mrs. Herman Travis of Southwick spent Saturday visiting at the Ben Cook home in Genesee, and attended the Rodeo there.

Silvie Cook who is employed at Bayview, spent the week-end at his home here.

Charles Deobald, Gordon Varo and Dean Compton, employed on blister rust work near Bovill, spent the week-end here, the latter at the home of his grandparents, Mr. and Mrs. N. E. Ware.

Mr. and Mrs. N. E. Ware and Mrs. Stewart Compton and little son, the latter two of Pierce, left Tuesday morning for Salmon City, Ida., to visit for a time at the O. E. MacPherson home in that city.

Among those from this section employed at Bayview are Silvie Cook, Louis Lunders, Billy Deobald, Miss Helen Newman, Leonard and Louis Lunders, Jr. and Adrian Johns. Doubtless there will be others who will join them.

Louie Lunders and sons Louis and Leonard, who are employed at Bayview, Idaho, where the government is building a naval air base, spent the week-end at home. They were accompanied by Ted Hopkins, of Coeur d'Alene.

Mr. and Mrs. Marvin Powell left Friday for Homedale, Idaho, where Mr. Powell will teach the Smith-Hughes department of that school for the coming year.

Mr. and Mrs. E. Johnson and family of Kellogg were callers Saturday in the C. H. Daugherty home.

Mr. and Mrs. Ira Havens spent Sunday in Farmington in the home of Mr. and Mrs. George Mills.

**Another Fire Warning**  
Manning Onstott, state fire warden for this district, whose office is in the city hall at Kendrick, issues another warning that in order to burn brush, slashing, grass or other things of a like nature, it is absolutely necessary to secure a fire permit, and that regulations governing the issuance of these permits are stricter this year than ever before.

So before you do any burning, be sure you have your permit.

**Home Demonstration Classes**  
The first of a series of Home Demonstration classes will be held Friday afternoon of this week at Juliaetta in the church basement, at 1:30 p. m.

These classes are for the benefit of the Kendrick ladies as well as those of Juliaetta, and all are invited to attend and help with the organization work. Miss Hattie Abbott will conduct these classes.
