KENDRICK, LATAH COUNTY, IDAHO, THURSDAY, JULY 30, 1942

NO. 31

WHAT KENDRICK PEOPLE WERE DOING 20 YEARS AGO

John L. Woody was elected president of the Idaho Sheriffs' association held recently at Coeur d'Alene. This is the third time Sheriff Woody has been elected to this office.

L. G. Peterson of Moscow, candidate for the republiation nomination for the office of probate judge, was in Kendrick Wednesday renewing acquaintances.

Marvin Long left Saturday afternoon for Lewiston where he joined a party of Lewiston and Astoria merchants who left Sunday morning for Seattle, traveling by auto, to attend the Buyers' convention which opened Monday and will continue throughout the week.

Misses Marie and Geneva Hamilton of Peck returned to their home Sunday afternoon after visiting in the home of their uncle, A. W. Jones.

Mr. and Mrs. Geo. Leith and daughters, Reta and Clarice, and Bob Spencer left for Hog Meadow Saturday afternoon in search of huckleberries. They report berries as being plentiful in that region.

Adolph Wegner, who has been working in a drug store at Orofino for the past two weeks, returned home Sunday afternoon. He expects to take charge of the Bovill store while the proprietor takes a vacation. Mr. Wegner left for Bovill on Tuesday afternoon.

Ben Callison and daughter Ernestine, the Misses Verne and Velma Ameling and Mamie Roberts drove to Big Island in search of huckleberries last week. The berries being very scarce in that section of the country the party turned their attention to fishing. On their way home Ben stopped at the Gazette office to show us a sample of his catch and stated that he got 20 trout varying in size from 12 to 16 inches. Mr. Callison said that the fishing at Big Island is better than he has experienced for some time.

Mr. and Mrs. E. H. Dammarell and son Howard and Mr. and Mrs. Wm. Rogers and son Wilson left Sunday morning in Mr. Dammarell's car for Seattle. After attending the Buyers' Convention, which was held there this week, the party will leave for Tacoma, Portland, and other places of interest on the coast, returning via the Columbia highway.

Elmer Bechtol, Lester Crocker and Leo Raeborg left for the Clarkia country Saturday evening on a fishing trip, returning Sunday evening. Emulus Brown, Edgar and Kester Dammarell returned from Orofino the last of the week after spending several days fighting fire in the Pierce City district. Kester has been nursing a sore hand since his return, which became infected while there.

The Board of Trustees of the Village of Kendrick are advertising in this issue of the Gazette for sealed proposals for the construction of concrete gutters, cross walks and storm sewers, excavating and macadamizing of streets and other work incidental to the permanent improvement of the street system of the town. This is the final step in the work they have undertaken to give our town the finest improvement which it has ever proposed, and it is one which, considered along with superb water, sewer and sidewalk systems, will put Kendrick in a class far above the ordinary small town. It is probable that the contractor who makes the successful bid will not begin actual excavation or construction until after the heaviest part of the wheat hauling is over.

The packing and canning of cherries at the Juliaetta cannery is finished. The crop greatly exceeded estimates of the growers. Nine carloads of Bing and Lambert were shipped from the Juliaetta plant during the season, while ten tons of Royal Anns were used by the cannery. Several thousand pounds of cherries were shipped from outside points, mostly from the Clearwater valley. Within two weeks the cannery will be putting up tomatoes. Enough tomatoes are now ripe to supply local tables. Cantaloupes will be ready for shipment this week, while by August 10 watermelons will be on the market and ready for shipment.

Big Bear Ridge — A daughter arrived at the home of Mr. and Mrs. M. Knutson July 16. The Misses Alma and Martha Aas spent last week with their aunt, Mrs. H. Sneve. Mrs. A. Kleth entertained the Lutheran Ladies Aid Monday afternoon. Miss Claribel Ingle writes from Berkeley, Calif., that she is enjoying the ideal cool weather. Mrs. Ed. Lien went to Deary Sunday to join the Lewis Aas family on a huckleberry trip. Ole Lien returned home from Spokane Sunday. Mrs. Lien is at the home of her daughter, Mrs. Einar Bruneth, and is recovering nicely from her operation.

Cameron News—Mrs. Frank LaBolle and little daughter Betty, from Canada, arrived the 16th of the month for a visit with Mrs. LaBolle's parents, Mr. and Mrs. Carl Hartung. Mrs. Frederick Mielke has left for Portland, Oregon, to join her husband. Albert and Elsie Blum returned home from Spokane Sunday. The steamers Spokane and Lewiston, owned by the O. W. R. & N. company and used on the Snake river for grain hauling, were totally destroyed by fire at Lewiston Wednesday morning at 4:00 o'clock. The loss is estimated at \$100,000.

Linden News—Cedar creek was well represented at the various celebrations, July 4th, some going to Elk River, Moscow, Cavendish, and (Continued on last page)

Moore-Switzer Nuptials

Miss Claribel Moore, daughter of the late Mr. and Mrs. Amos Moore, pioneer residents of Big Bear ridge, became the bride of Nelson Switzer, of Newberg, Oregon, at the home of Rev. and Mrs. C. C. Barick, also of Newberg, at an evening ceremony on Friday, July 3. The couple were attended by Mr. and Mrs. James Allum of Eugene, Oregon, sister and brother-in-law of the groom.

Mrs. Switzer is a graduate of the Kendrick High school and the Lewiston Business college. Mr. Switzer is a son of Mr. and Mrs. D. B. Switzer of Newberg, Oregon. He is now stationed at Fort Ord, California.

WHAT'S GOING ON IN AMERICAN RIDGE SECTION

To Warney May goes the honor of being the first to start combing, the work beginning Tuesday afternoon. A number of other ridge farmers plan on starting the last of this week.

Mrs. Mary Deobald was a visitor of Mrs. Sam Bigham's Thursday afternoon. On Sunday Mrs. Deobald attended church and was a dinner guest of Mrs. Grace Stinson of Juliaetta.

Mr. and Mrs. Geo. Havens were in Lewiston Saturday. While there Mrs. Havens visited Mrs. Harry Langdon, in St. Joseph's hospital.

Mrs. Harry Langdon returned to her home Tuesday evening from St. Joseph's hospital, Lewiston, following an emergency appendicitis operation. She is getting along splendidly.

Mr. and Mrs. Warney May were Moscow callers Monday.

On Monday morning, after Geo. Havens had gone to Lewiston to help work on his tractor, Mrs. Havens discovered a skunk had come to pay them a visit — going under the pump house. Don Miller was the first to try and capture the skunk, but without success. Then Warney May came along with his two dogs, and by raising up the building it was possible for the dogs to get at him, and it wasn't long until his capture, but oh! what a terrible odor has been left — and Warney has a couple of sick dogs.

Rev. Roy Murray of Kendrick visited Sunday afternoon at the Perry Mattoon home.

Mrs. Frankie Benscoter picked raspberries at the Norla Callison home Wednesday morning, and Carol Mattoon helped Erma Langdon pick berries that same morning.

There was a good attendance at the Red Cross meeting last Friday, the group meeting with Mrs. Walter Benscoter. Our next meeting will be with Mrs. Harold Roberts, on Aug. 7th.

Harry Langdon and daughter Erma visited Mrs. Langdon at the hospital Saturday evening. Mrs. Frankie Benscoter called on her Sunday morning.

Mr. and Mrs. Ed. Kent spent the week-end in Lewiston.

Miss Margaret Cross of Spokane is visiting a few days at the Cox home.

Mr. and Mrs. A. R. Pinch of Lewiston visited their cousin, Mrs. Frankie Benscoter and family, Thursday.

Grandma Benscoter of Peck is visiting at the Frankie Benscoter home.

Mr. and Mrs. Ernest Roberts were Lewiston visitors Friday.

On Sunday evening the Walter Mav family, Miss Dora May and Walter Q. Taylor of Moscow, the Jack Clawson family of Moscow, the Claud Jones family of Big Bear ridge and the Norla Callison family picnicked at Atwater lake.

Norla Callison is assisting the Geo. Davidson family with haying this week.

Mr. and Mrs. Harold Roberts and family were Moscow visitors Sunday, and visited Sunday afternoon at the Cecil Roberts home.

Grandma Benscoter of Peck visited at the Walter Benscoter home last week.

Charles and Jerome Woody of Pomeroy are visiting this week with their aunt and uncle, Mr. and Mrs. Bruce Glenn.

Mrs. Geo. Swanson and sons of Troy were Saturday callers at the E. H. Glenn home.

Mr. and Mrs. Bruce Glenn and daughter Joan, and Charles and Jerome Woody visited at the John Glenn home at Fairview.

Billy and Mary Beth Benscoter visited Mrs. Sam Bigham Tuesday afternoon.

Mrs. Henry Brammer has been assisting with some work at the Werner Brammer home at Southwick this week.

Mr. and Mrs. Joe Ebbson and girls of Rogersburg, Wash., came up last week-end to visit at the John L. Woody home. Mr. Ebbson returned home Sunday, the rest of the family remaining for a longer visit.

Kenneth Woody took Claud Woody back to Spokane to the hospital last Sunday.

Ira Havens, and Geo. Havens and sons called at the Woody home Tuesday evening.

John L. Woody has been on the sick list this week.

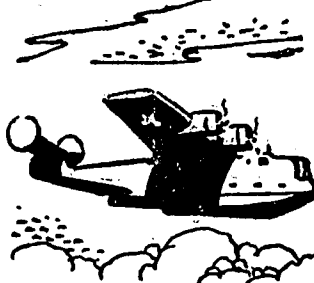

Rev. Shoots of Moscow called at the Woody and Roberts home last Thursday.

Swallows Safety Pin

Mr. and Mrs. Glen Wegner had a frightening experience Tuesday, when their 9-months old son, Reginald, swallowed an open safety pin. The pin lodged in the upper part of the throat, and had to be removed by a Lewiston specialist. Last reports were that the child is recovering satisfactorily.

What You Buy With WAR BONDS

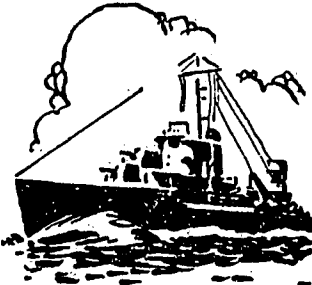

The giant four-motored Navy Patrol Bombers are the world's most powerful planes. They cost approximately \$700,000 each. The Navy also has a lighter Bomber called the Scout Bomber which costs about \$143,000 apiece.

The battle for Britain was almost lost because England had none of these giant four-motored planes with which to fight back. We need thousands of them and they are coming off the assembly lines in our production plants at a high rate of speed today. You can help buy these for your Navy by purchasing War Bonds and Stamps every pay day. Put at least ten percent into Bonds or Stamps and help your county go over its Quota.

What You Buy With WAR BONDS

Ships of the Destroyer type comprise the bulk of our fighting ships in the American Navy. Their average displacement is about 1800 tons, and they are fast, powerful, and hard hitting. They have been particularly effective in convoy duty and gave a good account of themselves in the Coral Sea engagement. They cost approximately \$3,600,000 each.

Every Navy shipyard is turning out Destroyers in record time. They are essential for our two-ocean Navy. Purchase of more and more War Bonds will assure all-out production of these vital units for the Navy. Buy every pay day. If everybody invests at least ten percent of his income in War Bonds we can do the job.

MORE SOLDIER LETTERS

Fort Dix, N. J. July 20, 1942

Dear Friends: Just to thank you again for the paper and to say "hello" to everyone. They have been moving us around a lot in the past few months, but we are going to settle down to one long boat-ride (we think) before long. I surely will enjoy the Gazette more than ever. I like it fairly well here in the "south," but will take Kendrick and the good old west any day of the week. Thanks again for the paper. I am enclosing my new address. Sincerely yours, Sgt. John D. Jones.

Boise, Idaho July 20, 1942

Dear Friends: This is to let you know my new address. After traveling from the west coast to the east coast and back again, have been stationed here at Boise for two months (so they say). So I would like very much to receive your paper again. Haven't received any since I left Seattle, and I miss them terribly. Thank you a thousand times. Jay Q. Mill.

Camp Callan, Calif. July 20, 1942

Dear Mac: Have just time to drop you a line. Please don't send the paper here any more. I am leaving this camp, and will let you know my new address as soon as I get stationed. Thanks a lot for the paper. Yours truly, Ernest H. Loeser.

Stanley Kuykendall Enlists

Hermiston, Ore. July 24, 1942

Dear Friends: Just a line to say "I'm off for the navy today." I have made a request to go on the same ship Donald is on, the U. S. S. Indianapolis. I leave for Portland in a few hours, and then to San Diego for training. Good bye to all my friends, and I will write. Stanley W. Kuykendall.

Writes To Mother

Mrs. Chas. Hicks is in receipt of the following letter from her son, Thomas J. McAllister:

Dear Mother: Just a line to let you know I am in good health, and I hope you are the same. I am in the Military Police now, and I enjoy this branch of the service.

I am going to send you my photograph in just a short time, and you can see what I look like — and see what the army has done for me. I am six feet tall and weigh 160 pounds — what do you think of that?

Well mother, I must close for now. Love to you. T. J. McAllister.

Write To Mother

Lawrence and Doyle Biddison, who are in the navy, wrote to their mother last week, stating that since their enlistment they have been in Australia, Dutch Harbor, and a number of other places whose names appear almost daily in the papers. They state that they are well, and rather enjoy seeing the world.

Underwent Operation

Fred Crocker was taken to St. Joseph's hospital, Lewiston, Friday morning, where he underwent an operation for hernia. He was accompanied by Mrs. Crocker and her sister Mrs. Minnie Satterfield of Everett, Wash.

Mr. Crocker is getting along as well as could be expected.

Volunteer Reserves

An enlistment officer for the Idaho Volunteer Reserves will be at the City Hall, Kendrick, Aug. 7 and 8, from 7 to 10 P. M. Enlist and aid our country.

Political Pot Boiling

As the date for the Idaho primary election draws nearer, this political candidate and that one "bombards" this office with "news releases," designed primarily to get his name into print at no expense to himself. It would be just as fair to go into a grocery store and ask the store keeper to donate a loaf of bread, a can of tomatoes, or some other staple item to him — for the sale of advertising space is the way we make our living.

So if you fail to see your favorite candidate's name in print in our columns you will know that his "news release" failed to add: "Check enclosed." Politics in the Kendrick Gazette, to anyone, must be paid advertisements.

WHAT KENDRICK FOLKS ARE DOING THESE DAYS

Dale Miller was in Spokane several days last week, while taking both the physical and mental examinations for entering Civilian Pilot training. He expects to start training in Lewiston early in September. He will be enlisted in the Air Corps Reserve.

Mrs. Wm. Watts and son Bob were Lewiston visitors Tuesday.

Mrs. Daisy Anderson, accompanied by her son Alfred, and Danny Crocker, were Lewiston visitors on Monday.

Mr. and Mrs. E. R. Porter of Moscow were Sunday guests in the James Emmett home.

Mr. and Mrs. Edgar Dammarell and children were Sunday guests in the home of Mr. and Mrs. James Benjamin on Little Bear ridge.

The Henry Hoffman family of Moscow were Sunday dinner guests in the home of their daughter, Mr. and Mrs. L. W. Mason.

Mr. and Mrs. Walter Kaiser of Spokane are visiting this week at the A. E. James home.

Little Billie Herres of St. Maries is visiting at the home of her grandparents Mr. and Mrs. L. J. Herres.

Gordon Varro was at home for a couple of days this week, suffering with an injured foot. He is employed in a blister rust camp near Bovill.

B. S. Curtiss left Sunday for the Bovill country, where he accepted employment in a blister rust camp. Sonny Daugherty returned home from Lewiston last week-end, where he has been employed. He plans to return to his work Friday of this week. He has been suffering with an injured elbow.

Mrs. Sam Alexander and little daughter, Sammy-Jo, have returned to their home at Long Beach, Calif., after a month's visit with Mrs. Alexander's parents, Mr. and Mrs. Fred Crocker.

Mrs. Roy Jump and children, Marjorie and Tommy of Pasco, Wash., are visiting at the home of her parents, Mr. and Mrs. Harold Thomas.

L. S. Thurber left for Spokane Monday evening on a business trip.

Leland Volunteers Reserves Active

Company 9, Idaho Volunteer Reserves, with Capt. M. R. Vincent commanding, met Sunday afternoon with 36 members present out of an enrollment of 61. Each meeting sees new members added to the roll.

Sunday's meeting was very interesting and instructive, as Mr. Dreps of Lewiston was a visitor. He instructed the company in many new commands and the execution of each. After a general drill of the entire company the squads were drilled by their respective corporals.

Twenty-nine members made their deposits on their uniforms, which are to be secured as soon as available. Enrollment in the company is open to any who desire to join. You need not be a resident of this community to become a member.

The following is a complete list of members of Company 9. Each name is followed by two numbers—the first shows the number of weeks each individual has been a member; the second number shows how many times the member has been in attendance at meetings:

Capt. M. Vincent, 5-5; Lieut. D. Kuykendall, 5-4; Lieut. J. Thornton 5-3; Sgt. G. Orlidgebaugh, 5-5; Corp. R. Craig, 5-5; Corp. J. Irwin, 5-5; Corp. G. Peters, 5-4; Corp. L. Harrison, 4-4; Corp. H. Parks, 3-1; Corp. H. Johnson, 5-4. Privates — B. Hoffman, 5-1; A. Peters, 5-1; J. Hoffman, 5-4; W. Weyen, 5-4; A. Larson, 5-5; H. Hoffman, 5-1; W. Thornton, 5-3; W. Crawford, 4-3; G. Newman, 4-0; H. Newman, 4-2; W. Koopp, 4-0; E. Mielke, 4-1; W. Kuykendall 4-2; F. Schoeffler 4-0; O. Rauschke, 4-0; L. Lohman, 4-1; Elmer Lohman, 4-0; E. Lohman, 4-2; E. Silflow, 4-3; L. Corckill, 4-1; N. Craig, 4-2; R. Dranner, 4-3; Roy Blankenship, 4-3; E. Blankenship, 4-4; W. Bruneth, 4-3; H. Harrison, 3-3; A. May, 3-3; L. Wolff, 3-3; Wayne Thornton, 3-2; K. Slead, 3-2; Wm. Thornton, 3-5; O. Craig, 4-0; A. Fry, 4-2; T. Fleshman, 4-0; W. Cook, 4-4; T. Weyen, 4-1; H. Bleck, 2-1; E. Draper 3-2; H. Smith, 2-2; W. Silflow, 2-2; H. Hoffman, 2-2; J. Whittinger, 2-2; H. Whittinger, 2-2; E. Hunt, 2-2; A. R. Locke, 1-1; W. Locke, 1-1; Alfred Locke, 1-1; Chester Vincent, 4-1; Don Morgan, 2-2.

Takes Highway Job

Ed. Brown, who has been employed as assistant on the local state highway department for some years, has resigned that job and is now employed by the Thomas Sawmill as a bulldozer operator. Ed's shoes are being filled by Charlie Greenwood, who started his new job Monday morning. Charlie has been employed for some time by Clem Israel as a truck driver and bulldozer operator.

CASH WHEAT MARKETS IRREGULAR IN NORTHWEST

Wheat futures at Portland showed but little change during the week ending July 24, but cash wheat prices were somewhat irregular, the U. S. Department of Agriculture reports. The cash wheat situation was influenced principally by local supply and demand conditions. White wheat was in demand from mills and advanced 1c to 2c per bushel for the week, while hard red winter wheat was in slow request and was down 1c to 3½¢ per bushel, as compared with the previous week. Other important domestic markets also were rather unsettled during the period. Legislative developments were less of a market factor, while the storage situation and the probable volume in which new crop grain would be pressed for sale became important market factors. Generally it appeared that producers and country shippers in some important areas planned to hold back all the grain possible. This is not only necessary but also logical in view of the wide spread between current market price and loan values. In the Pacific Northwest, terminal bid prices on some classes continued to range around 20c per bushel under the government loan values.

Mills in the Northwest were in the market rather steadily for cash wheat the past week, mostly for the white classes of good milling type. Offerings continued very light, however, and were hardly sufficient for market requirements on some days of the period. Wheat receipts of 650 cars at Puget Sound and Columbia river terminals continued to represent largely the movement of government owned wheat, since current marketings by growers at the country points were very light. Harvesting of winter wheat was becoming more general in earlier sections of Oregon, but was delayed by rain in many places. Spring grain is ripening in some localities in Oregon.

Cash wheat bid prices for wheat at Portland on July 24, showed for 15-day shipment: Soft white, \$1.00; soft white, no Rex, \$1.02; white club, \$1.03; western red \$1.03; hard red winter, 92½¢. For deferred shipment, warehouse receipt basis: soft white \$1.01; soft white, no Rex, \$1.03½; white club \$1.04; western red \$1.04; hard red winter 96c per bushel, all basis No. 1 grade in bulk.

A firmer tone in wheat prices developed at Kansas City following the sharp decline of the week before. A sudden let-up in the movement of new wheat to market was a result of a modified embargo placed in effect the previous week, lessening the volume of hedging pressure in the futures markets, and there was some support on the increased tendency of growers to hold for Federal loans rather than release at market levels, which figured from 20c to 25c below the loan levels. The modified embargo on wheat for immediate sale was lifted because the run of grain decreased so rapidly that offerings fell below the daily milling requirement. Receipts of wheat at nine winter wheat markets dropped to 7,318 cars against 12,739 the previous week and 8,697 a year ago.

Receipts of cash wheat at Minneapolis were quite large, especially the fore part of the week as the country elevators tried to make room for the on-coming crop. Premiums on cash wheat sagged further early in the week under the influence of liberal offerings and a slack mill demand. On July 24 ordinary dark northern spring wheat was quoted around \$1.10 per bushel. The San Francisco wheat market was quiet but steady. While demand was very moderate, offerings continued light and prices held largely unchanged compared with a week ago. Trading and movement appeared particularly slow toward the close of the period, since both buyers and sellers were awaiting further developments in connection with the new government program for selling CCC wheat to feeders. Harvesting of the new crop was well along in the principal central California producing areas, but growers generally were placing wheat in store rather than selling at current market levels. Considerable wheat was said to have been placed under government loans which were at a somewhat higher basis than current bids of around \$1.85 to \$1.90 per 100 f. o. b. country shipping points for No. 1 hard white and No. 1 soft white wheat, sacked.

Wheat quotations, basis No. 2 f. o. b. Ogden mills on July 24, listed dark hard winter and dark northern spring at \$1.02; hard winter and northern spring at 96c; hard white at \$1.06; soft white at \$1.01 and western white at 99c per bushel. The prices f. o. b. country shipping points were 14c per bushel under Ogden quotations. Denver mills were bidding 85c per bushel for No. 2 hard winter and No. 2 northern spring, basis f. o. b. Colorado common points. No. 1 soft white and No. 1 hard white wheat, prompt shipment, were quoted at Los Angeles July 24, at \$2.00 to \$2.05 per 100, sacked.

Harvesting of winter wheat is nearing completion as a result of two weeks of favorable weather and threshing is in progress throughout most of the belt. Disappointing returns are reported in the central and western Ohio valley, where excessive moisture has long prevailed. Between the Mississippi river and the Rocky mountains, however, conditions are quite favorable and harvesting is advancing into more northern sections of the belt and has begun in Montana.

what is America fighting for?

Protection of Property!

(One of the Essentials of a Democracy)

Abraham Lincoln said: "Property is the fruit of labor. Property is desirable. Let not him who is houseless pull down the house of another, but let him work diligently and build one for himself, thus assuring that his home be safe from violence when built."

On this philosophy of protected property rights, Americans have built America. They have successfully defended this precious principle for more than 300 years.

On today's far-flung battle fronts, Americans fight again to protect their priceless principles of human liberty and individual rights . . . rights of free speech, a free press, the right to govern themselves, the right to own a home or a business, the right to work and enjoy the fruits of their toil.

To safeguard them, America fights, until Victory.

TEAKEAN GOSSIP

We have been having hot, dry weather until this morning (Tuesday) when we had a shower. It cooled the air and it is now windy.

The children of Mr. and Mrs. Don Miller are getting along with the whooping cough as well as could be expected. The baby is having it quite hard, however.

Mrs. Lottie Brock celebrated her birthday anniversary Monday by visiting at the home of Mr. and Mrs. Ed. Choate.

Mrs. Paul Lind and sons visited at the home of Mr. and Mrs. John Lind, Sunday.

Mr. and Mrs. Merton Preussler and family were dinner guests at the home of Mr. and Mrs. Carroll Groseclose Sunday, and all went to church that afternoon.

Mr. and Mrs. Ogden have moved into their home, and expect to be living there henceforth.

Mrs. Guthrie of Juliaetta, came up Monday to visit at the home of her daughter, Mrs. Charlie Wright, on Freeman creek.

Rev. Earl Gaskill, the U. B. pastor of Cream Ridge, preached for us Sunday afternoon. He brought a car full of folks with him and they had musical instruments with them, and furnished music.

Marie Harless came home from Orofino last Friday. She rode up on the cream truck and stayed until Monday, when her sister, Mrs. Carroll Groseclose, took her back. They went on horseback, and Mrs. Groseclose brought the horses back.

The Groseclose and Preussler families had a brief scare Sunday afternoon while passing the Ogden place. They noticed a moving machine and tractor in a ditch, the motor running and no one in sight. They presumed the driver was under the tractor, and hurried over to give help, but the driver had gone for help and left the motor running — so no one was injured.

Notice Of Nominating Election

"King Kong" At Theatre
 This week's offering at the local theatre is a thrill-packed drama that is said to hold everyone glued to their seats — "King Kong". It is an imaginative picture of a pre-historic monster "King Kong" in a modern city. In his rage he scatters modern cars and human beings about like man scatters flies. And his actions, as he towers high among the modern buildings hold interest for everyone. And, of course, with it is a tender love story. Love blooming in the most difficult of circumstances. Starred in the picture are Fay Wray, Robert Armstrong and Bruce Cabot.

EDITORIAL

Well, Folks — Here it is harvest time again — and we certainly hope the weather holds dry and warm for the next few weeks — we can stand it. But you know, when you get an income from old bossy you aren't nearly so dependent on the weather. She doesn't care whether it's raining or the sun shining when it comes to giving milk — which brings you the income. And while we are on the subject of harvest, are you one of the users of one of our locker boxes for storing that harvest meat, and quick, economical and sugarless "canning" of berries and vegetables? If not, why not? You'll be surprised at how little it costs to rent one of these boxes, and how handy it really is. You'll like the money we'll pay you for your cream when you buy those needed harvest items.

"Why are you crying?"
"Father called mother a wad-dling goose."
"Well?"
"Mother called father a stupid ass."
"But why are you crying?"
"Well, what am I?"

A very nice old lady had a few words to say to her granddaughter: "My dear, I wish you would do something for me. There are two words I wish you would promise me never to use. One is 'swell' and the other is 'lousy.' Would you promise me that?"
"Why, sure, Granny," said the girl, "what are the words?"

The older generation thought nothing of getting up at 5:00 o'clock in the morning — and the younger generation doesn't think so much of it either.

GRAIN MARKET REPORT

Spring wheat conditions continued to make favorable progress and prospects are good to excellent except in some localities in Montana, where moisture is needed.

The quality of the 1942 winter wheat crop is higher than last season. Early inspection returns from representative markets show about 86 per cent of the receipts of hard red winter inspected during the first half of July graded No. 2 or better, compared with 69 per cent a year ago. Fifty-one percent graded No. 1 this season compared with only 19 per cent during the corresponding months last year. The crop appears to be reasonably free from dockage with test weight per bushel high and moisture content low. Soft red winter wheat is grading considerably lower this season than last because of high moisture content and damaged grain.

Stocks of old wheat in interior mills, elevators and warehouses on July 1, are estimated at 141,789,000 bushels, which brings the total stocks of old wheat on that date to 525,774,000 bushels, not including stocks in merchant mills and mill elevators. Country elevators and farm stocks combined at the first of July totaled 201,333,000 bushels.

The Commodity Credit Corporation sold about a million bushels of wheat from the 1941 stocks during the week ending July 18, and held on that date approximately 200,403,000 bushels. Holdings of 1939 and 1940 wheat were about 97,500,000 bushels.

TWENTY YEARS AGO

The big picnic near Cavendish, while others went fishing and others took their dinner and spent the day with their neighbors. Quite a crowd of noisemakers gathered at the Francis Stevens home Thursday evening to charivari the newly-weds, Mr. and Mrs. Abe Dorendorf and wish them luck on their journey through life. From there the crowd went to the Frank Farrington home where the "newest newly-weds," Mr. and Mrs. Jim Farrington, were peacefully sleeping. The network of wire stretched ankle-high through the yard nor the gun fired through the window did not discourage the "bombarding" party and the couple were compelled to come forth at that late hour of the night (or morning) and face their tormentors. After a big treat (the second one that night) the crowd disbursed, wishing the couple good luck and happiness. Mr. and Mrs. Ray Lyons arrived Sunday from Nampa, Idaho, for a visit with his mother, Mrs. A. W. Longfellow, and other relatives.

Storage Room

The Lewiston Grain Growers, Inc., wish to announce to the public that we believe we will have ample room for all dry wheat, oats and barley they may wish to haul.

Since operating in Kendrick there has never been a year in which we were not overcrowded on storage space, however, this year, we feel that we will have room to spare.

Working on the theory that it is better to have room and not need it — than to need room and not have it — we have added some 400,000 bushels of additional storage within the last two years.
