

KENDRICK GAZETTE

VOLUME 52

KENDRICK, LATAH COUNTY, IDAHO, THURSDAY, AUGUST 13, 1942

NO. 33

WHAT KENDRICK PEOPLE WERE DOING 20 YEARS AGO

The Kendrick Rochdale is busy overhauling the machinery of the plant in preparation to receive the grain and beans that will soon be rolling to market.

Ripe watermelons were brought from Juliaetta the first of the week.

Dr. Kelly and family and G. F. Walker and wife returned Wednesday from Red River Hot Springs, where Mrs. Walker, Mrs. Kelly and Eloise spent the past month. The party brought home some fine fish which were caught in the vicinity of their camp. They also saw bear, elk and deer not far from the camp.

Marvin Long returned from Seattle Wednesday, where he attended the Merchant's convention. He reports a splendid time and is enthusiastic in his praises of the real booster spirit of the Seattle business men. The merchants were royally entertained while there and the convention was a great success from every standpoint. On his way home he stopped at Leavenworth, Wn., for a brief visit with his sister, Mrs. F. A. Varo. He also spent a day at Spokane.

Mrs. P. G. Stookey and daughter of Lewiston spent the week-end in the home of Mr. and Mrs. James Emmett. Mrs. Stookey is Mrs. Emmett's cousin.

Very little interest was shown in the primary vote in Kendrick precinct. The total vote cast was 38—the republicans casting 20 ballots and the democrats 9, the only contest being for the offices of sheriff and probate judge on the republican ticket. There was little interest shown in the number of votes received by the rest of the ticket. For sheriff, Woody received 16, McConnell 8, and Beardsley 6. For probate judge, Nelson 16 and Peterson 12. Delegates to the county convention on the republican ticket were: M. B. McConnell, Chas. Riggle, E. W. Lutz, R. G. Newton and Harry G. Stanton. Precinct committeeman, E. W. Lutz. Democratic delegates to the county convention were: C. G. Sturdevant, M. O. Raby and Mrs. C. G. Compton. Precinct committeeman, M. O. Raby.

Mrs. M. B. McConnell entertained a number of young people Wednesday evening in honor of the birthday anniversary of her daughter, Jane. Games and dainty refreshments served to while the time away. Those present were Mattie Reid, Juanita Stanton, Edna Stanton, Phyllis, Bernadine and Ethel Cummings, Lillian Long, Margaret and Nettie Mae McDowell, Hester Knepper, Jane McConnell, Max Oldfield and Billy Wilmont.

Gus Birchmer of Texas ridge was in Kendrick on business Wednesday. He said crop conditions in his locality were good, considering the dry season. He gave it his opinion that wheat would average close to 20 bushels to the acre and that most of the bean fields were standing up remarkably well under the intense heat that the country has been experiencing lately.

Following is the list of judges and clerks for the general election in Kendrick precinct: R. D. Newton, W. A. Watts, L. C. Raeborg, Mrs. Frank Crocker, E. T. Long and Mrs. Harry Grindolds. The law provides now that polls will be open from 1:00 o'clock until 7:00 in the evening, thus allowing only half a day for voting.

Mr. and Mrs. Wade Keene drove down from Spokane Tuesday to look after their farming interests on American ridge. They recently returned from an auto tour to eastern points, where they visited Mr. Keene's old home near Bloomington, Ill. Their trip covered a distance of approximately 5,500 miles. Wade said that from what he had seen of the Palouse country in driving down from Spokane the best crops were in the vicinity of Kendrick. He's always a good booster for the Potlatch.

With the completion of approximately two miles of macadamized streets this fall, Kendrick will be in a position to receive the surfaced roads that will eventually lead to town. No other project that has ever been put in effect here will have the far-reaching results for good as this improvement of the streets of the town. It will give the town that added appearance of permanency that will cause many better homes to be built in town.

Some splendid road work has been done this year from the county line below Juliaetta to Arrow Junction. This stretch of road is in better shape now than ever before. Sections of it need but little construction work to make them fit for surfacing. It is becoming most apparent that a splendid road from Kendrick to Lewiston will be accomplished within a brief space of time.

Last Friday was the eighteenth anniversary of the big Kendrick fire. It was pretty warm here, but not as hot as it was 18 years ago.

Returns from some of the threshing machines in this locality show a wide variation in yields. Some few fields yielded but seven bushels to the acre, while others made 40 bushels. The general average for the country is placed at about 20 bushels per acre.

Prof. Daniel, O. E. MacPherson, John Dammarell, Lester and Charles Crocker left Saturday afternoon for the Bungalow, which is located beyond Pierce City. They expect to spend a week or more exploring the fishing streams of that section of the country.

Archie May of Leland says he has lived in the Potlatch country for over 40 years and he believes the crop average this year is the light-

Rubber Loading Bee

Tuesday evening a "rubber loading bee" was held in Kendrick, with business men and others joining the service station men and oil tank operators in loading the scrap rubber collected during the rubber drive.

Some 30 men and five donated trucks were in action, and at the conclusion of the hot and dirty job a big automobile freight car was filled almost to capacity with some 42,000 pounds of old tire casings, inner tubes, rubber boots, hose, mats, dolls and hosts of other rubber articles.

The rubber collectors sincerely desire to thank all donors of rubber, labor and trucks. It is appreciated.

INTERESTING MEETING OF COMMERCIAL CLUB

The Kendrick Commercial Club met Monday evening of this week at 6:30 p. m. in the basement of the Community church, with L. S. Truher, president, presiding.

Following the 6:30 luncheon served by the ladies of the church, the regular business of the evening was taken up. The Minutes of the previous meeting being read. There was but one communication and no bills.

W. L. McCreary made a brief report for the special Military committee. This report was finished out by A. O. Kanikkeberg, who stated that organization of Company 2-K-1 of Idaho Volunteer Reserves was proceeding nicely, and that 35 had signed to date. Mr. Kanikkeberg said it was hoped to run this membership up to some 60 or 70, but that owing to the rush of harvest work many had not yet had time to sign.

L. S. Truher reported the appointment of Edgar Long, village marshal, as local tire inspector.

In the absence of N. E. Walker of the Highway committee Herman and Otto Schupfer reported that work of spreading gravel on Brady gulch was proceeding slowly but surely, due to a lack of help. They also reported that on Tuesday the re-decking and installation of new stringers was to start Tuesday, Aug. 11, on the bridge across the middle Potlatch at the edge of Juliaetta.

They also reported M. C. Halliday as making good progress on his bridge construction job across the Potlatch, near Juliaetta on the road leading to Potlatch ridge.

Marvin Long of the Fish and Game committee reported that the fishing in all streams in territories closed to the public by Potlatch Forests, Inc., had been closed, and would remain closed as long as the ban was maintained by that company. He also reported that Nez Perce county would plant 100 chinks in Nez Perce county on Potlatch ridge.

W. L. McCreary of the Publicity committee showed proofs on government ads. asking for junk collection and asked club permission for the use of the good will ad. as sponsorship for the final drive. This permission was granted and the gate on the last round-up set tentatively for Sales Day in early October.

George Brocke of the Merchants committee spoke on the possibilities of making industrial alcohol from split and spoiled beans and other cull and reject products. He stated that for some time they had been attempting to get a "go-ahead" signal from the "powers that be" in Washington, but had been unable to do so to date. On motion by Mr. Brocke a club resolution favoring the project was ordered drawn and forwarded to the proper authorities at Washington, D. C. Mr. Brocke also stated that this same information would be presented to the Spokane Round-Table this week in an effort to obtain their backing for such a project.

Frank Harris, manager of the Kendrick Co-operative Creamery was introduced, and spoke briefly on that organization. Mr. Harris said that the new group had not yet taken over the Thomas Creamery, since some government "red tape" had not yet been "unwound," but that it was expected final arrangements would be completed soon.

Manning Onstott, local state fire warden reported all fires set last year by lightning as being completely out, and the situation perhaps better in hand than ever before, due to better organization. He thanked all who turned out to fight the fires, stating that he received very fine co-operation from Kendrick and surrounding ridge residents. He also thanked the phone operators, who made many special calls and gave other services.

H. C. Schupfer, local manager of the W. W. P. Co., reported that a fresh supply of snake bite antivenum had been received by his company and was held in refrigeration at the phone office, where it was available to everyone. He said it was preferable to have Dr. Christensen, Dr. McKeever or the local health nurse administer the antivenum, but that complete equipment and instructions for giving it were with the serum and in an emergency it could be administered by anyone. The sooner it is given following a bite, the better.

A. O. Kanikkeberg, cashier of the Farmers Bank, stated that some people were under the impression that the bank received a percentage from the sale of War Bonds—he stated that this was not the case. They were handled absolutely free of charge by that institution. All services and report costs in their handling being donated by the bank.

Marvin Long reported that all the grocery stores in Kendrick, as well as the Kendrick Gazette and Kendrick Garage would receive old

LITTLE MARY MIXUP. BY R. M. BRINKERHOFF.

CONSTRUCTION NOW COMPLETED BY GRAIN GROWERS

Monday of this week saw the completion of the "conversion" job of the Lewiston Grain Growers warehouse into a bulk plant. This particular building is probably better known in this section as the old Vollmer-Clearwater warehouse.

In this job, which was done almost entirely by local labor, under the direction of George Davidson, the whole building underwent a very thorough remodeling and renovation.

On the creek side 120 feet of new concrete foundation and abutment was installed, new stringers were put in, and the whole shored-up to handle the great weight that will rest upon it.

In the west end of the building six big bins were built of laminated 2x6. Two of these bins have a capacity of 14,000 bushels, and four 7,000 bushels each. On the east end an oats bin of 66,000 bushels capacity was built. This bin differs from the others in that its sides are of 1x12, lapped on the edges, and nailed to 4x6 studs, which in turn rest on 6x8 plates, and the whole is held together with cables varying in size from 1-4 to 3-4 inch, and anchored crosswise from plate to plate and plate to sill.

In the center of the building is the elevator tower, which is 72 feet in height, and below that is the receiving pit, which is eight feet in depth.

From the tower go the spouts through which the grain will pour into the bins. These spouts are so arranged that the operator may select any bin desired and shift the flow of grain from the floor.

Outlets in the floor permit the grain, when desired, to flow into a carrier tube below it. In these tubes augers operate, bringing the grain back to the pit, from which point it may again be elevated and loaded into freight cars or trucks from the down-spout.

A feature of construction on this job was the building of the tower in sections, on the main floor of the building, and then lifting the entire sections into place a unit at a time. This novel way of doing the job did away with the expense of building heavy framework on the roof, which in turn would have called for staging and thereby added to costs and slowed up the job. The tower sections were built by G. S. Pond.

All in all this plant adds greatly to the storage capacity of Kendrick at a time when storage space is really at a premium, and is a very welcome addition to our town.

Must Display Use Stamps

On July 31, Judge C. C. Cavanah of the United States District court fined an Ada county resident \$15.00 for failure to have a Federal Motor Vehicle Use stamp affixed to the windshield of his car.

The Collector of Internal Revenue advises that field representatives of the department in all of the counties of the state are checking carefully for violators of the law, and warns that any person found operating a motor vehicle without the Federal Use Stamp affixed to the windshield will be liable for prosecution.

Mr. Viley stated that the purchase of the stamp was not sufficient to comply with the law, and warned that the stamp, after purchase, must be placed on the front windshield in the top center in a conspicuous manner. He also stated that persons who used their cars during the month of July, must have the \$5.00 Use stamp and now must send cash or postal money order to the Collector of Internal Revenue at Boise, Idaho, for this stamp.

The local post offices do not have the \$5.00 stamps for sale since Aug. 1. Persons who have not used their cars during the month of July or who have purchased cars since Aug. 1, can secure a stamp costing \$4.59 from any first-class or second-class post office during the month of August, only. After that time, the stamp of this denomination must be secured likewise from the collector's office in Boise.

Motorists are urged to copy off the serial numbers of their stamps when purchased so that in case of loss, a replacement of the stamp can be made.

CLAUDE WOODY PASSES AWAY AFTER LONG ILLNESS

Claude Woody, 29, son of Mr. and Mrs. John L. Woody, American ridge pioneers, died August 6th, at the Sacred Heart hospital in Spokane after an illness of more than two years.

Claude Ellsworth Woody was born on American Ridge, September 10, 1912. He attended grade school on the ridge and three years of high school at Kendrick, graduating from the Moscow High school, where he was active in athletics. He was enrolled in the College of Agriculture at the University of Idaho, and while a student there won high praise in several of the Little International Livestock shows. He lacked one semester's work for a degree.

Claude grew to manhood in this community, where he was well known. His personality and fine character won him many friends. He was interested in sports and enjoyed all outdoor life. During his long illness and suffering he was patient and uncomplaining, feeling that he would be able to continue his work.

Surviving are his parents, Mr. and Mrs. John L. Woody; four sisters and four brothers, Gladys and Lorraine Woody, Kendrick; Mrs. Joe Ebsen and Mrs. Ralph Tippet, Asotin, Washington; Elgin, North Hollwood, Calif.; Ralph, Pomeroy, Wn.; Chester, Clarkston, Wn.; and Kenneth, Kendrick.

Funeral services were held at the Short Funeral Chapel in Moscow, Sunday afternoon at 2:30, the Rev. Owen J. Beadles of the Methodist church of Moscow in charge. Burial was in the American Ridge cemetery.

Pallbearers were his six cousins Claude, and two of his close friends—Roy, Bruce, Albert, Fred and Harold Glenn, Kendrick; Homer J. Woody, Sweetwater; Roy Ramey, Jr., Pullman, and Joe Watts, Moscow.

Claude put up a long and valiant fight for life and health, and his passing will leave a vacancy in this community that will be very hard to fill. Regardless of how he might feel at the time he always had a cheery smile and friendly greeting for everyone.

Card of Thanks

We wish to express our sincere thanks and appreciation to our relatives, friends and neighbors for their many acts of kindness and words of sympathy during the illness of our loved one; and for the beautiful floral offerings. Words cannot fully express our deep gratitude.

Mr. and Mrs. John L. Woody and family, Willeen Shaver.

First Aid Course Begins

Tuesday evening of this week saw the first of a five-week series of First Aid classes taught by Dr. Walter McWilliams of the North Central District Health Unit.

These courses will be taught each Tuesday and Thursday evening at 8:00 p. m., at the school house in Kendrick, and all interested are urged to enroll at once. The second of these classes will be held tonight (Thursday, Aug. 13). They are in conjunction with Civilian Defense work, and men and women alike may enroll.

On Tuesday evening, August 18, at 7:30 p. m. at the school house, Dr. McWilliams will show two motion pictures on communicable diseases to all who are interested.

The films to be shown are part of the current communicable disease prevention campaign and are entitled: "With These Weapons," and "In Defense of the Nation."

At the first meeting Tuesday evening 57 were present for instruction.

Southwick Child Health Conference

A Child Health Conference will be held in the Southwick school house on Thursday, August 20, at 2:00 p. m., under the auspices of the North Central District Health Unit, and sponsored by the Homemakers' club of Southwick.

Dr. D. A. Christensen will give the medical examinations and Dr. G. W. McKeever, the dental.

All mothers with pre-school children and infants in the surrounding communities are invited to attend.

Hot Weather Continues

Our hot, dry weather of the past ten days is still continuing, with the mercury reaching from 96 to 98 degrees every day—and the 98-degree days are more plentiful than those below that figure.

Sunday was one of those 98-degree days, and very little activity took place about town, front lawns, back yards and running sprays proving to be the popular places of "entertainment." Along toward evening, however, quite a number visited the river beaches at Myrtle, Arrow and Spalding.

P. S.—Wednesday temperature was a number of degrees cooler, and much more enjoyable.

KENDRICK PRECINCT GOES INTO REPUBLICAN COLUMN

Voting in the Kendrick precinct, probably due to the heavy harvest rush, cast but a small percentage of the usual number of ballots, there being but 79 of both parties called for, and of these 79 but 57 were allowable, the others being incomplete, without marks of any kind, or ruined when voters jumped from party to party in an attempt to pick out their favorites.

H. C. Baldrige, unopposed republican for the nomination for Representative in Congress, First Congressional District, lead the Republicans with 36 votes.

On the Democratic side of the ballot Myrtle P. Enking, unopposed for State Treasurer and J. H. Neil, unopposed for State Senator, were tied for the lead with 17 ballots each.

Kendrick precinct returns follow:

Republican Party

United States Senator—Presley F. Horne 15
John C. Sanborn 6
John Thomas 18
Representative in Congress, First District—H. C. Baldrige 36
For Governor—C. A. Bottolfsen 33
W. H. Detwiler 4
Thomas D. McDougall 3
Lieutenant Governor—Edwin Nelson 33
Secretary of State—Charles R. Bailey 11
James W. Keating 21
State Auditor—C. L. Schoenhut 22
Attorney General—Robert Ailshire 25
Royt Ray 8
State Senator—Milburn Kenworthy 27
State Representatives (2)—Victor T. Morris 37
Arthur Snow 20
County Com., First District—Alvah Strong 32
County Com., Second District—A. M. Craig 1
John King 5
County Com., Third District—Geo. C. Hoidal 27
Clerk of Dist. Court—Bessie Babcock 34
Sheriff—Geo. K. Moody 33
County Treasurer—Leola R. King 32
Probate Judge—L. G. Peterson 34
Prosecuting Atty.—J. Morey O'Donnell 19
County Assessor—Robert W. Peterson 14
Walter Q. Taylor 33
Coroner—H. R. Short 32
Precinct Committeeman—Roy Ramey 3
Wade T. Keene 2

Democratic Party

United States Senator—Francis M. Bistline 0
James R. Bothwell 10
Charles C. Gossett 2
Owen T. Stratton 1
Glen H. Taylor 5
Representative in Congress, First District—John Knox Coe 8
Compton I. White 10
Governor—Chase A. Clark 14
Lieut. Governor—E. D. Baird 16
Secretary of State—George H. Curtis 16
State Treasurer—Myrtle P. Enking 17
State Auditor—Calvin E. Wright 16
State Superintendent—C. E. Roberts 15
Atty. General—Bert H. Miller 16
Inspector of Mines—Arthur Campbell 16
Howard F. Rishew 1
State Senator—J. H. Neil 17
State Representatives (2)—James O. Broyles 11
Paul Carlson 15
County Com., First District—James H. Blane 15
County Com., Second District—Tom Rogers 13
County Com., Third District—King D. Ingle 16
Sheriff—R. C. Lange 13
County Superintendent—Horace J. Woodworth 16
Prosecuting Attorney—Tom Felton 14
County Coroner—Chas. M. Carlsen 14
Precinct Committeeman—Wallace Emmett 2
Geo. Brocke 3

Latah County Returns

Two close races on the republican ticket, for prosecuting attorney, and commissioner, second district, featured primary voting in Latah county which was reported as light with about half the votes cast in 1940. Twenty-three precincts in the coun-

DOMESTIC WHEAT MARKETS DEVELOP FIRMER TONE

Domestic wheat markets generally developed a somewhat firmer tone during the week ending August 7, the U. S. Department of Agriculture reports. The erratic trend of wheat prices evident in recent weeks resulted in gains of around 1½c to 1½c per bushel in some important midwestern markets during the period. The recent fluctuations have occurred without any important changes in the fundamental market factors. There is an abundance of wheat in the United States and other surplus nations which serves as somewhat of a ceiling on the upward action of prices. With much of the domestic crop sealed or likely to be sealed under federal loans, however, the moderate commercial marketings are hardly sufficient for milling requirements, and this has provided a supporting influence when prices have shown material declines.

Cash wheat prices in the Pacific Northwest were around 1c to 2c per bushel higher compared with a week ago, largely reflecting the light offerings rather than any urgent demand. Mills were in the market only for special qualities, mostly white wheats. Flour business was reported only moderate both for domestic and export under the new export indemnity program. Some demand was reported from the midwest for low protein white wheats from this area but the volume of business was only moderate to light. In general, market outlets for cash wheat at Pacific Northwest markets were limited and trading in the cash market was very quiet during the past week. Wheat receipts totaling 684 cars at Puget Sound and Columbia river terminals mostly represented the movement of government owned wheat to the coast. With current cash wheat quotations ranging from around 16c per bushel on some classes to about 30c on others, under the federal loan values, growers in this area were inclined to hold their grain from market at this time. The harvesting of wheat made generally good progress with yields mostly up to expectations.

Cash wheat bid prices at Portland on August 7 deferred shipment, warehouse receipt basis: Soft white wheat \$1.04; soft white, no Rex, \$1.07; white club, \$1.07; western red, \$1.07; hard red winter \$1.02, all basis No. 1 grade in bulk. For 15-day shipment, bid prices showed for soft white \$1.01½; soft white, no Rex, \$1.03½; white club, \$1.04½; western red \$1.03½; and ordinary hard red winter 90c per bushel, basis No. 1 grade in bulk.

The San Francisco wheat market was somewhat unsettled with trading and movement quite narrow. The firmness in other markets and light central California marketings were sustaining features, but current demand was quite slow, particularly toward the close of the week. Most buyers were inclined to await further developments in connection with the department's sales program. At the close of the week ideas as to values were unusually far apart, but No. 1 hard and No. 1 soft white wheat generally were quoted at San Francisco at about \$2.00 to \$2.02½ per 100, sacked basis. Washington and Oregon shippers offered No. 2 soft white at \$1.95 and No. 2 hard red winter at \$1.80 per 100, in bulk, delivered San Francisco.

Gains of 1½c to 1½c per bushel were registered at Kansas City during the week, with trading as quiet at nine winter wheat markets totaled 4,318 cars against 4,725 a week ago and 4,418 a year ago.

Threshing of winter wheat continued to make good progress in the western portions of the winter wheat belt, where returns are unusually large. In the eastern portions of the belt, however, frequent showers have delayed harvesting and threshing, and in some sections grain is sprouting in the shocks. Dry weather is also needed in southeastern portions of the spring wheat belt, where harvesting is now in progress. The bulk of the spring wheat has already been harvested in eastern Dakota and cutting has begun in the Red River valley of Minnesota. Harvesting is also beginning in southern North Dakota. Excellent weather prevailed in the Pacific Northwest and returns are reported highly satisfactory.

A marketing quota for the 1943 wheat crop was declared by the Sec. of Agriculture on August 5. A nation-wide referendum will be held in the spring before June 10, 1943, to determine whether growers wish to have the quota apply to wheat grown on 1943 wheat acreage allotments announced June 17, at 55,000,000 acres, the minimum provided by law. Under marketing quotas, each grower is allotted his fair share of the available wheat market and the flow of wheat to market is stabilized. Penalties may be placed on growers who produce and market more than their quota. The marketing penalty is intended to discourage marketing of excess wheat and is half the basic loan rate. For 1942 the basic wheat loan rate was \$1.14, making the penalty 57c per bushel.

The quantity of 1942 wheat under government loan at the first of August increased to 31,000,000 bushels, and barley to 140,000 bushels, of which 130,000 bushels was in California. The quantity of wheat from previous crops owned by the government at the first of August totaled 297,689,000 bushels. Wooden bins contracted by the Commodity Credit corporation to August 3, was 48,060, with a total capacity of 97,412,000 bushels, but only a fourth, with a capacity of 21,327,000 bushels, had been delivered.

There being no further business to come before the club, on motion it adjourned.

WARNING

Due to the continued dry season, all water users are requested to "go easy" on the water, and not be wasteful.

VILLAGE OF KENDRICK,
EDGAR LONG, Supt.

STONY POINT VICINITY

An 8½-pound son was born to Mr. and Mrs. David Daniels Saturday evening. Mother and babe, who are at the C. H. Davidson home in Kendrick, are reported doing nicely. The harvesting of a sweet clover seed crop in our vicinity with an all-crop machine, has been successfully completed.

Carl Steigers, while feeding the calves one evening last week, had the misfortune to crack a bone in one finger, tearing the nail nearly off. It was necessary for Dr. Christensen to completely remove the nail in order to dress the finger.

Mr. and Mrs. Robert Steigers and children were Sunday dinner guests in the home of Mr. and Mrs. Wm. Steigers.

Mr. and Mrs. Lloyd Brown and children were Sunday guests in the Newt Heath home.

Ralph Steigers is visiting a few days with his cousins, Kenneth, Keith and David Steigers.

Miss Bonnie Daniels has been visiting in the Summers and Joe Piper homes at Agatha.

Suffers Stroke

Mrs. (Aunt) Carrie Allen of Cedar ridge, who suffered a stroke Aug. 6th, is still critically ill, and is being cared for in the home of Mrs. Clifford Davidson.

KENDRICK PRECINCT GOES INTO REPUBLICAN COLUMN

(Continued from first page)

ty's 24 had reported early Wednesday morning, Bear Creek precinct not being included in tabulations. A three-way race for commissioner, second district, on the republican slate was won by Rudolph E. Nordby with a vote of 642, with A. M. Craig trailing with 513 and John King 96. The present prosecuting attorney for Latah county, Robert W. Peterson, was defeated for the nomination by J. Morey O'Donnell, who led by a bare 47 votes. O'Donnell collected 665 to Peterson's 618.

No offices were contested on the democratic ticket and the vote was light with Horace J. Woodworth garnering the greatest number cast for a county office as he collected 448 for school superintendent. Governor Chase Clark received 453. The republican vote was about three times as heavy with Bessie Babcock receiving 1,233 votes for clerk of the district court and ex-officio recorder. Republicans named C. A. Bottolfsen as their candidate for governor, giving him 827 votes with W. H. Detwiler trailing with 309 and Thomas McDougall 119. The democrats named Glen Taylor as U. S. senate candidate, and Compton I. White for the nomination for congress.

Votes cast by the republicans for U. S. senators were: Presley Horne, 280; John C. Sanborn, 279; John Thomas, 612. Other republican nominees for state offices were H. C. Baldrige, congressional representative, 1,058; Edwin Nelson, lieutenant governor, 1,071; Charles R. Bailey, 444; James W. Keating, 615. For secretary of state, C. L. Schoenhut, 890 for state auditor; and Robert Ailshie 778 and Hoyt Ray 246 for attorney general.

For the county offices returns are as follows:

Republican Party
State senate—Milburn Kenworthy, 1,005.

State representatives (2)—Victor Morris 962; Arthur Snow, 1,070.

County com., first district—Alvah Strong, 1,031.

County com., second district—A. M. Craig, 513; John King, 96; Rudolph E. Nordby, 642.

County com., third district—Geo. C. Hoidal, 1,029.

Clerk of the district court and ex-officio auditor and recorder—Bessie Babcock 1,233.

Sheriff—Geo. K. Moody, 1,226. Treasurer—Leola R. King, 1,215. Probate Judge—L. G. Peterson, 1,200.

Prosecuting atty.—J. Morey O'Donnell, 655; Robert W. Peterson, 618.

Assessor—Walter G. Taylor, 1,120. Coroner—H. R. Short, 1,144.

Democratic Party
Latah democrats nominated Taylor with 172 for U. S. senate; following were James R. Bothwell, 134; Charles Gossett, 54; Francis M. Bistline, 48, and Owen Stratton, 35. Compton I. White received 296 votes to John Knox Coe's 134 for representative to congress. Other state nominations by the democrats included E. D. Baird, lieutenant gov., 409; George H. Kendrick Rochdale Company

KENDRICK, IDAHO

At Kendrick Theatre

This week's offering at the Kendrick Theatre will be entitled "Suspicion," starring Cary Grant, Joan Fontaine, Sir Cedric Hardwicke, Nigel Bruce and Dame May Whitty.

This picture, laid in pre-war England, is replete with mystery, love and action. It brings to the front the good and the bad to be found in every country. Its continuous and thrilling story linking the lives of two continents is sure to please all theatre goers.

In addition selected shorts and the usual cartoon will be shown.

Held Services In Park

The Full Gospel church held their regular services in the Park on Sunday, August 9, about 30 being in attendance.

A big picnic dinner was held and ice cream and cake served those present.

News Always Wanted

When you hear a news item or are a part of one, please give it to us or to one of our correspondents. Our boys in the U. S. service will appreciate news of the home folks.

—Thank You.

what is America Fighting for?

Freedom of The Press!

(One of the Essentials of a Democracy)

One of the strongest guarantees of American freedom is a FREE PRESS. A dictator's first act is to enslave the Press.

The Free Press, like freedom of speech, religious tolerance, property rights, and their protection, and the free ballot, is a sacred American heritage that permits no compromise.

These precious rights were not easily attained. They have been held by war, work, and hardships, and America will not permit them to be lost at any cost. The same tireless spirit of sacrifice, individual initiative, courage and foresight that built America's mighty industries will not fail in this great struggle for freedom.

 Thirty-seven votes were cast at this primary election precinct Tuesday. Judges were James S. Nelson, W. E. Hecht and Mrs. Claude Jones. Clerks were Mrs. Esther Schriffler and Mrs. Johanna H. Nelson.
 Mr. and Mrs. Everett Hammond of Spokane came down Saturday evening, bringing with them her mother, Mrs. E. H. Jones, who has been visiting them for two weeks.

ORVILLE STORER IN UTAH

Announcement was made last week of the appointment of Edgar Long, village marshal at Kendrick, as tire inspector in Kendrick — and we understand he has received plenty of calls for his services the past week.
 Kendrick has been without an inspector for some weeks, following the resignation of Fred Newman, and local truckers, farmers and others eligible to purchase tires, will be glad to learn of Ed's appointment.
 It is a distasteful and thankless job at best, and co-operation and patience on the part of those who apply will be greatly appreciated by Mr. Long.

Burning Vacant Lots
 Tuesday morning Edgar Long and fire warden Manning Onstott and Doy Tout were busy about town burning off a number of vacant lots. Tall, dead grass had made them a real hazard, and it will help a lot to have that much eliminated.
 A burned vacant lot may not be pretty to look at, but it's safe.

Home Making Club
 Don't forget the Home-making club which meets this Friday afternoon at 1:30 in Juliaetta. Miss Hattie Abbott will be present to talk about nutrition.
 All the women in this section are invited to attend.

Visiting in Nesbit Home
 Mr. and Mrs. Henry Nesbit and family of Minneapolis arrived Sunday for a few days visit with his parents, Mr. and Mrs. B. F. Nesbit.

John C. Thomas Enlists
 Word has been received in Kendrick of the enlistment in the navy of John C. Thomas, Troy, son of Mr. and Mrs. John A. Thomas.

Remember Pearl Harbor! Buy Defense Bonds and Stamps!

THE Bullitin

WE NEED MORE CONTENTED COWS
HAROLD THOMAS, Editor

EDITORIAL

Well, Folks — Now that we have our crop of political candidates threshed and ready to put through the cleaner next November, we can forget about them for the time being, and turn our thoughts to the more real, more abundant and more necessary work now at hand — grain harvest.

With the present shortage of men and materials every moment must be made to count, and that is one of the reasons we say "Bring us that can of cream." We offer right-now payment, and also return a steam-sterilized, ready-to-use can. You don't even have to take time out to wash it. Then, too, there is no waiting, no fuss, no bother, either about the can or check. Bring that next can to us and see for yourself. In this day and age "a minute saved is a penny earned."

Doctor: "May I kiss you?"
Nurse: "Certainly not. Do you think I want to have a doctor's bill thrust in my face?"

"Where did you get the black eye?"
"I went to a dance and was struck by the beauty of the place."

Judge: "Prisoner, you are charged with assaulting this woman."

Prisoner: "I deny it. I merely said I did not like her apartment."

Judge: "Ten day for knocking her flat."

A man pinned under his car after an accident was being questioned by a policeman. "Married?"
"No," said the man. "This is the worst fix I was ever in!"

Read the Bullitin, keep posted.

SERVICE MEN WRITE

San Diego, Calif.
Aug. 3, 1942

Dear Mac and Folks:
I certainly have been very glad to hear from the folks in that vicinity. The home town news is mighty welcome and makes a sailor feel better. Mac, I certainly wish to thank you most sincerely for the paper. I've received two copies so far.

I am fine and I like the navy better every day, and like it here also.

Again I want to say that I appreciate the letters from my folks and friends, and thanks lots for the paper.

Sincerely yours,
Lester C. Slead.

July 2, 1942

Dear Friends:
Thought I would drop you a few lines to let you know that I appreciate the copies of the Gazette I receive, even though they are usually several months late in catching up with me.

It has been some months since I've run into any of the fellows from around home, but your paper keeps me posted pretty well on what has been going on.

Thanking you again for the Gazette, I remain

Sincerely,
Jack Moe, U. S. N.

(Ed's Note: The date at the top of Jack's letter is not a mistake).

BIG BEAR RIDGE NEWS

Mrs. Marvin Redington and children, Philip and Foy of Salmon, Idaho, are here visiting her parents, Mr. and Mrs. A. W. Jones.

Mr. and Mrs. L. Morrison of Moscow spent their vacation at the A. Kleih home.

Mrs. Halvor Lien returned Wednesday from a visit with her sister, Mrs. Clayton Mowery (nee Miss Julia Slind) at Baker, Oregon.

Mrs. Roy Emmett and son Gary visited with her mother, Mrs. Jesse Whitcomb, in Spokane last week.

Arnold Moen, Ernest Thosath and Mr. and Mrs. C. J. Arnstein of Spokane, were week-end guests of Mrs. Johanna Nelson.

Mrs. E. H. Jones spent the past two weeks with her daughter, Mrs. Everett Hammond, in Spokane.

Mr. and Mrs. Stanley Sneve of Moscow were recent visitors at the home of Mrs. H. Sneve.

Mrs. Albert Nelson and daughter, Dawn Marie, returned home last week, having visited her parents at Agawam, Mont.

W. R. Johnston, Union S. S. organizer of Lewiston and Miss Della Brown of Minneapolis, Minn., completed a very successful two weeks of Bible school Friday. A program was given by the children in the evening, which was very well attended. A solo by Miss Brown and a duet by Mrs. Ivan Whitcomb and Miss Betty Halseh was enjoyed by all. Dr. and Mrs. Westerberg of Moscow; Rev. G. Guldseth and family of Troy and Lyle Bramlett of Texas ridge took part in the services.

Mrs. Emma Aas of Deary has spent several weeks with her sister, Mrs. Ed. Lien.

Mrs. Grace Thorne has returned to her home in Des Moines, Iowa, after an extended visit with her sister, Mrs. E. H. Jones.

Mrs. Johanna Nelson has returned from East Stanwood, Wash., where she was called by the death of her cousin, Mrs. S. O. Stene. Mrs. Stene and daughter Myrtle spent a summer at the Nelson home here.

Mrs. Albert Nelson was honored on her birthday anniversary Sunday, when relatives gathered from Troy, Little Bear ridge and this ridge for a picnic dinner.

Ingvald Aas of Moscow was a recent visitor here on the ridge.

Mrs. J. Christie spent the first of the week at her home in Troy.

Mrs. George Loomis, a former resident of this ridge, now residing in California, was a recent guest of Mrs. Chas. Bower.

Mrs. Marvin Redington and children of Salmon, Idaho, arrived Friday to spend a couple of weeks at the home of her parents, Mr. and Mrs. A. W. Jones.

Mrs. James S. Nelson is enjoying a visit from her niece, the former Miss Mary Stevens.

The Homemakers club will meet at the Community hall, Friday afternoon, August 14.

Miss Margaret Halseh came up from Lewiston to spend Sunday with home folks.

TWENTY YEARS AGO

est he has ever seen. And yet he thinks we should be satisfied, as it will be a good, big, half crop at that.

Kendrick Rochdale Elevator — A little less than 18 years ago, three months after the big fire, when the booster spirit of Kendrick and the surrounding territory was rampant, the Kendrick Rochdale company was incorporated. Fostered by a group of men whose vision was broad enough to see the possibilities of an organization such as the Rochdale plan represents, the company was organized with little opposition and has been one of the most successful business institutions in the Inland Empire. The company has been backed by many of the most substantial farmers of the Potlatch country. In 1916 demand arose among the farmers of this section for an elevator in order that grain might be handled in bulk. By the time grain hauling started that fall a splendid concrete elevator containing four large tubes had been erected. The venture was so decidedly successful that the following year four more tubes were added to the structure, giving it a capacity of 140,000 bushels. It is electrically operated and equipped with modern machinery throughout. One of the interesting features of this elevator is that it is the first one built in Latah county and one of the first concrete elevators built in the Inland Empire, demonstrating the fact that the Potlatch always leads. The executive officers of the company at present are: K. D. Ingle, president; Claus Eichner, vice-president; R. E. Parks, secretary, and Theo. Hanson, manager.

Albright-Hayton Nuptials

Marjorie Albright, daughter of Mr. and Mrs. Raleigh W. Albright of Juliaetta, became the bride of Robert Hayton, son of Mrs. Fen Wood of Lewiston Orchards, Sunday, August 9, at 12:15 in the Methodist church at Lewiston. The Rev. Dr. Frederick L. Pedersen of Walla Walla, Wash., officiated, assisted by the Rev. J. J. Ellington.

Mr. and Mrs. Hayton are graduates of the Lewiston High school and attended Lewiston Normal, Mr. Hayton having graduated this spring. He was active in debating and the Pan-American Student Forum, having been elected international president for 1942-43. Mrs. Hayton was an active member of the music department of both schools.

On their return from a wedding trip to Kalispell, they will reside at Lewiston.

Daughter Married

Mr. and Mrs. Chas. Keeler received word last Thursday, August 6th, of the marriage of their daughter, Olive Keeler Smith, to Corp. C. Murray, July 19th, in Santa Maria, Calif., at the home of Rev. Roy Youtz, pastor of the Christian church of that city.

Mrs. Murray grew to young womanhood in Kendrick, and has many friends in this section who will wish her well.

Mr. Murray was with the Great Northern railway before enlisting last March. He is now stationed at Camp Cook, Calif.

Quinn-Emery Nuptials

Miss Evelyn Quinn of Spokane, daughter of Mr. and Mrs. E. Quinn of Peck, and Elmer H. Emery of Spokane, formerly of Kendrick, were united in marriage by the Rev. Marvin E. Smith of Lewiston, on Saturday, Aug. 8.

Mr. Emery was raised in Kendrick, is a graduate of the Kendrick High school and of the U. of I., and at present is in the Air Corps, stationed at Geiger Field, Spokane. The happy young couple will make their home in Spokane.

Word From Washington D. C.
Miss Jeanette Galloway, daughter of Mr. and Mrs. Hiram Galloway, received a telegram from Washington, D. C., this week, offering her a position in the Office of Price Administration. This offer came as a result of Jeanette passing the civil service examination she took this spring.

It is understood Jeanette rejected the offer in favor of school this fall.

American Ridge Red Cross

The meeting of the American Ridge Red Cross, which was announced last week to be held in the home of Mrs. Harold Roberts, has been postponed until a later date, announcement of which will be made after the rush of farm work is over.

The meeting was postponed on account of the death of Claud Woody.

To Sun Valley

Mr. and Mrs. Joe Watts left Wednesday morning for Sun Valley on a business trip.

Joe is meeting there with the Bursar and President Dale of the U. of I., where they will present the budget for next year to the Board of Regents.

LINDEN ITEMS

Mr. and Mrs. Fred Magee and children spent Sunday visiting with Dr. and Mrs. Magee at Genesee. Joe remained for a longer visit.

Mr. and Mrs. Charley Zimmerman, Mrs. Stewart Wilson and daughter Wilma spent the week-end with their sister at Caldwell.

Mr. and Mrs. Dan Whybark visited relatives at Deary Sunday. Mr. Whybark's brother came home with them to help in harvest work.

Tom Sallee arrived from Corvallis, Oregon, Wednesday, where he has been attending school.

Mr. and Mrs. Clem Israel visited with Mrs. McPhee and Mr. and Mrs. Ray Cuddy Sunday afternoon.

A large crowd of neighbors and friends gathered at the Louis Alexander home Wednesday evening to visit with "Bud" Alexander, who was home for four days from Mather Flying field at Sacramento, Calif. He is a 2nd Lieut. in the Air Corp. A very enjoyable evening was spent. Ice cream and cake were served to the assembled guests.

Aunt Carrie Allen was stricken with a paralytic stroke Thursday of last week. She is being cared for by Mrs. Davidson in Kendrick.

Mr. and Mrs. Gil Erlwine and Mrs. J. H. Hunt spent Sunday with

I'M LIGHT ON YOUR FEET BUT I CAN LICK ANY HEAVYWEIGHT FOR WEAR!

See That Shell

Right over the horse's hips is the extra strong, tough section of hide. The center layer is horn-like SHELL, similar to your fingernail, and gives WOLVERINE Shell Horsehides their amazingly long wear.

WOLVERINE SHELL HORSEHIDE

TANNED SOFT...THEY DRY SOFT AFTER SOAKING!

YOU BET! Wolverine Shell Horsehides are light on your feet. Comfortable too... the kind of comfort you'd expect only from house slippers... that's the amazing thing about Wolverine Shell Horsehides. They're so soft and flexible yet Wolverine's secret triple-

tanning process retains all the extra wear Shell Horsehide is noted for. What's more, Wolverine Shell Horsehides actually dry out buckskin soft even after an all day soaking. Try a pair today. Join the millions who wear only WOLVERINE Shell Horsehides.

Tonsillectomies

On Aug. 7th the two small daughters of Mr. and Mrs. Carl Cox underwent surgery for the removal of their tonsils.

On Aug. 8th Jeanette Cridlebaugh, daughter of Mr. and Mrs. G. F. Cridlebaugh of Leland, also had her tonsils removed.

All concerned are getting along nicely.

Storage Room

The Lewiston Grain Growers, Inc., wish to announce to the public that we believe we will have ample room for all dry wheat, oats and barley they may wish to haul.

Since operating in Kendrick there has never been a year in which we were not overcrowded on storage space, however, this year, we feel that we will have room to spare.

Working on the theory that it is better to have room and not need it — than to need room and not have it — we have added some 400,000 bushels of additional storage within the last two years.
