

KENDRICK GAZETTE

VOLUME 52

KENDRICK, LATAH COUNTY, IDAHO, THURSDAY, OCTOBER 1, 1942

NO. 40

WHAT'S GOING ON IN THE LELAND COMMUNITY

Mr. and Mrs. D. E. Fleschman, accompanied by Mr. Fleschman's father, B. F. Fleschman, who has spent the summer in Montana with his sons, arrived here from Dutton, Mont., last Thursday to visit their daughter and son-in-law, Mr. and Mrs. G. O. Peters, and family, and other relatives. Mr. and Mrs. Fleschman expect to spend the winter on the coast, where Mr. Fleschman will engage in defense work. B. F. Fleschman will remain here for some time to look after business interests. During the summer the group made a trip to North Dakota to visit E. F. Fleschman's sister and husband. They report crops in Montana and the Dakotas as being the best for many years. Mr. and Mrs. Fleschman are prepared for the housing shortage, as they have a well equipped trailer house with them.

Mr. and Mrs. Pearl Hazeltine and Mr. and Mrs. Ewald Heinrich and son Herman were dinner guests of Mr. and Mrs. Alex Larson, Sunday.

Mrs. Earl Hoffman and son Tony of Clarkston spent last week with Mr. and Mrs. Chas. Hoffman. Earl came up Friday and remained until Sunday evening, when Mr. and Mrs. Hoffman and Donna Lea took them home.

Chester Vincent spent the weekend in Moscow visiting friends and attending Homecoming.

Elton Gephart and John Vincent went to Spokane last Thursday for their final examinations for army service. They are on a two-week furlough, reporting for duty October 8.

Miss Ernestine Kuykendall, who is employed in Spokane, spent a few days the fore-part of the week with her parents, Mr. and Mrs. D. V. Kuykendall.

Mrs. Eldie Hunt and sons Junior and Lawrence, and Mr. and Mrs. M. Hudson went on a fishing trip to Elk River last Saturday.

Mrs. E. L. Pearson and Mrs. Sutton of Kendrick visited Mrs. Pearson's daughter, Mrs. Walter Silflow, last Wednesday.

Mr. and Mrs. Leonard Wolff and sons visited Mrs. Wolff's sister, Mrs. Alfred Nelson and family in Gardfield, Wn., Sunday. On their way home they stopped for a visit with the Albert Schultz family at Pullman.

Mrs. Clarence Thornton and Mrs. Albert Brammer, who have resided in the Thornton house the past summer, have moved to Lewiston, where they have employment.

H. C. Baldrige of Parma, Ida., a former governor of Idaho, and Republican candidate for congressman for this district, and Frank Kimble of Orofino, were visitors in the Jesse Hoffman home Monday.

Mr. and Mrs. J. E. Willman and son Jewell returned Sunday from a visit with their daughters, Mrs. Manley Watson and family of Cataldo; Mrs. Walter Steinseck and family and Mrs. Don Peterson of Kellogg. Mrs. Peterson (nee Joyce Fleschman) left while they were there for Sioux Falls, S. D., to join her husband, who is stationed in the army there. They also report that they have not heard from their son, John, for three months, who was at that time leaving San Diego for an unknown destination.

Mrs. Homer Parks and children and Mrs. E. Schmidt were Lewiston visitors Saturday.

Mr. and Mrs. Raymond Hudson of Kendrick, Rev. E. A. Willman and Delores Thornton were dinner guests Sunday of Mr. and Mrs. G. O. Peters.

Mr. and Mrs. Marvint Vincent called in the Robert Draper home Sunday evening.

Allen Hoffman spent the week-end here, arranging to move his household goods, which have been stored at the home of his parents, Mr. and Mrs. Ben Hoffman, to Elk River, where he is teaching.

Mrs. Art Lyda and sons of Spokane have been here helping Elton Gephart get ready to leave for army service.

Lewiston visitors Monday included Mr. and Mrs. Walter Silflow, Mr. and Mrs. Leonard Wolff, Rev. E. A. Willman and Harry Smith. J. E. Fleschman was a Tuesday visitor.

A meeting was held at the school house Monday evening to plan for the continuation of the hot lunch program and its financing. Attending the meeting were Harold Parks, Ewald Heinrich and Jesse Heffel of school district No. 9; A. A. May of school district No. 61; Herman Meyer, Jesse Hoffman and Homer Parks; Mrs. Oral Craig and Mrs. Jesse Hoffman of the Homemakers Club, and G. F. Cridlebaugh, school principal.

Alex Larson took a load of goods to Lewiston for John Irwin last week.

Mr. and Mrs. Donald Morgan entertained with a family dinner Sunday for Mr. and Mrs. Chas. Hoffman, Donna Lea Hoffman, and Mr. and Mrs. Earl Hoffman and son of Clarkston.

Leland School Notes
Our enrollment dropped two when Stanley and Douglas Brammer moved away. This leaves our enrollment 39.

In our China Relief drive we have a total of \$14.00. Junior Hudson's side leads in the contest with \$7.75. Boyd Thornton's side has \$6.25. The contest will end next Monday evening. The losing side will entertain the winners.

Our scrap iron drive got under way Monday morning. We have organized the school into a Junior army and the members are known as "Junior Rangers." The students with promotion from one rank to another by bringing in a specified number of pounds of scrap. Each morning an assembly will be held and promotions made. Arm insignias

Wayland Davis On Little

According to newspaper headlines of last Friday morning, the U. S. fast transport Little, a converted destroyer, had been sunk by enemy action near the Solomon Islands, the exact date of the sinking not being given.

Wayland Davis, Kendrick, son of Mr. and Mrs. John E. Davis, who enlisted in the navy early last spring, was a member of the crew of the Little.

According to newspaper reports some 270 of the men aboard were saved. To date no word has been received from Wayland, but all are hoping that he is among the 270 who were rescued.

However, since the above was written, his parents have received a "V" letter from Wayland, dated August 26, in which he stated that he was "writing this to let them know he was alive." On this basis it is believed he was among those saved. There is nothing certain in the matter, however, since the date of the sinking was not given out.

COMPANY 2-K-1 IDAHO VOLUNTEERS MEET SUNDAY

Company 2-K-1, Idaho Volunteers, the first unit of the kind to be organized in Latah County, held their first meeting last Sunday afternoon at 2:00 o'clock in the ball park, with 45 officers and men present, out of a total sign-up of 102.

This sign-up, of course, includes Juliaetta and Kendrick, as well as all interested from the adjacent ridges.

At this meeting corporals and sergeants were appointed by Dr. G. W. McKeever, commanding officer, and squads then formed, and some marching and drill formations were practiced — and "right smart they shaped up," despite the fact that almost all were "green horns" at the drill.

The Kendrick group had no more than been dismissed than Company 8-K-9 from Leland arrived by truck in uniform to infiltrate the new company and assist in organizing drill work. The Leland boys were all in uniform, and presented an appearance of which any local organization might well be proud.

The Juliaetta and Kendrick groups will meet this coming Sunday at the local ball diamond at 2:00 o'clock, and the Leland boys will be with us to help shape up ranks — and their help will indeed be welcome. Company 2-K-1 may be getting a late start, but at least we can show a sign-up of 102, out of the last reported 162 in Latah county, which is something of which all may be proud.

It was announced that orders for uniforms are being taken locally by Thurber's store, and haste in ordering is very desirable. The estimated cost of these (trousers, shirts and service caps) is about \$6.00. So if you are a member of Company 2-K-1, better order your uniform at once.

Harold Thornton Promoted

Stockton Field, Calif.—Pvt. Harold Thornton, son of Mr. and Mrs. T. Thornton, Southwick, is a member of a class of aviation students and student officers to be graduated soon from the Air Force Advanced Flying School at Stockton Field, Calif.

Rated as a sergeant in the Air Force Reserve, he will be given the coveted silver wings, symbolic of the aeronautical rating of pilot, and will be placed on active duty with the army air force.

Before entering the final and advanced course at Stockton Field, Thornton completed 18 weeks of primary and basic training at Hemet, Calif., and Minter Field, Bakersfield, Calif.

He is a graduate of Southwick High school.

Dealers Must File Reports

All tire sellers must file September 30 inventory reports of all serviceable tires and tubes before Oct. 15, to comply with the revised tire rationing regulations. The inventory, which is mandatory quarterly, is to show the stocks of all new and used tires and tubes and retreads and recaps held by persons who have any of the items for sale. Filing of the reports is particularly important at this time, OPA emphasized, since they will provide a record of persons who are engaged in the business of selling tires and hence will be eligible for receiving additional stocks if such are made available.

are given, to be worn until the student has earned a higher rank, when the insignia will be exchanged for a higher one. Those bringing in less than 15 pounds are buck privates.

The following is a list of the students with their rank, as of Tuesday morning: Buck Privates — Jimmy Thornton, Glenzie Thornton, Keith Thornton, Darlene Peters, Herman Kuykendall, Elsie Beyers, Susie Hockett, Neal Walker, Luther Parks, Boyd Thornton, Leon Wolff, Stanley Smith, Marlene Silflow, Barbara Silflow, Ronald Craig, Mary Ann Glenn, Robert Hockett, Dorothy Thornton, Lillian Hockett, Clinton Smith, Ray Thornton, Gene Kuykendall, Norma Dagefoerde.

Privates First Class (15 to 30 lbs.) — Jewell Fleschman, Kathleen Crawford, Walter Wolff, Howard Wolff.

Corporals (30 to 60 lbs.) — Dixie Stump, Lawrence Hunt, William Kuykendall, Herrmina Meyer, Evelyn Locke, Peggy Stump, Richard Kuykendall, Theodore Meyer.

Duty Sergeant (60 to 90 lbs.) — Betty Parks, Buddy Parks.

Staff Sergeant (90 to 200 lbs.) — Junior Hudson.

Second Lieutenant (600 to 1000 lbs.) — Warren Locke.

JOHN L. WOODY, PIONEER OF LATAH COUNTY PASSES

John L. Woody, 70, a resident of American Ridge for 42 years, died suddenly from a heart attack Saturday, September 26, at Moscow, Idaho. Mr. Woody had been in St. Joseph's hospital at Lewiston for several weeks, suffering from a herat ailment, but since his return home had been feeling quite well.

He wished to attend the Idaho-Oregon football game, and it was while he and his daughter Gladys were waiting for tickets, that Mr. Woody suddenly collapsed. A doctor was hastily summoned and an inhalator used, but with no success.

John Lanzo Woody was born May 2, 1872 in Burnsfield, Yancy county, North Carolina, one of seven children born to David and Martha Woody. He came west when a young man of 19, and located at Pomeroy, Washington. Here he was united in marriage to Martha Baldwin, a daughter of pioneers of Garfield County, on January 1, 1899, and to them were born twelve children.

Mr. and Mrs. Woody operated a farm near Pomeroy for a year. In 1900, having heard from his cousin, the late Martin Thomas, that he had a farm for rent near Kendrick, Mr. Woody decided to move to this region. He rented the Martin Thomas farm on American ridge for nine years, then moved to the George Bashor place, which he had purchased. This farm has been the Woody home since that time.

Mr. Woody was a staunch Republican all his life, and was active in politics, having held public offices for many years. More than 30 years ago he was elected County Commissioner from this district, and served for several terms. Later he was sheriff for two terms, after which he was again chosen County Commissioner for a period of several terms, and it is to be doubted if anyone in Latah county was better known or more universally liked in the county than Mr. Woody.

Up until the very day of his death he took an active part in community activities, and was serving as a member of the Kendrick Highway board. He also served as a member of the American Ridge school board for many years, being intensely interested in educational betterment.

When a young man Mr. Woody joined the Presbyterian church at Pomeroy. He was a member of the Masonic Order, the Eastern Star, and the Odd Fellows, being a member of the last named lodge for 38 years. He was also a member of the local Grange. In all these organizations he took and enjoyed an active part.

Mr. Woody particularly loved sports and hunting trips, and was greatly pleased when he recently received his life (or 70-year) hunting license.

Mr. Woody is survived by his widow and four sons and four daughters. A son, Claude, preceded him in death by but one month and twenty days. The children are: Elgin, North Hollywood, Calif.; Ralph, Pomeroy, Wash.; Chester, Clarkston, Wash.; Kenneth, at home; Mrs. Joe Ebsen, Clarkston; Mrs. Ralph Tippett, Asotin; Lorraine and Gladys Woody, Kendrick. He is also survived by ten grandchildren and two sisters: Mrs. John Glenn Juliaetta, and Mrs. Robert Gauge, Union, Tennessee, and one brother, Escombe Woody, Sweetwater, Idaho.

Funeral services were held in the Kendrick Community church, Wednesday afternoon at 2:00 o'clock. Music was furnished by Mrs. George Brocke and Mrs. D. A. Christensen, accompanied by Mrs. Roy Murray.

Honorary pall bearers were A. G. Wilson, Dr. J. T. Moser, Guy L. Lewis, Harry Gallup, Walter Taylor, Milo Gipson, J. B. Helpman and J. H. Millard. Active pall bearers were: Warney May, George Davidson, N. E. Walker, William Watts, Wade T. Keene, E. A. Deobald, Tom Long, and Harry Benscoter.

Graveside services were conducted by the Odd Fellows, and burial was in the American ridge cemetery.

The high esteem in which Mr. Woody was held was attested by the crowd coming from far and near to pay their last respects, the big church being unable to accommodate all who came.

Bean Harvest Under Way

Bean harvesting operations in this section are still under way, and it is estimated that two weeks, at least will be required to finish operations, despite the fact that the yield is small — two to three sacks being the average, and four the exception.

The late, wet spring, combined with the hot dry weather, just when the plants were blooming, played havoc with planting times, yields, and harvesting operations, although the quality of the beans brought in to date has been excellent.

Fire Season Extended

According to a telegram received by local fire warden Manning Onstott, Wednesday morning, Sept. 30, the closed fire season has been extended to October 15, inclusive.

The telegram was signed by Franklin Girard, state forester.

This means that no fires of any kind will be permitted until that date except on a strict permit basis. If you have burning you feel you must do, be sure to see Manning Onstott for a permit before you scratch that match.

Is Moving Office

Harold Thomas has rented office space in the Raby Building, taking the room formerly occupied by the Pond Shoe Shop, and will care for his business interests from that point.

KENDRICK'S ANNUAL SALES DAY BE HELD OCTOBER 10

This year, Saturday, October 10, has been set as Kendrick's Annual Sales Day — and as usual will consist of the free auctioning of farmers' livestock, implements, household goods, produce — in fact anything of which they may have a surplus and wish to turn into cash. This auction sale will start at 10:00 a. m. sharp, with all goods to be auctioned off absolutely free of charge. Farmers are asked to bring their articles in in sufficient time, however, to have them listed by Edgar Long, and please give a day or two, or more time to permit their proper listing. This auction will be held in or near what is now known as the Kendrick Tavern room.

No goods will be sold for residents of Kendrick until all farmers' items have been auctioned off — or until a surplus of time before the sports events, will permit.

Roy Glenn of Texas ridge will cry the sale for the day.

In the afternoon, starting about 1:30, there will be a program of sports for all, as follows:

Nail Driving Contest for women (bring your hammers) First prize \$2.00; second \$1.00.

50-yard dash, boys under 12 years, first \$1.00; second 50c.

50-yard dash, girls under 12 years, first \$1.00; second 50c.

75-yard dash for boys under 21 years, first \$1.00; second 50c.

75-yard dash for girls under 21 years, first \$1.00; second 50c.

Married women's 100-yard dash, first \$2.00; second \$1.00.

Ladies' Log Sawing contest (bring your own saw) — have fun, first prize \$2.00; second \$1.00.

Greased pole climbing contest, boys 8 to 12 years, \$1.00 to winner.

Greased pole climbing contest, boys 12 to 100 years, \$1.00 to winner.

(2-Minute limit on each pole climbing event).

There will be music by the Kendrick High School band who make their first public appearance this year at this event.

This year, also, there will be a greatly expanded prize list for farm produce, livestock, etc., donated by Kendrick business houses.

At the time of going to press the committee in charge had not yet solicited or allocated prizes, but the known and desired produce lists include: Largest table squash; largest cow pumpkin; largest ear of corn, any variety; best bouquet of fall flowers, any variety; best bouquet of asters, any variety; best bouquet of roses, any variety; best bouquet of chrysanthemums, any variety.

This year, as last, livestock is to be included, and as classifications have not been worked out, you are asked to notify Dr. D. A. Christensen, W. A. Watts or Tom Long if you plan to enter livestock of any kind, chickens, ducks, turkeys, geese, etc., in order that proper provisions may be made for their care. Bring them in!

See the posters and next week's issue of the Gazette for completed lists.

Come on in, bring in your articles, you may not win a prize, but you'll enjoy the day visiting and comparing notes with your neighbor. Any person residing in the Kendrick trade territory is eligible to compete — and if you do not have a load when you come to town — fill up that truck with junk for the Victory Drive. Old cooking fats and keys are also part of this drive.

Bring in your exhibits and the goods you wish auctioned off — and all the junk you can lay your hands on — Come In And Spend the Day With Us.

And as an added feature, but of course again a regular one on this day, the Kendrick stores will have many specials to offer you. Make it a profitable day as well as a very pleasant one — Come!

Purchased Higley House

A deal was closed last week in which Mr. and Mrs. L. S. Thurber became the owners of the what is popularly known as the "Rider house" on the schoolhouse hill, which was purchased some three years ago by F. B. Higley.

They are at present busily engaged in cleaning, painting, etc., preparatory to moving in immediately.

Schoeffler-Choate Nuptials

Miss Irene Reva Schoeffler, daughter of Mr. and Mrs. Fred Schoeffler of Cameron, and Lewis Choate, son of Mr. and Mrs. Asa Choate of Teakean, were united in marriage at Lewiston, Saturday.

The happy young couple were tendered a rousing charavari at the home of her parents, Monday evening.

Word of Bob LaHatt

Bob LaHatt, son of Mr. and Mrs. L. S. LaHatt, who enlisted in the navy some months ago, writes his parents that he has now graduated from the naval radio school at San Diego, and is heading east to attend a finishing school. He has received a rating of Radio operator 3rd class. His expected eastern destination was Norfolk, Va.

Grange To Meet

The Kendrick Grange will meet on Tuesday, October 6. Because of important business to come before the meeting, this will be a regular business meeting instead of the booster party as originally planned.

An interesting meeting is expected. It is hoped there will be a good attendance.

Remember Sales Day — Kendrick, Saturday, October 10.

Nancy Ellen Hunt Passes

Nancy Ellen Mathis was born in Webster County, Missouri, March 29, 1866, and passed away at Lewiston, Idaho, September 27, 1942, age 76 years and six months.

She was married to James H. Hunt, April 14, 1882, and to this union were born nine children.

Those left to mourn their loss are her husband, James H. Hunt of Southwick, Ida.; Veda Butler, Juliaetta; Walter Hunt, Chicago, Ill.; Edna Clark, Spokane, Wash.; Ramey Hunt, Southwick, Ida.; Jessie Holt, Seattle, Wash.; Joyce Florence, Clarkston, Wash.; Gertrude Stockwell, Clarkston, Wn.; 22 grandchildren; 42 great-grandchildren and two great-great-grandchildren. One brother, John Mathias of Juliaetta, Ida., and one sister, Frances May of Galena, Mo., also survive.

Services were held at the Gold Hill church, Wednesday afternoon at 2:30 o'clock.

KENDRICK CO-OPERATIVE CREAMERY TO OPEN OCT. 1

Plans have been completed for the opening for business October 1, of the new Kendrick Co-operative Creamery, which organization has purchased the building and equipment of the Thomas Creamery.

To enable this purchase the F. S. A. made a 10-year facility loan, which will be repaid at the rate of 1c per pound of butter fat handled. This loan was in the amount of \$13,000, and local capital invested with it now exceeds \$3,100, or slightly more than \$16,100.00, forms the organization's capital and operating fund. In the establishment of this organization local business men, the Kendrick Commercial Club, and other local organizations co-operated in its formation.

Frank Harris, former manager of the Mutual Creamery at Lewiston, has been appointed manager. Mr. Harris announces that extensive repairs and alterations will be begun as soon as possible in the building in preparation for regular creamery operation.

This new co-operative organization will, as do almost all co-operative dairy organizations, operate on a monthly pool basis, along this plan:

Returns from products sold during a given month will be pro-rated according to deliveries, after expenses and provisions for reserves and loan repayment have been deducted. Those delivering dairy products, and who may find it necessary to draw on deliveries will be given advances, for which a nominal charge will be made. Non-members will receive the same treatment as members, with the exception of dividends. Dividends accruing to non-members will be credited toward stock purchases. Full payment of pool returns will be made on the 10th of the month following pool period.

The Potlatch country produces many thousands of gallons of milk and cream annually, and there is every reason to believe that this organization can and will handle these dairy products in such a way as to give top market returns. There is no doubt but what Mr. Harris knows the creamery business, and government surveys have borne out the ample supply of raw products that should be available.

The new organization has chosen an Indian head as its trade mark, and the name "Potlatch Chief" for its product brands. The slogan "In The Heart of the Potlatch" has also been chosen.

Wednesday afternoon of this week C. W. Peters from the F. S. A. office at Portland, and Wayne Thomas, F. S. A. Moscow, were in Kendrick meeting with the board of directors and completing last minute arrangements prior to opening.

Tyler Mills Writes

Fort Ord, Calif.
Sept. 20, 1942

Dear Friends:
I thought it might be well to write and tell you of my change of address, and to thank you for sending me the paper. It certainly seems good to hear from the home town and learn what the folks are doing.

There are lots of things I would like to write about, but army censorship won't let me tell them. How I bet you every day. We who are here feel that we have a job to do, and the sooner we get at it the sooner it will be done.

Tell everybody "hello" for me. Also tell them that I'd appreciate personal letters, and that they can get my address from home.

Thanks again for the paper.
Yours truly,
Tyler Mill.

Work Clothes Price Celling

To relieve pressure at the retail price level which might have forced increases in the prices that workmen pay for their jumpers, overalls, work shirts and other staple work clothing, the OPA has issued special regulations rolling back prices of these garments at the wholesale and manufacturing levels.

W. S. C. S. Meet Friday

The regular monthly meeting of the W. S. C. S. will be held Friday afternoon at 2:30 in the church basement. An interesting program has been planned and a good turnout is hoped for.

Work Train Busy

A Northern Pacific work train has been stationed here for about ten days. They are cleaning ditches, improving ballast, and in general, preparing for winter.

One thing the gals don't have to worry about is a neticoot shortage. For years that has not been a theory, but a condition.

JUNK DRIVE MAKING GOOD PROGRESS AT PRESENT

Kendrick's second big junk drive, which is to culminate on Sales Day, Saturday, October 10, is making good progress, after a slow start, and is steadily picking up speed at present, despite the fact that the previous drive resulted in the shipment of nine cars, stated Geo. Brocke, chairman of the local salvage committee, and manager of the Kendrick Bean Growers, who purchase the junk.

George stated that old "klunker" cars are particularly desired, since they are easily handled, and the weight for car shipment mounts up rapidly. Also wanted is old farm machinery of all kinds, iron and steel scrap, brass, copper, aluminum, etc., in fact almost any kind of metal.

As has been previously stated, the junk drive is to end on Sales Day, Saturday, October 10, and on that day a prize will be awarded to the person bringing in the largest load of scrap during this drive — and not necessarily on that day. So, when you bring in a load of scrap, be sure and get a weight ticket, and request that your load be entered in the prize record. Who knows? Maybe that load will pay real dividends.

To date, no arrangements have been made for the purchase of old rubber, but under no circumstances should you destroy or waste one bit of it. Save it all. If sale arrangements can be made locally, we will advise you of the fact in next week's issue.

So scrape out the corners and dump grounds on every farm, vacant lot, your cellar and attic, and bring in that junk. It is needed to assure a vital flow of war supplies for our boys in Australia, the Solomons, Hawaiian Islands, Egypt, England, Russia, in fact, everywhere that our boys in uniform go, there is need for the vital war materials that junk can furnish.

Kendrick's school children are all interested in and are taking part in the drive for junk, so if you have some about your premises that you do not care to bother with, just call any school child you may happen to see — it will be hauled away.

This drive for junk not only concerns metals of all kinds, but old cooking fats and keys. The cooking fats are purchased by local stores and old keys may be left at any of the local stores or at the Creamery, where boxes to receive them have been provided.

P-T. A. Welcomes Teachers

The first fall meeting of the Kendrick P-T. A. was held Monday evening in the H. S. auditorium, with Mrs. Hiram Galloway, president, presiding.

Following the reading of the minutes and treasurer's report, Mrs. Mason introduced the teachers and set forth briefly their program for the year.

He also announced the annual District P-T. A. conference in Lewiston, to be held October 8.

The secretary read the report of the executive committee in which committees for the year were named. It was suggested that interest in hobbies be stimulated in the school room and by the parents.

Mr. Mason gave an interesting talk on a federal aid school bill to come before Congress this month. A motion was made and carried that the secretary send letters to our congressman expressing our wish to see the bill passed.

The meeting was then turned over to the program chairman, the first number being an address of welcome by Mrs. E. A. Deobald, with Ross Armitage responding for the teachers.

Miss Schuler, our Health nurse, gave a talk on the common cold, outlining simple measures parents should take in preventing and safeguarding their families, as well as others. She stressed the importance of diet and plenty of sleep as a preventive measure for the school child.

Following Miss Schuler's talk a group sing was enjoyed, with Mr. Stroh leading at the piano.

Rev. Murray then gave a short outline of the young people's program for the coming year at the church.

The meeting was then adjourned to the Home Making room, where refreshments were served by the hospitality committee.

Linden News Items

Mr. and Mrs. Walter Carman of Spokane spent last week in the Addison Alexander home.

Arley Allen received word Wednesday evening of the death of his father, at Loma Linda, Calif.

Lloyd Israel went to Moscow on Wednesday, to enter the U. of I.

T. P. Fisher returned Friday from a business trip to Moscow.

Bird Linderman left Friday for Palouse, after visiting old neighbors here for a short time.

Mrs. John DeHavens stayed at the Smith home, while Miss Eva Smith and George Smith visited their sister, Mrs. E. L. Mitchell and husband, at Polson, Mont.

Mr. and Mrs. R. J. Walders of Pomeroy spent the week-end with her parents, Mr. and Mrs. F. C. Grayson.

Mrs. Louisa Fry arrived home on Wednesday from Moscow, where she spent the summer. Miss Pearl Weaver is staying with her.

A dance was given Saturday night at the Gold Hill hall in honor of the boys who were leaving

SOUTHWICK ITEMS

Miss Nellie Buckles visited here at our school Tuesday.
Mrs. Edith Erickson visited with Mrs. Virgil Harris Tuesday evening.
Lloyd Southwick, Lewiston, spent Sunday here at his home.
Mr. and Mrs. Wade Candler and Mr. and Mrs. Alvin Sheneman spent Sunday afternoon visiting at Juliaetta.
Helen Harris spent Sunday with the Howard Southwick family.
Kenneth White was one of the group of Nez Perce county draftees to report at Spokane for army induction. He passed his final physical examination and is now on a two-week furlough before going to Fort Douglas, Utah. He will teach the remainder of this week. We all wish him the best of luck.
Mrs. Edith Erickson spent the week-end at her home at Gifford.
John Pearson was a business visitor in Orofino Monday.
Mr. and Mrs. Roy Gertje and son spent Monday in Lewiston.
The Red Cross quilt, which has for

some time been displayed in the store, was awarded Mrs. Werner Brammer.

Mr. and Mrs. Will Jennings spent Sunday in the Abner Cowger home.
Mrs. Florence Sheneman spent Monday with Mrs. Clara Candler.
Mrs. Harvey Bales, Grangeville, visited a few days last week at the home of her parents, Mr. and Mrs. Nels Longteig.

Take Care Of Your Fan

Americans should be looking for the best place to store their electric fans for the winter months. It should be carefully guarded because it may be difficult to replace next summer. All portable electric fans have been "frozen." Only stocks already held by distributors and dealers may be sold without restriction. Many of the fans recently produced or in the process of production will be used on United States or allied maritime and naval vessels.

Bring in your junk—Salesday.

WHAT KENDRICK FOLKS ARE DOING THESE DAYS

Mrs. J. Black of Detroit, Mich., and Mrs. W. Fairfield of Clarkston, Wn., visited Mrs. Harley Peryman Tuesday.

Mrs. George Jones came Sunday for a visit in the home of her parents, Mr. and Mrs. Wade Keene. Mrs. Keene and George-Anne accompanied her home Monday.

Mr. and Mrs. H. Alber of Spokane were callers in the Harley Peryman home Saturday.

Dr. D. A. Christensen and son Douglas, and Carl Cox left Tuesday morning for Sheridan, Wyo., where Dr. Christensen expects to purchase a number of blooded sheep.

Mr. and Mrs. Ralph White and children from Portland came Tuesday evening to spend several days with Mr. and Mrs. R. L. Blewett.

Mrs. Ig. Flaig and daughters of Orofino spent Sunday with her mother, Mrs. Estella Leith.

Bernard Jones and Clarence Dougherty left for Seattle last Saturday, where they expect to find employment.

Mrs. Raymond Dunn and Mrs. Joe Davis were Moscow visitors Tuesday.

A. G. Wilson was a Lewiston business visitor Monday and Tuesday. Carrie Riley and Mrs. Doy Tout were Moscow visitors Tuesday.

Mrs. G. S. Pond of Lewiston was in town last Thursday, visiting her daughter, Mrs. Phillip Salisbury.

Theo Shepard was in Spokane over the week-end lining up work. She expects to return Friday to take a position.

Bert Biddison was home from Bayview over the week-end. Mrs. Biddison returned with him, and expects to remain there this winter.

Mr. and Mrs. Herman Schupfer left Sunday morning for Seattle, to be away several days.

Mr. and Mrs. John Blankenship and baby moved into the E. H. Dammarell home on the schoolhouse hill Tuesday of this week.

Mrs. Clifford Davidson took Mrs. Axel Swanson to the Gritman hospital in Moscow Monday evening, where she is receiving medical aid.

Mr. and Mrs. Lowell Mason and family were Moscow visitors Saturday.

Mr. and Mrs. John Lind of Teakean were Saturday guests in the Paul Lind home.

Mr. and Mrs. L. D. Crocker and family, accompanied by Mrs. L. Ameling and Vivian Draper were Lewiston visitors Saturday.

Mr. and Mrs. Leon Lind and Wayne Lind visited in Teakean Saturday.

Mr. and Mrs. L. O. Turner of Spokane spent Sunday at the home of her father, Mr. and Mrs. L. S. Thurber.

Mr. and Mrs. Walter Kayser of Spokane, Mr. and Mrs. Earl Thornton, Pasco; Mr. and Mrs. Max Hal-

sey, Culdesac; Miss Marion and Miss Myrtle Kayser, Palouse, were Sunday guests of Rev. and Mrs. A. E. Janes. All returned to their homes Sunday, with the exception of Mr. and Mrs. Earl Thornton, who remained to visit until Monday.

Mrs. Cliff Laurence and daughter LaQuita and Judith, arrived last week for a visit with Mrs. Lawrence's parents, Mr. and Mrs. Fred Crocker.

Mr. and Mrs. Floyd Crocker and children visited at the Fred Crocker home a week ago Sunday. Mrs. Laurence and children returned to Lewiston with them to visit relatives for a few days.

Mr. and Mrs. R. L. Blewett spent from Saturday night until Wednesday visiting in Kellogg and Spokane.

PINE CREEK GOSSIP

Mr. and Mrs. Jack Bailey and son Dee of Portland, Ore., visited a few days last week at the Fred Bailey home. Mrs. Jack Bailey visited Friday afternoon in the Alonzo Guthrie home in Juliaetta.

Mrs. Josephine Diehl visited over the week-end in the Frank Wilken home.

Mrs. Hannah Lewis of Vancouver, Wn., is visiting in the Fred Bailey home.

Saturday visitors in Lewiston were Mr. and Mrs. Fred Bailey and Mrs. Hannah Lewis, and Mr. and Mrs. Jack Bailey.

Mr. and Mrs. Roy Glenn visited Sunday in the Ralph Baker home.

Mr. and Mrs. Wm. Riley and family visited Sunday in the Bill Darr home near Deary.

John DeHaven visited Sunday in the Fred Bailey home.

Mr. and Mrs. Carl Cox spent Monday in Lewiston.

Roy Glenn and family were Moscow business visitors Monday.

STONY POINT VICINITY

Mrs. Harry Sampson, Mrs. Newt. Heath and Miss Flora Heath visited relatives the past week.

Floyd Heimgartner, son of Mr. and Mrs. Al Heimgartner, has enrolled in the University of Idaho.

Sunday afternoon guests at the Ernest Seigers home were Mr. and Mrs. Robert Steigers and son Robert, Mr. and Mrs. Alvin Steigers and sons Carl, Ralph and LeRoy, Mr. and Mrs. Hugh Parks and daughter Ferial, and Mrs. Walter ZumHofe and daughter Marilyn.

Gordon Heath, son of Mr. and Mrs. Newt. Heath, who is attending the U. of I., spent the week-end at home.

Men of this neighborhood, who had cattle at Washington creek, are having trouble rounding them up, for they are badly scattered.

Another Double Feature

This week's offering at the Kendrick Theatre will be another of those double features enjoyed by most everyone.

The first feature will be "Oklahoma Frontier," starring Johnny Mack Brown, assisted by Bob Baker and Fuzzy Knight, and of course there's a girl in the story too, Anne

Gwynne.

The second offering of the evening will be that famous comedian of radio and screen, Bob Burns, in "Alias the Deacon." This picture is said to be a riot of fun from start to finish, and sure to be enjoyed by young and old.

And, of course, the usual cartoon will be shown.

Bomb 'em with JUNK

Let's blast Japan—and Germany—and Italy—with the chain lightning of destruction that can be built from the scrap in our cellars, attics and garages, on our farms and in our places of business.

Scrap iron and steel, other metals, rubber and waste materials. It will all be used to make tanks, ships, planes and the fighting weapons our boys must have. It is needed at once.

Sell it to a Junk dealer—give it to a charity or collection agency—take it yourself to the nearest collection point—or consult the Local Salvage Committee... If you live on a farm, and have found no means of disposing of your Junk, get in touch with the County War Board or your farm implement dealer.

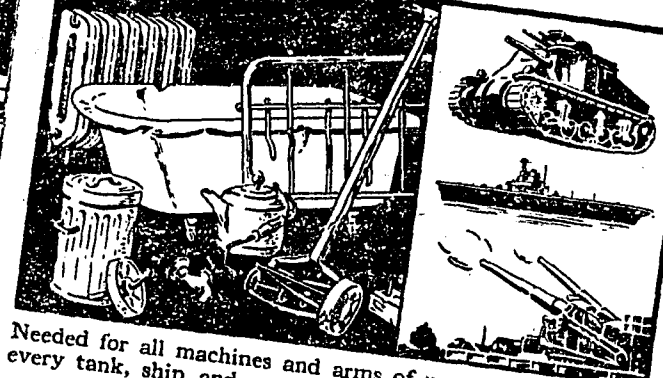

Throw YOUR scrap into the fight!

This message approved by Conservation Division

WAR PRODUCTION BOARD

This advertisement paid for by the American Industries Salvage Committee (representing and with funds provided by groups of leading industrial concerns).

JUNK NEEDED FOR WAR Scrap Iron and Steel

Needed for all machines and arms of war. Fifty per cent of every tank, ship and gun is made of scrap iron and steel.

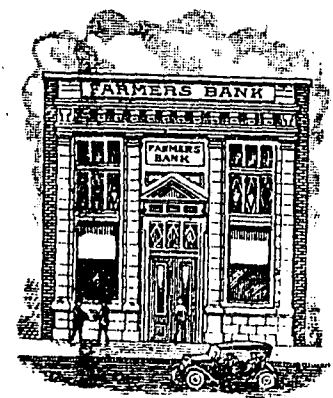

Other Metals—Rubber—Rags—Manila Rope—Burlap Bags

Needed for making bombs, fuses, binoculars; planes; tires for jeeps; gas masks; barrage balloons; wiping rags for guns; parachute flares; insulation for electric wiring.

WASTE COOKING FATS—When you get a pound or more, strain into a large tin can and sell to your meat dealer. NEEDED ONLY IN CERTAIN LOCALITIES—Waste paper and tin cans—wanted only in certain areas, as announced locally. NOT NEEDED (at this time)—Razor blades—glass.

Local Salvage Committee—Phone: 971

 Mr. and Mrs. Halvor Lien were Moscow visitors Saturday.
 Mr. and Mrs. Stanley Sneve of Genese were recent visitors at the Mrs. H. Sneve home.

May Out U. Requirements

Admission of students to the university at the end of their third year of high school was suggested as a possible further means of accelerating the nation's educational machinery to war speed, by H. C. Dale, president, at a general U. of I. faculty meeting last week.
 He passed the suggestion on for consideration by a new faculty committee on academic adjustment, appointed to study the impact of the changing times on academic organization and procedure.
 "If we are to accelerate, and this seems to be the order of the day," Dale said, "I'm going to ask this committee to consider the possibility of doing some of the accelerating in the 12 years preceding college, as against doing it all in the four years at the university... a period which in engineering and forestry has proved all too short."
 "The modern high school, in recognizing its obligations to the larger number of its pupils who do not plan to attend college, naturally is giving more emphasis to such subjects as consumer education, social living, family relations, and the like, and less attention to the traditional college preparatory subjects. In fact, the necessity in which our college of engineering, for example, has found itself of making up what we call high school deficiencies in these subjects, notably mathematics and the sciences, has been one of the reasons for prolonging the course not infrequently to five years."
 Labor-management committees are now boosting production in more than 900 war plants.

Here in graphic form is a birdseye view of the tremendous job the United Nations have to do.
 To do it we here in the United States must fight together—work together—sacrifice together—as we have never done before!
 We can't win this war by fighting among ourselves. Sectional rivalries, personal ambitions and socialistic reform schemes must all take a back seat for the duration!
 Get together, America! And change this picture!

 ENTERPRISE DOING ITS PART TO HELP WIN THE WAR

THE Bullitin

WE NEED MORE CONTENTED COWS
HAROLD THOMAS, Editor

EDITORIAL

Well, Folks — It seems like this week's issue of The Bullitin is to be our last — our "Swan Song" so to speak. For, by the time you read this we expect the new Kendrick Co-operative Creamery to be in full and complete charge.

It is with regret that we write these lines, for we have really enjoyed writing our little publication each week, and we know from your comments that you have enjoyed reading it. Perhaps, at some time in the future, we will again publish a little newspaper of some sort. But in the meantime, our good wishes for the success and prosperity of the new creamery are heartfelt, and we know that you will enjoy doing business with them and their manager, Frank Harris, who many of you undoubtedly know personally at this time.

And as a last crack at fun — here are a few jokes. Read and enjoy them and bring your cream to Kendrick.

Sincerely,
HAROLD THOMAS.

Found—Woman's bag left in my parked car. If owner will pay for this advertisement she can have it. If she will tell me how bag happened to be there, I'll pay cost of advertisement. Telephone Jefferson 8100 — the quicker the better.

Claude: "What do you think of a man who will constantly deceive his wife?"
Milton: "I think he is a wonder."

"Sir," said the pretty blonde, quite haughty, "either you take your arm from around my waist, or keep it still. I am no ukelele."

TEAKEAN GOSSIP

Mrs. Elwood Brock and children started Monday afternoon for Bremerton, Wash., where they will live. Ed. Choate took them and a load of their household goods and his truck.

Mr. and Mrs. Frank Johnson expect to leave for the Grangemont country in a short time.

Mr. and Mrs. Asa Choate went to Lewiston last Saturday to be present at the wedding of their youngest son, Lewis.

Mr. and Mrs. Clifford Benjamin and children visited over the weekend at the Herring and Preussler homes.

Mr. and Mrs. Wilbert Poeschel and children of Orofino visited at the Wm. Groseclose home Sunday.

Mrs. Orval Choate, Mrs. John Lind and Mrs. Eva Clanin went to Kamiah Sunday afternoon to visit with Mrs. Alice Sewell.

Wilbert Poeschel bought the team of horses, harness and a wagon belonging to Mrs. J. A. Harless. Mrs. Eva Clanin expects to sell her household goods and many other items. She will have an auction sale on Wednesday, October 7.

Carroll Groseclose is working this week with the logging crew, in place of Ed. Choate, while he is at Seattle.

A Woman's Age

In her newspaper column, Eleanor Clavage discusses women as follows:

When a girl is 18, her friends tell her: "My, but you look very grown up and mature!" At 25 they say: "You still look like a kid to me." At 30 the graceful thing to say seems to be: "You don't seem to grow one bit older." And at 35 she hears: "It's remarkable the way you keep your youth."

But at 40 the tune changes a little. Then her friends begin telling her: "That hat makes you look 10 years younger." And she knows she's ready for the discard when they vary that formula by declaring that in her new fall outfit she looks positively 20 years younger.

But possibly the acid test of growing old is this: When you meet an interesting and attractive man who pays you extravagant compliments and asks to see you again . . . and you don't rush right out and buy a new hat!

DOMESTIC WHEAT MARKETS ACTIVE AS PRICES RISE

Domestic wheat markets were firm and higher during the week ending September 25, both cash and futures attaining higher levels, according to the Department of Agriculture. Cash wheat prices at Portland averaged about 1c per bushel higher on all grades of soft wheat, while top quality red spring and hard red winter registered an advance of from 3c to 4c per bushel, as compared with the previous week. Midwest buyers were reported to have continued their activity in buying Pacific Northwest soft white and western white wheat but prices quoted were slightly lower than reported last week, being about \$1.41, basis Kansas City. Local mills reported light sales and only moderate demand for family type flour, but sales were fairly heavy with an active demand from the baking trade. Sales of flour for export to the Americas under the indemnity program were considerably larger than for the previous period. Receipts of wheat at Puget Sound and Columbia river terminals were 546 cars, as compared with 500 cars last week. Reports that a portion of the railroad in Sherman County, Ore., would be abandoned soon, resulted in a very urgent demand for grain storage at The Dalles and Portland, as growers were anxious to ship stocks of wheat before the rails were removed.

Cash wheat bid prices at Portland on September 25, for 15-day shipment were: Soft white, no bid; soft white, no Rex, no bid; white club, \$1.18; western red, no bid; hard red winter, \$1.11. For deferred shipment, country warehouse receipt basis: Soft white, \$1.16; soft white, no Rex, \$1.18; white club, \$1.18; western red, \$1.18; ordinary hard red winter, \$1.11.

The San Francisco wheat market remained quite firm during the week ending September 25, influenced principally by advances in other markets together with continued light California marketings. Prices were around 2½c per 100 higher compared with a week ago. Bay region mills reported a fairly active demand for flour and entered the wheat market for steady quantities to fill these sales. Purchases were largely of baart with some milling strength, but also included low protein lots for pastry flour.

Market quotes at Ogden, all basis No. 2, f. o. b. mills, were: dark hard winter and dark northern spring, \$1.15; hard winter and northern spring, \$1.07; hard white, \$1.19; soft white, \$1.20, and western white, \$1.13.

At Kansas City cash wheat followed closely the action of futures and trading basis moved upward recovering all of the previous week's losses. Receipts increased to 1,054 cars, but open market offerings failed to expand in like proportion. The general demand was good, especially for the grains of better qualities.

At Minneapolis there was a good demand for all dry, sound wheat regardless of test. A large share of receipts continued to show high moisture damage, but those grades were well cleaned up from day to day at prevailing discounts.

Threshing was quite generally delayed by cool, wet weather in the spring wheat belt and some other late northwestern districts and grain in the shock suffered considerable damage. Inspection of spring wheat during the first half of September, however, showed some improvement in the quality of hard red spring but lower durum quality.

Preparations for seeding of winter wheat made good progress with sowing progressing in the more northern and western portions. Seeding is well along in the southwestern plains with early sown grain coming up to good stands. In western Kansas more than half of the intended acreage has been sown and seeding is beginning in the east where dry weather is needed. In the eastern portions of the winter wheat belt some wheat has been sown but seeding is not yet general in this area.

Tire Prices To Increase

Permission for price increases to cover the cost of the government's tire-return plan, which was set up to check bootlegging and to relieve retailers and jobbers of the financial burden of carrying large stocks in a shrunken market, has been given by OPA. Maximum retail prices for new tires and tubes of passenger car size are increased 16 per cent.

At the time the tire-return plan was announced last February, the OPA called attention to the fact that some upward adjustment of prices would be necessary later.

The Nazis have warned German civilians not to smuggle letters into parcels sent soldiers at the front. New tires and tubes of passenger car size are increased 16 per cent. "containing detrimental utterances against high officials."

Tender, Juicy Meats!
