KENDRICK, LATAH COUNTY, IDAHO, THURSDAY, NOVEMBER 26, 1942

NO. 48

HAPPENINGS OF INTEREST HERE TWENTY YEARS AGO

Mrs. Earl Barton and daughter Bertie Lou of Moscow spent the week-end in the Knepper home.

George L. Carlson of Kendrick and Thomas LaBolle of Texas ridge will be called for jury duty at the District court session at Moscow on December 4.

Following is a list of candidates for Commissioner in the Potlatch Highway district, to be voted upon at the election on Tuesday, November 28: Carl Hartung, Charles Hill, J. M. Woodward and George Ehlers.

E. H. Dammarell went to Spokane the first of the week on business.

Agnes Cox and Donald McCrea, two Kendrick students at the University of Idaho, were recently appointed on the staff of the 1924 "Gem of the Mountains," official Junior class year book. Miss Cox will have charge of music and Mr. McCrea athletics.

Mrs. James Calkins of Fruitland returned to her home Tuesday after visiting a few days with her sister-in-law, Mrs. Ralph Knepper.

R. Whetstone of American ridge brought a big turnip to town Saturday, which is on display at the Farmers Bank. It was raised in Mr. Whetstone's garden and without extra care or "feeding" it reached the proportion of 20 pounds and 13 ounces. (That's a big turnip in any language).

The Kendrick Garage Co. this week sold a Fordson tractor to Otto Schupfer. Mr. Schupfer will use the tractor in his farming operations. (P. S. — He still has and uses it).

Two Houses Burned — Two fires occurred in Kendrick the first of the week. The George Riggins house burned to the ground Sunday morning about 3:00 o'clock; and the Ira Gentry house was totally destroyed Monday evening. Mr. Riggins was in Lewiston at the time of his fire.

The fire was discovered by O. E. MacPherson, the light of the burning building having awakened him. He gave the alarm, but found it almost impossible to awaken anyone that early in the morning. By the time a volunteer fire brigade had been organized and the water turned on the house, it was nothing but a heap of embers. A Collie dog was roasted in the fire. Mr. Riggins said that when he left for Lewiston he made a bed on the back porch for the dog and put him out of the house. It is a mystery how the dog got in the house before the fire started. The Gentry fire was discovered by some of the High school students who were on their way to the gym to practice basketball. The house was not occupied so they broke in the door, which was locked, but the building was so full of smoke that they could not remain inside. They had considerable trouble getting a hose connection made, and after the connection was finally made it was found to be too short by two lengths and more hose had to be brought from the fire station. The origin of the fire is unknown.

Big Bear Ridge — Announcements have been received of the marriage of Miss Ruth Norman to Mr. Olaf Burnvick of Deary, Thursday, November 16. The bride was formerly a resident of the ridge and has the well wishes of her many friends here. Mr. and Mrs. K. D. Ingle and D. J. Ingle were Moscow visitors one day last week. Miss Opal Jones spent the week-end with home folks. Mrs. Ole Lien returned home from Spokane Saturday. John Heath made a business visit to Avon last week.

Leland Items — Miss Edith Locke and Ralph Corbill were quietly married Saturday evening at 7:00 o'clock at the parsonage. These young people are well and favorably known here. The bride's parents live at Everett, Wash., but she has made her home here with her brother for more than two years. The groom is a prosperous farmer of the Fairview neighborhood and had his home already furnished for his bride. The bride and groom both have many friends here who will wish them a happy and prosperous married life.

Mr. Schmidt butchered 175 turkeys for the market yesterday. Someone will have Thanksgiving turkey. Nellie Goudzward was taken to Moscow Wednesday to have her eyes examined.

Linden News — Melvin Garner has returned from Elk River, where he moved with his parents a short time ago. He will attend school here.

F. C. Lyons returned Saturday from a business trip to Spokane. Mr. and Mrs. A. W. Longfellow entertained Mr. and Mrs. Pressnell and Mrs. John Darby at Sunday dinner.

Mrs. Lou Alexander and children spent Sunday with Miss Eva Smith.

Dinner and Bazaar Success — The Kendrick Methodist church chicken dinner and bazaar, held last Thursday evening, was a real success. A record crowd was in attendance and a neat sum realized from the dinner and auction.

The W. S. C. S. wish to thank everyone who helped to make it a pleasant and profitable evening.

Purchased Cook Property — A deal was closed this week in which Mr. and Mrs. Walter Brocke purchased the Silvie Cook home on Main street. The consideration was not made public.

The Cooks expect to leave December 1 for Spokane, where they have purchased a home.

Bonds For Christmas

The Christmas of 1942 is definitely going to be a War Bond and War Stamp Christmas. In behalf of the millions who plan on giving War Bonds and Stamps this Christmas, let this be said: they are accomplishing two good deeds... first, there is going to be that grand feeling of satisfaction that we are turning the Christmas spirit into a mighty weapon of new equipment and supplies for American fighting men in all parts of the world. Second, the recipient of War Bonds or Stamps cannot help but feel that he also is contributing to the thing that is nearest and dearest to the heart of all true Americans — the eventual victory of American arms.

MISS ABBOTT CONDUCTS MEETING AT LELAND

Miss Hattie Abbott of Moscow conducted a 20-hour Nutrition and Canteen courses here last week for a class of 12 women. The group, in addition to studying nutrition served three emergency meals: The first one to 25 at the church; the second to 60 at the school house and the third to 85 at the I.V.R. grill Sunday afternoon. The Sunday meal was cooked over an open fire and consisted of chili, sandwiches and an apple. Officers of the permanent canteen corps, which is under the jurisdiction of the Red Cross, are: Mrs. R. E. Woody, president; Mrs. Ben Hoffman, vice-president; Mrs. Jesse Hoffman, secretary-treasurer. Mrs. Jesse Hoffman, Mrs. G. F. Cridlebaugh and Mrs. Oral Craig were appointed to the planning committee; Mrs. Ben Hoffman, Mrs. Arthur Locke and Mrs. Leonard Wolff to the preparations committee; Mrs. Jesse Thornton, Mrs. Donald Morgan and Mrs. Jennie Hunt to the serving committee; and Mrs. Robt. Draper, Mrs. Walker Crawford and Mrs. R. E. Woody to the housekeeping committee. The organization expects to keep active by serving meals occasionally.

Company 8-K-9 of the Idaho Volunteer Reserves met at the school house for drill Sunday afternoon. Capt. Marvin Vincent was in command with Lieutenants Jesse Thornton and G. F. Cridlebaugh assisting. As the meeting was open to the public, quite a number of visitors were present. Much credit is due the captain and his assistants for keeping up interest in the organization. The newly formed canteen corps served an emergency meal to those attending. The Reserves will meet next Sunday afternoon at the regular time for intensive work and all members are urged to be present.

About 20 tons of scrap metal which the school children had collected was hauled to Kendrick last week. Trucks were furnished by Jesse Thornton, Herman Meyer, Homer Parks, G. O. Peters and Jesse Hoffman. Another miscellaneous load remains, which will be hauled to Lewiston.

The Rev. John A. Willman, Spokane, who is spending a few weeks with his son, the Rev. E. E. Willman, delivered the sermon Sunday morning and conducted the communion service at the Community church.

Mr. and Mrs. W. H. Weyen have received word from their son, Ted, that he had arrived at Jefferson Barracks, Mo.

Mrs. Wm. Clem came up from Lewiston Friday, and visited with her parents, Mr. and Mrs. Enoch Harrison, until Sunday.

Mr. and Mrs. Roy Craig were supper guests of Mr. and Mrs. Wilbur Corbill last Wednesday evening.

Mr. and Mrs. Marvin Vincent were business visitors in Lewiston last week. While there they traded their car for a pickup.

Mrs. A. G. Peters spent last Tuesday and Wednesday in Kendrick, assisting her daughter, Mrs. Raymond Hudson, with moving.

Mr. and Mrs. Edwin Mielke and family of Cameron were guests of Mr. and Mrs. G. O. Peters last Saturday evening.

J. W. Thometz of Lewiston and Miss Hattie Abbott of Moscow were visitors here Sunday afternoon, attending the meeting of the I.V.R.

Mr. and Mrs. Laurel Flesham and family of Kellogg were visitors on the ridge last Sunday, and called at the E. Harrison home that evening.

Lyle Harrison and Mrs. Wm. Clem of Lewiston were supper guests of Mr. and Mrs. G. O. Peters Sunday evening. Mrs. A. A. May was an afternoon caller.

The Rev. J. A. Willman and Rev. E. E. Willman and Mrs. A. G. Peters attended a meeting of Kendrick Education workers at Kendrick Sunday afternoon.

Mrs. Maurice Hudson is visiting in the home of Mr. and Mrs. Eldie Hunt.

First Lieut. Wayne K. Yenni of San Luis Obispo, Calif., who has been visiting his parents, Mr. and Mrs. L. L. Yenni, at Teaklen, visited with Dwight Hoffman Thursday afternoon.

The W. S. C. S. will meet at the church Friday to tie a comforter and the men of the community will meet at the same time to work on the church basement, which is in need of repairs. The women will serve a lunch at noon. Anyone interested in helping either group is cordially invited to attend.

The W. S. C. S. will hold its December business and devotional meeting in the church at 2:00 p. m., Thursday, December 3.

The S. S. Council met Thursday evening at the home of Mrs. Jennie Hunt.

SERVICES HELD FRIDAY FOR HUGH B. THOMPSON

The entire Kendrick section was greatly shocked and grieved Thursday morning of last week when radio announcement was made of the sudden death of Hugh B. Thompson, Colfax, a former well-known banker and resident of Kendrick.

Mr. and Mrs. Thompson and children came to Kendrick from Pullman in 1926, and left for Colfax in the fall of 1939.

During their stay here Mr. Thompson was cashier of the Kendrick State Bank, at first under the late Martin Thomas, and following its closing and re-organization in 1933, as cashier and vice-president.

Besides his banking duties Mr. Thompson was active in civic and church matters while in Kendrick, having served various offices of the Kendrick Commercial club. He was also a member of the A. F. and A. M.; Past Patron of Crescent Chapter O. E. S. of Pullman, Wn., and of Canyon Chapter O. E. S. of Kendrick.

At the time of his passing he was a member of the Plymouth Congregational church, Colfax, Wn., the A. F. and A. M. lodge of Kendrick, the O. E. S. of Kendrick; president of the Colfax Golf club, a member of the Toastmaster club, Colfax, and the Colfax Chamber of Commerce. He was assistant manager of the Colfax branch, Seattle-First National Bank.

Survivors are his wife, Ertie L. Thompson; a daughter, Miss Mary Elizabeth Thompson of Decatur, Ill.; a son, John Brewster Thompson, Spokane; a sister, Mrs. Olive Bradlow, Colton, Wn.; four brothers, Edward B. Thompson, Ross A. Thompson and Perry G. Thompson, all of Spokane, and Judd Thompson, Colton, Wn.

Funeral services were held Friday, November 20 at 2:00 p. m. from the Plymouth Congregational church, Colfax, Wn., Dr. W. J. Thompson officiating, assisted by the Rev. T. Earl Poindexter. Interment was in the Greenwood cemetery, at Spokane.

No Assistance Yet Available — Many inquiries are being received each day in the Moscow office of the Department of Public Assistance regarding the "Senior Citizens Grants."

Mrs. Evans, the county supervisor, has received word from the state office that plans have been made to put the Senior Citizens Grant Act into effect as rapidly as possible. These plans will require the approval of the Federal Social Security board in order that federal funds may be available to match state funds for the payment of the grants.

County departments may not act on applications for these grants until a plan of operation is approved by the Social Security Board and Notice of Approval is received by the state department. It will then be necessary for the state department to issue instructions as to the rules, policies, and procedure governing payments.

Application blanks and other forms will have to be prepared, printed and made available to county offices. This will require time, but the work is being rushed to completion as fast as possible in the state office of the Department of Public Assistance.

When application blanks are made available in the county offices, the public will be advised immediately through the local newspapers. In the meantime, the present Old Age Assistance program will remain in effect.

Parents Of Daughter — Mr. and Mrs. Russell Snyder of Juliaetta are the parents of a baby daughter, born Nov. 22, weighing 10½ pounds.

cluded Mr. and Mrs. Herman Johnson, Mr. and Mrs. W. H. Weyen, Mr. and Mrs. M. R. Vincent, Ben Hoffman, Howard Hoffman and Mr. and Mrs. Enoch Harrison. Jesse Hoffman and Dwight Hoffman were visitors Monday.

As the telephone service is so uncertain, if anyone having items would call the correspondent any time during the week it would help considerably. Telephone 264.

HARRY A. THATCHER, AUDITOR LATAH COUNTY, DIES

Harry A. Thatcher, Latah county auditor for almost 20 years, with a month and a half yet to serve on his last four-year term, died just before noon, November 16, at the Gritman hospital, where he had been confined for several weeks, and steadily failing.

Mr. Thatcher was 78 years old, and was a native of northern Idaho, having been born near Spalding, April 21, 1864.

Mr. Thatcher came to Latah county in 1891, following his marriage at Lewiston to Harriet Baughman, on March 22, 1891, first settling at Genesee, and going to Moscow in 1911, when he was appointed deputy county auditor by Auditor Homer E. Estes.

Mr. Thatcher was appointed auditor on March 15, 1922, when Mr. Estes became postmaster at Moscow. The following November he was elected to the office, in which he served the rest of his life. He had not been able to attend to his duties the past several months, however, owing to ill health.

Mr. Thatcher was the oldest member in Idaho of the Knights of Pythias lodge, being initiated by the Star lodge at Genesee in 1887. He was also a member of the Elk lodge at Moscow, and was a member of the Sons of the American Revolution. He is survived by his wife, a son, Eugene W. Thatcher at Spokane, a daughter, Mrs. Eugene C. Jones of Beverly Hills, Calif., and four grandchildren.

Funeral services were in charge of the Rev. John R. Bill of St. Mark's Episcopal church at 2:00 p. m. Wednesday, Nov. 18, at Short's Funeral Chapel. Burial was in the family lot at Genesee, where a son is buried.

Junior Play Enjoyed — "Show-down at Sawtooth," presented to a good-sized audience at the school gymnasium Monday evening of this week, and greatly enjoyed by all present, the severe rain and muddy roads cutting down on the attendance considerably.

The play, directed by Mrs. W. B. Denbald, was well presented, the characters took their parts well and plainly showed the many hours of painstaking study and work that preceded its presentation.

Between the acts numbers consisting of two solos by Bill Davidson, accompanied by Paula McKeever, and two piccolo solos by Noel Thomas, accompanied by his mother, Mrs. Harold Thomas, were also greatly enjoyed.

Rain And More Rain — Following several nice days last week, rain and more rain has been the order of the day, and the rattle of chains on cars and truck on Main street has again become a familiar sound.

It is said that the dirt roads are rapidly getting bottomless, and the older gravel roads are also getting slippery. Anyhow, travel is difficult, logging operations are at a standstill, and farm work rapidly following suit.

New Gravel On Hill — Work on the back side road of the school house hill has been practically completed, and a real improvement it is.

The road has been widened, new gravel surfacing put on, and a new path along side of the road built. This new path replaces the one removed from the hillside above at the request of the N. P. railway, who stated it was too close to the tracks, and therefore dangerous.

In Minor Accident — Herman Losier and "Buck" Langdon had a slight auto accident just east of the Bear Creek bridge last Thursday afternoon. Buck had stopped to let a truck cross the bridge, when the Losier car "engaged" the back of the Langdon roadster. No one was hurt and the cars were only slightly damaged.

Hair and bobby pins used enough steel last year to make 1,333 3-inch anti-aircraft guns.

150 Register Cars

L. W. Mason, superintendent of the Kendrick schools, stated Saturday evening that about 150 cars were registered in the three days ending November 20.

Mr. Mason further stated that about two-thirds (or 100) of these registering, called for "B" or "C" blanks to apply for additional gasoline.

A number of local motorists were unable to register during the three-day period, due to a lack of application blanks for the "A" books, and these will have to be cared for by the local board.

Roy Ramey, depot agent, who received the surplus tires, states that tires are still coming in from unregistered owners, since the time permitted for the turn-in was extended until December 1.

WHAT KENDRICK FOLKS ARE DOING THESE DAYS

Mrs. Eva Perryman left Saturday for Tacoma, for a visit with her son, Quentin, who is employed in the Veteran's Hospital at nearby American Lake. Mrs. Perryman will also visit a sister, Mrs. Bertha Beard, formerly of Moscow. Enroute home she will visit with her daughter and husband, Mr. and Mrs. Walter Wagner, at Portland.

George Brocke was a Moscow business visitor Monday afternoon and evening.

Jay Mills, who is stationed at the army air base at Walla Walla, was home on a furlough the first part of this week. Jay has gained considerable weight, and says there are lots worse places than in the army — especially the air corps.

Joe Piper of Agatha was in Kendrick Wednesday, transacting business and visiting with friends.

Mr. and Mrs. Allan Zell of Bremerton, who have been visiting at the home of her parents, Mr. and Mrs. Thos. McDowell, returned to their home last week-end.

Mrs. Bob Whitehead and son Wayne of Tokoa came Wednesday to spend the Thanksgiving holiday with her mother, Mrs. Millie Abrams and other relatives.

Mrs. Eva Clanin of Reardon, Wn., was a guest in the home of Mr. and Mrs. Paul Lind last Wednesday and Thursday.

Mr. and Mrs. Oscar Raby and children of Clarkston were dinner guests of Mr. and Mrs. Paul Lind Sunday.

Wayne Lind went to Spokane last Saturday to take his physical examination prior to entering the army. He leaves this coming Saturday for Ft. Douglas to enter training before going into Uncle Sam's forces.

Mrs. Aaron Blewett left Monday for her home in Seattle after having spent two weeks in the R. L. Blewett home.

Mrs. S. Cook was home over the week-end, returning to Spokane Sunday.

Mrs. Warren Cox, who is working in Spokane in defense work, was home over Sunday.

A. G. Wilson was a Moscow visitor Monday.

Mr. and Mrs. A. C. Wilson left Monday for Spokane to attend the funeral of a relative.

Mrs. Flesham (nee Barbara Davidson) was in Lewiston Tuesday looking for work.

Mrs. L. J. Herres entertained Miss Bertha Pease of Tacoma, Wash., and Mrs. Fitzsimmons of Pomeroy Saturday night and Sunday morning.

Rex Blewett and Jean Mann of Moscow were week-end guests in the R. L. Blewett home.

Sydney Johnston, who has been visiting his parents, Mr. and Mrs. Roy Johnston, left Monday for Portland to resume his work.

Mr. Smith of Wyoming has been visiting for the past two weeks with his sister, Mrs. Ida McAllister, whom he had not seen for 25 years. He left Monday for Los Angeles.

David Craig, who is working in Spokane, came Saturday to spend Thanksgiving with her parents.

Mr. and Mrs. Wm. Watts were visitors in Craigmont Sunday.

Guests in the home of Mr. and Mrs. R. L. Blewett last week were Mrs. Chas. Calkins, Mr. and Mrs. Harry Ruddle and twins from Myrtle, Mr. and Mrs. Pierce Blewett and Mr. and Mrs. Kenneth Hoduffer of Genesee.

Kendrick people attending the funeral of the late H. B. Thompson at Colfax last Friday were Mr. and Mrs. Lester Crocker, Mrs. L. Ameling, S. Cook, Mr. and Mrs. Nora Callison, Mr. and Mrs. R. E. Parks, Mr. and Mrs. Wm. Watts, Mr. and Mrs. Andy Cox and Mrs. Harry Benscoter.

Miss Bertha Pease of Tacoma, Wash., executive secretary of the conference board of the Methodist church, and Mrs. F. J. Fitzsimmons, district director of Children's Work were in town over the week-end to hold a conference at the church on Sunday afternoon.

Delegations from Leland and Juliaetta attended the conference.

Suffers Broken Wrist — Elwood Pearson, operator of the Conoco Service Station, suffered a broken and badly crushed left wrist Monday night about 11:50, when a car on which he was installing a very busy for two weeks cleaning which was holding it, fell and caught his wrist between the spring and general getting ready. Kenney purchased the big fountain and back chased the Higley store, and will carry a complete line of soft drinks, and pretzels, candies, as well as service. Dr. Christensen was called at once, and set and dressed the injured wrist.

WHEAT MARKET STEADY WITH LIGHT TRADING

The wheat market at Portland during the week ending November 20 was extremely quiet, with very little interest manifest in any kind of wheat with the exception of the hard red winter class. Hard winter wheat is the cheapest wheat available at this market, other than feed wheats, which are being sold by the Commodity Credit Corporation, and at times during the period rather an active interest was shown in both hard winter and dark hard winter, resulting in an advance in the price of these grades of 1c per bushel at the end of the week. Reports indicate that flour sales were very light and mills did not appear to be active in the wheat market. Normal milling business can not be resumed until the ceiling price of flour is permanently established. Sales of flour for export under the Wheat Export program were somewhat smaller than for the previous period.

Some complaint is heard in the trade of the difficulty in securing cars for the shipment of wheat. As a result, there was a considerable reduction in the number of cars received at terminal markets. Inspection reports show that 59 cars were received at Portland, compared with 80 cars for the previous week.

Cash wheat bid prices at Portland on November 20, for 15-day shipment showed: Soft white at \$1.14; soft white, no Rex, \$1.17; white club \$1.17; western red \$1.17; hard red winter \$1.12. For deferred shipment on basis country warehouse receipts: Soft white \$1.14; soft white, no Rex, \$1.17; white club \$1.17½; western red \$1.17, and ordinary hard red winter \$1.12.

The San Francisco wheat market was quiet but averaged steady during the past week, with prices on most classes showing no change as compared with a week ago. Demand from all classes of trade continued of limited volume, but this was about offset by the light offerings. Central California growers were not inclined to release at current bids and a large amount of wheat was reported being held under government loans. Growers generally were being bid around \$1.82½ to \$1.85 per bushel for No. 1 hard white and No. 1 soft white wheat, sacked. However, very few transactions were reported made at these quotations.

At Kansas City steady prices for wheat prevailed during the past week as the market awaited official action toward releasing loan wheat for marketing. Trading was confined to narrow limits by this uncertainty, with neither buyers nor sellers caring to make any commitments very far ahead, but current requirements were taken care of in about the normal fashion. Premiums in the cash market registered little if any change for the week, with the volume of trading steady. Receipts totaled 627 cars, less than half of which appeared on the sample market.

December wheat at Minneapolis, which has traded within about a 2c range during the past six weeks, again showed but little change during the week ending November 20. Grain handlers and flour buyers awaited further news concerning the plan to release loan wheat to mills through a subsidy to the farmer. A good clean-up of cash wheat at Minneapolis prompted the removal of the embargo on shipments, except by permit, which has been in force for some weeks. Permits, however, are still necessary if the grain is destined for storage and not for sale upon arrival. Feed grains and flax tended toward the easy side because of Canadian imports.

Premiums on cash wheat at Minneapolis were firm to 1c higher for the week. Day to day offerings were moderate and the demand was good. Minneapolis receipts amounted to 2,041 cars for the week. The much stronger cash trading basis meant that virtually no wheat of the No. 1 grade went to government buyers at the base price of \$1.16.

Winter wheat continued to make satisfactory progress, but in the eastern sections growth was retarded by several days of abnormally cold weather. Moisture is plentiful over the principal producing sections, notwithstanding the fact that rain is needed in the eastern Ohio valley and surface moisture would be helpful in parts of the northwestern belt. Stands are uneven in some sections of the lower Ohio valley.

In the main producing western and southwestern portions of the wheat belt, where moisture is unusually favorable, progress was promoted by warm weather and a very rank growth is reported in some localities. The crop is furnishing abundant pasturage in the southern plains section. In the Pacific Northwest, wet fields have delayed late seeding, following the breaking of the drought.

Opening Confectionery — On Tuesday morning of next week Kenneth Brocke will open a confectionery and lunch counter in the Brocke building, probably better known as the Carlson Hardware building.

Kenneth and his helpers have been very busy for two weeks cleaning the building, painting, laying the floor, and in the general getting ready. Kenney purchased the big fountain and back chased the Higley store, and will carry a complete line of soft drinks, and pretzels, candies, as well as service. His announcement ad. will be found in this issue.

Soldiers Ad. Trouble Maker
A soldier calls his army blanket a "Mary Ann" but Corp. Maurice Ramondetta's girl friend in Cleveland, didn't know that. Consequently the girl, Miss Irene Lukas, sent a burning wire to the corporal: "What has Mary Ann got that I haven't?" (He'd lost his blanket and advertised in the troop

newspaper wanting to know if anyone had seen his "Mary Ann." A prankster clipped it from the Fort Riley, Kansas, paper and sent Irene the clipping.)
Sympathetic officers arranged a furlough and Corp. Ramondetta went back to Ohio to explain to Irene.

Mr. and Mrs. Henry Brammer were Lewiston visitors Monday.

Coffee Rationing Information
The individual rationing of coffee, which begins at midnight, Nov. 28, will be one pound per person each five weeks — or 10.4 pounds per year.
Adding the amount of coffee consumed by the public through the restaurants and other institutions, the average American coffee drinker under rationing will use about 13 pounds per year, which is about 38 per cent less than he has averaged over the past five years.
The coffee ration, of course, may be changed from time to time to meet the varying conditions of supply.
Extreme care in the use of the ration of coffee can lighten the restrictions considerably, the Office of Price Administration says. Most people use more coffee than is necessary to obtain the amount they actually drink.
Here are some things that can be done to make coffee go farther, and still have coffee of good quality:
1. Use fresh coffee. Buy less each time, and more frequently.
2. Keep your coffee in a tightly covered container.
3. Keep it in the refrigerator or some other cool place. It deteriorates less rapidly when cool.
4. Keep your coffee pot immaculately clean.
5. Have your coffee ground as finely as possible for the pot you intend to use. Finely ground coffee goes farther than coarsely ground.
6. Use accurate measurements instead of "heaping tablespoons."
7. Don't boil coffee. It drives off the very elements you want.
8. Serve the coffee as soon as it is made.

"The Fleet's In"
This week's offering at the Kendrick Theatre will be a riot of fun and music and songs. Entitled: "The Fleet's In," and starring Dotty Lamour and Tommy Dorsey and his orchestra, the title leaves little to guess at — and will undoubtedly live up to its name in entertainment. There are hot songs, dances, music, fun and laughter for all when thousands of sailors descend on a town and take charge of things.
In addition, the usual cartoon will also be shown.
New Arrival
Word was received last week that Mr. and Mrs. Don Holmes of Grangeville are the proud parents of a baby daughter, born to them on November 16. She has been named Beverly Lynn.

Tape Cutter Bill Passed
 Legislation designed to cut down on what Senator Vandenberg (R., Mich.) described as a "snowstorm" of government questionnaires seeking information from businesses and individuals was passed today by the senate.
 The measure, which was sent to the house, empowers the budget director to establish a single fact collecting agency to serve two or more government agencies, requires government agencies to interchange information they have, and permits the budget director to halt collection of any information he deems unnecessary.

SCHOOL NOTES

Grade News
 Marilyn Schupfer and Dorothy Glenn have been absent from school because of illness.

The fifth and sixth grades held an election last week.

The fifth graders are learning the first stanza of "The Star Spangled Banner" and are writing the word meanings.

High School News
 Pictures shown this week are: "Children of Holland" and "Kentucky Pioneers."

The Seniors are ordering their class rings this week. It isn't known when the rings will be received.

There will be but one day's vacation for Thanksgiving this year. This will allow the pupils to get out one day earlier in the spring.

The Biology class has had a change of subject. They are now studying "Birds."

Wayne Lind will leave Saturday for the army. We hate to see him go, but wish him all the luck in the world.

Ration Dates Listed

A consumers check list of important rationing dates was issued November 22 by the OPA. The list follows:

December 1—Nation-wide rationing effective. Local boards begin accepting applications for needed receipts or replacement tires. Deadline for turn-in of idle tires. Passenger car tire inspections begin; all cars must have initial inspection before January 31.

December 12—Illegal for motorists to drive after this date if they have not registered and received tire inspection record.

Coffee — November 22 to 28 inclusive — Retail sales halted. Only restaurants, hotels and other institutional users who have purchase certificates and the armed services may buy coffee.

November 23-25 inclusive — Institutional users register at local ration boards. On November 29 sales begin under rationing.

November 30 — Purchase of fuel oil without ration coupons extended to this date. This applies only to those who have not received their books. Coupons must be turned over to the dealer as soon as received.

About December 1 (depending on locality) — Current fuel oil heating period ends. However, coupons for this period are valid until December 13 to 19, in certain zones.

Woman Gets Highest Vote

A woman, Mrs. Myrtle P. Enking, state treasurer and a democrat, received the highest vote in Idaho's November 3 election, the board of canvassers report.

The official tabulation also confirmed the election of C. A. Bottolfsen, republican, as governor, over incumbent Chase A. Clark, democrat, in the closest contest.

Mrs. Enking received 76,014 votes, against 61,768 for Lela D. Painter, republican.

Bottolfsen's margin over Clark was 434, with 72,260 against Clark's 71,826.

We now have the answer to the old question: "Where was Moses when the lights went out?" In a blackout.

3,327 County Drivers Sign

A total of 3,327 motorists, nearly half of them in the Moscow area, registered for gas ration books last week, a tabulation by Sheriff Geo. K. Moody, revealed.

Sheriff Moody had charge of the distribution and collection of supplies and is now completing his report to turn over to the ration board.

At Moscow 1632 registered in the three days, while Podlatch was second with 427; Troy Third with 295.

Figures for other registration districts are:

Princeton, 83; Genesee, 261; Juliaetta, 53; Kendrick, 155; Deary, 174; Bovill, 104; Mountain Home, 39; Harvard, 83, and Farmington, 21.

Supt. Lowell W. Mason stated that of the 155 registering in Kendrick, approximately 100, or two-thirds, asked for supplemental or "B" ration application blanks.

During April of this year the United States government spent an average of \$130,600,000 a day on war purposes, as compared with \$114,900,000 in March. That means we are making progress toward victory.

Farmers Help Needed

Wednesday morning of this week the Gazette received the following telegram, which is self-explanatory:

Washington, D. C. Nov. 24, 1942

P. C. McCreary, Gazette Kendrick, Idaho:

The government is asking the American farmer to dedicate the remaining weeks of 1942 to an intensified scrap hunt. Steel mills need more heavy scrap and the farms are one of the best sources of this type of metal.

We need your further help in this farm drive, and in aiding our salvage committees to continue this effort throughout the next few weeks. Mats and other material to help you are being prepared and will be mailed soon. All salvage committees are being instructed to continue to make available to the farmer all their transportation facilities and manpower, and to co-operate with you in every way possible. The nation is looking to the American farmer. I am sure that with your help he will come through.

— Donald M. Nelson, Chairman

YOUR ELECTRIC REFRIGERATOR WILL LAST LONGER IF....

Like every other housewife, you're probably faced with the problem of "doing more with less"—of keeping meals at a high standard under wartime difficulties. Careful and economical use of your electric refrigerator will help you keep down costs, plan nutritious meals, cut waste. Keep it in good repair, so it will continue to give you good service.

ELECTRIC REFRIGERATOR CARE

1. Defrost frequently—if more than a quarter inch of frost accumulates on the freezing unit, its efficiency decreases.
2. After each defrosting, wash the inside with a weak solution of water and baking soda.
3. Wipe spilled foods off the enamel promptly. To allow them to stand may spoil the finish.
4. Have a competent service man oil, adjust and clean the mechanism periodically.

The same skill and American ingenuity that made your electric appliances will, after the war, bring your electric service to higher standards than you have ever known.

EGGS — EGGS — EGGS — AND MORE EGGS!

We Want to Buy Them For Cash — You Want To Sell — Let's Get Together!

Since starting the cash purchasing of eggs the flow has doubled, tripled and quadrupled — but frankly we need more to supply the demand — so bring them to us, together with your cream, on your next trip to town. Under the market heading you will find the prices paid — read it and prepare to take better care of your hens and cash in on the profits that are possible.

CREAM IS NEEDED!

Our armed forces, our defense workers, our allies are clamoring for butter — so don't waste one drop of cream. Bring it to us, and cash in on the high prices paid under our pool plan — as well as filling the needs of our nation in this great war!

The train halted for a moment at the station and the traveler reached out, called a small boy, and said: "Son, here's 50c. Get me a 25c sandwich and get one for yourself. Hurry up!" Just as the train pulled out the boy ran up to the window. "Here's your quarter, mister," he shouted, they only had one sandwich."

"Father, I've got my heart set on a Rolls-Royce."
"Well, that's probably the only part of you that you'll ever set on one."

Fan Dancer: "Doctor, I want you to vaccinate me where it won't show."
Doctor: "Okay. Stick out your tongue!"

Professor: "What happens if a body is immersed in water?"
Co-ed: "The telephone rings."

We will, of course, be closed Thanksgiving Day.

ABOUT SOLDIER BOYS

Somewhere On The Pond
Nov. 1, 1942

Dear Bill:
Just a few lines from Doyle and I to let you know that we are getting your most appreciated paper. It sure hits the spot when you are away out here on the water. This makes the second time that we have written you, but I guess the other letter never got there.

We both like the navy O. K. but will be glad to get back home again. I have seen more places already than I ever expected to, and so this is a worth while adventure. I saw Harvey Thornton not long ago. He is getting along O. K.

Well, this is about all for the present. Thanks again for the paper.
Sincerely yours,
Laurence Biddison.

Ed's Note: Laurence is right. We have not, to date at least, received the other letter written us. This one was dated Nov. 1; postmarked Nov. 8, and reached us Nov. 21.

Fort Warren, Wyo.
November 17, 1942

Dear Friends:
I received my copy of your paper yesterday, and I wish to thank you very much. It sure helps a lot to read the home paper and all about people whom one knows.

I am getting along fine in this new life, and enjoy being here, with the exception of the weather. The wind hardly ever stops blowing, and sand blows like hailstones fall. There is plenty of sand here to blow, too. Thanks to you again for the news.
Sincerely,
Earl E. Harris.

John Wallace, son of Mr. and Mrs. L. A. Wallace, who joined the Air Corps some time ago, has been called up for active training, and is now stationed at St. Mary's College, Calif. His full address may be obtained from his parents.

Larry E. Langdon, apprentice seaman, son of Mr. and Mrs. Harry Langdon of American ridge, has completed his recruit training at Farragut, and has been sent to the aviation machinist's mate school at Norman, Okla., according to word received from the navy department.

E. V. Weeks Writes
Seattle, Wn.
Nov. 18, 1942

Dear Friend Bill:
Enclosed please find check for a couple of years subscription to the Gazette. It keeps us in touch with the doings of Kendrick and the district.

We were favored with the visit of two Kendrick parties recently. First Wayland Davis had dinner with us on his way back to the service; and a few days later Everett and Wallace Fraser visited us. We are always glad to have friends from Kendrick look us up when in Seattle.

I am still with Boeing and we are all well.
Yours truly,
E. V. Weeks.

LINDEN ITEMS

Club Stepping-Up Food Output

The 4-H club boys and girls throughout the nation, striving to help fill the largest order for food production in the annals of agriculture, are putting electricity to work in many ingenious and practical ways.

Among home-made adaptations of electric power disclosed in records of 1942 state winners in the big national 4-H rural electrification contest are electrically operated pig, lamb and chick brooders; corn shellers, grain grinders and elevators, egg and poultry coolers, plant heaters, churns and milking utensil sterilizers.

The National Committee on boys and girls' club work, which services 4-H clubs in co-operation with the Extension Service, announces that club leaders or members may obtain bulletins on any of the above subjects, without charge, by a post card request to its headquarters, 59 East Van Buren Street, Chicago.

Couldn't Find A Job

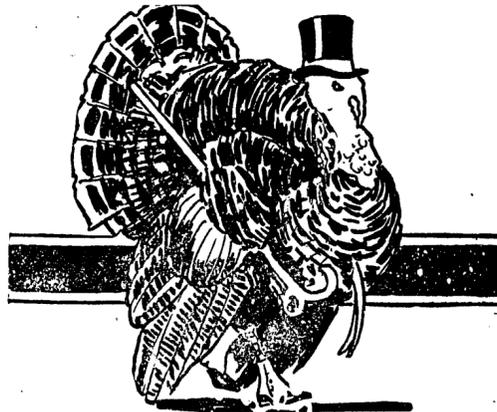

Finding a job for a horse at the naval training station was the problem of the officer in charge of civilian employment at Farragut this week.

The application from the lady in Washington, who asked for a job as a guard, was not out of the ordinary, especially in these days of WAACS, WAVES, and women welders in shipyards and bomber plants; but when the applicant expressed a desire to get her horse a job, too, that brought on complications.

Fortunately, the applicant was informed that nothing was available in the way of employment for horses at Farragut at the present time.

"Too bad! But there's always the cavalry."

A Mauston, Wis., insurance salesman solved the tire problem. He now roller skates through town to call on prospects.

What Can I Do?

I can be a good citizen—observe the laws of my country — yes, of course — but more —
Exhibit patriotism without profit — actually serve my community in any one or more of a myriad of ways too numerous to tabulate —
Vote — serve on a jury — help in civilian defense — be a worker in the unarmed forces on the home front —
Serve on election boards, on registration boards, on rationing boards, and in any other capacity for which I may be fitted or my services required!
The man who spends his dollars in Kendrick always has a change to get some of them back.

NOTICE

On and after December 1, our Juliaetta house will be open only on Wednesday of each week — so please plan to get your feed and coal on that day.

ALSO

We can do no rolling on Wednesday of each week in Kendrick — as our man will be in Juliaetta.

We sincerely hope this will not prove a hardship to anyone — but our country is at war and we all must make the best of unpleasant situations.
