NO. 52

HAPPENINGS OF INTEREST HERE TWENTY YEARS AGO

Dave Schoeffler of Cameron returned home Monday from a visit with relatives in Lewiston.

Theo Hanson was transacting business in Spokane the first of the week.

Mayme Roberts of American ridge won the saxophone in the drawing held Thursday afternoon. No. 22 was the winning number.

Mr. and Mrs. Clarence Dougherty of American ridge left Tuesday for Star, Idaho, for a visit. They expect to spend the greater part of the winter there.

Wm. Meyer came down the first of the week from his homestead at Three Bear. He expects to remain here for several weeks.

Jack Heacock and Harry Cramer were transacting business in Kendrick Monday.

Lester Crocker purchased Emulus Brown's mail route equipment this week. He will start carrying mail on Route 1 about the first of the year.

Oscar Torgerson was in Kendrick Wednesday morning on his way to Lewiston. He has been working at Camp 10, near Bovill, until last week when the camp in that vicinity were closed down. He said the snow was 32 inches deep there last Saturday.

Mrs. F. A. Vero arrived last week from Leavenworth, Wash., for a visit with her parents, Mr. and Mrs. N. B. Long and other relatives.

During the past ten days there has been an unusually large number of ducks along the Potlatch between Kendrick and Juliaetta. The ducks feed along the creek on watercress, which grows in profusion along this stream.

Radio "nuts" in Kendrick heard a concert Wednesday night, given by a choral society in Los Angeles. One of the bad features of the present system of radio broadcasting is that there are so many broadcasting stations with the same wave-length that one has to listen to several concerts at the same time. One may be going on in California, another in Alberta and maybe a third in Texas. The radio instruments are in tune, but the concerts may be rendering three different selections at the same time, so the harmony is not always all that could be desired.

How- ever, Otto Schupfer and A. V. Dunkle both have "radio ears" and can no doubt differentiate the various concert numbers that come on the air at the same time.

Mrs. J. W. Phillips and her daughter-in-law of Chicago spent Thursday in Kendrick with Mrs. Harold Thomas.

At the regular meeting of Kendrick Lodge No. 26, A. F. & A. M., the following officers were elected for the ensuing year: M. O. Raby, master; E. H. Dammarell, senior warden; N. M. Talbott, junior warden; E. W. Lutz, treasurer; M. E. McConnell, secretary; Lester Crocker, senior deacon; E. T. Long, junior deacon; C. Biddison, senior steward; Frank House, junior steward; H. P. Hull, chaplain; A. V. Dunkle, marshal; N. Brocke, Tyler.

Winners were chosen yesterday for the three best essays on "Thrift" in the contest put on by the Kendrick State Bank. The first prize of a \$5.00 savings account and a Liberty Bell bank was won by Marion Pickering of the tenth grade; the second prize of a \$3.00 savings account and a Liberty Bell bank was awarded to Herbert Goudzward of Leland ninth grade, and the third prize of a \$2.00 savings account and a Liberty Bell bank went to Hester Knepper of the Kendrick school seventh grade.

The Okoke Klootchman club met at the home of Mrs. Ralph Knepper Wednesday evening.

Herman Schupfer and his mother left Wednesday afternoon for California. They expect to spend the winter there, touring the state and enjoying the mild climate.

Lester Crocker passed the highest examination for rural carrier recently and will take charge of Route No. 1 out of Kendrick. This route covers part of American ridge. Everett Fraser will continue on Route No. 2 on Big Bear ridge.

Big Bear Ridge — Miss Helen Slind returned home from Pullman Saturday, where she has had a position in the Northwest Sanitarium for the past several months. A. N. Rognstad made a business visit in Spokane the first of the week. Mr. and Mrs. Hiram Galloway were visiting in the Hupp home on Little Bear ridge last week.

Linden News — Mr. and Mrs. Carl Langdon returned Tuesday after delivering a load of dressed hogs to Elk River and Mrs. Langdon visited her parents, Mr. and Mrs. Ira Foster. Most of the men on the ridge attended the road election Tuesday, which was held for the purpose of electing new commissioners. Mr. Winegardner and Mr. Lyons were elected and Clem Israel was chosen to fill the place of C. H. Fry, who refused to serve again. Mr. and Mrs. Louis Alexnder and Mr. and Mrs. Dick Winegardner spent Sunday with the Misses Sweeney and Eva Smith. Mr. Ed. Darby and son Walter spent Thursday in the Allen home. Clem Israel and Arthur Bohn attended the Ellington sale at Park Monday.

Fairview Notes — Mr. and Mrs. Frank Wilken took a number of Fairview young people to a dance at Cameron Saturday evening. Those in the group were Mr. and Mrs. Wilken, Misses Boyd and Stephens, Messrs. Wolf, Vincent, Hosmer and McCall. Mr. and Mrs. Hugh Parks were visiting in the J. M. Woodward

Stores To Close Saturday?

At the time of going to press a decision had not been reached by local stores on whether or not to close Saturday, but stores in Lewiston, Moscow and Troy will be closed that day and it is presumed local stores will probably follow suit.

It would probably be well to establish this fact before coming to town with the expectation of trading next Saturday.

FARM MACHINERY REPAIR SCHOOL BE ORGANIZED

Beginning Saturday, January 2, a farm machinery repair school is to be organized and set at work in the Kendrick Bean Growers warehouse, probably better known as the Cardinal building.

The school, which will be sponsored by the U. S. government will give specific instruction in the repair of all kinds of farm machinery, such as combines, tractors, plows, drills, cultivators, etc.

The hours of instruction will be from 9:00 a. m. to 3:00 p. m. of each day. Robert Clemenhagen of Big Bear ridge has been named as instructor, and the government, in turn, will furnish a supervisor to line up the projects work.

Farmers of each community can contact the chairman of their community advisory committee in regard to this school as follows:

Cameron-Leland — Herman Meyer, Southwick-Cavendish, Henry Brammer.

Big Bear and Texas ridges — John Galloway.

American ridge — Ernest Roberts, Cedar ridge — Bert McAntire, Fx Ridge — Ben Weatherby.

If any farmer has a piece of farm equipment needing overhauling he is asked to contact his local chairman for a specific date for that particular piece of equipment.

The local advisory committee consists of George Brocke, chm., L. W. Mason, and the community chairmen mentioned above.

Every farmer is asked to bear in mind all the time that due to the lack of new equipment it is essential that all used equipment be put in A-1 shape before work starts this coming spring, since repair parts are under stringent quotas and some time may be required for their obtaining.

Furthermore, if any farmer has a piece of equipment that is past the repair stage, but on which good used parts may be salvaged, he is asked to list it with his local chairman. Those pieces may be just the ones his neighbor may need and be unable to obtain in time of an emergency.

Asks Bills Be Withheld

Governor-elect C. A. Bottolfsen, in a press statement Saturday, called upon Idaho groups to voluntarily withhold bills not connected with the war effort in order to assist the war-time state legislature, which convenes January 4.

"Such voluntary action would be a true manifestation of patriotism," said Mr. Bottolfsen, "and would be of considerable aid to the legislators, whose task is already increased by wartime problems."

Legislation not necessary in time of war, he added, should be laid aside for the duration.

"It is the duty of the wartime legislature," continued Mr. Bottolfsen, "to pass all legislation necessary to operate the state government, including certain legislation which will be necessary to conform to the state government to war-time laws and regulations of the national government."

"Any time the legislature spends on unnecessary matters is just that much time wasted and hence lost so far as the war effort is concerned. Furthermore, such a loss of time is necessarily accompanied by a corresponding serious loss of money."

"The policy of my administration is going to be to operate the state government with a minimum of manpower and money. The legislature can render a great service by refusing to consider legislation from the special 'groups' which has no bearing on the war effort."

Play and Musical Enjoyed

A near-capacity audience greatly enjoyed the all-school play and musical presented in the gymnasium Monday evening of this week, with almost every student in the school taking part.

The precision and fluency of the grade school students showed plainly the hours of preparation on the part of everyone to make it a success. The stage decorations also fitted into the picture perfectly, the blue and red lights blending with the brilliant costumes of the players.

The Boys' Glee club, the Girls' Glee club, and the Mixed Chorus singing was also greatly enjoyed, and they too, are to be highly complimented. The songs were in good taste for the season, and ever word could be clearly understood.

The final numbers — a band concert, likewise proved very popular, and it is to be hoped that more of this type of program will be given during the school year.

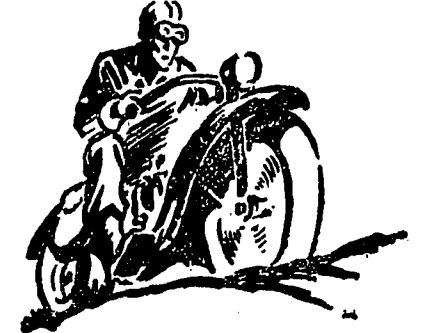

Christmas Program Enjoyed

A very nice crowd was on hand last Sunday to witness the Christmas program at the local Community church, presented by the pupils, the choir, and with solo numbers sung by Mrs. Harold Thomas, accompanied at the piano by Paula McKeever.

Costumes and lighting were very effective.

What You Buy With WAR BONDS

Military motorcycles, for couriers, for speeding light guns from one section to another, are an important part of America's mechanized army. Many are equipped with sidecars for use of staff officers. They cost from \$400 to \$450.

We need thousands of these small maneuverable machines in our Army today. You and your neighbors, all buying War Bonds and Stamps, can help buy them for the Army. Invest at least ten percent of your income every payday in War Bonds and Stamps and become a member of the patriotic "Ten Percent Club." It is rapidly becoming the largest club in the world.

WHAT'S GOING ON IN AMERICAN RIDGE SECTION

Taylor-May Nuptials

Sunday, December 20, at 2:30 p. m., in the presence of close friends and relatives, Miss Dora May of American ridge, and Walter Q. Taylor of Moscow were united in marriage at the bride's home on American ridge, by the Rev. O. LeRoy Walter, the single ring ceremony being used.

Putting in New Foundation

Fred Stedman is busily engaged these days putting a new foundation under what is known as the "Field house" in the east part of town.

The foundation will be of concrete and new sills and joists also put in.

What You Buy With WAR BONDS

The 155-millimeter gun is the modern version of the old "GPF" of World War I days. It has a range fifty percent greater than the old gun, having a 95-pound projectile approximately 15 miles. It is capable of high road speed and each one costs \$50,000.

Arsenals of America are working at terrific speed turning out this long range, effective weapon for our armed forces. You and your neighbor working hand-in-hand in unity can make possible the purchase of an adequate number of these guns by buying War Bonds. Put 10 percent of your income in War Bonds to help reach your county quota, every pay day.

WHAT'S GOING ON IN THE LELAND COMMUNITY

Homemakers Christmas Party

The Homemakers club held its annual Christmas party in the recreation room of the Community church last Wednesday. The canteen corps had charge of the luncheon which was served at noon to 25 members and guests. A short business session followed with Mrs. Oral Craig, president, presiding. Plans for the coming year were discussed and a nominating committee, Mrs. R. E. Woody, Mrs. Fred Glenn and Mrs. Chas. Hoffman, appointed.

A program by the recreation committee, Mrs. G. F. Cridlebaugh, Mrs. Fred Glenn and Mrs. Chas. Hoffman, was presented. Mrs. Glenn led in the singing of Christmas carols; readings were given by Mrs. Craig, Mrs. Jesse Hoffman, Mrs. R. E. Woody, Mrs. Ben Hoffman and Mrs. A. R. Locke. Jeanette Cridlebaugh sang "White Christmas." Gifts which had been arranged about a gaily decorated tree were then exchanged.

This club has participated in many activities this year, having contributed to the "March of Dimes," Red Cross, cancer control and China relief fairs, co-operated with the school in maintaining the hot lunch project, knitted for the Red Cross, studied nutrition, and organized a canteen corps.

The January meeting will be held at the home of Mrs. Jesse Hoffman, when the officers for the ensuing year will be installed.

Attended Directors Meeting

Jesse Hoffman attended a meeting of the directors of the NezPerce Farmers County Mutual Fire Insurance Company in Lewiston last Friday. The condition of the company was found to be very good. Fire losses have been low this year and no assessment will be levied in January, as in previous years.

No Church Services Sunday

The Rev. E. E. Willman is spending the Christmas holidays in Spokane with his father, and will be absent from the pulpit Sunday. The church school will not meet, either. Services will be resumed on Sunday, January 3.

Our Telephone

We are living in the country
Where living is sublime;
We've the handiest contraption,
It's on the two-six line.

It isn't much for looks,
It clutters up the wall,
But it's always there awaiting
When we want to make a call.

We ring the thing with vengeance,
We coax it with a shout,
But all it does is crack and sizzle—
The blasted line is out.

We vainly try to get the neighbors,
We feel so all alone,
But why should we be lonely?
We have the telephone! — M. I. H.

Grange Meeting

The Kendrick Grange will hold its regular meeting Tuesday evening at 8:00 o'clock.

Eggs And Butter Needed

Frank Harris, manager of the Kendrick Co-operative Creamery states that few people realize how really critical the need is for eggs and butter, for they are among the necessities of life, not only to our fighting men, but to war workers and civilians alike.

In an effort to stimulate egg production this coming year, the local institution has made arrangements to handle baby chicks, shipping them in from a government approved hatchery, and distributing them.

Harris states he believes a considerable sum can be saved local poultry raisers.

In the meantime, take better care of your chickens. See that they have warm shacks, grain, plenty of fresh water, keep their quarters clean and in good repair — in short, help your chickens do their part to win the war.

Mr. Harris also stated he believed this section capable of a far greater butterfat production, especially by the purchase of more and better cows. If anyone is financially unable to purchase such animals, ample financial assistance is obtainable through the FSA — Wayne Thomas, Moscow, Latah county supervisor, and Mr. Sorenson, Lewiston, Nezperce county supervisor, are the key contact men.

Mr. Harris also stated that if you lived a considerable distance from town, were milking a number of cows and your present and future gasoline rationing would not permit sufficient deliveries of cream and eggs, that help on this source was also obtainable through the key FSA men at these points.

Pinocle Club Meets

The Pinocle club met Tuesday evening at the home of Mrs. Mrs. Billy Weyen, where an exchange of gifts preceded the pinocle play of the evening.

Invited guests were Mr. and Mrs. Ben Westendahl, Mrs. Norman McAntyre and Charley Candler.

High scores for the evening were won by Mr. and Mrs. Frank Abrams. Delicious refreshments were served by the hostess at the close of play.

Suffers Injured Shoulder

Henry Brammer suffered a badly wrenched right shoulder Wednesday morning while engaged in moving wood saw, preparatory to buzzing cord wood.

He came to town where Dr. Christensen placed the injured arm in a sling. It will not be of much use to Henry for some time, however.

CASH WHEAT UP 2c to 3c BUSHEL AT PORTLAND

The December wheat futures at Portland advanced 1 1/2c per bushel, while the principal classes of cash wheat advanced 2c to 3c during the week ending December 18, the U. S. Department of Agriculture reports. Strength in midwestern markets was an important influence in the local market situation. However, trade reports indicated increased activity in cash wheat trading in the Pacific Northwest during the same period. Fair sales of white wheats for rail shipment to the Kansas City and St. Louis markets were reported and somewhat improved demand from local mills added to the improved demand. Dealers were bidding better than loan values in most Northwest producing districts and growers were showing more inclination to release cash wheat supplies as a result.

Domestic flour business was reported slow as a result of the unsatisfactory relationship between the flour price ceilings and cash wheat prices. Sales of flour to the Americas under the export indemnity plan were reported the lightest for some weeks past. No export sales of wheat under the new subsidy plan were reported from this area during the week. Wheat receipts at Portland totaled 98 cars against 71 last week, while Puget Sound and Columbia river terminals, including Portland, had 490 cars compared with 465 the previous week. Continued good sales of feed wheat, mostly C. C. offerings, are reported in Northwest markets. Trade reports indicate that winter wheat conditions are generally favorable with a good snow cover in most of the important producing districts of Oregon and Washington. Movement of wheat from the country to Puget Sound and Columbia river terminals since July 1, is about 1,973 cars, or about 2,960,000 bushels, less than during the same period last year, with about 21,750,000 bushels received compared with approximately 24,710,000 a year ago.

Cash wheat bid prices on the Portland Grain Exchange, December 18, were: soft white, \$1.20; soft white, no Rex, \$1.22; white club, \$1.23; western red \$1.23; hard red winter, \$1.20, all basis No. 1 grade in bulk.

The San Francisco wheat market strengthened further, influenced by sharp advances in other domestic markets and continued light offerings. Prices of California wheats were mostly around 50 to 7 1/2c per 100 higher compared with a week ago, and at new high points for the 1942-1943 crop year. With much of the wheat in producing areas under government loan, supplies were being firmly held in anticipation of still higher prices later in the crop year. At the close of the week bids for No. 1 hard white and No. 1 soft white wheats, sacked, were mostly around \$1.90 to \$2.00 per 100, country warehouse receipt basis. Offerings from other western wheat producing states remained light. Current demand was easily sufficient to absorb all central California offerings very readily, although mills continued to offer flour slowly because of the unsatisfactory relationship between wheat prices and established flour ceilings.

With supplies inadequate to satisfy demand and being influenced further by the action of futures, cash wheat at Kansas City was quoted 3 1/2c to 4c per bushel higher. Premiums were 1/2c to 1c higher with the medium to low protein offerings in best request. Demand from milling interests was only of moderate volume while storage interests were active buyers in an effort to rebuild stocks. Heavy sales by elevators during the past 30 days have depleted privately owned stocks in warehouses. Arrivals for the week dropped to 588 cars compared with 812 the previous week. Shipments increased to 721 cars against 518 the previous week.

The cash wheat market at Minneapolis showed a mixed tone because of the prohibitive spread which prevails between ceiling prices of flour and current cash wheat values. Mills still absorbed the ordinary lots at steady premiums, but higher value lots averaged 1c to 2c lower for the week. Offerings were moderate and receipts of all classes of wheat at Minneapolis amounted to only 1,569 cars. Duluth unloaded 590 cars. Considerable buying was attracted to the wheat market on the theory that flour ceilings would soon be revised upward. Moreover, country advices indicated that even with the recent advances considered, wheat prices had not advanced sufficiently to dislodge the holdings of growers or to stimulate the redemption of wheat under loan in any volume.

Temperatures were abnormally low in much of the winter wheat belt during the week, but most areas had good snow protection. Wheat has browned some in southwestern portions of the belt, but there is no indication of permanent injury. Melting snow in southwestern states has been beneficial in keeping the soil well supplied with subsoil moisture. In the Pacific Northwest the crop remains in good condition, although much late seeded grain in Oregon germinated poorly.

In Canada the general delivery quotas for wheat and rye have been raised from five bushels per acre to eight bushels, but at individual points quotas were reported as high as 20 bushels per acre on feed grain and 14 bushels on wheat. Weather records indicate that precipitation during the fall months, September through November, was less than normal in Manitoba, southern and

Mrs. Everett Millard has returned home from Portland.

Workmen are expected here soon to raze and rebuild the N. P. depot. The second story will be removed and a smaller, one-story building constructed.

The Girls' club entertained at a Christmas party Saturday evening. Invited guests were Pete Stump, Tommy Peters, Dale Candler, Clinton Clark, Herbie Millard, Rex Tabor, Neil Candler, Mr. Stackhouse, Jim Prater, Lloyd Oxford, Check Cape and Bob Burns.

Mrs. John Peters, Mrs. Stackhouse and Mrs. Marion Hanks met Tuesday to make "Fairy" costumes for the Christmas program.

Mr. and Mrs. Russell Snyder and family have moved to Pierce.

TEAKEAN GOSSIP

We are having rain here now, and it is melting the snow. Roads are pretty well clear of snow at this time.

Carroll Groseclose has been cutting some of the bee trees that he and his father found last summer, but he hasn't found very much honey.

Mrs. Goodall and Sam Harp have been busy hauling wood out of the timber. They bring out a sled-load at a time to the gravel and load it on a wagon.

Mrs. Marion Groseclose is visiting at the Wm. Groseclose home, but expects to go to her home near Juliaetta some time this week.

Louis Schillefer is on the sick list and is confined to his home most of the time.

Grover Groseclose expects to make his home with Gus Harless, where he is cutting logs.

Mrs. Orval Choate spent an afternoon this week with Mrs. William Groseclose.

Rev. Willman of Leland was a visitor in our neighborhood Monday.

Mrs. Don Miller has been assisting Miss Neumeier in preparing the Christmas program at the school.

Wm. Groseclose is making some cedar shingles for a new roof on their home.

GRAIN MARKET REPORT

(Continued from first page)

central Saskatchewan and a few parts of Alberta. In northern and western Saskatchewan and most of Alberta, above normal moisture was recorded. Canadian entomologists report that danger of grasshopper infestation in Manitoba is less serious in 1943 than in many years. No outbreaks are expected except in the vicinity of Winnipeg.

Wheat under loan in the U. S. increased approximately 13 1/2 million bushels and on December 12 totaled 364,472,000 bushels from the 1942 crop. Barley loans covered 11,387,000 bushels, of which a little over 1 1/2 million was in California. Old wheat held by the C. C. C. was reported at slightly less than 264,500,000 bushels and corn at 32,803,000 bushels.

A three-way program in which the Commodity Credit Corporation, flour millers and distillers will cooperate to increase the production of industrial alcohol for war uses was announced by the U. S. Department of Agriculture on December 18.

Government-owned wheat will be sold to flour millers for manufacture into granular flour for sale to distillers. Details of the program were worked out by the C. C. C. officials and an advisory committee of the flour milling industry was appointed by the Millers National Federation.

Production of granular flour will utilize grinding facilities of millers instead of requiring new installations, by distillers. Officials expect as much as 50,000,000 bushels of government owned wheat, possibly more, may be used in this way next year.

Contracts for the sale of the government owned wheat during the first quarter of 1943 are being offered by the C. C. C. in some instances at \$4c per bushel, in others at \$2c, and in still others at prices to be adjusted for feed values at mills, f. o. b. the nearest rail sidings available to mills. The granular flour will be sold by mills to distillers at \$32.14 per ton in bulk, plus 56c per ton packing charge if packed in bags supplied by distillers, f. o. b. nearest rail sidings available to distillers.

SCHOOL NOTES

Game Proves Exciting
 The Kendrick Tigers won over the Southwick basketball team 26 to 23 in an exciting game Friday evening, Kendrick using some 18 players.

Southwick was leading 16 to 13 at the half. Kendrick's first string then took the floor, action began to liven up and it was a close game at the final whistle.

Other News

The only game scheduled for the Christmas vacation is a game with Grangeville, January 1, at 8:00 p. m. A dance will be held after the game.

The grades will start their two-weeks' vacation with an exchange of gifts and a party Wednesday afternoon.

The third and fourth grades sold \$7.08 worth of Christmas Seals this year.

A surprise birthday party was given Tuesday afternoon to the third and fourth grades by Mrs. H. C. Schupfer, honoring Marilyn Schupfer's birthday anniversary.

The sixth grade boys got the Christmas trees for the grades this year, last Monday afternoon. They also prepared the stands for them.

The seventh and eighth grades have finally finished their 500-word themes, which they enjoyed immensely. They also drew a picture of "Old Ironsides," which was a lot of fun.

The pictures shown this week in Visual Education are: "Posture," shown for the grades; "Plant Growth," shown for Biology; "Pioneers of the Plains," shown for the History classes.

The High school will hold their annual exchange of gifts Wednesday afternoon, and afterwards a mixer will be held in the gym.

New officers were elected for the next semester in Journalism class. They are as follows:
 Editor: Donna Wallace.
 Advisor, Mr. Stroh.
 Sports, Ozzie Kanikkeberg and Sonny Daugherty.
 Gazette and Grade News, Gay Deobald and Ida Marie Sillow.
 High school news, Fern Clemenhagen and Alice Gustafson.
 Music, Agnes Baker and Ruth Biddison.

Features, Villa Lou Harris and Bob Benscoter.
 Cover, Bill Davidson.
 Jokes and Gossip, Dale Miller, Paula McKeever and Eugene Lind.
 Typists, Pauline Jones, Betty Halseth and Paula McKeever.
 Mimeographers, Bill Davidson, Joyce Lyons and Bob Lind.

This will be the last news put in by this reporter. I hope that you have enjoyed reading the news from the Kendrick High school as much as I have enjoyed writing it for you. The new reporters will take over and the next news will be given by them on January 5.
 — Donna Wallace.

Named Tire Inspector

The Dammarell Conoco Service Station has been named as a tire inspection station under the new mileage-rationing set-up, and Latah county residents may now have their tires inspected at this station.

Mr. Dammarell also stated that arrangements were being made at this time to have the station designated as a Nezperce county station also, and he thought final papers would arrive permitting inspection of cars from that county soon.

Conducted Examinations

Dr. M. E. Sherrard, director of the North Central District Health Unit, assisted by Miss Ruth Moyer, clinic nurse, and Miss Loretta Schuler, local staff nurse, examined 29 Juniors and Seniors of the local high school for physical fitness on Thursday, December 17, in the high school.

Through new steel alloy processes, Army Ordnance saved enough nickle to supply the needs of 46,000 heavy tanks and 17,000 75-mm. howitzers.

GOLDEN RULE

Mrs. Oscar Lawrence visited with Mrs. Glen Betts Tuesday.

Oscar Lawrence delivered some dressed beef to Orovino for Russell Betts Tuesday and again Friday.

Ralph Stage spent a couple of days this week with his father, Fred Stage.

Daymon Schneider and Carl Finke were Peck and Orovino visitors Wednesday.

The Abner Cowger family were Sunday guests in the Carl Finke home.

Mr. and Mrs. Clifford Rutter and Ann spent Sunday night at the Glen Betts home.

The Carl Finke family, the Roy Martin family, Fred Stage and son Ralph, Mr. and Mrs. Dewey McAllister, Russell Betts and Clifford Rutter were among the Lewiston visitors the past week.

Golden Rule School Notes
 We received \$9.00 for our salvaged metals, but have not, as yet, been able to dispose of the rags.

At our last election a new group of officers were elected. Anna Kazda is our president.

The flute class has been studying "half" and "whole" notes, and now is working on "Jingle Bells."

Each pupil has received a "Santa Claus" health button as a reward for the \$4.46 collected by the school from the sale of Christmas Seals.

The largest sales were made by Eugene Betts, \$1.00; Neil Erlewine, \$1.00 and James Finke, 70c.

The highest school average in spelling during the past six-week period is held by Stanley Martin, with a straight average of 100. The highest in arithmetic was made by Neil Erlewine, with 94 per cent.

The school is working on a program to be presented on Christmas Eve.

STONY POINT VICINITY

Eugene Heath, son of Mr. and Mrs. Newt Heath, called home long-distance, last week from California. He is now a second lieutenant and is to be stationed at Taft, Calif. You can be sure that his folks were very pleased to hear from him.

The Stony Point school program was given Tuesday evening at the school house. Presents were distributed at the close of the evening.

Miss Irma Satre was a week-end guest in the home of Mr. and Mrs. Ernest Steigers.

Mrs. Mabel Steigers spent Saturday in the home of her parents, Mr. and Mrs. Al Heimgartner.

Funeral services for George Minden were held Friday afternoon at the Brower-Wann Funeral Home at Lewiston. All friends and relatives in this community attended.

Carl, Ralph and Leroy Steigers spent an enjoyable day in the home of their cousins, Kenneth, Keith and David Steigers, Saturday.

The candy for the Christmas treats was sacked by the young people of this community Monday evening.

Mrs. Walter ZumHofe and daughter left December 14 for California, where her husband is stationed.

The Stony Point school has been having very poor attendance, due to a measles epidemic.

Lewiston visitors Saturday were Mr. and Mrs. Hugh Parks and family, the Holsington family, Mr. and Mrs. Bob Steigers and children, and Ernest Steigers and son.

Mr. and Mrs. Henry Steigers and daughter Dianna were here from Bremerton, Wn.

SOMEWHERE IN AUSTRALIA

Somewhere in Australia, where the sun is like a curse,
 Where each dull day is replaced, by another slightly worse,
 Where brick-red dust is thicker than the shifting sand,
 And white man dreams and wishes for a greater and fairer land.

Somewhere in Australia where a white woman is never seen,
 And the esky is never cloudy and the grass is never green,
 Where the dingo's nightly howling robs a man of blessed sleep,
 Where there's never any whiskey and the beer is never cheap.

Somewhere in Australia where the nights are made for love,
 Where the moon is like a searchlight and the Southern Cross above,
 Sparkles like a diamond necklace in the balmy tropic night,
 It's a shameless waste of beauty when never a girl's in sight!

Somewhere in Australia where the mail is always late,
 Where Christmas cards in April are considered up to date,
 Where we never have a pay-day and we never have a cent,
 But we never miss the money 'cause we would never get it spent!

Somewhere in Australia where ants and lizards play,
 And a hundred fresh mosquitoes replace each one you slay,
 So take me back to Frisco — let me hear the Mission bells,
 For this God forsaken place is a substitute for hell!

A CHRISTMAS WISH

Here's a wish for you at Christmas,
 Here's a wish that can't go wrong,
 Through the Junes and Decembers
 As the glad years roll along —
 "Through the tempest and the sunshine,
 Through the roses and the snow,
 May your path lead on to gladness,
 Where the sweetest blossoms blow.
 May the little Christ-children coming
 Bring you blessings that abide,
 And the star of peace shine on you
 At this holy Christmas tide."

Can Obtain Rubber Boots

Lumbermen who need laced rubber boots (pacs) are eligible for rationing certificates authorizing the purchase of this type of footwear, which previously had been reserved exclusively for miners, the OPA announces.

This provision was made in amendment No. 7 to ration order No. 6—Men's Boots and Rubber Work Shoes, effective Dec. 26.

OPA explained that the extension of eligibility for the pacs, designated as Type 5 in the rationing regulations — was made possible by the office of the rubber director in agreeing to allocate an additional supply of rubber for production of this type of footwear.

OPA pointed out that this does not make laced rubber pacs available to all lumbermen, but only to those who work in the woods and engage in felling, cutting, topping, hauling or similar activities that require this type of all-rubber protection.

Where Teachers Will Go Xmas

Donald Stroh will leave Thursday evening to spend the vacation with a sister at Nampa, Idaho.

Mr. Kelly will spend the vacation at his home on Little Bear ridge.

The L. W. Mason family will vacation in the home of her parents, Mr. and Mrs. Henry Hoffman, Moscow; and with his grandmother, Mrs. Sarah Mason, at Endicott, Wn.

Still Another Double Bill

Another double feature will be the offering of this week in the local theatre.

The first show, "Glamour Boy" stars Jackie Cooper and Susanne Foster. It is something of a jolly satire on the so-called "glamour girls" who are always appearing in pictures, and promises plenty of fun.

The second offering of the evening, "Earth of the Blues," stars Bing Crosby, Mary Martin, Brian Donlevy, Carolyn Lee, Rochester and J. Carrol Naish. Tuneless, replete with dancing and songs, it should prove very satisfactory entertainment.

Of course the usual cartoon will also be shown.

WAR IS SERIOUS BUSINESS— AND FOOD IS A CRYING NEED

Especially is this true of eggs and butter — but first let's talk about eggs —

We feel this this section is capable of and should be producing more chickens and eggs, and as a real help we plan this season to handle baby chicks — delivering them to you here!

We have been able to make arrangements with a government approved hatchery to secure these chicks at a substantial price saving to you. All the better known breeds are available, but it is important that you see us at once and place your order. If not ready to order soon, at least come in and talk the matter over with us — the sooner the better.

Regarding Milk —

Marion Rathbun has purchased the Davis herd of cows, and will deliver that milk to us, so if you

have been a Davis customer, that same milk will be available — but will be pasteurized.

Also, if you are interested in the purchase of cows to start a herd or add to your present herd, come in and see us. Ample financial support can be obtained for this purpose.

AND LAST —

But Not Least —

We want to wish you one and all a

ABOUT SOLDIER BOYS

Word has been received from Stanley "Smoky" Murphy, that he is now stationed at Denver, Colo.

Ervin Draper, U. S. N., who is stationed at Pocatello, where he is receiving radio technical training, arrived home Sunday to spend the Christmas leave with his parents, Mr. and Mrs. Robt. Draper.

Ervin says he likes the navy and, as there are only about 150 men stationed there, is getting to know most of them. Ervin also says the training is intensive, but interesting. He has 30 days yet to go on this course before being transferred to another base for advanced schooling. Ervin further says the "Home Town Squeeze" hits the spot, for it enables him to keep up on local happenings.

From Camp Rucker, Alabama, Joe Forest sends a Christmas card with the following appropriate message: "When I wish you joy this Christmas Here's what I'm thinking: The joy of home and country And the flag we love; Fellowship and freedom, And the joy of friendship too — These are the joys of greatest worth, And I wish them all for you."

Dear McCrearys:

Just a few lines to thank you for the paper, and to let you know that I receive it O. K. I surely enjoy every copy, as I like to know what everyone is doing up there, especially at Juliaetta, as that is my home.

I like the navy fine, and think it is the best branch of the service. Thanks again for the paper.

Sincerely,
Christian A. Weber, U. S. N.

Dear Friends:

Just a line on this Christmas card to wish you all a Merry Christmas and a Happy New Year.

Lester Slead

Bud Gephart arrived home Tuesday afternoon from Camp Roberts, Calif., to spend a few days on a Christmas furlough. Bud has put on weight and looks every inch the soldier. He has also "won his spurs" as a rifle shot, wearing the badge of an expert marksman.

He left Wednesday evening for Spokane to spend a few days with his sister before reporting back to Camp Roberts.

Since Tom and Ralph Blevins are well known here, we think it more than worth-while to publish the following letter:

Dec. 15, 1942

Hello Mac:

Am enclosing check for paper. Thanks for sending it. I send it on to Ralph in Australia, and he says he sure is glad to get it.

Thomas is in the Air Corps. He was home in October, but is now located somewhere over-seas. We haven't heard from him since he went back. He went to San Francisco from Pendleton Field in a bomber, with a pilot he knew.

Well, I hope everybody is fine in Kendrick. We are enjoying fine weather here.

As ever
T. C. Blevins.

Note to boys in the service: We have been having considerable trouble lately with incorrect or incomplete address, and we again ask the boys in the service to please advise us immediately of any change of address, being careful to write the same plainly and correctly.

Funeral Services For Chas. Lackey Charles Edward Lackey was born in Venita, Oklahoma, October 10, 1892, and departed from this life December 13, 1942, at the St. Joseph's hospital, Lewiston, Idaho, at the age of 50 years, two months and three days.

When a small boy he came west to Boise, Idaho, with his parents, the journey being made by team and covered wagon. A little later the family moved to Starbuck, Wash. When he was 13 the family moved back to Idaho, where he lived until his death.

He was married to Patsie Patty, July 26, 1914, and to this union two children were born: Josephine Noble, who passed away January 5, 1941, and Edgar Lackey, who is stationed at Fort Lewis, Washington.

For a number of years Charlie, as he was known to all his friends, operated a farm near Cavendish, Idaho. The family moved to Juliaetta 12 years ago, where they operated a service station until the time of his death. During this time he also carried mail out of Ahsakka to Dent, in Juliaetta, and from Kendrick to Cavendish.

He leaves to mourn their loss his wife, a son, Edgar, and many other relatives and friends. He was a faithful and loyal husband and father, and loved to see his family happy. He was a highly respected friend and neighbor, for he treated all men honestly and fairly, believing in the Golden Rule: "Do unto others as you would have them do unto you."

Funeral services were held from the United Bretheran church at 1:30 P. M., Wednesday, December 16, with Revs. Earl Gaskill and Freland Whybark officiating. Interment was made in the Juliaetta cemetery.

Mr. and Mrs. John Freshbee sang "The Old Rugged Cross," "Looking This Way" and "At The Gates of Gold."

Fall bearers were Ben Weatherby, Marion Hanks, Ira Fix, Herb Millard, Walter Cochran and Eugene Taylor.

"War Babies" Can Enroll

Falling in line with recommendations of the National Education Association and the Association of American Colleges, the University of Idaho announces a war-time lowering of its entrance requirements for the benefit of "war babies" — a nickname applied to the 17-year-olds just under the draft age.

Beginning with the second semester, February 5, 1943, and continuing for the duration, President Harrison C. Dale announces the University of Idaho will admit as freshmen, both boys and girls with the following qualifications: (1) completion of the junior year in high school, (2) attainment of the age of 17 years, and (3) ranking in the upper three-fourths of their class.

Under this new nation-wide policy 17-year-olds will receive many advantages. President Dale emphasizes. They may enter the Navy V programs of college training, thereby finishing two years of college work before being called to active duty. All boys now will be able to get a year of college training, including military, before the draft calls them, thus better qualifying them for an army officers' candidate school.

President Dale also indicates that arrangements are pending whereby students admitted on the above basis will receive their high school diplomas at the end of their first year at the university.

Girl Scout News

The Kendrick Troop Girl Scouts and their leader, Mrs. Marvin Long, met last Thursday in the Methodist church basement. Games were played and a "Victory Hunt" for the collection of books, games and old silk hosiery held. They received 19 books, seven games and puzzles and three sacks of old silk hosiery.

Of the Christmas money made by the sale of Christmas cards \$5.00 will be given to the China relief and \$5.00 to the Greek relief. They are also sending the Children's Home at Lewiston ten scrap books and nine doll beds, complete with dolls and covers.

Games were also played and light refreshments of cake, jello and cocoa served.

Austrian Peas

A total request for 30,000 acres of Austrian peas in 1943 has been made in Idaho. This means that the government will support the price on Austrian peas from the above number of acres. This will probably mean an allotment of these peas in Latah county.
