VOLUME 53

KENDRICK, LATAH COUNTY, IDAHO, THURSDAY, JANUARY 14, 1943

NO. 2

KENDRICK LOCALS AND PERSONALS TWENTY YEARS AGO

At the close of business Dec. 29, 1922, the two Kendrick banks showed combined deposits of \$338,851.80. Work on the new road between Kendrick and Juliaetta was started by the contractors Monday afternoon and is expected to extend two miles beyond the Hamill hill. The contractors believe that with any kind of favorable weather work can be completed by the first of March after which crushed rock surface will be put on...The Powell hill grade, which was partially finished last summer, will be widened six feet and the dirt excavated will be used to fill at each end of the grade.

L. E. Brooks, deputy game warden, was in Kendrick Wednesday. He was called here by the highway department to dynamite a beaver dam between Kendrick and Juliaetta. The dam caused the water from the creek to overflow the road. It is said that if the dam is dynamited the beaver will hunt a new location.

Newly elected officers of Kendrick Lodge No. 37, I. O. O. F., were installed Saturday evening for the ensuing year, by N. E. Walker, deputy grand master, acting as installing officer. The following took the oath of office: John A. Kite, noble grand; J. G. Gardner, vice; T. H. Sturdevant, recording secretary; G. F. Walker, financial secretary; N. Brocke, treasurer; N. L. Hill, R. S. N. G.; A. D. Ozmun, L. S. N. G.; L. E. Ozmun, warden; Harry Fowler, conductor; L. E. Bradshaw, outside guard; A. L. Daniel, inside guardian; E. A. Deobald, left scene supporter; C. G. Compton, right scene supporter.

Mr. and Mrs. Claud Craig returned Thursday morning from a trip to Lewiston.

Leslie LaBolle, son of Frank LaBolle, arrived recently from Canada for a visit with relatives and friends.

J. M. Woodward of Lewland was transacting business in Lewiston the first of the week.

Ben Callison of American ridge went to Hayden Lake Wednesday to look after property interests.

Mrs. Stuart Compton and two children arrived Friday from Orofino for a visit in the home of her parents, Mr. and Mrs. N. E. Ware, on Big Bear ridge.

Harold Thomas and Ray Snyder recently developed a solder in the Kendrick Hardware workshop that will solder aluminum. The solder is a composition of metals and apparently does the work. Several samples of the work are on display in the hardware.

Archie May, commissioner of the Potlatch Highway district, was in Lewiston the first of the week on road business.

The following trustees were elected Tuesday by the stockholders of the Fraternal Temple company: N. Brocke, M. O. Raby, N. E. Walker, W. M. McCrea and S. P. Callison.

Signs of Spring—Mesdames Rogers, Erickson, Kight, W. Thomas and MacPherson donned their hiking suits and boarded the afternoon train for Juliaetta, last Thursday, intending to walk back to Kendrick that evening.

Cameron News—Miss Hannah Hartung left for Seattle Monday morning. Albert Brammer and George Larson returned to Wallace Monday, where they are working in the mines. Herman Meyer and Chas. Harris were hosts at a 7 o'clock chicken dinner Saturday evening. Those present were Gus Blum, Otto Siffow and August Brammer. Mrs. Chas. Thornton of Spokane is visiting in the Brunseik home. Mrs. Thornton and Mrs. Brunseik are sisters. Rev. and Mrs. Rein entertained Friday evening for Mr. and Mrs. Fred Kruger, Otto Siffow, Henry Wendt, Wanda Brunseik, August Brammer, Minnie Blum and Walter Siffow.

Fairview Items—Mrs. McCall and Mrs. Virgil Flesham were Leland visitors Thursday. Mr. and Mrs. Herman Wolf were Sunday dinner guests in the Wm. Behrens home in Leland. Mrs. Mary McCall and two sons were dinner guests Sunday in the James Helton home. T. J. Flesham is spending several days in Lewiston. Mr. and Mrs. Wm. Wolf and son were Lewiston visitors the first of the week. Several of the farmers are taking advantage of the mild weather and are getting their spring plowing done. Miss Olga Wolff spent the week-end visiting in the home of Mr. and Mrs. Otto Schupfer at Juliaetta, returning to her home in Spokane Sunday. Walter McCall returned home Monday after spending the past week at Kooskia and Peck, visiting.

Southwick News—The John Lind family of Teakcan were Southwick visitors Wednesday of last week. Weyne Weyen and family passed through Southwick Tuesday of last week enroute to their home at Gold Hill, after having spent the New Year's holiday in the Fred Weyen home. Mr. and Mrs. C. A. Cuddy were host and hostess at a dinner party on Tuesday of last week for the following guests: Mr. and Mrs. L. J. Southwick, Mr. and Mrs. Howard Southwick, Grandma Thornton, Miss Alma Holmes, Miss Leora Thornton and John Birkemo. W. Thornton and Cameron Thursday. R. Smith went to business. Harvest day morning. Mrs. Frank Triplett returned from Lewiston Thursday morning. Mrs. Frank Scuders was a passenger to Lewiston last Thursday morning. Mr. and Mrs. Gordon Harris and family were dinner guests in the John Lettenmaier home Sunday. Mr. and Mrs. Nels Longteig spent Sunday

Oversubscribe Quota

Final Treasury department figures received this week show that Idaho exceeded her December War Bond quota of \$2,000,000 by \$254,000. December sales of Series "E" bonds only reaching the total of \$2,254,000.

While complete figures are not yet available, the Treasury department bulletins indicate that the state of Idaho closed the year of 1942 by accomplishing 101 per cent of the quota established for her by the Treasury department for that period.

MEETING OF CLUB PROVES BRIEF BUT INTERESTING

The regular meeting of the Kendrick Commercial club was held on Monday evening of this week, with 21 members present. And, following the reading of the Minutes of the previous meeting an allowance of bills, the regular business was taken up.

Wade Keene, reporting for the Agricultural committee stated that farm crops were standing the cold nicely, all being covered by a light blanket of snow. He also reported that storage space in local warehouses was being slowly but surely emptied, and that prospects for ample storage room for the 1943 crop were in prospect. In fact, more room would be available than for a number of years past.

Frank Harris of the Industrial committee reported a fine growth of business in the New Creamery. Mr. Harris said that if the present rate of increase continued it would not be long until that local concern would be paying out \$10,000.00 per month for butterfat, milk, eggs, etc. This is indeed a fine growth.

R. L. Blewett, reporting for the Civic Improvements committee reported that an effort would be made to provide more recreation facilities and sports for the coming year. He also reported that the proposed bridge across the Potlatch appeared to be "out for the duration."

R. H. Ramey of the Entertainment committee thanked the school Glee club for their entertainment during the previous meeting, and Mr. Stroh, their instructor, for providing and arranging the program.

L. W. Mason of the Educational committee reported work at school progressing smoothly. He announced the basketball game of Tuesday evening with Moscow, here, and the one with Culesac Friday of this week (also here). Mr. Mason also stated that the outside districts had made pro-rata payment arrangements for keeping the Hot Lunch program going, and that it would not be discontinued in Kendrick. Ten outside districts, whose pupils attend school locally are contributing.

Mr. Stroh, music director in our schools, announced that the Boys' Glee club was studying two-part songs, and would appear at the next club meeting.

Geo. Brocke reported that Tuesday of this week was "M" day, and that a farmers meeting was scheduled for the gymnasium Tuesday of this week at 1:00 p. m. At this meeting farm problems of all kinds were to be discussed, such as the rationing of farm machinery, repairs, etc. Included also was to be a discussion of war and non-war crops, the labor situation for farmers, etc. Among the big problems was the requirement that 90 per cent of all 1941 acreage must be in war crops. Since these crops include beans, peas, etc., which require large labor activity, the problem raised will be an acute one. Another serious problem is the "queer gasoline distribution" shown in O. D. T. permits, such as allowing a farmer a 100 gallons for a winter quarter and 30 gallons for the harvest quarter. These must be corrected. George also said that an effort would be made to list all business men as a labor pool to help farmers whenever possible during haying and harvesting periods.

Mr. Brocke also said that the new farm school to be opened soon would emphasize such apparently trivial but really important matters as the sharpening of harrow teeth, re-setting of spring-tooth harrows, etc., in order that all farm equipment might be at its best efficiency.

Marvin Long of the Fish and Game committee reported birds doing nicely so far.

R. L. Blewett reported for the special committee from the club which visited the City Council on the matter of roping off streets for coasting. The Council was willing to help and furnish police protection, but the state highway department refused to permit the closing of the state highway — so the youngsters will have to use the "short hill" between the Keene and Jump residences.

Big Difference in Twenty Years

In this week's issue of the Gazette appears the regular quarterly statement of the Farmers Bank, of Kendrick, Idaho, as at the close of business December 31st, 1942.

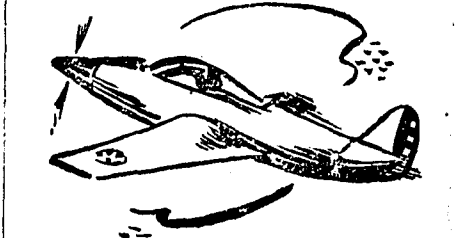

We have pried into all the available records, and as near as we can ascertain the deposits in this report show the greatest total ever recorded in Kendrick — \$630,767.69! This total reflects the steady growth of the bank under its present management and ownership, and all are certainly to be congratulated on the success being made of that institution.

The Twenty Year Age files show, at the close of business December 29, 1922, that the two Kendrick banks had combined deposits of \$338,851.80.

The latest quarterly statement certainly far overshadows that of 20 years ago.

What You Buy With WAR BONDS

The Army's fighter planes are the finest in the world and develop speeds up to 400 miles an hour. They cost approximately \$100,000 each, provide fighter escorts for the huge flying fortresses, and combine speed, range, altitude and blistering fire power.

America's plane production plants are working over-time turning out thousands of these fighter planes. War Savings Bonds will help pay for them and the American people are committed to at least ten percent of their income to finance their part in War Bonds. Every American, buying his share every day, will make it comparatively easy to supply our army and navy air corps with these supreme Eagles of the air.

DOINGS OF INTEREST IN THE KENDRICK PUBLIC SCHOOL

Grade News

Miss Holt has reported the sad news that the gold fish in the first and second grade room has died.

The third and fourth grade pupils have been doing some hand drawing and are decorating their room with Brownies and Snowmen.

The fifth and sixth grades are taking their quizzes this week. Those absent from these grades this week were Patty and Raymond Mattoon, Frank Dammarell, Anita Johnson and Patty Brocke. It is the first time this year that Patty Brocke has missed.

The seventh and eighth graders have been playing volleyball and basketball every day from 2:45 to 3:15. They will be having some games later.

High School News

The Physics class has been studying steam and gasoline engines, and heat and refrigeration.

A new course is being offered the Freshmen and Sophomores, "Social Life and Personality." It is being taught by Mr. Kelly.

The U. S. History class is studying the World War.

The Geometry class is studying circles, chords and arcs.

The Biology class is studying the functions of leaves, stems and roots.

English I has started grammar again after studying literature for the past nine weeks.

Tuesday afternoon of this week the band gave a short concert for the "M" Day gathering of farmers in the gymnasium.

We sincerely wish to thank Mrs. Walter Benscoter for the donation of a sack of carrots and a sack of onions to our hot lunch program. They are going to prove might welcome additions to our diet.

Sports News

The basketball team is rapidly assuming mid-season form and have a fine string of victories on their record.

However, Tuesday evening of this week they dropped a game to the Moscow A string by just two points, the final score being 25 to 23. The Moscow team, however, is an "A" class school, and we do not feel too badly about it.

The same evening the Moscow "B" squad defeated our "B" squad 34 to 19.

Features

Was it a bird? Was it a butterfly? Was it "Superman"? — No, it was an airplane. The first period on Tuesday, January 5, the studies (and sleep!) of the students of H. S. were rudely interrupted by the unusual behavior of a green and yellow, low-winged monoplane. It descended through the fog and thrilled the usually calm (ha, ha) student body by circling the building several times. By the time everyone was through craning his neck out an open window or had rushed outside, the airplane had disappeared from sight. All rumors concerning an air raid were proven false.

Classification Cards Necessary

Any registrant not having in his possession DSS Form 57, Notice of Classification, after February 1, is subject to arrest and prosecution, under the penal clauses of the Selective Service Act. This is a new requirement, and this card must be held by the registrant at all times, in addition to the Certificate of Registration, DSS Form No. 2.

Registrants who have been suspected of delinquency, or who have been delinquent, because of failure to report for physical examination, or failure to report for induction, or who have failed to comply with the local board's request in any particular, should immediately contact their local boards and remove such delinquency.

February 1 is the deadline for removing delinquency, and after that date the FBI and the Department of Justice, will begin investigations, arrests and prosecution for violation of the Selective Training and Service Act.

What You Buy With WAR BONDS

Barbed wire used by Uncle Sam's fighting forces is vastly different from that used on American farms. Army and Marine barbed wire is much heavier and the barbs, about three inches in length, are more vicious than ordinary barbed wire.

The Marine Corps pays fifty cents for each twelve yards, or 36 feet of this specially manufactured barbed wire. The Army and Marine Corps needs thousands upon thousands of feet for defensive warfare. Your purchase of War Bonds and Stamps will insure sufficient quantity for their needs. Invest at least ten percent of your wages in War Bonds every day.

HEIMGARTNER-SIFFLOW NUP-TIALS SOLEMNIZED SUNDAY

Miss Mildred Heimgartner, daughter of Mr. and Mrs. Ernest Heimgartner of Cameron, became the bride of Harold Siffow, son of Mr. and Mrs. Fred Siffow, also of Cameron, Sunday afternoon, January 10, at 2 o'clock, at a beautiful candle-light service performed at the Cameron Lutheran church by the Rev. Theo Meske, pastor.

Nuptial music, "I Love You Truly," and "Because" was sung by Roy Ramey of Kendrick, accompanied by Mrs. Ramey. This was followed by the wedding march, played by Mrs. Theo Meske.

Mr. Heimgartner gave his daughter in marriage in the impressive double-ring ceremony.

The bride wore a white princess style satin gown with finger-tip veil and carried a colonial shower bouquet of bridal roses and sweet peas. Her maid of honor, Miss Irene Heimgartner, sister of the bride, wore a pale blue taffeta gown. The bridesmaids, Miss Marjorie Wendt and Miss Ida Siffow, wore pink and green taffeta gowns. All carried colonial bouquets.

The groom's attendant was Walter Siffow, best man. Roy Siffow and Harry Wegner acted as ushers.

A reception was held immediately following the ceremony at the Cameron Ladies Aid hall, where ice cream and wedding cake were served to 85 relatives and friends of the bride and groom.

After a brief honeymoon trip Mr. and Mrs. Siffow will make their home near Leland, where the groom is farming. Everyone wishes them happiness and prosperity.

Watch What You Say

On battle fronts every day men risk their lives to discover the location and strength of the military units of the enemy. Yet at home, too many of us are presenting the enemy with information of the same military value, the Office of Censorship says in a statement.

This is the information which newspapers and individuals are asked not to tell the enemy:

Do not tell the names of ships upon which sailors serve.

Do not tell the troop units in which soldiers serve overseas.

There is no objection to revealing that Pvt. John Q. Public is in Australia, or that Seaman Tom Brown saw action in the Atlantic, but there is military information which endangers the lives of American fighting men in stating that Pvt. John Q. Public "Company C, 600th Infantry," is in Australia, or Seaman Tom Brown, "aboard the U. S. S. Wisconsin," is in the Atlantic.

The Office of Censorship says: "We ask editors not to publish these troop identifications, and we ask parents and relatives not to reveal them. Don't give the enemy anything that may lengthen the war!"

D. A. Bishop Passes Away

David A. Bishop, 83, resident of Juliaetta for the past 16 years, died at his home there Friday morning, January 8, after an illness of three months.

He was born at Tree Castle, Ontario, Canada, coming to the United States 43 years ago. He was a member of the Church of God.

Survivors are his wife and four children, Alfred Bishop, residing in California; George Bishop, Portland, Oregon; Roy Bishop, LaCrosse, Wn.; Mrs. Annette Badgley, Puyallup, Wn.

Funeral services were conducted Tuesday of this week at 10:30 a. m. from the Methodist church in Juliaetta, the Rev. William Kole officiating.

Interment was in the Asotin cemetery.

Drive Yields 37 Books

The Victory Book drive, conducted by the Girl Scouts, proved quite a success.

Their leader, Mrs. Marvin Long, reports the girls gathered 37 books in about three weeks, which were delivered to the Red Cross this week.

Appointed State Patrolman

Among the new appointments announced last week-end by Gov. C. A. Bottolfsen, was the appointment of Ingvald Aas of Moscow, as a member of the Idaho State Police.

As we understand it Ingvald replaces John Kinsella, Chase Clark appointee in the Moscow district.

Ingvald has had many years of law enforcement experience in the sheriff's office at Moscow, and there is no doubt but what he will make good in his new position.

WHAT'S GOING ON IN THE LELAND COMMUNITY

The Homemakers club will meet next Wednesday with Mrs. Jesse Hoffman for an all day meeting. Officers for the year will be installed and projects decided on. The project leader, Mrs. Jesse Hoffman, is arranging for some kind of work and women are asked to bring needles and thimbles. The meeting will also be in the nature of a shower of canned fruit and vegetables for the school lunch project. Mr. Cridlebaugh advises that cherries and tomatoes have been received in sufficient quantity and that peas and string beans are especially needed. The club is sponsoring a pinochle party at the school house Friday evening, January 22. Prizes will be awarded and refreshments served. The proceeds will be applied to the school lunch project. The public is invited to attend.

Ervin Draper, naval reserve, has completed his technical course at Weiser, and is home on furlough awaiting further instructions.

Burton and Boyd Harrison of Lewiston came last Thursday to spend a few days with their grandparents. Friday they accompanied Mr. and Mrs. Harrison to Weippe, where they spent the day with Mrs. Harrison's sister, Mrs. N. R. Hill and family. Mr. and Mrs. Harrison took them back to Lewiston Saturday, where Burton took an examination preliminary to entering the Marine Corps.

Mr. and Mrs. Donald Morgan were guests in the Chas. Hoffman home Sunday.

Mr. and Mrs. Roy Craig entertained Mr. and Mrs. Wilbur Arkill and family at dinner Sunday.

Mr. and Mrs. Weyne Weyen were in Moscow last Thursday visiting Mrs. Weyen's sister, Mrs. Mel Olson.

Mr. and Mrs. Claude Cook and son of Lewiston spent Sunday in the home of his mother, Mrs. Emma Cook.

Mrs. Herman Johnson spent Saturday with Mrs. Marvin Vincent.

Mrs. E. Heinrich and son Herman were visitors in the home of Mr. and Mrs. Alex Larson, Monday.

Neal Craig was absent from school a few days last week with a badly sprained ankle, sustained while playing basketball.

O. A. Walker and Harry Smith were Orofino visitors Monday.

Mr. and Mrs. A. G. Peters spent Sunday afternoon in Kendrick with their daughters, Mrs. Raymond Hudson and Miss Irene Peters.

Mrs. Weyne Weyen and grand-daughter, Kay, visited Mrs. Oral Craig last Wednesday afternoon. Kay remained over-night.

Mr. and Mrs. Roy Blankenship visited in Moscow with their son and daughter-in-law, Mr. and Mrs. John Blankenship, Friday and Saturday.

Pearl Hazeltine's brother, Ross Hazeltine, who is on furlough, is visiting in the Hazeltine home.

Mr. and Mrs. G. O. Peters were supper guests of Mr. and Mrs. Herman Johnson, Sunday evening.

Mr. and Mrs. Orval Walker and sons and Lawrence Larson, who have been residing at Bayview, are spending a few days with Mr. and Mrs. O. A. Walker. They have completed their work at Bayview and plan to reside in Lewiston.

Oral Craig came over from Craigmont Monday evening. He delivered hogs to a Lewiston market Tuesday.

Weyne Weyen and Billy Weyen were business visitors in Moscow on Monday.

Word has been received of the birth of a son to Mr. and Mrs. Elvin Salisbury of Poulsville, Wash. He has been named Gerald Allen.

A. R. Locke, Alfred, Warren and Evelyn Locke, Mr. and Mrs. Weyne Weyen, Herman Johnson and Marvin Vincent were among the Lewiston visitors Saturday.

Mr. and Mrs. L. Wolff and Mrs. Walter Siffow were Lewiston visitors Monday.

Angus Fry and Joe Niklosky were over-night guests in the Jesse Thornton home Saturday night.

Mrs. Harold Parks, Mrs. Roy Craig and Mrs. Robt. Draper held a committee meeting last Friday afternoon in the Draper home.

Mrs. Oral Craig and sons went to Lewiston Tuesday to visit her mother and brother.

Mr. and Mrs. Homer Parks and family were guests of Mr. and Mrs. Harold Parks at dinner Sunday.

Need Filled Stamp Books

During January the Idaho War Savings Staff is concentrating its promotional efforts towards one goal, the completion of the 400,000 partly filled war stamp albums estimated to be in the hands of the people of Idaho, and the conversion of these 400,000 stamp albums into Bonds.

Parents Of Son

Mr. and Mrs. Roy Jump are the parents of a bouncing baby boy, born to them Tuesday, January 12, at the C. H. Davidson home, weight 8 1/2 pounds.

Mother and son are doing nicely.

POINT RATIONING SYSTEM TO COME EARLY THIS YEAR

American armed forces fight on the battle fronts of the world. They and our allies must have more and more supplies, food and ammunition. They come first. This means but one thing—we must get along on less.

To insure a fair distribution of scarce goods, to prevent hoarding and to encourage economy in the use of consumer goods there is only one answer—more rationing.

Consumers are already familiar with straight coupon rationing used for the distribution of sugar and coffee. The single coupon for a given item such as a pound of coffee or three pounds of sugar works perfectly since there are no substitutes. Thus the government will continue to use straight coupon rationing for sugar and coffee. And other commodities of the same type may be added under this method.

A new system of rationing, "Point Rationing," will be introduced early in 1943. War Ration Book No. 2 will be issued to all consumers and will be used for new rationing programs which may become necessary. Coupons from this book will be used to secure goods rationed under the point system.

This new book will contain four pages of blue stamps and four pages of red stamps. Each color will be used for a different group of commodities — say blue stamps for cereals and red for meats. Each page contains 24 stamps, lettered and numbered. The letters will be used for the purpose of designating the ration periods, and the numbers indicate the point value of the stamps. These stamps have absolutely no monetary value and are not related in any way to the monetary value of the commodities purchased. They have point value only and are used to match the point values assigned to rationed commodities.

How It Will Work

Now suppose the government decides that it is necessary to ration a group of similar and related commodities which can be substituted for one another in actual use.

Solely for the purpose of illustration, let us take cereals — oatmeal, cornmeal, coniflakes, wheatflakes, branflakes and grits. These are related and interchangeable commodities. Under the new point system these commodities would be grouped and rationed together and the point coupons used in their purchase.

Suppose the supply of coniflakes is about as plentiful as usual; the supply of wheatflakes a little less than usual; oatmeal quite a bit more scarce than usual; grits much scarcer than usual; and branflakes very scarce, hardly available at all.

Based on these varying supplies of cereals to be rationed the government would assign point-values to them somewhat as follows:

| | |
|-------------|-----------|
| Cornflakes | 1 point |
| Wheatflakes | 2 points |
| Oatmeal | 4 points |
| Grits | 8 points |
| Branflakes | 11 points |

And suppose each individual's share of the commodities in this group is set at 48 points per month, and the government said the blue stamps in War Ration Book No. 2 were to be used for these commodities.

The stamps that would be used when buying the commodities in this group would be the blue stamps, and for the first month you would use the A, B and C blue stamps.

The blue A, B and C stamps together total 48 points, your ration for the first month.

When you buy any of the items, you must surrender to the storekeeper enough point stamps to cover the point-value of the item or items.

For example: If you want to buy coniflakes, which has a value of one point, you give the storekeeper one of the blue stamps which has a denomination of one point (stamp A-1, B-1 or C-1).

To buy oatmeal, which has a point-value of 4, you give the storekeeper two blue 2-point stamps or a 2-cent stamp and two 1-point stamps, etc.

In other words, the ration commodities have certain point values assigned to them by the government, based on the supply available. High point value or scarce items will encourage the purchase of the plentiful items with low point value. You have 48 points in your ration book for use in the purchase of cereals for a given month. You can use them to purchase any of the cereals you prefer but you must give your merchant stamps equal in value to the point values assigned to the different cereals. When you have used your 48 points you will be unable to purchase any more cereals until the next ration period. Stamps unused during a given period are not good in the following period.

Suppers Broken Ankle

Chas. Hicks, cattle buyer from Juliaetta suffered a badly broken leg Tuesday, when he and a bull he was helping to handle collided, both bones being broken just above the ankle joint.

Chas. was rushed to Kendrick by Bob Hutton and Bruce Sherman, where the leg was set by Dr. Christensen.

Charley will probably be laid up for some weeks.

Class Of Instruction

There will be a class of instruction on surgical dressing Saturday, from 9:30 a. m. to 4:00 p. m. at the Moscow Red Cross room. Anyone able to go is urged to take advantage of this class.

Costly
Wars were just as deadly in Hannibal's or Julius Caesar's time as today. But they were not so costly. It has been estimated the cost of killing an enemy soldier was 75 cents in Caesar's day; during the Thirty Years war which ended in 1848 it had risen to \$50; and in the American Civil War the expense was \$5,000 a man.
But so vastly had the gentle art of wholesale slaughter changed in half a century that by the time of the first World War cost of killing one man was \$50,000. An experience during the first few months of the present conflict indicates that the governments involved have to lay down the staggering sum of \$125,000 for each dead combatant!

STONY POINT VICINITY

Mr. and Mrs. George Coffland and children were here Sunday from Culesac, visiting relatives. They, with Mrs. Ernest Steigers and children were Sunday dinner guests in the Lloyd Brown home.
Sunday the men of the community went coyote hunting. They did not even see one. Maybe the coyotes "rubbered" on the phone line.
Monday morning as the Stony Point school bus was making its usual run on the lower point of Potlatch ridge it encountered icy roads, skidded and tipped over on one side. The bus was damaged slightly, and the driver, only occupant at the time, was unhurt.
Recently Donald Heath received a sharp shooters badge, which brought to six the number of boys from our community who have received them—Donald Heath, Johnny Maund, Harold Glenn, Wayne Heimgartner, Earle Heimgartner and Loren Holington. Perhaps others have received these badges, but we have not heard of it.
Quite a number of friends and relatives from this community attended the wedding of Miss Mildred Heimgartner and Harold Silflow at Cameron last Sunday.
Residents of Bed Rock creek surprised Al Johnston with a birthday party one day last week.
A load of sand has been applied to the icy strip of road at the head of the Hubbard Gulch grade. It helps a lot.

"PINE CREEK GOSSIP"

Artalee Bailey is visiting in Boise this week.
Mr. and Mrs. John DeHaven have moved onto the Jack Bailey place.

ICTORY

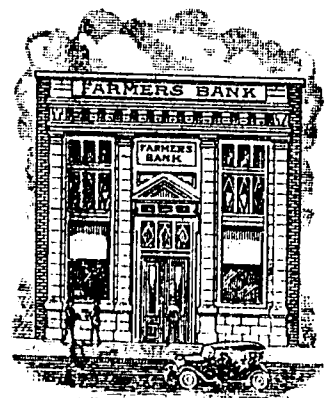

In the forests of North Idaho thousands of men are felling the giant trees that will make food available to our fighting men and to the peoples of our allies . . . since those trees will in large part be manufactured into the boxes and crates necessary to transport foodstuffs, as well as munitions, supplies and repair parts for tanks, planes, etc., to the war's multiple battlefronts.

TIMBER IS A CROP! The harvest—today—is **ARTICLES OF WAR**—ships, planes, tanks, barracks, boxes, crates

THE HARVEST—tomorrow—will once again be homes, and this company, working on a never-ending cutting cycle, made possible by correct forest practices, will then as now serve the people of America.

Double Feature At Theatre
This week's offering at the local theatre will again be a double feature.

Following the cartoon a Jane Withers feature entitled "Young America" will be offered. This is a "down on the farm" picture and is sure to prove of interest to all of that profession.

The second offering of the evening stars Charlie Chan (Sidney Toler) in "Castle in the Desert," a spine-tingling mystery thriller, put over in real Charlie Chan style. Poison, medieval cross-bows and mysteries galore fill this one.

EMPLOYER IS REQUIRED TO KEEP VICTORY TAX RECORD

Beginning January 1, 1943, every employer is required to withhold, collect and pay upon all wages and other remuneration of every employee (except for agricultural labor, domestic and casual labor not in the course of the employer's trade or business; and all men and women in the armed forces of the United States) a tax of 5 per cent of the excess of each payment of such wages over the withholding deduction allowable.

The withholding deduction of \$624 for the year and corresponding amounts depending upon the payroll period by which the employee is paid. Thus, on a weekly payroll period, the withholding deduction is \$12, on a semi-monthly payroll period, the withholding deduction is \$26, and on a monthly payroll period, the withholding deduction is \$52.00.

For example, if the payroll period is on a weekly basis, the 5 per cent is deducted from all earnings in excess of \$12. If on a semi-monthly basis, the 5 per cent is deducted from all earnings in excess of \$26. If on a monthly basis, the 5 per cent is deducted from all earnings in excess of \$52. The tax so withheld is placed in a separate fund and remitted to the Collector of Internal Revenue quarterly. Tax forms V-1 will be furnished all taxpayers for that purpose. The first tax return will be for the months of January, February and March, and must be filed not later than April 30, 1943.

The Victory Tax is a new tax authorized by Congress and is entirely distinct and separate from the regular Income tax. This new tax is very broad as it not only takes in all employees now covered by the Social Security act, but also includes the employees of all federal agencies, state, county, and municipal governments and instrumentalities thereof. It also includes religious, charitable and educational institutions, and also employees of corporations which have been exempt from filing income tax returns.

As stated above, the only exceptions to the Withholding Tax are agricultural labor, domestic services, casual labor, and men and women in the armed forces of the United States. The Withholding Tax applies to all services and salaries paid after January 1, 1943, although part of such wages might have been earned in December of 1942.

The Bureau of Internal Revenue has given the withholding agent the option of withholding straight 5 per cent of the amounts paid in excess of the payroll amounts mentioned above, or to use the table of deductions which will be furnished by the collector on request.

If the services of the employee are terminated before December 31, 1943, the employer must give the employee a written statement showing the amount of wages received, and the tax that has been deducted, and then during the month of January, 1944, the employer must give each employee the same written statement showing the total wages and tax deducted for the calendar year 1943. This form of statement is known as Form V-2 and is also subject to requisition.

Liability of the Employer—Every employer required to withhold Victory Tax is made liable for the payment of the tax required to be withheld, and is relieved of liability to any other person for the amount of such payment.

Records to Be Kept—Every employer required to withhold tax is further required to keep such records as to render under oath such statements as the Commissioner of Internal Revenue may require under regulations prescribed by him with the approval of the Secretary of the Treasury. No form of records to be maintained by the employer has been prescribed, nor is it contemplated that any particular form of record will be prescribed.

This office has prepared a list of employers now coming under the Social Security Act, as well as a tentative list of other employers who will come under the Victory Withholding Tax. General information regarding this tax is now being mailed out and we respectfully ask those employers who do not receive such information to request it from the office of the Bureau of Internal Revenue, U. S. Treasury Department, John R. Viley, Collector, Boise.

PERSONAL MENTION

Mrs. Gust Sjoberg, who has spent the past two weeks in the home of Mrs. Clifford Davidson, returned to her home in Deary on Wednesday.

John Wallace, who is with the U. S. Air Corps, and who has been stationed at St. Maries, was home several days last week-end, visiting his parents, Mr. and Mrs. L. A. Wallace. He left for Pasco on Tuesday, where he will receive further extensive training.

Everett Farrington, accompanied by Mrs. Rose Farrington and son Lloyd, was a Moscow visitor Monday.

Mrs. W. L. McCreary spent from Thursday until Sunday in Spokane visiting with her parents and other relatives.

School Notes
Tommy and Peggy Cox were absent Tuesday of this week.

Priscilla Benscoter celebrated her eighth birthday with a dinner party. Tuesday at noon, while skating, Mary-Beth Benscoter fell and suffered a bad bruise on the forehead. This week's poem was selected as follows:

"Number 13"

Number 13 was an airplane,
Whose nose was painted black.
Among her crew were John and Bill
And Tex and Slim and Jack.

Now they were brave men every one,
Whose hearts were warm and true
And they left one day at the last
of May
For a destination no one knew.

Worthy Matron Visits

Mrs. Vinette Hansen, Worthy Grand Matron, O. E. S., of Idaho, made her official visit to Canyon Chapter, Tuesday, January 12th.

During the afternoon a school of instruction, conducted by Mrs. Hansen, was well attended.

A 6:30 dinner was served in the banquet room to all present.

Chapter convened at the usual hour and at this time installation of the officers took place. Mrs. Hansen acted as the installing officer, assisted by Mrs. Zola Stelman, grand marshal; Mrs. Laura Bristol, grand conductress, and Edward Sanman, Worthy Patron of Laurel Chapter of Lewiston.

Those installed for the Chapter year are: Elective officers — Mrs. Janice Jones, Worthy Matron; Geo. W. McKeever, Worthy Patron; Mrs. Martha Long, Associate Matron; Mrs. Anna Long, Conductress; Mrs. Ruby McKeever, Associate Conductress; Mrs. Eva Keene, treasurer; Mrs. Anne Deobald, secretary.

Appointed officers — Mrs. Bina Raby, chaplain; Mrs. Ella Benscoter, marshal; Mrs. Grace Thomas, organist; Mrs. Mary Ottosen, Adah; Mrs. Emma Davidson, Ruth; Mrs. Fannie B. Greene, Electa; Mrs. Mabel Callison, warder; Mrs. Eva Keene, sentinel.

Mrs. Martha Woody, Martha; and Mrs. Elsie Taylor, Esther, were absent, and will be installed at a later meeting. Refreshments were served after Chapter.

Out of town guests were Mr. and Mrs. Robert Hansen of Winchester; Mr. and Mrs. Edward Sanman, Mrs. Susan Needham, Mrs. Laura Bristol, Mrs. Zola Stelman and Mrs. M. Williams, all of Lewiston.

Pinochle Club

Mr. and Mrs. Frank Abrams entertained the Pinochle club and other friends in their home Thursday evening of last week.

Mrs. Ross Armitage and Billy Weyen held high scores for the evening, while Vera Stewart and Charlie Candler were awarded high guest scores.

Delicious refreshments were served at the close of the evening.

WORD FROM LOCAL MEN IN OUR ARMED FORCES

Loyal V. Weber, son of Mrs. Chas. Weber of Juliaetta, who has been in the air corps, stationed at St. Louis for some time, arrived home Sunday on the noon train, he having been honorably discharged from the service.
He is 43 years of age.

Mrs. Clemenhagen and Mrs. Fairfield received telegrams last week from their sons, Fred Clemenhagen and Roy Fairfield, who are stationed in Australia. Both are O. K.

Camp Maxey, Texas
Jan. 3, 1943

Dear Mac:

I have received two copies of the Gazette and want to say I was certainly glad to get some news from home.

I am in the engineering corps, and have finished four weeks of my eight-weeks' training period. I am in heavy pontoon bridges. So far have had mostly drilling, but the last four weeks we will learn how to construct these bridges.

I haven't seen anyone I know as yet. The weather in Texas is warm, however, the climate varies greatly from one day to the next.

One day it is very warm, and the next day the wind blows and it is plenty chilly. However, it has never frozen since I've been here.

I like Idaho much better, not only in climate, but also the land in general. There isn't even a good-sized knoll here to break the monotony. An Idaho mountain would sure look good.

Thanks again for the paper. I expect to get a furlough in February, so will see you all then.

Sincerely
Gen Newman.

Chico Field, Calif.—Edgar A. Davidson, 24, of Kendrick, who has marine and naval background in his family, has turned to the Air Corps of the army, and has completed basic training at Chico Army Flying school.

Mr. Davidson is a graduate of the Kendrick High school with the class of 1935. He saw service with the Marine Corps in the Philippines from 1937 to 1939, and was in Peking, China, for one year.

His brother, George M. Davidson, is a junior lieutenant in the naval air force. Cadet Davidson received primary training at King City, Calif.

Sheppard Field, Texas — Arnold J. Halseth, son of Mr. and Mrs. Ed. Halseth of Kendrick, Idaho, has graduated from an intensive course in glider mechanics and is now prepared to blast the Axis as one of America's "commandos in coveralls."

Sheppard Field, near Wichita Falls, Texas, is one of the many schools of the Army Air Force Technical Training Command, which trains the specialist technicians to maintain our mighty air armada. He is now eligible to win a rating as a corporal or sergeant and to play a vital role in a new, pioneering branch of the service—gliders.

Before entering the school, he was trained at one of the basic training centers of the Army Air Force Technical Command and learned to fight the Axis with other things besides the tools of his trade.

Mr. and Mrs. E. E. McDowell received a letter from their son, Hugh, who is now stationed in England. He states that some of the fellows surely got sick going across. He does not like the climate there, and the English talk is hard to understand. Further, they love their tea and it is a common sight to see English soldiers carrying tea pots with them, tucked under one arm.

Everett Farrington left Tuesday afternoon for Lewiston, where he is entrained that evening for a Marine Corp camp. He enlisted some time ago, but did not receive his call until this week.

Irvin Draper, U. S. N., is at home on furlough for a few days, after having completed his preliminary training at Focatello. He reports back to Boise, and from that point expects to be sent to Seattle for advanced work.

Cleo Blankenship, U. S. N., has been in town on a short leave, visiting relatives and friends.

Mrs. Chas. Hicks has received a note from her son T. Y. McAllister, that he is O. K., and will write her again as soon as possible.

Dale Miller This Time

Contrary to information given us last week, the flyer doing the stunts a week ago Monday over Kendrick was not Dale Miller — but some navy flyer who was finishing his course. But on Monday of this week Dale did appear over town.

The following letter, written by him that day is self-explanatory:

Monday.
Dear Folks:
Well, I was up there this time, although we couldn't do many maneuvers because the clouds were too low. How did the loop look? I did it myself, and did you see us dive past the house. I saw lots of kids in front of the schoolhouse.
I would have liked to do a slow roll and an Immelman, but he didn't think we should because we were right in the edge of the clouds when I started the loop.
Well, I passed all my exams all right, with about an 85 average. I still have five hours flying left. I hope I will be able to come home before being sent some place else—but of course I don't know.

Well, I guess that's all. I'm sorry I couldn't do more maneuvers, but it would have been dangerous. Had there been more ceiling, I could have.

Yours
Dale.

Note: The 85 grade referred to in the above article was on "Ground School" work, which covers meteorology, aircraft identification, military science, sound and blinker code signaling, navigation, engines and aerodynamics.

TWENTY YEARS AGO

In the Berriman home... W. R. Smith and Miss Daggett returned to their school work at Cavendish Monday. They had a two-weeks vacation. Several of the farmers here on Potlatch ridge are taking advantage of the mild weather to finish their plowing they did not get done earlier in the fall.

Grange To Play Pinochle

The Kendrick Grange will hold another pinochle party Tuesday evening, January 19th, at 8:00 p. m. Guests may be invited if members so wish. Members are also asked to bring a table and cards.

NO ONE KNOWS WHAT 1943 MAY HOLD IN STORE FOR EVERYONE

Perhaps, under rigid gas rationing and mileage control it may bring an easing of the present tire situation, or emergencies may develop causing even more stringent controls — but at any rate, count on us to keep your present tires rolling to their limit, and when you have a tire permit or recap permit, bring it to us. We'll do our best to give you the most suitable tire.

Perhaps parts will be difficult to obtain for your car, truck or tractor, but count on us to do our best to obtain them for you and keep you operating. We advise the best of attention and lubrication for all your equipment.

Be Progressive . . . Buy At Blewett's

This is the time for substitutes on the Grocery Shelf — in the War Plant — on the Farm — But we try our very best to keep standard brands of merchandise on our shelves.

We also try to keep — at all times — a good supply of Vegetables and Citrus Fruits for health foods and to help the housewife plan a balanced menu.

BREAD AND BUTTER . . .

Don't forget that now is the time for home baking. Buy a sack of flour and make bread at home. — Stop and think how good Hot Buns with Kendrick Creamery Butter will taste — Just right!, we would say.

MEATS . . .

Meat is scarce, and hard to obtain — but come in and look at our display case. We think we can serve you with a very nice steak, a roast, or maybe? some Bacon — **WE HOPE!**

NOTICE!

In order to conform to a recent interpretation of our Revenue Laws — the Lewiston Grain Growers may not sell to any bonafide producers.

We have just received a 30-ton car of salt, and two cars of good lump coal will arrive next week at our Juliaetta Station.

We are very sorry that we can only sell to producers, but if you can qualify we will be glad to serve you.
