VOLUME 53

KENDRICK, LATAH, COUNTY, IDAHO, THURSDAY, FEBRUARY 5, 1943

NO. 5

WHAT KENDRICK FOLKS ARE DOING THESE DAYS

Roy Johnson returned home from Headquarters Tuesday, to spend a couple of days here with his family before leaving for Cascade, Idaho, where he will be employed as an instructor in the school there. He received a four-months leave of absence from Potlatch Forests, by whom he has been employed the past several months. Mrs. Johnson and daughter Anita will remain here until February 17, when Sidney and Allan Johnson leave for army duty. After the boys leave they will join Roy at Cascade.

Wade Keene and E. A. Deobald were called to Moscow Monday morning for jury duty. Wade was promptly called on a case, but Eddie was allowed to come home, to return Wednesday morning.

Billy Deobald arrived home Tuesday afternoon from the U. of I. to spend a few days — semester exams offered the opportunity.

Mr. and Mrs. Chas. Greenwood were Moscow business visitors Monday.

Mrs. Fred Crocker was a Lewiston passenger Wednesday.

Mrs. Jack Johnston of Spokane spent the week-end here at the home of her parents, Mr. and Mrs. L. J. Herres.

L. S. Thurber was a week-end business visitor in Spokane.

Mrs. C. S. Westendahl was a Moscow visitor Wednesday.

Thomas McCarthy went to Spokane Monday to visit a few days with friends.

Mrs. Dot Stanton left Tuesday for St. Maries, Ida., to visit for a time with her daughter, Mrs. Dorothy Herres and children.

Mr. and Mrs. Fred Zimmerman of Belmont, Wn. visited in the home of Mr. and Mrs. L. E. Eldridge over the week-end. Mrs. Zimmerman and Mrs. Eldridge are sisters.

Mrs. Emulus Brown spent the first of the week in Lewiston visiting at the home of Mrs. Roy Swanson. Mrs. Swanson returned home with her and spent the night with Mrs. Ivan Craig.

Emulus Brown returned to Portland, Ore., Sunday afternoon, to resume his work at the shipyards.

Mr. and Mrs. Boyd Cook and family of Lenore were guests Sunday in the Paul Lind home.

Mitch Blackburn visited his mother, Mrs. Nancy Blackburn, Tuesday.

Oscar Raby of Clarkston was an over-night guest in the Paul Lind home Tuesday night.

Mr. and Mrs. W. A. Watts were Moscow visitors on Wednesday.

Mrs. Bob Spencer of Coeur d'Alene came down to spend Saturday and Sunday with her mother, Mrs. Estella Leith. Mr. and Mrs. Ig. Flaig were also visitors at the same time.

Hiram Galloway was a passenger for Seattle Friday of last week. He is hoping to get work on the coast.

Mr. and Mrs. Geo. Jones and Geary Anne made a short trip here Wednesday to take Mrs. Tom Keene home with them. She went on to Colfax to spend several days with her husband before he was sent to Dayton.

Among The Sick

Dick Benschoter, son of Mr. and Mrs. Harry Benschoter, has had to miss school, due to a mouth infection following dental work. He was taken to St. Joseph's hospital last Friday, where he spent a day receiving treatment. Last reports are that he is recovering nicely.

Mrs. Howard Hunt was a patient the first part of the week at the home of Mrs. Clifford Davidson.

Rev. Roy Murray is confined to his bed this week, with a case of flu.

Miss Irene Hinkley, Home Economics teacher in the High school, is unable to attend school, due to the mumps. She left for her home in Coeur d'Alene, Monday.

Agnes Baker and Brother Eldon are confined to their home with the measles.

Little Jimmie Mason, son of Mr. and Mrs. L. W. Mason, is ill with the measles.

James Emmett, who has been seriously ill with heart trouble, is reported as showing slight improvement.

Jean Crocker and Vivian Draper joined the increasing list of those who are ill with measles.

Dressing Unit Underway

The Red Cross surgical dressing unit, under the direction of the Mesdames H. Galloway, A. O. Kanik-deberg and Everett Fraser got underway Wednesday of this week.

Tentative plans are to have the room (back of the drug store) open two afternoons of each week, Wednesday and Thursday, beginning at 2:00 p. m.

Those interested in preparing surgical dressings come prepared to work, wearing a wash dress, and the hair must be covered. Necessary equipment is a pair of scissors and a case knife.

The room where the work is to be done was donated by James Emmett.

Installs New Lights

Otto Schupfer has just finished the installation of complete fluorescent lighting system in the Kendrick Table Supply and it has certainly made a vast difference in the appearance of the store.

The big lights, installed in two rows the length of the store, give it the appearance of bright daylight inside, and make clearly discernable all the reading on cans and packages on the shelves.

Mr. Higley is to be congratulated on the improvement.

Groundhog Saw Shadow

Well, if he came out at the proper time Tuesday, Feb. 2 (Groundhog Day) that animal saw his shadow, for between 1:45 and 2:30 the sun shown bright enough to permit that feat.

However, since Tuesday was the warmest day for some time, the thermometer reaching a high of 45 degrees — it may be possible that he will run contrary to form and give us a "break in the weather."

Wade Keene, who generally takes care of matters of this kind, is in Moscow on jury duty — so it's just possible the "varmint" may have postponed his annual "nose poking" until later.

ITEMS OF INTEREST FROM CAMERON SECTION

Private Kenneth Slead returned to Salina, Kansas, Tuesday, having spent his furlough with Mr. and Mrs. A. H. Blum.

Mrs. F. W. Schoeffler visited with her daughters, Mrs. Earl Choate and Mrs. Lewis Choate, in Lewiston, recently.

A. O. Wegner of Pullman was a guest in the Fred Silflow home Friday and Saturday.

The "March of Dimes" card party held Friday evening was well attended and netted \$17.00. High scores were awarded Mrs. Earl Whittinger and August Brammer; low to Mrs. Henry Wendt and Kenneth Wilken; "Galloping Goose" to Earl Whittinger.

Mrs. Charley Hoffman held the high hand of the evening — 1500 trump!

Mr. and Mrs. Edwin Mielke and daughters spent Sunday evening with Mr. and Mrs. George A. Wilken.

Sunday dinner guests of Mr. and Mrs. A. H. Blum were Mr. and Mrs. C. E. Albright and sons of Lewiston, Pvt. Kenneth Slead, Mr. and Mrs. Albert Glenn and son Eldon.

Mr. and Mrs. Wilbert Brunseik and Rev. and Mrs. Theo. Meske and sons. Callers in the evening were Mr. and Mrs. Harold Silflow and Mr. and Mrs. August Brammer and family.

Mr. and Mrs. A. F. Wegner and sons Wayne and Glen were Lewiston visitors Tuesday.

Pvt. Kenneth Slead and Albert Glenn were dinner guests of Frank Wilken on Texas ridge, Monday.

Those present were Mr. and Mrs. Edwin Nelson and son Richard of Kendrick, Mr. and Mrs. O. Wegner of Pullman, Mr. and Mrs. Gus Kruger and daughters, Mr. and Mrs. Walter Koepf and daughters, Mr. and Mrs. Ernest Heimgartner and Ernie, Mr. and Mrs. F. W. Silflow and Ida Marie, and Mrs. Ida Silflow.

Grange Meeting Enjoyed

The Kendrick Grange held their regular monthly business meeting on Tuesday evening, with a goodly number present.

The literary program which followed the business session was in keeping with Lincoln's and Washington's birthday anniversaries. Mrs. H. C. Schupfer played a piano selection of patriotic music which was greatly appreciated. Also enjoyed were the vocal numbers sung by Mrs. Andrew Cox, Mrs. Harley Eichner, Mrs. Ed. Kent and Mrs. Norla Callison, accompanied by Mrs. Frankie Benschoter.

Delicious refreshments were served by the hostesses, Mrs. E. A. Deobald and Mrs. Roy Glenn.

Winter At Seattle

In writing to renew his subscription Clarence Hund says of Seattle: "We are all well as usual, and have managed to keep from freezing up to a standstill over here — though it has been quite cold for the past 10 days. It was about 6 above zero for three nights and then 14 inches of snow fell to add to the hazards."

"Am still on the same job at Boeing's. I like the work fine but don't care much about working with a mass of people such as is now here at the plant — but will undoubtedly be here for the duration."

Company 2-K-1 I. V. R.

Company 2-K-1 I. V. R. met for drill at the school gymnasium Monday evening this week, with only the proverbial "Corporal's Guard" present — there being but 12 officers and men.

However, an hour and 15 minutes of drill and instruction was held.

The next meeting will be Monday evening of next week — and it is to be hoped that weather and roads as well as work, will permit a better turn-out.

United In Marriage

Probate Judge John L. Phillips performed the marriage ceremony Monday for Irl Hammers, Lewiston, and Daisy M. Stage, Cavendish.

INTERESTING NEWS BITS FROM SOUTHWICK SECTION

Warner Ziemann, Clarkia, spent Sunday here at his home.

Miss Juanita Bateman returned to Lewiston Thursday, after visiting with her sisters, Mrs. Edith Wells and Mrs. Tommy King.

Kendrick Butter To Coast

Frank Harris manager of the Kendrick Co-operative Creamery is the possessor of a very complimentary letter written that institution by a coast grocery firm to whom they are selling butter.

The letter states that this product is superior in every way to other butters received from the Idaho area — and further states that it has proven very satisfactory to the firm's customers.

Mr. Harris has also received a very liberal increase in the order from the same firm — and hopes to be able to fill it.

It has long been known that the cream for the production of No. 1 butter has been here in the Potlatch section, and it has only remained for the new creamery to receive the cream and produce the butter.

Mr. Harris and buttermaker Kenney Powell are indeed to be complimented, as members of the firm, as well as personally, for the fine showing made to date — and with more members and more cream — a still better showing would be possible.

Feeding Birds

Deputy State Game Warden Alonzo Brown drove to Kendrick Sunday where he picked up Marvin Long and the two made trips of inspection to bird feeding places — and refilled feeders that might need it.

Marvin stated that feeders in the Juliaetta section, where the snow is almost gone, were hardly touched, but that those above town certainly showed the good use to which they had been put.

Equipment School Going Good

With the coming of warmer weather the farm equipment repair school is making good progress, with a capacity group of equipment being worked on.

Bob Clemenhagen, instructor, says that so far the time has been almost entirely taken up with tractor work — crawler and wheel types both coming in quantity.

Has Returned Home

Claud Craig was dismissed from the White hospital at Lewiston last Thursday, and is now recuperating at his home here, following a major operation.

A trained nurse accompanied him home and remained until Monday to care for him.

Meeting Postponed

The church supper scheduled for tonight (Thursday, Feb. 4), has been postponed until Thursday evening of next week, due to the illness of Rev. Murray.

CASH WHEAT STEADY TO FIRMER AT PORTLAND

Cash wheat prices at Portland ranged from unchanged to slightly firmer as compared with a week ago, during the seven-day period ending January 29, according to the U. S. Department of Agriculture. Advances of 1/4c per bushel were registered in the ordinary red wheats and in some of the white varieties. Market steadiness principally reflected the practically unchanged quotations in the Chicago wheat futures market. Trading was fairly good here during the period with mills in the market for cash wheat on practically every day of the week. Special qualities were in best request to supply current needs of mills. New domestic flour business continued rather slow. Indemnity payments on export flour sales to the Americas were advanced sharply to \$1.60 per barrel on January 28, effective until February 11. As a result, export sales were reported fairly liberal, although slightly less than during the previous week. Growers continued to release fair amounts of wheat so that buyers were able to obtain urgent needs in the open market at quoted values. Sales of Pacific Northwest wheat for rail movement to the midwest were reported as light, especially when compared with those made at earlier periods in the month. Feed wheat demand continued good in the area with most supplies coming from the

STONY POINT VICINITY

Students from this vicinity attended the all-high Freshman return party Thursday evening. Many entertained company that night and some are: Fay Heath entertained Beulah Baker; Kathleen Steigers entertained Marvell Gilbert; and Evelyn Heath Bernice Heimgartner.

The Stony Point school bus was taken to Lewiston on a wrecker Saturday for repairs, after it stalled going up the Hubbard Gulch grade Friday evening. Reports are that it was universal joint trouble and that it was taken home Sunday.

Alvin Weichman killed a coyote near his haystack with a pitchfork this week. He seems to be doing a little better than the men with guns. Eldon Heimgartner killed a coyote Sunday. We wish they could kill all of the pests.

Excess Must Be Declared

What Do the People of Washington and Oregon Think of Public Ownership of The Electric Business?

Results of a Scientific, Accurate Public Opinion Survey

A measure known as the "Bone-Smith Bill" was introduced in the last Congress. It is proposed to give a Columbia Power Administration the authority to buy and take over all business-managed electric companies in Washington and Oregon, without a vote of the people, and re-sell them to public bodies.

Public power politicians claimed this was the wish of the people. We wanted to know — and we had to have a reliable, accurate answer — so we and other Northwest power companies asked Dan E. Clark II and Associates, nationally-recognized survey firm, to find out. Here are the results:

Should or should not a Columbia Power Administration be given authority to buy or condemn and take over every electric power company in Washington and Oregon?

The answer is "NO," by nearly 2 to 1:

46.1% said no
24.0% said yes
29.9% had no opinion

Reasons given are (1) a preference for private business; (2) opposition to government control; (3) satisfaction with the present set-up, and (4) unfairness of the proposal to private business.

Opinions by Occupations

	Professional and Business	Clerical and Sales	Laborers	Farm and Labor	All Others
No	53.9%	56.6%	44.6%	46.7%	41.7%
Yes	25.3%	11.0%	22.8%	31.8%	25.0%
No opinion	20.8%	32.4%	32.6%	21.5%	33.3%

Opinions by Income Groups

	Under \$25 per week	\$25-\$50 per week	Over \$50 per week
No	43.1%	46.5%	56.1%
Yes	22.4%	25.6%	21.0%
No opinion	34.5%	27.9%	22.9%

Should such a change in the Northwest power set-up be made now or postponed until after war?

The answer is "AFTER THE WAR," by nearly 5 to 1:

63.3% said after the war
13.7% said now
23.0% had no opinion

Even those in favor of the Bone Bill public power proposal are nearly 3 to 2 against enacting it during the war:

51.9% said after war
36.1% said now
12.0% had no opinion

Typical comments were: "We have enough to do now" "There are more important things to worry about" "This is no time to make changes" "The government has too much to do to dabble in public utilities."

Should public power be decided by government bureaus, or by a vote of the people?

The answer is more than 11 to 1, "BY VOTE OF THE PEOPLE:"

83.7% said by local vote
7.5% said Congress should decide
8.8% had no opinion

Even those IN FAVOR of the Bone-Smith public power bill are nearly 5 to 1 in favor of settling public power questions by a vote of the people.

Do You Consider Your Present Electric Rates Reasonable?

The answer is "YES" by a majority of 5 to 1:

78.6% said yes
15.8% said no
5.6% had no opinion

These results speak for themselves. The public power politicians again are found promoting their pet schemes to build authority for the bureaucrats and socialize free enterprise. But this survey shows conclusively that the politicians do not represent the opinions of the people of Washington and Oregon.

THE OLD JUDGE SAYS...

"Quite a discussion some of the boys were having down at lodge meeting last night, Judge...you know, in the anteroom before the election of officers."
"Sure was...and Herb was dead wrong. The alcoholic beverage industry does account for more taxes than any other industry. I checked the figures in my office this morning. Why the figure on alcoholic beverages is pretty close to a billion and a half dollars a year. Lucky thing we haven't got

prohibition or the government would have to make up the money some other way. And there's only one answer to that—more taxes. You know what that would add up to?... about \$25 more taxes a year for every man and woman in the country. In other words you and Sue would have to pay about \$50 more in some form of tax. I guess about the only ones who'd come out ahead on that deal would be the bootleggers and gangsters."

Conference of Alcoholic Beverage Industries, Inc.

SCHOOL NOTES

The first and second grade room has two new pupils, from the Clearwater school, near Spalding. Betty Olmstead is in the first grade and Leonard Olmstead in the second grade.

Those that had perfect attendance for the last month in the third and fourth grade room were Max Clemmensen, Roger Jones, Geraldine Onstott, Parker McCreary, Buddy Holt and David Crocker.

The fifth grade History class is starting to study about Rome and Italy. The sixth grade is studying about France.

The seventh and eighth grade held a mock trial in Civics class Wednesday. They tried Delos Miller on the crime of stealing chalk.

The grade school boys returned Juliaetta's basketball game there Friday, and lost by a score of 17 to 21.

The Boys' Glee club will sing for the Commercial club meeting February 8th. They have selected as their numbers "Pretty Peggy" by Fearis; "Comrades," by Taylor; and "Steal Away to Jesus" by Jerome. Bob Lind will sing as a solo "Without a Song."

In basketball the boys won another conference game at Culesac last Friday to the tune of 26-22. It was a fast rough game, and marked by dozens of uncalled fouls.

Tuesday evening of this week the Tigers lost to the Lewiston "A" string by a score of 31-27. It, too, was a fast and furious game. The Tigers lead a good part of the game but the superior Lewiston size finally proved too much for them.

GOLDEN RULE

Dr. Christensen of Kendrick was called to see Dorothy Dorendorf Tuesday evening. She suffered a nasal hemorrhage.

Lucille McFadden spent Tuesday night with Adella Betts.

Mr. and Mrs. Gerald Stenzel spent Friday at the Glen Betts home.

The ladies of this community surprised Mrs. Mike Forrest on her birthday anniversary Thursday, giving her a dish towel shower.

Miss Ethel Cowger spent the first of the week with home folks. She returned to Orofino on Wednesday.

Mrs. Roy Marton accompanied the Harvey Morris family to Pomeroy over the week-end. She visited Mrs. Morris, who is seriously ill there.

Mr. and Mrs. Clifford Rutter and daughter Ann of Weippe spent the week-end at the Glen Betts home.

Jack Kelsey and Alvin Starr are cutting logs for Carl Finke, and boarding at his home.

Frances Walcott has returned, after visiting her folks at Pomeroy. Mr. and Mrs. Dewey McAllister and son are staying at the Roy Martin home.

Mr. and Mrs. Will Jennings spent Sunday with their daughter, Mrs. Abner Cowger and family.

Ralph Stage visited his father, Fred Stage, Sunday. Mr. and Mrs. "Short" Forrest and family visited at the Mike Forrest home Sunday.

Mr. and Mrs. Glen Betts and Eugene and Mrs. Clifford Rutter and daughter Ann visited at the Roy Southwick home Saturday afternoon.

Assistance Funds Available

Officials of the departments of public welfare of five intermountain states were given the "go-ahead" signal at a Social Security Board conference in Denver recently for prompt assistance to civilians who are in need as a result of enemy action or preparation for enemy action. Federal funds are being made available to dependents of seamen shipwrecked, killed or captured, to dependents of civilians interned by enemy nations or to civilian defense workers killed or injured in line of duty. Applicants should apply to their county welfare departments in Colorado, Idaho, Utah, Montana or Wyoming. Similar arrangements are being made in all other states.

Repair Parts Quotas Upped

Quotas for the production of repair parts for farm machinery have been increased materially, Leslie A. Miller, regional director for the War Production board, reports. Original production of repair parts at the rate of 130 per cent of average annual net sales in 1940 and 1941 was authorized. The new action raises this percentage to 160.

"In case of Tank pull string"

WHEN AN ENEMY tank approaches, the American soldiers behind this anti-tank gun won't need any written instructions. One pull on that lanyard and—wham!—look out tank! The armor-piercing projectile gets inside the tank's hide to explode its deadly charge—because the projectile's steel jacket contains chromium!

Before the war, domestic production of chromium ore accounted for less than 1% of this country's requirements. Today, over 50% of our needs comes from Montana mines served exclusively by the Northern Pacific Railway. Armor-piercing shells, armor plate, gun barrels, truck chassis, tank ball-bearings, and hundreds of other steel parts that demand super-strength, all call for chrome-steel.

To make this vital steel, carloads of chromium ores required by electric furnaces roll eastward every day via the "Main Street of the Northwest".

PUBLISHED BY THE KENDRICK CO-OPERATIVE CREAMERY

Co-operation Always Pays Dividends

Co-operation, regardless of its type, always pays dividends to those who participate — and the creamery business is no exception.

Co-operation in the selling of butter and eggs for members of this organization has proven to be a very satisfactory one — and as a reference — go to any of our members.

Perhaps you feel that you are "too small a producer" to gain by belonging to this organization. Such is not the case. Regardless of how much or how little you produce in these lines, we want you as a member. We need your cream and eggs — and you can profit in their sale with us.

At least, come in and talk the matter over. We will be only too glad to explain the many advantages that will be yours.

And, whether a member or not — we want your cream and eggs.

No quantity is too small.

Boy: "Daddy, if you give me ten cents I'll tell you what the iceman said to mama."

Dad (all excited): "O. K., son, here's your ten cents."

Boy: "He said, 'Do you want any ice today lady?'"

"Who is really the boss in your house," inquired the friend.

"Well, of course, Maggie assumes command of the children, the maid, the dog, the cat and the canary. But I can say pretty much what I please to the goldfish."

The sweet young thing asked the golf pro. if he could tell her how to play golf.

"Sure, it's easy enough," said the Pro. "All you do is smack the pill and then walk."

"How interesting," she said, "Just like some auto rides I've been on."

ed January 12 — and arrived in Kendrick January 29 — just 17 days on the way — which is mighty good time considering the distance. We only wish the Gezette could reach him that rapidly.

San Bernardino, Calif.
January 22, 1943

Dear Mac:

I just have time to write you a very short note and tell you my new address, which you will find on the outside of this note. I would have written sooner, but they have been moving me so fast and so often that I haven't had time to do much writing. The weather down here is plenty "lousy," not at all like it is up home.

I am sure glad that my Gezette is catching up — as I miss it like all get-out. Well, got to quit for now.

Sincerely
Johnny Keeler

A letter from anyone, anywhere in the armed services is greatly appreciated by the Gezette. Not only is it of interest to our regular readers, but from the comments of the boys writing us, it is plain to see that they likewise enjoy hearing, even though indirectly, from old friends and classmates in the service — and now scattered all over the world.

We realize that they undoubtedly feel that there isn't much to write about — or perhaps they haven't time — but even a few words now and then are more than welcome.

WORD FROM LOCAL MEN IN OUR ARMED FORCES

Mr. and Mrs. Judson I. Lee arrived in Kendrick Wednesday evening of last week from San Diego, where he has been stationed in the dental department of the Marine hospital, although Jud is in the navy. He left Sunday afternoon to report for duty, but Mrs. Judd will remain, for a time at least, at the home of her parents, Mr. and Mrs. A. O. Kanikkeberg.

Judd visited us for a while Friday, and says that he likes navy service, but wishes the "mess were over". Jud also stated that the Kendrick Gezette was always more than welcome, and every line read, but most interesting of all of course, were the letters from men in the services.

Bremerton, Wash.
January 30, 1943

Dear Mac:

I must let you know my new address, so that I don't miss a copy of the Gezette.

Was glad to get aboard ship again. It makes me feel like a sailor, and I was getting mighty tired of loafing about the yards here.

Tell everybody "Hello" for me. Will write again later.

Sincerely,
Wayland Davis.

Ed's Comment: We notice that Wayland's address reads "Seaman 1st Class — which means another promotion for him.

New York City, New York
Jan. 27, 1943

Dear Mac:

Just a note to let you know I have had another change in address. I am going to Electrical school here in New York, and will be here about three months if I can make the grade.

I hope everyone in Kendrick is enjoying the winter. Sure would like to be there myself.

Tell anyone who wants to write my address.

Thanks a lot for the paper. I always look forward to getting it.

As ever,
Cpl. Warren (Hen) Cox.

From Mrs. Walter ZumHofe comes word that Pvt. Walter Zumhofe, who has been stationed at the Lemoore Army Flying School, Lemoore, Calif., for the past three months, has graduated with a very good rating from the Enlisted Mechanics School and expects to take an advanced course at the same field.

Camp Beale, Calif.
Jan. 25, 1943

Dear Mac:

I surely appreciate being sent the home town paper. I have been receiving it regularly, and they usually get here about Tuesday — so the news isn't very old.

This is an armored camp and I'm in the Armored Infantry. Have finished the first part of my basic training and now I am taking the special training on "Vehicle Maintenance."

This army life isn't too bad after one gets accustomed to it — but I'll still take the life of a farmer.

I haven't seen any snow this winter, but it really knows how to rain here.

If anyone wants to drop me a line they can get my address from my folks — and I'll sure try and answer all of them.

Thanks a lot for sending the paper.

Sincerely
Emil Silflow.

From Yar off North Africa Spt. Johnny Jones takes his pen in hand and gives us the following letter:

Somewhere in North Africa
January 10, 1943

Dear Friends:

Just a few lines to let you know that everything is still O. K. with me — and that I am still receiving the paper. It surely helps pass the day to read about what the folks at home are doing — and I particularly enjoy reading what the other boys in the services are doing and where they are stationed.

I like it real well here, and the country surely reminds me a lot of parts of the western states. They raise grain, grapes and lots of other fruits here. In fact, they could run close competition to California with their oranges.

This isn't much of a letter, but I just wanted to say "thanks again" for the paper — tell everyone "hello" for me.

Sincerely
Sgt. John Jones.

Note: The letter was written on January 10, postmarked and censor-

Hello, Everybody:

Just a few lines to inform you of my change of address.

I notice, through the papers, that many of the mainland people, if not all of them, are feeling cramped, mistreated and hurt over the many shortages you are having to cope with. I can guess that if a stone was thrown down the Main street of Kendrick it would probably hit a half-dozen persons squawking about one shortage or another.

How many of you people that are doing so much squawking would volunteer for service in Jap or German infested areas? No doubt, not one of you would unless you were forced.

Don't you folks think that a belly-full of hot lead is pretty tough to take, especially as a steady diet?

Do you hear any of the fellows that are suffering from said injuries feeling bad about it? — No, they try to keep smiling and heads held high, just counting the days when they again can join us.

All we are interested in is getting a bad assignment well done — so that we too can enjoy families and home life.

You will agree, I think, that every dime and dollar you spend for War Bonds and Stamps is well spent. The service men, I know, don't only think that it is money well spent, from the fact that all hands dig deep and hard to scrape up an extra Bond or Stamp, to help "We, the People," help ourselves.

It is noted that a group of men gathered together for a common cause are unusually happy; they help one another whenever necessary and get along far better than any group of men working together in civilian life. In fact, each and every one steps out of his way, sometimes all the way to try and make the service an agreeable place to work and live.

Perhaps meatless days are hard to stomach, but try a few days, weeks or months on rice and beans — then make your answer known. I don't believe any one of you would care for Tojo's tasty menu. Better still, one meal of hot, two of cold, stale soggy rice and one cup of stale water with each meal. There, brother, if you can still squawk about living conditions — then I suggest you join the Axis.

As you may note I have made several rates since last writing, and hope to make several more.

The Gezette comes in pretty regular, though a November issue in January may not seem like news to you — it does to me. Thanks, always for sending the Gezette — as I do enjoy it immensely.

A one time resident,
James D. Langdon, A. M. M. 2-c

Robt. Wegner, son of Mr. and Mrs. Aug. O. Wegner of Pullman (formerly of Cameron) has been advanced to a 2nd Lieutenant, Flight Officer of Ferrying Command.

He is stationed at Long Beach, Calif.

Mrs. Nettie Gentry, mother of Lester Gentry, Kendrick, probably better known here as "Jazz," is now somewhere in Africa. He said he had a nice trip across, and likes that part of the world very well.

Camp Clairborne, La.
Jan. 22, 1943

Dear Mac:

I have received several copies of the Gezette and I certainly am glad to be getting some news from home.

I am in the Air Borne Engineer's Corps. I have completed my basic training now, and have started my tactical training — so don't think I will be at this camp much longer.

I don't know when I will get a furlough, although some of the boys from the other companies are getting them now.

Thanks again for the paper.

Sincerely
Marvin Garner.

Bridge Supper

The ladies of the Bridge Club entertained their husbands last Wednesday evening in the home of Mr. and Mrs. E. A. Deobald, with Mrs. E. A. Deobald, Mrs. D. A. Christensen and Mrs. Harold Thomas as hostesses.

Following supper bridge was played at five tables. High scores went to Mrs. Christensen and Roy Ramey. F. B. Higley was an invited guest.

Game Birds Line Roads

Heavy snows have made it hard for them to secure gravel and feed.

NOTICE To Customers

A new O. P. A. order, dated January 21, and effective January 23, 1943, drastically curtails the hours in which gasoline may be sold — limiting such sales to 72 hours per week.

As a trial for the coming 30 days we will observe the following hours:

WEEK DAYS
8:30 A. M. to 7:30 P. M.

SUNDAYS
10:00 A. M. to 12:00 Noon — 2:00 P. M. TO 6:00 P. M.

Exceptions are made, of course, by the rules, for doctors, nurses, government equipment, or emergencies caused by illness or injury.

THE ORDER FURTHER PROVIDES:

The on and after February 1, no gasoline may be sold for cars (A, B or C coupons) except for cash!

The cash order does not apply to trucks using "T" coupons, or to any other coupon.
