NO. 8

KENDRICK LOCALS AND PERSONALS TWENTY YEARS AGO

Mrs. August F. Wegner of Cameron was a Lewiston visitor Wednesday and Thursday of this week. L. J. Herres arrived Wednesday on the night train from Kellogg to again take up his position at the Red Cross Pharmacy. Mr. Herres stated that he expects his family here in the near future. The many friends of the Herres family will be glad to welcome them back to the old home town.

Members of the Circle Card club and a few of their friends were delightfully entertained at a "500" party in the home of Mr. and Mrs. Edgar Long Tuesday evening. The rooms were beautifully decorated with hearts and colors suggestive of St. Valentine's Day. Four card tables were filled and after spending several hours at cards the high score was announced—Miss Beulah Long carrying off the honors, while Mrs. R. D. Newton received the consolation prize. Dainty refreshments served by Mrs. Long were also suggestive of the season and were very much enjoyed. Those present were Messrs. and Mesdames Walter and Harold Thomas, Newton, Erickson, E. Deobald, Kite, Hanson, E. Long, Beulah and Tom Long.

Radio Nuts Increasing — A Portland radio sending station announced Monday night that Clyde Alexander of Crescent had applied for membership in the "Foot Owls," an organization of radio nuts. The announcement was picked up by O. E. MacPherson's receiving station. Mr. MacPherson has recently contracted the radio epidemic and has at last qualified as a full-fledged radio nut. He gets radio stuff as far away as New York. There are now three radio nuts here — Otto Schupfer, A. V. Dunkle and O. E. MacPherson. They probably have the most regular habits of anyone in the community. From 7 p. m. until midnight, seven nights a week, you will find them with their ears glued to their head receivers, listening in on the universe.

Pupils of the seventh grade in the Kendrick school who received a grade of 90 or above in a history test are: Shirley Clem, Thelma Perryman, Margaret McDowell, Ruth Chamberlain, Pearl Johnson, Carl Sparker, Ellis Carlisle, Manning Ott and Hester Knepper.

Big Bear Ridge — Miss Helen Slind went to Pullman Wednesday to remain indefinitely. Miss Esther Kleth is visiting her sister, Mrs. DeWitt Penlund, in Lewiston. N. E. Ware attended the annual business meeting of the Latah County Red Cross chapter in Moscow Wednesday. Mrs. Wade Keene has been enjoying a visit from her father. Miss Alfa Swanson spent the weekend at the Kleth home.

Linden News — Mr. and Mrs. H. S. Weaver are rejoicing over the arrival of a new daughter, born February 6. Guy and Frank Foster, who are attending school in Kendrick, spent Saturday and Sunday at home. Mr. and Mrs. F. C. Lyons and family spent Sunday with Mr. and Mrs. A. W. Longfellow. A or nearly three times the gross revenue of the people of the ridge runs currently being earned. Its were busy filling their ice houses operating expenses keep growing. In the fiscal year 1941 Bonneville had 1326 employees to whom \$1,971,000 was paid. In 1942 it had 2,068 employees whose salaries amounted to \$1,018,000. For the current fiscal year it has 2,412 employees whose salaries total \$1,585,000. In a two-year interval, Bonneville has increased its personnel 82 per cent and its payroll 156 per cent.

Changes in Tire Rationing

As we understand the regulations at this time, the owner of a pleasure car or pickup may now have his tires re-capped with reprocessed rubber without resorting to the rationing board. However, there are (as we understand it) strings attached to this item — he must have had his tires and car checked previously, must have a tire inspector's report (recommendation for the work) and the tire must be one of the five registered to the car.

BONNEVILLE DAM STILL DEEP IN "RED INK"

In its news release of January 7, 1943, the Department of the Interior states that "By New Year's Day (1943) the Bonneville Administration collected a total of \$12,476,000 from its three-year power sales since it first began deliveries in 1939" and that "A total of \$7,680,000 has been returned to the people of the United States during the past 12 months toward liquidation of their investment in Bonneville and Grand Coulee Dams and the 2,000 mile Federal Transmission grid."

At the end of 1942 the U. S. taxpayers had invested in Grand Coulee dam (including interest) some \$175,000,000 and in the Bonneville Dam and transmission system (including interest paid by the U. S. Treasury but not charged against the project) and including the expenses incurred by the U. S. Army in operating the dam but not charged to it) about \$160,000,000 more; making a total of \$335,000,000 sunk in this enterprise. At the average cost of money to the U. S. Treasury, 2 1/2 per cent, a year's interest alone now amounts to \$8,375,000, or some \$695,000 more than the "return to the people."

During the last three years the total interest accumulated on Bonneville and Grand Coulee has been in excess of \$20,000,000, or some \$7,500,000 more than the total revenue from power sales. "The impression given by the news release, says the "Oregon Voter" of Jan. 9, 1943) is that the Bonneville Power Administration in 1942 made earnings in excess of expenses and that these were turned over to the U. S. government to apply on Bonneville's debt to the federal treasury. It is true that it turned in the proceeds from its sales of electric energy the \$7,680,000 so earned in the calendar year 1942 as the administrator reported. This is the procedure prescribed in the Bonneville Act. Then, for every cent of money it needs for its operation — as well as for the new construction still proceeding — BPA goes back to congress with its budget data and obtains the needed cash as direct appropriation. . . . Until Bonneville begins to earn more money annually than it draws out of the U. S. treasury it is not in a true sense, liquidating the investment in its facilities. Much less is it liquidating its ultimate debt to the U. S. Treasury.

"Bonneville's budget for the current fiscal year totalled \$22,750,000 and Mrs. A. W. Longfellow. . . . A or nearly three times the gross revenue of the people of the ridge runs currently being earned. Its were busy filling their ice houses operating expenses keep growing. . . . In the fiscal year 1941 Bonneville had 1326 employees to whom \$1,971,000 was paid. In 1942 it had 2,068 employees whose salaries amounted to \$1,018,000. For the current fiscal year it has 2,412 employees whose salaries total \$1,585,000. In a two-year interval, Bonneville has increased its personnel 82 per cent and its payroll 156 per cent."

Food Stamps Still Usable

With the announcement that no more food stamps would be issued in Idaho after February 28, James J. Keene, Jr., state supervisor, food distribution administration, pointed out two ways in which eligible food stamp participants could use stamps remaining in their possession: (1) Obtain full value of both orange and blue food stamps by purchasing officially designated foods at participating retail food stores before March 31, 1943. (2) Obtain full cash paid-in value of orange food stamps by presenting stamps intact in official book at office where issued. Each orange stamp offered for redemption must be accompanied by two blue stamps. Keene stated that while the Stamp plan had already ceased to operate in some areas, a "Blue Stamp Food List" for February and March would be effective until March 31, 1943. The list includes fresh pears, corn meal, hominy (corn grits), all fresh vegetables including Irish and sweet potatoes, dry edible beans, fresh apples, fresh grapefruit, enriched wheat flour, self-rising flour, enriched self-rising flour, whole wheat (graham) flour and wheat flour. Grocers will be able to accept food stamps for these items until March 31.

No Drill Monday Night

Attendance at drill for Company 2-K-1 I. V. R., held Monday night was very poor, due no doubt, to too many other activities, there being but 11 present. There will be no drill Monday evening of next week, due to the Musical which is to be held at the school gymnasium that evening.

New Arrivals

Mr. and Mrs. Bud Magee are the proud parents of a seven-pound son, born February 25, in the home of Mrs. Clifford Davidson. Mr. and Mrs. Herbert Webber of Juliaetta announce the arrival of an eight-pound baby daughter, born Saturday, February 20.

WHAT KENDRICK FOLKS ARE DOING THESE DAYS

Mrs. Norman McAntyre and son left Sunday afternoon for Portland, where her husband is employed in defense work. She has been visiting her parents, Mr. and Mrs. Thos. McDowell, for several weeks.

Frank Wilken returned Monday from Portland, where he has spent some time visiting his son, Mr. and Mrs. Milton Wilken and family. While at Portland Frank was privileged to witness the launching of a "Liberty" ship, and states that it was a grand and impressive sight — and well worth the trip to Portland in itself.

Mr. and Mrs. R. F. DePeel and family left Thursday afternoon of last week for Renton, Wash., where he will be employed in defense work.

John Cargill was a Monday morning passenger to Moscow.

Mrs. Roy Ramey left Tuesday for Jacksonville, Fla., after receiving word her mother is seriously ill.

Mr. and Mrs. B. W. Davidson and daughter of Pullman are guests in the W. A. Watts home over Wednesday night.

Charles Westendahl, six-year-old son of Ben Westendahl is entertaining a case of the measles.

Mr. and Mrs. E. R. Porter of Moscow were visitors in the James Emmett home Sunday.

Mr. and Mrs. R. E. Clouse and Mrs. Alvin Tweedy of Clarkston visited in the James Emmett home Sunday.

Mrs. Lester Hill of Clarkston spent from Wednesday to Friday in the home of Mrs. Edgar Long.

Mr. and Mrs. Bert Bidson left Friday for Hermiston, Oregon, where Mr. Bidson has employment.

Wm. Cuning, Portland, and John W. Savage, Portland, warehouse inspectors, were dinner guests of Tom Keene in the home of the latter's parents, Wednesday.

Frank Castor left last week-end for Walla Walla, where he will enter the Veterans' hospital for treatment.

Mrs. Rose Farrington and daughter Evelyn spent Sunday afternoon and Monday in Lewiston visiting with Mrs. Farrington's mother and friends.

Red Cross Unit Busy

A peek into the Red Cross surgical dressing unit room last Wednesday afternoon would have revealed 15 women seriously engaged in the business of folding dressings. The appeal for more workers met instant response, with 1900 dressings having been folded to date. Mrs. H. Galloway took the completed sponges to the Moscow unit Friday and brought back four more bales of material, or enough to make 3600 dressings. So get ready for another session.

KENDRICK WINS BASKETBALL TOURNEY AT LAPWAL

The Kendrick High school Tigers emerged from the sub-district basketball tournament the winners, undefeated, and the possessors of a beautiful trophy donated by the Kendrick Bean Growers, the final awards coming Friday night at the final tournament game, between Lapwal and Genesee for second place. Below is a resume of the games: Kendrick's basketball team earned the right Wednesday evening of last week to meet Genesee for the championship of the valley sub-district Thursday evening by trimming the Lapwal quintet 26-22 in the third day of play to determine representation for the district play at Lewiston March 4-5-6.

A three-basket spurge by the Kendrick cagers in the closing minutes of the first half, the final one swishing the hemp as the gun sounded, gave Kendrick a lead they never lost, though the losers moved within one point of them in the final minutes of play, Kendrick trailed at the end of the first quarter 4-6, but held a 15-9 advantage at the end of the half.

Lapwal closed the gap to 19-16 as the third period ended, and with less than a minute to play trailed 22-23. The losers missed a free throw and Kendrick made one good to go 24-22. The final Kendrick goal came in the last few seconds.

Greene, Lapwal forward, was the game's high scorer with nine, and Kanikkeberg of Kendrick led his teammates with eight. Webb, of Lapwal, also collected eight.

The box score sheet follows: Kendrick (26) (22) Lapwal Baker (3) F. (9) Greene Fry (6) F. (2) Wilson McCall (4) C. (2) Penney Fraser (5) G. (1) Miles Kanikkeberg (8) (1) Miles Substitutes—Kendrick, T. Deobald, C. Deobald, Newman; Lapwal, Appleford.

Culdesac Beats Southwick

It took two overtime periods for Culdesac to eliminate Southwick from the tourney 29-27 in a close, hot game, thereby winning the right to meet Lapwal Thursday night.

It was Jerry Matson, Culdesac forward, who won the ballgame for Culdesac after the regulation game had ended 23-23, and the first overtime period ended at 27-all. Matson slipped under the hoop to collect the winning goal.

As Southwick hoveled out the team took with it what observers rated as one of the best boys of the tournament, Craig Craig made 17 points against Juliaetta Tuesday night and led in scoring in this game with 16. Most of his counters were collected with a clever pivot shot from under the basket. He fouled out near the end of the game.

Culdesac led all the way until the closing minutes of the game with a 6-3 advantage at the quarter; 15-10 at the half, and 18-15 at the close of the third period.

Culdesac played Bacon, J. Matson, Vauter, Story, Devins; substituted Culdesac, Olin, Bulen, Matson.

Southwick played Southwick, Ziemann, Craig, Reece, Martin; substitute, Locke.

Kendrick Wins From Genesee

Kendrick's high school hoop team grabbed the championship of the Valley sub-district basketball tournament and gained the right to represent the league as No. 1 team at the district tournament in Lewiston on March 4-5-6, as it edged out Genesee Thursday night 23-21.

The Kendrick-Genesee game was close all the way, though Kendrick managed to keep ahead until midway through the final frame when the losers knotted the count at 20-20. The final minutes after Kendrick regained the lead was a stalling game, with both teams playing cautiously.

Kanikkeberg moved from his customary position at guard for Kendrick to forward, scoring points from that spot, Kendrick led at the half 15-10, after holding a 9-5 lead at the end of the first period. It was 19-17 for the victors as the third frame ended.

Broommeling, Genesee center, was high scorer for the losers with six points. McCall, center, Kendrick, was the only player to leave the game on personals.

Box summary follows: Kendrick (23) (21) Genesee Kanikkeberg (9) (5) Elkum Fraser F. (3) Morscheck McCall (6) C. (6) Broommeling Fry (4) G. (3) Jacobs Baker (4) G. (4) Pederson Substitutes, Kendrick, C. Deobald, Newman, T. Deobald; Genesee, Follet.

Lapwal Defeats Culdesac

Lapwal's quintet provided the big crowd with another thrilling game as it defeated Culdesac 26-24, eliminating Culdesac from the tournament. Lapwal led all the way, with the score 10-3 at the quarter; 16-9 at the half, and 22-16 at the end of the third frame. The winners lost Webb by the foul route early in the fourth quarter and Culdesac crept

Still Another Double Feature
 Again the Kendrick Theatre is offering a double feature attraction. The first of these stars Jane Withers (a grown-up Jane) in "The Mad Martindales." A rip-roaring comedy, full of laughs from start to finish. If you liked Jane in her younger roles, you'll like this one. The second feature of the evening will be Lloyd Nolan and Carole Landis in a big-league baseball story, "It Happened in Flatbush." If you like baseball, action, and a love story rolled into one feature, then this one will appeal to you. Of course the usual cartoon will be a part of the show.

STATE CHAMBER ANALYSIS OF ASSESSED VALUATION

In sixteen counties of Idaho agricultural property makes up more than 50 per cent of the total assessed valuation of the county, according to an analysis completed by the Idaho State Chamber of Commerce.

Top honors again went to Owyhee county in 1941, when 75.47 per cent of the total valuation was listed as agricultural property. Payette county just missed making the 17th county with a score of 49.94 per cent, while Shoshone county had 1.22 per cent agricultural and 57.55 per cent mining valuation.

For the state as a whole, the report showed agricultural property represented 38.7 per cent in 1941, compared with 38.98 per cent in 1940, although dollar value was higher in the later year. Public utility properties ranked second with 27.3 per cent, followed by business property at 15.45 per cent; residence property 10.83 per cent; mining property 4 per cent; lumbering property 3.18 per cent and unclassified property .54 per cent. The total assessed valuation was \$393,504,073. For 1942 the total valuation was \$400,127,156.00.

Almost exactly one-third of the total valuation of the state is found in five counties. They are: Ada, \$33,317,413; Bannock, \$26,357,111; Twin Falls, \$25,999,426; Canyon, \$22,515,548; Shoshone, \$22,305,533 — total \$130,595,031.00.

The leading agricultural counties, according to assessed valuation, were: Twin Falls, \$12,587,995; Canyon, \$10,699,275; Bonanza, \$9,910,063; Bingham, \$7,726,784; Latah, \$7,708,122; Ada, \$7,696,552.
 Ada county led the state in assessed valuation of business property in 1941, with \$11,366,665, or 34.11 per cent of the county total. The next five counties in order were: Bannock, \$5,566,077; Twin Falls, \$5,124,295; Canyon, \$4,571,460; Bonneville, \$4,014,353; Nez Perce, \$3,490,588.00.

Weather Been Good
 Weather here in the Potlatch canyon has been about as nice the past week as anyone could ask — although up on the ridges it hasn't been too good.

True, we have had some cold rain, that landed on the hills as more snow, but Sunday, and most of Monday ended five days of beautiful weather.

Local stores, who now have in their supply of garden seeds, report a glint in the eyes of many as they see the pictures on the packets of seeds, and a discussion of what they plan on planting this year in the Victory Garden is heard frequently.

Well, with rationing, a Victory Garden is going to be a mighty important thing this coming season.

Mrs. Ernest Heimgartner Called
 Mrs. Ernest Heimgartner, 42, died Tuesday morning at 4:20 at the St. Joseph's hospital, Lewiston, of a heart ailment. She had been a resident of Cameron since December of 1941, having spent the previous 20 years in California.

Surviving are the husband, at Cameron; two daughters, Mrs. Harold Silflow and Irene Heimgartner, both of Cameron; one son, Ernest, Jr., Cameron; a brother, Henry Wendt, and step-brother, Walter Koopp, of Cameron; her parents, Mr. and Mrs. Carl Koopp of Cameron, and grandmother, Mrs. Catherine Brammer, 92, also of Cameron.

We regret further details are not available at this time (Wednesday evening) but we will endeavor to have them in our next issue.

Card Party Success
 The P-T. A. Library benefit card party, held at the school house Monday evening of this week, was a success, with pinochle and bridge in play.

High scores for pinochle went to Mrs. Mary Ottosen and Tom Long; low to Ross Armitage and Mrs. Ivan Craig. In the student class at pinochle Eldon Baker held high and Louis Lunders, low.

At bridge Mr. and Mrs. Roy Ramsey held high; Mrs. Roy Jump and M. C. Halliday, low.

At the close of the evening refreshments were served in the Home Making room.

The proceeds of the evening were \$15.00, which will be used to buy new books for the library.

Pictures To Be Shown
 Mr. Engstrom of Lewiston will show colored moving pictures on Soil Conservation this coming Tuesday evening, at 8 o'clock at the Fraternal Temple. He will be accompanied by Mr. Smith, Latah county soil conservation agent.

This is free to the public, and these pictures promise to be entertaining as well as educational.

KENDRICK WINS TOURNAMENT
 to within two points of them, the final box sheet showing Lapwai 26, Culesac 24.

Lapwai Defeats Genesee
 Lapwai high school Friday evening won the right to accompany Kendrick to the district basketball tournament at Lewiston as second place team of the valley conference when it defeated Genesee, 32-23, in a well-played game.

Lapwai dominated the game all the way, leading 9-3 at the end of the first quarter; 17-11 at the half; 25-20 at the three-quarter mark and 32-23 at the final gun. The winners capitalized on accurate mid-distance shots for many of their scores.

The cleanest game in the tournament, it registered only two personal fouls against Genesee and six against Lapwai.

At the conclusion of this game the beautiful trophies for first and second places were awarded, Kendrick bringing home the first place award and Lapwai the second.

These trophies are annually donated by the Kendrick Bean Growers' Association of Kendrick, and this year they seemed more beautiful than ever.

THE OLD JUDGE SAYS...

"How soon do you leave for camp, Bob?"
 "Next Tuesday, Judge. Bill and George are leaving the same time. We're hoping to wind up in a tank outfit."
 "Well, the way I've seen you handle a tractor, Bob, you ought to be right at home in one of those tanks. You're going to like the service—they're a great bunch of fellows. Just last week I went down to camp to see a young nephew of mine and he introduced me to some of his buddies. Fine fellows—real he-men just like you and Bill and George—from good American homes. Handle themselves well, too."
 "You know, I've been checking up on it, Bob, and I've found out that the American army today is healthier, better disciplined, better trained, better taken care of than it has ever been in its history. And you can take my word for it, Mary, he'll come back to you a fine man in great shape. Best of luck to you, Bob."

Potlatch Chief Sez

PUBLISHED BY THE KENDRICK CO-OPERATIVE CREAMERY

IT'S TRUE TODAY!

Ever hear that old saying: "Together we stand; divided we fall?" — Of course you have, and it's just as true today as it was when first said.

"United we stand" certainly applies to the co-operative marketing of cream and eggs, and clear proof of its advantages may be seen in the prices received by our pool members for these products. Ask any one of them about, or better still, come in and let us explain this plan to you. It's simple, but profitable.

Today, in addition to the handling of cream and eggs and the manufacture of butter we are also producing cottage cheese and buttermilk, and the profits of these products are also a part of the co-operative's profits.

No more pints of milk will be sold after March 1 (OPA order). Those having pint tickets will use 2 for one quart.

She: "Do you think I show distinction in my clothes?"
He: "Well, I wouldn't say distinction. I think 'distinctly' would be a better word."

Drunk (to splendidly uniformed bystander): "Shay, call me a cab, will yah?"

Splendidly Uniformed Bystander: "M ygood man, I am not a doorman; I am a naval officer."
Drunk: "All right, then call me uh boat. I gotta get home to-night."

Indignant Parent (6 a. m.): "Young man, what do you mean by bringing my daughter in at this hour?"
Flaming Youth: "Well, I gotta be at work by 7:00."

Low-brow is a person who likes dirty jokes, burlesque shows and a hot time. High-brow is a low-brow who won't admit it.

WORD FROM LOCAL MEN IN OUR ARMED FORCES

Westover Field, Mass. Feb. 16, 1943

Dear Mac:
Here I am again with a new address. It seems like I've been moving ever since I've been in the army, but I can't start kicking yet, because I'll probably move a lot more before this war is over.

I will be here for a while, anyway, so please send the paper to this address, because I'm lost if I even miss one issue of it.

I was up to see you twice when I was home the last time, but was either too early or too late both times, but I tried, anyway, and maybe the next time we can have a big talk.

I just got your last paper, dated the 11th, tonight, so am up on the latest news around home — it's sure funny how we fellows are. I know for my part I only lived around Kendrick six years before going into the army, and since then I've been over quite a bit of country and most of the east, and it's a pretty country, but I wouldn't trade Kendrick and the country around it for all of the country east of the Rockies — if I had to live in it — so here's one bad dollar that will come rolling back to Kendrick when this mess is over. I'll bet the rest of the boys will be Kendrick bound, too, and we hope that won't be long.

Say Mac, here's an address of a boy that would sure like to have the paper, too — Cpl. Irvin Goodal, etc.

He used to get a big kick out of reading the paper you sent me, and I know he'd appreciate it more, now. He knows a lot of the people at Southwick and Cameron, and has been in Kendrick quite a bit. Maybe you know him. If you can send him the paper I'll pay for it — if you will let me.

Well, I guess it's time I was signing off. I hope the weather is better around there by now. It's surely been cold here the last couple of days, but tonight it's warming up and I hope it stays that way.

So-long for this time.
Cpl. Everett Fey.
Note: The only way we can send the paper to your friend, under the new A. P. O. regulations, is for him to write and request it.

Somewhere In The Pacific February 16, 1943

Dear Friends:
Just a few lines to thank you for the copies of the Gazette, and to forward a new address. I certainly look forward each week to my copy — it keeps me in touch with the folks around Kendrick and those in the armed services from there.

I am sorry I cannot send a more detailed letter at this time, but it seems we must keep the censors on our side.

Again my appreciation for the paper and my thanks to those who are helping make it possible for we fellows to receive them.

Sincerely yours
Garth Hill.

Somewhere In Australia

Dear Mac and Bill:
I wish to take a few moments off this evening and drop you a few lines to let you know I am receiving the Gazette weekly, and am enjoying it very much. I want to thank you very kindly for the paper and do hope you continue to forward it this way.

Everyone is fine as can be expected, and we are getting pretty well used to the climate now. The old sun bears right out with a terrific blistering wave every once in a while, then the next day comes at dawn a pouring rain. We used to call such showers a baby flood, but to us now they are just merely a welcomed little shower from heaven.

This is quite a country, but we're really thriving on it; just waiting to get a crack at those little yellow rats. Really, the most troublesome thing in this country is the mosquitoes.

Well, maybe we can converse again some day, but I want to thank you again for the paper, for you know the home news is really the only news that concerns or interests us much.

Until later I'll be saying "keep

em coming our way and I know we'll do the rest."

Sincerely,
Sgt. Roy Fairfield.
Note: Roy's letter above bears no date.

Somewhere In The Pacific Jan. 29, 1943

Dear Mac:
I suppose you have been wondering where and how I am — well, I am fine and am having a good time. I saw my step-father (Roy Swanson) and got to spend a few nights with him, recently. I sure wish I could tell some of the things that I have seen since I left home, I'll bet I could sit down and tell enough to fill a book.

I surely would like to go to Australia again — it's sure nice down there. I have also been in Samoa. It's a "place, too."

The Biddison boys are just fine. Thanks a million for the paper. It sure cheers a fellow up to read the home town news. Tell everybody "Hello" for me and for the Biddison boys.

Your friend
Don Kuykendall, U. S. N.

Somewhere In Africa January 27, 1943

Dear Friends:
Just a few lines to give you my new address, and to thank you for the paper, which is again catching up with me. I enjoy them now more than ever, as we can't get any newspapers here that we can read.

It is quite hard to buy anything over here, even if you have money, as we can't understand them and they can't understand us — but we get by, somehow.

Again let me thank you for the Gazette — and I hope I don't miss a single copy.

Sincerely
Thomas Weber.

Note: Fellows, we sure appreciate the letters you write, and we know the folks at home and your friends in the armed services, scattered all over the world appreciate them, too, so any time you can find a few surplus moments, all would enjoy a few lines from you, brief though they may be.

Mrs. Harve Morris Passes
Mrs. Mabel Morris, 42, a resident of Southwick, Idaho, since 1931, died Friday of last week at the home of her sister, Mrs. Dale Turner, Pomeroy, Wn., after an illness of nearly two years.

Mrs. Morris had not been in the Southwick community for the past several months, nor had she been able to spend the last months of her short life with her husband and three children, but they were able to visit her at Pomeroy many times.

She will always be remembered in the Southwick community as a good neighbor, and a fine wife and mother. Funeral services were held Monday at 2:00 p. m. from the Richardson funeral home, Pomeroy, with the Rev. Forrest Tibbets as officiant. Interment was in the Pomeroy cemetery. Due to gas and tire rationing, many residents of the Southwick section were unable to attend the funeral services.

Mrs. Morris was born in Missouri on October 10, 1900, and prior to moving to Idaho resided in Garfield county. She is survived by her husband, Harvey H. Morris; three children, Jeanette, Phyllis Jean and Gerald, three sisters and one brother.

O. E. S. Party

A Washington's Birthday party, held by Canyon Chapter Tuesday evening, February 23, was well attended and greatly enjoyed by all present.

To begin the evening's entertainment a short program was given by a high school group. This consisted of vocal selections by Joyce Lyons and Bob Lind, and three songs by the boys chorus, all accompanied at the piano by Mr. Stroh.

The musical program was followed by cards, there being about nine tables in play.

At the close of play refreshments in keeping with the occasion were served in the banquet room to all present, after which a silver offering in the amount of \$10.00 was taken up for the benefit of the Red Cross.

High scores in bridge were awarded Mrs. R. L. Blewett and E. A. Deobald, while Mrs. L. W. Mason and Tom Long received low.

In pinchole Mrs. Paul Lind and Jackie Benschoter were high; Mrs. L. A. Wallace and Dale A. Miller, low.

Mrs. Harve Morris Passes
Mrs. Mabel Morris, 42, died Friday of last week at the home of her sister, Mrs. Dale Turner, Pomeroy, Wn., after an illness of nearly two years.

Mrs. Morris has not been here in this community for the past several months, nor has she been able to spend the last months of her short life with her husband and three children, but they were able to visit her there many times.

She will always be remembered in the Southwick community as a good neighbor, and a fine wife and mother.

Due to gas and tire rationing many residents of the Southwick section were unable to attend the funeral services, which were held at Pomeroy, Monday.

Acknowledgement of Help
The Kendrick Gazette wishes to express to the Cameron community its thanks for \$5.65 to be used in helping send the Gazette to the boys in our armed forces.

Our subscription count last week showed 115 local boys in the armed services now receiving the Gazette.

Brings In First Buttercup
Maxine Dammarell, daughter of Mr. and Mrs. Edgar Dammarell brought a buttercup to the Gazette office Saturday afternoon — the first one of the year.

Parents Of Son
Mrs. Thos. McDowell has received word from Mr. and Mrs. Allan Zell of Tacoma, announcing the arrival of a 5-pound son. Mrs. Zell will be remembered here as Margaret McDowell.

Home Nursing Class Started
A Red Cross Home Nursing class was started Tuesday afternoon in the home of Mrs. A. O. Kanikkeberg with 10 ladies enrolled.

Our public health nurse, Miss Loreta Schuler, assisted by Mrs. Myra Lee, will act as instructors. Twenty-four hours are required to complete the course of study. It is hoped the group can meet twice each week.

Dislocates Knee

Jeanette McFadden, Southwick, had the misfortune, February 19, to fall through the schoolhouse floor, dislocating her right knee. A loose floor board is blamed for the accident.
