HARDSHIPS OF ENGLISH LIFE TOLD IN LETTER

From England, where point rationing, volunteer service, hardship, loneliness and sacrifice are part of the day's routine, comes a letter from Pauline Rider, former Lewiston, girl, who has lived in London for the past 15 years.

The letter, written to Miss Gwyneth Mackinlay, childhood friend of the writer, who is the wife of Major James Alan Gordon Roberts, gives a vivid narration of war-time conditions and expresses the wish that Lewiston may never be bombed.

Wishing she could sit by the Mackinlay fireplace for a cup of coffee, she writes:

"I would, of course, bring my own coffee. We like it when friends bring their sugar since we never have any left from one week to another. Only because someone gave me a pound did we have any Christmas cake and then no frosting. There is no powdered sugar, no eggs and very little milk in the winter. We had some currants and nuts which I had been saving because they are on points and we managed quite a cake with a bit of holly and red candles. One doesn't seem to mind.

"One hears nothing but war on the wireless. I understand we talk it much less than you do. The men I meet from home are always surprised that the men here never talk about war and the people never talk of the battle of London. It seems different when one is in it. I am sure I should be terribly 'het up' if New York were bombed. Or Lewiston. What a thought!

Pauline is the foreman's mate of the American Red Cross warehouse and is the head of the volunteer staff. Friends who remember Pauline's fragile beauty and spritely wit will be amazed at the prodigious task she has.

"We packed 37,000 Christmas parcels for the men. My wrists ache yet from tying things and lifting boxes. I have been out of public life so long, it is difficult. The warehouse takes no brains, mostly brawn, and though I haven't much of that, I can manage and not worry.

"Grosevorn square, where our embassy and Red Cross and other headquarters are, is like America let loose. We have luncheon at the canteen and it is fun seeing so many Americans, although there are more English than Americans with the Red Cross.

"Americans all look happy and snappy and cheerful, although some of them in the country look disgruntled as they do not get used to this raw, damp climate and they won't put on long drawers. No place in England is warm, even in peacetime."

Believing the home of a friend offered better protection for her clothing, Pauline moved her personal effects for safety only to have the friend's home "bombed ten times worse than ours." She writes that she must spend her clothes coupons for warm outer clothing and patch and repatch the underthings. She feels like a 'capitalist' because she received from the states a nightgown and slip for Christmas which she says will last her a year!

Writing that she is going to the hospital to visit a dear friend who has just had a baby, Pauline comments: "Her husband is abroad and she is lonely but there is much loneliness everywhere. One has become quite hard and English people don't complain much.

"Some days when I am not busy at the warehouse I read to a blind actor upstairs as it gives his wife a rest. He is Esmond Knight, who lost his sight on the Prince of Wales. He was one of the best known English actors. He is still in films and writes and broadcasts and one never feels that he is blind. He has learned it all in a year. It brings out the noblest in most of them but it hurts us onlookers dreadfully.

Interpolating an apology to the censor in case she has overstepped the rules, she writes that her husband is soon to leave on a mission in occupied territory. Before he leaves they will spend a vacation with their friends, the Dickenses, grandsons of Charles Dickens, at St. Ives, Cornwall.

"It is a lovely old place. One is allowed on certain parts of the front and the cliffs are so lovely to scramble over. It will be good to be in the country, which we never see except on leave. We have been without a car for three years."

Pauline bemoans the fact that she will take six weeks to get her curtains from the dry cleaners or laundry. She must treasure her household effects because material is so scarce and the price so high.—Lewiston Tribune.

Note — We use the above because Mrs. James Alan Gordon-Roberts is a sister of the late Frank Rider of Kendrick. She visited here in the Rider home some years ago, and will be remembered by quite a number.

Musical Greatly Enjoyed
A good-sized and very appreciative crowd was present at the Kendrick High school musical, presented Monday evening of this week.

Mr. Stroh, music instructor, the band, mixed chorus and soloists are all to be heartily congratulated on the performance, the program of which appeared in last week's issue.

At the close of the evening "the hat was passed" and the generosity of the crowd showed its appreciation.

Hog Prices Hit High Point

Hog producers rubbed their hands gleefully last Saturday as they studied the recent trend in peak prices, which have been at the highest February levels for the past 24 years.

In only seven sessions have prices failed to equal the new February 24-year peak of \$15.60, established on the first of the month. This new high for February was broken four times later in the month. The last time was on February 22, when the peak rose to \$15.80, the all-time highest price since October 16, 1920.

WHAT KENDRICK FOLKS ARE DOING THESE DAYS

Mr. and Mrs. Oscar Hartung, who are living in Pullman, were Sunday visitors in the home of Mr. and Mrs. Walter McCall.

Mrs. E. R. Porter of Moscow, was down Sunday to visit her father, James Emmett, who has been very seriously ill. He is recovering at this time.

Mrs. Lowell Mason and Jimmie took the Wednesday afternoon train for Moscow, where they will spend a couple of days with her parents, Mr. and Mrs. Henry Hoffman.

Mr. and Mrs. George H. Rhodes, Jr., and two children, arrived last week from Ogden, Utah, to take over the work of farming the Dr. D. A. Christensen place. The Rhodes home is in Florida, but they spent the past six months in Ogden.

Mr. and Mrs. Herman Pabst of Gifford, came Friday evening to stay until Sunday with her sister and family, Mr. and Mrs. Ross Armitage.

Mr. and Mrs. Wade Keene had as dinner guests Sunday Mr. and Mrs. Owen Hardeman of Peck; Mr. and Mrs. George Jones and George Anne of Uniontown, and Mr. and Mrs. Tom Keene.

R. Blewett, who has been with his daughter and family, Mr. and Mrs. Ross Armitage, for the past two months, left Sunday for Lewiston, where he will take medical treatments before returning to his home at Stites.

Mrs. Roy Jump left Saturday for Seattle, to spend some time with her husband. The children are being cared for by her mother.

Mrs. Vera Stewart has spent some time in Lewiston the past week at the bedside of her mother, Mrs. Cathryn Galin. Mrs. Galin suffered a blood clot on the heart and was taken to St. Joseph's hospital a week ago, but was taken home last Sunday. Another daughter, Mrs. Qualey, is with her now.

Mr. and Mrs. Clyde Burns and daughter of Craigmont were dinner guests in the home of Mr. and Mrs. W. A. Watts Sunday.

Jeanette Galloway spent the week-end here with her mother. Mrs. Galloway accompanied her back to Spokane Sunday evening, and will spend the week with her daughters there.

L. Lundberg, who is working at Reubens, came Tuesday to spend several days with his family, and to witness the basketball tournament.

Mr. and Mrs. Paul Lind and sons, accompanied by Dick Harris and Agnes Baker, were guests Sunday in the home of Mr. and Mrs. Oscar Raby in Clarkston.

Miss Loretta Schuler left Friday afternoon for Coeur d'Alene, to attend the wedding of Miss Irene Hinkley.

Roy Ramey received a telegram from Mrs. Ramey Tuesday, saying she had arrived safely and was very happy to find her mother somewhat improved.

Mrs. Rose Farrington, accompanied by her sister, Mrs. M. Fransen of Pomeroy, left Thursday for Spokane and Kellogg to visit their sister and family, Mr. and Mrs. Albert Dorendorf.

Mr. and Mrs. John Lind of Teaklean were visitors in the Paul Lind home Tuesday.

Quentin Perryman left Saturday afternoon to return to his work at American Lake, Wn., after spending a few days here with his mother and his brothers.

Mrs. Eva Perryman was a Lewiston business visitor Monday.

Ersel Hudson Loses Home
The farm home of Mr. and Mrs. Ersel Hudson and family, together with all personal belongings, including canned fruit, etc., went up in smoke in a fire late Wednesday afternoon.

Mrs. Hudson and her four children, all under five years, were at home, and the children discovered the fire while playing in the yard. After taking the children to a place of safety Mrs. Hudson vainly attempted to save bedding and clothing. Neighbors responded but were unable to control the blaze.

Mrs. Hudson was ironing at the time with a gasoline iron. These irons give off a roaring sound from the burner, and this prevented her from hearing the flames crackling. She stated there was no hot fire in the stoves, and so was unable to assign a cause.

Probably the most serious loss was that of the home-canned fruits and vegetables, since, due to rationing, they cannot be replaced. No insurance of any kind was carried.

May Enlist In Marines
Men who are 17 and not yet 18 years of age may still enlist in the United States Marine Corps, according to Sgt. Clifton A. Musselwhite of the recruiting station at Lewiston.

At present all 17-year-old men who can pass the physical and other requirements of the Marine Corp. may enlist.

RED CROSS DRIVE IS TO BEGIN SOON IN NATION

The role which the American Red Cross is to play in rehabilitation operations after the war is beginning to take shape, according to A. L. Schafer, manager of the Pacific area. Resources of the American Red Cross and the International Red Cross organizations will be drawn upon to supplement the resources of the federal government in these operations.

The task, which he said is continuously growing, is to supply medicines, food, clothing and other necessities of life to the people who have been despoiled, plundered and starved. Never in its history has the American Red Cross been called upon to send relief to so many distant lands as in the last three years. Relief, by and through the American Red Cross has been given to millions of men, women and children. The bulk of these relief supplies has been sent to Great Britain, China and Russia.

Red Cross foreign relief has followed closely the path of global war through Poland, France, Belgium, Holland, Luxembourg, Norway, and many other conquered lands. Mr. Schafer added that when it became impossible to send supplies into defeated countries, the Red Cross continued aiding refugees as they fled from one haven to another.

All possible aid has also been sent to American prisoners of war, and internment camps under Japanese domination, through the efforts of the International Red Cross, thereby easing their lot considerably.

The Kendrick drive, of course, is timed with that of the national drive, so don't be surprised, and please give liberally when you are approached. Mrs. George W. McKeever is chairman of the local drive group.

E. W. Porter Passes
E. W. Porter, 76, a resident of Boise for the past 20 years, where he had held the position of state bank commissioner for many years, and later was secretary and manager of the Idaho Bankers Association, passed away at his home in Boise on Friday, February 26. Funeral services were held Monday afternoon, March 1.

About the turn of the century he moved to Juliaetta, then a thriving trade center at the terminus of the Northern Pacific railroad line from Spokane, where he founded the Bank of Juliaetta, of which he was president for some 20 years. He also operated the Juliaetta tramway and grain warehouses in that area.

He was active in republican politics and served Latah county two terms as state senator.

Mr. Porter was appointed state bank commissioner by Gov. C. C. Moore on Feb. 7, 1923, and served four terms, until Feb. 7, 1931, under the Moore and Gov. H. C. Baldrige administrations. He then accepted the appointment as secretary and manager of the Idaho Bankers Association, holding this office until his death.

Mr. Porter is survived by his widow, Mrs. Hazel V. Porter, and six children: Carl Porter, Ogden, Utah; Marion Porter, Portland; Hugh Porter, in the armed forces and last reported somewhere in the Pacific; Mrs. Glenn Johnson, Boise; Mrs. Elwyn Peterson, Salt Lake, and Mrs. Carol Alloway, Boise. Two brothers reside in Michigan, O. D. Porter, at Blissfield, and R. H. Porter at Detroit, the latter formerly having been engaged in telephone company enterprises at Juliaetta.

Fire Destroys Car, Garage, Etc.
Fire, apparently originating from a blaze in dead grass outside his garage, caused the loss Tuesday afternoon of the car, garage and woodshed, together with its contents, at the W. R. Smith home at Southwick.

Mr. Smith, on returning from a business trip to Teaklean, noticed smoke and a smoldering blaze just outside his garage doors. He kicked it out, opened his garage doors, drove in the car, locked the doors and started out through his woodshed. As he left the woodshed he noticed a blaze creeping into a pile of pitch kindling, and attempted to extinguish it, but was unable to do so.

He then started into the garage to get out his car, but by that time the fire was eating into that building and the heat drove him back before he was able to even unlock the garage doors.

Help was on hand by this time and the blaze kept from spreading to the house or cellar, but the car, garage and woodshed went up in smoke. Luckily the gas tank on the car was almost full, and no explosion resulted.

With the car Mr. Smith lost an almost new suit of clothes, a valuable pair of reading glasses, and other personal effects of lesser value. Mr. Smith suffered badly blistered hands and singed hair in his effort to save the car.

Bridge Dinner
Members of the bridge club and their husbands enjoyed a 6:30 supper in the home of Mr. and Mrs. Edgar Long last Wednesday evening.

Following dinner bridge was played at six tables, with Mr. and Mrs. Marvin Long and Rilla Davidson as invited guests.

High scores for the evening were awarded Mrs. D. A. Christensen and Dr. G. W. McKeever. Assisting hostesses were Mrs. W. A. Watts and Mrs. G. W. McKeever.

Mr. and Mrs. Herman Meyer were Lewiston visitors Monday.

Mr. and Mrs. Raymond Blankenship visited with Mr. and Mrs. Roy Blankenship, Sunday.

Miss Marjorie Beach spent the week-end at Walla Walla, with friends.

Roy Thomas, who is employed at Headquarters, visited Sunday with Mrs. Thomas, at the A. R. Locke home.

Chas. Hoffman delivered hogs to a Lewiston market, Tuesday.

Warning To Car Users
State Traffic Patrolman Ingvold Aas was in town one day last week, and issued a warning to motorists, now that weather and roads are improving.

Ingvold states that the new and favorite fine of judges for speeding or reckless driving is: One coupon for each mile over 35 — no better stop and think.

He also warned that cars with "B" and "C" books must display this sticker at all times — and that if the car is used at any time for pleasure, the owner must be ready to give a strict mileage accounting and trip record instantly if questioned. In other words — if you have a "B" or "C" sticker — better use that car for business only — it's much safer.

Commercial Club Meeting

The regular monthly meeting of the Kendrick Commercial club will be held in the Ag. room of the Kendrick School next Monday evening, March 8, at 6:30 p. m., with the Homemaking department of the school serving the 6:30 dinner.

There is said to be a number of items of importance scheduled to come before the group, and all members are urged to be present — and bring a friend.

It is not necessary to be a member of the club to attend a meeting — come at any time you may care to do so.

MISS IRENE HINKLEY BRIDE OF THOMAS FURSE, U. S. N.

The First Methodist church of Coeur d'Alene was the scene of the wedding of Miss Irene Hinkley and Thomas Hood Furse, U. S. N., at 8:30 p. m., February 26, with the Rev. Paul G. Perkins officiating.

The marriage vows were exchanged before an altar banked with potted palms, pink and white cyclamen and lighted candleabra.

Preceding the ceremony, the organist, Miss Elise Woods, played several appropriate selections, and Miss Florence Hinkley sang "At Dawning," accompanied by Miss Woods.

The bride, who entered on the arm of her father, wore a gown of ivory satin, with tightly fitted bodice and full skirt, fashioned with a train. She wore her mother's veil, which was held in place by a tira of seed pearls. The bride carried a bouquet of white carnations.

Miss Florence Hinkley, sister of the bride, was maid of honor. She wore a dress of pale green net and carried talisman roses. The bridesmaids, Mrs. Harold Enquist and Miss Rena Echer, wore dresses of peach net, and also carried talisman roses.

The bridegroom was attended by Gunnar Johnson, as best man. The ushers were Robert Nelson and Hans Christensen, all U. S. N.

Mrs. Furse has returned to Kendrick to resume her teaching duties until the end of the term, after which they will make their home in Spokane. Mr. Furse is stationed at the United States Naval Training Station at Farragut, Idaho.

Liquor Bill Fails To Pass
Differences between leaders of the house and senate delayed adjournment of the 1943 session of the Idaho legislature for several hours but the lawmakers finally agreed to call it quits early last Sunday morning.

Difficulties arose when the house of representatives refused to suspend its rules requiring reading of bills three separate days to consider three measures on the calendar and voted to adjourn at 10:15 p. m.

The senate refused to go along with the adjournment proposal and threatened to keep the lawmakers in session five more days unless the bills were acted upon.

The house finally agreed to consider one of the bills—substituting a \$45,000 appropriation for use by the governor's office in emergency law enforcement for a previously proposed grant of \$75,000 — and then passed it 29-25.

The measure then went to the senate, which approved it 29-13. Adjournment then followed swiftly.

The two other bills which were sidetracked by the house's refusal to suspend its rules would have legalized sale of liquor by the drink and would have appropriated \$15,000 for a survey of public schools with a view of effecting district consolidations.

Spring's Here!
Yes, sir, spring is here, even if the mercury did register 17 above Tuesday morning at 6:30 — for the blue birds on the Christensen place are back and ready to start house-keeping. It's a pretty good sign, too, when the activity of garden making gets under way, and that's just what has been happening on the school house hill the past week.

There has also been some evidence of spring house cleaning, with Mrs. Housewife and her window washing paraphernalia draped on step ladders here and there.

Yes, there are pretty definite signs of spring — if you believe in signs!

Kendrick Girls Rate High
Word has been received this week that Barbara Long, daughter of Mr. and Mrs. Edgar Long, was elected president of the Women's Athletic association of the U. of I., and Helen Newman, daughter of Mr. and Mrs. Fred Newman, Cameron, as vice president.

Lois Deobald, daughter of Mr. and Mrs. W. E. Deobald, a freshman at the U. of I., was tapped a member of the Music Honorary Society.

It is quite gratifying to have our young women put us on the map, and all are proud of them.

Parents Of Daughter
Mr. and Mrs. Freeland Whybark of Juliaetta are the parents of a daughter, born to them at 5:15 a. m. Saturday, at St. Joseph's hospital, Lewiston.

Tonsillectomy
LeRoy Steigers, son of Mr. and Mrs. Alvin Steigers of Gifford underwent a tonsillectomy in Dr. Christensen's office Tuesday morning. He is recovering nicely.

Victim Of Erysipelas
Ralph Richardson, Fix ridge, is quite ill, and confined to his bed with erysipelas.

MRS. ERNEST HEIMGARTNER, PIONEER, PASSES AWAY

Mrs. Bertha Heimgartner, nee Wendt, was born at Cameron, Idaho, January 11, 1901. On Jan. 27 of that same year she became a baptized member of the Cameron Lutheran congregation. On April 25th, 1915, she took her confirmational vow and faithfully lived up to the scriptural passage contained in her confirmation certificate, Ps 143-10: "Teach me to do Thy will; for Thou art my God. Thy spirit is good; lead me into the land of uprightness." The church records show that she was a regular guest at the Lord's Holy Supper Table.

At the age of 20, she was united in marriage to Ernest Heimgartner, who at that time was living in Hanford, California, and where they went to make their home. While in California they were blessed with two daughters, Mildred and Irene, and one son, Ernest.

On December 19, 1941, the family moved back to Cameron. Mrs. Heimgartner had been in ill health for some time and it was felt the change might make an improvement. However, on Tuesday, February 23, the Lord called her to the mansions above. She had reached the age of 42 years, one month and 12 days.

Besides her husband, Ernest Heimgartner; two daughters, Mrs. Harold Siflow and Miss Irene Heimgartner and one son, Ernest H., Jr., she is survived by her mother and stepfather, Mr. and Mrs. Carl Koepf; one brother, Henry Wendt; a half-brother, Walter Koepf and a grandmother, Catherine Brammer; and many other relatives and friends.

Funeral services were held in the Cameron Lutheran church, on Saturday, February 27, at 10:30 a. m., the Rev. Theo Meske officiating.

Music was furnished by the church choir, accompanied by Miss Dorothy Meyer. Music was also furnished by Mrs. Theo Meske.

Fall bearers were Fred Siflow, Herman Meyer, Otto Siflow, Aug. F. Wegner, George A. Wilken and Wilbert Brunsek.

Burial was made in the Normal Hill cemetery, Lewiston.

Card Of Thanks
We wish to extend our heartfelt thanks to all who so kindly assisted and for the words of sympathy and beautiful floral offerings extended at the death of our beloved wife, mother, daughter and sister, Bertha Heimgartner.

Ernest Heimgartner and family, Mr. and Mrs. Harold Siflow, Mr. and Mrs. Carl Koepf, Grandmother Brammer, Mr. and Mrs. Henry Wendt and family, Mr. and Mrs. Walter Koepf and family.

Magpie Drive Now On
The annual campaign against magpies has been launched by the fish and game department with co-operation of sportsmen's clubs and children. J. O. Beck, department director, announced this week that the commission had voted to pay a bounty of three cents on each magpie head delivered before April 15, and two cents for each head taken between April 15 and July 1.

The higher bounty is paid on early kills because there is less possibility of nesting and hatching if the predatory birds are taken as soon as possible in the spring. Magpies are destroyed because they are injurious to many forms of wildlife, particularly the eggs of pheasants, ducks and other birds.

In 1942 bounties were paid on 143,250 magpies. In addition, conservation officers, assisted by farmers and county agents, killed thousands by use of the poison and traps. Sportsmen and civic organizations in more than 20 counties took part in the campaign.

This year, as last, Marvin Long is handling the bounty payments at Kendrick. He states, however, that he does not believe there will be as many heads brought in this year as last, due to inability of those wishing to make kills to obtain ammunition.

More Remodeling At Creamery
The old chilling room at the local creamery is undergoing a thorough renovating and remodeling at this time.

A new concrete floor is being installed, level with the regular floor, to permit the entrance of "butter trucks". The walls will also be plastered with waterproof and freeze-proof material over heavy redwood insulation.

This work is in line with the company's policy of steady improvement, as well as being made necessary by the rapidly increasing volume of business being done.

Hours To Change
At the close of the first 30-day period the two local garages have decided to change their hours of operation.

Two hours will be lopped from the Sunday schedule, and one hour each added to Friday and Saturday evenings. The operating schedule follows:

Monday, through Thursday — 8:30 a. m. to 7:30 p. m.
Fridays and Saturdays — 8:30 a. m. to 8:30 p. m.
Sundays — 2:00 p. m. to 6:00 p. m.

Birthday Party
A number of little folks helped Eddie Tout celebrate his fifth birthday anniversary, Tuesday.

After play cake and ice cream were served by his mother, Mrs. Doy Tout.

Drop Basketball Game
 Kendrick, minus the services of Ossie Kanikkeberg, dropped a fast, rough basketball game to the Astoria quintet in the small Astoria gymnasium Friday evening of last week. The final score being 27-22, after Kendrick had had a good share of the game.
 The local boys were handicapped by the small playing floor and low ceiling, Kendrick striking the ceiling with the ball a number of times. The "B" squad also dropped a rough and tumble game, 19-12.

An Orchid to You!

FOR HELPING TO SAVE TIRES, GASOLINE, MANPOWER

Like other companies, utilities, too, must conserve tires, gasoline, manpower* and machines — all needed in the war effort. Several months ago, we asked our customers if they wouldn't cooperate by paying bills within 10 days after receiving them — and thus help conserve these materials. The response was amazingly good, and we hereby tender an orchid to our cooperative customers, who have added another patriotic contribution to the war effort.

HEY! LOOK HOW "N.P." IS TELLING THE STORY OF IMPORTANT WAR INDUSTRIES IN THE NORTHWEST! THIS AD IS ONE OF A SERIES NOW APPEARING IN THE SATURDAY EVENING POST AND 6 OTHER NATIONAL MAGAZINES.

Recipe for a glider:

"TAKE ONE Douglas fir tree, peel into sheets, place crosswise, press together, sand and cut into sheets of plywood. Next, place plywood on glider-form, bake, allow to harden, remove" ...

There, roughly, you have the "recipe" Uncle Sam now uses to make gliders for our Air Forces, and for the main ingredients of this recipe—plywood—Uncle Sam depends largely on manufacturers in Washington and Oregon. From these States comes 85% of the plywood made in this country—for gliders, trainers, transports, barracks, torpedo boats, pontoon bridges and many other wartime jobs.

When war came to America, plywood plants, like many other vital industries in the Northwest, found Northern Pacific Railway well equipped to handle the extra load. Even before Pearl Harbor, thousands of tons of plywood were rolling east to manufacturing centers via the "Main Street of the Northwest."

Double Feature At Theatre
 This week's offering at the local show house will be still another of those popular double features.
 The first of these offers Preston Foster and Lynn Bari in "Secret Agent of Japan." A story of the Japs treachery just before Pearl Harbor with the residents of Shanghai. It is said to be full of mystery, action, intrigue and love.
 The second offering of the evening stars Henry Fonda, Lynn Bari and Don Ameche in a howling comedy of modern times. When the "gang" took him for a ride to the big town — it backfired! — He turned the tables.
 And of course the usual cartoon will also be shown.

SHIP'S NAME TO HONOR IDAHO BATTLE GROUND

Mobile, Ala. (Special) The Alabama Dry Dock and Shipbuilding company next week will launch the S. S. Camas Meadows, a 21,680-ton tanker, which is one of the largest ships ever built on the Gulf of Mexico.
 The vessel is named for the Battle of Camas Meadows which occurred in 1877, in what is now Idaho. The site was directly west of Yellowstone National Park.
 The Nez Perce Indians, under Chief Joseph, in spite of protestations by him of peaceful intentions, became hostile against approaching white settlers pushing further westward. The Nez Perces had always been friendly to the white man and had boasted that no white had ever died from war with them. There is little doubt in the minds of historians that they were unfairly treated and crowded from their land by greedy and aspiring whites flocking to settle in the beautiful country.
 The Indians retreated with protestations for a time, but hostilities were bound to develop. Soldiers moved against the Indians and Chief Joseph was forced to retreat eastward and northward in one of the most masterful of Indian mass retreats. The Indians moved from the Snake river region across Idaho in a west and southwesterly direction through Yellowstone park, and east and northward across most of Montana, pursued and arrested by four substantial bodies of soldiers. Near the Canadian line they were finally forced to surrender. The Battle of Camas Meadows occurred during this retreat.
 The force of soldiers upon the Indian trail at the time of the battle was under General O. O. Howard. The Indians were being followed in a general easterly direction along Camas creek but so able were the Indians that the soldiers with their heavier equipment were unable to force an open battle. While encamped on the east bank of Camas creek, the Indians raided the soldier camp one night and succeeded in driving off nearly all of the pack horses and mules. Three companies of cavalry were ordered to saddle and pursue the redskins. The cavalry was divided into three units

but for some unexplained reason only one unit engaged in the Battle of Camas Meadows.
 The company which followed the trail came upon the Nez Perces after a 30-minute pursuit on a ridge in the foothills west of Yellowstone Park. The Indians had made a stand just over the ridge and the soldiers were forced to retreat to a clump of cottonwood trees, where a defense was made. Chief Joseph revealed his cunning in his attack upon the camp, in his retreat and the flanking movement which had forced the soldiers to retreat to the cottonwoods, and had produced a momentary panic that all but annihilated the company of cavalry. The cottonwoods presented adequate defense and in spite of the great effort on the part of the Indians the soldiers were able to hold their ground and finally drive the Indians off. The battle, while not a large engagement, was important in that it Chief Joseph had succeeded in annihilating the company of cavalry. Potlatch Chief Sez

PUBLISHED BY THE KENDRICK CO-OPERATIVE CREAMERY

ISN'T IT TRUE?

You have all doubtless heard the quotation "Co-operation is the Life Blood of a Nation," and that statement is more than just a statement today — it's a vital necessity!

You are co-operating with your nation, our armed forces, our allies, when you produce cream and eggs — a vital necessity for all.

But you need not cease co-operation there. Co-operate with your neighbor in this institution. Not only will this co-operation give you a sense of good will, but will help your pocketbook, for pool or co-operative selling has long been one of proved advantages.

Come in and talk this matter over with us. It will only take a few minutes to explain to you how you can profit more.

Ask for "Potlatch Chief" Cottage Cheese and Butter at the stores or creamery. You're sure to like them.

Like buttermilk? Try a glass at the local fountains or buy it by the bottle or jug here. It's a "Potlatch Chief" brand.

"How are you this evening, honey?"

"All right, but lonely."

"Good and lonely?"

"No, just lonely."

"I'll be right over!"

"Yes, madam, what can I do for you, today?"

"I'm going to be married next Tuesday and I would like to get some silk pajamas. What color is appropriate for a bride?"

"White is the preferred color if it is your first marriage, and orchid if you have been married before."

"Well, you'd better give me some white ones with just a wee touch of orchid in them."

Try "Potlatch Chief" Butter!

WORD FROM LOCAL MEN IN OUR ARMED FORCES

Seattle, Wash.
March 1, 1943

Dear Mac:

Just a few lines to let you know how much I enjoy getting the paper, and the letters from the boys in the armed forces are especially interesting, as I know most of them.

My paper has been coming on to me here from Camp Callan, but you don't need to send it down there anymore — just to the address on the envelope.

Thanks again for the paper.
Yours truly
Robert B. Shores.

Mr. and Mrs. E. E. McDowell are in receipt of a letter from their son, Hugh, dated January 24. He stated that he had just gotten out of a hospital.

He also said he had received the Christmas cablegram and Christmas box, and that the candy and nuts were surely good. Hugh also said he received 11 letters at one time.

Hugh stated they had had a few air raids, and that he had been privileged to visit London and see some of the bomb damage in that city.

The McDowells have also received a letter from Herbert, who is stationed in Maryland. He writes he is well.

Billy Deobald, son of Mr. and Mrs. W. B. Deobald, Kendrick, received his call for active service Sunday morning, and left that same evening for Portland. From that point he left for Lincoln, Nebraska. Billy enlisted in the army air corps some weeks ago, and has been expecting this call for several weeks.

Commissioned in Army

Ethel M. Fraser, daughter of Mr. and Mrs. Everett Fraser, of Kendrick, recently was commissioned a second lieutenant in the United States Army Nurse Corps, and has been ordered to report for active duty to Camp Stoneman, Calif.

Second Lieutenant Fraser's appointment was announced today at the headquarters of the Ninth Service Command, Fort Douglas, Utah.

This week's issue of the Gazette finds as few letters from boys in the armed forces, as at any time since this column was started. We know you fellows are busy, but your letters are of interest not only to the folks at home, but to the other fellows in the service — so if you can find a few minutes to "drop us a line", we, as well as everyone else, will appreciate it.

GOLDEN RULE

Charley Triplett spent Wednesday night with Ishmeal Martin.

All the ladies of the community surprised Mrs. Glen Betts with a dish towel shower, Tuesday. An enjoyable time was had by all.

Newsprint Price Up \$4.00 Ton
The Canadian and American governments announced February 27, a \$4.00 per ton increase in the ceiling for standard newsprint paper. The announcement was made jointly by the office of price administration and the Canadian wartime prices and trade board.

The increase became effective on March 1.

O.P.A. Administrator Prentiss M. Brown said the increase was necessary "because the newsprint industry can no longer absorb the increased cost which war conditions have brought about."
